It appears that it will be sometime yet before we have a case in the appellant courts and it is my opinion that we should leave the situation as it is at the present time rather than spending time and money needlessly.

We are continuing to give these matters our attention.

Very truly yours,

ROBERT W. FISHER

cc: Mr. Bill B. Horton
Vice Mayor
City of Asheville

Vice-Mayor Horton requested that the City Attorney keep checking on the status of the referred to cases.

POLITICAL SIGNS - REPORT BY DIRECTOR OF INSPECTIONS

J. E. Johnson, Director of Inspections, said there was a number of political signs being erected on residential properties. He said these signs are permitted in residential zones however a permit is required before their installation. He said they must also be removed within 10 days after the election.

Adjournment.

MAYOR

CITY CLERK

Councilwoman Price moved that the staff be requested to continue to look for other property more suitable for the long range goals. It is understood that this is not to effect or change the plans on the Swain property that is now being considered for a park. This motion was seconded by Councilman Cole and carried unanimously.

Mr. Gary Dodd, involved in youth baseball in the North Asheville area, said his interpretation of the motion would be that the staff would continue looking for a site until such time as approval for the present site is made or rejected by the federal agency. During the interim period, if no better or more desirable site is found then the proposed site will be approved or the Council will look upon the property favorably as it did in 1977.

Councilman Morris said he did not think Council could go on record that it will approve the site. He said at present the site has been approved and if it is not withdrawn for approval then it will remain approved. He said there were several problems involved which includes the fact that the proposed site is not a very suitable site. He said he did not feel all the problems would be solved by using the Swain property.

Upon the request of Councilman Rainey, Mr. Dodd said his interpretation of the motion is that the current site will remain as far as the application for funds is concerned and the site unless a more suitable site is found and the resolution carries forward only until such time as the either rejection or approval from the federal agency is made.

Councilman Rainey said his interpretation is the same as Mr. Dodd's. He said if the federal government approves of the site then all searching stops at that time.

ORDINANCE NO. 1042 - AN ORDINANCE AMENDING SECTION 11-46 OF CHAPTER 11, OF THE CODE OF ORDINANCES, ENTITLED PERMITS TO ISSUE ONLY TO LICENSED ELECTRICAL CONTRACTORS

4. Consideration was given to the second reading of Ordinance No. 1042, an ordinance amending Section 11-46 of Chapter 11, of the Code of Ordinances, entitled Permits to issue only to licensed electrical contractors.

Mayor Trantham said the ordinance was previously read on first reading and it would not be re-read in its entirety unless there is a specific request to do so.

Councilwoman Price moved to amend the ordinance as follows: "It would remain the same for existing structures but to obtain a permit to do the electrical work on a new family residence or new business establishment the property owner must pass the equivalent test given to those securing a license as an electrical journeyman." This motion was seconded by Councilman Rainey.

Upon inquiry of Councilman Morris, Mr. Harold Garland, Chief Electrical Inspector, said he did not feel the passing of the entire journeyman's examination would be necessary for a property owner to do his own electrical work. He said, however, in doing commercial wiring he felt it would be necessary to pass the journeyman's examination.

Mr. Steven Jones, 117 Furman Avenue, spoke in support of the rezoning request. He said he felt the zoning would be beneficial for the neighborhood, as well as preserving the Manor.

Mr. Mac Day, Vice-President of the Grove Park Sunset Association, spoke in opposition to the rezoning request. He said the property owners in the area do not want the property rezoned. He said the property values should be protected. He said the matter had been unfairly handled administratively as the petition did not request the public hearing within the thirty (30) day time frame as required by the Zoning Ordinance.

Mr. Russ Martin, 65 Woodland Road, presented a petition containing 105 signatures in opposition to the rezoning. He said there had been much widespread opposition, as this would intrude in the residential area. He said the Manor had 100 rooms of which only 40 are rented and the owners should try to increase the occupancy for profit.

Ms. Peggy Simpson presented a petition containing 20 signatures of property owners in the area, opposing the rezoning request.

Ms. Margaret Avis, President of the Grove Park Sunset Association, spoke in opposition to the rezoning.

Ms. Jane Fowler, resident of the Manor properties, also spoke in opposition to the rezoning.

Mr. Frank Edwinn, resident of the Manor properties, spoke in opposition to the rezoning.

Mr. William I. Lee, 18 Ridgewood Place, spoke in opposition to the rezoning stating that it was not in the best interest of North Asheville.

Mr. Larry D. Holt, President of the Board of Trustees for the Unitarian Universalist Chuch of Asheville, read a letter from the Board of Trustees opposing the rezoning request. He suggested several recommendations for properties having historical or architectural significance without changing the zoning.

Mr. Al Crane, operator of the Manor, speaking in support of the rezoning, said they needed some diversification to meet the operations of the Manor.

Mayor Trantham closed the public hearing at 4:23 o'clock p. m.

The City Manager read the ordinance rezoning the property as requested.

The ordinance was denied for the lack of a motion for adoption.

NORTH ASHEVILLE PARK - DISCUSSION AND MOTION RELATIVE THERETO

3. The City Manager said in the past week questions have arose relative to the location and adequacy of the proposed North Asheville Park. He requested an expression from the Council to continue looking for a site in the North Asheville area that would be more adequate than the one proposed, being the Swain property. The Staff then can continue doing this until such time as the City receives a reply about the federal grant obtained for this project. He said a report from the Director of Parks and Recreation indicated a three to six month period before hearing from the grant. He said the expression of Council during this meeting would not affect the grant applied for.

ORDINANCE NO. 1038 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Rezoning property on Sweeten Creek Road)

6. Consideration was given to the third and final reading of Ordinance No. 1038, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING OR THE ZONING OF THE CITY OF ASHEVILLE", as amended rezoning property on Sweeten Creek Road owned by Thomwins, Inc.

Mayor Trantham said the ordinance was previously read on first and second readings and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 1038 passed on its third and final reading.

Complete text of Ordinance No. 1038 will be found in Ordinance Book No. 8 at page 181.

ORDINANCE NO. 1041 - AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THE DWELLING HOUSE KNOWN AS 285 WESTWOOD PLACE

7. Consideration was given to the third and final reading of Ordinance No. 1041, an ordinance directing the Housing Officer to demolish the dwelling house known as 285 Westwood Place.

Mayor Trantham said the ordinance was previously read on first and second reading and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 1041 passed on its third and final reading.

Complete text of Ordinance No. 1041 will be found in Ordinance Book No. 8 at page 186.

RESOLUTION NO. 78-94 - RESOLUTION RELATING TO FEES AND CHARGES TO UNDERWRITE MAINTENANCE AND OPERATION OF THE ENKA WATER IMPROVEMENT PROJECT AND AUTHORIZING THE MAYOR TO EXECUTE AN AGREEMENT WITH THE COUNTY OF BUNCOMBE

8. Consideration was given to a resolution relating to fees and charges to underwrite maintenance and operation of the Enka Water Improvement Project and authorizing the Mayor to execute an agreement with the County of Buncombe.

The City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Councilman Cole, Resolution No. 78-94 was unanimously adopted.

Complete text of Resolution No. 78-94 will be found in Resolution Book No. 10 at page 244.

Councilwoman Price said her feeling is that a property owner who starts this task may find if much larger than he anticipated and will end up spending more money if he is not knowledgable about the work.

After discussion, Councilman Rainey withdrew his second to Councilwoman Price's amendment.

Councilman Morris suggested that the ordinance be amended before the third reading to include that the examination be reviewed by the Board of Electrical Examiners to determine if the examination is adequate for the work to be performed.

On a roll call vote of 4-1, Ordinance No. 1042 passed on its second reading, with Councilwoman Price voting "no".

ORDINANCE NO. 1043 - AN ORDINANCE AMENDING SECTION 20-2 OF CHAPTER 20 OF THE CODE OF ORDINANCES, ENTITLED PLUMBING PERMITS - INSPECTIONS, FEES

5. Consideration was given to the second reading of Ordinance No. 1043, an ordinance amending Section 20-2 of Chapter 20 of the Code of Ordinances, entitled Plumbing Permits - Inspections, Fees.

Mayor Trantham said this ordinance was previously read on first reading and it would not be re-read in its entirety unless there is a specific request to do so.

Mr. Dave Moser, Moser Plumbing Company, spoke in opposition to the ordinance, stating that it would present a tremendous problem for the inspectors to inspect the work being done by property owners. He said more help is already needed in the Plumbing Division of the City of Asheville.

Mr. Jim Bagwell, Bagwell Plumbing Company, spoke in opposition to the ordinance. He referred to the State Code Book, Section 108 in stating that he felt the ordinance would be in conflict the State Code. He also said this ordinance would possibly create health hazards in the City of Asheville.

Mr. Charles Williams, Williams Plumbing Company, spoke in opposition to the ordinance. He said he did not think the Plumbing Division could adequately enforce the proposed ordinance.

Mr. Jim Dotson, Dotson Plumbing and Heating Company, spoke in opposition to the ordinance. He said he felt the ordinance was downgrading to the health laws in the City. He suggested that the inspection department develop a Board of Examiners for journeyman plumbers similiar to the electrical board.

Mr. James R. Bagwell, Jr., also spoke in opposition to the ordinance.

After discussion, Councilman Rainey moved to table Ordinance No. 1043, until staff could draw up another ordinance to include a Board of Examiners for Journeyman Plumbers and a journeyman plumbers examination. This motion was seconded by Councilman Cole and carried unanimously.

The City Attorney was requested to investigate with the State the requirements of amending the State Code to allow for such a Board of Examiners for Plumbers.

Upon motion of Councilwoman Price, seconded by Councilman Cole, Resolution No. 78-69 was unanimously adopted.

Complete text of Resolution No. 78-69 will be found in Resolution Book No. 10 at page 247.

RESOLUTION NO. 78-97 - RESOLUTION OF COMMENDATION FOR HIGH ACHIEVEMENT IN ATHLETICS

12. Consideration was given to a resolution of commendation for high achievement in athletics sponsored by Coach Butler. Coach Butler was commended for her training and coaching the outstanding Asheville High Lady Cougar basketball team.

The City Manager read the resolution.

Upon motion of Councilman Cole, seconded by Councilwoman Price, Resolution No. 78-97 was unanimously adopted.

Complete text of Resolution No. 78-97 will be found in Resolution Book No. 10 at page 249.

RESOLUTION NO. 78-98 - RESOLUTION APPOINTING MEMBER OF THE WESTERN NORTH CAROLINA REGIONAL AIR POLLUTION BOARD

13. Consideration was given to a resolution reappointing Mrs. Jones Byrd as a member of the Western North Carolina Regional Air Pollution Board.

The City Manager read the resolution.

Upon motion of Councilwoman Price, seconded by Vice-Mayor Horton, Resolution No. 78-98 was unanimously adopted.

Complete text of Resolution No. 78-98 will be found in Resolution Book No. 10 at page 251.

ORDINANCE NO. 1027 - AN ORDINANCE LEVYING, ASSESSING, IMPOSING, AND DEFINING THE LICENSE AND PRIVILEGE TAXES OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR BEGINNING JULY 1, 1978 AND ENDING JUNE 30, 1979

14. Consideration was given to the third and final reading of Ordinance No. 1027, an ordinance levying, assessing, imposing and defining the license and privilege taxes of the City of Asheville for the fiscal year beginning July 1, 1978 and ending June 30, 1979.

Vice-Mayor Horton moved to continue the third reading of Ordinance No. 1027 until May 18, 1978. This motion was seconded by Councilman Cole and carried unanimously.

RESOLUTION NO. 78-99 - RESOLUTION AUTHORIZING CONDEMNATION OF PROPERTY IN THE KENILWORTH PARK PROJECT AREA

15. Consideration was given to a resolution authorizing condemnation of property in the Kenilworth Park Project Area. The following parcel is to be condemned in order that the City of Asheville might carry out its approved plan of development: Parcel 3; Owner, Zella Beatty, et al; Address, Wyoming Road

ORDINANCE NO. 1045 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1977-78 (Dictation System City Manager/City Council)

9. Consideration was given to an ordinance amending the operating budget of the City of Asheville for fiscal year 1977-78 to cover the cost to upgrade the City Manager/Council dictation system in the amount of $2,360.00.

The City Manager read the ordinance.

Councilwoman Price moved for the adoption of Ordinance No. 1045. This motion was seconded by Vice-Mayor Horton.

On a roll call vote of 5-0, Ordinance No. 1045 passed on its first reading.

Councilwoman Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1045. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1045 passed on its second reading.

Councilwoman Price moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1045. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1045 passed on its third and final reading.

Complete text of Ordinance No. 1045 will be found in Ordinance Book No. 8 at page 193.

RESOLUTION NO. 78-95 - RESOLUTION APPROVING FAIR MARKET VALUE FOR PARCEL NUMBER 23 TO BE PURCHASED FOR THE DEVELOPMENT OF RIVERSIDE PARK IN THE MONTFORD AREA

10. Consideration was given to a resolution approving fair market value for Parcel Number 23 to be purchased for the development of Riverside Park in the Montford Area.

The City Manager read the resolution.

Upon motion of Councilwoman Price, seconded by Councilman Rainey, Resolution No. 78-95 was unanimously adopted.

Complete text of Resolution No. 78-95 will be found in Resolution Book No. 10 at page 245.

RESOLUTION NO. 78-96 - RESOLUTION CALLING FOR A PUBLIC HEARING FOR THE ADOPTION OF AN ORDINANCE DIRECING THE HOUSING OFFICER TO DEMOLISH 49 WEST CHESTNUT STREET

11. Consideration was given to a resolution calling for a public hearing for the adoption of an ordinance directing the Housing Officer to demolish 49 West Chestnut Street of June 1, 1978.

The City Manager read the resolution.

It is distressing to me, as an elected public official, that such an irresponsible and contemptuous activity would take place in the City of Asheville ... especially on the grounds of one of our finest and most respected institutions.

I would hope that the UNC-A officials will take appropriate steps to condemn this objectionable, if not illegal, activity and properly reprimand those responsible. A public apology would not be out of order."

Adjournment.

Ray M. Hamilton
MAYOR

William F. Maloney
CITY CLERK

The City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Councilman Cole, Resolution No. 78-99 was unanimously adopted.

Complete text of Resolution No. 78-99 will be found in Resolution Book No. 10 at page 252.

REPORT BY CITY MANAGER - SOURWOOD LANE

The City Manager, referring to a complaint made by Mr. Hugh Hyder, said the major road improvements on Sourwood Lane has been started and as soon as the weather clears the remainder will be completed.

PROCLAMATION - "BE KIND TO ANIMALS" - MAY 7 - 13, 1978

Mayor Trantham proclaimed the week of May 7-13, 1978 as "Be Kind to Animals" Week.

CLAIM - A. G. WILDER

The City Manager presented a claim received from A. G. Wilder.

Mayor Trantham referred the claim to the Corporation Counsel for investigation and recommendation.

PROCLAMATION - HEARING AND SPEECH MONTH - MAY

Mayor Trantham proclaimed the month of May as National Hearing and Speech Month.

MRS. BETTY ROGERS - COMPLAINT - MOBILE HOME

Mrs. Betty Rogers said she could not obtain a permit to place a mobile home on Cedar Hill Road. She said there was a trailer on this property before the zoning of the property.

The City Manager said he would investigate the matter and get back in touch with Mrs. Rogers.

VICE-MAYOR HORTON "DEEP THROAT" SHOWN ON UNC-A CAMPUS

Vice-Mayor Horton made the following statement:

"It is with an extremely heavy heart that I make this statement. Something allegedly happened in our City last night that was in gross bad taste and technically, if not legally, in contempt of our courts. I refer to the alleged showing of the movie "Deep Throat" on the UNC-A campus as a student activites sponsored entertainment.

It should be public knowledge in November, 1975, here in Asheville, that Superior Court Judge Kenneth Griffin ruled "Deep Throat" as obscene under the stipulations of G. S. 14-190 and enjoined it from being shown in Buncombe County.

Mr. Marvin Williams requested that Council postpone the third reading of Ordinance No. 1042 until such time as amendments can be submitted to Council for possible inclusion in the ordinance.

Councilman Michael moved to postpone the third reading of Ordinance No. 1042 until May 25, 1978. This motion was seconded by Councilwoman Price and carried unanimously.

PUBLIC HEARING - REZONING PROPERTY ON TUNNEL ROAD NEAR CRAIG CIRCLE - BARLAS AND KALOGERAKIS

ORDINANCE NO. 1046 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED

3. A public hearing was held relative to rezoning property on Tunnel Road near Craig Circle from R-2 and R-3 Residential District to CH Commercial Highway District.

Mayor Trantham opened the public hearing at 3:17 o'clock p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Planning and Zoning Commission, at its April 5, 1978 meeting, voted to recommend approval of the rezoning request, to rezone Ward 21, Sheet 10, Lots 50, 51, 52, 68, and 109-1/2 from R-2 and R-3 Residential Districts to CH Commercial Highway District for the following reasons:

1) The property is unsuitable for residential use.

2) Hazardous for residential use.

3) Residents objecting (Craig Circle) are protected by terrain.

4) Residents of Knauth Road are protected by private road.

He said this request was also considered in May, 1976 and the Commission had recommended approval of the petition at that time. However, the petition was denied by Council, in July, 1976, for the lack of a motion.

Mr. Emrick, by the use of a map, reviewed the location of the property in question.

Mr. Emrick said a petition had been received, containing 20-25 signatures of adjoining property owners, opposing the rezoning request.

Carl Hyldburg, attorney representing Mr. Gus Barlas, reviewed the background of the rezoning request. He said the Barlas' purchased the property in 1969 and 1970 for commercial use. He said the property has been unimproved due to the present zoning. He said the proposed zoning would not adversely affect the residents of Craig Circle.

Thursday - May 11, 1978 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen Gene E. Rainey, Ralph D. Morris, Jr., Otis B. Michael, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman F. Jack Cole

INVOCATION

Councilwoman Price introduced Rev. Warren Boch, Minister of Calvary Presbyterian Church and on the Staff of Asheville-Buncombe Community Christian Ministry, who gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the May 4, 1978 meeting.

Councilman Rainey requested an amendment to the minutes to reflect the following changes in a paragraph on page 218:

"Upon the request of Councilman Rainey, Mr. Dodd said his interpretation of the motion is that the current site will remain, as far as the application for funds is concerned, unless a more suitable site is found. The resolution carries forward only until such time as either rejection or approval of the grant by the federal agency."

Vice-Mayor Horton requested an amendment to the minutes to reflect the following changes in a paragraph on page 223:

"It should be public knowledge that in November, 1975, here in Asheville, Superior Court Judge Kenneth Griffin ruled "Deep Throat" as obscene under the stipulations of G. S. 14-190 and enjoined it from being shown in Buncombe County."

Upon motion of Councilman Rainey, seconded by Councilwoman Price, the minutes of the May 4, 1978 meeting were approved as amended.

CLARK BROWN- WILLIAM DeBRUHL - COMMENDED - MUNICIPAL ADMINISTRATION COURSE

The City Manager commended Mr. Clark Brown and Mr. William DeBruhl for their completion of the 24th Municipal Administration Course in Chapel Hill.

ORDINANCE NO. 1042 - AN ORDINANCE AMENDING SECTION 11-46 OF CHAPTER 11, OF THE CODE OF ORDINANCES, ENTITLED PERMITS TO ISSUE ONLY TO LICENSED ELECTRICAL CONTRACTORS

2. Consideration was given to the third reading of Ordinance No. 1042, an ordinance amending Section 11-46 of Chapter 11, of the Code of Ordinances, entitled Permits to issue only to licensed electrical contractors.

Mayor Trantham said the ordinance was previously read on first and second readings and it would not be re-read in its entirety unless there was a specific request to do so.

PUBLIC HEARING - REZONING PROPERTY -FAIRVIEW ROAD MR. AND MRS. KEITH DeWEESE

ORDINANCE NO. 1047 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED

4. A public hearing was held relative to rezoning property on Fairview Road from R-3 Residential District to LI Light Industrial District.

Mayor Trantham opened the public hearing at 4:10 o'clock p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Planning and Zoning Commission, at its April 5, 1978 meeting, voted to recommend approval of the rezoning request, to rezone Ward 7, Sheet 27, Lot 42 from R-3 Residential District ot LI Light Industrial District for the following reasons:

1) The property is contiguous with existing Light Industrial Zoning to the north;

2) Property situated in close proximity to the above property was recently rezoned to Light Industrial with no apparent adverse effect upon surrounding properties; and

3) The property abuts property that abuts the North Carolina Department of Transportation's right-of-way for the interchange of I-40, I-240, and Charlotte Highway. This fact makes the property more desirable for commerical or light industrial activities than for residential uses.

Mr. Emrick, by the use of a map, reviewed the location of the property in question.

There being no objections, Mayor Trantham closed the public hearing at 4:12 o'clock p. m.

The City Manager read the ordinance rezoning the property as petitioned.

Councilman Morris moved for the adoption of Ordinance No. 1047. This motion was seconded by Councilman Rainey.

On a roll call vote of 5-0, Ordinance No. 1047 passed on its first reading.

ORDINANCE NO. 1048 - AN ORDINANCE REALLOCATING, AMENDING, AND APPROVING COMMUNITY DEVELOPMENT BUDGET FUNDS SET FORTH IN THE CITY OF ASHEVILLE CAPITAL PROJECT FUND BUDGET FOR 1977-78

5. Consideration was given to an ordinance reallocating, amending and approving Community Development Budget funds set forth in the City of Asheville Capital Project Fund Budget for 1977-78.

Mr. Bob Long, attorney representing Ms. Dolly Kalogerakis, spoke in support of the rezoning request. He said Ms. Kalogerakis had also purchased her property for commercial use. He said the property is unsuitable for residential use.

Mr. Bob Swain, representing Mr. Frank Casey, spoke in favor of the rezoning request. He said Mr. Casey desires to establish an automobile sales agency on the property. He said this type of business should not be objectionable to the residents of the area.

Mr. Charles Crawford, owner of rental property on Knauth Road, spoke in favor of the rezoning request.

The City Manager read a letter from Ruby Gibbs who opposed the rezoning request.

Councilman Rainey suggested that Lots 50, 51, and 52 be deleted from the rezoning request.

Mr. John Barlas spoke in favor of the rezoning request. He said there are business establishments all around the property proposed to be rezoned.

Mayor Trantham closed the public hearing at 4:00 o'clock p. m.

Councilwoman Price moved for the adoption of Ordinance No. 1046, with the following stipulations:

1) That a 50' buffer, on the Kalogerakis property, be left adjacent to Charles C. Bell Elementary School; and

2) That Knauth Road, a private road, be permanently left open; and

3) That two rows of evergreen trees be left as a buffer on Craig Circle.

This motion was seconded by Councilman Rainey.

Vice-Mayor Horton suggested adopting the ordinance on first reading as presented with the intentions of amending the ordinance before the second and third readings of the ordinance.

Councilman Rainey withdrew his second to Councilwoman Price's motion.

Councilwoman Price withdrew her motion.

Councilwoman Price then moved for the adoption of Ordinance No. 1046. This motion was seconded by Vice-Mayor Horton.

On a roll call vote of 4-2, Ordinance No. 1046 passed on first reading with Councilman Rainey and Councilman Michael voting "no".

Contract	Contractor	Base Bid	Negotiated Bid
General	Price-Ray Constructors	$341,400	$330,350
Plumbing	Moser, Inc.	35,600	35,600
Mechanical	Moser, Inc.	89,600	78,863
Electrical	Hayes & Lunsford Electric Co.	64,235	61,996
	Total	$530,835	$506,809

Councilman Michael moved to accept the recommendation of the Parks and Recreation Director and award the bids to the low bidders. This motion was seconded by Councilman Rainey and carried unanimously.

CITY MANAGER'S REPORT _ STATUS OF READVERTISING THE SALE OF PARCEL NO. 3 IN THE CIVIC REDEVELOPMENT PROJECT AREA

7. The City Manager said the City had been awaiting an opinion from the Attorney General's office relative to the readvertising the sale of Disposal Parcel No. 3 in the Civic Redevelopment Area. He said the opinion had been received and a letter was forwarded to David Jones, Executive Director of the Asheville Housing Authority to proceed with readvertising for bids. He said he had received just prior to the Council meeting a letter from Mr. David Jones which he read:

"As you know, the Housing Authority of the City of Asheville has tentatively accepted the bid of Western Carolina Bank and Trust Company for the purchase of this parcel, subject to the approval of the sale by the City Council of the City of Asheville. Your letter of May 10, 1978, states that the City Council on April 6, 1978, decided to reject all bids for Disposal Parcel 3.

I have been advised by counsel for the Housing Authority, that according to G. S. 160A-514 (d) the sole function of the governing body of the municipality in a sale of real property by a housing authority exercising the powers of a redevelopment commission is to approve or disapprove the proposed sale of property.

The Housing Authority requests that it be advised whether or not the proposed sale of Disposal Parcel 3 to Western Carolina Bank and Trust Company is approved or disapproved by City Council.

I would appreciate hearing from you prior to the May 16th meeting of the Commissioners of the Housing Authority."

Councilman Morris said in view of the report, it would seem that Council would have to take additional action on the sale of the property.

Max Cogburn, representing Western Carolina Bank and Trust Company, referred to a letter of March 31, 1978 to the City Attorney from Mr. Bullock, Senior Deputy Attorney General. He said Mr. Bullock had indicated that the rejection of bids is a discretionary matter with the body having such authority, that body being the Housing Authority of the City of Asheville. He said N.C.G.S. 160A-154 also states that no sale shall be made except with the approval of the governing body. Therefore, the City Council, being the governing body, would not function in the capacity of rejecting the bids. He said Council's sole function would be to approve or

The City Manager read the ordinance.

Logan Delany, Community Development Coordinator, explained that the bids for the construction of the Shiloh Community Center Project exceeded the amount appropriated, $485,000, by $50,000. He said $50,000 was appropriated in the Third Year Community Development Program for Hunt Hill Place Extension Project, however, Hunt Hill Place Extension Project has been made a part of the Fourth Year Community Development East End/Valley Street Project. He said this ordinance would amend the Community Development Budget by transferring $50,000 from the Hunt Hill Place Extension Project to the Shiloh Multi-Purpose Center to cover the additional costs.

Councilman Rainey moved for the adoption of Ordinance No. 1048. This motion was seconded by Vice-Mayor Horton.

On a roll call vote of 5-0, Ordinance No. 1048 passed on first reading.

Councilman Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 1048. This motion was seconded by Councilman Michael and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1048 passed on second reading.

Councilman Michael moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1048. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1048 passed on third and final reading.

Complete text of Ordinance No. 1048 will be found in Ordinance Book No. 8 at page 196.

Virgil McConnell, of the Shiloh Area, expressed appreciation to the members of Council for their consideration on the Shiloh Recreation Center.

Sofia Dixon also expressed appreciation to the members of Council for their efforts toward the Shiloh Recreation Center.

Rev. Wesley Grant appealed to City Council to sell him the lot adjacent to his property at 97 Choctaw Street. He also asked why the Housing Authority was dumping dirt on the property adjacent to him.

The City Manager said he would look into the matter and be in contact with Rev. Grant.

BIDS - SHILOH RECREATION CENTER

6. Consideration was given to bids received for the construction of Shiloh Recreation Center.

The City Manager read a memorandum from the Director of Parks and Recreation which recommended the acceptance of the low base bids for the Project, which have been negotiated as follows:

Mayor Trantham suggested that the matter be postponed until next week after all the facts are obtained.

After discussion, Vice-Mayor Horton moved that Council schedule a special session of the Asheville City Council to reconsider the sale of Disposal Parcel No. 3 in the Civic Redevelopment Area for Tuesday, May 16, 1978 at 4:00 o'clock p. m. This motion was seconded by Councilman Morris and carried unanimously.

RESOLUTION NO. 78-100 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH RUCKMAN BROTHERS FOR THE PROJECT KNOWN AS NORTH FORK FLOOD DAMAGE CONTRACT #2

8. Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Ruckman Brothers for the project known as North Fork Flood Damage Contract # 2.

The City Manager read the resolution and a memorandum from William DeBruhl, Utilities Operations Coordinator, which stated that three (3) bids were received as follows:

Ruckman Brothers of Enka, N. C.	$28,750.00
Mountain Shire Construction of Arden	43,400.00
Hobson Construction of Arden, N. C.	45,900.00

Mr. DeBruhl recommended that Council accept the low bidder, Ruckman Brothers, Inc. in the amount of $28,750.00.

Upon motion of Councilman Michael, seconded by Councilwoman Price, Resolution No. 78-100 was unanimously adopted.

Complete text of Resolution No. 78-100 will be found in Resolution Book No. 10 at page 253.

RESOLUTION NO. 78-101 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH W & W CONTRACTING COMPANY, INC., FOR THE PROJECT KNOWN AS WEST ASHEVILLE SANITARY SEWER IMPROVEMENTS

9. Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with W & W Contracting Company, Inc., for the project known as West Asheville Sanitary Sewer Improvements.

The City Manager read the resolution and a memorandum from William DeBruhl, Utilities Operations Coordinator, which stated that three (3) bids were received as follows:

Hobson Construction Company	$219,800.25
Taylor & Murphy Construction Co.	238,395.80
W & W Contracting Company	212,102.00

Mr. DeBruhl recommended that Council accept the low bidder, W & W Contracting Company, in the amount of $212,102.00.

Mr. DeBruhl also reviewed the location of the proposed improvements.

Upon motion of Councilwoman Price, seconded by Councilman Rainey, Resolution No. 78-101 was unanimously adopted.

Complete text of Resolution No. 78-101 will be found in Resolution Book No. 10 at page 254.

disapprove the proposed sale of property.

Mr. Cogburn said the Commissioner of Banks had approved the proposed site for Western Carolina Bank and Trust Company and the matter is tentatively scheduled to be considered by the Banking Commission on May 18, 1978. He said if Council did not approve the sale of the property to Western Carolina Bank before that date the matter could not be considered by the Banking Commission before July, 1978.

Mr. Cogburn said a delay in the approval of the sale would delay Akzona's construction plans. He read the following letter from Mr. Claude Ramsey to Mayor Trantham dated May 4, 1978:

"Here are copies of the correspondence with the North Carolina Department of Cultural Resources and the Preservation Society of Asheville and Buncombe County.

As you will see, Western Carolina Bank was most cooperative about selling us the land on the north side of Pack Square -- without also demanding that we proceed with the original plans to make the space occupied by the Legal and Commerce buildings available for a bank drive-in.

I hope the bank's cooperation will be given strong consideration in its efforts to acquire suitable land in downtown Asheville.

Best regards"

Sincerely
/s/ Claude Ramsey

Mr. Cogburn requested that Council make a motion approving the sale of Disposal Parcel #3 to the Western Carolina Bank and Trust Company.

Mr. Richard Wood, attorney representing Beverly-Grant, Inc. said according to the Attorney General's opinion Council had the authority to take the action it took, on April 6, 1978, that being to reject the bids from the Housing Authority.

Mr. Wood said Mr. Beverly had tried all day to contact Mr. Claude Ramsey, without success, to ask him if the action he is requesting, to readvertise the sale of Parcel # 3, would delay the plans for Akzona to build their building. He said Mr. Beverly had talked with officials of Akzona about two weeks ago and at that time they gave no indication that the construction of their building was impeded in any way by the Council rebidding Parcel # 3.

Mr. Wood said in his opinion the Housing Authority is asking Council to confirm their action of April 6, 1978 because of what they feel is a misstatement or a minor technical point. He said the basic principal behind Council's decision should not be any different than it was on April 6, 1978.

Mr. George Beverly, Beverly-Grant, Inc. confirmed that fact that he had tried to make contact with Mr. Claude Ramsey to find out if the rebidding of Parcel #3 would cause a delay in Akzona's construction plans. He said if Mr. Ramsey tells him it is causing a delay then he would bow out of the bidding process.

Mr. Beverly questioned whether Council could legally accept Western Carolina Bank's bid since it had previously been rejected and the bids had expired.

D. Scheduling of a public hearing relative to wording amendment to Asheville Zoning Ordinance regarding Public Utilities, Transmission Lines and Utility Substations for June 8, 1978.

HIGHLIGHTS: Article 4 of the Asheville Zoning Ordinance #322, Section 30-4-1, Use Districts established 12 separate zoning districts.

The Planning and Zoning Commission, on May 3, 1978, voted to approve amending the allowable uses for each of those districts to include the following: "public utilities, transmission lines and utility substations (subject to the conditions of the Group Development Review provided for in this Ordinance.)"

E. Scheduling of a public hearing relative to wording amendment to Asheville Zoning Ordinance regarding Section 30-3-11, G. Minimum Parking Requirements for Miniature Golf Courses for June 8, 1978.

HIGHLIGHTS: The Asheville Zoning Ordinance does not set forth off-street parking requirements for miniature golf courses, other than those applicable to outdoor commercial recreation activities.

The Planning and Zoning Commission, at its May 3, 1978 meeting, voted to recommend to City Council that Section 30-3-11. G. Minimum Parking Requirements be amended to include the following category in Retail and Other Commercial:

"Miniature Golf Courses - One (1) space for each one (1) tee."

Upon motion of Vice-Mayor Horton, seconded by Councilwoman Price, the consent agenda was unanimously approved.

PROCLAMATION - MAY 14 - 20 - NURSING HOME WEEK

Mayor Trantham proclaimed the week of May 14-20 as Nursing Home Week.

CLAIM - DAVID BURNETTE

The City Manager presented a claim for damages received from Mr. David Burnette.

Mayor Trantham referred the claim to the Corporation Counsel for investigation and recommendation.

CLAIM - MR. G. F. SWEARINGEN

The City Manager presented a claim for damages received from Mr. G. F. Swearingen.

Mayor Trantham referred the claim to the Corporation Counsel for investigation and recommendation.

APPROVAL OF THE CONSENT AGENDA

10. The City Manager explained that the items on the consent agenda are of a routine nature and have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council and/or a member of the City staff any single item scheduled for approval on the consent agenda may be considered separately.

A. Resolution No. 78-102 - Resolution authorizing the Mayor to execute a contract with the North Carolina Department of Transportation for a transit marketing program.

HIGHLIGHTS: These contracts are for the transit marketing program which originally started under the Department of Commerce and were then transferred to the Department of Transportation. Resolution No. 77-168 authorized the original grant. This resolution would authorize the Mayor to sign the contracts to continue the program.

Resolution Book No. 10 page 255.

B. Resolution No. 78-103 - Resolution authorizing the Mayor to submit a grant application to the North Carolina Department of Transportation under the transit development grant program for the purpose of implementing an employees and shoppers pass through the Asheville Transit Authority.

HIGHLIGHTS: The North Carolina Department of Transportation has made available funds for transit development. The Asheville Transit Authority has examined the program in light of transit development needs in the Asheville area and found that the development of an employees pass and shoppers pass will meet transit development goals in the Asheville Area. This resolution would authorize the Mayor to submit a grant application for the aforesaid expressed purpose. The local share cost is $1,734.00.

Resolution Book No. 10 page 256.

C. Resolution No. 78-104 - Resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the North Carolina Department of Transportation for a 16-inch water line on Broadway and to cross Merrimon Avenue in Asheville, North Carolina.

HIGHLIGHTS: This encroachment is for a fire line feeder main. This is a Community Development project that increases the availability of water for domestic and fire protection purposes.

Resolution Book No. 10 page 257.

Tuesday - May 16, 1978 -4: 00 p. m.

Special Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen F. Jack Cole, Otis B. Michael, Ralph D. Morris, Jr., Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Gene E. Rainey

DISPOSAL PARCEL #3 - CIVIC REDEVELOPMENT PROJECT AREA - SALE

A special meeting of the Asheville City Council was held to consider the sale of Disposal Parcel #3 in the Civic Redevelopment Project Area.

The City Manager presented the notice to the public scheduling the special meeting and the affidavit of publication.

Councilman Morris said in his opinion the Council should consider, at the request of the Executive Director of the Asheville Housing Authority, clarifying the motion made on April 6, 1978, regarding the sale of Disposal Parcel #3.

Corporation Counsel Moore said in his opinion there was no question as to the Council's authority under G. S. 160A-514 to reject all bids. He said there had been a misunderstanding between the words "disapprove" and "reject." He said one of the definitions of disapprove is to reject. However, the Housing Authority had requested a clarification of Council's intent on April 6, 1978.

Richard Wood, attorney representing Beverly-Grant, Inc., the second high bidder for Parcel #3, said he did not feel that Counsel for the Housing Authority questioned Council's authority to reject the bids but did request a clarification of approval or disapproval of the sale of Parcel #3 to Western Carolina Bank and Trust Company.

Mr. Wood recognized Mr. George Beverly, who read the following statement:

May 16, 1978

MEMORANDUM

TO: MEMBERS OF THE ASHEVILLE CITY COUNCIL

FROM: GEORGE W. BEVERLY, JR.

As I promised the Council I would, I have talked with Mr. Claude Ramsey, Chairman and President of Akzona, Inc., and Mr. Ramsey advises me that in December of 1977, they closed the purchase of property on Pack Square with Western Carolina Bank, and leased the property back to them on a month-to-month basis with the privilege of giving them 90 days notice to vacate the site. Mr. Ramsey advises me that notice was given to Western Carolina Bank to vacate the site the first part of May; therefore, according to Mr. Ramsey, Western Carolina Bank will have to be off the site the first part of August which according to Mr. Ramsey in no way will deter Akzona's building plans.

JOHN BEST - RE: INCREASE IN PENSION FOR RETIRED PERSONNEL

Captain John Best, retired police officer, asked Council if the proposed 5% salary increase for city employees would also be given to retired personnel. He said ever since the pension plan had been in effect the retired officers had never received an increase.

Mayor Trantham told Captain Best that Council would take this under consideration.

RALPH BISHOP - LOTTERY SALES

Mr. Ralph Bishop complained to Council about the open lottery sales in the City of Asheville.

Adjournment.

Ralph Trantham
MAYOR

Frances F. Holcombe
CITY CLERK

Vice-Mayor Horton said one of his major concerns was the proposed improvements of an additional $250,000 to the property by Western Carolina Bank and Trust Company by 1984. He said a $250,000 construction cost in 1978 would not be the same in 1984 due to inflation.

George Tisdale, District Manager of Southern Bell Telephone Company and Chairman of the Asheville Revitalization Commission said he felt Western Carolina Bank and Trust Company's proposed improvements would be beneficial to the area.

Robert Orr, President of the Preservation Society, said Western Carolina Bank and Trust Company had shown good corporate citizenship, especially by their cooperation with the Preservation Society as far as the concept of Pack Square is concerned.

Richard Wood said the issue to be decided by Council is not to protect the interest of Western Carolina Bank and Trust Company or Beverly-Grant, Inc., but to perform in the best interest of the citizens and taxpayers of the City of Asheville. He reminded Council that there would be 60% reduction in tax base between the two proposals.

Councilman Michael said unless there is some definite reason for disapproving the sale to Western Carolina Bank and Trust Company then the sale should be approved.

Upon questioning of Vice-Mayor Horton, Mr. Sam Blythe, President of Western Carolina Bank and Trust Company, said the bank would make a commitment to build a building containing a minimum of 5,120 square feet by 1984.

Councilman Morris moved that the City Manager be instructed to notify the Housing Authority that the action of City Council on April 6, 1978 was to disapprove the sale of Parcel #3 to Western Carolina Bank and Trust Company. This motion died for the lack of a second.

Vice-Mayor Horton moved that Council rescind their action taken on April 6, 1978, regarding the sale of Parcel #3 to Western Carolina Bank and Trust Company. This motion was seconded by Councilman Cole and passed on a voice vote of 4-1.

After discussion relative to Councilman Michael being a stockholder in Western Carolina Bank and Trust Company, Councilman Michael withdrew his vote. Therefore, in order to pass the motion, Mayor Trantham was required to vote and at this time he voted "aye" The motion passed on a vote of 4-1, with Councilman Morris voting "no," and Councilwoman Price, Councilman Cole and Vice-Mayor Horton voting "aye."

Councilman Cole then moved to approve the sale of Parcel #3 to Western Carolina Bank and Trust Company provided the proposed improvements to the property consist of a minimum of 5,120 square feet as proposed by Western Carolina Bank and Trust Company on April 6, 1978. This motion was seconded by Councilwoman Price and carried on a voice vote of 4-1, with Councilman Morris voting "no" and Councilman Michael voting "present." Vice-Mayor Horton, Councilwoman Price and Councilman Cole voted "aye."

Adjournment.

MAYOR CITY CLERK

Therefore, we are requesting that City Council proceed with their decision of Thursday, April 6, to reject Western Carolina's bid and instruct the Housing Authority to begin immediately readvertising Parcel #3 of the Civic Redevelopment Project. I once again assure the Council that Beverly-Grant, Inc., is interested in the site for an extension of Executive Park, and that we will substantially increase our bid of February 22, and that if we are the successfuly bidder, we will begin construction as soon as possible on a two-story building containing at least 9,316 square feet of net rentable space at an estimated cost of $346,690.00, not including the land. This building will go on the tax books immediately, and will begin generating additional tax revenues to the City.

I would also like to point out to the Council that this is not merely a bidding contest between Western Carolina Bank and ourselves. If you will recall at the Council meeting on April 6, Mr. Jack Bryant, of Bryant Construction Company, also expressed an interest in re-bidding the property. I have also heard rumors that there are several other developers that are interested in bidding on the site.

In order to avoid any further misinterpretations of my remarks or misunderstanding, I am requesting that the statement that I have just made be read into the minutes of today's City Council meeting, and be made a permanent part of those minutes.

/s/ George W. Beverly, Jr.

George W. Beverly, Jr.

Mr. Wood requested that Council reaffirm its action of April 6, 1978, to reject all bids and to instruct the Housing Authority to readvertise Parcel #3 of the Civic Redevelopment Project.

Mr. Max Cogburn, attorney representing Western Carolina Bank and Trust Company, said it appeared to him that based on the statement made by Mr. Beverly that Beverly-Grant, Inc. does not have an eminent need for the property. He said Western Carolina Bank and Trust Company has a pressing need for the property as it must vacate its present drive-in facility by August,1978.

Mr. Cogburn said the Commissioner of Banks had already approved the site for the banking facility. He said the Banking Commission is scheduled to consider the site at its meeting on May 18, 1978. He said, if approve, the bank would start construction immediately. He said the proposed future improvements to the property would amount to a total of $345,500 by 1984. He said Council should consider the need of the bank, the bank's 6,900 city customers, and the 300 stockholders.

Mr. Cogburn said the issue before Council is whether it will approve the sale of Parcel #3 to Western Carolina Bank and Trust Company who was the highest bidder for the property on two occasions.

Councilman Morris questioned the legality of Council rejecting the bids at one meeting then approving the sale of the property at a later date. He said the City's liability should be protected.

Comporation Counsel Moore said it would be his opinion that Council could not rescind its action of April 6, 1978, to reject all the bids.

(b) that a 50 foot greenbelt be provided between the Kalogerakis property (lot 109-1/2) and the Bell School property, and that said greenbelt remain R-2; and

(c) that no encroachment be made upon access provided by Knauth Road.

(2) This amendment would not only contain the items specified in first alternative #1 but in addition delete Lots 50, 51 and 52 from the petition.

Councilman Rainey said he felt the deletion of Lots 50, 51, and 52 would meet the objectives of the neighborhood on Craig Circle.

Carl Hyldburg, attorney representing Mr. Gus Barlas, requested that Lots 51 and 52 remain in the rezoning request. He said his client did not have any objections to the other alternatives presented by the Planning Staff.

Gary Dodd, attorney representing Ms. Dolly Kalogerakis said his client did not have any objections to the alternatives presented by the Planning Staff.

Bob Swain, representing Mr. Frank Casey, a prospective owner of the property said his client did not have any objections to the alternatives presented by the Planning Staff. He requested that Council consider the second and third reading of the ordinance at today's meeting as he would be out of town next week during the third reading of the ordinance.

After discussion, Councilman Morris moved to amend Ordinance No. 1046 by accepting Alternate #1 presented by the Planning Staff and to delete Lot No. 50 from the rezoning. This motion was seconded by Councilwoman Price and carried unanimously.

On a roll call vote of 4-1, Ordinance No. 1046, as amended, passed on second reading with Vice-Mayor Horton, Councilwoman Price, Councilman Morris, and Councilman Cole voting "aye" and Councilman Rainey voting "no."

Vice-Mayor Horton said the third reading of the ordinance would be held on May 25, 1978.

ORDINANCE NO. 1047- AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Rezoning property on Fairview Road)

4. Consideration was given to the second reading of Ordinance No. 1047, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended rezoning property on Fairview Road from R-3 Residential District to Light Industrial District, property owned by Mr. and Mrs. Keith DeWeese.

Vice-Mayor Horton said the ordinance was previously read on first reading and it would not be re-read in its entirety unless there was a specific request to do so.

Thursday - May 18, 1978 - 3:00 p. m.

Regular Meeting

Present: Vice-Mayor Bill B. Horton, Presiding; Councilwoman Norma T. Price, Councilmen Gene E. Rainey, Ralph D. Morris, Jr., F. Jack Cole, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Mayor Roy M. Trantham and Councilman Otis B. Michael

INVOCATION

Vice-Mayor Bill B. Horton gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the May 11, 1978 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Rainey, the minutes of the May 11, 1978 meeting were approved as submitted.

2. Approval of the minutes of the special meeting of May 16, 1978.

Upon motion of Councilman Cole, seconded by Councilwoman Price the minutes of the special meeting of May 16, 1978 were approved as submitted.

ORDINANCE NO. 1046 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Rezoning property on Tunnel Road near Craig Circle)

3. Consideration was given to the second reading of Ordinance No. 1046, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended rezoning property on Tunnel Road near Craig Circle from R-2 and R-3 Residential Districts to Commercial Highway District, property owned by Mr. Gus Barlas and Ms. Dolly Kalogerakis.

Vice-Mayor Horton said the ordinance was previously read on first reading and it would not be re-read in its entirety unless there was a specific request to do so.

Mr. Bob McDonald of the Planning Staff presented the following alternatives that Council could consider in reviewing the rezoning of the property. He said these alternatives were prepared after several Council members expressed concerns during the first reading of the ordinance.

(1) That the petition be amended to read as follows:

(a) that the petitioners provide the vegetative buffering required in Section 30-3-14 (2) of the Zoning Ordinance in all areas abutting residentially zoned property where natural vegetation is inadequate or has been removed;

(3) Under "LICENSE SCHEDULE" — change SECTION 14 to SECTION 15 and insert the following new classifications in their proper alphabetical sequence:

ESCORT SERVICE

Every person, firm or corporation engaged in the business of providing the services of personnel as an escort for hire or by engagement or assignment shall pay, for each location from which such business is carried on with employees numbering up to five, a license tax of, per annum ..... $250.00.

Every person, firm or corporation engaged in the above defined business, for each location from which such business is carried on with employees numbering more than five, shall pay a license tax of, per annum ..... $450.00.

PROVIDED, that all employees serving on escort assignments will be currently registered by name and address with the City Tax Collector and shall be provided a current certificate of health by the County Health Service.

Also PROVIDED, that if such business involves proven unlawful or prohibited activity, such as prostitution, said license shall be immediately REVOKED.

BUSINESS CARRIED ON WITHIN THE CITY

Every person, firm or corporation located outside the city, but which delivers products or services inside the city to customers procured in the regular course of conducting its business, unless covered by some other license tax levied herein, shall pay a license tax of, per annum .....$100.00.

FLEA MARKETS

Any person or firm promoting or sponsoring a Flea Market or similar business shall pay, for each location from which such business is promoted and carried on, a license tax of, per annum ..... $75.00.

In addition, any person, or firm, promoting or sponsoring a Flea Market or similar business activity shall pay a weekly license tax — for each stall or rental space used during the week, or for every new use of each stall or rented space during the week — in the amount of $2.00

(4) In SECTION 5, after the first sentence, insert the following:

For purposes of this ordinance, sexually explicit or sex-oriented is construed to mean the same as obscene, and any picture, publication, film, article or performance is construed to be sexually explicit or sex-oriented material if it is material:

(a) Which the average person, applying contemporary community standards, would find when considered as a whole, appeals to the prurient interest in sex; and

(b) Which depicts patently offensive representations of:

1. Ultimate sex acts, normal or perverted, anal or oral, actual or simulated; or
2. Masturbation, excretory functions, or lewd exhibition of the genitals or genital area; or
3. Masochism or sadism; or
4. Sexual acts with a child or animal; and

On a roll call vote of 4-0, Ordinance No. 1047 passed on its second reading.

ORDINANCE NO. 1027 - AN ORDINANCE LEVYING, ASSESSING, IMPOSING, AND DEFINING THE LICENSE AND PRIVILEGE TAXES OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR BEGINNING JULY 1, 1978 AND ENDING JUNE 30, 1979

5. Consideration was given to the third and final reading of Ordinance No. 1027, an ordinance levying, assessing, imposing and defining the license and privilege taxes of the City of Asheville for the fiscal year beginning July 1, 1978 and ending June 30, 1979.

Vice-Mayor Horton said the subcommittee had been working on the details of the ordinance for some time and had come up with a number of amendments for inclusion in the ordinance. He said combining certain classifications where businesses have a number of classifications on which they have to pay tax was also considered; however, Council has agreed not to use the overall approach at this time but to use that information during the coming year.

Vice-Mayor Horton said the subcommittee had also reviewed the state statutes that give the municipalities the perogative and the authority to regulate and license businesses. He said two in particular are 160A-211 which gives a municipality the right to levy the tax on anyone doing business in the City whether their business is located in the City or not, also 160A-194 apparently gives a municipality the right and responsibility to prohibit any business that they consider to be harmful or detrimental to the citizens of City.

He said the subcommittee gave much consideration and study to several different types of businesses which the City had received complaints over the last few years. He said included in the amendments that the subcommittee has recommended to Council are some prohibitions of certain types of businesses, which in the opinion of the subcommittee should not be tolerated in the City of Asheville.

Vice-Mayor Horton said Council had suggested that the report of the subcommittee be presented to Council for consideration. He said it was the consensus of Council to postpone the third reading until next week giving the public an opportunity to voice their opinion.

Vice-Mayor Horton then requested the City Manager to read the proposed amendments to the Revenue Ordinance.

The amendments are as follows:

(1) In Section 13, after "not prohibited by" insert the words: "this, or", and after "same is prohibited" insert the words: "by this, or some other ordinance."

(2) Insert a new Section 14, as follows:

Any business or commercial activity prohibited by this ordinance cannot legally operate under any other license, and any operation of such prohibited business or commercial activity shall be found as conducted without a license. Any person, firm or corporation violating this provision shall be fined not more than $50.00, or imprisoned for not more than thirty days, and each day such prohibited business is conducted shall constitute a separate offense.

Councilman Rainey moved to amend Ordinance No. 1027, to include the amendments read by the City Manager. This motion was seconded by Councilman Cole.

Councilman Rainey strongly supported the amendments saying that he had looked forward to this day for a little over two years. He said the backbone of this city is the family; it is not a swinging town. He congratulated Vice-Mayor Horton and Councilman Cole for their efforts in drawing up the amendments. He asked general questions relative to the amendments.

Vice-Mayor Horton, upon questioning of Councilman Rainey, said the sub-committee had not got into the technique of enforcement but it is their intention to follow through with the enforcement regulations.

ORDINANCE NO. 1049 - AN ORDINANCE AMENDING SECTIONS 28-81.5 AND 28-81.6 OF ARTICLE IV (SPEED REGULATIONS) OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE TO LOWER THE SPEED LIMIT ON A PORTION OF MEADOW ROAD

6. Consideration was given to an ordinance amending Section 28-81.5 and 28-81.6 of Article IV (Speed Regulations) of the Code of Ordinances of the City of Asheville to lower the speed limit on a portion of Meadow Road.

The City Manager read the ordinance. He said the North Carolina Department of Transportation had requested this change.

Councilman Morris moved for the adoption of Ordinance No. 1049. This motion was seconded by Councilman Cole.

On a roll call vote of 4-0, Ordinance No. 1049 passed on its first reading.

Councilman Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 1049. This motion was seconded by Councilwoman Price and carried unanimously.

On a roll call vote of 4-0, Ordinance No. 1049 passed on its second reading.

Councilman Morris again moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1049. This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 4-0, Ordinance No. 1049 passed on its third and final reading.

Complete text of Ordinance No. 1049 will be found in Ordinance Book No. 8 at page 198.

ORDINANCE NO. 1050 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1977-78 (financing the transit marketing program)

7. Consideration was given to an ordinance amending the operating budget of the City of Asheville for fiscal year 1977-78 which would provide for the funding of a transit market program, authorized by Resolution No. 77-168.

(c) Which, taken as a whole, lacks serious literary, artistic, political, educational or scientific value.

Any business or commercial activity which possesses for sale or rental, or sells, rents, delivers or provides, or offers or agrees to sell, rent, deliver or provide any sexually explicit or sex-oriented materials or performances as herein defined is considered to be inimical to the public health, welfare, safety, order and convenience and is, therefore, expressly PROHIBITED.

If necessary, this ordinance shall be enforced by requesting an injunction and order of abatement --through application to the appropriate division of the General Court of Justice, pursuant to appropriate statutory requirements -- for a mandatory or prohibitory injunction and order of abatement commanding the defendant to cease the unlawful use of real property used in violation of this ordinance.

(5) Under "LICENSE SCHEDULE" -- new SECTION 15 -- insert the following as indicated by attachment:

ARCADES, PENNY PARLORS, PEEP SHOW.

Include in the existing wording- PROVIDED, this shall not apply to sexually explicit or sex-oriented still or moving pictures as defined in Section 5 of this ordinance; which are PROHIBITED.

BOOK STORES AND STATIONERS

Include in the existing wording- and, PROVIDED, this shall not apply to sexually explicit or sex-oriented publications or pictures as defined in Section 5 of this ordinance; which are PROHIBITED.

DRIVE-IN THEATRES.

Include in the existing wording- PROVIDED, this shall not apply to sexually explicit or sex-oriented motion pictures or performances as defined in Section 5 of this ordinance which are PROHIBITED.

GIFT AND SOUVENIR SHOPS

Include in the existing wording - PROVIDED, this shall not apply to sexually explicit or sex-oriented articles and devices as defined in Section 5 of this ordinance; which are PROHIBITED.

MOVING PICTURES OR VAUDEVILLE SHOWS

Include in the existing wording - PROVIDED, this shall not apply to sexually explicit or sex-oriented motion pictures or performances as defined in Section 5 of this ordinance; which are PROHIBITED.

The City Manager read the ordinance. He said $6,200 in additional funds is necessary in order to prepare the Environmental Impact Statement and special engineering services that are required to complete the East End/Valley Street Revitalization Plan. He said the improvements in the Nasty Brach Drainage project have been incorporated in the East End/Valley Street Revitalization Plan. This ordinance would reflect budget amendments to increase the Land Acquisition and Relocation Project by $6,200 and decreasing the Nasty Branch Drainage Improvement by $6,200.

Councilwoman Price moved for the adoption of Ordinance No. 1051. This motion was seconded by Councilman Cole.

On a roll call vote of 4-0, Ordinance No. 1051 passed on first reading.

Councilman Rainey moved to suspend the rules and proceed to the second reading of Ordinance No. 1051. This motion was seconded by Councilwoman Price and carried unanimously.

On a roll call vote of 4-0, Ordinance No. 1051 passed on second reading.

Councilwoman Price moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1051. This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 4-0, Ordinance No. 1051 passed on third and final reading.

Complete text of Ordinance No. 1051 will be found in Ordinance Book No. 8 at page 200.

ORDINANCE NO. 1052 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1977-78 (Street repairs)

10. Consideration was given to an ordinance amending the operating budget of the City of Asheville for fiscal year 1977-78.

The City Manager read the ordinance. He said current appropriations for materials and contracted construction in the Street Activity for fiscal year 1977-78 are not adequate to continue the repair program through June 30, 1978. He said this ordinance would amend the budget by transferring $100,000 from the Nondepartmental Contingency line item to the Street Activity for that purpose. He said this would enable the Street Department to take advantage of current prices as well as to continue the repair program.

Councilman Cole moved for the adoption of Ordinance No. 1052. This motion was seconded by Councilwoman Price.

On a roll call vote of 4-0, Ordinance No. 1052 passed on first reading.

Councilwoman Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1052. This motion was seconded by Councilman Morris and carried unanimously.

On a roll call vote of 4-0, Ordinance No. 1052 passed on second reading.

The City Manager read the ordinance.

Councilman Morris moved for the adoption of Ordinance No. 1050. This motion was seconded by Councilman Rainey.

On a roll call vote of 4-0, Ordinance No. 1050 passed on first reading.

Councilman Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 1050. This motion was seconded by Councilwoman Price and carried unanimously.

On a roll call vote of 4-0, Ordinance No. 1050 passed on second reading.

Councilman Rainey moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1050. This motion was seconded by Councilman Morris and carried unanimously.

On a roll call vote of 4-0, Ordinance No. 1050 passed on third and final reading.

Complete text of Ordinance No. 1050 will be found in Ordinance Book No. 8 at page 199.

RESOLUTION NO. 78-105 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN A CONTRACT AGREEMENT WITH JOHNSON AMUSEMENT RIDES, INCORPORATED FOR THE OPERATION OF AMUSEMENTS, RIDES, AND CONCESSSIONS AT RECREATION PARK

8. Consideration was given to a resolution authorizing the Mayor to sign a contract agreement with Johnson Amusement Rides, Incorporated for the operation of amusements, rides and concessions at Recreation Park.

The City Manager read the resolution. He said the rides and amusements located at Recreation Park are presently owned and operated by Johnson Amusement Rides, Inc. Johnson Amusement Rides, Inc., has operated the rides and concessions at Recreation Park for the past ten years to the satisfaction of the City. He recommended that Council adopt the resolution to extend the existing contract for one summer, contract expiring October 15, 1978. He said before another contract is issued the Director of Parks and Recreation would be negotiating with Johnson Amusement Rides, Inc., to change the relationship between the company and the city.

Upon motion of Councilman Morris, seconded by Councilman Rainey, Resolution No. 78-105 passed on a voice vote of 4-1, with Vice-Mayor Horton, Councilman Morris, Councilman Cole and Councilman Rainey voting "aye" and Councilwoman Price voting "no."

Complete text of Resolution No. 78-105 will be found in Resolution Book No. 10 at page 258.

ORDINANCE NO. 1051 - AN ORDINANCE REALLOCATING, AMENDING AND APPROVING COMMUNITY DEVELOPMENT FUNDS SET FORTH IN THE CITY OF ASHEVILLE CAPITAL PROJECT FUND BUDGET FOR 1976-77 AND 1977-78

9. Consideration was given to an ordinance reallocating, amending, and approving Community Development funds set forth in the City of Asheville Capital Project Fund Budget for 1976-77 and 1977-78.

Councilman Cole moved for the adoption of Ordinance No. 1054. This motion was seconded by Councilwoman Price.

On a roll call vote of 4-0, Ordinance No. 1054 passed on first reading.

Councilman Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 1054. This motion was seconded by Councilwoman Price and carried unanimously.

On a roll call vote of 4-0, Ordinance No. 1054 passed on second reading.

Councilman Morris moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1054. This motion was seconded by Councilwoman Price and carried unanimously.

On a roll call vote of 4-0, Ordinance No. 1054 passed on third and final reading.

Complete text of Ordinance No. 1054 will be found in Ordinance Book No. 8 at page 204.

COUNCIL RECESS

Vice-Mayor Horton called for a three minute recess of Council.

Council reconvened at 4:50 p. m.

ORDINANCE NO. 1055 - AN ORDINANCE AMENDING ARTICLE VII, SECTION 28-154 OF THE CITY OF ASHEVILLE CODE OF ORDINANCES

13. Consideration was given to an ordinance amending Article VII, Section 28-154 of the City of Asheville Code of Ordinances.

The City Manager read the ordinance. He said this ordinance would provide, upon personal application to the Collector of Revenue and by proof of purchase of the first auto decal, a second decal may be purchased for fifty cents (50¢) when the vehicle is traded or when the first decal is lost or destroyed.

Councilwoman Price moved for the adoption of Ordinance No. 1055. This motion was seconded by Councilman Rainey.

On a roll call vote of 4-0, Ordinance No. 1055 passed on first reading.

Councilwoman Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1055. This motion was seconded by Councilman Morris and carried unanimously.

On a roll call vote of 4-0, Ordinance No. 1055 passed on second reading.

Councilman Morris moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1052. This motion was seconded by Councilwoman Price and carried unanimously.

On a roll call vote of 4-0, Ordinance No. 1052 passed on its third and final reading.

Complete text of Ordinance No. 1052 will be found in Ordinance Book No. 8 at page 202.

ORDINANCE NO. 1053 - AN ORDINANCE AMENDING THE CITY OF ASHEVILLE CAPITAL PROJECTS ORDINANCE IN EFFECT AS OF MAY 12, 1978 (Additional Revenue to Capital Construction Fund)

11. Consideration was given to an ordinance amending the City of Asheville Capital Projects Ordinance in effect as of May 12, 1978.

The City Manager read the ordinance. He said this ordinance would amend the Capital Projects Ordinance by recognizing in the Capital Construction Fund (33 Fund) an additional revenue from Buncombe County in the amount of $50,000. This revenue was originally appropriated in the WSIF Fund (31 Fund).

Councilman Rainey moved for the adoption of Ordinance No. 1053. This motion was seconded by Councilwoman Price.

On a roll call vote of 4-0, Ordinance No. 1053 passed on first reading.

Councilman Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 1053. This motion was seconded by Councilwoman Price and carried unanimously.

On a roll call vote of 4-0, Ordinance No. 1053 passed on second reading.

Councilman Morris moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1053. This motion was seconded by Councilwoman Price and carried unanimously.

On a roll call vote of 4-0, Ordinance No. 1053 passed on third and final reading.

Complete text of Ordinance No. 1053 will be found in Ordinance Book No. 8 at page 103.

ORDINANCE NO. 1054 - AN ORDINANCE AMENDING THE CITY OF ASHEVILLE OPERATING BUDGET FOR FISCAL YEAR 1977-78 (Upgrading Electrical service to Data Processing system)

12. Consideration was given to an ordinance amending the City of Asheville operating budget for fiscal year 1977-78 to upgrade electrical service to Data Processing System.

The City Manager read the ordinance. He said informal quotes were taken for the work and the bids were higher than the appropriations.

ORDINANCE NO. 1056 - AN ORDINANCE AMENDING ARTICLE V - STOPPING, STANDING, AND PARKING, DIVISION 3 - CITY PARKING LOTS OF CITY OF ASHEVILLE CODE OF ORDINANCES BY CHANGING SECTION 28-127 CONCERNING THE RATES OF CHARGES FOR PARKING LOTS

17. Consideration was given to an ordinance amending Article V - Stopping, Standing, and Parking, Division 3 - City Parking Lots of City of Asheville Code of Ordinances by changing Section 28-127 concerning the rates of charges for parking lots.

The City Manager read the ordinance and explained that it would increase the daily parking rate for Municipal Parking Lot No. 1 located on Rankin Avenue.

Councilwoman Price moved to adopt Ordinance No. 1056. This motion was seconded by Councilman Rainey and carried unanimously.

On a roll call vote of 4-0, Ordinance No. 1056 passed on its first reading.

Councilwoman Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1056. This motion was seconded by Councilman Rainey.

On a roll call vote of 4-0, Ordinance No. 1056 passed on its second reading.

RESOLUTION NO. 78-106 - RESOLUTION REQUESTING THAT THE BUNCOMBE COUNTY DELEGATION TO THE NORTH CAROLINA GENERAL ASSEMBLY INTRODUCE LEGISLATION IN THE 1978 GENERAL ASSEMBLY SESSION AMENDING CHAPTER 188 OF THE 1977 SESSION LAWS RELATING TO THE POLICEMEN'S AND FIREMEN'S PENSION FUNDS OF THE CITY OF ASHEVILLE

18. Consideration was given to a resolution requesting that the Buncombe County Delegation to the North Carolina General Assembly introduce legislation in the 1978 General Assembly Session amending Chapter 188 of the 1977 Session Laws relating to the Policemen's and Firemen's Pension Funds of the City of Asheville.

The City Manager read the resolution explaining that the change requested will modify and clarify Section 28 in order to facilitate the transfer of the Asheville Policemen's and Firemen's Pension and Disability Funds to the City of Asheville Uniformed Policemen's Retirement Plan or the Asheville Uniformed Firemen's Retirement Plan.

Upon motion of Councilman Morris, seconded by Councilwoman Price, Resolution No. 78-106 carried unanimously.

Complete text of Resolution No. 78-106 will be found in Resolution Book No. 10 at page 259.

APPROVAL OF THE CONSENT AGENDA

19. The City Manager explained that the items on the consent agenda are of a routine nature and have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council and/or a member of the City staff any single item scheduled for approval on the consent agenda may be considered separately.

SIGN PERMIT - ADVERTISING SIGN - LEXINGTON AVENUE FOR LAMAR DEAN OUTDOOR ADVERTISING

14. Consideration was given to a sign permit for an advertising sign on Lexington Avenue for Lamar Dean Outdoor Advertising Company.

J. E. Johnson, Director of Inspections, said Lamar Dean Outdoor Advertising Company had applied for a sign permit for an advertising sign on Lexington Avenue at the old Farmers Market. He said pursuant to Section 30-9-3 (B) (7) of the Zoning Ordinance Council must approve all signs within 600 feet of any limited access highway.

A representative of the Lamar Dean Outdoor Advertising Company said the sign would meet all zoning ordinance requirements and would be readable from Lexington Avenue only. He said the sign would be 12 x 25 which is the normal size for outdoor advertising signs. He said his compnay is trying to improve the image of outdoor advertising in the City of Asheville.

Councilman Rainey said he had several concerns with approving any off premise advertising sign in the downtown area until the revitalization efforts are completed. He suggested that Council table the matter until members of Council could look at the site.

Councilman Morris moved to table the matter until May 25, 1978. This motion was seconded by Councilman Cole. On a voice vote of 2-2, the motion was defeated with Councilwoman Price and Councilman Rainey voting "no."

Councilman Rainey moved to table the matter indefinitely. This motion was seconded by Councilwoman Price. On a voice vote of 4-1, the motion carried with Vice-Mayor Horton, Councilman Morris, Councilman Rainey and Councilwoman Price voting "aye" and Councilman Cole voting "no."

APPOINTMENT OF CHAIRMAN OF THE CIVIL SERVICE BOARD

15. Mayor Trantham said due to the resignation of Earl Williams as Chairman of the Civil Service Board Council must appoint a new chairman.

Councilwoman Price moved that Osborne Hart be appointed as Chairman of the Civil Service Board. This motion was seconded by Councilman Cole and carried unanimously.

APPOINTMENT OF A MEMBER OF THE CIVIL SERVICE BOARD

16. Councilman Morris moved to appoint Mr. Tom Posey as a member of the Civil Service Board. This motion was seconded by Councilwoman Price.

Councilman Rainey felt the appointment should be made by nominations and indicated that he would like to appoint Mr. Fred Brown. After discussion, it was the consensus of Council to discuss this matter during Tuesday's work session.

Councilman Morris withdrew his motion to appoint Mr. Tom Posey as a member of the Civil Service Board and Councilwoman Price withdrew her second.

D. Bids received May 15, 1978 for tilt cab and chassis complete with 10 yard Rear Loading Hydraulic Body fully mounted to be used in the Sanitation Department.

HIGHLIGHTS: Three (3) bids were received:

Arrowhead International Trucks	$17,175.10
Apple Tree Chevrolet	17,538.00
Matthews Motors, Inc.	17,089.64

Recommendation of low bid, submitted by Matthews Motors, Inc. in the amount of $17,089.64.

Funding: Revenue Sharing Trust Fund - Sanitation Division
Capital Outlay Equipment
Account Code 50-428.0074 (budget line item)
Unencumbered balance $39,736.38.

INVITATION TO BOXING MATCH

Mr. Ray Kisiah, Director of Parks and Recreation, invited members of the Council to the 1st Amatuer Boxing Match to be held at the Livingston Street Center on Saturday, March 20, 1978 at 7:30 p.m.

PROCLAMATION - MAY 21-27, 1978 - NATIONAL INSURANCE WOMEN'S WEEK

Vice-Mayor Horton proclamed the week of May 21-27, 1978 as "National Insurance Women's Week."

PROCLAMATION - MAY 21-27, 1978 - NATIONAL PUBLIC WORKS WEEK

Vice-Mayor Horton proclaimed the week of May 21-27, 1978 as "National Public Works Week."

RALPH BISHOP

Mr. Ralph Bishop, referring to lottery sales in the City of Asheville, asked the City Manager if he was aware of his duties as City Manager spelled out in the Code of Ordinances of the City of Asheville and in General Statutes 14-30.

Adjournment.

MAYOR

CITY CLERK

A. Resoluton authorizing the City Manager to acquire a right-of-way easement from Burl Lance and wife Rhea Lance for a 2-inch water line on U.S. 25, Buncombe County.

HIGHLIGHTS: This 2-inch water line is a system within a new apartment complex being built between Hendersonville Road (U.S. 25) and Forest Lane in Royal Pines. This is to serve domestic water and it is being built to the City specifications. We will accept ownership and maintenance after work is completed.

Resolution Book No. 10 at page 261.

B. Resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the North Carolina Department of Transportation for a water line on State Roads 2420 and 2002 in Buncombe County, North Carolina.

HIGHLIGHTS: This water line is to increase water supply and pressure to residential neighborhood and provide fire protection. (Dillingham Circle and Riceville Road)

Resolution Book No. 10 at page 262.

C. Bids received May 15, 1978 for site development for the Computer Machines Room, City Hall Building.

HIGHLIGHTS: Three (3) bids for the air conditioning and three (3) bids for the electrical work were received.

Air Conditioning Contractor	Base Bid	Alternate
Asheville Heating & Cooling	$36,670.00	$34,928.00
Moser, Inc.	23,400.00	20,725.00
Twentieth Century Heating	25,742.00	25,000.00
Electrical Contractor		
Hayes & Lunsford Electric	$10,554.00	$ 927.00
M. B. Haynes Electric Corp.	6,788.00	377.00
Hyatt Electric Company	10,773.00	750.00

Recommendation from Architect John Cort, Director of Date Processing Tom Stranberg, and Purchasing Agent George Phipps recommend the low base bids in the amount of $30,188.00 be accepted, and the low alternate bids in the amount of $21,102.00 be accepted contingent upon LEAA approval and acceptance of the bids. Total combined low bids all alternatives are $51,290.00.

Funding: (Base Bids) - Revenue Sharing Trust Funds, Facility Services Capital Outlay Building, Account Code 50-431.0072 - $30,188

(Alternate Bids) - LEAA Grant Funds, Capital Outlay Other Account Code 65-25-916-0-000-0073, Subject to LEAA approval and Funds - $23,000.

youth and young people. We found the juveniles are commonly noted in the audiences of adult theatres. Also, we find today pornography is especially degrading to womanhood and our traditional Judeal Christian image of them. Pornography develops perverted attitudes among young and old, we found, toward love, marriage, and morals. It corrupts the young and sickens the old. We believe most of those, who seek out today's adult entertainment more than once, must indeed be morally sick or perverted. "Now, in summary, they say this very firmly. In conclusion after three months of intensive investigation by this Grand Jury of 12 citizens selected from all over the City of San Antonio - after three months of intensive investigaion into all aspects of pornography, we are unanimously and unalterably in favor of closing the adult bookstores, peep shows, and movie houses, not only because of their front to simple public decency, but because of their corruption of public morals. These establishments violate every form of moral decency, social acceptability, and attack the very heart and fiber of traditional American values of home, religion, and country."

To make one more point - before getting to what I started out to say - just a couple of quotes from psychologists throughtout the counrty, Dr. Natalie Shainess , a New York psychoanalyst, says "From my own professional practice, I know that the more we are exposed to things that are degrading, the more we are degraded. The purpose of pornography is to sexually arouse the viewer or reader in a degrading way rather than to suggest sex in a meaningful interpersonal relationship." Instead of achieving sexual liberation we have become enslaved to sex and Dr. J. D. from Oxford University made studies of 80 primitive and civilized societies and he found a distinct correlation between increasing sexual freedom and social disintegration. Dr. J. D. Unwin of the Harvard Sociology Department says "There is no example of a community which has retained its high position on the cultural scale after less rigorous social customs have replaced more restricting ones." Dr. John H. Court, a Psychologist from Australia, who has made a several-year-long study of the effects of pornography on sex crimes, has studied different countries throughout the world and he has in his counseling of individuals with various sexual disfunctions, he has become aware of the relationship of pornography to the deviant behavior of transvestites, child molesters, and other perverts who frequently use pornographic materials to inflame their sexual appetites.

I would like to give you a couple of more statistics. In Australia, the number of rapes per 100,000 population has climbed from 2 to 7 in the past 10 years. New Zealand has increased from 5.14 to 9.12 per 100,000 population in the same period and in Denmark, which was the first nation to eliminate all obscenity laws, forcible rape has jumped from 3.5 per 100,000 in 1965 to 8.6 in 1973. On the other hand, countries that have maintained a tight rein on pornography reflect that policy in their decreasing rape statistics. In Singapore, the increase was .26 percent. Japan, which restricts hard-core pornography, has witnessed a decrease in rape statistics from 11.5 to 6.5. So giving you all those to put into perspective, that we recognize we have a problem because we are - our community is being subjected to this very harmful, commercial commodity, and unlawful commercial commodity, I might add.

We chose to approach this through the Revenue Ordinance because it was covered by this statute which gives us the right to levy the privilege taxes and it was the intention of the subcommittee that this all be brought together under one ordinance. However, due to the deadline of trying to get our Revenue Ordinance on the books, it was not possible for us to have as a refined approach to our local action directed against obscenity as we would like.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilman Norma T. Price, Councilmen Gene E. Rainey, F. Jack Cole, Otis B. Michael, Ralph D. Morris, Jr., Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

Councilman Otis B. Michael introduced Rev. Wesley Grant, who gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the May 18, 1978 meeting.

Upon motion of Councilman Cole, seconded by Councilwoman Price, the minutes of the May 18, 1978 meeting were approved as submitted.

ORDINANCE NO. 1046 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Rezoning property on Tunnel Road near Craig Circle)

2. Consideration was given to the third reading of Ordinance No. 1046, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended rezoning property on Tunnel Road near Craig Circle from R-2 and R-3 Residential Districts to Commercial Highway District, property owned by Mr. Gus Barlas and Ms. Dolly Kalogerakis.

Mayor Trantham said the ordinance was previously read on first and second reading and it would not be re-read in its entirety unless there was a specific request to do so.

Councilman Rainey requested the names and addresses of the residents on Craig Circle who opposed this rezoning.

On a roll call vote of 4-2, Ordinance No. 1046 passed on third and final reading with Councilman Rainey and Councilman Michael voting "no."

Complete text of Ordinance No. 1046 will be found in Ordinance Book No. 8 at page 194.

ORDINANCE NO. 1047 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Rezoning property on Fairview Road)

3. Consideration was given to the third and final reading of Ordinance No. 1047, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended rezoning property on Fairview Road from R-3 Residential District to Light Industrial District, property owned by Mr. and Mrs. Keith DeWeese.

СОБРЕСЛОИ

CORRECTION

Mayor Trantham said the ordinance was previously read on first and second readings and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1047 passed on its third and final reading.

Complete text of Ordinance No. 1047 will be found in Ordinance Book No. 8 at page 195.

ORDINANCE NO. 1027 - AN ORDINANCE FOR THE LEVY AND COLLECTION OF BUSINESS LICENSE TAXES

8. Consideration was given to the third and final reading of Ordinance No. 1027, an ordinance for the levy and collection of business license taxes.

The City Manager said in the course of reviewing the proposed ordinance to include amendments made by Council at the May 18, 1978 meeting and changes that were suggested it was necessary to revise the ordinance into one complete document.

Corporation Counsel Moore read the revised privilege license ordinance.

Councilman Morris moved to amend Ordinance No. 1027 to read as presented by the Corporation Counsel. This motion was seconded by Councilman Rainey and carried unanimously.

The following is a verbatum statement made by Vice-Mayor Horton:

Vice-Mayor Horton

"The U. S. Supreme Court has said, in effect, that every community has the right to maintain a decent society and in this context, it is my firm personal conviction that degrading, dehumanizing, moral pollution of obscenity and pornography has no place in a self-respecting community.

In the last four years, I have read and filed literally hundreds of reports, articles, and opinions on obscenity and pornography and have come to this unshakeable conclusion. Hard-core pornography is completely dehumanizing and degrading, both to the individual and to the society. It frequently leads to criminal sexual deviants, sexual assaults, rape and child molestation, and other acts too bestial and replusive to mention. And, it definitely brings moral corruption and, often times, nuerotic or psychological moral chaos to our youth. I am not alone in the conclusion. In 1957, twenty-one years ago, the Supreme Court said, quote in a ruling, "Obscenity is not within the area of constitutionally protected speech or press." In 1973, in explaining the action that the Court took on the famous landmark Miller Case, which was the one that gave us our guidance for what we are attempting to do in this community and other communities, Chief Justice Burger said "Today the majority of this Court has agreed on concrete guidelines to isolate hard-core pornography from expression protected by the First Amendment." So, in view of those two statements that I have just made, quoting directly from the ruling of the Supreme Court and the statement verbatum by our Chief Justice, pornography is outside the realm of censorship, so we're not engaged in censhorship here and I hope that nobody has come to throw out that red herring of censorship today, because it simply does not apply according to the U. S. Supreme Court. Now, if, of course, you want to ignore the U. S. Supreme Court, thats another thing.

Thursday - May 25, 1978 - 3:00 p. m.

New Zealand has increased from 5.14 to 9.12 per 100,000 population in the same period and in Denmark, which was the first nation to eliminate all obscenity laws, forcible rape has jumped from 3.5 per 100,000 in 1965 to 8.6 in 1973. On the other hand, countries that have maintained a tight rein on pornography reflect that policy in their decreasing rape statistics. In Singapore, the increase was .26 percent. Japan, which restricts hard-core pornography, has witnessed a decrease in rape statistics from 11.5 to 6.5. So giving you all those to put into perspective, that we recognize we have a problem because we are - our community is being subjected to this very harmful, commercial commodity, and unlawful commercial commodity, I might add.

We chose to approach this through the Revenue Ordinance because it was covered by this statute which gives us the right to levy the privilege taxes and it was the intention of the subcommittee that this all be brought together under one ordinance. However, due to the deadline of trying to get our Revenue Ordinance on the books, it was not possible for us to have as a refined approach to our local action directed against obscenity as we would like.

In the Miller Case in 1973 that I just referred to, the Supreme Court gave communities guidelines whereby they could define obscenity - that which is not protected by the Constitution of the United States- and also gave standards of recognizing the community values in determining, by the Court, whether or not a piece of material or publication was obscene. So that is to set the stage for the effort that has been made to give our City Council some guidance and something specific that we might adopt in the interest of protecting our community against this moral corruption and psychologically harmful materials that is becoming more and more prevalent in our community.

I will also point out the N. C. General Statute 14-190, which says "Obscene Literature and Exhibitions - It shall be unlawful for any person, firm, or corporation to intentionally disseminate obscenity in any public place." So, therefore, it is a criminal offense in the eyes of North Carolina.

Now, when we got into our business license ordinance, we went to the basic authority for levying these business licenses and privilege taxes and I will read to you from this State Statute (160A-194, which is the State Legislation empowering cities to levy this type of tax). "Regulation and Licensing Businesses, Trades, etc. A city may, by ordinance subject to the general law of the State, regulate and license occupations, businesses, trades, professions, and forms of amusement or entertainment and prohibit" - it's one continuing sentence - "and prohbit those that may be inimical to the public health, welfare, safety, order, or convenience." That means if it's inimical or adverse to any of these - public health, or public welfare, or public safety, or order or convenience of the community, it can be prohibited. Now, this is the reason that the subcommittee felt that it had very strong grounds on which to present an amendment that would, in effect, prohibit this specific business activity - the trafficking in obscenity, as defined by the Supreme Court, in our City. So that is in the amendment that has been approved in the revised version.

Now, in order to further orient you to the reasons that the subcommittee brought this recommendation to the Council. One, it is common knowledge that obscenity and pornography appeals to the bestial and perverse tendencies and inflicts degrading, unspeakable moral pollution upon any community that tolerates it. It goes on to say that the U. S. Supreme Court has declared it unprotected by the U. S. Constitution and has upheld numerous court rulings against obscenity and pornography, and Chief Justice Burger has stated that the community has the right to maintain a decent society. I might say here, paranthetically, that in 1975, the Supreme Court- in its first session, first quarterly session - considered 26 obscenity cases. It ruled against the pornographer, the purveyor of obscenity, in 24 of those 26 cases. The other two were not on pornography per se, but on technicalities in the proceedings. So the Supreme Court has given us very firm position for being on legal grounds if we seek to control the piliferation of obscenity in our community and, of course, law enforcement officials and psychologists do agree and are convinced that obscenity and pornography contributes to sex crimes, sexual deviants, child molestation, and etc.

Now, I would like to make a brief report to further set the stage for why your City Council is interested in this area. Of course, we are interested because the people are interested and they have asked many, many times that the City Council consider this. I would like to give some excerpts from a report on the Grand Jury in San Antonio, Texas, which was given the task of studying pornography. "We believe that pornography is one of the most evil, immoral, and degrading social problems of our times. The peep shows, dirty books and magazines, plastic and rubber sex aids, and paraphernalia along with the pornographic movies are especially damaging to the bodies, minds, and spirits of our

I do not think that tacking an obscenity amendment onto the Privilege Tax is the answer. I think there will be too many tests in the courts and I'll give you a couple of examples. One is if you have an "X" rated movie at the twin theatres and a "PG" movie on one side and an "X" rated movie on the other side, are you going to take half of the license or are you going to take the whole license? If you take someone's license for selling a book that has pornographic material in it this month, are you going to say that book will have pornographic material in it next month. So, therefore, are you going to take its license?

I think that there are too many problems for us to tack it onto a Privilege Ordinance and rush it through and pass it. I don't think we'll accomplish what Mr. Horton and what you people want an Obscenity Ordinance to accomplish. Therefore, I think, what Mr. Horton is doing is right in deleting it from this ordinance and working on an ordinance that will come as an ordinance by itself at a later time, which we can work on and then at that time decide upon."

COUNCILWOMAN PRICE

"I'm in a way welcoming the opportunity to speak because I've been quoted in the newspaper as for it and against it and I'm definitely against pornography. I had some questions on the legal area that I came in with Tuesday. As I stated, Thursday was the first opportunity to ask questions. We had two (2) Council Members absent and a lengthy agenda and did not have, at the time, an opportunity to ask some of the questions.

Some of the questions I had were with the contact with the District Attorneys:

1) What did they state?

2) Were they going to let either the civilian or the policeman who makes the warrant dangle there; or

3) Are they going to take it through the courts?

Another question I asked was has the Attorney General given any type of opinion as to whether we were acting in a Constitutional manner? If we are not, we are held up in the courts and the area continues. I much prefer to have closed all the gaps and asked all the questions before we pass an ordinance so that if we pass it, it will be upheld in the courts.

Another question I had was in enforcement guidelines, do we have them and are we ready to hand them to our Police Chief and the Police Department? How do we want this handled? How do we want the policemen to act? Where do you put it on your priority list? We have a Jaywalking Ordinance, but don't ask a policeman to stand and catch the jaywalkers. So, we need in our own minds to be ready to tell the Police Department how stiff and where and how much enforcement should be considered.

Another thing that has not been answered completely in my mind is if taken to court, where does this come into the Revenue Ordinance as a whole? I think that the Revenue Ordinance may be a very good area to approach it from, but these are questions that I asked the other day giving the impression that I may be opposing an ordinance.

These are questions that have not been fully answered in my mind and I think this is maybe why Mr. Horton chose me to be on the committee with him - because these are questions that I think as a representative of you, the people, need to be answered to the fullest extent of each of the Council Members before we can act on it in total. My feeling is that perhaps back in the Revenue Ordinance is where it belongs - to what extent, and what penalties might incur - I do not know and have not had the opportunity to have that answered."

There are some questions in the minds of some of the Council, some very good questions unanswered in their minds, but very clear to us that have been studying this for a long time and who have been in conference with law enforcement people, our District Attorney presently in office and our incoming District Attorney, our City Attorney, etc. But these are valid questions and also there needs to be a little bit more work done on refining what we have started here in order to have something that we feel will be as legally safe and as foolproof as possible.

So in the interest of getting the Revenue Ordinance taken care of and yet, at the same time in the interest of having this Council show its concern in response to the people, I am prepared to make a motion for the Council to act upon at this time, prefaced by all that I said. I hope you got it all.

Mr. Mayor, in order to put this into its proper perspective and then, of course, if any of you still have something to say, it's quite all right.

I would like to make a motion that the amendments to the Revenue Ordinance adopted last week on May 18, 1978, be rescinded and the Council appoint Vice-Mayor Horton, Councilwoman Price, and the City Attorney as a special committee to continue studying and working on the subject of obscenity and pornography in our community, conferring with appropriate officials and individuals and bring back to Council a proposed separate ordinance to effectively deal with the problem of obscenity and pornography in the City of Asheville."

This motion was seconded by Councilman Micheal.

Mayor Trantham then requested that each Council member make a statement on the issue:

Councilman Morris

"This is not a simple question it seems to me, as to whether you favor pornography or not. This is a question of whether and to what extent the members of Council are willing to subject the entire population to our particular moral code. Now, I have to sit here in judgment and I have to decide - this is my moral code, but is it proper for me to subject you to my particular moral code?

The first time I looked at the ordinance was last Thursday and in one week's time, I have not been able to get my mind clear on that point. So, I would like to see us go back and look at this thing in a more leisurely fashion and to be able to take sufficient time to satisfy myself as to what this Council's action ought to be. So, I'm not for a hurry-up thing, where I've only had time to study for a week. Pressed by a deadline that has to do with City Revenues, as this one does, I think a week's time is too short of time to consider anything as complex as this."

Councilman Michael

"Like Councilman Morris, I too think this is not an issue of whether we approve or disapprove pornography. Personally, I disapprove of pornography, but I think that I'm mature enought to purchase and look at the material that I want to and to go to what movies that I think are movies that I like to see and not go to those that are obscene. I think this is a sign of a mature individual. I think that we should guide our children as to what they should see and what they should not see, so they will grow up to be mature individuals.

I know of no other subject in politics today that we are more hypocritical about than pornography. We don't like, for instance, it in drive-in movies. We don't like it in drive-in movies because children and teens can see it from the road, so you don't want it there. But we are not allowed to outlaw in drive-in movies, where we don't want to to see it, without outlawing it in the in-door movies. What can we do? We are caught in our own hypocrisy. We don't want out children or teenages to read it in the 24-hour convenience stores, three (3) or four (4) chains of them that exist in Asheville today. It's there for them and consequently, we say we don't want it there, yet we're unwilling to rule against it.

I'm so glad Vice Mayor Horton pointed out that pornography is essentially anti-feminist. The two major news-making movies, "The Devil in Miss Jones" and "Deep Throat," illustrate this. We live in a society that is recognizing the equality of women today, and pornography is totally out of character with that development. It's totally out of character with the demeaning nature of pornography, which demeans women - not men. The major buyers, major users, major seers of movies are males, and for this reason.

So, to me the issue is not one of educational sophistication, it's one of values. We know what hard-core pornography is; we can define it; we can describe it; the Supreme Court has defined it, just like it has defined jaywalking. Since we can define it - since we can describe it - let the Courts apply the definition. That's all I'm asking and that's all I felt this ordinance would be asking today.

We have a decision to make: Do we want the definition applied? Do we want to apply the legal definition of what hard-core pornography is? The Privilege Tax would have been only the catalyst to set in motion that application, nothing else. As it stands now, we don't have a catalyst. We are opposed to hard-core pornography, y we haven't been willing to put into effect the catalyst.

Now, the issue is one of an industry that carries on several undesirable characteristics. It appeals to the base attitudes in us. You can be anti-pornographic without being anti-sex. I personally like sex. I just flat-out like it. Therefore, I hate pornography. Sex is beautiful. Sex, as God has made it and in the place that God has made it, is beautiful. But there's nothing beautiful about pornography. We had some junk brought before us by some people out in the Riceville Road area where some warped mentality was driving up and down the road throwing it out the window, and I could describe for you what was in the magazines but I would have a problem with the words simply because of the ugliness of it. There's nothing beautiful there about it at all.

The industry itself, I'm afraid, is usually allied with other industries that we simply don't like. Some of the material that Vice Mayor Horton was quoting from shows that 75% of the pornographic sources tends to be Mafia-controlled. The question then is: Do we want it in Asheville? I think the answer is "no." Until our current Police Chief came to Asheville, we had a reputation for being a wide-open town - gambling, prostitution, drugs...I don't know why it was in Asheville this way. These elements were sort of closely aligned to politics that in a sense had its own way of enforcing the law. Pornography is part of that picture. You can't, I don't think, defend one aspect of that picture - that is pornography - and overlook the alliances that have been formed. And, the alliances are there. So, I don't argue about it on the level of individual rights; I argue about it as a part of a corrupt element in our society that must be eradicated.

COUNCILMAN COLE

"Being on the Finance Committee that submitted this recommendation and seeing there is a question in the minds of some of our members of Council, the most important thing I feel for us to do today is to pass a Revenue Ordinance to provide revenue to operate the City of Asheville. As we have some questions in regard to to this ordinance here today, I feel that it is proper that we defer it for further study and give a real review of this before we put an ordinance in regard to pornography into effect. So, I feel that what we should do today really is to pass a Revenue Ordinance and that's what I'd like to see us do."

COUNCILMAN RAINEY

"I feel that if, before I could vote for this amendment, that we ought to have a time limit put in it. I'd like to see - and I will ask Bill at the end of the comments that I have if he will accept - a month's time limit. Ralph says a week is too short; perhaps, a month is a proper time. I would rather like to leave this, if it passes, with a definite time that we can expect something to come from it rather than letting the committee become a receptacle to a problem, without the problem being solved.

Now, the issue that Bill points out is not censorship - this is the smoke-screen. I think, I suppose, that I represent a type of individual that has become concerned about pornography, that so many of the people of Asheville represent. We are not - I'm not - connected with any particular theological profession by trade. I'm a middle-class individual. I suppose you would classify me as educated, although that's open to question every day among my students. And, yet, I'm concerned about it.

Censorship can only arise from the question of pornography by using so-called "logical extreme" argument. This is, if we start by saying we admit that pornography is wrong and I don't like it, but if you do this, you're going to outlaw Shakespeare tomorrow. Now, that's the logical extreme argument. It's really an illogic when you come right down to it.

We accept restraints on individual freedoms as far as the freedom of speech and press is concerned - you can't yell "Fire" in a crowded room, for instance. We accept individual restraints in pornography - we have already accepted individual restraints on pornography. We don't want it distributed to non-adults and that's a restraint. So, the question of censorship and restraint of what you can publish or print, to what you can put on in the media, is really not the question here. The question is that the industry itself is not enforcing these restraints.

Even here, those of you that represent the minority and will be concerned - and I respect your concern for individual liberities - I know you don't want this stuff distributed to non-adults and you accept that as a self-imposed restraint. The industry is not enforcing that restraint - either the distributors are not enforcing it, and obviously the publishers are not, or the sources of it, because that is where the money is made. Therefore, we get downright hypocritical about it.

night and day.

As I've already said, we want to take enough time to put this thing together where it will accomplish the job you want us to do whether it's this morning, this afternoon, or whenever - we want to have it all in there to take these magazines off the shelf where children can't go in and buy them or sit down and look at them.

One day at a certain store, on a Saturday, a man was looking around for his 12-year old boy and he was sitting in the floor looking at one of these magazines. That's the reason, I think, we should take this ordinance and get more control over these things and do a job that we're supposed to do instead of rushing into it in one week. I don't think it's fair and I'm sorry that some of you took offense to the stand that I took, but I think it's nothing but fair that I took that stand so we can come up with something that we can live with."

The following individuals spoke in support of an anti-pornography amendment to be included in the Revenue Ordinance:

Rev. Jack M. Daniels - First Christian Church (Did not state opinion)
Rev. Jack E. Guffey - Cumberland Avenue Baptist Church
Katherine Haynes - West Asheville Baptist Church
Timothy Yarborough - Beres Baptist Church
Susan Montgomery
Rev. Harold Savell - Biltmore Baptist Church
Don Taylor - Christian Action League
Sadie Sprinkle - Christian Action League
John Hicks - Director of Missions for the Baptist Church
Rev. Wesley Grant - Worldwide Baptist Tabernacle
Herman Medler
Robert Groce - Vice-President of Christian Action League

Ralph Sexton, Jr. - Trinity Baptist Church
Rev. James Johnson - West Asheville Baptist Church
Mary Ray - Swannanoa
Zora Hayes
Rev. Raymond Thompson - Beaverdam Baptist Church

The following individuals spoke in opposition to an anti-pornography amendment to be included in the Revenue Ordinance:

David Tell - student at UNC-A
Charles Lloyd -Attorney representing Fine Arts Theatre
Mrs. George Moorefield - representing her husband, Mr. George Moorefield
Grant Taibi

Councilman Michael was excused from the meeting by Mayor Trantham at 4:40 p. m.

Joe Pless, owner of Dreamland Drive-In Theater, asked Council to take time to come up with an ordinance that can be enforced.

Now, I will not oppose the amendment, but I'm wondering, Bill, if we could put a time limit on it so that we all here would know essentially when to expect something out of it."

Vice Mayor Horton suggested that a time table be put into his motion that something would be forthcoming from the committee when Council finishes working on the budget, perhaps by the end of July.

MAYOR TRANTHAM

"First, I'd like to say that I'm not for pornography, but for enforcement. I was handed a copy of this ordinance Wednesday before I left for Raleigh Thursday morning and reviewed it on Tuesday. We're about a month behind sending out our privilege tax statements. In fact, we had already had some requests from the chain stores.

I am hesitant about making any statements of being for this ordinance. I felt like it was not doing what we had set out to do. I feel like when you don't have control of your problems, you have more problems. Whenever you create something that can start bootlegging, which would be a possibility - hauling these things in in the back of your trunk, putting them under the counters and what have you - I think you're endangering the children more than you're doing them good. I know that if you don't have control, it could be just like back in prohibition - I'll grant you there was more liquor sold then than there is today and a lot of them drinking red devil lye. If you have control, then I think you can accomplish what you set out to do.

I know one of the biggest problems that this ordinance doesn't cover is the magazines in the retail stores. One of the most sickening things to see are these young children, which you have no control over as far as age is concerned, that go to these businesses and sit down in the floor and look at these magazines. One Sunday morning, I went out to one place of business and there were two (2) 15-year old girls, on the cash register - checkers - sitting there with these magazines spread on the counter. On a Sunday morning - it made me sick! This is what I'm trying to put across to you today.

We have a job to do and if we don't take time to do it thoroughly, I don't think we're going to do what we set out to do. You can not start in one week's time, and I'm not going to go ahead, and pass something when I don't know just exactly what it's all about. But I assure you that our intentions are to go ahead and pass an ordinance that you can live with, and an ordinance that we can control.

I have had many phone calls. I've been asked are you a Christian? I think in your heart you know that whether you are or not and I have no problem with it, but I do have a problem, as an elected official, to do what is in the best interest of the people. I think the only thing we can do is to control this problem we have.

You take the drugs and dope and what have you right in this City - there's plenty of it. Is there any control over that? It's not even mentioned! Instead, you pick up these kids that get on dope - they get hooked - what can they do? They are hooked! Do they go after the pushers, the ones that brings the dope in here? What I am trying to say is until you can control things of that type, you have to get these people who are on top of it and bring it in here. Whenever you pick up the kid that has been exposed to it and, as you know yourself, a lot of them are exposed to innocently - it is put on chewing gum and what have you. My main point is control and catching the pushers that bring this stuff in here and I think they are working on this

Councilman Rainey was excused from the meeting at 6:00 p. m. by Mayor Trantham.

PUBLIC HEARING - REZONING PROPERTY ON NEW LEICESTER HIGHWAY

5. A public hearing was held relative to rezoning property on New Leicester Highway from R-3 Residential District to CS Commercial Service District, property owned by Mr. Reuben Caldwell, Mr. and Mrs. Clyde Ayers, Mr. and Mrs. D. J. Graham, and Ms. Mildred B. Fenner.

Verl Emrick, Planning Director, said the petitioners had requested that the public hearing be postponed for one week.

Councilman Morris moved to postpone the public hearing until June 1, 1978. This motion was seconded by Vice-Mayor Horton and carried unanimously.

PUBLIC HEARING - COMMUNITY IMPROVEMENT PROGRAM - EAST END/VALLEY STREET AREA

RESOLUTION NO. 78-109 - RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ASHEVILLE, NORTH CAROLINA APPROVING THE REDEVELOPMENT PLAN FOR THE EAST END/VALLEY STREET IMPROVEMENT PROGRAM

6. A public hearing was held on a proposed community improvement program for the East End/Valley Street area.

Mayor Trantham opened the public hearing at 6:05 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mr. Larry Holt, Executive Deputy Director of the Asheville Housing Authority, said most everyone was familiar with the program. He said Council approved an application for Fourth Year Community Development Funds for this particular project in the amount of $1.25 million dollars. Basically the reason for the hearing and the approval today is to comply with Article 22, Urban Renewal Law, General Statutes, State of North Carolina, Chapter 160A-513. The project area contains some 220 acres. A comprehensive development plan was developed by an ad hoc committee of the Neighborhood Residents Council. Some 600 hours were put in by this ad hoc committee in the development of this plan. They had a set of objectives that were adopted by the neighborhood residents at a public meeting, December 8, 1977. We have met the state requirements in terms of the plan, the relocation plan. We have a draft of an Environmental Impact Statement for this program which has met the cut off period without a negative comment.

Mayor Trantham asked if there were any questions or comments from members of Council or the public.

There being no questions or comments, Mayor Trantham closed the public hearing at 6:15 p. m.

The City Manager read a resolution of the City Council of the City of Asheville, North Carolina approving the redevelopment plan for the East End/Valley Street Improvement Program.

Upon motion of Councilman Cole, seconded by Councilwoman Price, Resolution No. 78-109 was unanimously adopted.

Complete text of Resolution No. 78-109 will be found in Resolution Book No. 10 at page 263

Vice-Mayor Horton's motion to amend Ordinance No. 1027 was carried unanimously.

Vice-Mayor Horton moved to amend Ordinance No. 1027, Section 16 "LICENSE SCHEDULE" to include the following:

"ESCORT SERVICE

Every person, firm or corporation engaged in the business of providing the services of personnel as an escort for hire or by engagement or assignment shall pay, for each location from which such business is carried on with employees numbering up to five, a license tax of, per annum $250.00

Every person, firm or corporation engaged in the above defined business, for each location from which such business is carried on with employees numbering more than five, shall pay a license tax of, per annum $450.00

PROVIDED, that all employees serving on escort assignments will be currently registered by name and address with the City Tax Collector and shall be provided a current certificate of health by the County Health Service.

Also, PROVIDED, that if such business involves proven unlawful and prohibited activity, such as prostitution, said license shall be immediately REVOKED."

This motion was seconded by Councilwoman Price and carried unanimously.

Vice-Mayor Horton further moved to amend Ordinance No. 1027, Section 16 "LICENSE SCHEDULE" to include the following:

"BUSINESS CARRIED ON WITHIN THE CITY

Every person, firm or corporation located outside the city, but which delivers products or services inside the City to customers procured in the regular course of conducting its business, unless covered by some other license tax levied herein, shall pay a license tax of, per annum .....$100.00"

This motion was seconded by Councilman Cole, which motion carried on a voice vote of 4-1, with Councilman Morris voting "no."

Councilman Morris said Councilman Michael was opposed to this amendment and he felt it would be unfair to Councilman Michael to include this amendment in the ordinance in the absence of Councilman Michael.

Mayor Trantham then called for a roll call vote on the third and final reading of Ordinance No. 1027, as amended.

On a roll call vote of 5-0, Ordinance No. 1027, as amended passed on third and final reading.

Complete text of Ordinance No. 1027 will be found in Ordinance Book No. 8 at page 103 .

Councilman Morris moved to postpone the third reading of Ordinance No. 1042 until June 1, 1978, since amendments had been made to the ordinance. This motion was seconded by Councilwoman Price and carried unanimously.

ORDINANCE NO. 1055 - AN ORDINANCE AMENDING ARTICLE VII, SECTION 28-154 OF THE CITY OF ASHEVILLE CODE OF ORDINANCES

9. Consideration was given to the third and final reading of Ordinance No. 1055, an ordinance amending Article VII, Section 28-154 of the City of Asheville Code of Ordinances.

Mayor Trantham said the ordinance was previously read on first and second readings and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 4-0, Ordinance No. 1055 passed on third and final reading.

Complete text of Ordinance No. 1055 will be found in Ordinance Book No. 8 at page 205.

ORDINANCE NO. 1056 - AN ORDINANCE AMENDING ARTICLE V- STOPPING, STANDING, AND PARKING, DIVISION 3 - CITY PARKING LOTS OF CITY OF ASHEVILLE CODE OF ORDINANCES BY CHANGING SECTION 28-127 CONCERNING THE RATES OF CHARGES FOR PARKING LOTS

10. Consideration was given to the third and final reading of Ordinance No. 1056, an ordinance amending Article V- Stopping, Standing, and Parking, Division 3 - City Parking Lots of City of Asheville Code of Ordinances by changing Section 28-127 concerning the rates of charges for Parking Lots.

Mayor Trantham said the ordinance was previously read on first and second readings and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 4-0, Ordinance No. 1056 passed on third and final reading.

Complete text of Ordinance No. 1056 will be found in Ordinance Book No. 8 at page 206.

APPROVAL OF SALE OF DISPOSAL PARCELS IN THE EAST RIVERSIDE RENEWAL PROJECTS - PARCELS 6A-6B - 26 - 92- 155

11. Consideration was given to the approval of the sale of Disposal Parcels in the East Riverside Renewal Project.

The City Manager read a letter from the Housing Authority which stated they had received the following bids for disposal parcels in the East Riverside Renewal Project:

Parcel	Reuse	Price	Bid	Redeveloper
6A-6B	Residential (fragment)	50.00	50.00	Mr. & Mrs. Durham Jones
26	Residential	2,700.00	2,700.00	Mr. & Mrs. Dennis Goode
92	Residential	1,711.00	1,711.00	Mr. & Mrs. Bruce Pagan
155	Office-Institutional	20,000.00	20,000.00	Readling, McAnally, Garbee

PUBLIC HEARING - PROPOSED USES OF GENERAL REVENUE SHARING FUNDS - FISCAL YEAR 1978-79

7. A public hearing was held to discuss the proposed uses of General Revenue Sharing funds during Fiscal Year 1978-79.

Mayor Trantham opened the public hearing at 6:17 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mr. Bob Wurst, Budget Director, said this public hearing is required by the Revenue Sharing Act to hear any suggested uses for the General Revenue Sharing Funds. He said the City of Asheville will receive approximately $1,435,207 in General Revenue Sharing Funds and has $410,722 in unappropriated General Revenue Sharing funds. He presented members of Council with an outline of proposed uses of the funds, which was prepared by the City staff.

Mayor Trantham asked if there were any questions or comments from members of Council or the public.

There being no questions or comments, Mayor Trantham close the public hearing at 6:22 p. m.

ORDINANCE NO. 1042 - AN ORDINANCE AMENDING SECTION 11-46 OF CHAPTER 11, OF THE CODE OF ORDINANCES, ENTITLED PERMITS TO ISSUE ONLY TO LICENSED ELECTRICAL CONTRACTORS

8. Consideration was given to the third and final reading of Ordinance No. 1042, an ordinance amending Section 11-46 of Chapter 11, of the Code of Ordinances, entitled Permits to issue only to licensed electrical contractors.

Mayor Trantham said the ordinance was previously read on first and second readings and would not be re-read in its entirety unless there was a specific request to do so.

Councilwoman Price moved to amend the second paragraph of Section 1 of Ordinance No. 1042 entitled Section 11-46 to read as follows:

"However, any person may be permitted to perform electrical work upon his own property, except property intended for commercial, industrial or institutional use or property intended for rent, sale, gift, provided he first makes application for and obtains a permit from the Electrial Inspector to do the specific work contemplated, provided applicant satisfied the Electrical Inspector by written examination and evidence of necessary experience that he is competent to perform the work for which permit is requested in a manner which will meet all statutory and ordinances requirements. Such examination shall be predicated on the type of work the applicant may be required to perform and shall be prepared by the Chief Electrical Inspector with review and approval by the current electrical examining board established by Section 11-23. If so satisfied, the Electrical Inspector shall issue a permit to the applicant personally to perform the particular work for which application was made. Such permit shall extend to the applicant only and shall not authorize the applicant to employ the services of any other person to assist him unless such other person is a qualified contractor. The permit granted the applicant shall automatically expire upon completion of the work for which application was made and the permit issued. All work done under such permit shall be subject to regular electrical inspection requirements and fees and shall be required to satisfy all statutory and ordinance requirements applicable to such work."

This motion was seconded by Councilman Cole and carried unanimously.

City of Asheville

POST OFFICE BOX 7148
ASHEVILLE, N.C. 28807

Councilman
Otis B. Michael, M.D.

MEMORANDUM TO: Members of Asheville City Council, Buncombe County Commissioners, and Chamber of Commerce Aviation Committee

FROM: Otis B. Michael, M. D., Councilman

DATE: May 23, 1978

RE: Facts and Suggestions Promulgating a Regional Airport Commission

1. State Statutes do not prohibit the formation of a commission designated by Asheville City Council consisting of representatives from the municipality and surrounding governing bodies that are affected by the operation of this facility.

2. An Ordinance should be passed by the City of Asheville delegating specific authorities; i. e., sale of stocks and bonds, budget matters, etc. and responsibilities to the commission. This does not require action by the State Legislature.

3. The appraised value of the Asheville Airport is $7,090,950. This is the replacement cost as judged approximately one year ago. This does not include the runway extension or any improvements and, as you can see, the value will go up over fifty percent (50%) when this is done and this would be a good investment at this time. Therefore, the commission would have approximately a $5,000,000. leverage as soon as the runway extension is completed with Federal and other funds. In other words, this would be a good time to buy in prior to the completion of the extension.

4. I hope this commission will become a reality and the Ordinance delegating its duties, obligations, responsibilities and powers will be passed before the budget is acted on.

5. As other counties see fit, they may buy into the same dollar leverage relative to the replacement value of the airport at the time they wish to participate. Therefore, it is expedient that all who wish to participate do so now so that they will begin at the present value of the airport.

The redevelopers for Parcels 6A-6B and 92 are adjacent owners who plan to use the lots purchased in connection with their existing residences. The redevelopers for Parcel 26 plan to assemble Parcel 26 with Parcel 27 which they previously purchased in order to construct a new home.

The redevelopers for Parcel 155 plan to enlarge the parking facilities for their existing medical office.

Vice-Mayor Horton moved to approve the sale of Parcels 6A-6B, 26, 92, and 155 as recommended by the Housing Authority of the City of Asheville. This motion was seconded by Councilman Cole and carried unanimously.

PUBLIC HEARING SCHEDULED - REVISION OF THE CITY SANITATION CODE

12. Consideration was given to a motion authorizing a public hearing regarding the revision of the City Sanitation Code for June 15, 1978.

Councilwoman Price moved to schedule a public hearing regarding the revision of the City Sanitation Code for June 15, 1978. This motion was seconded by Councilman Cole and carried unanimously.

RESOLUTION NO. 78-110 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CHANGE ORDER NO. III WITH RUCKMAN BROTHERS OF ENKA, NORTH CAROLINA FOR THE PROJECT KNOWN AS MONTFORD AREA PUBLIC WORKS

13. Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville a Change Order No. III with Ruckman Brothers of Enka, North Carolina for the project known as Montford Area Public Works.

The City Manager read the ordinance and explained that the City desires to add 2180 linear feet of curb and gutter on Westover Drive and 50 linear feet of 18-inch corrugated metal pipe at the intersection of Conestee and Spears Street to the contract currently in progress with Ruckman Brothers Construction Company for Montford Area Public Works Project. He said the additional entails all necessary equipment, materials and labor required for the installation of the work. He said sufficient funds have been appropriated to cover this change order.

Upon motion of Vice-Mayor Horton, seconded by Councilwoman Price, Resolution No. 78-110 was unanimously adopted.

Complete text of Resolution No. 78-110 will be found in Resolution Book No. 10 at page 265.

STATEMENT OF INTENT - FURTHER STUDY TO PROCEDURES TO INVOLVE BUNCOMBE COUNTY IN THE AIRPORT REGIONAL CONCEPT

14. Consideration was given to a statement of intent to give further study to the procedures to involve Buncombe County in the Airport Regional Concept.

The City Manager said Councilman Michael had requested that the following memorandum be made a part of the minutes:

NOMINATION AND APPOINTMENT OF A MEMBER TO THE CIVIL SERVICE BOARD

15. Consideration was given to the nomination and appointment of a member to the Civil Service Board.

Councilman Morris nominated Mr. Tom Posey as a member of the Civil Service Board.

Vice-Mayor Horton moved that Mr. Tom Posey be appointed as a member of the Civil Service Board. This motion was seconded by Councilwoman Price and carried unanimously.

RESOLUTION NO. 78-111 - RESOLUTION IN SUPPORT OF AIRPORT AND TRANSIT PROJECTS TO BE INCLUDED IN THE NORTH CAROLINA TRANSPORTATION IMPROVEMENT PROGRAM

16. Consideration was given to a resolution in support of Airport and Transit Projects to be included in the North Carolina Transportation Improvement Program.

The City Manager read the resolution.

Upon motion of Councilman Cole, seconded by Vice-Mayor Horton, Resolution No. 78-111 was unanimously adopted.

Complete text of Resolution No. 78-111 will be found in Resolution Book No. 10 at page 266 .

CLAIM - B. E. DAVIS

The City Manager presented a claim received from Mr. B. E. Davis.

Mayor Trantham referred the claim to the Corporation Counsel for investigation and recommendation.

PROCLAMATION - JUNE 4 - SHUT-IN'S DAY

Mayor Trantham proclaimed June 4, 1978 as Shut-in's Day in the City of Asheville.

Adjournment.

Ran M Trantham
MAYOR

William F. Walcott
CITY CLERK

6. The commission will be concerned with profit and loss, purchase and sale of surrounding property, increasing commercial air carrier and freight service to and from Western North Carolina, upgrading and maintaining service and facilities in and around the airport, and management of airport and related leases, etc.

7. The commission should consist of people other than politicians.

8. City Council will have the final say so on controversial matters until such time the City of Asheville has forty-nine percent (49%) or less monetary interest in the airport.

9. The name "Asheville Municipal Airport" will probably be changed.

10. Mr. Vernon, Attorney for airport matters, will be representating and advising us on all of these matters and others as suggested.

This will yield control of the airport in the hands of the people that use it most, as it should be.

I hope that this information will be helpful in getting the Asheville Municipal Airport established as a regional facility, which indeed it is, and the management - in my opinion - should be the same. It is hoped that the Asheville City Council Members and the Buncombe County Commissioners will pass a Resolution of Intent to establish this commission as soon as possible.

These are merely suggestions after many conferences and researching of what other airport authorities have done. I would appreciate meeting with you as soon as possible to discuss additions, deletions, or corrections relative to any of these suggestions.

The City Manager said the statement that the City Council has proposed is that the City of Asheville has developed an informal working relationship with several surrounding county governments, The Land of Sky Regional Council, and several area Chambers of Commerce to develop the Airport Regional Concept.

Since the County of Buncombe at this time is the only county having made a financial commitment to the further development of the airport, the City Council of the City of Asheville shall give further study to developing formal procedures to involve the Buncombe County Commissioners and other area governmental units in the financing, management, and the development of the airport.

2. Sufficient tracts of land near this site are already zoned CS Commercial Service District; and

3. Rezoning would be in conflict with the Commission's policy of preventing further strip commercial development within its jurisdictional area.

Mr. Emrick reviewed the definition of "spot zoning" and by the use of a map, reviewed the location of the property in question.

Mr. Emrick said the uses permitted in the Commerial Service District may be detrimental to the neighborhood.

William E. Greene, attorney representing Mr. Reuben Caldwell, owner of Lot 36, spoke in support of the petition to rezone property on New Leicester Highway. He said all the property was in the City Limits. He reviewed the commercial uses now in operation on New Leicester Highway. He said his client wants to expand his business, Caldwell's Well Drilling, which he cannot do under the R-3 Residential classification. He contended that rezoning this property would not constitute "spot zoning" as it is separated from any other R-3 Residential zoning.

Mr. Greene read a letter from Mr. Jack M. Spivey, an adjacent property owner, which stated that he had no objections to the rezoning of the Caldwell's property.

Mr. Clyde Ayers, owner of Lot 10, endorsed the rezoning to Commercial Service District. Mr. Ayers said he would be willing to buffer his property for the residents in the Westwood Drive area.

Bill Clendenin, Jerry Metcalf, Mr. Sellers, and Zeb Sheppard all spoke in favor of the rezoning request.

Mr. and Mrs. Cecil Roberts, 16 Westwood Drive, and Mr. Bob Sheppard, 24 Westwood Drive, strongly objected to the rezoning stating that such rezoning would be detrimental to the neighborhood.

Councilwoman Price presented a letter from Mrs. Honeycutt who opposed the rezoning.

Mr. Emrick, upon questioning of Councilwoman Price, said Mr. Caldwell could seek a variance from the Board of Adjustment to expand his present facilities.

Mayor Trantham closed the public hearing at 4:15 p. m.

The City Manager read the ordinance rezoning the property as petitioned.

Councilwoman Price asked Council to consider denying the request for rezoning for several reasons. She said the traffic on New Leicester Highway would be more than the residents could tolerate.

After discussion, Councilman Morris moved to table the ordinance until June 8, 1978 giving all members of Council an opportunity to see the property before taking any action. This motion was seconded by Councilman Michael and carried on a voice vote of 5-1, with Councilwoman Price voting "no."

Thursday - June 1, 1978 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen Gene E. Rainey, F. Jack Cole, Otis B. Michael, Ralph D. Morris, Jr., Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

Councilman Ralph D. Morris gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the May 25, 1978 meeting.

Councilman Rainey and Councilwoman Price presented the City Clerk with several grammatical changes.

Upon motion of Councilman Rainey, seconded by Councilwoman Price, the minutes of the May 25, 1978 meeting were approved as amended.

PUBLIC HEARING - REZONING PROPERTY ON NEW LEICESTER HIGHWAY FROM R-3 RESIDENTIAL DISTRICT TO CS COMMERCIAL SERVICE DISTRICT

ORDINANCE NO. _____ - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED

2. A public hearing was held relative to rezoning property on New Leicester Highway from R-3 Residential District to CS Commercial Service District, property owned by Mr. Reuben Caldwell, Mr. and Mrs. Clyde Ayers, Mr. and Mrs. D. J. Graham and Ms. Mildred B. Fenner.

Mayor Trantham opened the public hearing at 3:07 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Planning and Zoning Commission at their April 5, 1978, meeting considered the request of Mr. Reuben Caldwell, Mr. and Mrs. Clyde Ayers, Mr. and Mrs. D. J. Graham and Ms. Mildred B. Fenner that Ward 12, Sheet 13, Lots 36, 78, and 36-1/4, and 10 be rezoned from R-3 Residential District to CS Commercial Service District. After discussing the issues of this request, the Planning and Zoning Commission voted to recommend to City Council that this petition be denied for the following reasons:

1. The present extraterritorial zoning boundary eliminated the once existing Commercial Service District along this portion of New Leicester Highway. Thus, a zoning change to a commercial classification would create a spot zone;

ORDINANCE NO. 1042- AN ORDINANCE AMENDING SECTION 11-46 OF CHAPTER 11, OF THE CODE OF ORDINANCES, ENTITLED PERMITS TO ISSUE ONLY TO LICENSED ELECTRICAL CONTRACTORS

5. Consideration was given to the third reading of Ordinance No. 1042, an ordinance amending Section 11-46 of Chapter 11, of the Code of Ordinances, entitled Permits to issue only to licensed electrical contractors.

In order to include and clarify the amendments to the ordinance, the City Manager read the complete ordinance.

Councilwoman Price moved to amend Ordinance No. 1042 to read as the City Manager read. This motion was seconded by Councilman Morris and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1042, as amended passed on third and final reading.

Complete text of Ordinance No. 1042 will be found in Ordinance Book No. 8 at page 188.

RESOLUTION NO. 78-112 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH TAYLOR AND MURPHY CONSTRUCTION COMPANY FOR THE CONTRACT KNOWN AS CHESTNUT STREET FIRE LINE

6. Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Taylor and Murphy Construction Company for the contract known as Chestnut Street Fire Line.

The City Manager read the resolution and explained that sealed bids were received on the project and the bid tabulation is as follows:

Taylor and Murphy Construction Company	$227,120.70
Hobson Construction Company	249,500.00
Huntley Construction Company	276,105.90

Upon motion of Councilman Rainey, seconded by Councilwoman Price, Resolution No. 78-112 was unanimously adopted.

Complete text of Resolution No. 78-112 will be found in Resolution Book No. 10 at page 267.

RESOLUTION NO. 78-113 - RESOLUTION OF APPRECIATION OF THE AUXILIARY MOTOR POLICE CORPS

7. Consideration was given to a resolution of appreciation of the Auxiliary Motor Police Corps.

The City Manager read the resolution. He said the Auxiliary Motor Police Corps announced its deactivation as of May 1, 1978.

Upon motion of Councilwoman Price, seconded by Councilman Michael, Resolution No. 78-113 was unanimously adopted.

Complete text of Resolution No. 78-113 will be found in Resolution Book No. 10 at page 268.

PUBLIC HEARING - DEMOLITION OF 49 WEST CHESTNUT STREET

ORDINANCE NO. 1057 - AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THE DWELLING HOUSE KNOWN AS 49 WEST CHESTNUT STREET

3. A public hearing was held relative to the adoption of an ordinance directing the Housing Officer to proceed with the demolition and removal of 49 West Chestnut Street.

Mayor Trantham opened the public hearing at 4:35 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

J. E. Johnson, Director of Inspections, said 49 West Chestnut Street has been found to be unfit for human habitation, unsafe and dangerous to life. He said the owner has not complied with the order to repair said structure or demolish and remove said structure. He said this property has been through due process of law for the procedures in demolishing same.

Mayor Trantham closed the public hearing at 4:37 p. m.

The City Manager read the ordinance.

Councilwoman Price moved for the adoption of Ordinance No. 1057. This motion was seconded by Vice-Mayor Horton.

On a roll call vote of 6-0, Ordinance No. 1057 passed on its first reading.

PRESENTATION OF CITY OF ASHEVILLE BUDGET FOR FISCAL YEAR 1978-79

4. The City Manager presented the City of Asheville Budget for FY 1978-79. He also revieved the highlights of the budget letter.

(A complete copy of the budget letter will be found on Minute Book 44 - pages 280 through 314)

Councilman Rainey, referring to the major change in the proposed budget to eliminate "at the house" pickup of garbage,requested that the City Manager invite a representative of a company which manufactures roll-out garbage cans to make a presentation to the Council.

Councilman Rainey also requested that the City Manager schedule a presentation by K-R Industries relative to 2-hour parking meters with a 30-minute free "courtesy" time period.

Councilman Rainey said the City may want to consider a gradual phase out of CETA employees rather than a complete phase out at one particular time.

Councilman Michael moved to schedule a public hearing relative to the budget for FY 78-79 for June 15, 1978. This motion was seconded by Vice-Mayor Horton and carried unanimously.

ORDINANCE NO. 1059 - AN ORDINANCE AMENDING SECTION 28-81.6 OF ARTICLE IV (SPEED REGULATIONS) OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE TO SET 45 M.P.H. AS THE SPEED LIMIT FOR A PORTION OF FAIRVIEW ROAD EXTENSION

10. Consideration was given to an ordinance amending Section 28-81.6 of Article IV (Speed Regulations) of the Code of Ordinances of the City of Asheville to set 45 m.p.h. as the speed limit for a portion of Fairview Road Extension.

The City Manager read the ordinance.

Councilwoman Price moved for the adoption of Ordinance No. 1059. This motion was seconded by Councilman Cole.

On a roll call vote of 6-0, Ordinance No. 1059 passed on first reading.

Councilman Michael moved to suspend the rules and proceed to the second reading of Ordinance No. 1059. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1059 passed on second reading.

Councilman Michael moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1059. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1059 passed on third and final reading.

Complete text of Ordinance No. 1059 will be found in Ordinance Book No. 8 at page 211.

APPROVAL OF THE CONSENT AGENDA

11. The City Manager explained that the items on the consent agenda are of a routine nature and have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council and/or a member of the City staff any single item scheduled for approval on the consent agenda may be considered separately.

A. Resolution No. 78-115 - Resolution authorizing the Mayor to file an application for a federal grant with the North Carolina Division of Law and Order for the up-date Asheville I. D. Program.

HIGHLIGHTS: This sub-grant application for state and federal funding is to support a program to increase the capabilities of the Asheville Police Department and the Buncombe County Sheriff's Department in the areas of criminal evidence collection and processing. Funds will provide for the purchase of a mobile crime laboratory for the police department and the purchase of other equipment, primarily color photography equipment for the Asheville/Buncombe County Identification Section.

RESOLUTION NO. 78-114 - RESOLUTION OF APPRECIATION TO W. EARL WILLIAMS FOR HIS SERVICE AS DIRECTOR OF THE CITY OF ASHEVILLE CIVIL SERVICE BOARD

8. Consideration was given to a resolution of appreciation to W. Earl Williams for his service as Director of the City of Asheville Civil Service Board.

The City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Councilman Michael, Resolution No. 78-114 was unanimously adopted.

Complete text of Resolution No. 78-114 will be found in Resolution Book No. 10 at page 269.

ORDINANCE NO. 1058 - AN ORDINANCE AMENDING, REALLOCATING AND APPROVING COMMUNITY DEVELOPMENT FUNDS SET FORTH IN THE CITY OF ASHEVILLE'S FEDERAL PROJECT FUND BUDGET FOR 1976-77

9. Consideration was given to an ordinance amending, reallocating and approving Community Development Funds set forth in the City of Asheville's federal project fund budget for 1976-77.

The City Manager read the resolution explaining that the lowest bid on the Appalachian Way/Huffman Road project exceeded the funds available for the construction and installation of the project by $9,270.71. There are ARC-HUD funds available in the Chestnut Street Fire Line Project and it is permissible under current ARC-HUD guidelines to transfer funds between the projects. He said this ordinance would reflect the transfer of funds for the two projects.

Vice-Mayor Horton moved for the adoption of Ordinance No. 1058. This motion was seconded by Councilman Rainey.

On a roll call vote of 6-0, Ordinance No. 1058 passed on first reading.

Councilman Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 1058. This motion was seconded by Councilman Michael and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1058 passed on second reading.

Councilman Morris again moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1058. This motion was seconded by Councilman Michael and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1058 passed on third and final reading.

Complete text of Ordinance No. 1058 will be found in Ordinance Book No. 8 at page 209.

SHILOH RECREATION CENTER CONTRACTS - AUTHORIZING THE MAYOR TO SIGN

Councilwoman Price moved to authorize the Mayor to sign the contracts for the Shiloh Recreation Center. This motion was seconded by Vice-Mayor Horton and carried unanimously.

CLAIM - LESTER KEENER

The City Manager presented a claim received from Mr. Lester Keener.

Mayor Trantham referred the claim to the Corporation Counsel for investigation and recommendation.

CLAIM - CHARLES W. MORRIS, JR. - RIDGE REALTY COMPANY

The City Manager presented a claim received from Mr. Charles W. Morris, Jr. of Ridge Realty Company.

Mayor Trantham referred the claim to the Corporation Counsel for investigation and recommendation.

CLAIM - RUSHELL WATKIN

The City Manager presented a claim received from Mr. Rushell Watkin.

Mayor Trantham referred the claim to the Corporation Counsel for investigation and recommendation.

PETITION - CONDITION OF STREETS ON MT. CLARE PLACE AND WOODROW PLACE

The City Manager presented a petition received from property owners of Mount Clare Place and Woodrow Place regarding the condition of the streets.

Mayor Trantham referred the petition to the City Manager for investigation.

BIDS - RENOVATION OF CITY BARN

The City Manager advised that bids for renovations to the City Barn were advertised and let on two separate occasions with only one bidder on each occasion. He said the only bidder was Southworth Construction Company, Inc., in the amount of $135,534.00. However, for the renovation of the toilet areas in the Street and Sanitation Department, an additional $5,825 for the toilet in the Street Department and $3,234 for that in the Sanitation Department would have to be added to the contract. He said funds are available in the Operations Complex Fund to cover this contract.

Councilwoman Price moved to accept the bid of Southworth Construction Company, Inc. for the renovation of the City Barn in the amount of $135,534.00;plus the $5,825 for the renovation of the toilet area in the Street Department; plus the $3,234 for the renovation of the toilet area in the Sanitation Department. This motion was seconded by Vice-Mayor Horton and carried unanimously.

A (ent'd)	Total Project		$38,000
	Federal Contribution	90%	34,200
	State Contribution	5%	1,900
	Local Contribution	5%	1,900
	Asheville		1,475
	[redacted]		425

Resolution Book No. 10 page 270.

B. Approval of the sale of salvage from the East Riverside Renewal Project.

HIGHLIGHTS: The Housing Authority has received bids for various items of salvage from the East Riverside Renewal Project.

C. Resolution No. 78-116 - Resolution to provide for a referendum by the governmental unit's eligible policemen under provisions of Article 2 of Chapter 135 of the General Statutes of North Carolina and under provisions of the Governor's Executive Order of July 21, 1961.

Resolution Book No. 10 page 272.

D. Resolution No. 78-117 - Resolution to provide for a referendum by the governmental unit's eligible firemen under provisions of Article 2 of Chapter 135 of the General Statutes of North Carolina and under provisions of the Governor's Executive Order of July 21, 1961.

Resolution Book No. 10 page 273.

E. Resolution No. 78-118 - Resolution requesting the State of North Carolina to appropriate funds for the purpose of repairing street and highway damage which resulted from flood and winter storm damage.

Resolution Book No. 10 page 274.

F. Scheduling of a public hearing relative to an ordinance establishing an Advisory Body known as the Asheville Tree Commission for June 22, 1978.

G. Resolution No. 78-119 - Resolution providing for the in-kind match required for the Grant from the Department of Archives and History for the Asheville/Buncombe County Comprehensive Historic Sites Inventory.

Resolution Book No. 10 page 275.

H. Resolution No. 78-120 - Resolution in support of highway projects to be included in the North Carolina Highway Improvement Program 1979-1985.

Resolution Book No. 10 page 277.

Upon motion of Councilman Michael, seconded by Councilman Morris, the consent agenda was approved.

CITY OF ASHEVILLE

ASHEVILLE, NORTH CAROLINA

June 1, 1978

OFFICE OF
CITY MANAGER

Honorable Mayor and
Members of City Council
City of Asheville
City Hall Building
Asheville, North Carolina 28807

Dear Mayor and Members of Council:

Submitted herewith are the budget estimates for Fiscal Year 1978-79 which begins July 1, 1978. The budget was prepared to the provisions of The Local Government Budget and Fiscal Control Act, as amended.

In accordance with the Act, a copy of the budget will be filed in the Office of the City Clerk "where it shall remain available for public inspection until the Budget Ordinance is adopted." The Act also requires that the Clerk publish a statement that the budget has been submitted to the Governing Board and is available for public inspection in his office. The statement shall also give notice of the time and place of a required public hearing. The Budget Ordinance requires three (3) readings before adoption and should be adopted "not earlier than ten (10) days after the budget is presented to the Board and not later than July 1." Changes may be made in the budget at any of the three (3) readings.

The Asheville City Government is a large diversified enterprise that provides services not only to residents of the City of Asheville, but to all of Western North Carolina. Major services which extend beyond the City Limits, include the Airport, with 350,000 passengers a year; the Water Department serving 33,000 customers and several municipalities with an average of over 20 million gallons of water a day; the Civic Center serving 544,552 patrons annually; and the Parks and Recreation Department with Bee Tree Lake, Municipal Golf Course, Aston Park Tennis Courts, and Recreation Park. In addition to the spillover effects of City of Asheville services beyond the City Limits, there are some

VICE-MAYOR HORTON - COMMENTS

Vice-Mayor Horton commented that that new parking experimental program which went into effect today seemed to be getting off to a good start.

He also commented on the beautiful roses which are in bloom along the Expressway.

Vice-Mayor Horton suggested that when the filter plant is in full operation, that some plans be made for a ceremony at the plant.

RALPH BISHOP

Ralph Bishop spoke to Council relative to freedom of speech in a public meeting.

Adjournment.

Ray M. Learnham
MAYOR

Miriam D. Roberts
CITY CLERK

expense. It was a giant step forward for that City Council to recognize the need to actuarially fund this retirement program to assure the employees of their benefits and to save future administrations of the disproportionate cost.

However, even with the actuarial funding, this is a continuing expense in excess of $1 million a year (over 16¢ on the 1978-79 tax rate) and we have paid and we anticipate paying for this from the Federal General Revenue Sharing Funds, a source of funds which in itself is not guaranteed.

By continuing this funding under the Federal General Revenue Sharing Program in place of a progressive funding plan through the General Fund local revenues, we have affected the fiscal policy of this and future City Councils. For example, the Revenue Sharing Entitlement for FY 1978-79 is $1,435,207 and we plan to use $1,113,740 of that for the Police/Fire Pension. Due to the increased "line of duty disability retirements" and retirements in general, this cost is increasing by $300,000 to $400,000 annually. This increase is because the Police/Fire Pension Act is vague in defining "line of duty disabilities" and the Board of Trustees and Board of Examiners are receiving a number of requests to review existing and consider most proposed retirements as "line of duty."

2) Federal Program Capital Funds - (Model Cities, Community Development, Bureau of Outdoor Recreation, Urban Renewal, etc.) These funds improved materially the physical decay and quality of life in our City in numerous blighted areas that we would probably never have gotten to improve otherwise. However, in the area of recreation improvements alone, we will add $300,000 to $500,000 in continuing annual operational expense to support the facilities constructed with these funds. Examples are: Senior Opportunity Center, North Asheville Park, Shiloh Recreation Center, Montford Recreation Center, Burton Street Recreation Center, Livingston Street Recreation Center. These improvements also changed our Recreational Programs Concept from a seasonal outdoor recreation program to a large indoor recreation center and outdoor program.

3) Bus System - The City of Asheville assumed the operation of the bus system in 1967. Through federal grants and a bond issue, we gained a new building and new buses. From 1967 to 1970 our losses were zero and in 1977-78 our losses were $316,985 even considering the fact that in 1975 the Federal Government came out with a program to subsidize one-half of our operating loss. For FY 1978-79, the total loss will be $704,350. As a comparison, the total loss in 1975-76 was

significant facts about the internal service and organization of the City of Asheville that are important to the budgetary considerations. These are:

1) Our service area is approximately 25 square miles;

2) We have over 400 miles of streets;

3) We serve over 60,000 people in over 20,000 dwellings and businesses; 24 hours a day - 7 days a week;

4) We have in excess of 1,000 full and part-time employees in 20 different departments and divisions;

5) We support approximately 20 different boards and commissions;

6) We have a total annual budget of over $25 million of which only $6 million comes from ad valorem tax, based on a tax base of approximately $695 million; and

7) We have over 750 miles of water transmission lines - probably the largest in the State.

The budget process for FY 1978-79 really began years ago with the decisions made in previous fiscal years and our status at this point in time reflects the policy and administrative decisions of this and previous City Councils, City Managers, and the attitudes and desires of the general public. Simply meaning that there are numerous activities we are now involved in for which we had no control and no say, but we have an obligation to complete. To dwell on whether those past decisions were good or bad is inconsequential, but to use those decisions as a basis for determining fiscal and management plans for the future is important. In addition, this budget generally reflects a time span of 12 months, but the final decisions we make this year shall again perpetuate policy and administrative direction far into the future.

SOME MAJOR EXAMPLES OF MATTERS THAT AFFECT THE BUDGET FOR WHICH PREVIOUS DECISIONS AFFECT THIS BUDGET ARE AS FOLLOWS:

1) 1939 - Police/Fire Pension - In FY 1976-77, the City Council took a giant step forward in beginning the full funding of the Police/Fire Pension Plan started in 1939. Up and until this time, the funding had been on a "pay-as-you-go" basis which did not materially affect the budget while employees were young and able. However, the employees under this plan had a number of years of service, retirement ages were being reached and disabilities were increasing, and the "pay-as-you -go" basis would soon have put the City into a position of using large amounts of operating funds to pay the retirement

hundred thousand dollars damage to streets and drainage ways for which the City has responsibility.

These are just a few of the inherited obligations that this City Council has assumed.

SIGNIFICANT MATTERS PERTAINING TO REVENUES:

The General Fund operates on revenues from fees and charges, ad valorem taxes, local, State and Federal Grants, and shared revenues.

The General Fund has been balanced showing no increase in ad valorem tax and some few new revenue sources. However, some possible sources of additional revenues are:

A) Request the State to assume responsibility for the expressway lighting from the Tunnel to the Smoky Mountain Bridge. ($10,000 plus annually)

B) Request that the County reduce the City's share in support of the Board of Tax Supervision to thirty percent (30%). (Savings of approximately $35,000)

C) Request that the Asheville City Schools assume the cost of paying the School Crossing Guards. ($26,512)

D) Increase ad valorem taxes. (Each penny yields $66,044)

E) Consider other charges for direct City services to governmental and non-profit agencies. (Charging for garbage collection alone will produce $25,000 annually.)

F) Continue to work with the County Government to fund those City activities which are countywide in service.

The following information is a summary of significant matters pertaining to revenues that the City Council should consider:

1) State Law requires the City of Asheville to budget no more for ad valorem tax revenue than the percentage actually collected the previous year. Consequently, for FY 77-78 we budgeted to collect 93% of the levy. However, through tax collection efforts and other factors during the year, we realized a 95% collection rate, thus producing a surplus in FY 1977-78 and permitting us to budget at a 95% rate for FY 1978-79. In FY 1978-79, we expect this to produce a $135,000 revenue increase.

2) It is anticipated that the County will increase their contribution to the library from a 50/50

$416,657 and the City's share was $203,240. This loss is growing every year with no realistic way to cut costs except to reduce service and/or increase fares.

We submitted an application to the Federal Government for a grant almost five years to begin a replacement program of our old buses. However, our request has not been granted. In the meantime, the price of a bus has increased from $41,233 in 1974 to $75,625 in 1978 and there is an 18-month to 2-year delivery time. Also, we have no budget provision for matching the grant if we are considered this year. See "Exhibit E."

4) Governmental and Non-Profit Organizations - Inside the City Limits has become a good location for governmental agencies and non-profit organizations. However, these agencies don't pay taxes, yet use a variety of City services. For example, I have estimated that these agencies receive approximately $25,000 annually in garbage collection service alone. On the other hand, tax-paying residential development and business development is primarily taking place outside the City Limits. This can easily be illustrated by the growth in the County Tax Base.

5) Annexation Moritorium - The City has been under an annexation moritorium for more than three (3) years, under the authority of the General Assembly. This moritorium encourages growth surrounding the City Limits. This also encourages the use of City services without giving the City the option to incorporate those areas to help us provide the revenues to pay for services rendered. This artificial restriction of Asheville's natural growth affects not only ad valorem tax receipts, but also many State and Federal shared revenues. Many State and Federal revenues are based on population growth, local tax effort, and relative size of the city compared to other cities.

6) Civic Center - The Civic Center has been and is an excellent entertainment and convention resource for all of Western North Carolina. However, the operational and debt service deficit directly to the City of Asheville amounted to $1,042,985 or 15.8¢ on the tax rate for FY 1978-79 after revenues are considered. Furthermore, the Civic Center supports almost $54,000 in cost directly associated with The Art Museum, Mineral Museum, and Symphony.

7) Winter Conditions and Flooding - While this is not a matter of human decision, the winter conditions of 1976 and 1977, plus the severe flooding in the fall of 1977, did several

10) Until this year, the City had several federal programs from which we derived revenues for construction and inspection work primarily. Due to the reduction in programs and our goal of using outside contractors for construction, this will amount to approximately $65,000 in annual revenue loss.

11) In FY 1977-78, Civic Center Revenues will be approximately $71,000 less than budgeted. However, management decisions were made decreasing the expenses proportionately.

12) There has been a significant increase in the cost of Parks and Recreation, but no significant increase in revenues.

13) During FY 1977-78, the City received a refund from the Sinking Fund in the amount of $885,818: $665,495 is set up in FY 1978-79 as a Capital Reserve along with $171,044 which was set aside in FY 1977-78 as undesignated. $190,323 has been put in the Water Fund to pay operational expenses for FY 1978-79. (Refer to the statement in the Water Fund Section of this letter, page 19.)

14) The following revenues are anticipated from the County of Buncombe. However, the City Council had requested funding by the County of Buncombe in the amounts indicated in "Exhibit C."

A) $20,000 - McCormick Field Baseball Field Lighting.

B) $50,000 - Improvements to Memorial Stadium.

C) $60,000 - Matching for the Airport Runway Extension (FY 1978-79)

15) I am recommending that all governmental and non-profit agencies pay for garbage collection - estimated income $25,000.

16) We are entering the 1978-79 Fiscal Year with the concept of retaining only $1,000,000 of Fund Balance for City functions during the slow revenue periods. This amounts to about one month's operating costs. The philosophy of not appropriating these funds to operations is a sound fiscal policy for several reasons: Interest earned adds to the revenues and further reduces the need for a tax increase; the policy is favorably considered on the bond market; and we are less likely to have to borrow money during slow periods of cash flow.

arrangement with the City of Asheville to the City of Asheville paying 40% of the cost and the County paying 60% of the cost. This is a net $9,646 decrease in City cost compared to FY 1977-78. However, the cost savings to the City are not too significant due to the increase in total cost of the library functions moving to the new facilities.

3) Timber sales on the watershed produced approximately $75,000 annually for 15 years. However, the harvesting ends as of June 30, 1978, meaning a major revenue loss. Reharvesting cannot occur for 5 to 10 years.

4) The increase in Motor Vehicle City Stickers from $1 to $5 has increased revenues $120,000 annually.

5) For FY 1977-78, the ad valorem tax rate was 97¢ per $100 valuation, one cent (1¢) on the tax rate yielded $63,078 in revenues.

   For FY 1978-79, no ad valorem tax rate increase is budgeted. However, for FY 1978-79, one cent (1¢) on the tax rate will yield $66,044 in revenues. This is due to a slight increase in the tax base and the increase in the estimated percentage of collection.

6) We are anticipating a $16,000 to $20,000 decrease in on and off-street parking revenues due to parking policy changes and business conditions.

7) The 25% increase in Privilege License Tax will produce approximately $30,000 annually in new revenues.

8) While local and state-shared revenues show increases, it is important to note that we are not keeping pace with statewide growth areas. Therefore, we based our budget estimates on North Carolina League of Municipalities Guidelines which caution local governments to consider slow or no growth tax base and population in budgeting revenues.

9) Federal Anti-Recession Fiscal Assistance in past years has been granted based on unemployment in the City. However, since our unemployment rate is improving, we can expect the revenue to decline. In addition, the program is to end September 30, 1978, unless re-enacted by the Congress.

   For example, in FY 1977, we received $229,472; FY 1978 $238,073, and we are projecting receiving only $40,000 in FY 1979.

D) The funds saved will also be used to staff, on a temporary basis, crews to work the fall and spring peak residential cleanup periods.

E) These policy changes should result in much needed and much improved leaf and trash collection, better manpower utilization, and a net savings of $137,000 or 2.1¢ on the tax rate.

2) Funds for the Asheville-Buncombe Community Relations Council RETAINED AT the FY 1977-78 level of $33,857 rather than the $41,804 requested.

3) $3,000 has been INCLUDED for the Civic Center Management Study.

4) NO matching funds have been included for the LEAA School Liaison Program ($23,194).

5) NO secretary has been included for the Revitalization Commission. Cost would be $6,500 plus benefits.

6) NO funds have been included for the Smith McDowell House ($8,333).

7) Plans are to SELL the West Asheville Fire Station and put the funds into the Asheville-Buncombe Revitalization Capital Improvement Fund.

8) In the FY 1977-78 Budget, we authorized that $1,317,993 be used to support General Fund Continuing Operations. This was equivalent to 20.9¢ on the ad valorem tax rate. We have absorbed $762,881 of that amount into the FY 1978-79 General Fund Budget and WITH THE EXCEPTION OF CAPITAL OUTLAY AND THE POLICE/FIRE PENSION FUNDING, WE ARE NO LONGER DEPENDENT ON REVENUE SHARING FUNDS FOR OPERATIONS.

9) Personnel - Even with all of the new activities assumed in the General Fund, we have made several significant decreases in the number of permanent City employees and I can say that we are NO LONGER DEPENDENT UPON FEDERALLY FUNDED POSITIONS TO OPERATE IN CRITICAL CITY SERVICES. This is an extremely important policy decision and one that I am pleased to say that we reached in less than a year.

For example, the Police Department cut 12 positions, the Street and Sanitation Divisions had a net reduction of 20 positions, Facility Services cut 3, the Civic Center

SIGNIFICANT MATTERS PERTAINING TO EXPENDITURES:

In early May, the City Manager and budget staff met with the City Council to review the uncut budget requests of the City staff. At that time, the budget requests were $1,030,574 in excess of anticipated revenues for General Fund Operations, excluding an across-the-board five percent (5%) pay schedule adjustment and $789,388 in excess of Revenue Sharing Revenues for General Fund Capital Expense. The total combined out-of-balance amount being $2,159,962 or over 40¢ on the tax rate. At that time, the City Manager presented a philosophy planning paper to reduce the budget and certain recommended decisions to be made by the City Council. (See Attached "Exhibits A and B") Based on the mutual decisions that have been made regarding these planning papers, the City Manager met with Department and Division Heads to reduce the budget requests to the anticipated revenues without a tax increase and add in the five percent (5%) across-the-board pay schedule adjustment.

The following information represents decisions that have been made by the City Manager with reference to reducing the budget:

1) The most significant change in City services would be that we would begin curbside, residential refuse collection as soon as possible after July 1, 1978. This would eliminate the City Refuse Collectors bringing garbage cans to the curb and setting them back and this would eliminate 18 positions in the Sanitation Division. HOWEVER, A SPECIAL SERVICE FOR HARDSHIP CASES SUCH AS AGE, DISABILITY OR INFIRMITY, WHEN CONFIRMED BY THE SUPERINTENDENT OF SANITATION OR HIS DESIGNEE, WILL BE GRANTED INDIVIDUALS. THE SPECIAL SERVICE MAY CONSIST OF REFUSE RECEPTACLE CARRY OUT OR CARRY BACK UPON APPLICATION.

   My reasons for recommending this change are as follows:

   A) This is one of the only City services that an individual can do for themselves;

   B) It is the rule rather than the exception in reviewing services of other municipalities;

   C) SOME OF THE PERSONNEL SAVED IN THIS SERVICE SHALL BE USED TO MAN A MINIMUM OF SIX (6) LEAF AND BRUSH CREWS TO WORK DAILY.

      This is a service which is drastically needed and a service which most property owners cannot provide for themselves.

G) Increase Coverage in Group Hospitalization - Improvement took place in January 1978 $ 22,000

H) Additional Social Security Coverage from 5.85 to 6.05 $ 40,000

Note: In computing these benefits, we have considered the personnel reduction of over $100,000 in permanent position salaries.

The Parks and Recreation Department will be making greater use of volunteers in their program activities in order to maintain or reduce the number of permanent employees.

Even with all of these changes, it may be necessary to put a freeze on employment sometime during the Fiscal Year.

10) NO funds are budgeted for the Mayor's Committee on Employment of the Handicapped. However, these costs have been absorbed in previous years through providing mail service and some awards without special appropriation ($250).

11) Motor Transport operations will be closed from 8:30 P.M. Friday until 6:00 A.M. Monday - except for emergencies.

12) Gas pumps will be closed from 12:00 Midnight to 5:00 A.M. daily.

13) The Elevator Operator in the City Building has been eliminated from 12:00 Midnight to 4:00 A.M. daily.

14) We have eliminated one (1) janitor position and two (2) elevator operators. In FY 1977-78, we were staffed to operate three (3) elevators all day. However, in fact, we are usually only operating two (2). Therefore, we are reducing the permanent staff to accomplish this change in service.

15) The CIVIC CENTER REQUEST has been REDUCED BY APPROXIMATELY $50,000 FROM THAT WHICH WAS REQUESTED BY THE CIVIC CENTER COMMISSION. ALSO, THE $50,000 FOR BUILDING RESERVE HAS BEEN DELETED.

16) Small amounts of overtime are budgeted in small City Divisions. However, NO OVERTIME IS BUDGETED IN THE STREET AND SANITATION DIVISIONS. We plan to save sufficient funds through attrition to take care of this. However $106,000 WAS ESTIMATED AS BEING NEEDED.

cut 10, and Park Maintenance cut 6.

In some cases, permanent positions were changed to provide temporary salaries in order to obtain a labor pool when it is needed. Therefore, in summary:

FY 1977-78 - 734 positions were authorized in the General Fund, plus 26 CETA positions.

FY 1978-79 - 788 positions were requested.

FY 1978-79 - This General Fund Budget now contains 689 permanent positions and 3 CETA positions.

NO LAYOFF OF FULL-TIME, CERTIFIED CITY EMPLOYEES WILL OCCUR IN THIS PERSONNEL REDUCTION. THIS WILL BE ACCOMPLISHED THROUGH ATTRITION.

This change will also require that any City employee seventy (70) years and older to retire and/or be transferred from permanent City employment to part-time employment. However, we will give these employees preference in part-time employment.

The following are significant employee benefit costs to the City that are contained in this budget:

A)	Five percent (5%) Pay Schedule Adjustment - effective July 1, 1978	$340,000
B)	Adoption of Pay/Performance Evaluation & Bonus Plan (Note: We anticipate that approximately 60% of all employees will go from Step A to Step B sometime during the year.)	$204,000
C)	Position Reallocation - approximately 50 employees affected.	$ 51,000
D)	Pay Grade Adjustment based on 4-City Pay Study - affects approximately 200 employees	$116,000
E)	Longevity Pay - would affect approximately 50% of the employees	$111,000
F)	Increased Life Insurance - From $2,000 to $5,000	$ 18,000

32) The Montford Recreation Center is scheduled for opening September 1, 1978.

33) The Shiloh Recreation Center is not scheduled to open until July 1, 1979.

34) Deleted Tennis Director and Shop Attendants at Aston Park $18,000

35) NO provision for City purchasing the Hayes and Hopson Building has been included.

36) Deleted from the Fire Department request were 34 positions for manning the ladder companies and the Pipefitter Crew to work on fire hydrants. Total cost - $410,000.

37) FUNDS HAVE BEEN INCLUDED FOR INSPECTION OF CITY JOBS AND DUTY OFFICER PROGRAM.

38) The City will request County funding for Memorial Stadium Improvements - ($50,000).

39) Fencing and paving employees parking lot has been included.

40) NO funding has been included for The Opportunity Corporation beyond that which they are receiving from the Community Development Program. (Requested $10,000). THEY ARE CURRENTLY SCHEDULED TO RECEIVE $10,000 IN COMMUNITY DEVELOPMENT FUNDS.

41) NO funds were included for the YMCA Project Youth Outreach - National Youth Project Using Mini-Bikes. (Requested $4,000).

42) NO funds were included for the Red Cross Project at Edgewood Road nor the culvert at Edgewood Road.

43) Special capital improvement for the Airport not included ($3,000) - General Aviation Aircraft use of the Terminal Ramp.

44) NO funds were included for improvements to the City Council Chambers - padded seats cost from $9.50 each to $18 each. No funds for recarpeting City Council area of the Council Chambers - $375.

45) NO funds were included for legal fees associated with implementing a Pornography Ordinance.

17) NOT included in this budget is $22,000 to pave the parking lots at the Airport for the rental car agencies.

18) INCLUDED are funds to hire a STAFF ATTORNEY.

19) Only $100,000 in Contingency Funds are budgeted.

20) The insurance and bonds appropriation is budgeted $100,000 less than FY 1977-78.

21) Funds for the W. N. C. Development Association were RETAINED AT the FY 1977-78 level of $5,000 rather than the $7,500 requested.

22) Funds for Quality Forward were RETAINED AT the FY 1977-78 level of $10,000 rather than the $15,000 requested.

23) NO funding was included for The Health Adventure Program - $10,000.

24) NO additional funds beyond the Tree Trimming Crew was included for The Tree Commission.

25) NO funds were included for changing the pension program for City employees that retired prior to the General Employees Retirement Program being established.

26) NO funds were included for increasing the retiree and survivor benefits in the old Police/Fire Pension Programs.

27) NO funds were included for the Museum Security Alarm System.

28) Funds for the WNC Regional Air Pollution Control were RETAINED AT the FY 1977-78 level of $13,000 rather than the $15,000 requested.

29) The Police Auxiliary was deleted due to the dissolving of the organization ($2,000).

30) While there is no requirement for the Board of Elections this Fiscal Year, there will need to be budgeted next Fiscal Year $20,000 unless there is a statewide vote at the same time.

31) $5,000 has been INCLUDED for the LEASE/PURCHASE OF DEAVERVIEW PARK.

10) Study routes - refuse collection.

11) Study of janitorial and night watchmen services.

12) Study use of a collection agency for collecting doubtful accounts.

13) Study City providing its own rodent and insect control service.

14) Study implementing a new revenue and expense report.

15) Study consolidation of Police/Fire Dispatch.

16) Further implementation of the program to enroll all City employees in the State Retirement Program.

17) Study and implement policies and procedures for on and off-street equipment use.

18) Study policy and procedures for involving local governments in the airport development, financing, and operations.

19) Study implementing a Departmental Bonus Pay Plan for those Departments that either can or have reduced the number of permanent employees and maintained an acceptable level of service.

20) Study insurance risk management.

21) Implement a realistic Affirmative Action Program.

Capital Reserve and General Revenue Sharing Funds

Over the past several years, the City Council has set aside funds for capital improvement projects. Some examples of these types of appropriations are FY 1977-78 $171,044 undesignated; FY 1974-75 $500,000 Operations Complex.

Also, since the establishment of the Federal General Revenue Sharing Program, we have used those funds as the primary source of funds for capital equipment and capital expense. However, each year we have used the General Revenue Sharing Funds more and more for general operating expenses to the point that this year $1,113,740 or 77.6% of our FY 1978-79 entitlement of $1,435,207 is going to general operating expense (Police/Fire Pension) instead of providing funds for capital improvements and capital equipment. The following is a schedule of the proposed use of General Revenue Sharing Funds for FY 1978-79:

46) NO special funds were budgeted for changing our policy related to drainage problems.

47) NO funds were included for changes in the landfill operations.

Management Emphasis - General Funds

In the past 25 years, the City of Asheville has had four (4) City Managers, five (5) Mayors, and more than five (5) City Councils - and each of these individuals and groups brought to their responsibilities the priorities as they perceived them. Economic conditions varied over this 25-year period with no significant improvements being made until the past decade.

In the past decade, the City began to grow rapidly. The economy improved, federal and state grants became more prevalent, and the technology of providing services improved. The City of Asheville kept up well with the changing times and took advantage of almost every outside resource to improve the physical and human needs of the City.

This activity and attention on the part of the management and the policy-makers left little time to change the traditional unwritten internal management policies going on in various departments and almost daily we are even now faced with reacting to the systems and procedures of years gone by. Therefore, in order to fine tune the policies and procedures and the personnel and customer services of this municipal government, I am recommending this year that we concentrate on the following matters:

1) Training - basic adult education, skills, management, and employee orientation.

2) Use of part-time employees during peak work periods during the year.

3) Major construction done through contract.

4) Some reorganization of Department and Division functions.

5) Policy development for internal and external procedures.

6) Emphasis on better customer relations.

7) Placing the emphasis of responsibility for quality of performance and productivity on supervisors at the lowest possible level in the department organization.

8) Major engineering work done through contract.

9) Duty Officer Program developed further and formalized.

The City also received a large amount of money is 1977-78 through a refund of $855,818 from the Sinking Fund Commission. This refund was a result of excess interest and principle payments for general and water related bonds issued. Based on the various bonds involved $190,323 has been allocated to be spent in the water budget and $665,495 is allocated to be spent in the general fund. This is revenue that the City did not expect, is a one-time receipt, and I feel it should be treated as such. Consequently, I am recommending that it be used for capital improvements rather than be included as revenue in the General Fund and used for general routine operations.

Another fund that was created in 1977 was the Asheville-Buncombe Revitalization Improvement Fund. These funds were to be used to stimulate private development.

A summary of all of these funds is contained in "Exhibit F."

I am recommending that we:

1) Continue to phase out our dependency of using General Revenue Sharing Funds for operational expense and that we establish a progressive funding of the Police/Fire Pension with the General Fund revenues;

2) That the refund from the Sinking Fund be used in a capital reserve initially to fund the following activities:

   A) Phase I of the Safety to Life Requirements - Asheville City Building $ 81,000

   B) Repair of storm damage to City streets $150,000

   C) Repair to sidewalks $ 50,000

   D) Additional funds needed for the operations complex (unknown at this time)

   E) Matching airport runway extension (unknown at this time)

   F) Balance to be determined by the City Council after guidelines are established

3) That the $171,044 be added to this capital reserve and appropriated as determined by 2-F above;

4) That some of the guidelines established by the City Council include, but not be limited to:

   A) Funds will not be used for General Operations.

CITY OF ASHEVILLE
FISCAL 1978/79 PROPOSED USE
REVENUE SHARING TRUST FUND

Estimated Revenues	
Federal Revenue Sharing	$1,435,207
Prior Year Surplus	358,471
Other	70,000
	$1,863,942
Proposed Use	
Operations:	
Fire and Police Pensions	$1,113,740
Capital Outlay and One-Time Appropriations:	
Functions:	
Administrative and Support	92,662
Operations	324,271
Public Safety	185,000
Recreation	148,005
	$1,863,678

SIGNIFICANT MATTERS PERTAINING TO REVENUES FOR FY 1978-79

1) In projecting the final expense for FY 1977-78, we anticipate a $125,000 surplus. However, the harsh winter of 1976-77 caused severe damage to the water system and in order to maintain a reasonable level of service to customers with frozen water lines, our expense was in the hundreds of thousands of dollars. Consequently, when the deficits of that year are transferred into FY 1977-78, we show a $206,000 deficit instead of a $125,000 surplus. Furthermore, North Carolina Law requires us to budget this deficit as an expense to be recovered in FY 1978-79.

2) On September 15, 1977, the Sinking Fund Commission refunded $855,818 to the City of Asheville, for interest earned and overpayment relating to various bond issues. It was determined that $190,323 of this amount was generated through water bond related activities. THEREFORE, THIS AMOUNT IS DESIGNATED TO BE USED IN THE WATER FUND. THIS FUND SHOULD BE USED FOR CAPITAL ONE-TIME EXPENSE, BECAUSE IT IS A ONE-TIME REVENUE. HOWEVER, IN ORDER TO BALANCE THE BUDGET WITH EXISTING REVENUES, IT WAS NECESSARY TO USE THE FUNDS FOR GENERAL OPERATIONS. THIS IS NOT A SOUND FINANCE POLICY AND SHOULD BE RECONSIDERED.

3) County participation is providing assistance to general maintenance at the same level as the existing water agreement which ends June 30, 1978. This amount is $350,000 and has been that amount for the two (2) previous years. The City Council requested that this amount be increased to $400,000 for FY 1978-79 and that the water agreement be continued for one (1) year. This was approved by the County Commissioners on May 30, 1978. We estimate that County maintenance and repair expense will be $406,621 for FY 1978-79 and the departmental requested amount for FY 1978-79 before cuts were made, was $487,208.

4) Revenues reflect $99,000 in one-time federal grant recoveries from the 1977 November Flood. However, our actual expense related to that flood was more than double that amount.

5) Final payment has been received on the sale of the Fletcher Water System to the City of Hendersonville. This is a revenue loss of $40,000 annually that has been used for operations. Funds received for the sale of fixed assets in the future should not be used for operations. They should be used for capital improvements.

6) For several years, the Water Department has done construction services for various federal grant programs. However, these programs are nearing completion and this source of revenue will be approximately one-half that which it was in FY 1977-78.

B) Funds will be used for items that result in saving general operating expense.

C) Funds not be used for routine capital equipment.

D) Funds could be used to match federal grants whenever possible.

E) That future funds from the sale of fixed assets be placed either into this fund or into the Asheville-Buncombe Revitalization Improvement Fund or into the Capital Reserve Fund.

WATER FUND

The Water Fund operates on revenues from fees and charges, contributions from the City and County of Buncombe for maintenance and capital improvements, Federal and State Grants and Bond Funds approved by the residents of the City of Asheville.

The Water Fund has been balanced showing no new revenues, although the need for additional revenues for maintenance and capital improvements is absolutely necessary. In the event that the City Council wishes to increase revenues for some water fund activities, consideration could be given to the following revenue sources:

1) Increase water rates.

2) Request that the County of Buncombe contribute to the deficit for 1976-77 due to the fact that the larger precentage of people affected by the freeze were individuals that lived outside the City Limits.

3) Increase tap fees.

4) Increase efforts to collect old accounts - turn delinquent accounts over to a collection agency.

5) Bi-monthly water billing.

6) Repeal of the Sullivan Act.

7) Increase charges to MSD.

8) Request from the County additional funds for lowering water lines.

9) Surcharge for pumping water.

10) Surcharge for hydrants.

9) The new filtration plant will be in full operation in FY 1978-79, therefore, utility costs and chemical costs will increase considerably.

10) The Water Study will be completed during the Fiscal Year. However, there are no funds for implementing significant new activities this Fiscal Year.

11) The same personnel benefits considered for City employees listed on page 10 have been included for Water Department employees.

MANAGEMENT EMPHASIS - WATER DEPARTMENT

Management emphasis in the Water Department shall be in the following areas this Fiscal Year:

1) Training - basic adult education, skills, management, and employee orientation.

2) Use of part-time employees during peak work periods during the year.

3) Institution of an inspection program of City work.

4) Major engineering work done through contract.

5) Major construction done through contract.

6) Duty Officer Program developed further and formalized.

7) Reorganization of the Department and service areas.

8) Completion of The Water Study.

9) Consideration of a sewer maintenance and policy study.

10) Policy development for internal and external procedures.

11) Emphasis on better customer relations.

12) Centralizing all meter service functions.

13) Placing the emphasis of responsibility for quality of performance and productivity on supervisors at the lowest possible level in the departmental organization.

SUMMARY

No budget is easy and no budget should be final - it should be viewed as the general plan of activity for the year indicated - capable of adjusting reasonably to the unexpected, with the overall expense and

7) The Water Fund also provides the Citywide functions of engineering and after-duty hours contact with the public. In turn, the Water Department charges other City Departments and Divisions for services rendered.

WATER FUND

SIGNIFICANT MATTERS PERTAINING TO EXPENSES

The expense side of this budget is very tight and leaves no room for the unanticipated types of problems that can happen during the Fiscal Year. Some of the more significant expenses are:

1) As a part of improving the quality of work performed, two (2) additional inspectors have been budgeted to inspect City work in the Water and Street Department.

2) Recommended operational expenditures for 1978-79 are only 1.3% greater than the budget estimate for FY 1977-78.

3) The departmental request for FY 1978-79 was $5,580,898. Approximately $600,000 was cut to balance the budget. These cuts were primarily capital equipment and personnel. For example, the full-time authorized personnel strength for FY 1977-78 was 213, the request for FY 1978-79 was 220. The budgeted positions recommended at this time are 195. THIS WILL BE ACHIEVED WITH NO LAYOFFS AND THROUGH THE USE OF PART-TIME EMPLOYEES.

4) There is no dependency in the Water Department on federally funded positions.

5) No significant funds are being placed in the construction program for this year, with the exception of the meter change-out program which is revenue producing, although there is a total of approximately half-million water and sewer improvements requested within the City Limits and over one million in water line improvements outside the City Limits.

6) The Water Department assumed the entire one-time cost of the major water study, a total of $134,522 for 1977-78 and 1978-79, of which $84,522 is budgeted for FY 1978-79.

7) The Duty Officer Program was started during the winter of 1978. This program serves all City functions after regular working hours, weekends, and holidays. The program has significantly cut overtime expenses and improved public relations since its inception.

8) Placing funds into water operations activities is significantly hampered by the fact that 20% of the Water Department Budget is designated to debt service. Also, due to prior funding decisions, insufficient funds have been appropriated to adequately maintain the water system.

9. Avoidance of deficit spending.

10. Maintenance of a Capital Reserve Fund.

11. Emphasis on service to employees and the public.

12. Reducing the cost of on and off-street equipment operations.

"EXHIBIT A"

CITY MANAGER'S PHILOSOPHY IN APPROACHING THE REDUCTION OF THE BUDGET REQUESTS FOR 1978-79

1. Emphasis on providing management tools and improving general administration.

   A. Personnel services becoming more personal.

   B. Pay incentives and benefits improved (lost time annual leave).

   C. Data Processing equipment improved.

   D. Training - Basic adult education, skills, management.

2. Use federal funded sources for one-time capital expense activities to the extent allowable.

   A. Hazel Mill Bridge and Chestnut Street Viaduct.

3. Program inspection of City work.

4. Moving away from the dependency on federally funded positions which are critical to operations.

5. Moving to rid ourselves of the dependency on Revenue Sharing Funds for supporting General Fund Operations.

6. Further development of an Operations Complex.

7. Decision not to fund any new outside programs or increase the funding for any existing program.

8. Re-analysis of employee needs:

   A. Eliminating unnecessary positions.

   B. Labor shifts to meet peak demands.

   C. Changing some permanent positions to part-time.

   D. Consolidating some functions:

      1. Dispatching

      2. Night Watchmen

      3. Janitorial Service

MEMORANDUM TO: The Buncombe County Commissioners

FROM: The Asheville City Council

DATE: May 2, 1978

SUBJECT: Funding of Projects and Activities Which Benefit Residents of Buncombe County

In recent months, we have accomplished numerous improvements in City/County cooperative efforts and our goal in each instance has been the welfare and improvement of services to all of the residents of Buncombe County. The purposes of this memorandum are:

1) To itemize the various projects and activities that benefit all of the residents of Buncombe County which are not funded in whole or in part by the City of Asheville; and

2) To indicate which projects and activities we would like the County Commissioners to consider increased or the entire funding of based on the benefit of the project or activity to all of the residents of Buncombe County; and

3) To indicate projects and activities which are countywide in scope and service and of such special service to the City of Asheville that we feel a continued commitment to fund.

In listing these projects and activities, the City Council of the City of Asheville fully realizes the budgetary constraints of the County and although there are some projects and activities indicated that we would like to see accomplished this year, we provide this as information on the basis that we don't expect everything and these will have to transition on a "Do what you can basis."

"EXHIBIT B"

CITY COUNCIL DECISIONS NEEDED REGARDING REDUCING THE BUDGET REQUESTS FOR 1978-79

1. Is there general agreement with the City Manager's approach?
2. Do you want a budget presented June 1, 1978, showing a balanced budget with no tax increase?
3. Personnel
   A. Bonus for 1977-78 - $200 each for evaluation of "Outstanding."
   B. Decision to go with 4-City Pay Study..
   C. Decision to go with $5,000 or $8,000 Group Life.
   D. Decision regarding minimum wage.
   E. Decision regarding pay plan - bonus plan and scale adjustment.
4. Decision on changing City Council salaries, travel, 4-year term.
5. Amount of money to expect from the County.
6. Purchase of Hayes and Hopson Building.
7. Funds for League of Municipalities Convention.
8. State Franchise Tax on Water Fund.
9. Service Cuts - garbage can set back.
10. Street resurfacing list.
11. Sidewalk repair program.
12. Funds for Deaverview Park Purchase.
13. Use of Pack Library Building.
14. Use of West Asheville Fire Station.
15. Tree Commission.
16. Read budget only one (1) time rather than three (3) separate readings as in the past (continue public hearing).
17. Specific Department or Division Heads to meet with.
18. School Liaison Program.

ACTIVITY	1977/78 BUDGET	CITY TAX RATE VALUE (1)	PRELIMINARY 1978/79 BUDGET	CITY TAX RATE VALUE (1)	ASSOCIATED REVENUES	COMMENTS
Civic Center	$675,091	10.70¢	$707,985	11.22¢	$437,065	There are certain activities at the Civic Center - Art Museum, Colburn Mineral Museum, Civic Arts Council, Symphony, etc. that we provide assistance through actual funding or in-kind services.
Airport	$529,324	8.39¢	$429,394	6.81¢	$468,000	General operations of the Airport do not need financial assistance. However, capital improvements which cannot be federally funded or need cash match for a federal grant are the needed items. We appreciate the extra comments by the Commissioners for the runway extension and we would hope that consideration would be given to jointly committing to complete the runway in 1978-79 - plus a continuing annual contribution of $40,000 for general capital improvements. For example, these funds could go to install the sewer line which would benefit a broad area of the County.
Chamber of Commerce	$ 80,000	1.27¢	$ 80,000	1.27¢	- 0 -	We suggest that both the City and the County detail budget expense for specific services to be rendered.
Asheville-Buncombe ID Bureau	$ 18,000	.29¢	$ 20,000	.32¢	- 0 -	No Change

During the Summer of 1974, the Contractor experienced a cash flow problem which resulted in liens being placed by material suppliers and subcontractors in the approximate amount of $300,000.00.

In September of 1974, the City of Asheville and Ranger Construction Co. signed Change Order 13 which provided that from the approximately $600,000.00 remaining in the contract, $200,000.00 would be paid to material suppliers and subcontractors to satisfy liens. The remaining $400,000.00 would be paid to material suppliers and subcontractors to complete the work. This agreement contemplated that Ranger would provide all labor and overhead not subcontracted for, which was required to complete the contract.

Change Order 13 also provided that the work in the arena be completed by November 15, 1974, and that the work in the auditorium be completed by December 31, 1974. If these dates were not met, Ranger agreed to pay the City $500.00 per day as liquidated damages for each portion of the building.

As stated above, the City occupied the arena level in June of 1974 for the Bob Hope Show.

Ranger's work continued in the new construction under the terms of Change Order 13 and the City occupied the Exhibition Level in November of 1974, and the Banquet Room in April of 1975 for the Art Auction.

In May of 1975, the work in the new construction was sufficiently complete to allow the Architects to prepare a punch list on that portion of the work. A 96 page punch list was delivered to the contractor on May 22, 1975.

Little work was performed by Ranger in the existing auditorium until the arena was completed to the punch list stage.

During the Spring, Summer and Fall of 1975, Ranger continued work in the existing auditorium. Ranger's work in the auditorium was encumbered by many factors. The delivery date for the steel for the auditorium floor was substantially delayed. The City had six other prime contractors performing contracts on the Mechanical Sys Electrical System, Seating, Sound System, Acoustical Ceiling elements and loading dock, Ranger having no control of this work. The Art Museum area was flooded in May of 1975, due to work by other contractors. The City asked Ranger to perform necessary extra work such as the rebuilding of the parapet at the stage fly loft. Ranger had problems with material delivery due to a poor credit situation resulting from publicity associated with the contract.

Ranger completed the work in the auditorium in October of 1975 to the extent to allow a punch list to be made, and allowed the owner to occupy the auditorium on December 11, 1975 for the performance of the North Carolina Symphony.

Little work had been performed in the Arena on the 96 page punch list until after the auditorium had been completed in January of 1976. Ranger continued work

Thursday - June 8, 1978 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen Gene E. Rainey, F. Jack Cole, Otis B. Michael, Ralph D. Morris, Jr., Corporation Counsel William C. Moore, City Manager K. M. Michalove, Acting City Clerk Carol Hensley.

Absent: Associate City Manager/City Clerk William F. Wolcott, Jr.

INVOCATION

Councilman Rainey introduced Rev. Bob Hawkins, Minister of East Chestnut Church of Christ, who gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the June 1, 1978 meeting.

Upon motion of Vice-Mayor Horton, seconded by Councilwoman Price, the minutes of the June 8, 1978 meeting were approved as submitted.

RESOLUTION NO. 78-121 - RESOLUTION AUTHORIZING SETTLEMENT WITH BALLENGER CONSTRUCTION COMPANY, SUCCESSOR TO RANGER CONSTRUCTION COMPANY FOR WORK ON THE ASHEVILLE CIVIC CENTER AND ACCEPTANCE OF THE CIVIC CENTER

2. Consideration was given to a resolution authorizing settlement with Ballenger Construction Company, successor to Ranger Construction Company for work on the Asheville Civic Center and acceptance of the Civic Center.

Mayor Trantham commented that the Asheville Civic Center construction process had begun in 1968. He recognized former Mayors Eller, Montgomery, Wood and Ochsenreiter for their input to the Civic Center.

John Cort of Wood and Cort, architects for the Asheville Civic Center, read the following report regarding the construction of the Civic Center:

ASHEVILLE CIVIC CENTER

REPORT TO CITY COUNCIL CONCERNING THE STATUS OF THE CONTRACT WITH RANGER CONST. CO.

As requested by Mr. Kenneth Michalove, Asheville City Manager, we will set forth below a brief chronology of the progress of the construction since June 1974, and state what the present status of the contract is with Ranger Construction Co.

The original completion date for the new construction was in June 1974. The work was not complete on that date, however, the contractor agreed to allow the owner to occupy the building for the Bob Hope Show and the owner has had continuous occupancy of various portions of the building since that time.

ASHEVILLE CIVIC CENTER REPORT: (continued)

Stafford's report of June 24, 1977 was reviewed by the Architects and the methods of correction were agreed upon.

Work on the roofs began in the Summer and Fall of 1977 and was completed in December of 1977. Extensive repairs were made to the arena roof and the roof on the existing auditorium was completely replaced. The total cost of the roof repairs was paid for by Ballenger. The cost of these repairs was approximately $100,000.00. All portions of the roofs for both buildings now have a 20 year roof bond.

Once all roofing work had been completed, discussions could resume concerning "Selling" the March 15, 1976 punch list.

During 1977, the City employed a professional construction estimator to make a detailed estimate of the value of the work remaining to be done as outlined in the March 15 punch list.

Ballenger also made a detailed estimate of the value of the March 15 punch list

On December 6, 1977, representatives of Ballenger and representatives of the City met and compared estimates. The estimates varied so greatly that no "Selling Price" could be agreed upon, so Ballenger elected to complete the work.

Ballenger began work in January 1978, and continued this work through April of 1978, expending approximately $55,000.00 of their funds for the completion of the work.

Prior to Ballenger completing the punch list work, the City Council was advise that the Architects and management of the Civic Center recommended that certain items of work such as repainting the arena ceiling, be left undone, due to the fact that this would disrupt operations. It was recommended to the City Council that an equitable credit be received for this work and the work performed by the City at its convenience. The Council agreed with this recommendation and instructed its representatives to negotiate a price for deleting this work from the contract.

On April 26, representatives of the City met with representatives of Ballenger, and a negotiated price of $7,073.00 was agreed upon for the value of the work which

on the punch list items and in March asked for another inspection of the entire project.

An inspection was made which resulted in a 37 page punch list dated March 15, 1976, being compiled by the Architects.

After the March 15, 1976 punch list was delivered to the Contractor, Ranger asked that time be given to evaluate the work remaining to be done with respect to Ranger paying the City for work contained in the punch list, rather than completing the work.

Mr. Howard Gleason, Vice President of Ranger, in his letter of June 18, 1976, proposed that the City retain and use for the completion of the work $15,000.00 of the contract funds and pay over the balance to Ranger.

The Architects evaluated the work remaining to be done and in November of 1976, Ranger was advised that all roofing corrections must be performed by Ranger, since this work was guaranteed under a roofing bond. The Architects expressed the opinion that the remainder of the work could be "Sold" since the work could be performed by another General Contractor, or by the City's forces during normal maintenance operations. Some work could be left undone due to the fact that work such as repainting the ceiling of the arena would disrupt operations. If work were left undone, an equitable credit would be received.

Ranger was advised that the "Selling" of the punch list would only be discussed after all roofing correction work had been completed by Ranger.

During the Spring of 1977, Ranger's management changed, and the firm was restructured as the Ballenger Corporation. With the restructuring of Ranger, it was evident that positive steps were being taken to complete the contract.

In May of 1977, Ballenger employed the roofing consulting firm of Robert M. Stafford, Inc., professional engineers to recommend corrective action for the arena roof and the auditorium roof.

Corporation Counsel Moore said he had been in negotiations with Ranger's attorney, along with Mr. John Cort, architect and Associate Corporate Counsel Harold Bennett and have agreed upon terms of a settlement whereby the total 324 days overrun in time shall be reduced by 157 days to a total of 167 days for which overrun liquidated damages at the rate of $500 per day shall be assessed against Ranger, for a total of $83,500 when added to the sum of $162,000 which was expended by Ranger for work performed or credited to the City, make a total in work and money received from Ranger since January 1977 of $245,500. He said Ranger Construction Company expended $991,774.16 more than was received by it on the contract as modified by change orders. He said he felt this was a fair settlement.

The City Manager read the resolution.

Councilman Rainey said he was satisfied that the City has the best arrangement for the Civic Center. He said the City would break even with the penalties paid because of high legal and architectural fees.

Vice-Mayor Horton also said he was satisfied with the outcome of the negotiations. He commended Corporate Counsel William C. Moore, Associate Corporte Counsel Harold Bennett and Architect John Cort for their patience and perseverance.

Upon motion of Vice-Mayor Horton, seconded by Councilman Cole, Resolution No. 78-121 was unanimously adopted.

Eugene C. Ochsenreiter,Jr., former Mayor, said the construction cost of the Civic Center was less that $9 million and today it would appraise for more than $15 million.

Complete text of Resolution No. 78-121 will be found in Resolution Book No. 10 at page 281.

PUBLIC HEARING - WORDING AMENDMENT-ZONING ORDINANCE - PUBLIC UTILITIES, TRANSMISSION LINES AND UTILITY SUBSTATIONS

ORDINANCE NO. 1060 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED

3. A public hearing was held relative to wording amendment to Asheville Zoning Ordinance regarding Public Utilities, Transmission Lines and Utility Substations.

Mayor Tranthum opened the public hearing at 3:30 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Planning and Zoning Commission, on May 3, 1978, voted to approve amending the allowable uses for each of the 12 established separate zoning districts described in Article 5 of the Asheville zoning Ordinance #322 by including the following: "public utilities, transmission lines and utility substations (subject to the conditions of the Group Development Review provided for in the ordinance). He said this was a follow-up on action taken by City Council on April 27 to include public utilities, transmission lines and utility substations in the definitions in the Zoning Ordinance.

was to be left undone. This figure takes into account extra work performed by Ballenger correcting some maintenance items while performing punch list work. Also, taken into consideration was the punch list work performed by the City during its regular maintenance operations.

A summary of the approximate value of the work performed by Ballenger, or credited to the City, since the Summer of 1977, is as follows:

Roofing Repairs	$100,000.00
Punch List Corrections	55,000.00
Credit for Work left undone	7,000.00
Total Value of Work	$162,000.00

Present Status of the Contract:

As mentioned above, over the past four years, Ballenger has performed extra miscellaneous work such as rebuilding the parapet at the auditorium fly loft, and is due $2,112.65 for the performance of that work. Also, mentioned above, work such as repainting the arena ceiling, is to be deleted from the contract and the City is due a credit of $7,073.00 for this deletion. Change Order 14, deductiong the amount of $4,960.35 from the contract is to be executed by Ballenger and the City in order to reflect these changes in the contract.

Once Change Order 14 has been executed by the owner and the contractor, the Architects can state that in their opinion, ALL WORK UNDER THE CONTRACT IS NOW COMPLETE IN ACCORDANCE WITH THE CONTRACT DOCUMENTS.

Liquidated Damages:

Liquidated damages are not included in this report. A summary of the provisions of the contract with respect to liquidated damages will be presented by the City Attorney.

If you have further questions concerning the status of the work, please feel free to call on us.

Respectfully submitted,
WOOD AND CORT, P.A.

PUBLIC HEARING - URBAN DEVELOPMENT ACTION GRANT PROGRAM TO REVITALIZE THE EAGLE-MARKET STREET AREA

RESOLUTION NO. 78-122- RESOLUTION AUTHORIZING SUBMISSION OF AN APPLICATION TO THE DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT THROUGH THE URBAN DEVELOPMENT ACTION GRANT PROGRAM

5. A public hearing was held to approve the application for an Urban Development Action Grant program to revitalize the Eagle-Market Street area.

Mayor Trantham opened the public hearing at 3:48 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the revitalization of the Eagle-Market Street area evolves from the Community Development Block Grant in an effort to include the project in the Urban Development Action Grant Project. He said the proposed development would take place within a prescribed geographical area lying between Census Tracts 1 and 7 (bordered on the west by Biltmore Avenue, on the east by Valley Street, on the north by Marjorie Street and Pack Square and on the south by Beaumont Street). He said the project includes the improvement of streets, sidewalks, water, sewer, and drainage lines, grading, demolition, underground wiring and related public facility improvements to attract new private development. He said recipients of funds for public works improvements will be local contractors receiving construction contracts through normal bid procedures. Indirect recipients would be those residents and businesses located in the project area.

Mr. Emrick said the funding would also be utilized to subsidize interest rates for construction and business loans and to reduce land costs for new construction projects.

Mr. Emrick said neighborhood renewal activities are planned to take place immediately east of the project with the East End/Valley Street Area Project, and commercial revitalization activities are being planned for the central business district located to the immediate northwest of the project area. The UDAG project will therefore support and augment improvements planned to take place in close proximity.

Mr. Ermick said the total project would amount to $19,910,070 with the City requesting approximatley $4 million from the UDAG funding and $12 million will come from private commitments. He said the local lending institutions have set aside funds for low interest loans for business and operational loans in the project area. He said several activities to attract private investment will be initiated. He said letters of commitment have been received from nine (9) businesses that will be constructing new commerical facilities or renovating existing structires.

By the use of a map, Mr. Emrick reviewed the location of the Eagle-Market Street area. He also reviewed the soundness of the existing buildings in the area.

Logan Delany, Community Development Coordinator, said the project would enhance the Downtown Revitalization efforts. He said the project would provide leverage to attract private investment in the blighted area. He said the project would also increase the tax base of the City by $88,000 to $90,000 per year.

Councilman Michael said it would be his hope that minorities would be given every opportunity in the project. He said he would be monitoring the program from the beginning.

Mayor Trantham closed the public hearing at 3:35 p. m.

The City Manager read the ordinance.

Councilwoman Price moved for the adoption of Ordinance No. 1060. This motion was seconded by Councilman Cole.

During the discussion, Councilwoman Price suggested including transmission lines as a conditional use in the residential areas.

Mr. Emrick said a separate ordinance would be forthcoming to cover the requirements of transmission lines that encroach upon the city's rights-of-way. He said the ordinance would set specific standards for transmission lines.

On a roll call vote of 6-0, Ordinance No. 1060 passed on first reading.

PUBLIC HEARING - WORDING AMENDMENT - ZONING ORDINANCE - MINIMUM PARKING REQUIREMENTS FOR MINATURE GOLF COURSES

ORDINANCE NO. 1061- AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED.

4. A public hearing was held relative to wording amendment to Asheville Zoning Ordinance regarding Section 30-3-11, G. Minimum Parking Requirements for Miniature Golf Courses.

Mayor Trantham opened the public hearing at 3:43 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said at the May 3, 1978 meeting of the Planning and Zoning Commission, the staff pointed out that the Asheville Zoning Ordinance does not set forth off-street parking requirements for miniature golf courses, other than those applicable to outdoor commercial recreation activities. After discussion, the Commission voted to recommend to City Council that Section 30-3-11, G, Minimum Parking Requirements be amended to include the following category in Retail and Other Commercial: "Miniature Golf Courses - One (1) space for each one (1) tee.

Mayor Trantham closed the public hearing at 3:45 p. m.

The City Manager read the ordinance.

Councilman Morris moved for the adoption of Ordinance No. 1061. This motion was seconded by Councilwoman Price.

On a roll call vote of 6-0, Ordinance No. 1061 passed on first reading.

ORDINANCE NO. 1057 - AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THE DWELLING HOUSE KNOWN AS 49 WEST CHESTNUT STREET

7. Consideration was given to the second reading of Ordinance No. 1057, an ordinance directing the Housing Officer to demolish the dwelling house known as 49 West Chestnut Street.

Mayor Trantham advised that this ordinance was previously read on first reading and it would not be re-read in its entirety unless there is a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1057 passed on second reading.

APPROVAL OF THE CONSENT AGENDA

8. The City Manager explained that the items on the consent agenda are of a routine nature and have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council and/or a member of the City staff any single item scheduled for approval on the consent agenda may be considered separately.

A. Resolution No. 78-123 - Resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Huntley Construction Company for the project known as Appalachian Way Area Water Improvements.

HIGHLIGHTS: Bids were received on May 25, 1978 for the Appalachian Way Area Water Improvement Project.

The bids are as follows:

Huntley Construction Company	$249,481.50
Taylor and Murphy Construction Co.	330,566.03
Hobson Construction Company	317,229.75
Joyce Construction Company	324,132.90

Recommendation of low bid, Huntley Construction Company, in the amount of $249,481.50.

Resolution Book No. 10 Page 285 .

B. Resolution No. 78-124 - Resolution requesting changes in North Carolina Department of Transportation/City of Asheville road maintenance and signing responsibilities.

HIGHLIGHTS: The City and the North Carolina Department of Transportation have discovered several changes, on certain streets and highways in Asheville which are designated as State Highways and secondary roads, which would improve the system.

Resolution Book No. 10 Page 286 .

Mayor Trantham closed the public hearing at 4:17 p. m.

The City Manager read the resolution.

Upon motion of Councilman Rainey, seconded by Councilwoman Price, Resolution No. 78-122 was unanimously adopted.

Complete text of Resolution No. 78-122 will be found in Resolution Book No. 10 at page 283 .

ORDINANCE NO. _____ - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED. (Rezoning property on New Leicester Highway from R-3 Residential District to CS Commercial Service District)

6. Consideration was given to an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended rezoning property on New Leicester Highwy from R-3 Residential District to CS Commercial Service District, property owned by Mr. Reuben Caldwell, Mr. and Mrs. Clyde Ayers, Mr. and Mrs. D. J. Graham and Ms. Mildred B. Fenner.

Mayor Trantham said the ordinance was previously read by the City Manager and a public hearing was held on the matter at the June 1, 1978 meeting and it would not be re-read in its entirety unless there was a specific request to do so. He said the ordinance was tabled for one week on June 1, 1978.

Verl Emrick, Planning Director, again reviewed the recommendation of the Planning and Zoning Commission to deny the rezoning petition.

William Greene, attorney representing Reuben Caldwell, again spoke in favor of the rezoning request. He reviewed a map showing the residents that adjoin the property in question.

Bill Clendenin, representing Mr. Clyde Ayers, said Mr. Ayers is proposing to amend his request to rezone only 200' off of New Leicester Hihgway to Commercial Service District. He said this would leave the back of Mr. Ayers property residential for the protection of the residents on Westwood Drive. He said Mr. Ayers said he would also provide a buffer of white pines across the west side and in the back of the property.

Mrs. Cecil Roberts, 16 Westwood Drive, again strongly objected to the rezoning request.

Jerry Metcalf, owner of Lot 36-1/4, spoke in favor of the rezoning request.

Bob Thompson, Westwood Drive, spoke in opposition to the rezoning.

Linda Jarvis, Westwood Drive, spoke in opposition to the rezoning.

After discussion, the City Manager said when the ordinance was first read on June 1, 1978 Lot #36 was inadvertently left off.

Councilman Michael moved to include Lot #36 in the ordinance. This motion was seconded by Vice-Mayor Horton and carried unanimously.

Mayor Trantham then called for a motion for the adoption of the ordinance.

The ordinance died for the lack of a motion for adoption.

ASHEVILLE REVITALIZATION COMMISSION RESOLUTION

The City Manager read a resolution adopted by the Asheville Revitalization Commission which approves the proposed strategy for revitalization of central Asheville and recommends to City Council the adoption of the Asheville Revitalization Plan. The Commission also urged that all parties involved in the implementation of the plan commit their full moral and financial support to its success so that the economic stability of the project area as well as the remaining community might be achieved.

Verl Emrick, Planning Director, said the Commission suggested that Council schedule a public hearing on the plan to discuss the specifics of the plan.

After discussion, Councilwoman Price moved to schedule a public hearing for July 13, 1978 to discuss the specifics of the Asheville Revitalization Plan. This motion was seconded by Councilman Morris and carried unanimously.

POLICE/FIRE PENSION - REQUEST FOR INCREASE

Ronald Brown, attorney representing the retired policemen and firemen of Asheville, requested that the Council consider increasing the pension checks for the retired policemen and firemen whenever city employees receive salary increases. He said the pension plan now in effect for the retired officers does not include any method of increasing the amount of the monthly check.

Mr. Brown suggested that Council request the Board of Trustees for both pension funds to make a study of the situation.

After discussion, Council agreed to meet with the Board of Trustees of both pension funds and H. Gray Hutchinson, the city's actuary, to determine what can be done.

LIVINGSTON STREET RECREATION CENTER DIRECTOR

Mr. Lonnie Burton, representing the East Riverside Residents Association, requested that Council make some decision for providing Livingston Street Recreation Center with a director. He said the YMCA and the Parks and Recreation Advisory Board had been some five months trying to reach an acceptable agreement. He said the Center is in need now for someone qualified to operate and organize the Center.

The City Manager suggested that the City could move ahead with furnishing an interim director until the arrangements with the YMCA could be finalized.

Osborne Hart said he did not feel the residents of the East Riverside Community would be satisfied with an interim director. He said an interim director would not devote as much attention to the Center as a full time director. He said Council should make the decision immediately.

Lonnie Gilliam spoke in support of Council making a decision on the director for the Center.

C. Resolution No. 78-125 - Resolution authorizing repair of eight inch waterline.

HIGHLIGHTS: An eight inch main feeder line from North Fork has blown out and is not in service and the cost of repairing the line is eligible as an expenditure in the Major Water Capital Improvements Fund. Funds are available in the Major Water Capital Improvements Fund sufficient to pay for this repair.

Resolution Book No. 10 Page 288 .

C. Resolution No. 78-126 - Resolution approving a contract between Butler Associates, P. A. and the Community Development Division of the City of Asheville for professional services.

HIGHLIGHTS: It is necessary to comply with HUD environmental and time requirements for the UDAG project. Funds to support the requirements are available in the City's CDBG Citizens Participation Program.

Resolution Book No. 10 page 289 .

Upon motion of Vice-Mayor Horton, seconded by Councilman Rainey, the consent agenda was approved.

AVIATION ADVISORY COMMITTEE

Mayor Trantham said the following individuals would be members of the Aviation Advisory Committee:

Eugene C. Ochsenreiter, Jr. - Chairman
Councilman Otis B. Michael
Councilwoman Norma T. Price
Councilman F. Jack Cole
Commissioner Zeb Sheppard
Commissioner Bill Oglesby

He said the specific responsibilities for the committee would be setforth in the next two (2) or three (3) weeks.

CLAIM - GEORGE SELF

The City Manager presented a claim received from Mr. George Self from Self-Sluder Advertising, Inc.

Mayor Trantham referred the claim to the Corporation Counsel for investigation and recommendation.

Thursday - June 15, 1978 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilmen Gene E. Rainey, F. Jack Cole, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilwoman Norma T. Price, Councilman Otis B. Michael, and Councilman Ralph D. Morris, Jr.

INVOCATION

Councilman F. Jack Cole gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the June 8, 1978 meeting.

Upon motion of Councilman Cole, seconded by Councilman Rainey, the minutes of the June 15, 1978 meeting were approved as submitted.

The City Manager, upon questioning of Vice-Mayor Horton, said a meeting has tentatively been scheduled for June 20, 1978 to meet with Mr. H. Gray Hutchinson, the city's actuary, to discuss the policemen and firemen pension fund. He also announced that William Fulp has been appointed interim director of the Livingston Street Recreation Center until further action is taken by the city Parks and Recreation Advisory Board.

PUBLIC HEARING - REVISION OF THE CITY SANITATION CODE

ORDINANCE NO. 1062 - AN ORDINANCE REVISING THE SANITATION CODE OF THE CITY OF ASHEVILLE

2. A public hearing was held relative to a revision of the City Sanitation Code.

Mayor Trantham opened the public hearing at 3:10 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

The City Manager said this ordinance involves a change in the Sanitation and Litter Control Code, which was developed by a number of volunteers.

Mrs. Kay Crews, Co-Chairman of Clean Community Systems, read the following statement providing a clarification of the major changes in the present Sanitation Code:

After discussion, Councilwoman Price moved that the City Manager move ahead in negotiations with the YMCA to give Mr. Woodard, the proposed director, a leave of absence from the YMCA, to be an Interim Director of the Livingston Street Recreation Center until arrangements could be finalized with the YMCA. This motion was seconded by Councilman Cole and carried unanimously.

Mr. Hart said he did not think this approach would work. He recommended that Council try the proposal presented by the YMCA.

Ray Lyles of the East Riverside Residents Association also encouraged Council to move ahead with providing a director for the Center.

Council agreed to discuss the matter during the City Council Tuesday work session.

Adjournment.

MAYOR

CITY CLERK

This ordinance provides for more specific guidelines concerning pre-collection, collection and post-collection, household furniture and appliances, storage of refuse and trash, scattering of refuse and litter and provision for free collection of tree trimmings, leaves and brush for residential collection when pre-collection requirements as set forth in the ordinance are met.

This ordinance specifically addresses efficient storage and removal refuse from of commercial and institutional establishments, and sets forth such type of establishment for the first time as a category. It gives the Superintendent of the Division of Sanitation the specific authority to establish, at his discretion, schedules and to specify the type of equipment and service to be given including refuse receptacles and bulk containers.

This Ordinance gives the Division of Inspections the responsibility to review the method and location of refuse storage for collection for new commercial buildings or extensive renovations to existing buildings.

Highlights

CLEAN COMMUNITY SYSTEM
REVISED SANITATION ORDINANCE

The Clean Community System Board and Government Committee has reviewed the existing City Sanitation Code and presents the new code involving the following areas of reenforcement and revision:

This ordinance specifically prohibits littering or allowing litter to accumulate on private or public property.

This ordinance contains a comprehensive list of definitions and practices addressing today's solid waste management which includes all types of receptacles, containers and equipment. The 1948 City Sanitation Code defines only three (3) items of refuse and one (1) type of refuse receptacle.

This ordinance establishes lines of administrative responsibility and legal enforcement for the ordinance to the Division of Sanitation and Division of Inspections.

This ordinance addresses itself to the potential hazards to refuse haulers and to the public in general by setting forth health and safety requirements concerning solid waste management, refuse, refuse receptacles and handling of refuse.

Mrs. Crews also read highlights of the proposed ordinance. She said the ordinance was not intended to place a burden on businesses or homeowners but to increase the productivity of the Sanitation Department and to decrease manpower cost.

Mrs. Jean Webb, Chairman of the Clean Community Systems and Kay Crews answered general questions from members of Council.

During the discussion, Councilman Rainey suggested that the following be considered at a Council work session: 1) That homeowners use a maximum of two (2) plastic bags, to be purchased at the homeowner's expense; 2) For those residents requiring more than two (2) bags, that they be required to purchase a rollout container from the City at cost.

After discussion, Mayor Trantham closed the public hearing at 3:45 p. m.

The City Manager read the ordinance.

Councilman Rainey moved for the adoption of Ordinance No. 1062. This motion was seconded by Councilman Cole.

On a roll call vote of 4-0, Ordinance No. 1062 passed on first reading.

PUBLIC HEARING - CITY OF ASHEVILLE BUDGET FOR FISCAL YEAR 1978-79

ORDINANCE NO. 1063 - AN ORDINANCE ADOPTING AND APPROPRIATING THE OPERATING BUDGET AND FIXING THE TAX RATE OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1978-79

3. A public hearing was held relative to the City of Asheville Budget for Fiscal Year 1978-79.

Mayor Trantham opened the public hearing at 3:47 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

The City Manager said he had received several request for funds that will be submitted to Council during the following week.

Councilman Rainey, responding to a request made last week by retired police and firemen that the City consider raising the amount of their monthly pension checks, suggested that $10 for each year an officer has been retired be paid to his pension fund this year. For example, if a fireman has been retired ten (10) years he would receive an additional $100. He suggested that $10,000 be taken from the City's $80,000 allocation to the Asheville Area Chamber of Commerce to pay out to members of the retired police and fire pension fund.

Councilman Rainey also said the City should come up with money for the revitalization commission, which was omitted from the proposed budget.

He expressed concern that the WNC Development Association and Quality Forward were not funded the amount they requested. The development association requested $7,500 and has been allocated $5,000; Quality Forward requested $15,000 and would receive $10,000.

This ordinance provides new guidelines for loading and unloading areas and parking lots, requiring receptacles where necessary.

This ordinance updates and clarifies the responsibility for refuse storage and disposal of waste materials from construction and demolition sites and specifies requirements to be met by contractors.

This ordinance will phase out service on sunken and underground refuse receptacles.

This ordinance will assign responsibility for containerizing refuse wherever it originates and for cleaning up trash wherever it accumulates, whether to the private individual, business, industry or government agency.

The Clean Community System is convinced that to insure a cleaner city and environment, residents of the City of Asheville must accept the individual responsibility for proper containerization of refuse and maintaining premises in clean and sanitary condition. If we are to have a reasonable, efficient sanitation system, it will take total cooperation between the citizens and the City of ville.

Vice-Mayor Horton moved to suspend the rules and proceed to the third reading of Ordinance No. 1060. This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 4-0, Ordinance No. 1060 passed on third and final reading.

Complete text of Ordinance No. 1060 will be found in Ordinance Book No. 8 at page 212.

ORDINANCE NO. 1061 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Wording amendments - parking requirements for miniature golf courses)

5. Consideration was given to the second reading of Ordinance No. 1061, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended, amending Section 30-3-11, G, Minimum Parking Requirements to include miniature golf courses.

Mayor Trantham said the ordinance was previously read on first reading and it would not be re-read in its entirety unless there is a specific request to do so.

On a roll call vote of 4-0, Ordinance No. 1061 passed on second reading.

Vice-Mayor Horton moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1061. This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 4-0, Ordinance No. 1061 passed on third and final reading.

Complete text of Ordinance No. 1061 will be found in Ordinance Book No. 8 at page 214.

ORDINANCE NO. 1057 - AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THE DWELLING HOUSE KNOWN AS 49 WEST CHESTNUT STREET

6. Consideration was given to the third reading of Ordinance No. 1057, an ordinance directing the Housing Officer to demolish the dwelling house known as 49 West Chestnut Street.

Mayor Trantham said the ordinance was previously read on first and second reading and it would not be re-read in its entirety unless there is a specific request to do so.

On a roll call vote of 4-0, Ordinance No. 1057 passed on third and final reading.

Complete text of Ordinance No. 1057 will be found in Ordinance Book No. 8 at page 207.

In order to generate the revenue to pay for the budget additions, Councilman Rainey suggested that the rents in City Hall be raised for offices not connected with city government. He suggested deleting the $3,000 allocation for the management study at the Civic Center since a new Civic Center manager will be hired within the next two to three months. He said he did not see a need for the $5,000 promotional budget for the Civic Center.

Councilman Rainey also suggested that Council reconsider the present $5.00 motor vehicle license fee.

Robert C. Hunter, president of Parkland Corporation, speaking for the three (3) rental car companies at the Airport, made a request to Council to reconsider the deletion of $22,000 from the proposed budget to pave the holding area for the rental companies. He emphasized the importance of the paving by presenting statistics, which showed that the car rental companies produced more revenue to the City than the airlines. He said the paving of the area would benefit both the rental companies and the City.

Mayor Trantham advised Mr. Hunter that his request would be given serious consideration the the Council work session.

Vice-Mayor Horton agreed that consideration should be given to cutting the chamber allocation $10,000, because the county has increased its allocation to the Chamber from $42,000 to $69,500. He also commented that the County should participate on a more equal share on other items.

Mayor Trantham said a work session on these matter would be held with the County.

Mayor Trantham closed the public hearing at 4:17 p. m.

The City Manager read the ordinance.

Vice-Mayor Horton moved for the adoption of Ordinance No. 1063. This motion was seconded by Councilman Cole.

On a roll call vote of 4-0, Ordinance No. 1063 passed on first reading, with Councilman Rainey voting "present."

ORDINANCE NO. 1060 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Wording Amendment - Public Utilities, Transmission Lines and Utility Substations

4. Consideration was given to the second reading of Ordinance No. 1060, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended, amending Section 30-4-1, Use Districts to include public utilities, transmission lines, and utility substations as allowable uses.

Mayor Trantham said the ordinance was previously read on first reading and it would not be re-read in its entirety unless there is a specific request to do so.

On a roll call vote of 4-0, Ordinance No. 1060 passed on second reading.

Councilman Rainey moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1064. This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 4-0, Ordinance No. 1064 passed on third reading.

Complete text of Ordinance No. 1064 will be found in Ordinance Book No. 8 at page 264.

APPROVAL OF THE CONSENT AGENDA

10. The City Manager explained that the items on the consent agenda are of a routine nature and have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council and/or a member of the City staff any single item scheduled for approval on the consent agenda may be considered separately.

A. Resolution No. 78-129 - Resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with W & W Contracting Company for the project known as Dillingham Circle Water Line.

HIGHLIGHTS: Bids were opened on May 31, 1978 for the Dillingham Circle Water Line Project.

The following is the bid tabulation:

W & W Contracting Company	$46,263.75
Joyce Construction Company	49,101.50
Huntley Construction Company	49,979.75
Hobson Construction Company	55,591.25

Recommendation of low bidder, W & W Contracting Company

This project is funded under the 31 Fund.

Resolution Book No. 10 Page 292

B. Resolution No. 78-130 - Resolution authorizing the City Manager to acquire two rights of way easements for a sanitary sewer line on Governors View Road, Buncombe County, North Carolina.

Resolution Book No. 10 Page 293

C. Scheduling of a public hearing relative to rezoning property on Sweeten Creek Road from R-3 Residential District to CS Commercial Service District, property owned by Mr. John McDuffie and Mr. James Westall, Walls & Thrash Fuel Company, Nova Enterprises, Inc., and Mr. W. H. Guthrie for July 13, 1978.

RESOLUTION NO. 78-127 - RESOLUTION AUTHORIZING THE PLACEMENT OF INFORMATION AND DIRECTIONAL SIGNS IDENTIFYING BONA FIDE HISTORIC PROPERTIES WITHIN THE CITY OF ASHEVILLE

7. Consideration was given to a resolution authorizing the placement of information and directional signs identifying Bona Fide Historic properties within the City of Asheville.

The City Manager read the resolution.

Upon motion of Councilman Rainey, seconded by Councilman Cole, Resolution No. 78-127 was unanimously adopted.

Complete text of Resolution No. 78-127 will be found in Resolution Book No. 10 at page 290.

RESOLUTION NO. 78-128 - RESOLUTION AUTHORIZING DIRECTOR OF FINANCE TO SELL SURPLUS PROPERTY (AB Dick 7308 Collator)

8. Consideration was given to a resolution authorizing Director of Finance to sell an AB Dick 7308, 8-bin Collator to Buncombe County.

The City Manager read the resolution.

Upon motion of Vice-Mayor Horton, seconded by Councilman Cole, Resolution No. 78-128 was unanimously adopted.

Complete text of Resolution No. 78-128 will be found in Resolution Book No. 10 at page 291.

ORDINANCE NO. 1064 - AN ORDINANCE REALLOCATING, AMENDING AND APPROVING COMMUNITY DEVELOPMENT BUDGET FUNDS SET FORTH IN THE CITY OF ASHEVILLE CAPITAL PROJECT FUND BUDGET FOR 1976-77

9. Consideration was given to an ordinance reallocating, amending, and approving Community Development Budget funds set forth in the City of Asheville Capital Project Fund Budget for 1976-77.

The City Manager read the resolution and explained that the Kenilworth Playgrounds was developed and approved in order to secure additional equipment to be used in the existing Kenilworth Park Area. The Kenilworth Land Acquisition Project was approved in order to ensure an adequate park facility for the entire Kenilworth area. As a matter of priority and in order not to duplicate services the projects, by this ordinance, have been combined into one park development.

Councilman Cole moved for the adoption of Ordinance No. 1064. This motion was seconded by Councilman Rainey.

On a roll call vote of 4-0, Ordinance No. 1064 passed on first reading.

Councilman Rainey moved to suspend the rules and proceed to the second reading of Ordinance No. 1064. This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 4-0, Ordinance No. 1064 passed on second reading.

Thursday - June 22, 1978 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen Gene E. Rainey, F. Jack Cole, Otis B. Michael, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Ralph D. Morris, Jr.

INVOCATION

Councilwoman Norma T. Price gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the June 15, 1978 meeting.

Upon motion of Councilman Cole, seconded by Councilman Michael, the minutes of the June 15, 1978 meeting were approved as submitted.

PUBLIC HEARING - ESTABLISHMENT OF ASHEVILLE TREE COMMISSION

ORDINANCE NO. 1065 - AN ORDINANCE ESTABLISHING AN ADVISORY BODY KNOWN AS THE ASHEVILLE TREE COMMISSION

2. A public hearing was held relative to an ordinance establishing an Advisory Body known as the Asheville Tree Commission.

Mayor Trantham opened the public hearing at 3:13 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Anthony Lord spoke in support of the establishment of the Asheville Tree Commission.

There being no further comments, Mayor Trantham closed the public hearing at 3:15 p. m.

The City Manager read the ordinance.

Councilwoman Price moved for the adoption of Ordinance No. 1065. This motion was seconded by Councilman Cole.

On a roll call vote of 5-0, Ordinance No. 1065 passed on first reading.

Councilman Rainey suggested that the language in the ordinance be clarified before the second and third reading of the ordinance in order not to give the impression that the Commission would have jurisdiction on private property.

D. Scheduling of a public hearing relative to the Group Development of Phase II of an addition to Memorial Mission Hospital for July 13, 1978.

E. Scheduling of a public hearing relative to amending Ordinance No. 424, "An Ordinance Establishing Regulations for the Development of Real Estate Subdivisions" for July 13, 1978.

Upon motion of Councilman Rainey, seconded by Vice-Mayor Horton, the consent agenda was approved.

CLAIM - THEODIS BECK

The City Manager presented a claim received from Theodis Beck.

Mayor Trantham referred the claim to the Corporation Counsel for investigation and recommendation.

CLAIM - JAMES M. HARDIN

The City Manager presented a claim received from Mr. James M. Hardin.

Mayor Trantham referred the claim to the Corporation Counsel for investigation and recommendation.

Adjournment.

Ray M. Trantham
MAYOR

Frances S. Roberts
CITY CLERK

Section (e)- Add: Cardboard boxes, cartons, and crates, when used as refuse receptacles shall not exceed five (5) feet by six (6) feet by three (3) feet, be less than eight (8) cubic feet and shall not exceed 50 lbs. when secured. All cardboard boxes, cartons, and crates used as a refuse receptacle shall be secured by tying or taping. Any cardboard boxes, cartons, or crates exceeding five (5) feet by six (6) feet by three (3) feet shall be collapsed.

Section (e) - Change existing Section (e) to Section (f).

A discussion was held relative to the suggested changes and Councilman Rainey said the suggested changes would be one way that a business would not have to have a bulk container. He suggested that the ordinance be clarified to allow the Sanitation Superintendent to use his discretion as to whether a business would have to have a bulk container as some businesses would not have space for a bulk container.

Councilman Rainey reviewed a memorandum from the Sanitation Superintendent to the City Manager which presented the cost involved in the proposed ordinance.

After discussion, it was the consensus of Council that the Clean Community System Committee would review the ordinance again, before the third reading, in order to be as specific and legal as possible.

Councilwoman Price moved to amend Ordinance No. 1062 to include the suggested changes as recommended by the Clean Community System Committee. This motion was seconded by Councilman Rainey and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1062 passed on second reading.

ORDINANCE NO. 1063 - AN ORDINANCE ADOPTING AND APPROPRIATING THE OPERATING BUDGET AND FIXING THE TAX RATE OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1978-79

5. Consideration was given to the second reading of Ordinance No. 1063, an ordinance adopting and appropriating the operating budget and fixing the tax rate of the City of Asheville for the Fiscal Year 1978-79.

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

In commenting on the budget, Councilman Cole requested that the allocation of $15,000 for the paving of the employee's parking lot be deleted.

Councilman Cole said he would be opposed to a reduction in the allocation of $80,000 to the Chamber of Commerce. He said he felt this was the wrong place to cut the budget. He said inflation has reduced the spending power of the Chamber's allotment and they pay their way on the services they bring into Asheville.

Councilman Rainey, opposing the deletion of the allocation to pave the employee's parking lot, argued that the Chamber's budget would not be changed since the County was increasing the Chamber's budget by $10,000 this year. He said public funds to support private enterprise should be avoided. He said the merchants of Asheville, such as motels and businesses, should increase their financial

DISCUSSION - PARKING IN HANDICAPPED PARKING SPACES

3. Mr. John Jerose, speaking on behalf of the W. N. C. Association of the Physically Handicapped requested that an ordinance be considered wherein a penalty of substantial amount would be imposed for those parking in a handicapped parking space without being authorized to do so.

Mr. Jerose said the handicapped people have a difficult time finding a place to park because people park in these areas who are not handicapped.

Councilman Michael suggested the placards be used in windows of vehicles to indicate handicapped people. He suggested that the loading and unloading parking spaces be used for the handicapped, leaving more regular parking spaces free.

Mayor Trantham advised Mr. Jerose that Council would take his request under consideration.

ORDINANCE NO. 1062 - AN ORDINANCE REVISING THE SANITATION CODE OF THE CITY OF ASHEVILLE

4. Consideration was given to the second reading of Ordinance No. 1062, an ordinance revising the Sanitation Code of the City of Asheville.

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

Kay Crews, Co-Chairman of the Clean Community System, said the merchants organizations have suggested several revisions to the ordinance. The suggested changes are as follows:

Section 13-32 - Definitions, #17

Add: Cardboard boxes, cartons, and crates may be used as a refuse receptacle only when used to contain other cardboard boxes, cartons, and crates and properly secured by tying or taping. The size of box, carton, or crate shall not exceed five (5) feet by six (6) feet by three (3) feet, shall not exceed 50 lbs. when secured, and shall not be less than eight (8) cubic feet.

Section 13-36 - Pre-collection Practices

Section (c) - Add: After first sentence: Household receptacles or containers shall be set out on day of collection.

Section (j) - Add: Business trash shall be placed in plastic bags and tied prior to being placed in refuse receptacles.

Section (k) - Add: Commercial Establishment. The Director of the Division of Sanitation shall notify all merchants of schedule for pick-up and merchants shall comply.

Section 13-47 - Special Refuse or Disposal Problems

Section (d) - Change wording from receptacles or containers to bulk containers.

RESOLUTION NO. 78-131 - RESOLUTION ESTABLISHING THE ASHEVILLE-BUNCOMBE COUNTY HISTORIC PRESERVATION ADVISORY COMMITTEE

6. Consideration was given to a resolution establishing the Asheville-Buncombe County Historic Preservation Advisory Committee.

The City Manager read the resolution.

Upon motion of Councilwoman Price, seconded by Vice-Mayor Horton, Resolution No. 78-131 was unanimously adopted.

Complete text of Resolution No. 78-131 will be found in Resolution Book No. 10 at page 294.

ORDINANCE NO. 1066 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1977-78 (Transit marketing study)

7. Consideration was given to an ordinance amending the operating budget of the City of Asheville for fiscal year 1977-78 to provide for funding for the transit marketing program. This program was implemented by a contract with N. C. Department of Transportation by Resolution No. 78-102 on May 11, 1978.

The City Manager read the ordinance.

Councilman Rainey moved for the adoption of Ordinance No. 1066. This motion was seconded by Councilman Michael.

On a roll call vote of 5-0, Ordinance No. 1066 passed on first reading.

Vice-Mayor Horton moved to suspend the rules and proceed to the second reading of Ordinance No. 1066. This motion was seconded by Councilwoman Price and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1066 passed on second reading.

Vice-Mayor Horton again moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1066. This motion was seconded by Councilwoman Price and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1066 passed on third reading.

Complete text of Ordinance No. 1066 will be found in Ordinance Book No. 8 at page 272.

ORDINANCE NO. 1067 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1977-78 (Police cars and pick-up truck)

8. Consideration was given to an ordinance amending the Operating Budget of the City of Asheville for fiscal year 1977-78 to provide funding for seven police cars and one pick-up truck.

The City Manager read the ordinance.

support to the Chamber of Commerce. He said more funds should be used in the downtown revitalization efforts.

Vice-Mayor Horton expressed agreement with Councilman Rainey saying that city tax payers are contributing double to the Chamber because they pay both county and city taxes. He said the $80,000 to the Chamber has been a burden to the City because it has been out of proportion to the County's share.

Councilwoman Price said she would also oppose reducing the Chamber's budget. She said the $10,000 increase by the County would be used solely for economic development and the City's contribution would be used for tourism and conventions. She supported the efforts of the Chamber, particularly for tourism and conventions.

Councilman Michael supported the comments by Vice-Mayor Horton and Councilman Rainey in reducing the Chamber's budget.

Councilman Rainey then moved to reduce the Chamber of Commerce allocation by $10,000. This motion was seconded by Vice-Mayor Horton.

Mayor Trantham strongly urged Council not to reduce the Chamber's allocation. He said Council was making too big an issue over something that helps both the city and the county.

On a voice vote, Councilman Rainey's motion died because of a tie vote. Vice-Mayor Horton, Councilman Rainey and Councilman Michael voted to reduce the allocation to the Chamber. Mayor Trantham, Councilwoman Price, and Councilman Cole voted against the reduction.(Note: Mayor Trantham voted since four votes are needed to carry an issue).

Councilman Cole then moved to delete the $15,000 allocation for paving of the employee's parking lot from the proposed budget. At the request of Councilman Michael, he further moved that $5,000 of the $15,000 be allocated to the Tree Commission. This motion was seconded by Councilwoman Price and carried on a voice vote of 4-1 with Councilman Rainey voting "no."

Councilman Rainey moved to reduce the Civic Center promotional budget from $5,000 to $4,000 and to use $421 of the difference to buy an alarm system for the Colburn Mineral Museum Center. This motion was seconded by Councilwoman Price and carried on a voice vote of 4-1, with Councilman Michael voting "no."

Mayor Trantham then called for a roll call vote on the second reading of Ordinance No. 1063, as amended.

On a roll call vote of 4-1, Ordinance No. 1063 passed on second reading with Councilman Rainey voting "no."

Councilman Rainey noted that he voted against the budget because he was committed to inserting money into the budget for pension increases to retired policemen and firemen.

RESOLUTION NO. 78-132 - RESOLUTION PROVIDING FOR THE CONTINUATION OF GROUP HEALTH AND HOSPITALIZATION INSURANCE FOR CITY EMPLOYEES WITH TWENTY-FIVE (25) OR MORE YEARS OF CONTINUOUS SERVICE WHO HAVE RETIRED DUE TO DISABILITY PRIOR TO NORMAL RETIREMENT

10. Consideration was given to a resolution providing for the continuation of group health and hospitalization insurance for city employees with twenty-five (25) or more years of continuous service who have retired due to disability prior to normal retirement.

The City Manager read the resolution. He said the Fringe Benefit Committee had recommended this policy.

Upon motion of Councilman Rainey, seconded by Councilwoman Price, Resolution No. 78-132 was unanimously adopted.

Complete text of Resolution No. 78-132 will be found in Resolution Book No. 10 at page 296.

SOUTHWORTH CONSTRUCTION COMPANY, INC. - RENOVATION OF THE VALLEY STREET MAINTENANCE FACILITY

11. Consideration was given to a motion authorizing the Mayor to sign the contracts with Southworth Construction Company, Inc. for the renovation of the Valley Street Maintenance Facility.

The City Manager said bids were awarded on the contract for the renovation of the Valley Street Maintenance Facility on June 1, 1978. The contract was awarded to Southworth Construction Company, Inc. and it is now necessary for a motion to be made authorizing the Mayor to sign the contracts.

Councilman Cole moved to authorize the Mayor to sign the contract with Southworth Construction Company, Inc. for the renovation of the Valley Street Maintenance Facility. This motion was seconded by Councilwoman Price and carried unanimously.

CLAIM - MR. JOSEPH M. WILLIAMS

The City Manager presented a claim received from Mr. Joseph M. Williams.

Mayor Trantham referred the claim to the Corporation Counsel for investigation and recommendation.

FLETCHER HILLS AND FRANEM ACRES WATER SYSTEM - POLICY DECISION

The City Manager said the City is presently furnishing water to residents in Fletcher Hills and Franem Acres in Henderson County. He said the developer wants to add to the development and has requested an additional supply of water. He said these residents are using water from the Lutheridge Reservoir. He said if the City furnishes them additional water the City's production for that area would be reduced and this would also reduce the pumping time at Lutheridge Reservoir. He said his recommendation would be to turn all these customers, in the Fletcher Hills and Framen Acres, over to Henderson County. He said this could be done without any interruption in service to these customers.

Councilwoman Price moved for the adoption of Ordinance No. 1067. This motion was seconded by Vice-Mayor Horton.

On a roll call vote of 5-0, Ordinance No. 1067 passed on first reading.

Councilman Michael moved to suspend the rules and proceed to the second reading of Ordinance No. 1067. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1067 passed on second reading.

Councilman Michael moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1067. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1067 passed on third and final reading.

Complete text of Ordinance No. 1067 will be found in Ordinance Book No. 8 at page 273.

BIDS - SEVEN (7) POLICE TYPE COMPACT CARS AND ONE (1) PICK UP TRUCK FOR POLICE DEPARTMENT

9. Consideration was given to bids received June 13, 1978 for seven (7) police type compact cars and one (1) economy size pick up trucks for the Asheville Police Department.

The City Manager read a memorandum from the Purchasing Agent which stated that three (3) bids were received. The bid tabulation is as follows:

Item	Bidder	Bid
7 Police Type Compact Cars	Modern Chevrolet Winston-Salem, N.C. (5 units)	$26,835.00
	Apple Tree Chevrolet (2 units)	10,952.06
1 Economy Size Pickup Truck	Matthews Motors, Inc.	5,133.66
	Apple Tree Chevrolet	4,534.35

Chief Tucker and the Purchasing Agent recommend split award to obtain all units, as bid: Apple Tree Chevrolet - 2 units and 1 pickup truck
Modern Chevrolet - 5 units.

Councilman Michael moved to accept the recommendation of the Purchasing Agent and award the bids to Apple Tree Chevrolet and Modern Chevrolet. This motion was seconded by Councilwoman Price and carried unanimously.

The media has reported that a $1,000.00 reduction in our promotional fund is being considered to provide funds for installation of an alarm system in the Art Museum. Of course our Commission fully endorses and approves as much support as possible for the Art Museum and the other cultural aspects of our community life.

Possibly, City Council might wish to seek out information to acquaint themselves with just how significant a portion of the overall Civic Center expenses are already attributable to the cost of maintaining the cultural areas of the Civic Center complex. Of course, these cultural benefits extend throughout the entire Western North Carolina region.

I also want to once again go on record as very strongly opposing any seat tax at the Civic Center. The Civic Center Commission has previously unanimously opposed such a seat tax as has management and various promoters and we reiterate our opposition to this type charge which we feel can only further damage attendance and our relationship with various promoters.

Kindest personal regards to you and yours.

Sincerely,

ASHEVILLE AREA CIVIC CENTER COMMISSION

By: B. Paul Goodman
Chairman

BPG/bv

cc: Members of City Council
Members of Asheville Area Civic Center Commission
Ex-officio Members

Mayor Trantham said Mr. Goodman's letter would be taken into consideration by the Asheville City Council.

Adjournment.

Ray M. Trantham
MAYOR

Norman J. Holcombe
CITY CLERK

Councilman Michael moved to turn all the water customers in Fletcher Hills and Franem Acres Water System, over to Henderson County, as recommended by the City Manager. This motion was seconded by Councilman Cole and carried unanimously.

STATUS REPORT ON AIRPORT BIDS - PHASE I SITE PREPARATION FOR 1,500' RUNWAY AND TAXIWAY EXTENSION

The Assistant City Manager reported that bids were received on June 21, 1978 for Phase I Site Preparation for 1,500' Runway and Taxiway Extension at the Asheville Airport. F. T. Williams Construction Company of Charlotte was the apparent low bidder in the amount of $2,911,725.60; Champion Landscaping Company of Kings Mountain, was second low bidder in the amount of $3,525,085.50; Asheville Contracting Company and Phillips and Jordan Construction Company was third low bidder in the amount of $3,608,331.40; R.G.K. Construction Company was fourth low bidder in the amount of $4,552,371.60. He said the bids are being evaluated by the consulting engineers and they would have their recommendation both to the City and the FAA as soon as the evaluation is completed. He said the next step is to make application to the FAA for the grant agreement, after which Council would consider the awarding of the bids. He said this process should take approximately two to three weeks.

CIVIC CENTER BUDGET - LETTER FROM ASHEVILLE AREA CIVIC CENTER COMMISSION

Mayor Trantham presented the following letter received from Mr. B. Paul Goodman, Chairman of the Asheville Area Civic Center Commission:

June 22, 1978

City of Asheville
P. O. Box 7148
Asheville, N.C. 28807

Attention: Mayor Roy Trantham

Dear Roy:

At the meeting of the Asheville Area Civic Center Commission on June 20th we reviewed the cutbacks in our budget as presently being considered by City Council. Of course the Commission was not consulted relating to these reductions and we did spend a considerable amount of time attempting to submit as tight a budget as possible in the initial instance.

If these reductions are absolutely necessary, we shall do our utmost to live with them. We do, however, very strongly object to the reduction of $6,000.00 in our advertising budget and the contemplated reduction in our promotional fund. With the business activity at the Civic Center as poor as it is at present, we certainly need to increase our advertising as much as possible in an attempt to bring in additional business. At this point in time, I understand that the Civic Center now has only eleven firm commercial bookings for the balance of this calendar year. We simply must do everything possible to increase this level of activity.

Vol. 45

1918-1919

Pgs. Not Cons.

Vol. 45

1978-1979

Pgs. Not Cons.

Zoning - Hearing date set relative to rezoning property at 20 Britt Drive on property owned by E. Dennis and Emil D. Young - page 260; hearing and 1st reading - page ; 2nd reading - page ; 3rd reading - page .

After discussion, Councilman Michael moved to delete $60,000 from the appropriation to the Asheville Chamber of Commerce and that the $60,000 be used to supplement the wage increase up to 50¢ per hour for the following positions:

Laborer I
Laborer II
Lead Laborer
Janitor
Watchman
Baggageman
Reservoir Attendant
Garage Attendant
Elevator Operator
Parking Attendant
Traffic Serviceman I/II
Janitor Leadman
Tree Trimmer

This motion was seconded by Councilman Rainey.

Councilman Cole said, if Council members are in agreement to give the 50¢ per hour increase, he would favor an increase in the tax rate by 2¢, rather than to cut the proposed budget.

Wesley F. Talman, Jr., from the law firm of McLean, Leake, Talman and Stevenson, said he had been employed by the various departments who were participating in the walkout, to represent them. He said he was not collective bargaining and his intentions are not union maneuvers. He said he did not think a 5% across-the-board increase was fair, since an employee making $20,000 would receive a $1000 increase and another employee making $5,000 would only receive a $250 increase. He said an incentive pay plan should not be applicable to labor classifications.

Wilbur Hobby, labor union official, spoke in support of the striking city employees. He said his statement was in no way collective bargaining or a negotiation for a contract.

Mrs. Sol Burney, 15 Colonial Place, spoke in support of increasing the wages for the strikers. She said the problem should be settled.

Mr. Bill Wilmer, employee of the Street Division, spoke in support of a 50¢ per hour increase. He said the employees on Valley Street are not counted and City officials have no compassion for them.

Mr. Carl Wilder, former Water Department employee, also spoke in support of increasing the salaries of the laborers.

Mr. Ray Stepp, of the Asheville Central Labor Union, spoke in support of the striking workers. He said the laborers should receive decent wages and treated as citizens rather than a number on a payroll. He said incentive pay creates ill-feelings and should not be used.

Mr. John Young, of the Asheville Firefighters, spoke against the proposed pay plan. He said the employees have no input to pay plans.

Mayor Trantham then called for a voice vote on Councilman Michael's motion. This motion failed on a voice vote of 3-2 with Councilman Michael and Councilman Rainey voting "aye." Vice-Mayor Horton, Councilwoman Price and Councilman Cole voted "no."

Thursday - June 29, 1978 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Counilmen Gene E. Rainey, F. Jack Cole, Otis B. Michael, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Ralph D. Morris, Jr. and Councilwoman Norma T. Price (Councilwoman Price took her seat at 4:00 p. m.)

INVOCATION

Vice-Mayor Bill B. Horton gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the June 22, 1978 meeting.

Upon motion of Councilman Cole, seconded by Vice-Mayor Horton, the minutes of the June 22, 1978 meeting were approved as submitted.

ORDINANCE NO. 1062 - AN ORDINANCE REVISING THE SANITATION CODE OF THE CITY OF ASHEVILLE

2. Mayor Trantham advised that the third reading of Ordinance No. 1062 would not be held today. However, Council would receive any citizen recommendations.

There being no citizen recommendations, Vice-Mayor Horton moved that the third and final reading of Ordinance No. 1062 be scheduled for July 13, 1978. This motion was seconded by Councilman Rainey and carried unanimously.

ORDINANCE NO. 1063 - AN ORDINANCE ADOPTING AND APPROPRIATING THE OPERATING BUDGET AND FIXING THE TAX RATE OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1978-79

3. Consideration was given to the third reading of Ordinance No. 1063, an ordinance adopting and appropriating the operating budget and fixing the tax rate of the City of Asheville for the Fiscal Year 1978-79.

Mayor Trantham said the ordinance was previously read on first and second readings and would not be re-read in its entirety unless there was a specific request to do so.

Council, in an attempt to meet the wage demands of striking city employees, discussed several possible revenue sources in order to come up with revenue to increase certain labor classifications in the pay plan by 50¢ per hour.

Mike Smith, Director of Personnel, said in order to give every employee that will not be receiving at least a 50¢ per hour increase as of July 1, 1978 Council would have to generate revenue in the amount of $58,656.00 in the General Fund and $32,200.00 in the Water Budget. He gave Council a list of positions that would be affected by the 50¢ per hour wage increase.

CITY OF ASHEVILLE
SUMMARY OF BUDGET CHANGES
JUNE 29, 1978

DESCRIPTION	ACCOUNT NO.	FROM	TO	CHANGE
General Fund:				
Board of Elections	10-405.0044	-0-	$ 7,000	$ 7,000
Revenue Trans. - Civic Center	10-398.0423	$ 252,392	$ 251,813	$ (579)
Non-Departmental Contingency	10-599.0097	$ 100,000	$ 93,520	$ (6,480)
ABC Revenue	10-350.0000	$ (450,000)	(457,000)	$ (7,000)
Police/Fire Retire/Supp.		-0-	7,059	7,059
Civic Center:				
Civic Center Commission - Professional Services	13-423.7144	$ 5,000	$ 4,000	$ (1,000)
M & R Building	13-423.0015	$ 20,000	$ 20,421	$ 421
Contribution from Other Funds	13-397.0000	$ (252,392)	$ (251,813)	$ 579
Revenue Sharing Trust Fund:				
Parking Services	50-433.0073	$ 15,000	-0-	$ 15,000
Park Maintenance Tree Commission	50-502.9544	-0-	$ 5,000	$ (5,000)
Non-Departmental Contingency	50-599.0097	$ 8,991	$ 5,991	$ 3,000
Aviation: C. O. Other Imp.	50-421.0073	$ 14,000	$ 27,000	$(13,000)
Police/Fire Retiree/Supp.		-0-	5,991	5,991

This motion was seconded by Councilwoman Price and carried unanimously.

On a roll call vote of 4-0, Ordinance No. 1063 passed on third and final reading.

Complete text of Ordinance No. 1063 will be found in Ordinance Book No. 8 at page 226.

It was the consensus of Council that Ordinance No. 1063 passed on third reading with the understanding that the City Manager's recommendations regarding the pay plan would be implemented.

ORDINANCE NO. 1065 - AN ORDINANCE ESTABLISHING AN ADVISORY BODY KNOWN AS THE ASHEVILLE TREE COMMISSION

4. Consideration was given to the second reading of Ordinance No. 1065, an ordinance establishing an Advisory Body known as the Asheville Tree Commission.

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

Councilman Michael then moved to appropriate $32,200 of the Water Budget to supplement a 50¢ per hour increase to the Labor I and Labor II positions, these funds to come from a reduction in overtime in the amount of $32,200, leaving a balance in the overtime line item of $35,400.

Councilman Rainey offered a substitute motion that the City Council request that the City Manager examine the pay plan with the following goals in mind:

(a) to reschedule the time table for performance pay so that it can be paid by January 1, 1979;

(b) to institute a longevity plan for those employed less than five years;

(c) to examine the positions of Labor I to ascertain how many of them can be rewritten to become Labor II.

Payment for these increases will come from:

(a) a $10,000 reduction in the Chamber of Commerce contribution;

(b) a reduction in dues and subscriptions;

(c) car allowances;

(d) in-state travel (which will be undertaken in a city automobile);

(e) eliminate the privilege of employees taking city cars and trucks home.

Councilman Michael's motion died for the lack of a second.

Councilman Rainey's substitute motion died for the lack of a second.

The City Manager reviewed portions of his budget letter presented to Council on June 15, 1978. He recommended that the budget as presented be adopted and that a study be given to reconsider the proposed pay plan to determine whether city employees could be given a raise above the 5 percent across-the-board raise proposed. He said a report on the study would be completed as soon as possible but not later than July 29, 1978. He said if the review shows that changes should be made, the changes that the City Council approves will recommend back pay to July 1, 1978.

Councilman Rainey was excused from the meeting at 6:50 p. m.

After discussion, Councilman Cole moved that Ordinance No. 1063 be amended to include a 2¢ tax rate increase in order to meet the needs of the employees of the City of Asheville. This motion died for the lack of a second.

Vice-Mayor Horton then moved that all amendments pertaining to the budget passed at the June 22, 1978 meeting be rescinded and that the following amendments be substituted:

RESOLUTION NO. 78-133 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CHANGE ORDER NO. IV WITH RUCKMAN BROTHERS OF ENKA, NORTH CAROLINA FOR THE PROJECT KNOWN AS MONTFORD AREA PUBLIC WORKS

6. Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville a change order no. IV with Ruckman Brothers of Enka, North Carolina for the project known as Montford Area Public Works.

The City Manager read the resolution. He said the following items would be added to the contract currently in progress with Ruckman Brothers Construction Company and called the Montford Area Public Works. 1) On Montford Avenue remove the existing sidewalk marked for removal and replace with new 5 feet wide 4-inch thick concrete sidewalk. 2) On Montford Avenue between the entrance to Klondike Apartments and the end of the existing sidewalk, place a 5 foot combination curb and sidewalk section. The total cost of this addition is $18,689.00.

Councilman Rainey suggested that if brick is presently on the sidewalk, that brick be used for historic preservation.

Upon motion of Councilman Rainey, seconded by Councilman Cole, Resolution No. 78-133 was unanimously adopted.

Complete text of Resolution No. 78-133 will be found in Resolution Book No. 10 at page 298.

SALE OF DISPOSAL PARCEL 81 - EAST RIVERSIDE URBAN RENEWAL PROJECT

7. Consideration was given to the sale of Disposal Parcel 81 in the East Riverside Urban Renewal Project.

The City Manager read a memorandum from the Housing Authority recommending the acceptance of the bid of Rice, Padgett & Talbert of $35,035.35 for Disposal Parcel 81 in the East Riverside Urban Renewal Project. The proposal calls for the construction of a 4,000 square-foot office building.

Councilman Michael moved to approve the sale of Disposal Parcel 81 in the East Riverside Urban Renewal Project to Rice, Padgett & Talbert in the amount of $35,035.35. This motion was seconded by Vice-Mayor Horton and carried unanimously.

BIDS - ONE (1) MODEL 4103 PLAYBACK UNIT FOR DICTAPHONE 4000 RECORDING UNIT FOR ASHEVILLE POLICE DEPARTMENT

8. Consideration was given to bids received June 26, 1978 for one (1) Model 4103 Playback unit for Dictaphone 4000 Recording Unit for the Asheville Police Department.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the only responsive bid of Dictaphone Corp. in the amount of $3,800.00.

Councilman Cole moved to accept the recommendation of the Purchasing Agent and award the bid to Dictaphone Corp. in the amount of $3,800.00. This motion was seconded by Councilman Michael and carried unanimously.

The City Manager said, at the request of Council, several changes to the ordinance as it relates to the Commission's activities on private property have been proposed. He said the changes are as follows:

1. Page 1, Section 1(a) - In the 4th line of the paragraph strike "and private property areas."

2. Page 3. - Add subsection 1. which would read as follows:

"(1) The Commission may provide advisory services for private property owners relative to the growth and protection of trees on their property provided that the property owner makes a specific written request for assistance."

After discussion, Councilman Michael moved to amend Ordinance No. 1065 to include the amendments read by the City Manager. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 4-0, Ordinance No. 1065 passed on second reading.

ORDINANCE NO. 1068 - AN ORDINANCE REALLOCATING, AMENDING AND APPROVING COMMUNITY DEVELOPMENT BUDGET FUNDS SET FORTH IN THE CITY OF ASHEVILLE CAPITAL PROJECT FUND BUDGET FOR 1975-76

5. Consideration was given to an ordinance reallocating, amending, and approving Community Development Budget funds set forth in the City of Asheville Capital Project Fund Budget for 1975-76.

The City Manager read the ordinance explaining that it is estimated that $7,450 will be needed in order to cover cost overruns and complete the Community Development Hilltop Recreation Center Project and $7,450 is available from the Community Development Magnolia Park Project which will leave a balance in excess of $4,000 to construct a wading pool and thereby complete the project as planned. This ordinance will reflect the changes necessary in the budget.

Vice-Mayor Horton moved for the adoption of Ordinance No. 1068. This motion was seconded by Councilman Cole.

On a roll call vote of 4-0, Ordinance No. 1068 passed on first reading.

Vice-Mayor Horton moved to suspend the rules and proceed to the second reading of Ordinance No. 1068. This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 4-0, Ordinance No. 1068 passed on second reading.

Councilman Michael moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1068. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 4-0, Ordinance No. 1068 passed on its third and final reading.

Complete text of Ordinance No. 1068 will be found in Ordinance Book No. 8 at page 274.

Thursday, July 13, 1978 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen Gene E. Rainey, F. Jack Cole, Otis B. Michael, Ralph D. Morris, Jr., Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

Councilman Otis B. Michael gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the June 29, 1978 meeting.

Vice-Mayor Horton noted that a preliminary summary of budget changes was inadvertently put into the minutes and requested that the summary be changed to reflect the corrected summary as approved by Council.

Councilman Rainey said since the agenda for the June 29, 1978 meeting was rearranged and since he was excused from the meeting at 6:50 p. m. the minutes of the meeting were not specific in stating which items he participated. He requested that the minutes reflect what items he did participate in.

Councilwoman Price said she was late for the meeting, arriving at 4:00 p. m. and she would also like the minutes to reflect what items she participated in.

Upon motion of Councilman Michael, seconded by Vice-Mayor Horton the minutes of the June 29, 1978 meeting were approved as amended.

RESOLUTION NO. 78-135 - RESOLUTION IN MEMORY OF CALVIN W. MARSHALL

2. Consideration was given to a resolution in memory of Calvin W. Marshall, former Vice-Mayor of the City of Asheville.

Councilman Ralph D. Morris, Jr. read the resolution.

Upon motion of Councilman Morris, seconded by Councilwoman Price, Resolution No. 78-135 was unanimously adopted.

Complete text of Resolution No. 78-135 will be found in Resolution Book No. 10 at page 300.

RESOLUTION NO. 78-136 - RESOLUTION REQUESTING THE BOARD OF ELECTIONS FOR BUNCOMBE COUNTY TO CALL AN ELECTION PURSUANT TO G. S. 18A-51, AS AMENDED BY THE 1978 SESSION OF THE NORTH CAROLINA GENERAL ASSEMBLY, ON THE QUESTION OF WHETHER TO ALLOW THE SALE OF MIXED BEVERAGES IN SOCIAL ESTABLISHMENTS AND RESTAURANTS WITHIN THE CITY OF ASHEVILLE

2. Consideration was given to a resolution requesting the Board of Elections for Buncombe County to call an election pursuant to G. S. 18A-51, as amended by the 1978 Session of the North Carolina General Assembly on the question of whether to allow the sale of mixed beverages in social establishments and restaurants within the City of Asheville.

RESOLUTION NO. 78-134- RESOLUTION AUTHORIZING THE FILING OF A GRANT APPLICATION FOR DEVELOPMENT OF A SOLID WASTE COLLECTION SYSTEM PLAN

9. Consideration was given to a resolution authorizing the filing of a grant application for development of a Solid Waste Collection System Plan.

The City Manager read the resolution explaining that this grant will aid in planning or updating plans for municipal solid waste collections systems.

Upon motion of Vice-Mayor Horton, seconded by Councilman Cole, Resolution No. 78-134 was unanimously adopted.

Complete text of Resolution No. 78-134 will be found in Resolution Book No. 10 at page 299.

COUNCIL MEEETING OF JULY 6, 1978 CANCELLED

Councilman Michael moved that the meeting of July 6, 1978 be cancelled. This motion was seconded by Councilman Rainey and carried unanimously.

EMERGENCY GARBAGE PICKUP CENTERS

As a matter of information, the City Manager announced that until the City Employees' Strike is over, residents are asked to take their garbage to one of the following centers:

Ira B. Jones School - North Asheville
Vance School - West Asheville
Oakley Fire Station Parking Lot- Oakley
Biltmore School - Biltmore & Shiloh
New Haw Creek School- East Asheville
Hilliard Street at Aston Park - Montford and South French Broad

RALPH BISHOP - LOTTERY SALES

Mr. Ralph Bishop, again spoke to Council regarding the lottery sales in Asheville.

Adjournment.

Ray M. Hamilton
MAYOR

Marian F. Metcalf
CITY CLERK

The issue is control, straight out control. It's here, I think, that the citizens of Asheville will have to make up their minds — in the snowy days of January — which is an interesting date to select in the mountains. Avoiding the major election where there would be a major turnout. I can see the liquor by the drink forces and their strategy here and I don't blame them. They don't want a large turnout. You either rush into your election as the councilmembers of Black Mountain have chosen or you wait and pray for a six inch snow. I don't blame them. I guess if I'm engaged in strategy, I would decided that for my advantage too. Certainly, by avoiding the November election day, they have avoided a large turnout. I think its going to be more important that we discuss the issue of control and make sure we get an adequate turnout so this issue can be settled.

As far as control is concerned, it is my opinion that liquor by the drink will increase consumption of alcohol in Asheville and Buncombe County. There are debates over this and I've seen statistics on one side and on the other. It reminds me so much of the college debating season where you get a book that has a case for the affirmative and a case for the negative, and it just appears that there is no way to decide this point. In the data that I have seen, these data are conclusive that we will have increased consumption as a result of liquor by the drink.

Secondly, I think the mechanism of control of consumption as outlined by this bill is one of the most awkward that I've ever seen. For example, in one amendment on page two, the restaurant selling mixed drinks "must adopt rules for the special labeling of containers of alcoholic beverages sold for resale in mixed beverages and to require the holders of mixed beverage permits to maintain records of alcoholic beverages purchased and sold as mixed beverages and to maintain records of monthly sales of mixed beverages separate from other sales." Then turning to page seven there are several specifics here (and I won't take time to read them all) but first under point (a) on page seven one of the requirements is to: "it is not permitted to refill any alcoholic beverage container with any other intoxicating liquor for use on the licensed premises; (b) transfer from one container to another any special label, seal or devise required on containers of alcoholic beverages purchased for resale as mixed beverages." I submit to you that this will be impossible to enforce. There is no way that we can hire enough ABC agents to enforce the mechanics — the cumberances and involved and complex mechanics — of this bill. It is highly complex and I think we ought to be aware of that.

The third order of control that I'm concerned about is the sale to miners, or individuals under 21. On page one, it is prohibited "for any person, firm, or corporation knowingly to sell or give any alcoholic beverages or mixed beverages to any person under 21 years of age or any person under 21 years of age to purchase or possess, or for anyone to aid or abet such a person in purchasing alcoholic beverages or mixed beverages." We're

The City Manager read the resolution.

Corporation Counsel Moore read a letter from Sonya E. Friedrich, from the Buncombe County Board of Elections relative to the dates a referendum could be held.

Councilman Michael moved for the adoption of Resolution No. 78-136, amending the resolution to call for the election in the 3rd week in January, 1979. This motion was seconded by Councilman Cole.

The following statements were made by several Councilmembers.

Councilman Rainey: "Mr. Mayor, I would like to take some time to discuss this issue because it does appear, whether we like it or not, that we are into a campaign on liquor by the drink. I regret that we have rushed into this. I would prefer that we have an opportunity to prepare by having a public hearing on this issue, and I'm disappointed and I need not try to hide my disappointments. We have public hearings in this business, at the drop of a hat, for almost every issue in the world and all of a sudden you come to this one and I don't understand the rush to judgement. But, here we are anyway. It seems to me that we first of all need to clear the underbrush.

The issue involved here is not the issue of democracy versus dictatorship. It's not whether or not we are somehow not permitting people to exercise their rights, as citizens, to vote. The law that we are acting under was passed in Raleigh and that law states on page eight that "In any county or city where ABC stores have been established, an election may be called on the question of whether the on premises sale of mixed beverages should be allowed in social establishments and restaurants." What the people in Raleigh did was to place within the power of the City Council, or the Board of Commissioners, or by a petition, the privilege of calling an election. This is not denial of rights. It is first and foremost, a decision — like any other decision — that must be made by a Councilmember based on issue.

I want to avoid the debate over splitting a hair here. I cannot in my own mind split the hair. This issue is liquor by the drink. The issue is not democracy. The issue is whether you call an election.

The issue is not whether you block someone's right to vote and I think that we can clarify that, although I must admit I'm not at all very optimistic about that clarification sticking. In politics, you say that you have lost a battle when you have lost it in the press. (My good friends of the press over here on the left, and I can see the first line of troops sitting here, ask the questions: They are asking it that way. I know that they are going to correct that in the future, but I wanted to mention it in passing.) The issue is not referendum or as such, the issue is liquor by the drink.

Secondly, this is not a moral issue. We are not discussing dry versus wet. Personally, my religion teaches me temperance not abstinence. In general, the history of christendom teaches temperance not abstinence. So it's not a moral issue. It's not the wet forces versus the dry forces. It's not an attempt to return to prohibition.

Dr. Rainey brought up several things, three to be exact, and since he raised the issue, I'd just like to say I don't see how mixed drinks can cause increased consumption. If you can take a bottle to a restaurant and pour as much as you want without anybody knowing exactly how much you poured I think that is increased consumption as high as you can get it. If you have to order drinks by the jigger and pay for each one I think most peoples consumption would be better, in that minors would not be allowed to drink because they would be asked if they were minors at the time they purchased a drink rather than bring their own bottle in and just have to ask for a set up which is not prohibited by law to be sold to anyone.

I'm not going to say what I'm for or against. I'm going to say I think that the people should have the right to vote for what type of alcohol consumption they want in the City of Asheville. As far as voting for the election to be held on January 3, I would be willing to vote for the election to be held on any day that the brownbagging forces or the mixed drink forces want to have it. I don't see the difference. I don't know that much about politics to guess whether a light turnout will help or whether a heavy turnout will help. I just don't know. But if you want to change that I'll be glad to change it."

Vice-Mayor Horton: "Mr. Mayor, I was really hoping to listen to some of the other comments before making mine. I know there are members of the public who are here who would like to address the Council on this issue before we take our vote and certainly we will give these people an opportunity.

I'd like to preface my remarks with a couple of old fashioned sayings and I'm right in between two different interpretations by Councilman Rainey and Councilman Morris. First, "a rose by any other name would smell as sweet," that's from Shakespeare, probably from the Bible originally. Then theres another one "no matter how you slice it, it's still salami." I think that we do have a difference of opinion but I'll get to what my opinion is in just a moment.

Today this Council is not, contrary to what you have heard, just considering a referendum on liquor by the drink. It is considering calling another referendum on liquor by the drink. Now, I would like to assert my privilege to speak and make my remarks on behalf of the majority of Asheville voters who voted against liquor by the drink just a little over four years ago. If this Council calls for another referendum on liquor by the drink, we are saying to that majority of Asheville voters, "Your previous vote means nothing. It doesn't count." We're further saying the State legislature has chosen to ignore the 2-1/2 to 1 margin against liquor by the drink in the North Carolina statewide referendum and we are further telling this majority of the voters of Asheville that in conspiracy with the liquor industry and several special interest groups the democratic process has been unscrupulously, if not unethically, bypassed and you the majority of the citizens of Asheville are being required to replay this game that you won only a short time ago. You have to vote all over again and allow the minority and the special

not doing a very good job about policing the sale of liquor to minors now. This provision contains nothing that will help us in that enforcement; indeed, the provisions laid out in this bill will even make it more difficult to enforce the prohibition of sale of liquor to persons under 21. We're going into this totally blind. The size of the establishment.... I would ask the City Manager to tell me if we know how many restaurants in Asheville that would be under this bill be permitted to sale liquor by the drink. We do not have that information. I would ask whether the restaurant located at the airport will be permitted under this bill to sell liquor by the drink. No one knows how many restaurants within Asheville.....(Discussion followed among Council members relative to restaurant at the Airport being allowed to sell liquor by the drink).... We are looking at this issue flying blind.

So let me summarize, Mr. Mayor, the issue is not one of democracy or the lack of it. The issue is not one of morality. The issue is one of control and its on that basis that I think that we'll have to make our decision today. I cannot in my own mind support liquor by the drink. Now, I could, if I wanted to, I suppose, come down on both sides of the issue. Or, I could do a rapid act of mental gymnastics before the public which I suppose would be worth a rather large admission price in itself. That is I could say, "Personally, I have certain feelings on this. However, on the other hand, I will do something else; I will vote the other way."

Those of us with minority blood in us, such as Apache blood, do not like to speak with forked tongue. I cannot do this.

As I leave, leaving forward to the exit period of my tenue in politics, one thing that I promised myself is that I would at least be true to my own feelings. The issue here, Mr. Mayor, is liquor by the drink and for that reason I will vote against a call for an election on this issue."

Councilman Morris: "If Dr. Rainey is through I would like to absolutely disagree with his first premise. Now, you can say the issue is "twinkle, twinkle, little star"if you choose to, that won't make it true. The issue is democracy. The issue does have to do with whether or not this City Council will allow its citizens to take part in the decision making or whether this Council will deny them that privilege. Whatever you call it - it does not change the fact. The more often you say it the less sense it makes to me, frankly. I think the citizens have a right and I think this Council ought to allow them to make the determination themselves. I don't think we ought to dictate to them. "

Councilman Michael: "I'd like to agree with Councilman Morris. The only thing we are voting on today is whether or not the people should have the right to vote for mixed drinks or liquor by the drink. We are voting on a referendum. We are not voting on how the people should vote or whether we should have mixed drinks or not.

I have one final thought, remember this my friends and fellow townspeople, all who may be within the sound of my voice, our city will never be the same again if liquor by the drink comes in."

Mayor Trantham: "I do resent the fact that some think the election in January was set up or rigged by this Council because its going to snow on that day. I think the good Lord is the only one who know if it's going to snow, not this Council. I don't think this Council has any intention of depriving the citizens of a public hearing. Whatever action is taken here today is the time to have the public hearing. I have all the confidence in the world in this Council in doing what is honest and upright. I've never seen any other action since I've been here. I just wanted to clarify that."

Mrs. A. D. Brown spoke against the Council calling for a referendum on liquor by the drink.

Rev. Wilbur Groce, a vice president of the N. C. Christian Action League and minister of Asheville Wesleyan Church said he did not think the bill as written could be enforced. He said the citizens of Buncombe County voted in the statewide referendum and should be allowed to vote in this election. He also said Council should not rush into having an election before the guidelines are completed by the State ABC Board.

Mr. Don Taylor, President of the Buncombe County Christian Action League, said he recognized that Council would take a vote on the issue at todays meeting but since the State ABC rules have not been formulated he suggested that the vote be delayed until they have been completed.

Mr. John Hicks concurred with Mr. Don Taylor.

Mr. Bill Fass, a restaurant owner and citizen of Asheville, spoke in favor of calling a referendum on the issue of liquor by the drink. He said the citizens have a right to change their minds since the last statewide referendum.

At the request of Councilman Rainey, Mayor Trantham called for a roll call vote on the resolution.

Resolution No. 78-136 passed on a roll call vote of 4-2, with Councilwoman Price, Councilmen Cole, Morris and Michael voting "aye" and Vice-Mayor Horton and Councilman Rainey voting "no."

Vice-Mayor Horton moved that the City Manager advise Council no later than November 15, 1978 as to the status of the guidelines from the State ABC Board in order that Council could consider rescheduling the election date if the guidelines are not completed or sufficient. This motion was seconded by Councilman Morris and carried unanimously.

Complete text of Resolution No. 78-136 will be found in Resolution Book No. 10 at page 301.

interest crowd a second chance at forcing liquor by the drink upon your community. Now, thats what we'll we saying to the majority of the people of Asheville who voted in the statewide referendum in 1973.

Now, I have heard proponents of liquor by the dring argue that this is a question of controlling the amount of alcohol to be consumed in our community. In my opinion that is hogwash. This argument of control in the first place is a fallacy and perhaps can not be considered. In the second place, I agree with Councilman Rainey that statistics from all over this nation show that with liquor by the drink you have an increase, markedly increased, consumption of alcohol in a given community. I have here a chart that was made up by the Research Department of the Preferred Mutual Insurance Company, going all the way back to 1960 - running from 1960 to 1972 -- and on a comparative basis the figures of per capita consumption of alcohol in those states that have ABC stores or some similar control, but not licensed outlets of mixed drinks or liquor by the drink, the per capita consumption is running -- some of the figures 109, 106, 111, 132, and on to 1972 - 155. But with other licensed outlets of liquor by the drink the statistics run from 144 on up to 204 in 1972 or about a 33 per cent increase in the per capita consumption in those areas that do have licensed outlets for mixed beverages in their community. So statistics do bear out that if you are considering controls it would weigh heavily against liquor by the drink as no way to control public consumption of alcohol.

Now, let's get back to the basic issue. The question here is: (a) liquor by the drink as a legal means of the public consumption of alcohol in our city; or(b) no liquor by the drink to add to the social problems of our community. If we remove all the rhetoric and argumentation it boils down simply to this, even in the action this Council is about to take to day-- Liquor by the drink or no liquor by the drink.

There's another argument that I also consider a fallacy. The argument that "the people ought to vote on it." The simple truth answer to that is the people have already voted and the majority in Asheville voted against liquor by the drink. I see no evidence to this present moment that their feelings have changed in the slightest. Make no mistake about it, if this Council calls for this referendum it will in fact be consenting to the majority of Asheville citizens being victimized by some appallingly unscrupulous manipulations within the political system of North Carolina, namely our State legislature, and by so doing Council will be consenting to the subjection of all citizens of Asheville to a super rip-off by the liquor industry and other special interest groups which are even now standing in the wings already drooling. Litterly drooling over visions of the fat profits they expect to make from liquor by the drink. Be assured those special interest profits would be astronomical. For example, in what other business could one realize a mark up on its main product of 500% to 600%. My personal contention is this - in order to spare our community the trauma of a long disruptive and divisive political campaign-- the scars of which may well remain for many years- this Council should accept the fact that a majority of Asheville voters have already voted against liquor by the drink, and this Council should honor that democratic action by refusing to call another referendum on liquor by the drink.

After discussion, Councilman Cole moved to continue the public hearing until July 20, 1978 giving Council members an opportunity to look at the property in question. This motion was seconded by Councilman Morris and carried unanimously.

PUBLIC HEARING - GROUP DEVELOPMENT - PHASE II - ADDITION TO MEMORIAL MISSION HOSPITAL

4. A public hearing was held relative to the Group Development of Phase II of an addition to Memorial Mission Hospital.

Vice-Mayor Horton opened the public hearing at 5:02 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Planning and Zoning Commission at a meeting on June 7, 1978, reviewed the site plan of the proposed additions to Memorial Mission Hospital of W.N.C., Inc. The plan was prepared by Six Associates, Inc., Architects, and was submitted in accordance with Article 6, Group Developments of the Asheville Zoning Ordinance No. 322, as amended. The Commission voted to recommend the site plan to Council for approval subject to the following:

a) Compliance with appropriate sedimentation control regulations.

b) Compliance with requirements of the Water and Sewer Department in letter dated June 5, 1978.

Mr. John Rogers, of Six Associates, Inc., answered general questions from members of Council.

Vice-Mayor Horton closed the public hearing at 5:08 p. m.

After discussion, Councilwoman Price moved to approve the group development plan for Phase II of an addition to Memorial Mission Hospital subject to the conditions recommended by the Planning and Zoning Commission. This motion was seconded by Councilman Rainey and carried unanimously.

PUBLIC HEARING - AMENDING ORDINANCE NO. 424 - SUBDIVISION REGULATIONS

ORDINANCE NO. 1069 - AN ORDINANCE AMENDING ORDINANCE NO. 424, KNOWN AS "AN ORDINANCE ESTABLISHING REGULATIONS FOR THE DEVELOPMENT OF REAL ESTATE SUBDIVISION"

5. A public hearing was held relative to amending Ordinance No. 424, "An Ordinance Establishing Regulations for the Development of Real Estate Subdivisions."

Vice-Mayor Horton opened the public hearing at 5:09 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said at the regular meeting of the Planning and Zoning Commission held June 7, 1978, the staff pointed out the need for amending the definition of "subdivision" to bring the City's Subdivision Regulation Ordinance into conformance with state statutes. The Commission voted to recommend to City Council that Ordinance No. 424, "An Ordinance Establishing Regulations for the Development of Real Estate Subdivisions" be amended to bring the ordinance into conformance with state statutes. Mr. Emrick then reviewed the amendments to be included in the ordinance.

COUNCIL RECESS - MEETING TURNED OVER TO VICE-MAYOR

Council recessed at 4:25 p. m. and Mayor Trantham turned the meeting over to Vice-Mayor Horton.

Mayor Trantham was excused from the meeting at 4:25 p. m.

Council reconvened at 4:35 p. m.

BOXING AND WRESTLING COMMISSION - REVENUES

Dr. Leon Feldman, Chairman of the Boxing and Wrestling Commission, presented a check in the amount of $7,000 to the City of Asheville for revenues from the Boxing and Wrestling Commission.

PUBLIC HEARING - REZONING OF SWEETEN CREEK ROAD -MR. JOHN McDUFFIE AND MR. JAMES WESTALL, WALLS & THRASH FUEL COMPANY, NOVA ENTERPRISES, INC. AND MR. W. H. GUTHERIE

3. A public hearing was held relative to rezoning property on Sweeten Creek Road from R-3 Residential District to CS Commercial Service District, property owned by Mr. John McDuffie and Mr. James Westall, Walls and Thrash Fuel Company, Nova Enterprises, Inc., and Mr. W. H. Guthrie.

Vice-Mayor Horton opened the public hearing at 4:39 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Planning and Zoning Commission at a regular meeting held June 7, 1978, considered the request of the petitioners that Lot 172, 262, 338, 178-1/2, and 261, Ward 13, Sheet 23, be rezoned from R-3 Residential District to CS Commercial Service District. He said the Commission voted to recommend approval of this petition for the following reasons:

A. The proposed rezoning would bring the area into conformity with the already existing situation in the area. Much of the property in the vicinity is already commercial.

B. The proposed rezoning would be in the general interest of all property owners in the area and will not materially or adversely affect the character of the neighborhood.

By the use of a map, Mr. Emrick reviewed the location of the property in question.

Mr. Ward Hendon, Attorney for Walls and Trash Fuel Company, spoke in favor of the rezoning. He said the property is presenting being used as commercial.

Francis Robinson, a resident of the area in question, spoke in opposition to the rezoning.

Mrs. Davis, a resident of the area in question, also spoke in opposition to the rezoning.

Councilman Michael moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1070. This motion was seconded by Councilman Rainey and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1070 passed on third and final reading.

Complete text of Ordinance No. 1070 will be found in Ordinance Book No. 8 at page 277.

ORDINANCE NO. 1065 - AN ORDINANCE ESTABLISHING AN ADVISORY BODY KNOWN AS THE ASHEVILLE TREE COMMISSION

8. Consideration was given to the third reading of Ordinance No. 1065, an ordinance establishing an Advisory Board known as the Asheville Tree Commission.

Councilman Rainey moved to delete subsection (1), relative to private property, from Ordinance No. 1065. This motion was seconded by Councilwoman Price and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1065 passed on third and final reading.

Complete text of Ordinance No. 1065 will be found in Ordinance Book No. 8 at page 266.

MRS. SIMMONS - 580 SAND HILL ROAD - BUSINESS BEING CARRIED ON NEXT DOOR

9. Mrs. Simmons, 580 Sand Hill Road, complained to Council that a business is being carried on next door to her at 574 Sand Hill Road. She said the business has been carried on for over two years.

Vice-Mayor Horton said the Inspection Division would investigate the complaint and follow up with an attempt to bring the violation into compliance.

RESOLUTION NO. 78-137 - RESOLUTION TERMINATING THE NOVEMBER 6, 1961, AGREEMENT WITH THE STATE HIGHWAY COMMISSION CONCERNING THE LIGHTING OF THE ASHEVILLE EXPRESSWAY

10. Consideration was given to a resolution terminating the November 6, 1961, agreement with the State Highway Commission concerning the lighting of the Asheville Expressway.

The City Manager read the resolution. He explained that the section of highway covered by the agreement is becoming part of the Interstate highway system, having been designated I-240, and therefore should not be the responsibility of the City.

Upon motion of Councilwoman Price, seconded by Councilman Michael, Resolution No. 78-137 was unanimously adopted.

Complete text of Resolution No. 78-137 will be found in Resolution Book No. 10 at page 302.

After discussion, Vice-Mayor Horton closed the public hearing at 5:16 p. m.

The City Manager read the ordinance.

Councilman Michael moved for the adoption of Ordinance No. 1069. This motion was seconded by Councilwoman Price.

On a roll call vote of 5-0, Ordinance No. 1069 passed on first reading.

ORDINANCE NO. 1062 - AN ORDINANCE REVISING THE SANITATION CODE OF THE CITY OF ASHEVILLE

6. Consideration was given to the third reading of Ordinance No. 1062, an ordinance revising the Sanitation Code of the City of Asheville.

Clark Brown, Superintendent of Public Works, advised that the ordinance has been revised since the first and second readings. He said the major change would be the elimination of the setout and setback service.

The City Manager said the program would take about four weeks to implement and that an explanation of the code and its new requirements is now being prepared and will be given out to city residents on the garbage collection routes.

After discussion, Councilwoman Price moved to amend Ordinance No. 1062 as presented on third reading. This motion was seconded by Councilman Michael and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1069 passed on third and final reading.

Complete text of Ordinance No. 1069 will be found in Ordinance Book No. 8 at page 215.

ORDINANCE NO. 1070 - ORDINANCE ESTABLISHING THE CORRECTED FOURTH YEAR COMMUNITY DEVELOPMENT BLOCK GRANT ENTITLEMENT AMOUNT FOR THE CITY OF ASHEVILLE

7. Consideration was given to an ordinance establishing the corrected Fourth Year Community Development Block Grant Entitlement Amount for the City of Asheville.

The City Manager read the ordinance.

Councilwoman Price moved for the adoption of Ordinance No. 1070. This motion was seconded by Councilman Michael.

On a roll call vote of 5-0, Ordinance No. 1070 passed on first reading.

Councilwoman Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1070. This motion was seconded by Councilman Michael and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1070 passed on second reading.

E. Resolution authorizing the submission of a grant application to the Appalachian Regional Commission for enterprise development in the downtown area.

HIGHLIGHTS: The proposed project will enable the development of a promotion strategy to facilitate commercial and economic growth within Downtown Asheville's Central Business District. This project will play a vital role in the further development of Asheville's Revitalization efforts, as well as being a powerful catalyst for the strengthening of economic health and prosperity within the Western North Carolina region.

Resolution Book No. 10 Page 306

F. Motion regarding amendment of the Fiscal Year 1978-79 Budget to include the CETA Police/Fire Cadet Employment Program.

HIGHLIGHTS: The City of Asheville Federal Programs Fund budget for Fiscal Year 1978-79 be amended to include the $122,475 appropriation and expenditures through June 30, 1978 and to further appropriate the balance of $40,825 of the total CETA Police/Fire Cadet Program grant of $163,300 through September 30, 1978. This program is fully funded by CETA through the Buncombe County Manpower Office.

G. Resolution calling for a public hearing for the adoption of an ordinance directing the Housing Officer to demolish the dwelling houses known as 21 Blake Street and 93 Washington Road.

HIGHLIGHTS: 21 Blake Street and 93 Washington Road have been found to be unfit for human habitation, unsafe and dangerous to life. Owners have not complied with order to repair said structure or demolish and remove said structure. Pursuant to N.C.G.S. 160A-364, a public hearing is required before the adoption of an ordinance directing the Housing Officer to demolish said structure.

Resolution Book No. 10 Page 307 .

H. Consideration of bids opened July 5, 1978 for folding chairs, folding tables and office furniture for the Montford Recreation Center, Parks and Recreation Department.

HIGHLIGHTS: Four (4) bids were received.

Ray Kisiah, Director of Parks and Recreation, and George Phipps, Purchasing Agent, recommend award to the low bidder, meeting specifications, on a per item basis:

Hoyle Office Supplies, Inc.

Bid Item #1	1,000.00	1,000.00

APPROVAL OF THE CONSENT AGENDA

11. The Ctiy Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. Resolution authorizing the Mayor of the City of Asheville to execute easement in favor of the Carolina Power and Light Company.

HIGHLIGHTS: This easement is for Carolina Power and Light Company to update an existing electric power line at the intersection of Pearson Drive and Gay Street on property belonging to the City of Asheville, known as the Montford Recreation Center Complex.

Resolution Book No. 10 Page 303

B. Public hearing relative to the Asheville Downtown Commission "Downtown Development Plan."

C. Resolution authorizing and directing the Mayor and City Manager to execute on behalf of the City of Asheville the contract with the North Carolina Department of Transportation for State Project 8.2017402, Buncombe County.

HIGHLIGHTS: The City of Asheville proposes to make road improvements, consisting of widening of French Broad Avenue for turn lanes radii and the installation of traffic signals at the intersection of Patton Avenue and French Broad Avenue, under the Federal-Aid Safer Off-System Program, under Project 8.2017402, Buncombe County.

Resolution Book No. 10 Page 304

D. Resolution authorizing the Mayor to sign a lease agreement with Piedmont Airlines.

HIGHLIGHTS: This lease, along with similar leases for Delta and United, is the outcome of the 1975 renegotiation of rental rates and landing fees. The landing fee, which has been 13¢ per thousand pounds since 1975, will increase (retroactively) to 19¢ for 1976-77, 20¢ for 1978, 21¢ for 1979, and 22¢ for the period from January 1, 1980, to January 14, 1981, when the current five-year period ends and the rates are renegotiated. Rental rates for ticket counter space and office space in the terminal buidling are also being increased.

Resolution Book No. 10 Page 305.

NOTES: All quantities are estimated for the year. City of Asheville purchase orders will be placed on an as-needed basis.

Cost all items recommended - $110,256.00

Budget: Chemical and Laboratory Supplies - Accoun: No. 30-50-731-0032, Budgeted $150,000.0C

J. Resolution approving contract between the City of Asheville and the United States Department of Transportation, Urban Mass Transportation Administration, Grant Number NC-90-0041, and authorizing the City Manager of the City of Asheville to receive and expend Federal funds.

Resolution Book No. 10 Page 309 .

Upon motion of Councilwoman Price, seconded by Councilman Cole, the consent agenda was unanimously approved.

PUBLIC HEARING SCHEDULED - GROUP DEVELOPMENT - VICTORIA HEALTH CARE CENTER

12. The City Manager read a letter from Verl Emrick, Planning Director, which stated that the Planning and Zoning Commission at a meeting held June 8, 1977, reviewed the site plan for the proposed Victoria Health Care Center to be located on Vernon Road near Victoria Road. The plan was prepared by Traber Associates for Dr. John Holt and was submitted in accordance with Article 6, Group Developments of the Asheville Zoning Ordinance #322, as amended. After discussion, the Commission voted to recommend the site plan to City Council for approval subject to the developer complying with the recommendations set forth by the Planning and Zoning Commission.

Councilman Morris moved to schedule a public hearing on the matter for August 3, 1978. This motion was seconded by Councilman Rainey and carried unanimously.

PUBLIC HEARING SCHEDULED - EAGLE-MARKET STREET NEIGHBORHOOD AND ECONOMIC DEVELOPMENT PROJECT

13. The City Manager read a letter from Verl Emrick, Planning Director, which stated that the Planning and Zoning Commission, at it's regular meeting on July 12, 1978 reviewed the redevelopment plan for the Eagle-Market Street Neighborhood and Economic Development Project at the request of the Housing Authority of the City of Asheville. After reviewing the plan and listening to public comments on the plan, the Commission voted to recommend approval of the plan to City Council. In keeping with state law on urban renewal projects, the City Council must hold one formal public hearing on the plan before taking action to approve, amend or reject the redevelopment plan.

Councilwoman Price moved to schedule a public hearing on the matter for August 3, 1978. This motion was seconded by Councilman Cole and carried unanimously.

Gantt Office Furniture

I. Consideration of bids opened July 5, 1978 for chemicals for treatment of water, Fiscal Year July 1, 1978 through June 30, 1979.

HIGHLIGHTS: Eleven (11) bids were received.

Dean Yancey, Superintendent of Water Production and Quality Control Division, and George Phipps, Purchasing Agent, recommend award on a per item basis to the lowest bidder as follows:

Moreland Chemical Co., Spartanburg, S. C.

Item #1: Liquid Chlorine - Approximately 200,000 Pounds @ $7.24/CWT (Price firm for one year) $14,480.00

Ticar Chemical Co., Asheville, N. C.

Item #2: Caustic Soda, 50% - Approximately 440,000 Pounds @$7.5275/CWT (Price firm for 90 days) $33,121.00

Thompson-Hayward Chemical Co., Thomasville, N. C.

Item #3: Liquid Hydrofluosilicic Acid - Approximately 300,000 Pounds @ $2.697/CWT (Price firm for 6 months) $ 8,091.00

Shannon Chemical Corp., Malvern, P.A.

Item #4: Dry Zinc Polyphosphate - Approximately 120,000 Pounds @ $45.47/CWT $54,564.00

VACANT LOT ON STATE STREET

A citizen of State Street complained of a vacant lot on State Street that needs to be cleared.

The Inspection Division was instructed to investigate the complaint about the vacant lot on State Street.

COUNCILMAN MICHAEL - POLICE MONITORING SYSTEM

Councilman Michael said there was some concern about the Asheville Police Department terminating the police monitoring system.

The City Manager said the Chief of Police is currently reviewing the monitoring system and that he has made no recommendations to terminate the system as of yet.

Councilman Michael said there should be some reassurance that it will not be discontinued before an agreement is made that is fair to everyone.

GROUP DEVELOPMENTS - COUNCIL REVIEW QUESTIONED

Councilman Rainey questioned whether it was necessary for Council to review group developments when no controversy is anticipated.

Verl Emrick, Planning Director, said he would check into the matter.

Adjournment.

Ray M. Lapsley
MAYOR

Frances J. Roberts
CITY CLERK

JOINT REZONING PETITION - MR. PETER FEISTMAN - MR. JOSEPH KANE

Verl Emrick, Planning Director, said the Planning and Zoning Commission at a regular meeting held on June 7, 1978 considered the request of Mr. Peter Feistman and Mr. Joseph Kane that Lots 4, 6, and 8, Sheet 50, Ward 7, and Lot 556, Sheet 18, Ward 7 (located on Sweeten Creek Road) be rezoned from R-3 Residential District to HI Heavy Industrial District. After discussing the issues of this request the Commission voted to recommend denial of this petition to City Council. He said the petitioners were notified of the recommendation of denial, however there was a misunderstanding as to the time limit the petitioners had in order to request Council to hold a public hearing on the matter. Mr. Emrick requested that Council give the petitioners an additional thirty (30) days in order to request the City Council for a public hearing.

Councilwoman Price moved to allow Mr. Peter Feistman and Mr. Joseph Kane an additional thirty (30) days in which to request Council to conduct a public hearing on their rezoning request. This motion was seconded by Councilman Morris and carried unanimously.

CLAIM - MRS. EUNICE F. PARRIS

The City Manager presented a claim received from Mrs. Eunice F. Parris.

Vice-Mayor Horton referred the claim to the Corporation Counsel for investigation and recommendation.

CLAIM - MR. LEWIS BLODGETT

The City Manager presented a claim received from Mr. Lewis Blodgett.

Vice-Mayor Horton referred the claim to the Corporation Counsel for investigation and recommendation.

CLAIM - MR. PAUL W. LEGG

The City Manager presented a claim received from Mr. Paul W. Legg.

Vice-Mayor Horton referred the claim to the Corporation Counsel for investigation and recommendation.

CLAIM - MR. AND MRS. JOHN YOUNG

The City Manager presented a claim received from Mr. and Mrs. John Young.

Vice-Mayor Horton referred the claim to the Corporation Counsel for investigation and recommendation.

RALPH BISHOP - LOTTERY SALES

Mr. Ralph Bishop, again spoke to Council regarding the lottery sales in Asheville.

Councilman Morris moved for the adoption of Ordinance No. 1071. This motion was seconded by Councilman Cole.

Councilman Rainey said he could not vote for the rezoning change since it was not consistent with previous Council policies. He said the rezoning would impact the neighborhood with commercial developments.

Councilman Michael said the property in question is mostly commercial property and he did not feel the rezoning would damage anyone. He said if Council did not rezone the property they would be stopping progress.

Mr. Phil Carson, attorney representing Walls and Thrash Fuel Company, said the property is commercial in character and appealed to Council to rezone the property as petitioned.

Mr. John McDuffie, petitioner, spoke in favor of the rezoning.

On a roll call vote of 4-2, Ordinance No. 1071 passed on first reading with Councilwoman Price and Councilman Rainey voting "no."

ORDINANCE NO. 1069 - AN ORDINANCE AMENDING ORDINANCE NO. 424, KNOWN AS "AN ORDINANCE ESTABLISHING REGULATIONS FOR THE DEVELOPMENT OF REAL ESTATE SUBDIVISIONS"

4. Consideration was given to the second reading of Ordinance No. 1069, an ordinance amending Ordinance No. 424, known as "An Ordinance Establishing Regulations for the Development of Real Estate Subdivisions."

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1069 passed on second reading.

AFFIRMATIVE ACTION QUARTERLY REPORT

5. Mr. Sam Graves, of the Personnel Division, presented members of Council with the Affirmative Action Quarterly Report.

Mr. Graves made brief comments relative to the contents of the report. He said in his opinion progress has been made in the Affirmative Action Program during the last four months.

Councilman Michael said the report indicated more white males still being hired in professional or administrative positions. He said that a high percentage of blacks recently hired in para-professional positions were temporary employees hired by the Parks and Recreation Department.

Mayor Trantham commended the Affirmative Action Committee for their work in the program.

RESOLUTION NO. 78-145 - RESOLUTION APPOINTING A MEMBER TO THE PLANNING AND ZONING COMMISSION FOR THE CITY OF ASHEVILLE (Mr. William C. Frue, Jr.)

6. Consideration was given to a resolution appointing Mr. William C. Frue, Jr., as a member to the Planning and Zoning Commission for the City of Asheville.

Thursday - July 20, 1978 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen Gene E. Rainey, F. Jack Cole, Otis B. Michael, Ralph D. Morris, Jr., Acting Corporation Counsel Robert J. Robinson, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Corporation Counsel William C. Moore

INVOCATION

Councilman Ralph D. Morris, Jr. gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the July 13, 1978 meeting.

Upon motion of Councilman Rainey, seconded by Councilman Cole, the minutes of the July 13, 1978 meeting was approved as submitted.

RESOLUTION NO. 78-144 - RESOLUTION OF APPRECIATION TO JAMES W. DANIELS FOR SERVICES AS CHAIRMAN OF THE ASHEVILLE PLANNING AND ZONING COMMISSION

2. Consideration was given to a resolution of appreciation to James W. Daniels for services as chairman of the Asheville Planning and Zoning Commission.

The City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Vice-Mayor Horton, Resolution No. 78-144 was unanimously adopted.

Complete text of Resolution No. 78-144 will be found in Resolution Book No. 10 at page 310.

PUBLIC HEARING - REZONING OF SWEETEN CREEK ROAD - MR. JOHN McDUFFIE AND MR. JAMES WESTALL, WALLS AND THRASH FUEL COMPANY, NOVA ENTERPRISES, INC. AND MR. W. H. GUTHERIE

ORDINANCE NO. 1071 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED

3. A public hearing continued relative to rezoning property on Sweeten Creek Road from R-3 Residential District to CS Commercial Service District, property owned by Mr. John McDuffie and Mr. James Westall, Walls and Thrash Fuel Company, Nova Enterprises, Inc. and Mr. W. H. Gutherie.

There being no further comments relative to the rezoning request, Mayor Trantham closed the public hearing at 3:17 p. m.

The City Manager read the ordinance rezoning the property as petitioned.

CLAIMS - ACCIDENT REPORTS TO INSURANCE CARRIERS - MARLOWE, SEARCY, JOHNSON, DIELD, WHEELS, INC. COLUMBIA BIBLE COLLEGE

9. The City Manager presented a memorandum from Mr. W. R. Swearngan, Facility Services Superintendent, which stated that the following claims against the City of Asheville for damages have been forwarded to the insurance carrier.

A. Vehicle accidents - St. Paul Fire and Marine Insurance

1. Ms. Agnes Marlowe
   18 Hawthorne Lane

2. Bob Searcy
   673 Moreville Road

3. William L. Johnson
   15 Latha Street

B. Accidents reported where City vehicle not at fault

1. Lawrence A. Dield
   777 Lakeshore Drive

2. Wheels, Inc.
   Decatur, Georgia — Driver- Ms. Ruth Chapman
   16 Sterling Street
   Asheville, N. C.

C. Parked vehicle hit by City truck - no claim as yet

1. Columbia Bible College
   7436 Monticello Road
   Columbia, South Carolina

TRASH COLLECTION PROCEDURE

10. The City Manager reported that a brochure explaining the new garbage pickup system to be implemented July 31, 1978 will be delivered to all city residents beginning Friday, July 21, 1978.

CITY MANAGER'S RECOMMENDATIONS REGARDING PAY AND EVALUATION PROGRAM FOR 1978-79.

11. As a result of a direction from City Council during the June 29, 1978 City Council meeting the City Manager presented the following recommendations regarding pay and evaluation program for 1978-79.

1. Entry level pay for unskilled full-time positions (40 hour week) will be a minimum of $3.01 per hour. Therefore, all full-time employees in the positions of Baggagemen, Elevator Operator, Janitor, Parking Attendant, and Watchman earning below $2.87 per hour as of June 30 will be increased to $3.01 effective July 1, 1978.

2. Unskilled full-time employees that were on the payroll as of July 1, 1978 in the positions of Laborer I, Laborer II, Janitor Leadman and Garage Attendant will be paid $3.17 per hour effective July 1, 1978. For most people in these positions, this will mean a total of at least a 30¢ increase

The City Manager read the resolution.

Upon motion of Councilman Cole, seconded by Councilwoman Price, Resolution No. 78-145 was unanimously adopted.

Complete text of Resolution No. 78-145 will be found in Resolution Book No. 10 at page 311 .

APPROVAL OF CONSENT AGENDA

7. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. Scheduling of a public hearing relative to rezoning Ward 7, Sheet 50, Lot 5 (corner of Caribou Road and Wyatt Street) from R-3 Residential District to OI Office Institutional District, property owned by Dr. James H. Maddox and Handiskills for August 17, 1978.

B. Scheduling of a public hearing relative to rezoning Ward 12, Sheet 12, Lot 42-1/4 and a portion of Lot 7 (678 and 686 North Louisiana Avenue) from R-5 Residential District to LI Light Industrial District, property owned by Mr. and Mrs. Henry C. Fisher, Jr., for August 17, 1978.

C. Scheduling of a public hearing relative to the site plan of proposed Mini Warehouse Facilities to be located on Sweeten Creek Road for August 17, 1978.

Upon motion of Councilman Cole, seconded by Councilwoman Price, the consent agenda was unanimously approved.

RESOLUTION NO. 78-146 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH HOBSON CONSTRUCTION COMPANY, INC., FOR THE PROJECT KNOWN AS STATE STREET FIRE LINE

8. Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Hobson Construction Company, Inc., for the project known as State Street Fire Line.

The City Manager read the resolution.

Upon motion of Councilwoman Price, seconded by Councilman Morris, Resolution No. 78-146 was unanimously adopted.

Complete text of Resolution No. 78-146 will be found in Resolution Book No. 10 at page 312 .

Community Development Fund	$ 291.20	Reduction of Administrative expenses

July 1, 1978 will be eligible for a 5% salary increase effective January 1, 1979 provided they receive a satisfactory job performance evaluation (Except Step F). For individuals in the unskilled job categories, this will mean a 15¢ to 16¢ increase per hour.

4. All new full-time City employees will be eligible for an increase in pay after six months work and upon receiving a satisfactory job performance evaluation.

5. Job performance standards will be set for each position by the appropriate department head. Employee suggestions and input will be encouraged in developing the standards.

6. Employee staff meetings and committees will be encouraged at the department level to develop better communications among employees regarding City policy and procedures.

7. Employee training opportunities will be a major thrust of all departments during this year.

8. Buildings on Valley Street are being evaluated -

   A. The Barn is being renovated entirely.
   B. We are planning to move the Gas Station for better access.
   C. We are looking for new space for Motor Transport, Traffic Engineering, Street, and Sanitation. With these facilities moved, a significant amount of space will be available for the Water and Sewer Maintenance and Construction facilities.

9. We are developing better methods of distributing uniforms and hand tools so that these items are more readily available to employees.

10. We have a staff committee studying the use of City vehicles and specific policies regarding this should be completed in the near future.

11. Specific recommendations from various departments that do not effect the entire City will be dealt with on departmental basis.

The City Manager said in order to implement the increased wages, the department heads have been directed to find sufficient funds within their budges rather than sacrificing budgeted capital expenses. He said this would mean that some approved positions will not be filled and that some services, such as leaf and brush pickup may lag a bit. He said the total cost is projected at $39,124. He said the significance of the cuts will probably not be noticed on a day-to-day basis.

Thursday - July 27, 1978 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen Gene E. Rainey, F. Jack Cole, Otis B. Michael, Ralph D. Morris, Jr., Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

Councilman Gene Rainey introduced Rev. Eric Kast, Minister of St. Georges Episcopal Church and Secretary to the Full Gospel Businessmens Fellowship, who gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the July 20, 1978 meeting.

Councilman Michael requested that the following sentence be added to the minutes of the July 20, 1978 meeting relative to his statement regarding racial balance at the Housing Projects: "Councilman Michael said he thought the Asheville Housing Authority should set an example of fair housing for the City of Asheville and should not have as many housing units as they have that are for one predominent race."

Councilman Michael then moved for the approval of the minutes of the July 20, 1978 meeting as amended. This motion was seconded by Councilwoman Price and carried unanimously.

BILL WILMER - STREET DEPARTMENT EMPLOYEE - COMMENTS RELATIVE TO PAY PLAN

2. Bill Wilmer, Street Department Employee, said he had been selected to personally thank the City Council for their review of the Pay Plan and for the adjustments made to the plan. He also thanked the City Manager for his efforts in reviewing the plan. He said he felt a bridge of trust had been completed between Valley Street and City Hall.

ORDINANCE NO. 1071 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Rezoning property on Sweeten Creek Road)

3. Consideration was given to the second reading of Ordinance No. 1071, an ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended rezoning property on Sweeten Creek Road from R-3 Residential District to CS Commercial Service District, property owned by Mr. John McDuffie and Mr. James Westall, Walls and Trash Fuel Company, Nova Enterprises, Inc. and Mr. W. H. Gutherie.

Mayor Trantham said this ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

Councilwoman Price moved that Council concur in the recommendation of the City Manager regarding pay and evaluation program for 1978-79. This motion was seconded by Councilman Cole and carried unanimously.

Vice-Mayor Horton noted that an important point in the recommendations is realized through a restudy of the incentive pay plan which will affect all city workers.

Vice-Mayor Horton endorsed the City Manager's supervisory training program and requested that once the guidelines are set up for the training that a report be given to Council.

COUNCILMAN MICHAEL - RACIAL BALANCE AT HOUSING PROJECTS

Councilman Michael said he had talked with the Housing Authority regarding the predominance of black families in Housing Projects. He said the projects should have racial balance and requested that a progressive report be given to City Council relative to the progress being made on the complete integration of housing projects.

MRS. NAVES - BRIDGE ON OAK HILL DRIVE

Mrs. Naves, of 83 Oak Hill Drive, spoke to Council about a dangerous bridge on Oak Hill Drive off Hazel Mill Road.

Mayor Trantham advised Mrs. Kranes that the City Manager would investigate the matter and report back to Council.

PACK MEMORIAL LIBRARY BUILDING

Councilman Cole said City Council will be discussing the use of the Pack Memorial Library Building for the use by the Department of Archives and History with the Buncombe County Commissioners on Tuesday, July 25, 1978. As a suggestion, he said if the building is sold the funds would be used for library purposes or the property could be deeded to Buncombe County in order for the County to enter into an agreement with the the Department of Archives and History.

Adjournment.

MAYOR

CITY CLERK

and division heads. The City Charter provides that no sale or other disposition of surplus personal property of the City having a replacement cost in excess of $100 shall be made by the Director of Finance unless direction be made by the Council by resolution. He said it had been estimated that the City would recognize between $7,000 and $10,000 in revenues from the auction.

Upon motion of Councilwoman Price, seconded by Councilman Rainey, Resolution No. 78-148 was unanimously adopted.

Complete text of Resolution No. 78-148 will be found in Resolution Book No. 10 at page 314.

RESOLUTION NO. 78-149 - RESOLUTION AUTHORIZING THE DIRECTOR OF PARKS AND RECREATION TO MAKE APPLICATION FOR AN ENRICHMENT GRANT FOR HILLCREST RECREATION CENTER

7. Consideration was given to a resolution authorizing the Director of Parks and Recreation to make application for an enrichment grant for Hillcrest Recreation Center.

The City Manager read the resolution. He said the City's share on this federal grant would be through in-kind contributions from the staff presently working at the Hillcrest Recreation Center.

Upon motion of Councilwoman Price, seconded by Vice-Mayor Horton, Resolution No. 78-149 was unanimously adopted.

Complete text of Resolution No. 78-149 will be found in Resolution Book No. 10 at page 315.

APPROVAL OF THE CONSENT AGENDA

8. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

Resolution No. 78-150

A. Resolution authorizing the execution of an extension of the Water Agreement by and between the City of Asheville and the County of Buncombe and certain Water Districts within Buncombe County.

HIGHLIGHTS: The main changes in this agreement over the original agreement are 1) the agreement will last for one (1) year from July 1, 1978 through June 30, 1979; 2) the annual contribution to County Maintenance Operation has been increased from $350,000 to $400,000.

Resolution Book No. 10 page 317.

On a roll call vote of 4-2, Ordinance No. 1071 passed on second reading, with Councilwoman Price and Councilman Rainey voting "no."

ORDINANCE NO. 1069 - AN ORDINANCE AMENDING ORDINANCE NO. 424, KNOWN AS "AN ORDINANCE ESTABLISHING REGULATIONS FOR THE DEVELOPMENT OF REAL ESTATE SUBDIVISIONS"

4. Consideration was given to the third and final reading of Ordinance No. 1069, an ordinance amending Ordinance No. 424, known as "AN ORDINANCE ESTABLISHING REGULATIONS FOR THE DEVELOPMENT OF REAL ESTATE SUBDIVISIONS."

Mayor Trantham said the ordinance was previously read on first and second readings and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1069 passed on third and final reading.

Complete text of Ordinance No. 1069 will be found in Ordinance Book No. 8 page 275.

RESOLUTION NO. 78-147 - RESOLUTION REAPPOINTING MEMERS OF THE PLANNING AND ZONING COMMISSION FOR THE CITY OF ASHEVILLE (Mr. Robert Turner and Mr. Joseph L. Brady)

5. Consideration was given to a resolution reappointing Mr. Robert Turner and Mr. Joseph L. Brady as members of the Planning and Zoning Commission for the City of Asheville, terms beginning August 14, 1977 and expiring on August 14, 1979.

The City Manager read the resolution.

Upon motion of Councilwoman Price, seconded by Vice-Mayor Horton, Resolution No. 78-147 was unanimously adopted.

Councilman Rainey said he voted for the resolution but with some trepidation. He expressed concern for the length of time some members serve on commissions. He said he felt some policy should be established to limit the time a member could serve on a commission, with the exception of any individual serving as chairman of a commission. He said there should be more of a turnover on these commissions.

Complete text of Resolution No. 78-147 will be found in Resolution Book No. 10 at page 313.

RESOLUTION NO. 78-148 - RESOLUTION AUTHORIZING THE DIRECTOR OF FINANCE TO SELL SURPLUS PROPERTY

6. Consideration was given to a resolution authorizing the Director of Finance to sell surplus property.

The City Manager read the resolution, explaining that the City of Asheville is planning a public auction at the Asheville Civic Center on August 12, 1978 of such surplus materials, equipment and items as may be declared as surplus by City department

D. Motion amending the City of Asheville Federal Project Fund Budget for Fourth Year Community Development Block Grant as follows:

Appropriation:

65-25-604-4	Central Business District	$ 87,000
65-25-940-4	East End/Valley Street Project	1,257,000
		$ 1,344,000

Revenue:

65-349.0000	HUD	$ 1,344,000

HIGHLIGHTS: This is to include these Capital Projects as approved by HUD in the Fourth Year Community Development Block Grant.

E. Motion amending the City of Asheville Federal Programs Fund Budget for Fiscal Year 1978/79 as follows:

Appropriation:

15-25-568	Transit Marketing Program	$17,370

Revenue:

15-348-0568	N. C. Department of Transportation	$16,035
15-347-0568	Asheville Transit Authority	1,335
		$17,370

HIGHLIGHTS: This is to include the total appropriation for the Transit Marketing Program grant agreement through June 30, 1979 and to include expenditures and revenues through June 30, 1978. This amendment will facilitate the accounting procedures for the total grant for the total period of the grant. City Council approved the original contracts by Ordinance No. 1050 and Ordinance No. 1066, dated May 18, 1978 and June 22, 1978 respectively.

F. Motion amending the City of Asheville Federal Programs Fund for Fiscal Year 1978-79 as follows:

Appropriation:

15-45-545	North Carolina Youth Conservation Corps	$38,266.29

Revenues:

15-348.0545	North Carolina Department of Natural Resources	$30,213.03
15-396.0500	Contribution from other funds - In-Kind	8,053.26
		$38,266.29

HIGHLIGHTS: This is to include the North Carolina Youth Conservation Corps project as approved by City Council Resolution No. 78-92, dated April 27, 1978, in the current fiscal year budget.

B. Motion amending the City of Asheville Third and Fourth Year Community Development funds Budget for Fiscal Year 1977-78 and Fiscal Year 1978-79 as follows:

ACCOUNT CODE	PROJECT	APPROPRIATION	BUDGET INCREASE DECREASE	NEW APPROPRIATION
19-25-600-3	Community Development Administration (Outside contributions, Sub-contract Asheville-Buncombe Community Relations Council)	$ 89,000	- $ 4,111	$ 84,998
19-25-600-4	Community Development Administration (Outside Contributions, Sub-contract Asheville-Buncombe Community Relations Council)	100,000	+ 4,111	104,111
19-25-604-3	Central Business District	85,000	- 52,304	32,696
19-25-604-4	Central Business District	87,000	+ 52,304	139,304
19-25-635-3	Community Development Planning	36,821	- 8,998	27,823
19-25-635-4	Community Development Planning	50,000	+ 8,998	58,998

HIGHLIGHTS: HUD legislation governing the Block Grant funds permits the reallocation of unspent funds for the continuation or completion of Community Development projects. The reallocation has been approved by the Area Office Representative.

C. Motion amending the City of Asheville Federal Projects fund budget for Third Year Community Development Block Grant as follows:

ACCOUNT CODE	PROJECT	APPROPRIATION	BUDGET INCREASE DECREASE	NEW APPROPRIATION
65-25-653-3	Nasty Branch Park	$100,000	- $6,000	$94,000
65-25-650-3	Mountainside Park	25,000	+ 6,000	31,000

HIGHLIGHTS: The funds reallocated for the completion of the Mountainside Park Project were made available as a result of a cut-back in the number of tennis courts originally planned for Nasty Branch Park. cut from four to two tennis courts.

JOB CORPS CENTER - HIGHLAND HOSPITAL SITE -MONTFORD HISTORIC DISTRICT

11. Mr. and Mrs. Elizabeth Hull of 167 Pearson Drive expressed concern that the Job Corps Center is considering Highland Hospital in the Montford Historic District Area as a site for the Center. They said if the hospital site is considered the residents of the area will see to it that the letter of the law is followed, which will include a site survey, a site utilization study, an environmental impact study, public hearings, and a formal assessment and poll of the community.

After discussion, Council told Mr. and Mrs. Hull they should also express their concerns to the Buncombe County Commissioners as they are the prime leaders and are more directly involved with the Job Corps Center officials.

Adjournment.

MAYOR

CITY CLERK

G. Approval of bids received July 24, 1978 for a tilt type cab and chassis tractor for the Motor Transport Division.

HIGHLIGHTS: Recommendation of low bid, Arrowhead International Truck Inc. in the amount of $36,658.00.

Funding: Motor Transport Division, Activity Fund: 11-15-424.0074

H. Approval of bids received July 25, 1978 for one low-boy trailer for the Motor Transport Division.

HIGHLIGHTS: Recommendation of low bid, Western Carolina Tractor Company, in the amount of $10,839.00.

Funding: Motor Transport Division, Activity Fund: 11-15-424.0074.

Upon motion of Councilman Cole, seconded by Councilman Michael, the consent agenda was unanimously approved.

CLAIMS - REPORTED TO INSURANCE CARRIERS - BILTMORE DAIRY FARMS - KAY W. ROUPE -MRS. GENEVA W. KEYLON

9. The City Manager presented a memorandum from Mr. W. R. Swearngan, Facility Services Superintendent, indicating that the following claims have been submitted to the insurance carrier:

A. Vehicle accidents - St. Paul Fire and Marine Insurance

1. Biltmore Dairy Farms - Driver - Bobby J. Bentley
Hendersonville Road
Rt. 5, Box 221-J
Candler, N.C. 28715

2. Kay W. Roupe
P. O. Box 614
Arden, N. C. 29704

B. Personal Injury - Puritan Insurance Company

1. Mrs. Geneva W. Keylon
Box 114
Enka, N. C.

REPORT ON ANTI-PORNOGRAPHY ORDINANCE

10. Vice-Mayor Horton reported that pursuant to Council's discussion relative to the actual enactment of an anti-pornography amendment to the City's revenue ordinance, Council had directed a committee to come up with a separate ordinance, by the end of July, covering the subject of pornography. He said the ordinance has not been finalized. He said the committee accepted an offer for legal advice from the Christian Action League and the basics of the ordinance are now being studied by two attorneys. He said the committee will have an official report to Council on an anti-pornography ordinance as soon as the results of the attorneys opinions are received. He said these opinions should be received in the very near future.

PUBLIC HEARING - REDEVELOPMENT PLAN - EAGLE-MARKET STREET NEIGHBORHOOD AND ECONOMIC DEVELOPMENT PROJECT

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ASHEVILLE, NORTH CAROLINA, APPROVING THE REDEVELOPMENT PLAN FOR THE EAGLE-MARKET STREET NEIGHBORHOOD AND ECONOMIC DEVELOPMENT PROJECT

3. A public hearing was held relative to the redevelopment plan for the Eagle-Market Street Neighborhood and Economic Development Project.

Mayor Trantham opened the public hearing at 3:40 p. m.

The City Manager presented the notice to the public setting the time and place for the public hearing and the affidavit of publication.

Marvin Vierra, of the Planning Division, reviewed the plan. He also explained the funding of the plan which amounted to $20,949,070 of which $13,103,000 would come from private participation. He said the proposed development would take place within a prescribed geographical area lying between Census Tracts 1 and 7 (bordered on the west by Biltmore Avenue, on the east by Valley Street, on the north by Marjorie Street and Pack Square and on the south by Beaumont Street). The project includes the improvements of streets, sidewalks, water, sewer and drainage lines, grading, demolition, underground wiring, and related public facility improvements to attract new private development.

By the use of a map, Mr. Vierra reviewed the location of the Eagle-Market Street area. He said this area involves 28 acres, consisting of commercial and residential property.

Councilman Michael said all the streets in the proposed area are dead-end streets and he felt there should be more through streets.

Mr. Vierra said all the structures in the area will be brought up to code standards. He said there would be low interest loans available to implement the plan.

Councilman Michael said he would like to have some provision put into the plan whereby if a family has to be displaced that the owners be allowed to sell the property themselves without going through the Housing Authority. He said the federal guidelines would put a burden on the lower income families. He said in many cases the grants are not enough to bring the houses up to federal regulations.

A discussion followed between Councilman Michael and Larry Holt of the Asheville Housing Authority. Mr. Holt explained that the federal guidelines are stricter than the city guidelines in that money is being loaned on the property for a longer length of time. He said the loans would be administered through the banks and the banks would also set standards.

Logan Delany, Community Development Coordinator, said the plan would provide maximum assistance to private entrepreneurs in technical assistance and in obtaining low interest loans. He also commented on the historical preservation phase of the plan. He said citizen participation is encouraged in implementing the plan. He said his office had been contacting the individuals in the area and had received favorable responses.

Thursday - August 3, 1978 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Otis B. Michael, Ralph D. Morris, Jr., Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/ City Clerk William F. Wolcott, Jr.

Absent: Councilmen Gene E. Rainey and F. Jack Cole

INVOCATION

Councilwoman Norma T. Price gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the July 27, 1978 meeting.

Upon motion of Councilwoman Price, seconded by Vice-Mayor Horton, the minutes of the July 27, 1978 meeting were approved as submitted.

PUBLIC HEARING - ASHEVILLE REVITALIZATION PLAN

2. A public hearing was held relative to the adoption of the Asheville Revitalization Plan as the Official Plan for the revitalization and future development of the Asheville Downtown Improvement Area.

Mayor Trantham opened the public hearing at 3:12 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mr. Jim Daniels, Chairman of the Asheville Revitalization Plan said the Commission, appointed approximately one year ago, prepared a plan for the revitalization of the downtown area. He said the plan would be presented to Council by chapters and will be presented at successive Council meetings until September 14, 1978. He said the ideas, if properly implemented, will cause substantial economic, sociological and viable changes in the Asheville area.

Mrs. Robin Daniel, Vice-Chairman of the Asheville Revitalization Commission outlined the first four chapters of the Asheville Revitalization Plan. These chapters included: 1) Groundwork; 2) Historical Context; 3) Regional Context and 4) Social Environment.

Mrs. Daniel said copies of the plan could be purchased in the Planning Division for a small fee.

Mayor Trantham commended the Commission for their efforts in preparing the plan.

Councilwoman Price moved to continue the public hearing until August 10, 1978, without further advertisement. This motion was seconded by Councilman Morris and carried unanimously.

PUBLIC HEARING - VICTORIA HEALTH CARE CENTER

5. A public hearing was held relative to the site plan for the proposed Victoria Health Care Center to be located on Vernon Road near Victoria Road.

Mayor Trantham opened the public hearing at 4:54 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Asheville Planning and Zoning Commission has recommended approval of the site plan for the proposed Victoria Health Care Center subject to developer complying with the following:

1. A letter and supporting data certifying that the existing noise levels in the area fall within acceptable D.B. levels for residential development.

2. A letter indicating that the recommended 8 inch water line will be installed. In conjunction with the letter, submission of drawings indicating location of the line and points of connection with the building and the distribution systems.

3. Drawings showing placement of exterior fire hydrants on the site and the location of any existing hydrants off-site.

4. Drawing and narrative descriptions of road improvements contemplated for Vernon Road (a private road). Developer should provide access sufficient to accommodate service and fire fighting equipment. (Paved width of not less than twenty feet (20') for two-way traffic).

5. A letter from the Building Inspections Department indicating the required sedimentation control plan has been submitted for review and approval.

Larry Traber, architect, said the noise level would be complied with by buffering and insulation. He said there was some question relative to the private road (Vernon Road). He said he felt the City should make the improvements to the road due to the high tax base that the facility would bring to the City. He said the project would total $1.6 million. He said he had received a letter from T. C. Brown, Director of Public Works, indicating that the street improvements for this development will cost an estimated $17,750.00.

After discussion, Vice-Mayor Horton suggested that Council be given in writing a policy from the City Manager relative to requestsfor water, sewer and street services.

Mayor Trantham closed the public hearing at 5:23 p. m.

Councilwoman Price moved to approve the site plan of the Victoria Health Care Center subject to the recommendations of the Planning Staff and subject to present city policies. This motion was seconded by Councilman Morris and carried with Councilman Michael abstaining.

Mr. John White, 47 Eagle Street, said he had reviewed the plan and he felt with proper adjustments it would help the area.

Mayor Trantham closed the public hearing at 4:43 p. m.

The City Manager read the resolution. He emphasized to Council that this plan would be for four (4) years and that, by the adoption of this resolution, the Housing Authority would be carrying out the plan. He said whatever happens in the area will depend on the amount received from the grant and from private commitments. He said the Housing Authority would carry out the plan as outlined in the resolution, unless they are told, by Council amending the plan, to do otherwise. He said the Housing Committee, which would include Councilman Cole and Michael would be meeting with the Housing Authority relative to the plan.

After discussion, Councilwoman Price moved to delay action on the resolution until August 10, 1978 giving members of Council an opportunity to review the redevelopment plan. This motion was seconded by Councilman Morris and carried unanimously.

PUBLIC HEARING - DEMOLITION OF 21 BLAKE STREET AND 93 WASHINGTON ROAD

ORDINANCE NO. 1072 - AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THOSE DWELLING HOUSES KNOWN AS 21 BLAKE STREET AND 93 WASHINGTON ROAD

4. A public hearing was held relative to the adoption of an ordinance directing the Housing Officer to proceed with the demolition and removal of 21 Blake Street and 93 Washington Road.

Mayor Trantham opened the public hearing at 4:49 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

J. E. Johnson, Director of Inspections, said all legal requirements have been fulfilled in respect to the demolition of said structures. He said the property had been inspected and the owners have not complied with the order to repair or demolish said structures.

There being no comments from members of Council or the public, Mayor Trantham closed the public hearing at 4:53 p. m.

The City Manager read the ordinance.

Vice-Mayor Horton moved for the adoption of Ordinance No. 1072. This motion was seconded by Councilwoman Price.

On a roll call vote of 4-0, Ordinance No. 1072 passed on first reading.

Mayor Trantham told Mr. Ramsey to present his additional evidence to the Board of Adjustments.

RESOLUTION NO. 78-151 - RESOLUTION SETTING INTERIM POLICY FOR WATER SYSTEM EXTENSIONS AND CONNECTIONS FOR THE CITY OF ASHEVILLE AND THE COUNTY OF BUNCOMBE

9. Consideration was given to a resolution setting interim policy for water system extensions and connections for the City of Asheville and the County of Buncombe.

The City Manager read the resolution.

Upon motion of Councilwoman Price, seconded by Vice-Mayor Horton, Resolution No. 78-151 was unanimously adopted.

Complete text of Resolution No. 78-151 will be found in Resolution Book No. 10 at page 318.

APPROVAL OF THE CONSENT AGENDA

10. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. Motion amending the City of Asheville Parks and Recreation Fund budget for Fiscal Year 1978-79 as follows:

Appropriation:

Memorial Field - Capital Outlay - Other Improvements

14-45-506.0-00.0073 $50,000

Revenue:

Other Local Participation - Memorial Field

14-00-347.0506 $50,000

HIGHLIGHTS: This is to include appropriation for improvements to Memorial Field to be funded by the City School Board. The City will make said improvements and bill the School Board for actual costs incurred.

B. Motion approving bids received July 28, 1978 for Tickometer for Collections Division.

HIGHLIGHTS: Recommendation of bid received from Pitney Bowes in the amount of $3,511.50.

Funding: Revenue Sharing Trust Fund, Collections Division Capital Outlay Equipment, Account Code 50-10-413.0074 budgeted $3,536.00

ORDINANCE NO. 1071 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Sweeten Creek Road)

6. Consideration was given to the third and final reading of Ordinance No. 1071, an ordinance rezoning property on Sweeten Creek Road from R-3 Residential District to CS Commercial Service District, property owned by Mr. John McDuffie and Mr. James Westall, Walls and Thrash Fuel Company, Nova Enterprises, Inc. and Mr. W. H. Gutherie.

Mayor Trantham said this ordinance was previously read on first and second readings and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 4-1, Ordinance No. 1071 passed on third and final reading, with Councilwoman Price voting "no" and Mayor Trantham voting "aye."

Complete text of Ordinance No. 1071 will be found in Ordinance Book No. 8 at page 279 .

SIGN PERMIT - HAYWOOD TRANSFER AND STORAGE COMPANY, INC.

7. Consideration was given to a sign permit for Haywood Transfer and Storage Company, Inc. at 306 W. Haywood Street.

J. E. Johnson, Director of Inspections, said Haywood Transfer and Storage Company, Inc. has applied for a sign permit to erect a mounted wall sign at 306 West Haywood Street. He said the sign would be within 600' of a limited access highway which requires the approval of the City Council pursuant to Section 30-9-3 (B-7) of the Zoning Ordinance of the City of Asheville.

A representative of the Haywood Transfer and Storage Company, Inc. reviewed with the members of Council the type sign that would be mounted on the wall of their business.

After discussion, Councilman Morris moved to approve the sign permit for the Haywood Transfer and Storage Company, Inc. at 306 W. Haywood Street. This motion was seconded by Vice-Mayor Horton and carried unanimously.

MR. RAMSEY - DISCUSSION RELATIVE TO SIGN PERMIT AT '76 STATION AT WESTGATE

8. Mayor Trantham recognized Mr. Ramsey who said he had applied for a permit for a roof sign to be placed on the old '76 station at Westgate. He said the Board of Adjustments had turned down his request for the roof sign. He said the building had been remodeled and a roof sign is needed. He said he has additional drawings and evidence for his need of the sign.

Verl Emrick, Planning Director, said under the sign ordinance all roof signs must be approved by the Board of Adjustments.

Councilman Michael requested that he be furnished with a copy of the minutes of the Board of Adjustments pertaining to this matter and that he be furnished with the reason the Board of Adjustments refused Mr. Ramsey the sign permit. He said he would also like to know why all roof signs are no longer approved.

The City Manager then read the following letter:

August 3, 1978

Mr. K. M. Michalove, City Manager
City of Asheville
Post Office Box 7148
Asheville, North Carolina 28807

Dear Mr. Michalove:

Please be advised that based on the evidence submitted at the hearing held yesterday on the withdrawal of the bid filed by the F. T. Williams Construction Company on the Airport Runway Extension, that it is my opinion and that of Mr. W. E. Cox of Talbert & Cox Associates, that the City of Asheville should issue a written ruling allowing the request to withdraw filed by the F. T. Williams Construction Company. It is our opinion that the withdrawal request filed was based upon a mistake which constituted substantial error and that the bidder has submitted credible evidence that the mistake was clerical in nature and was actually due to an unintentional and substantial error and that the unintentional error was clearly shown by objective evidence.

If you have any questions in regard to the findings of this committee or this report, please advise.

Very truly yours,

William C. Moore
City Attorney

William E. Cox, P. E.
Talbert & Cox Associates

WCM/WEC/msm

After discussion, Councilwoman Price moved for the adoption of Resolution No. 78-152. This motion was seconded by Councilman Morris and carried unanimously.

Councilwoman Price moved that the bids for the site preparation for the runway and taxiway extension be re-advertised. This motion was seconded by Vice-Mayor Horton and carried unanimously.

The City Manager advised that the bids on the re-advertisement would offer several alternates, since the original bid amount was over the amount of money available.

Adjournment.

MAYOR

CITY CLERK

Upon motion of Councilwoman Price, seconded by Vice-Mayor Horton, the consent agenda was unanimously adopted.

PUBLIC HEARING SCHEDULED - K-MART SHOPPING CENTER U.S. 25 (HENDERSONVILLE ROAD)

11. The City Manager read a letter from the Planning and Zoning Commission which recommended approval of the site plan for the proposed K-Mart Shopping Center to be located on U. S. 25 (Hendersonville Road) subject to the developer complying with the recommendations set forth by the Planning Staff.

Councilwoman Price moved to schedule a public hearing on the matter for August 24, 1978. This motion was seconded by Councilman Morris and carried unanimously.

CLAIMS - REPORTED TO INSURANCE CARRIERS - SECHLER, NORTON, HAMILTON

12. The City Manager presented a memorandum from W. R. Swearngan, Facility Services Superintendent, indicating that the following claims have been submitted to the insurance carrier:

Mr. R. L. Sechler
388 Beaucatcher Road
Asheville, N. C.

Mrs. W. A. Norton
142 White Pine Drive
Asheville, N. C.

Mrs. Betty Hamilton
67 Elizabeth Place
Asheville, N. C.

RESOLUTION NO. 78-152 - RESOLUTION ALLOWING F. T. WILLIAMS COMPANY, INC. TO WITHDRAW ITS BID FOR THE SITE PREPARATION FOR 1500' RUNWAY AND TAXIWAY EXTENSION AT THE ASHEVILLE AIRPORT

13. Consideration was given to a resolution allowing F. T. Williams Company, Inc. to withdraw its bid for the site preparation for 1500' Runway and Taxiway Extension at the Asheville Airport.

The City Manager read the resolution and explained that after the bids were received for the site preparation for 1500' runway and taxiway extension at the Asheville Airport, F. T. Williams Company, Inc., the low bidder, advised the consulting engineer, Talbert and Coxe Associates that a clerical error had been made in Item #23 of his bid in that he incorrectly wrote the rate of $15.00 per cubic yard instead of $250.00 per cubic yard for paved ditches. He requested that they be allowed to withdraw their bid from consideration and that their bid bond be returned.

The City Manager said a hearing was held with city representatives and the consulting engineers along with F. T. Williams Company, Inc. concerning the withdrawal of the bid.

ORDINANCE NO. 1072 - AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THOSE DWELLING HOUSES KNOWN AS 21 BLAKE STREET AND 93 WASHINGTON ROAD

3. Consideration was given to the second reading of Ordinance No. 1072, an ordinance directing the Housing Officer to demolish those dwelling houses known as 21 Blake Street and 93 Washington Road.

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 1072 passed on second reading.

RESOLUTION NO. 78-153 - RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ASHEVILLE, NORTH CAROLINA, APPROVING THE REDEVELOPMENT PLAN FOR THE EAGLE-MARKET STREET NEIGHBORHOOD AND ECONOMIC DEVELOPMENT PROJECT

4. Consideration was given to a resolution of the City Council of the City of Asheville, North Carolina, approving the redevelopment plan for the Eagle-Market Street Neighborhood and Economic Development Project.

Mayor Trantham said a public hearing was held on August 3, 1978 relative to the Eagle-Market Street Neighborhood and Economic Development Plan and the resolution was presented to Council for consideration at that meeting. However, Council had tabled the resolution until the week of August 10, 1978.

Councilman Michael read the following letter and requested that the letter be made a part of the minutes:

MEMORANDUM TO: Members of City Council
Ken Michalove, City Manager

FROM: Dr. Otis B. Michael, Councilman

DATE: August 10, 1978

On August 9, 1978, I flew to Raleigh, North Carolina with Mr. George Gragg and Mr. Logan Delany and met Mayor Roy Trantham there. We met with Secretary Howard N. Lee, Department of Natural and Economic Resources, to discuss increased funding for the purchase of housing for low-income people in the City of Asheville. We were very well received and were told that it was very possible and probable that supplements of interest loans could be given,i. e., if the interest on a loan was 9%, then the State could supplement the difference and make the actual interest paid by the purchaser only 6%, therefore, decreasing his monthly payments.

The only problem that we were not able to solve and we will have to address in the future is decreasing the criteria for the purchase of a home by low-income people that are set up by the Housing Authority and Federal Guidelines. The main one was the fact that even if a lot can be puchased for $1, the title to the lot is not given until the house is completed according to the plans approved by the Housing Authority. This causes the potential homeowner to have to pay quite a bit of front-end money, even though the lot is only $1 and that would be reimbursed at the end. We hope to set up conferences between Community Development, Asheville Housing Authority, and City Council to discuss these

Thursday - August 10, 1978 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Otis B. Michael, Ralph D. Morris, Jr., F. Jack Cole, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Gene E. Rainey

INVOCATION

Councilman F. Jack Cole gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the August 3, 1978 meeting.

Upon motion of Councilwoman Price, seconded by Vice-Mayor Horton, the minutes of the August 3, 1978 meeting were approved as submitted.

PUBLIC HEARING - ASHEVILLE REVITALIZATION PLAN

2. A public hearing continued relative to the adoption of the Asheville Revitalization Plan as the Official Plan for the revitalization and future development of the Asheville Downtown Improvement Area.

James Daniels, Chairman of the Asheville Revitalization Commission, said Phase II of the plan would be presented at today's public hearing. He said there had been so much enthusiasm about the plan that the Planning Division had sold all the copies of the official plan. However, a summary report, consisting of 40 to 50 pages, is being prepared by the Planning Division and will be available for a nominal fee.

Chandler Gordon, Secretary of the Asheville Revitalization Commission, outlined Chapter five, six, seven and eight of the plan. These chapters included: 5) Economic Environment; 6) Natural Environment; 7) Cultural Resources; and 8) Building Standards and Regulations.

Councilman Michael said he disagreed with the plan, in part, in that he felt more high rise hotels and offices and convention facilities are needed downtown to attract people to the shops. He also said the streets should be wider.

Vice-Mayor Horton said the plan would have to contend with "social concerns" such as bars and pornography shops. He said the commission should also consider the lack of uniformed police officers walking a beat downtown.

Councilman Morris moved to continue the public hearing until August 17, 1978, without further advertisement. This motion was seconded by Councilman Michael and carried unanimously.

Upon motion of Councilman Morris, seconded by Councilwoman Price, Resolution No. 78-155 was unanimously adopted.

Complete text of Resolution No. 78-155 will be found in Resolution Book No. 10 at page 323.

APPROVAL OF THE CONSENT AGENDA

7. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adoption each individual item. Upon the request of a citizen, a member of the City Council and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. Approval of bids received August 7, 1978 for flood light lamps and fixtures for Memorial Stadium, Parks and Recreation Department.

HIGHLIGHTS: Three (3) bids were received:

Westinghouse Electric Supply Company	$7,132.80
Graybar Electric Supply Company	8,942.40
Burke Electric Supply Company	9,408.00

Low Bidder, Westinghouse Electric Supply Company was not responsive in that it did not meet specifications for U. L. approved materials.

Recommendation of fully responsive low bidder, Graybar Electric Supply Company in the amount of $8,942.40.

Funding: Special Appropriation from Buncombe County Commissioners through Asheville City Schools
Account Code 14-45-506-0-000-0073
Line Item Budget: $50,000.00

Resolution No. 78-156

B. Resolution approving the submission of an application for Title V - Older Americans Act Funds for the renovation of Harvest House.

Highlights: The Department of Health, Education, and Welfare Administration on Aging has made funds available for the acquisition, alteration, or renovation of facilities to be used as senior centers through Title V of the Older Americans Act. The City of Asheville has need of these funds for the renovation of the facility known as Harvest House located at 205 Kenilworth Road. The federal funds requested for this project total $30,000 to be matched by $10,000 in local cash and in-kind services.

Resolution Book No. 10 page 324.

Upon motion of Vice-Mayor Horton, seconded by Councilwoman Price the consent agenda was unanimously approved.

matters in the near future so that the lots that are available can be sold as soon as possible and houses for low-income persons can be built. It was also suggested that we might contact developers who would build groups of 10 houses or more, and therefore, build them at a lower cost since they would build more houses."

Council discussed the possiblity of the Housing Authority constructing homes on the $1 lots and selling them to individuals.

After discussion, Councilwoman Price moved for the adoption of Resolution No. 78-153. This motion was seconded by Councilman Michael and carried unanimously.

Complete text of Resolution No. 78-153 will be found in Resolution Book No. 10 at page 320 .

RESOLUTION NO. 78-154 - RESOLUTION AUTHORIZING THE PREPARATION OF ASHEVILLE RIVERFRONT REVITALIZATION PLAN

5. Consideration was given to a resolution authorizing the preparation of Asheville Riverfront Rivitalization Plan.

The City Manager read the resolution.

Verl Emrick, Planning Director, said this program would provide a planning grant funded by TVA in connection with the French Broad River basin. He said this program goes further than a clean-up campaign; it will be a total revitalization of the area. He said the City would receive approximately $30,000 from the contract and would include all the areas within the planning jurisdiction.

Councilwoman Price was appointed as Council's liaison for this project.

Upon motion of Vice-Mayor Horton, seconded by Councilwoman Price, Resolution No. 78-154 was unanimously adopted.

Complete text of Resolution No. 78-154 will be found in Resolution Book No. 10 at page 322 .

RESOLUTION NO. 78-155 - RESOLUTION AUTHORIZING THE EXECUTION OF AN AGREEMENT BETWEEN THE LAND-OF-SKY REGIONAL COUNCIL AND THE CITY OF ASHEVILLE

6. Consideration was given to a resolution authorizing the execution of an agreement between the Land-of-Sky Regional Council and the City of Asheville.

The City Manager read the resolution.

Verl Emrick, Planning Director, said under this program the City would receive services provided by the Land-of-Sky in order to implement a car pooling study.

PUBLIC HEARING SCHEDULED - AMENDMENTS TO OTEEN SHOPPING CENTER GROUP DEVELOPMENT

9. Consideration was given to a motion scheduling a public hearing relative to amendments to the Oteen Shopping Center Group Development Plan.

Councilwoman Price moved to schedule a public hearing on the matter for September 7, 1978. This motion was seconded by Councilman Michael and carried unanimously.

STATUS REPORT ON DEBRA LANE FIRE LINE REQUESTED - VICE-MAYOR HORTON

10. Vice-Mayor Horton requested that the City Manager give Council members a status report on the Debra Lane Fire Line at next week's Council meeting.

Adjournment.

MAYOR

CITY CLERK

CLAIMS - REPORTED TO INSURANCE CARRIERS - PARHAM, DALTON, EVANS, JEWELL, JOHNSON, BLUE BIRD TAXI COMPANY, CAROLINA POWER AND LIGHT COMPANY, SOUTHERN BELL, KEISHA MOONEY

8. The City Manager presented a memorandum from W. R. Swearngan, Facility Services Superintendent, indicating that the following claims have been submitted to the insurance carrier:

A. Vehicle accidents - St. Paul Fire and Marine Insurance

1. David Max and Betty W. Parham
Rt. 4, Box 470
Asheville, N. C.

2. Betty Dalton
103 Wembley Road
Asheville, N. C.

3. Samuel Evans
Rt. 4, Box 446
Candler, N. C.

4. Arthur Gordon Jewell
150 E. Chestnut Street
Asheville, N. C.

B. Accidents reported where City vehicle not at fault

1. Gloria Logan Johnson
87 Burton Street
Asheville, N. C.

2. Blue Bird Taxi Company of Asheville
197 Hilliard Avenue
Asheville, N. C.

Driver: John Edward McPherson
42 Furman Avenue
Asheville, N. C.

C. Damage to Utility Pole by City Vehicle

1. Carolina Power and Light Company

2. Southern Bell

D. Personal Injury

1. Keisha Mooney
6-C Hillcrest Apartments
Asheville, N. C.

PUBLIC HEARING - REZONING PROPERTY - CARIBOU ROAD - DR. JAMES H. MADDOX AND HANDI SKILLS, INC.

4. A public hearing was held relative to rezoning property on Caribou Road from R-3 Residential District to OI Office Institutional District, property owned by Dr. James H. Maddox and Handi Skills, Inc.

Mayor Trantham opened the public hearing at 3:40 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Planning and Zoning Commission, at its July 12, 1978 meeting, reviewed the request of Dr. James H. Maddox and Handi-Skills, Inc. that Ward 7, Sheet 50, Lot 5, located on Caribou Road be rezoned from R-3 Residential District to Light Industrial District. He said after reviewing the request, the Planning and Zoning Commission voted to recommend that this property be rezoned from R-3 Residential District to OI Office Institutional District. He said the Commission felt the rezoning would be in the general public interest and that the character of the neighborhood would not be materially or adversely affected by any use in the proposed change to OI Office Institutional District. He said the rezoning was requested in order to permit a building to be erected for the use of Handi Skills, Inc.

Mr. Emrick said residents of the area had opposed the rezoning request of LI Light Industrial but withdrew their opposition to OI Office Institutional District for the use by Handi Skills, Inc.

Mr. Emrick said this rezoning could be classified as "spot zoning." However, it was the staff's and the Commission's opinion that this facility did provide a unique type of operation and a unique educational opportunity for those individuals with handicaps and could serve the community in a unique manner and that this was justification for this particular rezoning, thereby meeting the test of law that has been provided by N. C. Courts. He said the courts have ruled that if the rezoning can be justified as being in the public interest based upon providing a service or services not currently available to the larger community area then the spot zone in and of itself is not inherently illegal.

By the use of a map, Mr. Emrick reviewed the location of the property in question.

Councilman Michael said he could justify the rezoning better if, in fact, Handi Skills, Inc. already owned the property. He said as of this date, Council has no guarantee that the property will be sold to Handi Skills, Inc. He said he felt Council would be using a humane variation of legality prematurely.

Mrs. Shriner, of Handi Skills, Inc. said they had been looking for a location for over a year. She said they needed enough acreage to allow room for expansion, greenhouse projects and small scale farming arrangements. She said they were also looking for a location in close proximity to their present site at Thoms Rehabilitation Hospital. She said the present facility is unable to serve the number of individuals needing the service. She said she felt the facility would be a credit to the community.

Thursday - August 17, 1978 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Otis B. Michael, Gene E. Rainey, Ralph D. Morris, Jr., F. Jack Cole, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

Mayor Roy M. Tranthan gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the August 10, 1978 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the minutes of the August 10, 1978 meeting were approved as submitted.

RESOLUTION NO. 78-157 - RESOLUTION OF APPRECIATION AND COMMENDATION TO SERGEANT JAMES E. FLEMING

2. Consideration was given to a resolution of appreciation and commendation to Sergeant James E. Fleming.

Councilman Michael read the resolution.

Upon motion of Councilman Michael, seconded by Councilman Morris, Resolution No. 78-157 was unanimously adopted.

Complete text of Resolution No. 78-157 will be found in Resolution Book No. 10 at page 325 .

PUBLIC HEARING - ASHEVILLE REVITALIZATION PLAN

3. A public hearing continued relative to the adoption of the Asheville Revitalization Plan as the Official Plan for the revitalization and future development of the Asheville Downtown Improvement Area.

James Daniels, Chairman of the Asheville Revitalization Commission, said in response to a statement by Vice-Mayor Horton at the August 10, 1978 meeting, that Chief Tucker advised him that a uniformed patrolman has been assigned to the streets downtown from dawn to dusk. He said the patrolman will be on foot patrol.

Jim Hunter, a member of the Asheville Revitalization Commission, outlined Chapters nine, ten and thirteen of the plan. These chapters included: 9) Downtown's Image; 10) Existing Land Development and Utilization; and 13) Community Facilities and Services.

Councilman Morris moved to continue the public hearing until August 24, 1978, without further advertisement. This motion was seconded by Vice-Mayor Horton and carried unanimously.

PUBLIC HEARING - SITE PLAN FOR SWEETEN CREEK MINI-WAREHOUSE FACILITIES

6. Verl Emrick, Planning Director, said the developers attorney, Mr. Gary Rowe has requested that the public hearing be continued until September 7, 1978 in order to complete negotiations regarding utility easements.

Councilwoman Price moved to continue the public hearing until September 7, 1978, without further advertisement. This motion was seconded by Councilman Michael and carried unanimously.

ORDINANCE NO. 1072 - AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THOSE DWELLING HOUSES KNOWN AS 21 BLAKE STREET AND 93 WASHINGTON ROAD

7. Consideration was given to the third reading of Ordinance No. 1072, an ordinance directing the Housing Officer to demolish those dwelling houses known as 21 Blake Street and 93 Washington Road.

Mayor Trantham said the ordinance was previously read on first and second readings and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 1072 passed on third and final reading. (Councilman Morris was excused from the meeting during the vote on Ordinance No. 1072).

Complete text of Ordinance No. 1072 will be found in Ordinance Book No. 8 at page 280.

MONTFORD RECREATION CENTER COMPLEX - SWIMMING POOL DISCUSSION

8. Virgil Sturgill, of the Montford Community Club, read a prepared statement requesting that Council consider constructing a swimming pool at the Montford Recreation Center Complex.

Ray Kisiah, Parks and Recreation Director, said if Council desired a swimming pool at the Montford Recreation Center Complex, capital funds are available for the construction of a swimming pool. However, no funds are appropriated for the operational cost of the pool.

After discussing the issue, it was the consensus of Council to discuss the matter during Council's work session on August 22, 1978.

BLAYLOCK AVENUE - COMPLAINT- RE: VACANT HOUSES

9. A resident of the Blaylock Avenue section of Oakley, said there are two (2) vacant houses on Blaylock Avenue that need to be inspected. She also said street lights are need on Blaylock Avenue.

Mayor Trantham instructed the City Manager to investigate the complaints.

Richard Ford, Chairman of the Handi Skills Board, said Handi Skills, Inc. has a bona fide agreement to purchase the property with two conditions; one being that the property be zoned appropriately and the other being that Handi Skills, Inc. can obtain a loan from the Small Business Administration.

Council discussed at length the question of spot zoning. Corporation Counsel Moore said it would be his opinion that this rezoning would definitely be spot zoning and he would advise Council against rezoning property with any conditional restrictions.

Virgil McConnell, a resident of the area, said that the people in Shiloh would not object to the rezoning if they could be assured that Handi-Skills, Inc. would use the property.

Councilman Morris suggested that Council consider allowing the facility to be included as a conditional use, possibly as a trade school, in the R-3 Residential District rather than rezoning the property.

After discussion, Councilman Morris moved to continue the public hearing, without further advertisement, until August 24, 1978. This motion was seconded by Councilman Michael and carried unanimously.

PUBLIC HEARING - REZONING PROPERTY - N. LOUISIANA AVENUE AND ADAMS HILL ROAD - MR. AND MRS. HENRY C. FISHER, JR.

ORDINANCE NO. 1073 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED

5. A public hearing was held relative to rezoning property at the intersection of North Louisiana Avenue and Adams Hill Road from R-5 Residential District to LI Light Industrial District, property owned by Mr. and Mrs. Henry C. Fisher, Jr.

Mayor Trantham opened the public hearing at 4:15 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Planning and Zoning Commission, at its July 12, 1978 meeting, reviewed the request and recommended to Council that the property be rezoned as petitioned. He said two residents of the area had voiced written opposition to the rezoning.

Henry Fisher, Jr., owner of the property petitioned for rezoning, reviewed the location of the property by an aerial photograph. He said his present business is partially non-conforming and the rezoning is necessary for expansion of his business.

Mr. Emrick, upon questioning of Council, said buffering would be required between the Light Industrial District and the present residential zone.

Mayor Trantham closed the public hearing at 4:28 p. m.

Verl Emrick, Planning Director, read the ordinance rezoning the property as requested.

Councilwoman Price moved for the adoption of Ordinance No. 1073. This motion was seconded by Councilman Michael.

On a roll call vote of 5-1, Ordinance No. 1073 passed on first reading with Councilman Rainey voting "no."

RESOLUTION NO. _____ - RESOLUTION AUTHORIZING CONDEMNATION OF PARCEL NUMBER 1 IN THE KENILWORTH PARK PROJECT AREA

12. Consideration was given to a resolution authorizing condemnation of Parcel Number 1 in the Kenilworth Park Project Area.

The City Manager read the resolution.

Mr. Ed Vess, of the Housing Authority, said they have been unable to acquire Parcel Number 1 of the Kenilworth Park Project properties through negotiation and this resolution would authorize condemnation in order that the City of Asheville may carry out its approved plan of development.

Upon questioning of Councilman Morris, Mr. Vess said the property owner had not been notified that this matter would be considered by Council at this meeting.

Councilman Morris moved to table the resolution until August 24, 1978 and instructed the Housing Authority to notify the property owner that Council will be considering the resolution. This motion was seconded by Councilman Michael and carried unanimously.

APPROVAL OF THE CONSENT AGENDA

13. The City Manager reported that the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. Scheduling of a public hearing relative to rezoning property on Haywood Road from R-3 Residential District and CH Commercial Highway District to CS Commercial Service District, property owned by B. C. Morton, et al for September 21, 1978.

HIGHLIGHTS: The Planning and Zoning Commission voted to recommend to City Council that Lots 8, 9, 9-1/2, and 9-3/4, be rezoned from CH Commercial Highway District to CS Commercial Service District, and that Lots 100, 101, 149, 150 and 151 remain R-3 Residential District as presently zoned. The petitioner's attorney has requested a public hearing on the entire rezoning petition.

B. Resolution No. 78-159 - Resolution authorizing the Mayor of the City of Asheville to execute a contract with the Urban Mass Transportation Administration.

Resolution Book No. 10 at page 327.

ORDINANCE NO. 1074 - AN ORDINANCE AMENDING SECTION 28-83 OF ARTICLE IV (SPEED REGULATIONS) OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

10. Consideration was given to an ordinance amending Section 28-83 of Article IV (Speed Regulations) of the Code of Ordinances of the City of Asheville.

The City Manager read the ordinance.

Paul Dutcher, Traffic Engineer, said this ordinance will eliminate the forty-five and fifty mile per hour speed limit from N. Hanover Street (N.C.191) to the west end of Beaucatcher Tunnel. He said the N. C. Department of Transportation will declare the speed limit from N. Hanover Street (N.C. 191) to the west end of Beaucatcher Tunnel at fifty-five miles per hour. He said this ordinance will also declare a forty-five mile per hour speed limit from U. S. 74 to the Blue Ridge Parkway (a portion of which was thirty-five miles per hour, that portion from U. S. 74 to the old New Haw Creek Road intersection). He said the N. C. Department of Transportation had requested Council's consideration in the changing of these speed limits in order to allow for more continuity of speed limits on these particular highway sections. He said the fifty-five mile per hour zone would be a maximum speed, however the volume of traffic usually controls the speed in lieu of the speed limit.

After discussion, Councilwoman Price moved to amend the ordinance to provide for a fifty (50) mile per hour speed limit from N. Hanover Street (N.C. 191) to the west end of Beaucatcher Tunnel. This motion was seconded by Councilman Rainey.

Councilwoman Price commented that a fifty-five mile per hour zone on these particular highways was too great of a speed.

On a voice vote, Councilwoman Price's amendment failed on a vote of 4-3, with Mayor Trantham breaking a tie vote.

Councilman Morris then moved for the adoption of Ordinance No. 1074. This motion was seconded by Councilman Cole.

On a roll call vote of 4-2, Ordinance No. 1074 passed on first reading with Vice-Mayor Horton and Councilwoman Price voting "no."

RESOLUTION NO. 78-158 - RESOLUTION APPOINTING MEMBERS TO THE ASHEVILLE TREE COMMISSION

11. Consideration was given to a resolution appointing members to the Asheville Tree Commission.

The City Manager read the resolution.

Upon motion of Councilwoman Price, seconded by Councilman Rainey, Resolution No. 78-158 was unanimously adopted.

Complete text of Resolution No. 78-158 will be found in Resolution Book No. 10 at page 326.

PETITION - BILTMORE PINES APARTMENTS

16. The City Manager presented a petition from residents opposing the construction of the Biltmore Pines Apartments under the Section 8 Housing Assistance. The City Manager said the petition would be forwarded to the Planning Division.

CLAIM - BONNIE SPARKS

17. The City Manager presented a claim received from Bonnie Sparks.

Mayor Trantham referred the claim to the Corporation Counsel for investigation and recommendation.

COUNCILMAN MICHEAL - TRASH COLLECTION AND POLICE PATROL

18. Councilman Micheal said he had received several complaints relative to poor trash collection as well as poor police patrol on Town Mountain Road. He suggested that a complaint follow-up be implemented, perhaps with a postcard being mailed to the complainant to determine if the complaint had been answered satisfactorily.

The City Manager said the Police Department has a follow-up complaint process. He said he would check into other departments implementing the same.

Adjournment.

Ray M. Trantham
MAYOR

Norma J. Roberts
CITY CLERK

C. Motion relative to the sale of East Riverside Urban Renewal Parcels.

HIGHLIGHTS: The Housing Authority has received the following bids for disposal parcels in the East Riverside Urban Renewal Project.

Parcel	Reuse	Price	Bid	Redeveloper
77	Commercial	$175,500	$180,000	Beverly-Grant, Inc.
80	Commercial	126,700	126,700	Beverly-Grant, Inc.
84	Commercial	79,000	79,510	Victoria Investment Co.
84A	Commercial	1,150	1,150	St. John Church of God

The parcels call for the construction of 4,000 square foot office buildings on Parcels 77 and 80, a 7,000 square foot office building on Parcel 84, and additional parking on Parcel 84 A.

D. Scheduling of a review of the Asheville Terrace Development for August 24, 1978.

Upon motion of Vice-Mayor Horton, seconded by Councilwoman Price, the consent agenda was unanimously approved.

RESOLUTION NO. 78-160 - RESOLUTION APPOINTING MEMBERS TO THE RECREATION BOARD FOR ASHEVILLE (Mrs. Hal R. Cory, Mr. Lawrence Gilliam, and Mr. William Pfeiffer)

14. Consideration was given to a resolution appointing Mrs. Hal R. Cory, Mr. Lawrence Gilliam, and Mr. William Pfeiffer as members of the Recreation Board for Asheville.

The City Manager read the resolution.

Upon motion of Councilman Michael, seconded by Vice-Mayor Horton, Resolution No. 78-160 was unanimously adopted.

Complete text of Resolution No. 78-160 will be found in Resolution Book No. 10 at page 328.

CLAIMS - REPORTED TO INSURANCE CARRIERS - MR. CLIFF S. GREAVES, MS. LAVADA WEISBECKER

15. The City Manager presented a memorandum from W. R. Swearngan, Facility Services Superintendent, indicating that the following claims have been submitted to the insurance carrier:

1. Mr. Cliff S. Greaves
   1104 W. Cornwals
   Greensboro, North Carolina 27408

2. Ms. Lavada Weisbecker
   Route 2, Box 22
   Leicester, North Carolina 28748

Mayor Trantham said the 90-day special free on-street parking program at metered spaces in the downtown area is scheduled to end on the last day of August. He said the City Council has been asked to extend the program through August, 1979.

Bob Anthony, President of the Mid-City Merchants Council read the following request:

August 23, 1978

To: Members of the Asheville City Council
Asheville, North Carolina

From: Robert W. Anthony, Jr., President Mid-City Merchants Council by Secretary Helen S. McElyea

The following is directed to your attention:

At a joint meeting of the Mid-City Merchants Council and the Central Asheville Association on August 23, 1978, of the Boards of Directors of the two groups, it was moved and unanimously carried that a request be made to the City Council to endorse the extension of the successful parking experiment as requested by the Revitalization Commission and City Staff.

Attending the meeting of August 23 were the following: Robert Anthony, Donald Heet, Robert Beard, Jack Woodcock, Roy Burchfield, John Reid, Ray Spells, Charles Kern,Samuel Blythe, Chan Gordon, Helen McElyea, Michael Branch, Charles Enman, James Pressley, F. Jack Cole, Frank Coxe, Leon Rocamora, Louis Rifkin, and James Daniels.

cc: Bob Satterwhite - Asheville Citizen
City Manager Kenneth Michalove

Phyllis Millian suggested that Council increase the fine for illegal parking in a space designated for the handicapped from $5 to $10 and that private property owners post signs that violators will be towed away for parking in spaces designated for handicap parking.

Councilman Rainey said he would vote against the extension because of the amount of money the City could lose in parking meter revenues. He said he felt the loss would amount to approximately $70,000 a year. He said he also felt the free parking program poses enforcement problems, in that it lowers the possibility of violators being caught. He said the Asheville Revitalization Commission had suggested that the amount the city loses from the parking experiment be taken from a fund for downtown sidewalk and street improvements, which he felt was a bad idea.

Edith Miller also complained about the enforcement of handicap parking spaces.

Roy Burchfield, Vice-President of the Mid-City Merchants Council and manager of J. C. Penny Co., Inc., said the additional revenues to be derived from increased sales, that many of the downtown stores have reported since the experiment began, will offset the loss of revenue from the meters. He said Council should consider the long-range effects.

Thursday - August 24, 1978 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Councilwoman Norma T. Price, Gene E. Rainey, Ralph D. Morris, Jr. F. Jack Cole, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Vice-Mayor Bill B. Horton and Councilman Otis B. Michael

INVOCATION

Mayor Trantham introduced Rev. James Tucker of the Morningside Baptist Church, who gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the August 17, 1978 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the minutes of the August 17, 1978 meeting were approved as submitted.

MAMA T's IN THE PARK - ANNOUNCEMENT OF OPENING

Mrs. Mitzi Tessier announced the opening of "Mama T's in the Park" on August 24, 1978. She said this would be a joint entertainment venture between Jack and Mitzi Tessier and the City Parks and Recreation Department. She said it would be held in the old pavilion at the Recreation Park and would feature bluegrass music, square dancing, clogging and singing. She said the Asheville Bluegrass Band and a house clogging team will be included in the program.

Mrs. Tessier thanked the City Parks and Recreation Department for their cooperation and help in promoting the program.

PUBLIC HEARING - ASHEVILLE REVITALIZATION PLAN

2. A public hearing continued relative to the adoption of the Asheville Revitalization Plan as the Official Plan for the revitalization and future development of the Asheville Downtown Improvement Area.

Leon Rocamora, a member of the Asheville Revitalization Commission, outlined Chapters eleven and twelve of the plan. These chapters included: 11) Existing Circulation and 12) Utilities Infrastructure.

Councilwoman Price moved to continue the public hearing until August 31, 1978 without further advertisement. This motion was seconded by Councilman Cole and carried unanimously.

ON-STREET FREE PARKING PROGRAM - DISCUSSION RELATIVE TO EXTENDING PROGRAM

3. Consideration was given to extending the on-street free parking program at metered spaces in the downtown area.

5. A. Any future development of property located at the southwest corner of the project site shall be subject to site plan review and approval, and

B. In the event the out lot is developed in connection with the project, it is recommended that no driveway permit be granted directly onto U. S. 25.

6. Approval by Metropolitan Sewage District for sanitary sewer connection and line extension.

Mr. Emrick, by the use of a map, reviewed the location of the proposed K-Mart Shopping Center. He said the project would consist of 15 acres, with 115,937 square feet of building area. He said the project would have 704 parking spaces which would be well over the spaces required by the Zoning Ordinance. He said presently the area is a vacant wooded lot.

Mr. M. J. Hakan, architect, answered general questions from members of Council. Upon inquiry, Mr. Hakan said there would be no problem with planting trees in some of the designated parking spaces.

Councilwoman Price moved for the approval of the site plan of the proposed K-Mart Shopping Center to be located on U. S. 25 (Hendersonville Road) subject to the recommendations of the Planning and Zoning Commission and that tree plantings be done by the recommendation of the Planning Director. This motion was seconded by Councilman Rainey and carried unanimously.

Mr. Hakan commended the Planning Staff and the Planning and Zoning Commission for their help in the project.

CONTINUATION OF PUBLIC HEARING - REZONING PROPERTY - CARIBOU ROAD - DR. JAMES H. MADDOX - HANDI SKILLS, INC.

5. A public hearing continued relative to rezoning property on Caribou Road from R-3 Residential District to OI Office Institutional District, property owned by Dr. James H. Maddox and Handi Skills, Inc.

Verl Emrick said the petitioners had requested a continuation of the public hearing until definite word can be received from the Small Business Administration relative to the loan for the construction of the Handi Skills, Inc. building.

Councilman Morris moved to continue the public hearing until financial arrangements for the building can be resolved. This motion was seconded by Councilman Cole and carried unanimously.

Virgil McConnell, of the Shiloh area, said the residents of the area would like to be notified when the matter is brought back to Council for consideration.

Jim Daniels, Chairman of the Asheville Revitalization Commission, said the Commission had recommended the extension of the program for one year. He said they had also recommended a task force to monitor the program and recommend changes as needed in downtown parking policies, rates and enforcement during this period.

Rev. James Tucker said he supported any measure that would help to revitalize downtown. He said he felt one of the reasons people shop in the malls rather than downtown was due to easy parking situations.

After discussion, Councilman Morris moved to table the decision on parking until August 31, 1978 in order to have all Council members present when a decision is reached. This motion was seconded by Councilwoman Price and carried unanimously.

PUBLIC HEARING - K-MART SHOPPING CENTER - U. S. 25 (HENDERSONVILLE ROAD)

4. A public hearing was held relative to the site plan for the proposed K-Mart Shopping Center to be located on U. S. 25 (Hendersonville Road).

Mayor Trantham opened the public hearing at 4:10 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Planning and Zoning Commission, at its August 2, 1978 meeting, reviewed the site plan and recommended approval of the plan subject to the following:

1. A) That the developer comply with recommendations of the Water and Sewer Department for connections and installation of lines as set forth by the Utilities Operations Coordinator, or

   B) That a 10 feet maintenance easement be granted to the City by the developer so that individual water meters may be installed for various tennants. The developer is advised that if this approach is taken, lines, meters, etc. shall be installed to City specifications at the owner's expense and must be finally accepted by the Asheville City Council.

2. That identification signs for K-Mart and Winn-Dixie not exceed 375 square feet per use. (Maximum permitted by Sign Ordinance).

3. That additional identification signs for other proposed retail uses not exceed 150 square feet per use.

4. If the developer desires a free-standing sign on the property at any point in time that said signage be limited to one (1) joint identification sign -

   Specifications

Total square footage:	375 square feet
Height:	40 feet
Setbacks:	As prescribed in Zoning Ordinance

Secondly, even though the 1978-1979 HAP does not reflect a numerical accommodation of this project, it would provide a needed resource. David has identified 629 elderly citizens which could qualify for residence in these units (See Attachment "B"). This number of potential residents coupled with the fact that the anticipated construction of some 350 to 400 units has never been forthcoming, one would be safe in stating that the need still exists.

3. Traffic Volume in Area:

That latest traffic volumes figures for Tunnel Road (U.S. 70) show 35,000 ADT. However, with the opening of I-240 in 1981, the projected volumes decrease to 15,000. (I-240 will be designed to carry 60,000 ADT).

4. Zoning of Proposed Site:

The site is presently zoned CH Commercial Highway District. This district will allow residential development provided it is done to R-3 standards. Should higher density levels be desired, you can, of course, ask that the Board of Adjustment grant a variance to those specific provisions.

5. Availability of Utilities:

(a) Water: The Water Department reports that there is an existing 16" line on the southeastern property line which can serve the project.

(b) Sanitary sewer: The existing service to the property is a 6" line running along Tunnel Road. Don indicates that the project could possibly be served with the existing line, but if additional capacities are needed, an 8" line would be necessary.

NOTE: In providing service to this property, the owner would be required to finance the project.

6. Provision of Sidewalk:

In his narrative, the developer indicates that shopping areas are "within easy walking distance of the site." However, a sidewalk should be constructed. The estimated cost for constructing a sidewalk from Kenilworth Road to the Mall is as follows:

ASHEVILLE TERRACE - PROPOSED APARTMENT DEVELOPMENT - 200 TUNNEL ROAD

6. A public hearing was held relative to the plan for the proposed apartment development known as the Asheville Terrace.

Mayor Trantham opened the public hearing at 4:35 p. m.

The City Manager presented the notice to the public and affidavit of publication.

Verl Emrick, Planning Director, explained the process a developer must go by in order to receive Section 8 Housing Assistance Payments for a HUD financed housing development. He said the developers of the project known as the Asheville Terrace, Lawler-Wood Associates, Inc. has received preliminary approval for the project and HUD has requested the City to comment on this proposal or to object to its approval if it is inconsistent with the local Housing Assistance Plan. He said if the project receives final approval by HUD the project will again be considered by Council through the Group Development process.

Mr. Emrick then read the following memorandum:

TO: Ken Michalove, City Manager

FROM: Verl R. Emrick, Jr., Planning Director

SUBJECT: Tunnel Road Section 8 Project
NC 19-0014-015 - Asheville Terrace -
Lawler-Wood, Inc., Developers

DATE: August 15, 1978

In response to your request, I met with David Jones, Buzz Johnson, Don Walsh and Larry Ward to discuss the project captioned above and based on their comments, the following opinions on the project are offered.

1. General Project Description:

(a) Project Location: 200 Tunnel Road
(b) Total number of units: 248
New Construction: 192
Motel Rehab Units: 56
(c) All units will be one bedroom, approximately 500 square feet per unit.
(d) Rental fee for units - $331.00 - rent will include all utilities except telephone.

NOTE: See Attachment "A" for detailed narrative description of units and amenities offered.

2. Relationship to Asheville's Housing Assistance Plan (HAP):

Both David Jones and myself agree that the project is consistent with the housing goals stated in the City's HAP. Any project of this nature which will provide suitable housing for low and moderate income families would, of course, be consistent with the City's goals and objectives.

Mr. Thomas Howard, Vice-President of Lawler-Wood Associates, proposed owners and developers, said the proposed rent subsidy is a maximum set by HUD and not necessarily the rent for the project. He said since a sidewalk would impose a problem with right-of-way acquisitions as well as expensive the developers are proposing to provide transportation for the tenants to shopping and neighboring facilities. He said with proper construction and insulation there should be no problem with noise abatement.

Mr. Wallace Hyde, partial owner of the property, said if this project is not approved Asheville would not receive any funding from the present HUD allocation.

Councilwoman Price said she felt the project was good but she did not favor the location.

Mayor Trantham closed the public hearing at 5:03 p. m.

Councilman Rainey moved to advise HUD that the project is consistent with Asheville's housing goals and objectives and accept the preliminary site plan, but reserve final approval based on the developer's final plan which must go through Group Development Review and Approval. This motion was seconded by Councilman Cole and passed on a voice vote of 4-1, with Councilwoman Price voting "no." (Due to the absence of two members of Council, it was necessary for Mayor Trantham to vote).

ORDINANCE NO. 1073 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Rezoning Property on North Louisiana Avenue and Adams Hill Road)

7. Consideration was given to the second reading of Ordinance No. 1073, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended, rezoning property at the intersection of North Louisiana Avenue and Adams Hill Road from R-5 Residential District to LI Light Industrial District, property owned by Mr. and Mrs. Henry C. Fisher, Jr.

Mayor Trantham said the ordinance was previously read on first reading and will not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 4-1, Ordinance No. 1073 passed on second reading, with Councilman Rainey voting "no." (Due to the absence of two members of Council, it was necessary for Mayor Trantham to vote).

ORDINANCE NO. 1074- AN ORDINANCE AMENDING SECTION 28-83 OF ARTICLE IV (SPEED REGULATIONS) OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

8. Consideration was given to the second reading of Ordinance No. 1074, an ordinance amending Section 28-83 of Article IV (Speed Regulations) of the Code of Ordinances of the City of Asheville, increasing the speed limit from N. Hanover Street (N.C. 191) to the west end of Beaucatcher Tunnel to fifty-five miles per hour and increasing the speed limit from U. S. 74 to the Blude Ridge Parkway to forty-five miles per hour.

Length:	3,050 feet
Width:	6 feet
Cubic Yards of Concrete Necessary:	223.65
Estimated Cost per Cubic Yard:	$2.25

Estimated Cost: $11,685.00 (To the City)

NOTE: Cost does not reflect acquisition of necessary right-of-way or installation of curb and gutter.

RECOMMENDATIONS:

At this point, the Council has three options in making comments on this project. These are:

(1) Advise HUD that the proposal is consistent with Asheville's stated housing goals and objectives, but withhold any comment on the acceptability of the site.

(2) Advise HUD that the project is consistent with Asheville's housing goals and objectives and accept the preliminary site plan, but reserve final approval based on the developer's final plans which must go through Group Development Review and Approval; or

(3) Advise HUD that the City will withhold its opinions on the acceptability until the developer has submitted site plans which are in sufficient detail to be reviewed under the provisions of the Group Development Section of the Asheville Zoning Ordinance.

In order for the site plan to meet the criteria for evaluation, the information detailed in Attachment "D" will be needed.

NOTE: Items checked "No" on the form indicates that the information is not available as of the date of this memorandum.

The developer should be cognizant that HUD in all likelihood requires an environmental assessment for this site with particular attention being given to compliance with their noise abatement requirements.

My recommendation is to go with option #2.

Should you have any questions, please advise.

VREJR/nr
Encls/

PACK MEMORIAL LIBRARY - APPRAISAL

The City Manager reported that he had received the appraisal of the Pack Memorial Library from William T. Duckworth. He said the market value of the property is $90,000.00. He said the City has received an offer to purchase or lease the building, however, other offers would be considered. He said it would be the City's policy not to consider an offer less than the appraised value. He said the sale of the property would be in conformance with state law.

CLAIMS - MRS. BONNIE SPARKS - MR. EARNEST JOHNSTON - MR. CHRISTOPHER BANKS

The City Manager presented a memorandum from W. R. Swearngan, Facility Services Superintendent, indicating that the following claims have been submitted to the insurance carrier:

1. Mrs. Bonnie Sparks
   Asheville, North Carolina

2. Mr. Earnest Johnston
   38 Clingman Avenue
   Asheville, North Carolina.

Claims sent to Saint Paul Fire and Marine Insurance:

1. Mr. Christopher Banks
   587 Brevard Road
   Asheville, North Carolina

ALLEY - OFF BROADWAY

The City Manager presented a letter from J. M. Hearn Company, 34 Broadway; M & M Beauty Shop, 30 Broadway; Globe Furniture Company, 26 Broadway; and Brezny Mauldin Photographers of 32 Broadway requesting that some action be taken regarding the condition of an alley off of Broadway which runs behind their businesses.

PUBLIC HEARING SCHEDULED - ROCK HILL APARTMENTS

Councilwoman Price moved to schedule a review of the Rock Hill Apartments development for September 7, 1978. This motion was seconded by Councilman Rainey and carried unanimously.

BUS TRANSPORTATION SYSTEM - FEDERAL GRANT RECEIVED

The City Manager reported that the City had received a federal grant in the amount of $145,980 for improvements to the bus transportation system. He said this grant had been requested for the last four or five years and is just now coming through. He said he would have a resolution prepared for next week's meeting approving the agreement.

REPORT ON 48 AND 53 BLAYLOCK AVENUE

The City Manager said he had the two vacant houses at 48 and 53 Blaylock Avenue inspected and found that the houses were considered to be substandard. He said one of the houses had been sold at public auction on August 23, 1978.

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

Councilwoman Price said she was opposed to the ordinance because it would be adding a dangerous speed limit to these particular highways.

Verl Emrick, Planning Director, said he had been in contact with Walter Cochran, State District Engineer, and was told this ordinance had been requested for a continuity of speed.

After discussion, Councilman Morris moved to table the ordinance until such time as the State District Engineer could discuss the issue with Council. This motion was seconded by Councilwoman Price and carried unanimously.

BIDS - 1978-79 PAVING PROGRAM

9. Consideration was given to bids received August 21, 1978 for the 1978-79 Paving Program.

The City Manager read a memorandum from the Purchasing Agent which stated that three (3) bids were received and it was recommended that the bid be awarded to Asheville Paving Company, Inc. who submitted the lowest overall bid, totaling $475,775.00 based on estimated quantities.

Councilwoman Price moved to accept the recommendation of the Purchasing Agent and award the bid to Asheville Paving Company, Inc., the lowest overall bidder, totaling $475,775.00. This motion was seconded by Councilman Cole and carried unanimously.

ORDINANCE NO. 1075 - AN ORDINANCE REPEALING SECTIONS 10-1 THROUGH 10-20 (CHARITABLE SOLICITATIONS) OF THE ASHEVILLE CODE OF ORDINANCES

10. Consideration was given to an ordinance repealing Sections 10-1 through 10-20 (Charitable Solicitations) of the Asheville Code of Ordinances.

The City Manager read the ordinance and said recent court actions indicate that the City Code regarding procedures and approval for charity solicitations is unconstitutional. However, state law now provides for reviews of charity solicitations. He said Charlotte Hutchison, Research Analyst and Bill Moore, Corporation Counsel, have researched this matter and have agreed that there is a need for the City to repeal the City's ordinance.

Charlotte Hutchison, Research Analyst, answered general questions from members of Council relative to licensing and enforcement by the Charitable Solicitation and Licensing Branch of the North Carolina Department of Human Resources.

Councilwoman Price moved for the adoption of Ordinance No. 1075. This motion was seconded by Councilman Cole.

On a roll call vote of 4-0, Ordinance No. 1075 passed on first reading.

Councilwoman Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1075. This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 4-0, Ordinance No. 1075 passed on second reading.

Thursday - August 31, 1978 - 3:00 o'clock p.m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton; Councilwoman Norma T. Price, Gene E. Rainey, Otis B. Michael, Ralph D. Morris, Jr., F. Jack Cole, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

Vice-Mayor Horton gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the August 24, 1978 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the minutes of the August 24, 1978 meeting were approved as submitted.

CONGRESSMAN LAMAR GUDGER

Mayor Trantham introduced Congressman Lamar Gudger who addressed Council on various issues. He said that he was delighted that the local governing bodies were working together along with State and Federal representatives. He assured Council of his full support.

Mayor Trantham then turned the meeting over to Vice-Mayor Horton in order to meet with Congressman Gudger and City officials relative to items of immediate concern.

RESOLUTION NO. 78-161 - RESOLUTION OF APPRECIATION TO MRS. JAMES M. WESTALL FOR SERVICES RENDERED TO THE CITY OF ASHEVILLE THROUGH THE PARKS AND RECREATION ADVISORY BOARD

2. Consideration was given to a resolution of appreciation to Mrs. James M. Westall for services rendered to the City of Asheville through the Parks and Recreation Advisory Board.

The City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Councilwoman Price, Resolution No. 78-161 was unanimously adopted.

Complete text of Resolution No. 78-161 will be found in Resolution Book No. 10 at page 329.

RESOLUTION NO. 78-162 - RESOLUTION OF APPRECIATION TO CAPTAIN ROY E. KING

3. Consideration was given to a resolution of appreciation to Captain Roy E. King.

The City Manager read the resolution.

Upon motion of Councilman Cole, seconded by Councilman Rainey, Resolution No. 78-162 was unanimously adopted.

AIRPORT BIDS - RUNWAY EXTENSION

William F. Wolcott, Jr., Associate City Manager, announced that bids for construction of the first phase of the airport runway extension were opened on August 24, 1978. He said Champion Landscaping of Kings Mountain was the apparent low bidder with a base bid of $2,156,825. He said the bids must be approved by the FAA in Atlanta. He said applications are being made for more money from the Federal Aviation Administration.

Adjournment.

MAYOR

CITY CLERK

Councilwoman Price moved to extend the on-street free parking program through March 31, 1979. This motion was seconded by Councilman Morris.

Vice-Mayor Horton noted that if the program is extended, we should implement the changes early so we can perfect the program and benefit by the already 6-month time period.

City Manager K. M. Michalove noted that one recommendation already in is to revert the area around the City/County Plaza and the Post Office area back to metered parking. Also, the early morning parking ban should be eliminated in these areas. He noted that approximately 40% of the total amount of on-street parking meters in downtown would become operational. He said that some other recommendations have come in and would be looked over in the next few weeks.

It was noted that the City Manager has the power to make changes in the experiment during the 7-month period in case a hardship case arises.

Councilman Michael said that the complaints on the parking program are not reaching the City Manager, the Revitalization Commission and the other people who are in a position to change the ordinance. Mr. Michalove stated that he would obtain a summary of the complaints for Councilman Michael's review.

Councilman Michael asked that the following letter from Mrs. Martha Hoskins be included in the minutes:

> "My mother who is 85 and now home with a nurse, after 7 weeks at St. Joseph's Hosptial, had a 9:15 appointment with Wayne Woodard, M.D. in the Flat Iron Building. My sister parked between Penneys and John Carrolls and rushed across the street to help the nurse with mother. Wayne Woodard is off on Thursday afternoon but, of course, he would verify this statement. Thank you for your interest and kindness."

Councilman Rainey said that the meters have no effect on business and that there is no data to confirm or deny this. He was concerned the estimated loss of revenue from the meters would hurt the City. He estimated the City will lose $70,000 because the meters are eliminated, not $42,000 that the City officials estimated.

Councilman Rainey said that he felt the meters were the best method of regulating parking. He also felt that the people deriving the benefit or the merchants should support the program.

Mr. Don Dyer, manager of a parking lot in the downtown area, said that he felt the plan was not working satisfactory.

Mr. Leon Rocamora, along with Mr. James Daniels, spoke in favor of the program stating that it has been very good for the City of Asheville's morale.

Vice-Mayor Horton and Councilman Michael were assured that the revitalization subcommittee would review the progress of the experiment monthly.

The motion made by Councilwoman Price and seconded by Councilman Morris to extend the on-street free parking program through March 31, 1979, carried on a 5-1 vote, with Councilman Rainey voting "no."

The City Council recessed for 5 minutes at 5:07 o'clock p.m.

Complete text of Resolution No. 78-162 will be found in Resolution Book No. 10 at page 330.

RESOLUTION NO. 78-163 - RESOLUTION OF APPRECIATION TO CAPTAIN NEIL C. SAMS

4. Consideration was given to a resolution of appreciation to Captain Neil C. Sams.

The City Manager read the resolution.

Upon motion of Councilwoman Price, seconded by Councilman Rainey, Resolution No. 78-163 was unanimously adopted.

Complete text of Resolution No. 78-163 will be found in Resolution Book No. 10 at page 331.

PUBLIC HEARING - ASHEVILLE REVITALIZATION PLAN

5. A public hearing was continued relative to the adoption of the Asheville Revitalization Plan as the Official Plan for the revitalization and future development of the Asheville Downtown Improvement Area.

Mrs. Mimi Cecil, a member of the Asheville Revitalization Commission, outlined Chapter Fourteen entitled "The Revitalization Strategy."

Mr. Wayne Cooper, a member of the Asheville Revitalization Commission, outlined Chapter Fifteen entitled "Downtown Framework Plan."

Mr. Bob Orr, a member of the Asheville Revitalization Commission, outlined Chapter Sixteen entitled "Circulation and Access Patterns."

Mrs. Alice Collette, a member of the Asheville Revitalization Commission, outlined Chapter Seventeen entitled "Social/Cultural Improvement Strategy."

Councilman Morris moved to continue the public hearing until September 7, 1978 without further advertisement. This motion was seconded by Councilwoman Price and carried unanimously.

ON-STREET FREE PARKING PROGRAM - EXTENSION OF PROGRAM THROUGH MARCH 31, 1979

6. Consideration was given to extending the on-street free parking program at metered spaces in the downtown area.

Mayor Trantham returned to the Council Chambers.

Mr. Robert Anthony, President of the Mid-City Merchants Council, spoke in support of the extension of the on-street free parking program through August, 1979.

Councilman Michael suggested that the program be continued for one month in order to get an opinion from the tenants in the downtown area. He noted that the one month postponement would give us time to work out any inequities before extending it for a full year.

Mr. Herbert Anson, owner of a building in the downtown area, spoke in support of the parking program stating that it is important to the area to draw the traffic.

Mayor Trantham said that the ordinance was previously read on the first reading and would not be re-read unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1075 passed on its third and final reading.

Complete text of Ordinance No. 1075 will be found in Ordinance Book No. 8 at page 285.

RESOLUTION NO. 78-164 - RESOLUTION AUTHORIZING THE EXECUTION OF A CONTRACT WITH THE DEPARTMENT OF TRANSPORTATION, UNITED STATES OF AMERICA, FOR A GRANT UNDER THE URBAN MASS TRANSPORTATION ACT OF 1964, AS AMENDED

10. Consideration was given to a resolution authorizing the execution of a contract with the Department of Transportation, United States of America, for a grant under the Urban Mass Transportation Act of 1964, as amended.

The City Manager read the resolution explaining that a Capital Grant under Section 3 of the Urban Mass Transportation Act of 1964, as amended, has been approved in the maximum amount of $145,980.

Mr. Larry Ward, Transportation Planner, explained that these funds will aid in financing the purchase and installation of a bus washing system, bus shelter complex, passenger amenities and various support equipment. He also answered general questions from the Council.

Upon motion of Vice-Mayor Horton, seconded by Councilwoman Price, Resolution No. 78-164 was unamimously adopted.

Complete text of Resolution No. 78-164 will be found in Resolution Book No. 10 at page 332.

RESOLUTION NO. 78-165 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN A CONTRACT WITH WOOD AND CORT, P. A., ARCHITECTS FOR DESIGN AND CONSTRUCTION ARCHITECTURAL SERVICES FOR PHASE I SAFETY TO LIFE REQUIREMENTS FOR THE CITY BUILDING

11. Consideration was given to a resolution authorizing the Mayor to sign a contract with Wood and Cort, P.A., Architects for design and construction architectural services for Phase I Safety to Life Requirements for the City Building.

The City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Councilman Cole, Resolution No. 78-165 was unanimously adopted.

Complete text of Resolution No. 78-165 will be found in Resolution Book No. 10 at page 333.

APPROVAL OF CONSENT AGENDA

12. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item.

ORDINANCE NO. 1073 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Rezoning property on North Louisiana Avenue and Adams Hill Road)

7. Consideration was given to the third and final reading of Ordinance NO. 1073, an ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended, rezoning property at the intersection of North Louisiana Avenue and Adams Hill Road from R-5 Residential District to LI Light Industrial District, property owned by Mr. and Mrs. Henry C. Fisher, Jr.

Mayor Trantham said that the ordinance was previously read on the first reading and would not be re-read unless there was a specific request to do so.

On a roll call vote of 5-1, Ordinance No. 1073 passed on its third and final reading, with Councilman Rainey voting "no."

Complete text of Ordinance No. 1073 will be found in Ordinance Book No. 8 at page 283.

ORDINANCE NO. 1074 - AN ORDINANCE AMENDING SECTION 28-83 OF ARTICLE IV (SPEED REGULATIONS) OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

8. Consideration was given to the second reading of Ordinance No. 1074, an ordinance amending Section 28-83 of Article IV (Speed Regulations) of the Code of Ordinances of the City of Asheville, increasing the speed limit from N. Hanover Street (N. C. 191) to the west end of Beaucatcher Tunnel to fifty-five miles per hour and increasing the speed limit from U. S. 74 to the Blue Ridge Parkway to forty-five miles per hour.

Mayor Trantham said the ordinance was previously read on the first reading and would not be re-read unless there was a specific request to do so.

Mr. Walter Cochran, State District Engineer, explained that the State felt that the fifty-five miles per hour speed limit was a safe speed for this area and that they were trying to be consistent with speeds.

It was Councilwoman Price's feeling that fifty-five miles per hour on these highways would be dangerous and that she would oppose this ordinance.

Vice-Mayor Horton said that he was opposed to the ordinance because he feels that the speeds posted now are sufficient for safety reasons.

Councilman Morris moved that Council proceed with the second reading of Ordinance No. 1974. This motion was seconded by Councilman Michael.

On a roll call vote of 4-3, Ordinance No. 1074 passed on its second reading, with Councilman Rainey, Councilwoman Price and Vice-Mayor Horton voting "no" and Councilmen Cole, Michael, Morris and Mayor Trantham voting "yea."

ORDINANCE NO. 1075 - AN ORDINANCE REPEALING SECTIONS 10-1 THROUGH 10-20 (CHARITABLE SOLICITATIONS) OF THE ASHEVILLE CODE OF ORDINANCES

9. Consideration was given to the third and final reading of Ordinance No. 1075, an ordinance repealing Sections 10-1 through 10-20 (Charitable Solicitations) of the Asheville Code of Ordinances.

CLAIMS - REPORTED TO INSURANCE CARRIERS - MR. EARNEST JOHNSON, MS. SONYA BENTLEY, MRS. ELLA HUDGENS, MR. M. BRUCE KING, MRS. OSCAR HENDRIX, MRS. BINKLY, MRS. THELMA JOHNSON, MS. NANCY ELDERS

The City Manager presented a memorandum from W. R. Swearngan, Facility Services Superintendent, indicating that the following claims have been submitted to the insurance carrier:

1. Mr. Earnest Johnson
   38 Clingman Avenue
   Asheville, N. C.

2. Ms. Sonya Bentley
   Rt. 5, Box 2113
   Candler, N. C.

3. Mrs. Ella Hudgens
   51 Ora Street
   Asheville, N. C.

4. Mr. M. Bruce King
   Rt. 2, Box 1075
   Asheville, N. C.

5. Mrs. Oscar Hendrix
   15 Dysart Street
   Asheville, N. C.

Claims sent to Saint Paul Fire & Marine Insurance:

1. Mrs. Binkly
   132 Michigan Avenue
   Asheville, N. C.

2. Mrs. Thelma Johnson
   Candler, N. C.

3. Ms. Nancy Elders
   8 Twin Oak Apt.
   Arden, N. C.

PROCLAMATION - RESCUE SQUAD WEEK IN ASHEVILLE" - SEPTEMBER 4-10, 1978

Mayor Trantham proclaimed the week of September 4-10, 1978, as "Rescue Squad Week in Asheville."

PROCLAMATION - MUSCULAR DYSTROPHY DAYS - SEPTEMBER 3-4, 1978

Mayor Trantham proclaimed September 3-4, 1978, as "Muscular Dystrophy Days."

BIDS - FOOTBALL SCOREBOARD FOR MEMORIAL STADIUM

The City Manager asked for consideration of bids received August 31, 1978, for a football scoreboard, Nevco 2-3004, or Equal for Memorial Stadium, Parks and Recreation Department.

Upon the request of a citizen, a member of the City Council and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. Resolution No. 78-166

Resolution calling for a public hearing for the adoption of an ordinance directing the Housing Officer to demolish the dwelling houses known as 17 Harrison Street, 185 Park Avenue and 966 West Chapel Road for October 5, 1978.

HIGHLIGHTS: 17 Harrison Street, 185 Park Avenue and 966 West Chapel Road have been found to be unfit for human habitation, unsafe and dangerous to life. Owners have not complied with orders to repair or demolish said structures.

B. Resolution No. 78-167

Resolution authorizing the Mayor of the City of Asheville to execute easement in favor of the North Carolina Department of Transportation.

HIGHLIGHTS: The North Carolina Department of Transportation has requested the City of Asheville to execute a right-of-way easement and a drainage easement on property belonging to the City, known as Weaver Park, for the purpose of widening certain sections of Merrimon Avenue and to install a permanent drainage for Merrimon Avenue.

C. Resolution No. 78-168

Resolution authorizing the Mayor to sign a contract with Computer System Services, Inc.

HIGHLIGHTS: This is an annual renewal of a contract with Computer Systems Services, Inc. for the purpose of obtaining electronic equipment data processing maintenance services.

D. Motion approving budget amendment to reflect a Library Service and Construction Act Grant in the amount of $16,561.

HIGHLIGHTS: This is an annual grant received to fund equipment and operating expenses at the Library.

Revenues:
Federal Grant LSCA Outreach Project $16,561

Appropriations:
Project Outreach Grant $16,561

Upon motion of Councilman Michael, seconded by Councilman Morris, the consent agenda was unanimously approved.

Councilman Michael stated that he would like a report on a quarterly basis from the Asheville Housing Authority, the Civic Center Commission and the Asheville Transit Authority.

COUNCILMAN F. JACK COLE - COMMUNITY DEVELOPMENT PUBLIC HEARINGS

Councilman Cole reported that at the Community Development public hearing he attended August 29, 1978, there was an excellent turn-out.

He reported that there was excellent newspaper coverage, but no television coverage.

Adjournment.

MAYOR

CITY CLERK

The City Manager read a memorandum from the Purchasing Agent which recommended the only bid submitted by The Sports Mart, Inc. in the amount of $3,621.62, be accepted.

The funding would be by special appropriation from Buncombe County Commission through the Asheville City Schools.

Councilwoman Price moved to accept the recommendation of the Purchasing Agent by awardeding the bid to the only bidder, The Sports Mart, Inc. in the amount of $3,621.62. This motion was seconded by Councilman Cole and carried unanimously.

VICE-MAYOR HORTON - COMMENDATION TO ASHEVILLE POLICE DEPARTMENT

Vice-Mayor Horton expressed his vote of thanks to the Asheville Police Department, along with the Buncombe County Sheriff's Department, State Bureau of Investigation, Federal Bureau of Investigation and the Internal Revenue Service for their fine work in cracking down on the gambling in the City of Asheville.

COUNCILMAN MICHAEL

Councilman Michael requested that the following letter be included in the minutes:

August 24, 1978

"Members of the Housing Authority
of the City of Asheville and
Mr. David C. Jones, Executive Director
Post Office Box 1898
Asheville, North Carolina 28802

Dear Madam and Gentlemen:

Thank you very much for your report of the accomplishments, status, and anticipated programs of the Housing Authority. It certainly helped me and others, I am sure, to understand the functions of your department.

It is hoped that in the future all authorities and commissions appointed by City Council will give at lease quarterly reports to Council and this should lead to better communication and understanding between us.

I hope that an orderly, cooperative integration of all the housing projects can be implemented as soon as feasible.

Again, I thank you for your attendance and report, and if I can help in any way, please don't hesitate to let me know. We will look forward to hearing from you in the near future.

Yours truly,

Otis B. Michael, M. D.
Councilman

OBM/msm
CC: Members of the Asheville City Council"

Mr. Verl Emrick, Planning Director, explained the process that a developer has to go through when there are funds available for Section 8 Housing. He explained that this is only a request from the Greensboro HUD Office asking for comments relative to whether or not this project is consistent with the housing goals as a community and some basics about the site itself. He said the only thing occurring at this point is that the developer, Western Carolina Housing, Inc., is asking, through his proposal, for a setting aside of funds by the federal agency. If the project is accepted by the federal agency, the developers will have to submit a very detailed architectural plan as well as a financing plan for approval. Those plans, since the area in question is within the City's 1-mile zoning jurisdiction, will have to go through a group development review, which is a site review process, before any building permits can be issued.

Mr. Emrick read the following report which discusses the information presently available and advises the City Council of staff's opinions relative to the project at this point in the review process:

1. General Project Description

   (a) Project Location: Westernmost extension of Rock Hill Road
   (b) Total Number of Units Proposed: 50 - New Construction
   (c) Apartment Configuration: 16 - 3BR - 950 sq.ft./unit
       34 - 2BR - 760 sq.ft./unit
   (d) Proposed Rental Rates: 3BR - $300/Month
       2BR - $250/Month
   (e) Project Management Agent: Alco Properties, Inc.
       Memphis, Tennessee

   * Property is currently under a 60-day option.
     (Owner of property: C. S. Harrell)

2. Relationship to Asheville and Buncombe County's Housing Assistance Plan (HAP)

   As stated before in other staff reports of this nature, any project of this type which will provide suitable housing for low and moderate income families would, of course, be consistent with the City's housing goals and objectives. Chuck Tessier, Buncombe County Planning Director, also states in a letter to the project developer dated March 22, 1978, that the project is consistent with the housing goals of Buncombe County.

3. Zoning of Proposed Site

   The property for this project is zoned LI Light Industrial District and as such it is inappropriately designated for residential zoning. Therefore, should the project proceed toward the final stages of development, the property owners of their agent must petition the Council to rezone the property.

   NOTE: In 1975, the Planning and Zoning Commission recommended that the site be zoned R-3 Residential District, but Council assigned the LI zone to the property after a rather lengthly debate.

Thursday - September 7, 1978 - 3:00 p.m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton; Councilman Gene E. Rainey, Otis B. Michael, Ralph D. Morris, Jr., F. Jack Cole, Corporation Council William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilwoman Norma T. Price (Councilwoman Price took her seat at 3:47 o'clock p.m.)

INVOCATION

Councilman Otis B. Michael gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the August 31, 1978 meeting.

Upon motion of Councilman Cole, seconded by Councilman Rainey, the minutes of the August 31, 1978 meeting were approved as submitted.

PROCLAMATION

Mrs. Jumelia Hyatt, The Northwestern Bank, read a proclamation proclaiming the week of September 11-16, 1978 as "American Institute of Banking Week in Asheville."

GOVERNOR HUNT'S APPOINTMENT - MR. HAROLD GARLAND

Mayor Trantham was pleased to announce that Governor Hunt had appointed Mr. Harold Garland, Chief Electrical Inspector for the City of Asheville, to the State Board of Examiners for Electrical Contractors.

PUBLIC HEARING - ASHEVILLE REVITALIZATION PLAN

2. A public hearing was continued relative to the adoption of the Asheville Revitalization Plan as the Official Plan for the revitalization and future development of the Asheville Downtown Improvement Area.

Mr. James Daniels, Chairman of the Asheville Revitalization Commission, introduced Mr. George Tisdale who outlined Chapter Eighteen entitled "Marketing Strategy."

Vice-Mayor Horton moved to continue the public hearing until September 14, 1978, without further advertisement. This motion was seconded by Councilman Cole and carried unanimously.

PUBLIC HEARING - PROPOSED ROCK HILL APARTMENTS

3. A public hearing was held relative to the plan for the proposed apartment development known as Rock Hill Apartments.

Mayor Trantham opened the public hearing at 3:45 o'clock p.m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Councilwoman Price took her seat at 3:47 o'clock p.m.

Mayor Trantham said that he wrote a letter to Atlanta stating that the proposals should go to the local governing bodies first, then through the process of HUD, the Planning Department and Region B.

Councilman Rainey said that the property is presently zoned LI Light Industrial District and must be rezoned to residential if an apartment comply is to be placed there. Since it is not zoned for residential development now, he feels that the Council should oppose the project.

Councilman Cole was concered that the added children from the project would worsen the situation at the already over-crowded nearby schools.

It was Councilman Morris' opinion that the Buncombe County Commissioners should make the recommendation to HUD since the project would affect county schools and county sewers.

Mayor Trantham then asked for resident's comments, which are as follows:

Ms. Jacqueline Scott, 181 Rock Hill Road, stated that the residents are protesting multiple dwellings which would be centrally located between middle income 1-family dwellings. She explained the problem with already over-crowded schools, the problem in the drastic increase of the population causing a high increase of crime in this low crime area and the problem of noise and traffic. She passed out documents dealing with the amount of money involved in this project. She read a statement from a letter from the N. C. Department of Cultural Resources stating that they recommended an archeological survey be undertaken to acknowledge any sites before construction.

Mr. Howard Hazelrigg, 38 Stockwood Extension, stated that he felt that proposed Rock Hill Apartments and the proposed Biltmore Pine Apartments would not be in the best interest of the citizens in the community. He told Council that he is circulating a petition to rezone the area to a residential classification which would prohibit any development except single family houses. He also felt that this location of the project would lower property values in the area.

Mr. Bill Oglesby, Buncombe County Commission and a member on the Board of Directors of the Jaycee corporation sponsoring the project, said that they had no intention of causing problems in this community. He said that the Board feels that we have substandard and inadequate housing in Asheville and Buncombe County. He said that they are just trying to add homes for families that live in an area of substandard housing.

Mr. Clayton Wright, a resident in the area, spoke in opposition of this project.

Mr. Ridgley Robinson, representative of the Western North Carolina Jaycee Housing, Inc., spoke in favor of this project stating that they are trying to provide good, safe, decent and adequate housing for the people. It was Mr. Robinson's opinion that the project would not be detrimental to the existing neighborhood, as the residents might initially think.

Mr. Eric Redden, 125 Stockwood Road, spoke in opposition of this proposed development stating that this was a low crime area and if additional people came in, crime would increase.

Ms. Ann Worley, resident in the Reynolds School District, spoke in opposition of the project because of the over-crowding in schools.

4. Availability of Utilities

(a) Water: Conversations with the City's Water Department reveal that the existing 6" line which follows West Chapel Road and Rock Hill Road between Fairview Road and Sweeten Creek has sufficient flow capacity to serve the project. Information available on flow pressures and capacities indicates the line is capable of serving 122 units. However, it should be noted that prior to service connection being approved, the developer must have approval from the N. C. Department of Human Resources and comply with the area's joint water extension policies.

(b) Sanitary Sewer: The Buncombe County Engineering Department reports that there is an existing line which follows Rock Hill Road and stops at the developer's property line. Further, the engineers report no problems with providing connections to the property.

Information available indicates that there are no real problems with the capacities of the sewer system in this area outside the City Limits. There are, however, infiltration problems during times of heavy rains and flooding on Sweeten Creek.

5. Schools

Conversations with Mr. Robinson, Assistant Superintendent, Buncombe County Schools, indicate that Oakley Elementary and Reynolds Middle Schools are very near capacity and cannot accommodate a large number of additional students. Reynolds High School on the other hand can accommodate an additional 250 students.

NOTE: School population projections utilize a factor of 1.5 students per single family housing and 2.0 students per units in multi-family complexes. Therefore, one could project approximately 100 new students.

Mr. Emrick stated that at this point, the staff recommends that Council advise HUD that the project is consistent with Asheville's stated housing goals and objectives, but withhold any comment relative to the acceptability of the site until such time as specific site plans are submitted.

Councilman Michael made the point that it was his opinion that the community needs more single family housing rather than low rent housing.

City Manager K. M. Michalove explained that annually, the City Council is required to approve the Housing Assistance Plan. This Plan does not get into area designations, only a statement of the number of families that need assistance. He said that this Plan was approved approximately 7 months ago. He said that all the Planning Director does in analyzing this is that when a developer says that he wants to put up some rental units, the Director goes back and looks at the Plan and determines whether or not these rental units are needed. He pointed out that Mr. Emrick's opinion is based on this study that was done. He said that if Council doesn't want any more rental units developed, the study would have to be changed. He said that this study is required in order to receive Community Development funds.

Mr. Emrick said that units could mean rental apartments or single family detached dwellings.

Mr. Emrick reviewed the proposed amendments which consist of additions to the parking, a shift in a building and the addition of a Pizza Hut. The said that the amendments are of such a magnitude that the exceptions of the Group Development Review would not apply in this instance, therefore, it is necessary for Council to approve the amendments. He asked Council for their approval of the following:

1) Approve a Pizza Hut;

2) Require the developer to resubmit his Erosion Control Plan; and

3) Not approve, as part of the developer's scheme, an additional free standing sign for the Pizza Hut.

Mayor Trantham closed the public hearing at 6:05 o'clock p.m.

After some discussion relating to buffering, Councilwoman Price moved to accept the recommendations of the Planning Director with two rows of evergreen shrubs in the northwest corner in addition to the chainlink fence. This motion was seconded by Councilman Cole and carried unanimously.

PUBLIC HEARING - SITE PLAN APPROVAL - SWEETEN CREEK MINI-WAREHOUSE FACILITIES

5. A public hearing was held relative to the site plan for the proposed Sweeten Creek Mini-Warehouse Facilities to be located on Sweeten Creek Road.

Mayor Trantham opened the public hearing at 6:07 o'clock p.m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

It was noted that on August 17, 1978, Mr. Gary Rowe, the developer's attorney, requested that this public hearing be continued to this date in order to complete negotiations regarding utility easements.

Mr. Emrick, Planning Director, said that Asheville Planning and Zoning Commission has recommended approval of the site plan for the proposed Sweeten Creek Mini-Warehouse Facilities to be located on Sweeten Crrek Road subject to the developer complying with the following:

1) That the developer comply with all applicable requirements of the City of Asheville Erosion Control Ordinance. Buildings should be elevated and/or waterproofed in order to minimize potential flood damage from Sweeten Creek. Also, access drive, whether bridge or culvert, across Sweeten Creek be designed to allow unobstructed flow of water during times of flooding.

2) That the proposed additions to Buildings "A" and "D" be constructed in a manner which will not interfere with any future maintenance required on the existing sewer line.

3) That the developer work with the Buncombe County Public Safety Department to establish an easement through the property for the future extension of sanitary sewer services to the Rock Hill Road area.

Mr. C. E. Parker, 19 Stockwood Road, presented Council with several documents which he felt indicated Mr. Oglesby's connection with the projects and his role as a commissioner is in conflict of interest. He also presented a HUD guideline which said that no county official could have any interest in or receive benefits from a housing project. He felt that Mr. Oglesby should have stepped down off of that Board until this was over.

Ms. Sara Davis, Route 9, Box 167, Edgewood Road, spoke in opposition of this project stating that people lose their pride when living in these housing complexes.

Ms. Linda Redmond, a resident of Stockwood, spoke in opposition of this project because the property values in the area would be lowered.

Mr. Roger Knaup, Route 9, Box 72, a mail carrier, said that his many trips through housing developments of this type revealed bad living conditions and he was very much opposed to this project.

Mr. Arthur Edington, Route 9, Box 182, spoke in opposition of this project stateing that there were betters ways of meeting the housing needs of the citizens.

Mr. John T. Brownlee, 34 Stockwood Lane, spoke in opposition of the proposed project in this location.

A teacher at T.C. Roberson spoke in opposition to this project because of the hardship already on the existing schools.

Ms. Jean Sales, Riceville Road, spoke in opposition of this proposed project.

Councilman Morris suggested that a transcript of this public hearing be sent to HUD along with the recommendations of Council.

Mayor Trantham closed the public hearing at 5:32 o'clock p.m.

Vice-Mayor Horton suggested that the City Council find the project consistent with the local Housing Assistance Plan but does not approve the proposed location because of its potentially extreme impaction of the area schools, its intolerable increase in traffic congestion and its complete incompatibility with present property zoning.

Councilman Rainey moved to submit a negative recommendation on the basis of non-conformity with the zoning even though the project conforms with the Housing Assistance Plan. Also, the Council's opinion is based on the objection of the residents of the community as voiced on the attached tape. This motion was seconded by Councilman Cole and carried unanimously.

The City Council recessed for approximately 10 minutes at 5:47 o'clock p.m.

PUBLIC HEARING - AMENDMENTS TO THE OTEEN SHOPPING CENTER GROUP DEVELOPMENT PLAN

4. A public hearing was held relative to amendments to the Oteen Shopping Center Group Development Plan.

Mayor Trantham opened the public hearing at 5:50 o'clock p.m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

ORDINANCE NO. 1074 - AN ORDINANCE AMENDING SECTION 82-83 OF ARTICLE IV (SPEED REGULATIONS) OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

7. Consideration was given to the third and final reading of Ordinance No. 1074, an ordinance amending Section 82-83 of Article IV (Speed Regulations) of the Code of Ordinances of the City of Asheville, increasing the speed limit from N. Hanover Street (N.C. 191) to the west end of Beaucatcher Tunnel to fifty-five miles per hour and increasing the speed limit from U. S. 74 to the Blue Ridge Parkway to forty-five miles per hour.

Mayor Trantham said that the ordinance was previously read on the first reading and would not be re-read in its entirety unless there was a specific request to do so.

Vice-Mayor moved to amend the ordinance by changing the speed limit from N. Hanover Street (N.C. 191) to the west end of Beaucatcher Tunnel to fifty miles per hour. This motion was seconded by Councilwoman Price and carried on a 4-2 vote, with Councilmen Michael and Morris voting "no."

Complete text of Ordinance No. 1074 will be found in Ordinance Book No. 10 at page 284.

APPROVAL OF THE CONSENT AGENDA

8. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. Resolution authorizing the execution of a contract with the State of North Carolina Department of Transportation for a State Airport Aid Grant.

HIGHLIGHTS: State Project No. 77-05 funds will be used to extend safety area runway 34; upgrade MITL and HIRL System; construct CFR Station; and purchase 1500 gallon foam fire truck.

The grant is in the maximum amount of $30, 170.

Resolution No. 78-169 - Found in Resolution Book No. 10 - page 337.

B. Resolution authorizing the execution of a contract with the State of North Carolina Department of Transportation for a State Airport Aid Grant.

HIGHLIGHTS: State Project No. 78-07 funds will be used for site preparation for 1500 foot runway and taxiway extension including Navaid sites and lighting.

The grant is in the maximum amount of $644,200.

Resolution No. 78-170 - Found in Resolution Book No. 10 - page 338.

4) That the developer provide buffering as required in Section 30-3-14 (2) of the Zoning Ordinance along the westernmost property line abutting residentially zoned property where natural vegetation is inadequate or may be removed.

In response to Councilman Rainey's inquiry about the security, Mr. George Morosani, Owner, said that there is now a couple living on the premises. Once the plan is completed, there will be a chainlink fence around the area, also, a turnstyle will be built with a resident manager on the premises.

Mr. Gary Rowe explained that if Building "D" has to be moved, it will destroy the whole design of the area. It is his feeling that the sewer line which runs there has only a prescriptive right, not a grant. He doesn't feel that Mr. Morosani can be required to move his building back from that line unless there is a specific easement of 10'-15' along and with the sewer line. He said that the legal right is not there to make Mr. Morosani move his building back. He said that there is adequate protection and the risk is more with Mr. Morosani.

Mr. Rowe said that if the site plan was approved with the stipulations from the Planning and Zoning Commission recommended, they would try to negotiate with Buncombe County for an easement for future use in the Rock Hill Road area. The point being that they do not want the County to have the impression that the developer must not build until they have obtained some easement agreement with them. They feel that they will have to be forced to deal with the County on their terms as to what they deem as a reasonable number of feet from the sewer line.

City Attorney Bill Moore told Mr. Rowe that he would go over to the County with him to make some agreement with the County to make sure that there is no responsibility on the County for maintaining this sewer line.

Vice-Mayor Horton moved to table this public hearing, without further advertisement, until October 5, 1978, until the developer could negotiate a specific agreement with the County. This motion was seconded by Councilwoman Price and carried unanimously.

ORDINANCE NO. 1076 - AN ORDINANCE AMENDING THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE, CHAPTER 21 - POLICE, SPECIFICALLY SECTION 21-11 (AUXILIARY POLICE OFFICERS INCLUDED IN WORKMAN'S COMPENSATION PLAN)

6. Consideration was given to an ordinance amending the Code of Ordinances of the City of Asheville, Chapter 21 - Police, specifically Section 21-11 (Auxiliary Police Officers included in Workman's Compensation Plan).

The City Manager read the ordinance and explained that uniforms and weapons are available. These volunteer officers would have the same training and authority as regular officers, but would not be paid.

Councilwoman Price moved for the adoption of Ordinance No. 1076. This motion was seconded by Councilman Rainey.

On a roll call vote of 6-0, Ordinance No. 1076 passed on its first reading.

It was the Council's consensus to put the two resolutions dealing with State Airport Aid Grants under the consent agenda.

PROCLAMATION - SEPTEMBER 10-16, 1978 - FRENCH BROAD RIVER WEEK

Mayor Trantham proclaimed the week of September 10-16, 1978 as "French Broad River Week."

PROCLAMATION - NATIONAL CANCER DAY - SEPTEMBER 8, 1978

Mayor Trantham proclaimed September 8, 1978, as "National Cancer Day."

PROCLAMATION - AMERICAN INSTITUTE OF BANKING WEEK IN ASHEVILLE - SEPTEMBER 11-16, 1978

Mayor Trantham proclaimed the week of September 11-16, 1978 as "American Institute of Banking Week in Asheville."

Adjournment.

Ray M. Trantham
MAYOR

Frances F. Holcomb
CITY CLERK

C. Resolution authorizing the Mayor to sign on behalf of the City of Asheville Change Order No. 2 with Southworth Construction Company, Inc. for the project known as Renovation of Valley Street Maintenance Facility.

HIGHLIGHTS: The following items to be included in the contract currently in progress with Southworth Construction Company, Inc.:

1) Remove existing stucco wall and replace with metal siding discarded metal windows at East Wall. $2,850.00

2) Remove existing stucco wall and replace with metal siding discarded metal windows at West Wall. $2,850.00

3) Replace gable end with metal siding at South end of building. $1,699.00

4) In lieu of metal siding at rear wall at Southwest corner replace with masonry blocks. $1,492.00

5) Remove brick wall at North east corner at door, furnish new door, replace wall with metal siding, raise roof for door clearance and install new metal roof in area affected. $9,357.00

Resolution No. 78-171 - Found in Resolution Book No. 10 - page 339.

D. Consideration of bids opened August 30, 1978, for galvanized corrugated steel pipe for the Parks and Recreation Department.

HIGHLIGHTS: Four (4) bids were received.

Recommend the low bid submitted by Silverman Company in the amount of $13,554.20 be awarded.

Funding: Community Development Funds
Sufficient funds are available for above expenditure

E. Consideration of bids opened August 25, 1978, re-roof East Asheville Community Center, Parks and Recreation Department.

HIGHLIGHTS: Three (3) bids were received.

Recommend the low bid submitted by Asheville Roofing, Inc. in the amount of $9,761.00.

Funding: Revenue Sharing Trust Fund
Recreation Program East Asheville Center
Capital Outlay Other Improvements Account Code
50-45-501-0-089.0073
Budgeted $10,000.00

Upon motion of Councilman Cole, seconded by Councilwoman Price, the consent agenda was unanimously approved.

The City Manager read the resolution.

Mr. Cox, Talbert, Cox and Associates, said that the localizer on the north end at the Airport would be moved.

Upon inquiry of Councilman Rainey, Mr. Cox said that the construction would begin as early as September 25, 1978.

Mr. Cox said that the airport would not be closed at any time, but there will be certain periods that there will be restrictions on landings to the south and perhaps some take-offs to the north.

It was Vice-Mayor Horton's hope that there would be news coverage on this construction.

Upon motion of Vice-Mayor Horton, seconded by Councilwoman Price, Resolution No. 78-173 was unanimously adopted.

Complete text of Resolution No. 78-173 will be found in Resolution Book No. 10 at page 341.

PUBLIC HEARING - ASHEVILLE REVITALIZATION PLAN

4. A public hearing was continued relative to the adoption of the Asheville Revitalization Plan as the Official Plan for the revitalization and future development of the Asheville Downtown Improvement Area.

Mr. James Daniels, Chairman of the Asheville Revitalization Commission, introduced Mr. Robert Orr who outlined Chapter 19 entitled "Architectural Conservation" and Chapter 20 entitled "Building Codes."

Due to several officials being out of town next Thursday the City Manager requested that Council postpone the entire agenda scheduled for September 21, 1978 until September 28, 1978.

Councilwoman Price moved to postpone the entire agenda scheduled for September 21, 1978 until September 28, 1978. This motion was seconded by Councilman Cole and carried unanimously.

Councilman Michael moved that the next meeting of the City Council be held on September 28, 1978. This motion was seconded by Councilwoman Price and carried unanimously.

Councilman Michael said HUD was in the process of approving the Battery Park Hotel for elderly housing. He said he felt this would hurt the downtown revitalization. He said it was his hope that a private entrepreneur would be interested in restoring the Battery Park as a hotel that would attract tourist downtown. He said Council had previously, over a year ago, voiced their opposition to the Battery Park Hotel being used for elderly housing. He said he felt HUD should have consulted Council before approving the plan.

James Daniels, Chairman of the Asheville Revitalization Commission, said the Commission was in agreement with Councilman Michael.

Thursday - September 14, 1978 - 3:00 o'clock p.m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton; Councilwoman Norma T. Price; Councilmen Gene E. Rainey, F. Jack Cole, Otis B. Michael; Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Ralph D. Morris, Jr.

INVOCATION

The invocation was given by Councilman Gene E. Rainey.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the September 7, 1978 meeting.

Upon motion of Councilman Cole, seconded by Councilwoman Price, the minutes of the September 7, 1978 meeting were approved as submitted.

PROCLAMATION

Mrs. Roy Cagle read a proclamation proclaiming the week of September 17-23, 1978 as "Constitution Week."

RESOLUTION NO. 78-172 - RESOLUTION AUTHORIZING, ADOPTING, APPROVING, ACCEPTING AND RATIFYING THE EXECUTION OF A GRANT AGREEMENT FOR PROJECT NO. 6-37-0005-04 BETWEEN THE UNITED STATES OF AMERICA AND THE CITY OF ASHEVILLE

2. Consideration was given to a resolution authorizing, adopting, approving, accepting and ratifying the execution of a grant agreement for Project No. 6-37-0005-04 between the United States of America and the City of Asheville.

Mayor Trantham explained that this grant offer is in the amount of $1,546,085 for Fiscal Year 1978 and $627,962 for Fiscal Year 1979. This is a total of $2,174,047. The amount will cover the base bid for the first phase of the project. The maximum federal limitation is $3,302,187 which would allow the addition of Fiscal Year 1979 discretionary funds of $1,128,140 if they become available. This would be used to complete the entire First Phase of the project of the 1500' runway and taxiway extension at the Asheville Airport.

The City Manager read the resolution.

Upon motion of Vice-Mayor Horton, seconded by Councilwoman Price, Resolution No. 78-172 was unanimously adopted.

Complete text of Resolution No. 78-172 will be found in Resolution Book No. 10 at page 340.

RESOLUTION NO. 78-173 - RESOLUTION AWARDING CONTRACTS FOR THE SITE PREPARATION FOR A 1500' RUNWAY AND TAXIWAY EXTENSION, INCLUDING GLIDE SLOPE AND LOCALIZER GRADING AND FENCING AT THE ASHEVILLE AIRPORT

3. Consideration was given to a resolution awarding contracts for the site preparation for a 1500' runway and taxiway extension, including glide slope and localizer grading and fencing at the Asheville Airport.

ORDINANCE NO. 1077 - AN ORDINANCE AMENDING ORDINANCE NO. 1002, KNOWN AS "AN ORDINANCE ESTABLISHING THE ASHEVILLE UNIFORMED POLICEMEN'S RETIREMENT PLAN AND TRUST"

6. Consideration was given to an ordinance amending Ordinance No. 1002, known as "An Ordinance Establishing the Asheville Uniformed Policemen's Retirement Plan and Trust."

The City Manager read the ordinance and explained that this ordinance would give the officers under the old plan the opportunity to participate in the new plan. He said the officers would be given a deadline of December 1, 1978 to join the new plan.

Councilman Cole moved for the adoption of Ordinance No. 1077. This motion was seconded by Councilman Rainey.

On a roll call vote of 5-0, Ordinance No. 1077 passed on first reading.

Councilman Michael moved to suspend the rules and proceed to the second reading of Ordinance No. 1077. This motion was seconded by Councilwoman Price and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1077 passed on second reading.

Councilman Michael moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1077. This motion was seconded by Councilwoman Price and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1077 passed on third and final reading.

Complete text of Ordinance No. 1077 will be found in Ordinance Book No. 8 at page 288.

ORDINANCE NO. 1078 - AN ORDINANCE AMENDING ORDINANCE NO. 1003, KNOWN AS "AN ORDINANCE ESTABLISHING THE ASHEVILLE UNIFORMED FIREMEN'S RETIREMENT PLAN AND TRUST"

7. Consideration was given to an ordinance amending Ordinance No. 1003, known as "An Ordinance Establishing the Asheville Uniformed Firemen's Retirement Plan and Trust."

The City Manager read the ordinance.

Councilman Cole moved for the adoption of Ordinance No. 1078. This motion was seconded by Vice-Mayor Horton.

On a roll call vote of 5-0, Ordinance No. 1078 passed on first reading.

Vice-Mayor Horton moved to suspend the rules and proceed to the second reading of Ordinance No. 1078. This motion was seconded by Councilwoman Price and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1078 passed on second reading.

Vice-Mayor Horton moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1078. This motion was seconded by Councilwoman Price and carried unanimously.

Councilman Rainey said he did not feel a sudden action by Council would be fair to the current owners of the hotel.

After discussion, Councilman Michael made the following motion:

WHEREAS, the City Council of Asheville has previously voiced its opposition to converting the Battery Park Hotel to elderly housing; and

WHEREAS, it is the Council's opinion:

1. That such a conversion would not be in the best interest of the Downtown's economic revitalization.

2. The building would be better utilized as a hotel facility.

NOW, THEREFORE, THE CITY COUNCIL MOVES:

That Council reaffirm to HUD its objection relative to the conversion of the Battery Park Hotel and again request that HUD disapprove the project.

This motion was seconded by Councilwoman Price and carried unanimously.

ORDINANCE NO. 1076 - AN ORDINANCE AMENDING THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE, CHAPTER 21 - POLICE, SPECIFICALLY SECTION 21-11 (AUXILIARY POLICE OFFICERS INCLUDED IN WORKMAN'S COMPENSATION PLAN).

5. Consideration was given to the second reading of Ordinance No. 1076, an ordinance amending the Code of Ordinances of the City of Asheville, Chapter 21 - Police, specifically Section 21-11 (Auxiliary Police Officers included in Workman's Compensation Plan).

Mayor Trantham said this ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

Councilman Michael requested that if Council approves the Asheville Police Reserve unit, that the Chief of Police consider using one or two persons that live in the housing projects. He said this would help with better communications between the people that live in the housing projects and give them better police protection. He said if this request could not be complied with he would like a report as to the reason it can not be complied with.

On a roll call vote of 5-0, Ordinance No. 1076 passed on second reading.

Councilwoman Price moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1076. This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1076 passed on third and final reading.

Complete text of Ordinance No. 1076 will be found in Ordinance Book No. 8 at page 286.

C. Resolution No. 78-176 - Resolution authorizing execution of a grant-in-aid application for Buncombe County Historic Properties Inventory - Phase II.

HIGHLIGHTS: A comprehensive inventory of historic properties in Asheville and Buncombe County is in progress. This project (Phase I), including completion of the inventory and preparation of the data for publication, is funded through the mid-June 1979 via a 1978 Survey and Planning Grant.

We are now seeking funds to extend the project through December 1979 (Phase II) and, specifically, to support publication of the inventory data in two formats (a detailed working document and an evocative public education document) and to develop a comprehensive community preservation plan based on the inventory.

(Local funds overmatched the 1978 Study and Planning grant by more than $8,000. It is on the basis of this overmatch in Phase I that we are asking Archives and History to fund more than 50% of Phase II).

Resolution Book No. 10 Page 344 .

D. Approval of bids received September 12, 1978, uniforms for Asheville Fire Department.

HIGHLIGHTS: Two (2) bids were received.

Fire Chief Ball and the Purchasing Agent recommend the over-all low bid submitted by Asheville Army Store in the amount of $6,378.59 be accepted.

Funding: General Fund - Fire Department, Uniforms
Account Code 10-40-470.0036
Budgeted $10,000.00

E. Approval of bids received September 5, 1978, for Advent Videobeam, Model 710 or Equal, including Videobeam Projector and 6' Diagonal Screen for Pack Memorial Library.

HIGHLIGHTS: One bid was received.

Nancy Hammond of Pack Memorial Library and the Purchasing Agent recommend the one and only bid submitted by Bridge Sound Company in the amount of $2,595.00 be awarded.

Funding: Library Service and Construction Act (LSCA) Grant to fund equipment and operating expenses at the Library.
Total appropriation $16,561.00
Account Code 51-30-450-781.0074

On a roll call vote of 5-0, Ordinance No. 1078 passed on third and final reading.

Complete text of Ordinance No. 1078 will be found in Ordinance Book No. 8 at page 290.

APPROVAL OF THE CONSENT AGENDA

8. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. Resolution No. 78-174 - Resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Warren Brothers Construction Company of Asheville, North Carolina for the project known as Oakley Area Public Works - Contract #2.

HIGHLIGHTS: This project entails the installation of approximately 939 square yards of combination curb and sidewalk, 699 square yards of 4-inch thick concrete sidewalks, 154 tons of bituminous surface course, 3 catch basins, 105 linear feet of 15-inch plain galvanized CMP, and other items necessitated by the proposed construction.

Four (4) bids were received on August 29, 1978, and Mr. William DeBruhl, Utilities Operations Coordinator, recommends that the low bid be awarded to Warren Brothers of Asheville, N. C. in the amount of $47,237.13.

This project is funded under 65-25-619-2-000.0041.

Resolution Book No. 10 page 342.

B. Resolution No. 78-175 - Resolution for counties, cities, towns, Board of Alcoholic Control and other public agencies making application for coverage of policemen and other law enforcement officers under the Old-Age and Survivors Insurance provisions of Title II of the Federal Social Security Act.

HIGHLIGHTS: This application would be to extend to eligible policemen, or other law enforcement officers, in positions subject to membership in the Asheville Uniformed Policemen's Retirement Plan the benefits authorized by Title II of the Federal Social Security Act, as amended, and as authorized by Article 2 of Chapter 135 of the General Statutes of North Carolina, as amended.

Resolution Book No. 10 page 343.

Following individuals have claims against City of Asheville for damages:

Mrs. David M. Trulove 188 Edgewood Road Asheville, North Carolina	$138.60 damage to Car - Chestnut Street torn up by Water Dept. Contractor.

Claims sent to Ohio Mutual Insurance:

Mr. David B. Cheadle 38 Woodward Avenue Asheville, North Carolina	Son fell at Civic Center during concert - claiming medical bills.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

REQUEST BY VICE-MAYOR HORTON - RE: ESCORT SERVICE LICENSING VIOLATION OF REVENUE ORDINANCE

11. Vice-Mayor Horton recalled that the Revenue Ordinance adopted this year included special licensing for escort services. He said the purpose of including the licensing for escort services was in order to prevent unlawful activities through the escort services. He said he had recently heard a news report that the Sheriff's Office had arrested two women on charges of prostitution, which were employees of an escort service based on Charlotte Street. He requested that the City Manager give him a report on Tuesday, September 19, 1978, as to whether this would be a violation of the City's Revenue Ordinance.

COUNCILMAN MICHAEL - REQUEST FOR GATE AT ASHEVILLE AIRPORT

12. Councilman Michael asked the City Manager what the status was of his request for a gate for private airplanes on the Commercial Ramp at the Asheville Airport.

The City Manager informed Councilman Michael that a report would be given to him at the next Council meeting.

Adjournment.

Ray M. Trantham
MAYOR

Thelma D. Roberts
CITY CLERK

F. Resolution No. 78-177 - Resolution authorizing the submission of an application to the Buncombe County Employment and Training Office for C.E.T.A., Title I funds for Fiscal Year 1978-79.

HIGHLIGHTS: The program will be administered for a 9-month period of time that would provide training to 18 individuals in the area of automotive mechanic, traffic signal technician, public safety communications, engineering, and airport and fire public safety training.

Resolution Book No. 10 Page 345.

Upon motion of Councilman Rainey, seconded by Councilman Michael, the consent agenda was unanimously approved.

CLYDE SAVINGS AND LOAN ASSOCIATION - SIGN PERMIT - 10 WOODFIN STREET

9. The City Manager said Clyde Savings and Loan Association has requested the approval of Council for a letter wall sign with 24" letters to be placed on the south side of the building located at 10 Woodfin Street. This sign permit requires the approval of City Council pursuant to Section 30-9-3 (B-7) of the Zoning Ordinance due to the sign being within 600' of a limited access highway.

Mr. George L. Chumbley, Jr. and Mr. Bishop of Clyde Savings and Loan Association reviewed the details of the proposed lettering sign.

Councilwoman Price moved for the approval of the sign permit requested by Clyde Savings and Loan Association. This motion was seconded by Councilman Rainey and carried unanimously.

CLAIMS - MR. JAMES WATERS, MR. BLALOCK, MRS. CHRISTINE MATTHEWS, MR. RICK EDWARDS, MRS. DAVID TRULOVE, MR. DAVID B. CHEADLE

10. The City Manager presented the following claims received from Mr. W. R. Swearngan, Facility Services Superintendent, for the week of September 7, 1978 and the week of September 14, 1978.

Following individuals have claims against City of Asheville for damages:

1. Mr. James Waters
   182 Montford Avenue
   Asheville, North Carolina 28801

2. Mr. Blalock
   21 Blalock Street
   Asheville, North Carolina 28803

3. Mrs. Christine Matthews
   783 Caribou Road
   Asheville, North Carolina 28803

4. Mr. Rick Edwards
   67 Nancy Street
   Emma, North Carolina 28806

Mr. Daniels said the Commission would make their final formal presentation at next week's meeting. He said at that time work sessions could be scheduled.

Councilwoman Price took her seat at the Council meeting at 4:15 p. m.

Councilwoman Price moved to continue the public hearing on the Asheville Revitalization Plan until October 5, 1978. This motion was seconded by Councilman Morris and carried unanimously.

A discussion was held relative to the Commission's involvement in the purchasing of bus shelters for Pritchard Park.

PUBLIC HEARING - REZONING PROPERTY - CORNER OF HAYWOOD ROAD AND CLOYES STREET - OWNED BY B. C. MORTON ET AL

4. A public hearing was held relative to rezoning property at the corner of Haywood Road and Cloyes Street from R-3 Residential District and CH Commercial Highway District to CS Commercial Service District, property owned by B. C. Morton et al.

Vice-Mayor Horton opened the public hearing at 4:33 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Planning and Zoning Commission at a meeting held July 12, 1978 considered the request of Mr. B. C. Morton and Others that Ward 6, Sheet 10, Lots 8, 9, 9-1/2, 9-3/4, 151, 150, 149, 101 and 100 be rezoned from R-3 Residential District and CH Commercial Highway District to CS Commercial Service District. He said after discussing the issues of the request, the Commission voted to accept the Staff report and recommend to City Council that Lots 8, 9, 9-1/2, and 9-3/4 be rezoned from CH Commercial Highway to CS Commercial Service District, and Lots 100, 101, 149, 150, and 151 remain R-3 Residential District as presently zoned. He said Mr. Morton, through his attorney, has requested that the entire request be brought before Council.

Mr. Emrick, by the use of a map, reviewed the location of the property in question.

Attorney William T. Biggers, representing Mr. B. C. Morton, spoke in support of the rezoning request.

Vice-Mayor Horton read the following letter from Mrs. Oscar Hendricks:

September 28, 1978
15 Dysart Street
W. Asheville, N. C. 28806

Council Members-

Due to my husband's very serious illness I am unable to attend this meeting today. I do hope this letter will serve the purpose of my not being there to voice our disapproval of the rezoning of lots belonging to Mr. Morton on Cloyes and Dysart Streets. We are presenting a copy of our petition, and our many letters of opposition are on file with Mr. Emrick's office. Please refer to them. Thank you.

Signed: Mrs. Oscar Hendrix

Thursday - September 28, 1978 - 4:00 o'clock pm

Regular Meeting

Present: Vice-Mayor Bill B. Horton; Presiding, Councilmen Gene E. Rainey, F. Jack Cole, Otis B. Michael, Ralph D. Morris, Jr., Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Mayor Roy M. Trantham and Councilwoman Norma T. Price
(Mayor Trantham took his seat at 4:55 p. m.)
(Councilwoman Price took her seat at 4:15 p. m.)

INVOCATION

The invocation was given by Councilman Ralph D. Morris, Jr.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the September 14, 1978 meeting.

Upon motion of Councilman Cole, seconded by Councilman Rainey, the minutes of the September 14, 1978 meeting were approved as submitted.

STATEMENT BY COUNCILMAN MICHAEL - RE: RESCINDING RESIGNATION

2. Councilman Michael made the following statement concerning his previous resignation:

"I wish to officially rescind my resignation from Asheville City Council. It was one of the hardest things in my life that I have done. Resign a job under pressure. Thanks to the other Councilmen and the public they gave me the strength and courage to reconsider. It took courage, honesty and brotherhood for those people to ask a person of a different race and political party to reconsider. I will try to honor this trust and continue to represent all people in a fair and honest way. May God Bless all of you as his children."

PUBLIC HEARING - ASHEVILLE REVITALIZATION PLAN

3. A public hearing was continued relative to the adoption of the Asheville Revitalization Plan as the Official Plan for the revitalization and future development of the Asheville Downtown Improvement Area.

Mr. James Daniels, Chairman of the Asheville Revitalization Commission, introduced Mr. Richard Thornton, staff executive for the Commission, who presented the five (5) financial aspects of the Revitalization Plan.

After discussion, Vice-Mayor Horton said he felt Council should have work sessions with the finance committee of the Asheville Revitalization Commission in order to more fully discuss what they have come up with in the areas of implementation.

Mr. Thornton said the Commission had prepared a summary of the Revitalization Plan which is available to the public for $1.00 if they pick them up and $1.50 if they desire to have a copy mailed to them.

Leonard & Viola Gaddy - 28 Cochran St.
Elton & Mabel Chambers 33[illegible] Haywood Rd.
Glenn Cole 841 Haywood Rd
Lottie Cabe " " " "
Ralph & Ruby Day 929 Haywood Rd

Mayor Trantham closed the public hearing at 5:32 p. m.

After discussion, Councilwoman Price moved to table consideration of the ordinance rezoning the property until the petitioner has worked out a suitable compromise with the property owners and wishes to bring the matter back to Council. This motion was seconded by Councilman Cole and carried unanimously.

SIGN PERMIT - A F E FEDERAL CREDIT UNION - 219 HAYWOOD STREET

5. Consideration was given to the approval of a sign permit for A F E Federal Credit Union at 219 Haywood Street.

J. E. Johnson, Director of Inspections, said Mr. David M. Clayton of A F E Federal Credit Union, 219 Haywood Street, has requested approval of a 5' x 7' ground sign. He said this sign is within 600' of the expressway which requires Council approval pursuant to Section 30-9-3 (B-7).

Councilman Morris moved for the approval of the sign permit for A F E Federal Credit Union at 219 Haywood Street. This motion was seconded by Councilman Michael and carried unanimously.

DISPOSAL PARCELS - EAST RIVERSIDE RENEWAL PROJECT - PARCELS 50, 56, 125, 129, 133 & 133A

6. Consideration was given to bids for disposal parcels in the East Riverside Renewal Project.

The City Manager read a letter from the Asheville Housing Authority which stated that the following bids for disposal parcels in the East Riverside Renewal Project had been received:

Parcel	Reuse	Price	Bid	Redeveloper
50	Commercial	41,000	41,102	Oak Valley Associates
		(4,000 sq. ft. - Medical Office Building)		
56	Commercial	5,800	5,800	WNC Hospital Mutual Services
		(Driveway for rear access)		
125	Residential	3,780	3,780	Leo D. Ferguson
		(Single family residence)		
129	Residential	1,300	1,300	Clark Smith
		(Adjacent owner - No construction)		
133 & 133 A	Residential	1,520	1,520	George Self
		(Adjacent owner - no construction)		

Mayor Trantham took over the chair at 4:55 p. m.

Mrs. Christine Mashburn, 25 Cloyes Street, spoke in opposition to the rezoning. She presented pictures showing the structures adjoining the property. She said the traffic conditions would worsen and the rezoning would lower their property values.

Mrs. Helen Eagle, of Dysart Street, also spoke in opposition to the rezoning.

The following petition was presented to members of Council:

We the following property owners and residents of Haywood Road, Cloyes Street and Dysart Street do hereby oppose the re-zoning of Lots# 151,150, 149, 101, 1 for the following reasons:

1. It would decrease the value of our property and increase our taxes and insurance.
2. It will increase the noise and traffic on both dead-end streets.
3. Out of twelve families on both streets, seven families are retired.
4. On rainy and snowy days the two streets are plagued with mud due to unpaved driveways on property at 4 Cloyes Stree.
5. Trucks entering property at 4 Cloyes Street disturbs residents on Cloyes and Dysart days and night. If this property was re-zoned the disturbance would be worse.
6. An increase in traffic would endanger children and older residents.
7. Re-zoning of 4 Cloyes Street would devalue our property and we, the residents, are not in a position to sell and relocate our families.

A. Resolution No. 78-180 - Resolution approving various projects to be funded by WSIF Funds for fiscal year 1978-79.

HIGHLIGHTS: The following is a list of projects which have been approved by Buncombe County Commissioners:

1.	Spivey Mountain	$24,000
2.	Avondale Road	36,000
3.	Rosscraggon Reservoir Improvement	25,000
4.	English Drive	6,000
5.	Indian Trail	12,000
6.	Brickyard Road	76,800
7.	Upper Haw Creek	25,000
8.	Tiny Farms	25,000

Resolution Book No. 10 Page 348.

B. Resolution No. 78-181 - Resolution authorizing the City of Asheville to lease certain property at the corner of Valley Street and Southside Avenue.

HIGHLIGHTS: This will be a lease agreement for a gas station facility on Valley Street.

Resolution Book No. 10 Page 349.

C. Resolution No. 78-182 - Resolution setting rates for refuse collection for governmental and non-profit agencies.

Resolution Book No. 10 Page 350.

D. Resolution No. 78-183 - Resolution authorizing the Mayor to execute a capital improvement mass transit grant contract with the North Carolina Department of Transportation.

HIGHLIGHTS: The City has requested the North Carolina Department of Transportation to provide fifty (50) percent of the nonfederal cost of the following public transportation project to purchase and install seven garage doors, one ten thousand gallon fuel storage tank, one bus washer system, a bus shelter complex and 500 bus stop signs. Purchase of two supervisory automobiles, maintenance tools, and equipment and purchase of office equipment at an estimated total cost of $182,475.00 of which the nonfederal cost amounts to $36,495.00. This resolution would effectuate the aforesaid expressed purpose.

Resolution Book No. 11 Page 1.

Councilwoman Price moved for the approval of the bids for the disposal parcels as recommended by the Asheville Housing Authority. This motion was seconded by Councilman Michael and carried unanimously.

RESOLUTION NO. 78-178 - RESOLUTION AUTHORIZING CONDEMNATION OF PROPERTY IN THE BROOKLYN ROAD PROJECT AREA

6. Consideration was given to a resolution authorizing condemnation of property in the Brooklyn Road Project Area.

The City Manager read the resolution explaining that the Housing Authority has been unable to reach an agreement to puchase at the approved value Parcel 1 in the Brooklyn Road Project Area. He said this resolution would authorize condemnation in order that the City of Asheville might carry out its approved plan of development. The property is owned by a Mr. Miller at 322 Brooklyn Road.

Virgil McConnel spoke in favor of the resolution in order to get the project underway.

Upon motion of Councilman Michael, seconded by Vice-Mayor Horton, Resolution No. 78-178 was unanimously adopted.

Complete text of Resolution No. 78-178 will be found in Resolution Book No. 10 at page 346.

RESOLUTION NO. 78-179 - RESOLUTION APPROVING FAIR MARKET VALUE FOR PARCEL NUMBER 29 IN THE MONTFORD RECREATION COMPLEX

7. Consideration was given to a resolution approving fair market value for Parcel Number 29 in the Montford Recreation Complex.

The City Manager read the resolution explaining that the resolution will establish just compensation for Parcel Number 29 in the Montford Recreation Complex in the amount of $2,500.00, which reflects an updated appraisal. The original appraisal by W. T. Duckworth indicated a value of $2,150.00 and that amount was established as just compensation by resolution of City Council dated November 20, 1975.

Upon motion of Councilman Morris, seconded by Councilman Michael, Resolution No. 78-179 was unanimously adopted.

Complete text of Resolution No. 78-179 will be found in Resolution Book No. 10 at page 347.

APPROVAL OF THE CONSENT AGENDA

8. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

I. **Resolution No. 78-186 - Resolution authorizing the Mayor to sign a contract on behalf of Asheville Revitalization Commission.**

HIGHLIGHTS: This contract will involve a three-dimensional model of the Downtown Improvement District necessary for deriving a portion of the desired citizen input and interaction with the Commission. Mr. John E. Reid, Architect, will provide the services and it shall not exceed Five Thousand Dollars ($5,000.00).

Resolution Book No. 11 Page 4.

J. Approval of budget amendment appropriating funds for the Echo Hills-Debra Lane Water Line.

HIGHLIGHTS: This will transfer $19,000 from the Haw Creek Sewer Replenishment Project to the Debra Lane-Echo Hills project to accomodate an increase in the Debra Lane-Echo Hills project due to a change in the scope of the project and a current estimate of construction costs.

Upon motion of Councilman Morris, seconded by Councilman Michael, the consent agenda was unanimously approved.

NORTH ASHEVILLE PARK - ANNOUNCEMENT RE: CONSIDERATION

9. The City Manager announced that on October 5, 1978 the City Council will consider the development of a North Asheville Park adjacent to the Ira Jones School.

BUDGET AMENDMENT - COMMUNITY DEVELOPMENT FUNDS BUDGET - REHABILITATION INCENTIVE PROGRAM AND PROPERTY DISPOSITION INCOME

10. The City Manager presented the following budget amendment to amend the City of Asheville Second and Fourth Year Community Development funds budget for Fiscal Year 1976-77 and Fiscal Year 1978-79 as follows:

ACCOUNT CODE	PROJECT	APPROPRIATION	BUDGET INCREASE (DECREASE)	NEW APPROPRIATION
65-25-638-2	Rehabilitation Incentive Program	$100,000	$(46,000)	$54,000
	Property Disposition Income	39,000	(39,000)	-0-
	TOTAL		$ 85,000	
19-25-615-4	Rehabilitation Loan Administration	-0-	$ 85,000	$85,000

This is to reprogram surplus funds from Rehabilitation Incentive Program and to appropriate the property disposition income to the Fourth Year Rehabilitation Administration project, which will provide for the continuing operation of this activity in the Fourth Year.

E. Resolution No. 78-184 - Resolution authorizing the Mayor to execute a mass transportation planning grant with the North Carolina Department of Transportation.

HIGHLIGHTS: The City has requested the North Carolina Department of Transportation to provide fifty (50) percent of the nonfederal cost carrying out the mass transportation work task as outlined in the approved Asheville Urban Area Unified Planning Work Program at an estimated total cost of $45,000.00 of which the nonfederal cost amounts to $9,120.00. This resolution would effectuate the aforesaid expressed purpose.

Resolution Book No. 11 at page 2.

F. Resolution No. 78-185 - Resolution authorizing the Mayor to execute a memorandum of agreement between the Department of Transportation and the Federal Aviation Administration and the City of Asheville.

HIGHLIGHTS: There is a need to relocate the localizer serving Runway 34, the VASI serving Runway 16 and FAA cables serving the RTR and ASR facilities due to runway extension by the City of Asheville. The Memorandum of Agreement will cover the necessary costs expected to be incurred by the FAA as a result of the relocations.

Resolution Book No. 11 at page 3.

G. Approval of bids received September 22, 1978 for fire protection equipment for Asheville Water Treatment Plant at North Fork.

HIGHLIGHTS: Four (4) bids were received:

Recommendation of low bid award to Supply Specialties, Inc. for items 1 and 2 (fire hose), totaling $2,324.00 and award to Zimmerman-Evans, Inc. for items 3 through 8 (hardware type items), totaling $2,939.00.

Funding: Capital Outlay Equipment, Account Code 30-50-751.0074

H. Approval of bids received September 22, 1978 for two (2) high intensity direct current carbon arc follow spotlights for Asheville Civic Center.

HIGHLIGHTS: Three (3) bids were received:

Recommendation of award to low bid submitted by Theatrical Equipment Rental, Inc. in the net amount of $7,896.84.

Funding: Revenue Sharing Trust Fund, Civic Center Capital Outlay Equipment Account Code 50-15-423.0074 - budgeted $9,333.00

PARKING POLICY

13. The City Manager said after meeting with the Parking Committee several changes have been made to the parking policy. Those revisions are as follows:

a. Metered parking will be re-instated by October 15, 1978 on the following streets. In addition the early morning parking ban (8:00 - 9:30 a. m.) will be eliminated on these streets.

City-County Plaza	College Street (east of Market Street)
South Spruce Street	Church Street (south of Aston Street)
Market Street	Post Street
Otis Street	

b. Two hour free parking will be maintained between the hours of 9:30 a. m. - 6:00 p. m. on the following streets:

Battery Park Avenue	Church Street (north of Aston)
North Spruce Street	Lexington Avenue
Pack Square	Haywood Avenue
Broadway	Walnut Street
Biltmore Avenue	Commerce Street
East side of O'Henry Avenue	Page Avenue

Thirty minute free parking will be permitted between the hours of 8:00 and 9:30 a. m. on:

Pack Square	Church St. (north of Aston St.)
Lexington Avenue	Walnut Street
Broadway	both sides of Battery Park Ave.
Biltmore Avenue	

c. One hour free parking will be permitted between the hours of 8:00 and 9:30 a. m. on Wall Street and east side of Page Avenue.

d. On-street parking will be eliminated on Rankin Avenue.

LETTER FROM PAUL LIMBERT - BUNCOMBE COUNTY COUNCIL ON AGING, INC. - BATTERY PARK HOTEL

14. The City Manager presented a letter from Mr. Paul M. Limbert, President of the Buncombe County Council on Aging, Inc. requesting that Council reconsider their position relative to converting the Battery Park Hotel as elderly housing units.

CLAIMS - MRS. BROWN, MRS.MARQUARDT, MARSHALL SANDERS, BURNICE MASON

15. The City Manager presented the following claims received from Mr. W.R. Swearngan, Facility Services Superintendent.

Councilwoman Price moved for the approval of the budget amendment as presented by the City Manager. This motion was seconded by Vice-Mayor Horton and carried unanimously.

BUDGET AMENDMENT - COMMUNITY DEVELOPMENT FUNDS BUDGET - NEIGHBORHOOD IMPROVEMENT PROJECT - DEMOLITION AND CODE ENFORCEMENT

11. The City Manager presented the following budget amendment to amend the Third and Fourth Year Community Development funds budget for Fiscal Year 1977-78 and Fiscal Year 1978-79 as follows:

ACCOUNT CODE	PROJECT	APPROPRIATION	BUDGET INCREASE (DECREASE)	NEW APPROPRIATION
19-25-611-3	Neighborhood Imvpt. Project	$50,000	$ (4,000)	$46,000
19-25-612-3	Demolition & Code Enforcement	142,764	(29,500)	113,264
		TOTAL	$ 33,500	
19-25-612-4	Demolition & Code Enforcement	-0-	$33,500	$33,500

This is to transfer unobligated surplus funds from the Third Year Neighborhood Improvement Project and the Third Year Demolition and Code Enforcement Project to a Fourth Year Demolition and Code Enforcement Project which will provide for the continuing operation of necessary demoliton and code enfocement in the Community Development area.

During the discussion, Councilman Michael requested a report on funds being used in projects outside Community Development areas.

Councilwoman Price moved for the approval of the budget amendment as presented by the City Manager. This motion was seconded by Vice-Mayor Horton and carried unanimously.

BATTERY PARK HOTEL - CONVERSION TO ELDERLY HOUSING UNITS

12. As a matter of information the City Manager advised Council that Mayor Trantham had received a letter from Mr. John F. Lyle, Deputy Director - Development of the Housing Division of the Department of Housing and Urban Development indicating that major action had taken place relative to the converstion of the Battery Park Hotel into housing units for the elderly. He said a letter from the Department of Housing and Urban Development had been sent to the owners of the hotel, Battery House Associates, Ltd., indicating approval of the conversion under the Section 8 Housing Assistance Payments Program.

Thursday - October 5, 1978 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen Gene E. Rainey, F. Jack Cole, Ralph D. Morris, Jr., Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Otis B. Michael

INVOCATION

The invocation was given by Councilman F. Jack Cole.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the September 28, 1978 meeting.

Upon motion of Councilwoman Price, seconded by Vice-Mayor Horton, the minutes of the September 28, 1978 meeting were approved as submitted.

PUBLIC HEARING - ASHEVILLE REVITALIZATION PLAN

2. A public hearing was continued relative to the adoption of the Asheville Revitalization Plan as the Official Plan for the revitalization and future development of the Asheville Downtown Improvement Area.

In presenting the final presentation of the official plan of the Asheville Revitalization Plan, Mr. James Daniels, Chairman of the Commission, presented the Asheville High School Band who played "On Wisconsin." The school's cheerleaders also performed with a cheer about being proud of Asheville.

Using a scale model of what the downtown would look like if all the concepts of the plan were put into effect, Mr. Daniels told the Council that the tax base of the downtown would also increase tremendously of what it is today.

Mayor Trantham closed the public hearing at 3:15 p. m.

Mayor Trantham said Council would begin to schedule work sessions with the Commission members in order to more fully understand the details of the plan.

RESOLUTION NO. 78-188 - RESOLUTION OF APPRECIATION TO THE ASHEVILLE REVITALIZATION COMMISSION

The City Manager read a resolution of appreciation to the Asheville Revitalization Commission.

Upon motion of Councilwoman Price, seconded by Councilman Morris, Resolution No. 78-188 was unanimously adopted.

Complete text of Resolution No. 78-188 will be found in Resolution Book No. 11 at page 7.

Councilman Rainey suggested that the scale model of the proposed downtown Asheville be available to the delegates of the League of Municipalities during their convention in Asheville on October 22, 1978. He said the plan and the model should become a model for other cities to revitalize their downtown.

Following individuals have claims against City of Asheville for damages:

Mrs. Brown	Damage to fence - Sanitation Truck
Mrs. Marquardt	Water drainage on lot - $1,000.00

Claims sent to St. Paul Fire & Marine Insurance:

Marshall Sanders	Hit by Water Department Truck
Burnice Mason 408 Caribou Road Asheville, N. C.	Hit by Vehicle #212 - rolling from gas pumps - Valley Street

PROCLAMATION - FARM CITY WEEK - OCTOBER 2 - 7, 1978

Mayor Trantham proclaimed the week of October 2 - 7, 1978 as Farm-City Week.

PROCLAMATION - MONTH OF NOVEMBER - EPILEPSY MONTH

Mayor Trantham proclaimed the month of November as "Epilepsy Month."

PROCLAMATION - OCTOBER 1 - 7, 1978 - PRINCE HALL MASONIC WEEK IN ASHEVILLE

Mayor Trantham proclaimed the week of October 1 - 7, 1978 as Prince Hall Masonic Week in Asheville.

PROCLAMATION - TUESDAY, OCTOBER 3, 1978 - THOMAS WOLFE'S BIRTHDAY

Mayor Trantham asked that on October 3, 1978 all citizens remember Asheville's native son, Thomas Wolfe, on his birthday.

Adjournment.

MAYOR

CITY CLERK

Vice-Mayor Horton reiterated the comments made by Councilman Rainey. He said he would be in favor of the resolution.

Gary Dodd, a resident of North Asheville, spoke in favor of a park on the "Swain property." He presented a petition containing 466 signatures favoring the development of the park. He requested that Council act favorably and proceed with the development of the park. He said the residents of North Asheville were promised in the Spring that if no alternate location was found that Council would act favorably on the park on the "Swain property."

Harold Bennett, attorney representing some fifty (50) property owners in the vicinity of the proposed location, pointed out that the property in question is zoned R-1 Residential District which does not permit parks. He said he did not think Council could violate its own zoning ordinance without being subject to a court injunction. He said parks are not conducive in maintaining high property values in the best residential area in the City of Asheville.

Mr. Bennett cited several other locations in the City of Asheville which would be better than the proposed location. He said the City would not be saving money by accepting the grant due to the excessive cost of site preparation on the Swain property.

Carol Thompson of 651 Kimberly Avenue; Tom Spradling of 400 Country Club Road and Manley Wright of 300 Griffing Blvd. all spoke in opposition to the development of a park on the "Swain property."

After discussion, Vice-Mayor Horton suggested that before Council commits themselves on the project that the City Attorney and the Planning Director come up with some recommendations or alternatives for Council to consider in resolving the legal ramifications involved in the project site.

PUBLIC HEARING - GROUP DEVELOPMENT - SWEETEN CREEK MINI-WAREHOUSE FACILITIES - CONTINUED

4. Mr. Emrick, Planning Director said Mr. Rowe, attorney for the petitioner, has requested that the public hearing be continued for one (1) week.

Councilwoman Price moved to continue the public hearing until October 12, 1978 without further advertisement. This motion was seconded by Councilman Morris and carried unanimously.

PUBLIC HEARING - DEMOLITION OF 17 HARRISON STREET, 185 PARK AVENUE AND 966 WEST CHAPEL ROAD

ORDINANCE NO. 1079 - AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THOSE HOUSES KNOWN AS 966 WEST CHAPEL ROAD, 17 HARRISON STREET, AND 185 PARK AVENUE

5. A public hearing was held relative to the adoption of an ordinance directing the Housing Officer to demolish 17 Harrison Street, 185 Park Avenue, and 966 West Chapel Road.

Mayor Trantham opened the public hearing at 4:50 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

RESOLUTION NO. _____ RESOLUTION AUTHORIZING THE MAYOR TO SIGN AN AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF NATURAL RESOURCES AND COMMUNITY DEVELOPMENT FOR THE DEVELOPMENT OF A NORTH ASHEVILLE PARK ON THE PROPERTY FORMERLY KNOWN AS THE "SWAIN PROPERTY"

3. Consideration was given to a resolution authorizing the Mayor to sign an agreement with the North Carolina Department of Natural Resources and Community Development for the development of a North Asheville Park on the property formerly known as the "Swain Property."

The City Manager read the resolution and said the City had received a letter from the State, on June 6, 1978, offering funds for the development of the North Asheville park. He said Council had previously set up funds for matching this particular grant. He said several studies have been made to locate other park sites and to look at other alternatives. He said Council is now considering whether or not to accept the grant for the development of the North Asheville park on the property in question.

Councilman Cole said he had looked at the property in question and he is convinced that this property is not suitable for a park. He said the citizens of North Asheville feel the development of a park in this area will endanger their property values. He said he thought there could be a better location. He said Weaver Park could be adequately expanded to cover the needs for a park in North Asheville. He said he is opposed to the resolution accepting the grant.

Councilman Morris said because he owns property near the proposed site he felt there might be a conflict of interest and he would abstain from voting.

The City Manager said the total project cost would be $144,046, with the grant providing $72,023 and the City matching the remainder with a $35,000 appropriation in cash and the remainder would be in-kind services for the development of the park.

Councilman Rainey said he had committed himself several years ago to the development of a park in North Asheville; therefore he favored the park and would vote for the resolution. He further stated that it was his opinion that a park would not impact a neighborhood nor detract from property values. He said after many studies the "Swain property" is the only feasible location now available. He said he felt to turn down a federal grant in the amount of $72,000 would be unwise.

Ray Kisiah, Director of Parks and Recreation, by the use of a map, reviewed the details of the proposed park. He said the park would be adjacent to Ira B. Jones School and would consist of an off street parking area, tennis courts, a play area, and a ball field. He said the School Board has agreed to give the City two acres adjacent to the school for the use of the park.

Mr. Kisiah said he would be against the expansion of Weaver Park to accommodate the Babe Ruth League. He pointed out that the Department of Transportation has plans for widening Murdock Avenue which would leave inadequate space for a Babe Ruth field. He said fourteen (14) sites were investigated and that no feasible location was found with the exception of one which was not within the city's price range.

Vice-Mayor Horton moved for the adoption of Ordinance No. 1081. This motion was seconded by Councilman Cole.

On a roll call vote of 5-0, Ordinance No. 1081 passed on first reading.

Councilman Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 1081. This motion was seconded by Councilwoman Price and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1081 passed on second reading.

Councilman Morris again moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1081. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1081 passed on third and final reading.

Complete text of Ordinance No. 1081 will be found in Ordinance Book No. 8 at page 296.

APPROVAL OF CONSENT AGENDA

8. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. Approval of bids received September 5, 1978 for service station components to be used by the City of Asheville.

HIGHLIGHTS: Only one bid was received.

Recommendation of award to bidder, Feemster Pump and Tank Company in the amount of $21,639.94.

Funding: Operations Complex Capital Project, Account Code 66-15-925.0073

B. Approval of bids received October 3, 1978 for bulk sodium chloride (rock salt) for snow and ice control for City of Asheville Street Division.

HIGHLIGHTS: Only one bid was received.

Recommendation of award to bidder, International Salt Company in the amount of $28.36/ton, totaling $28,360.00 for 1,000 tons estimated quantity.

Funding: General Fund and Powell Bill according to end use.

J. E. Johnson, Director of Inspections, said all legal requirements have been fulfilled in respect to the demolition of said structures. He said the property has been inspected and the owners have not complied with the order to repair or demolish said structures.

There being no comments from members of Council or the public, Mayor Trantham closed the public hearing at 5:04 p. m.

The City Manager read the ordinance.

Councilman Morris moved for the adoption of Ordinance No. 1079. This motion was seconded by Vice-Mayor Horton.

On a roll call vote of 5-0, Ordinance No. 1079 passed on first reading.

ORDINANCE NO. 1080 - AN ORDINANCE AMENDING SECTION 11 OF THE REVENUE ORDINANCE (ORDINANCE NO. 1027) OF THE CITY OF ASHEVILLE, ENABLING THE COURTS AS WELL AS THE CITY MANAGER TO REVOKE OR SUSPEND PRIVILEGE LICENSE

6. Consideration was given to an ordinance amending Section 11 of the Revenue Ordinance (Ordinance No. 1027) of the City of Asheville, enabling the courts as well as the City Manager to revoke or suspend privilege licenses.

The City Manager read the ordinance and explained that this amendment would enable the courts or the judge the authority to revoke or suspend privilege licenses.

Councilwoman Price moved for the adoption of Ordinance No. 1080. This motion was seconded by Councilman Rainey.

On a roll call vote of 5-0, Ordinance No. 1080 passed on first reading.

Councilwoman Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1080. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1080 passed on second readings.

Due to several recent events whereby business establishments such as coffee shops and sandwich shops have been using their business licenses as a front for a gambling place it was requested that this ordinance be reviewed to determine whether a court could revoke the licenses of someone if they were convicted of gambling charges within their business establishment.

ORDINANCE NO. 1081 - AN ORDINANCE AMENDING THE OPERATING AND CAPITAL BUDGETS FOR THE CITY OF ASHEVILLE FOR FISCAL 1978-79

7. Consideration was given to an ordinance amending the operating and capital budgets for the City of Asheville for fiscal 1978-79.

The City Manager read the ordinance and explained that this ordinance will ratify motions made during the past quarter to the regular operating and capital budgets.

RALPH BISHOP - LOTTERY SALES

Mr. Ralph Bishop again appeared before Council regarding lottery sales within the City of Asheville.

Councilman Rainey told the Council that the plea bargaining in a recent court action involving several Asheville men charged with gambling violations has caused a morale problem in the Police Department. He said perhaps Council should express their concerns about how this was handled to other law enforcement agencies.

MARVIN CHAMBERS - PRINCE HALL GRAND LODGE

Mr. Marvin Chambers expressed appreciation to Council for their warm hospitality shown to the some 508 delegates of the Prince Hall Grand Lodge who were in Asheville on October 4, 1978.

Adjournment.

MAYOR

CITY CLERK

C. Scheduling of a public hearing relative to a recommendation from the Planning and Zoning Commission revising Article 9 of the Zoning Ordinance, pertaining to Sign Regulations for November 2, 1978.

D. Resolution No. 78-189 - Resolution authorizing the establishment of the Asheville-Buncombe Insurance Advisory Committee.

Resolution Book No. 11 page 8.

E. Resolution No. 78-190 - Resolution authorizing Director of Finance to sell surplus property.

HIGHLIGHTS: In the process of preparing to move to new facilities, the Library had identified certain books, used furniture, and equipment which are no longer of value to Library and which they desire to dispose of. Therefore, they are requesting authority to dispose of same.

Resolution Book No. 11 page 9.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the consent agenda was unanimously approved.

CLAIMS - MR. DAVID R. WATSON

9. The City Manager presented the following claim received from Mr. W. R. Swearngan, Facility Services Superintendent.

Following individual has claim against City of Asheville for damages:

David R. Watson 163 Macon Avenue Asheville, N. C.	Hit trash cans in road $168.50 damage to car

PROCLAMATION - NATIONAL FIRE PREVENTION WEEK IN ASHEVILLE - OCTOBER 8 - 14, 1978

Mayor Trantham proclaimed the week of October 8 - 14, 1978 as National Fire Prevention Week in Asheville.

PROCLAMATION - INTERNATIONAL ALPHA DELTA KAPPA WEEK - OCTOBER 8 - 14, 1978

Mayor Trantham proclaimed the week of October 8 - 14, 1978 as International Alpha Delta Kappa Week in Asheville.

RESOLUTION NO. 78-187 - RESOLUTION REQUESTING THE CIVIL AERONAUTICS BOARD TO DENY THE APPLICATION OF DELTA AIR LINES, INC. FOR DELETION OF SERVICE AT ASHEVILLE

The City Manager reported the foregoing resolution which was adopted during the joint City-County meeting held on October 3, 1978.

4. That the developer provide buffering as required in Section 30-3-14 (2) of the Zoning Ordinance along the westernmost property line abutting residentially zoned property where natural vegetation is inadequate or may be removed.

The project will consist of additions to three (3) existing buildings as well as the construction of seven (7) new buildings. The total square footage under roof will be approximately 67,550 square feet upon completion of construction and will be divided into "mini-warehouse" spaces for rental to the general public. The project site is located on Sweeten Creek Road within the city's extraterritorial zoning jurisdiction and is approximately 3.8 acres in size. Existing zoning is the CS Commercial Service classification.

Mr. Emrick said he had discussed the plans for future extension of the sanitary sewer services to the Rock Hill Road area with the County Engineer and Mr. Rowe, Attorney for the developer. He said the County had indicated that there are no immediate plans to expand the sewer services in the Rock Hill Road area. He suggested that Council approve the plan subject to the recommendations of the Planning and Zoning Commission. He said the City could then issue a Zoning Permit with the conditions attached which could be transferred to the County Building Inspection Department to issue the building permit with the conditions stipulated on the permit.

Mr. Gary Rowe, attorney for Mr. George Morosani, owner, said the owner did not want the County to have the impression that the developer must not build until they have obtained some easement agreement with them. He said, however, the developer would try to negotiate with the County for an easement in the future. He requested that Council delete recommendation #3 stipulated by the Planning and Zoning Commission.

After discussion, Mayor Trantham closed the public hearing at 3:20 p. m.

Councilwoman Price moved to approve the group development for the Sweeten Creek Mini-Warehouse Facilities with the conditions stipulated by the Planning and Zoning Commission with the exception of Recommendation #3. (Recommendation #3 to be deleted from the stipulations). This motion was seconded by Councilman Morris and carried unanimously.

ORDINANCE NO. 1079 - AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THOSE HOUSES KNOWN AS 966 WEST CHAPEL ROAD, 17 HARRISON STREET, AND 185 PARK AVENUE

3. Consideration was given to the second reading of Ordinance No. 1079, an ordinance directing the Housing Officer to demolish those houses known as 966 West Chapel Road, 17 Harrison Street, and 185 Park Avenue.

Mayor Trantham said the ordinance was previously read on first reading and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1079 passed on second reading.

Thursday -October 12, 1978 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen Gene E. Rainey, F. Jack Cole, Otis B. Michael, Ralph D. Morris, Jr., Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilwoman Norma T. Price.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the October 5, 1978 meeting.

Upon motion of Councilman Cole, seconded by Councilman Rainey, the minutes of the October 5, 1978 meeting were approved as submitted.

PUBLIC HEARING - GROUP DEVELOPMENT - SWEETEN CREEK MINI-WAREHOUSE FACILITIES

2. A public hearing was held relative to a group development for the Sweeten Creek Mini-Warehouse Facilities.

Mayor Trantham opened the public hearing at 3:05 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

It was noted that this public hearing originally began on September 7, 1978 but was continued until the developer could negotiate a specific agreement with the County relative to an easement through the property for the future extension of a sanitary sewer to the Rock Hill Road area.

Mr. Emrick, Planning Director, said that Asheville Planning and Zoning Commission has recommended approval of the site plan for the proposed Sweeten Creek Mini-Warehouse Facilities to be located on Sweeten Creek Road subject to the developer complying with the following:

1. That the developer comply with all applicable requirements of the City of Asheville Erosion Control Ordinance. Buildings should be elevated and/or waterproofed in order to minimize potential flood damage from Sweeten Creek Road. Also, access drive, whether bridge or culvert, across Sweeten Creek be designed to allow unobstructed flow of water during times of flooding;

2. That the proposed additions to Buildings "A" and "D" be constructed in a manner which will not interfere with any future maintenance required on the existing sewer line;

3. That the developer work with the Buncombe County Public Safety Department to establish an easement through the property for the future extension of sanitary sewer services to the Rock Hill Road area.

The City Manager read the resolution and explained that this resolution would authorize the Mayor to sign on behalf of the City any change orders for the project known as West Asheville Sanitary Sewer Improvements. He said this is a Community Development project and funds are available for the change orders.

Upon motion of Councilman Rainey, seconded by Councilman Cole, Resolution No. 78-191 was unanimously adopted.

Complete text of Resolution No. 78-191 will be found in Resolution Book No. 11 at page 10.

RESOLUTION NO. _____ - RESOLUTION AUTHORIZING CONDEMNATION OF PROPERTY IN THE BROOKLYN ROAD PROJECT AREA

7. Consideration was given to a resolution authorizing condemnation of property in the Brooklyn Road Project Area.

The City Manager read the resolution. He said in accordance with a contract for acquisition and relocation services, the Housing Authority has negotiated with the owner of the following property:

Parcel	Owner	Address
3	Kuzviwanza	Vacant Lot - Brooklyn Road

Although, the owner of the above parcel has indicated a willingness to agree to the acquisition of a portion of her property, she is unable to give a marketable title. Therefore, it will be necessary to acquire this property through eminent domain in order to obtain good title.

After discussion, Councilman Michael moved to table the resolution until October 19, 1978 in order for Council to see a written letter from the owner stating that she has no objection to the condemnation. This motion was seconded by Councilman Rainey and carried unanimously.

CLAIM - JOYCE (KAY) WILSON ROUPE

8. The City Manager presented a claim received from Attorney James Gary Rowe on behalf of Joyce (Kay) Wilson Roupe.

Mayor Trantham referred the claim to the Corporation Counsel for investigation and recommendation.

RESOLUTION NO. 78-192 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO A MUNICIPAL AGREEMENT WITH THE NORTH CAROLINA BOARD OF TRANSPORTATION RELATIVE TO PROJECTS 8.1901412 AND 9.8130256

9. Consideration was given to a resolution authorizing the Mayor to enter into a municipal agreement with the North Carolina Board of Transportation relative to projects 8.1901412 and 9.8130256.

ORDINANCE NO. 1080 - AN ORDINANCE AMENDING SECTION 11 OF THE REVENUE ORDINANCE (ORDINANCE NO. 1027) OF THE CITY OF ASHEVILLE, ENABLING THE COURTS AS WELL AS THE CITY MANAGER TO REVOKE OR SUSPEND PRIVILEGE LICENSES

4. Consideration was given to the third reading of Ordinance No. 1080, an ordinance amending Section 11 of the Revenue Ordinance (Ordinance No. 1027) of the City of Asheville, enabling the courts as well as the City Manager to revoke or suspend privilege licenses.

Mayor Trantham said the ordinance was previously read on first and second readings and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1080 passed on third and final reading.

Complete text of Ordinance No. 1080 will be found in Ordinance Book No. 8 at page 295.

AFFIRMATIVE ACTION QUARTERLY REPORT

5. Mr. Sam Graves, of the Personnel Division, presented members of Council with the Affirmative Action Quarterly Report for the period of July 1, 1978 to September 30, 1978.

Mr. Graves made brief comments relative to the contents of the report.

Councilman Michael said the report was a better analysis as far as Affirmative Action status than the last report. He suggested that Section 3, Work Force Composition, include beside each department or division the number of new persons hired or terminated within a given quarter. He said he felt this would show if one department is doing better in Affirmative Action than another. He also suggested that the City delete "experience" wherever possible and give on-the-job training where promotions are concerned whereby blacks and minority can be given a better opportunity for promotions.

Councilman Rainey said he felt this report was a more "understandable" report than the last. He said the report did show improvement, however he felt there was a need for improvement in Affirmative Action as far as females are concerned, both black and white. He said according to the report the majority of the female work force was in the low salary ranges.

RESOLUTION NO. 78-191 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE, NORTH CAROLINA, CHANGE ORDERS ON THE PROJECT KNOWN AS WEST ASHEVILLE SANITARY SEWER IMPROVEMENTS

6. Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville, North Carolina change orders on the project known as West Asheville Sanitary Sewer Improvements.

COUNCILMAN RAINEY - REQUEST ON STATUS OF CLAIM OF EDITH MILLER AND MRS. SIMMONS

Councilman Rainey requested a status report on the claims of Mrs. Edith Miller and Mrs. Simmons.

The City Manager advised that both of the claims are in the process of investigation and recommendations.

Adjournment.

MAYOR

CITY CLERK

The City Manager read the resolution.

The Assistant City Manager explained that this agreement would, in brief, give access to College Street off Poplar Street and straighten the ramp going to the Expressway at Montford Avenue and Cherry Street.

Upon motion of Councilman Michael, seconded by Councilwoman Price, Resolution No. 78-192 was unanimously adopted.

Complete text of Resolution No. 78-192 will be found in Resolution Book No. 11 at page 11.

PROCLAMATIONS - OCTOBER 31, 1978 - UNICEF DAY - OCTOBER 24, 1978 - UNITED NATIONS DAY

Mayor Trantham proclaimed October 31, 1978 as UNICEF Day and October 24, 1978 as United Nations Day in the City of Asheville.

PETITION - RESIDENTS OF LINDEN AVENUE - DEMOLITION OF 44 LINDEN AVENUE - REQUEST FOR DEMOLITION OF 11 ROBINDALE

The City Manager presented a petition received from residents of Linden Avenue requesting that the Inspections Division condemn and demolish 44 Linden Avenue

Mr. Pat Hickey of 30 Linden Avenue, read the petition. He strongly supported the request of the petitioners.

Mr. Bob Norman of Linden Avenue also supported the request of the petitioners to have the dwelling at 44 Linden Avenue condemned and demolished.

Mrs. Blandene S. Pettit of 16 Robindale also supported the request to have 44 Linden Avenue condemned and demolished. She also requested that the Inspection Division begin process to have 11 Robindale inspected.

J. E. Johnson, Director of Inspections, said both 44 Linden Avenue and 11 Robindale have been previously inspected. He said his division would begin due process of law in following through with the residents request. He said, however, that the process is time consuming and would take several months due to the procedures outlined in the N. C. General Statutes.

Council discussed the possibility of talking to the legislative delegation in order to have more stringent enforcement of housing standards as well as language in the statutes that would not require the Inspection Division to go through such a long process before a dwelling could be demolished.

Councilman Michael also suggested that Council discuss with the legislative delegation a process whereby tenants of a dwelling could purchase a house and receive a low-interest grant to rehabilitate the house. He said he felt a process of this nature would cut down on the number of older dwellings being demolished.

Mrs. Pettit also commented on the dog control in the Robindale area.

Councilman Rainey requested that the City Manager obtain a report on the dog control status and report back to Council on the matter.

RESOLUTION NO. 78-195 - RESOLUTION AUTHORIZING CONDEMNATION OF PROPERTY IN THE BROOKLYN ROAD PROJECT AREA

4. Reconsideration was given to a resolution authorizing condemnation of property in the Brooklyn Road Project Area.

Mayor Trantham said this resolution was presented to Council at last week's meeting but was tabled for additional information.

The City Manager advised that this resolution was for the condemnation of Parcel 3 in the Brooklyn Road Project Area and is owned by Mrs. Kuzviwanza on Brooklyn Road.

Councilman Michael said he had talked with the Executive Director of the Housing Authority and is satisfied with the details involved in the resolution.

Upon motion of Councilman Michael, seconded by Councilwoman Price, Resolution No. 78-195 was unanimously adopted.

Complete text of Resolution No. 78-195 will be found in Resolution Book No. 11 at page 14.

EXTENSION OF HISTORIC INVENTORY AGREEMENT BETWEEN THE CITY OF ASHEVILLE AND THE NORTH CAROLINA DEPARTMENT OF ARCHIVES AND HISTORY

5. Consideration was given to a motion authorizing the Mayor to extend the historic inventory agreement between the City of Asheville and the North Carolina Department of Archives and History.

It was noted that the principal reason for the extension is that the nomination of the historic district in the Central Business District has not been finalized and the N. C. Department of Archives and History has not been able to transfer completed documentation for the publication. This would extend the agreement until January 1, 1979.

Councilwoman Price moved to authorize the Mayor to extend the Historic Inventory Agreement between the City of Asheville and the North Carolina Department of Archives and History until January 1, 1979. This motion was seconded by Vice-Mayor Horton and carried unanimously.

At this time Councilman Rainey presented a petition signed by 181 citizens which requested that the City of Asheville include in the historic inventory the Fire Station located on Haywood Road and Argyle Lane as an historial landmark. The petition said the station was built in the early 1900's and it was their hope that this action will decrease the likelihood of another vacant building in the neighborhood of Haywood Road being allowed to deteriorate because of neglect on the part of the City of Asheville.

Thursday - October 19, 1978 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen Gene E. Rainey, Otis B. Michael, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman F. Jack Cole and Councilman Ralph D. Morris, Jr.

INVOCATION

The invocation was given by Mayor Roy M. Trantham.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the October 12, 1978 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Rainey, the minutes of the October 12, 1978 meeting were approved as submitted.

RESOLUTION NO. 78-193 - RESOLUTION ENDORSING THE ASTON PARK HOSPITAL EXTENDED CARE FACILITY PROPOSAL

2. Consideration was given to a resolution endorsing the Aston Park Hospital Extended Care Facility proposal.

The City Manager read the resolution.

Mayor Trantham recognized several Board members of the Aston Park Hospital.

Vice-Mayor Horton said it was his hope that this would be a beginning for a new facility for the community. He said he appreciated the perseverance and patience of the Aston Park officials in getting the project started.

Upon motion of Vice-Mayor Horton, seconded by Councilwoman Price, Resolution No. 78-193 was unanimously adopted.

Complete text of Resolution No. 78-193 will be found in Resolution Book No. 11 at page 12.

ORDINANCE NO. 1079 - AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THOSE HOUSES KNOWN AS 966 WEST CHAPEL ROAD, 17 HARRISON STREET, AND 185 PARK AVENUE

3. Consideration was given to the third reading of Ordinance No. 1079, an ordinance directing the Housing Officer to demolish those houses known as 966 West Chapel Road, 17 Harrison Street, and 185 Park Avenue.

Mayor Trantham said this ordinance was previously read on first and second readings and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 4-0, Ordinance No. 1079 passed on third reading.

Complete text of Ordinance No. 1079 will be found in Ordinance Book No. 8 at page 292.

Mr. Johnson said the sign meets all zoning requirements. He also reviewed the location of the proposed sign.

Councilwoman Price moved to delay action on the sign permit until Council could consider revising the present sign ordinance. This motion was seconded by Councilman Rainey and carried unanimously.

APPROVAL OF THE CONSENT AGENDA

9. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. Approval of bids received September 29, 1978 to reroof the Police Department side of the Municipal Building.

HIGHLIGHTS: Three (3) bids have been received.

Recommendation of low bid of Asheville Roof Inc., in the amount of $12,097.00.

Funding: Revenue Sharing Trust Fund, Police Department Capital Outlay Property Improvement, Account Code No. 50-35-460.0072

B. Approval of bids received October 9, 1978 for eighteen (18) police vehicles for Asheville Police Department.

HIGHLIGHTS: Three (3) bids have been received.

Recommendation of lowest overall bidder, Apple Tree Chevrolet in the amount of ~~$112,065.40.~~ (Changed to $110,025.10 per Geo. Phipps).

Funding: Revenue Sharing Trust Fund Police Department Capital Outlay Equipment Budget, Account Code 50-35-460.0074

Upon motion of Councilwoman Price, seconded by Vice-Mayor Horton, the consent agenda was unanimously approved.

PETITION - RESIDENTS OF WEST ASHEVILLE COMMUNITY - RE: 422 AND 424 HAYWOOD ROAD

10. Councilman Rainey presented a petition received from residents of the West Asheville community, protesting conditions existing at 422 Haywood Road and 424 Haywood Road, and petition the City Council to take action against landlord of said property. The buildings are not only an eyesore and conducive to vagrancy, but also in such decay as to make them a public safety hazard to traffic and pedestrians (mostly children on their way to Aycock School) alike. The buildings are a blight on the community and a depressant on both business and social conditions in the area. The petition contained 371 signatures.

RESOLUTION NO. 78-194 - RESOLUTION AUTHORIZING CONTINUOUS 25 YEAR USE OF THE NATURE CENTER FACILITY BY THE COUNTY OF BUNCOMBE

6. Consideration was given to a resolution authorizing continuous 25 year use of the Nature Center Facility by the County of Buncombe.

The City Manager read the resolution.

Upon motion of Councilwoman Price, seconded by Councilman Rainey, Resolution No. 78-194 was unanimously adopted.

Complete text of Resolution No. 78-194 will be found in Resolution Book No. 11 at page 13.

SIGN PERMIT APPROVAL - NEAGLE OUTDOOR ADVERTISING COMPANY - BILLBOARD SIGN ON RIVERSIDE DRIVE

7. J. E. Johnson, Director of Inspections, presented a sign permit application for Neagle Outdoor Advertising Company for a sign permit for a 14' x 48' billboard sign to be located on Riverside Drive, just beyond the Pearson Bridge. This permit requires Council approval pursuant to Section 30-9-3 (B-7) of the Zoning Ordinance, in that the sign is within 600' of a limited access highway.

Mr. Johnson said the sign meets all zoning requirements and would present no visibility problems. He also reviewed the location of the proposed sign.

Councilman Rainey said it was his understanding that in the near future Council would be considering revising the sign ordinance which would include revising the size of permitted signs. He said he felt a 14' x 48' sign is too large for the City of Asheville.

Verl Emrick, Planning Director, said the public hearing scheduled for November 2, 1978 revising the sign ordinance did not include the revision of the size of a permitted sign. However, Council could schedule a public hearing for such a revision.

Councilman Michael commented that he agreed with Councilman Rainey but felt that Council could only consider the location of the proposed sign since the sign meets all zoning requirements and if it was in another location the sign could be erected without Council's approval. He said he did feel that Asheville had enough commercial signs and recommended that when a sign company erects a new commercial sign that they take one of the older ones down.

After discussion, Councilwoman Price moved to delay action on the sign permit until Council could consider revising the present sign ordinance. This motion was seconded by Councilman Michael and carried unanimously.

SIGN PERMIT APPROVAL - NEAGLE OUTDOOR ADVERTISING COMPANY - BILLBOARD SIGN ON TUNNEL ROAD

8. J. E. Johnson, Director of Inspections, presented a sign permit application for Neagle Outdoor Advertising Company for a sign permit for a 12' x 25' billboard sign to be located on Tunnel Road at the intersection of Chunns Cove Road. This permit requires Council approval pursuant to Section 30-9-3 (B-7) of the Zoning Ordinance, in that the sign is within 600' of a limited access highway.

Thursday - October 26, 1978 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen Gene E. Rainey, F. Jack Cole, Otis B. Michael, Ralph D. Morris, Jr., Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Vice-Mayor Bill B. Horton.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the October 19, 1978 meeting.

Upon motion of Councilwoman Price, seconded by Vice-Mayor Horton, the minutes of the October 19, 1978 meeting were approved as submitted.

RESOLUTION NO. 78-197 - RESOLUTION OF INTENT TO CLOSE PORTIONS OF SCOTT STREET AND SOUTH FRENCH BROAD AVENUE AND ALL OF SEVEN (7) UN-NAMED ALLEYS, AND CALLING A PUBLIC HEARING ON THE QUESTION

2. Consideration was given to a resolution of intent to close portions of Scott Street and South French Broad Avenue and all of seven (7) un-named alleys, and calling a public hearing on the question for December 7, 1978.

The City Manager read the resolution.

Upon motion of Councilwoman Price, seconded by Councilman Rainey, Resolution No. 78-179 was unanimously adopted.

Councilman Michael requested that before the public hearing the Housing Authority obtain written statements from the property owners in the area to receive their opinions relative to the closing of the streets

Complete text of Resolution No. 78-197 will be found in Resolution Book No. 11 at page 16 .

RECOGNITION OF ROY BUTLER

3. The City Manager recognized Roy Butler, of the Water Maintenance Department, who is retiring from the City after over 20 years of service to the City.

BUDGET AMENDMENT - ASHEVILLE RIVERFRONT REVITALIZATION PROGRAM

4. The City Manager presented a budget amendment to amend the City of Asheville General Fund budget for Fiscal Year 1978-79 as follows:

The City Manager said a report would be given to Council on the matter of 422 and 424 Haywood Road.

COMMENTS BY VICE-MAYOR HORTON - RE: ESCORT SERVICES

Vice-Mayor Horton commended the Asheville Police Department and the Sheriff's Department for their recent efforts in the crack down on traffic in narcotics.

He also said the City has received the first conviction of an escort service carrying on prostitution. He said the City is not in a position at this time to take any action on the recent stipulation put into the Revenue Ordinance regarding the revocation of licenses upon such a conviction until the appeal on the matter is heard. He said the City could take action, under the Revenue Ordinance, if a favorable appeal is received. He requested that the City Manager and the Corporation Counsel check the licenses of each escort service to see if they are complying with the requirement that each escort service file the current employees names and health certificates with the Tax Collector.

REQUEST - MAYOR TRANTHAM - BUILDING ON BILTMORE AVENUE

Mayor Trantham said he had received a request from residents of Kenilworth Road to have the building at the corner of Caledonia Road and Biltmore Avenue demolished. He said the building is a hazard to traffic.

J. E. Johnson, Director of Inspections, said his division cannot condemn the building on the grounds of safety. He said he had personally inspected the building and it is safe. He said perhaps the Council could condemn and demolish the building on the grounds of the building being hazardous due to traffic.

RECOGNITION OF INTERNATIONAL REGIONAL ECONOMIC DEVELOPMENT PLANNERS

Mr. Tom Covington, Grants Coordinator for Buncombe County, introduced delegates of the International Regional Economic Development Planners, sponsored by the North Carolina International Trade Center, Institute of International Education and the Buncombe County Commissioners.

PROCLAMATION - DAY-IN-COURT FOR LEGAL SECRETARIES - OCTOBER 19, 1978

Mayor Trantham proclaimed October 19, 1978 as "Day-in-Court for Legal Secretaries."

PROCLAMATION - FORTIETH ANNIVERSARY CELEBRATION OF INTERNATIONAL TOASTMISTRESS CLUBS

Mayor Trantham proclaimed October 23, 1978 as the beginning date of the year long Fortieth Anniversary Celebration of International Toastmistress Clubs.

PROCLAMATION - HILLCREST DAY - OCTOBER 21, 1978

Mayor Trantham proclaimed October 21, 1978 as "Hillcrest Day." This is to honor the Hillcrest Enrichment Program and the Hillcrest Dragon Football Team.

Adjournment

Ray M. Trantham
MAYOR

Doreen F. Malcolm
CITY CLERK

Ray Kisiah, Director of Parks and Recreation, by the use of a map, reviewed the location and details of the proposed park.

Upon inquiry of Councilwoman Price, Mr. Kisiah said the elimination of the lights on the ballfield would not affect the grant for the funding of the project.

Councilman Michael noted that the grant would not cover the entire cost of the project, as there would also be a $15,000 annual operating cost. He said in the past two or three years more and more parks have been put in the City and there should be a stopping point. He said Council should be conservative. He said there is a need to put in more housing for revenue producing projects.

Councilman Michael said the proposed park would be built for a small percentage of city residents living in North Asheville. He said the park would mainly be built for county residents in North Buncombe.

Mr. Kisiah, in response to Councilman Cole, again said he would be against the expansion of Weaver Park to accommodate a Babe Ruth Ballfield.

Councilman Rainey spoke in favor of a park being built on the Swain property. He said this property has always been set aside for a park. He said Council has a moral obligation to build a park on the Swain property by the motion adopted by Council on May 4, 1978. He said Council should reaffirm its decision to accept the grant and build the park.

Councilman Cole said he felt a better location could be found for the park. He said the Swain property is not suitable for a park and to build a park on this property would be detrimental to residents owning homes in the area. He said the homeowners should be protected.

Councilwoman Price moved that if Council approves the park project, the plan be amended by removing the lighting from the ballfield; that the lights for the tennis courts be the type that would only be directed toward the tennis courts; that as many trees as possible be retained along Beaverdam Road and Kimberly Avenue; that at least 15' of existing trees be retained along Kimberly Avenue; that in the area of first base where trees within the 15' area may be damaged during the construction of the park that at least 10' of existing trees be retained and that any trees damaged or removed be replanted with new trees along the 15' boundary. This motion was seconded by Councilman Rainey.

Mr. Kisiah said if the motion carries he will write the state and request that the funds for lighting be reallocated for additional park improvements.

Upon the request of Councilman Rainey, Councilwoman Price amended her motion to include the posting of no parking on Kimberly Avenue except during the Sunday church hour.

Jim Moody, of the North Asheville area, said if the amendment carries he would suggest that Council poll the residents of the area in three (3) years to determine if there is any objection to lighting being placed on the ballfield.

APPROPRIATION:

10-25-444-0-005 Asheville Riverfront Revitalization Program

REVENUE:

10-349 Federal Government Grant- Tennessee Valley Authority

This amendment is to include the Asheville Riverfront Revitalization Program grant as approved by City Council Resolution No. 78-154 in the 1978-79 General Fund Budget. This grant is 100% funded by the T.V.A.

Vice-Mayor moved to amend the City of Asheville General Fund budget for Fiscal Year 1978-79 to include the Asheville Riverfront Revitalization Program. This motion was seconded by Councilwoman Price and carried unanimously.

RESOLUTION NO. 78-198 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A QUIT CLAIM DEED IN FAVOR OF BOILING SPRINGS BAPTIST CHURCH

5. Consideration was given to a resolution authorizing the Mayor to execute a quit claim deed in favor of Boiling Springs Baptist Church.

The City Manager read the resolution. It was noted that in June, 1964 the City issued a deed to Boiling Springs Baptist Church for property at the intersection of Fanning Bridge Road and Interstate 26. This deed contained a reservation that the property be used within six years for church purposes. This quit claim deed releases said reverter clause.

Upon motion of Councilman Cole, seconded by Councilwoman Price, Resolution No. 78-198 was unanimously adopted.

Complete text of Resolution No. 78-198 will be found in Resolution Book No. 11 at page 20.

RESOLUTION NO. 78-199 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN AN AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF NATURAL RESOURCES AND COMMUNITY DEVELOPMENT FOR THE DEVELOPMENT OF A NORTH ASHEVILLE PARK ON THE PROPERTY FORMERLY KNOWN AS THE "SWAIN PROPERTY"

6. Consideration was given to a resolution authorizing the Mayor to sign an agreement with the North Carolina Department of Natural Resources and Community Development for the development of a North Asheville Park on the property formerly known as the "Swain Property."

The City Manager read the resolution. He said this matter was considered during the October 5, 1978 meeting but was tabled until the City Attorney and the Planning Director could come up with some recommendations or alternatives for Council to consider in resolving the legal ramifications involved in the project site. He said the City Attorney and the Planning Director would be presenting several alternatives but at this time Council should decide whether or not to have a park on the "Swain property."

Councilman Morris again noted that because he owns property near the proposed site he felt there might be a conflict of interest and he would abstain from voting.

Mr. Bennett said if Council allows the park on the property in question that they will be accommodating themselves through the Zoning Ordinance which the Planning and Zoning Commission will not permit by a private developer.

The following individuals spoke in opposition to the proposed park project:

Elizabeth Harpe - 441 Kimberly Avenue
Sidney Martin - 5 Hampstead Road
Charles Frost - 1 Country Club Lane

Upon the request of Councilwoman Price, the City Manager read the definition of a "public facility" from the Zoning Ordinance.

Corporation Counsel Moore said in his opinion a park does not fall in the category of a "public facility."

Mr. Verl Emrick, Planning Director, when asked for his opinion, said he felt a public park would be considered a "public facility."

J. E. Johnson, Director of Inspections, said he also considered a public park a "public facility."

Upon inquiry of Councilman Rainey, Mr. Emrick said in his opinion there was no distinct legal difference between a playground and a park.

Vice-Mayor Horton moved for the adoption of Resolution No. 78-199. This motion was seconded by Councilman Rainey, the voice vote being 3-2, with Vice-Mayor Horton, Councilwoman Price, and Councilman Rainey voting "aye" and Councilmen Michael and Cole voting "no."

Corporation Counsel Moore called Council's attention to N.C.G.S. 160A-69 which stated that the Mayor shall have the right to vote only when there are equal number of votes in the affirmative and in the negative.

Vice-Mayor Horton said Council has always by precedent turned to the Mayor to either not vote which would defeat a motion or to vote and pass a motion.

Councilwoman Price questioned whether Councilman Morris' abstaining vote assumed a negative or an affirmative.

At the request of Mayor Trantham, Councilwoman Price moved that Council recess for 15 minutes. This motion was seconded by Councilman Rainey and carried unanimously.

Council reconvened at 5:25 p. m.

Before proceeding with the meeting, Mayor Trantham asked Mr. Moore, Corporation Counsel, for his opinion as to whether or not he should vote on the issue. Mr. Moore advised that it was his opinion that under the circumstances the Mayor should vote.

Mayor Trantham then said that in accordance with the advice of the Corporation Counsel he would vote and that his vote was in the affirmative.

Mayor Trantham then called for a vote on Councilwoman Price's motion to amend the plan, the vote being 3-2 with Councilman Rainey, Vice-Mayor Horton and Councilwoman Price voting "aye" and Councilmen Cole and Michael voting "no."

At this time the City Attorney advised Council that four (4) votes or a majority vote was required in order to carry a motion, at which time Mayor Trantham voted "aye" making the vote 4-2 in favor of Councilwoman Price's motion to amend the plan.

Vice-Mayor Horton speaking in favor of the park project said two Councils have obligated themselves for a park in North Asheville and Council would be remiss in their moral obligation if they do not follow through with the park project. He said a study was done to find a better location and in no instance, considering all factors, did the staff find anything more suitable than the "Swain property." He said the park is not immediately adjacent to any residential area and he did not feel it would affect the property owners.

Mr. Bob Farzanegan, Chairman of the Parks and Recreation Advisory Board, spoke in favor of the proposed park. He said the Board unanimously agreed that a park is needed in North Asheville and the Swain property is the only logical place for a park. He said Council should also act favorably for the park.

Mrs. Nancy Cory, 2 Pine Tree Road, and a member of the Parks and Recreation Advisory Board, also spoke in favor of the park.

Jim Moody, 128 Spooks Branch Road, who appeared before Council many times requesting a park in North Asheville, requested that Council consider the time factor involved in receiving the grant for the park. He said the North Asheville recreation program involves over 600 children from all over the City. He said if the park project is not approved the recreation program in North Asheville will be in dire danger.

The following individuals spoke in favor of the proposed park project:

Mrs. Joann Roberson- Quail Hollow - Beaverdam
Delyn Shepherd - 338 Kimberly Avenue
Bill Coonan - 7 Colonial Place
Danny Rice - Beaverdam
Leo Manley - 21 Warwick Place
Walter Boland - 50 Greenleaf Circle
Lee Buchanan -

Harold Bennett, attorney who said he represented fifty (50) property owners in North Asheville, spoke in opposition to the proposed park. He reiterated his arguments made to Council on October 5, 1978 in that if Council approves the park project for the proposed location that they will be violating their own zoning ordinance. He said the property is zoned R-1 Single Family Residential which does not carry a "park" as a permitted use. He said it was his understanding that the Corporation Counsel and the Planning Director have advised Council that they would either have to rezone the property in question or amend the Zoning Ordinance to permit parks in the R-1 District in order to build a park on the proposed site.

Thursday - November 2, 1978 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilmen Gene E. Rainey, F. Jack Cole, Otis B. Michael and Ralph D. Morris, Jr., Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilwoman Norma T. Price

INVOCATION

The invocation was given by Councilman Otis B. Michael.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the October 26, 1978 meeting.

Upon motion of Councilman Cole, seconded by Vice-Mayor Horton, the minutes of the October 26, 1978 meeting were approved as submitted.

PUBLIC HEARING - AMENDING THE SIGN REGULATION SECTION OF THE ZONING ORDINANCE #322

2. A public hearing was held relative to amending the Sign Regulation Section of the Asheville Zoning Ordinance #322.

Mayor Trantham opened the public hearing at 3:10 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said during the past two months, the Asheville Planning and Zoning Commission has discussed several wording amendments to Article 9. Sign Regulations of the Zoning Ordinance which were presented by the planning staff and Mr. George Gontero of Naegele- Lamar Dean Outdoor Advertising Companies. These amendments basically address problems of administering the Ordinance by clarifying points subject to a variety of interpretations and tightening the provisions in other instances. He said Council held a work session on the amendments on October 31, 1978.

The proposed wording amendments are as follows:

1. Sec. 30-9-1 (7), Sign Contractor's License

(a) Present Wording: "No person, firm, or corporation shall engage in the business of installing, erecting, moving, or maintaining signs in the City of Asheville unless said person, firm, or corporation has been issued a sign contractor's license which license is in effect at the time of said work."

(b) Planning and Zoning's Proposed Change: Add the following: "This section's requirements shall be interpreted to apply to those persons, firms or corporations whose livelihood (either in part or wholly) is derived from installing, erecting, moving, or maintaining signs within the jurisdiction of this ordinance."

This approved Resolution No. 78-199 by a 4-2 margin, with Mayor Trantham, Vice-Mayor Horton, Councilwoman Price, and Councilman Rainey voting "aye" and Councilmen Michael and Cole voting "no."

Complete text of Resolution No. 78-199 will be found in Resolution Book No. 11 at page 21.

CLAIMS - MIDDLEBROOK, BEGLEY, HENNING, REID

The City Manager presented the following claims against the City:

Louise B. Middlebrook 349 Cumberland Avenue Asheville, N. C.	Fell in water leak excavation - $6,000.00 plus medical
Kyle M. Begley Rt. 9 Box 209 Asheville, N. C.	Damage to automobile $250.00 from spraying
Ralph J. Henning c/o Venus Car Wash 1315 Tunnel Road Asheville, N. C.	Water off at car wash approximately $1,200.00
Larry E. Reid Glen Bridge Road Arden, N. C.	Water line claim $2,635.00

PROCLAMATION - CHILDREN'S BOOK WEEK

Mayor Trantham proclaimed the week of November 12 - 18, 1978 as Children's Book Week.

PROCLAMATION - LIBRARY DAY

Mayor Trantham proclaimed November 18, 1978 as Library Day.

PROCLAMATION - VETERANS DAY

Mayor Trantham proclaimed November 11, 1978 as Veterans Day.

RALPH BISHOP - LOTTERY SALES

Ralph Bishop again appeared before Council relative to the lottery sales in Asheville.

Councilman Rainey suggested that Council schedule a meeting with the Chief of Police relative to the plans of the Police Department regarding the matter brought out by Mr. Bishop.

Adjournment.

Ralph M. Trantham
MAYOR

Marian J. Wolcott
CITY CLERK

(c) Council's Proposed Change: "Off-premise advertising signs of three hundred (300) square feet per display face and those less than three hundred (300) square feet per display face may be located in all commercial and industrial zones except in the Office-Institutional District."

(d) Rationale for Change: With the N. C. Department of Transportation proposing changes in the speed limits (up to 55 mph), it is the planning staff's opinion that in several areas where changes are proposed or where the road is designed for 55 mph, the larger sign would not be appropriate. Therefore, in an attempt to offer some compromise, the changes listed are recommended.

It was the consensus of Council not to allow advertising signs in excess of three hundred (300) square feet in the City Limits.

B. 2. Maximum Sign Area

(a) Present Wording:

"(b) The maximum area allowed on a single sign structure in a Commercial Highway Zone shall not exceed 2,800 square feet or four (4) separate display surfaces."

"(c) The maximum area allowed on a single sign structure in all other Commercial and Industrial Zones shall not exceed 1,200 square feet or four (4) separate display surfaces."

(b) Planning and Zoning's Proposed Change:

"(b) The maximum area allowed on a single sign structure listed in Section 30-9-3 (D) (1a) shall not exceed 1,400 square feet on two (2) separate display faces or 1,200 square feet on four (4) separate display faces provided the spacing requirements (Sec. 30-9-3 (D) (3)) of this Ordinance can be met."

"(c) The maximum area allowed on a single sign structure in all other Commercial and Industrial Zones shall not exceed 1,200 square feet or four (4) separate display faces provided the spacing requirements (Sec. 30-9-3 (D) (3)) of this Ordinance can be met."

(c) Council's Proposed Change:

"(a) The maximum area for any off-premise advertising sign shall be three hundred (300) square feet per display face, exclusive of any border, trim, base, apron, or other structural members."

"(b) The maximum area allowed on a single sign structure in the commercial and industrial zones shall not exceed six hundred (600) square feet or two (2) separate display faces, provided the spacing requirements (Sec. 30-9-3 (D) (3)) of this Ordinance can be met."

(d) Rationale for Change:

In this instance the change would prevent the placement of additional signage on a previously erected structure unless the spacing requirements could be met.

(c) Council's Proposed Change: Add the following: "This section's requirements shall be interpreted to apply to those persons, firms, or corporations who would derive any income from installing, erecting, moving, or maintaining signs within the jurisdiction of this Ordinance."

(d) Rationale for Change: During the year several individual businessmen have asked for permits to hang their own signs, but could not do so until a written statement was given on the interpretation of the sentence. Therefore, in order to facilitate easier administration, it is felt that the specificity should be added to the paragraph. This would allow the Inspections Division the authority to issue a permit for an on-premise advertising sign to the owner of the business, without first obtaining a sign contractor's license. The sign would have to meet all other requirements such as construction code requirements.

2. Section 30-9-3 (B) Required Setbacks, Free-Standing Signs

(a) Present Wording of First Paragraph: "Free-standing signs in any zoning district shall be set back the following distances and no point on any sign shall extend beyond the required setback line. For any structure having more than one (1) sign face the total area of the largest display face on the structure shall determine the setback for the structure."

(b) Planning and Zoning's Proposed Change: Add the following to the first sentence" "..... no point on any sign including any cantilevered section(s) shall extend beyond the required setback line.

(c) Rationale for Change: In this change the attempt is to make the intent of the ordinance clearer to those who erect new signs or modify older ones. The specific problem being dealt with is that of defining a specific setback of the sign. Now, when a sign's supporting standard is in place, the message portion can extend into the right-of-way due to cantilevered (overhang) design of the sign. The proposed change will not permit any part of the message board to extend beyond the specified setback line for the sign itself. Therefore, if an overhang sign is used, in most instances the pole or supporting standard will have to be placed further back to compensate for the design.

3. Section 30-9-3 (D) Off-Premise Advertising Signs.

A. 1. Location of Signs

(a) Present Wording of First Paragraph: "(a) Off-premise advertising signs greater than three hundred (300) square feet per face shall be allowed only in Commercial Highway Zoning Districtions or on major thoroughfares where the legal speed limit is 55 miles per hour."

(b) Planning and Zoning's Proposed Change: "Off-premise advertising signs greater than three hundred (300) square feet per display face shall be allowed only in the Commercial Highway and Commercial Service zones along the following thoroughfares: (1) U. S. 70 - Tunnel Road; (2) U. S. 74 (South Tunnel Road) from U. S. 70 to N. C. 81; (3) U. S. 25 - Hendersonville Highway from I-40 to Gerber Road (S. R. 3195); (4) U. S. 19-23 Patton Avenue from Smoky Park Bridge to I-40 interchange; and (5) N. C. 191 Connector from I-40 - I-26 interchange to Patton Avenue."

The second problem, that of how to calculate the square footage for determining the "minimum sign distance," will be clarified for administration purposes.

It was the consensus of Council to space the signs five hundred (500) feet apart.

4. Section 30-9-3 (E) Schedule of Sign Requirements

(a) Proposed Change:

Delete the wording of the table dealing with signage for "Home Occupations."

(b) Rationale for Change:

This change will eliminate a duplication with Section 30-3-16 which specifies the requirements for home occupations.

Mayor Trantham noted that this ordinance would have no effect on existing signs or current non-conforming signs.

Councilman Rainey said in his opinion signs that exceed six hundred (600) square feet should be placed on Interstate highways and not in the City Limits. He said a three hundred (300) square foot limit should be sufficient.

Mike Summey, Summey Outdoor Advertising, said the original request to amend the Sign Regulations included only clarification amendments. He said the proposed amendments have got to the point of being complicated. He urged Council not to place restrictions on the small sign dealers. He said the sign companies are the least offenders of the sign ordinance. He said that outdoor advertising was a primary means of reaching the traveling public.

A discussion was held relative to the required spacing between the signs.

Mr. George Gontero, President of Naegele Outdoor Advertising, said he favored a five hundred (500) ft. spacing between signs. He said his company erects signs that are 672 square feet and he would like to be able to put the signs in the Commercial and Industrial Districts.

Mr. Pete Hall, salesman for Naegle Outdoor Advertising, said his company had put up many 672 square foot signs, free of charge, for various community organizations. He said Council should not legislate his company out of business. He said the large signs, used with restraint, are needed in the City and would not be offensive.

Mr. Jack Alderfer, of WRAQ Radio Station, spoke in support of the sign companies. He said he would rather see a structure sign than all the "rolling signs' now placed in the City. He said there would be an economic impact on legislating signs.

Councilman Rainey commented that he would like to eliminate the "rolling signs" as off-premise signs and use them only as on-premise advertising signs.

Councilman Michael said he felt Council should get away from legislating private enterprise.

C. 3. Spacing between Off-Premise Advertising Signs

(a) Present Wording:

"In all districts where free-standing, off-premise advertising signs are permitted, no sign structure shall be placed closer to the next adjacent structure in either direction on the same side of the street than the "minimum sign distance." The minimum sign distance between any two (2) structures shall be one-half of the sum of the area of each of the signs contained on said structure in square feet. The minimum sign distance between any two (2) structures shall be measured along a straight line between the closest point of any two (2) structures."

(b) Planning and Zoning's Proposed Change:

"In all districts where free-standing, off-premise advertising signs are permitted, no off-premise advertising sign shall be placed closer to the next off-premise advertising sign in any direction on the same side of the street closer than the "minimum sign distance" ."

"The minimum sign distance between any two (2) sign structures shall be one-half of the total area of the display faces contained on the existing or new sign structure in square feet of five hundred (500) feet whichever is greater. The total square footage of the display faces shall be calculated in accordance with Sec. 30-9-1 (E) of this Article. Further, in cases where the sign structure abuts a limited access highway, the minimum sign distance between off-premise advertising sign structures shall be 1,500 feet."

"The minimum sign distance between any two (2) structures shall be measured along a straight line between the closest point of any two (2) structures."

(c) Council's Proposed Change:

"In all districts where free-standing, off-premise advertising signs are permitted, no off-premise advetising sign shall be placed closer to the next off-premise advertising sign in any direction on the same side of the street closer than the "minimum sign distance"."

"The minimum sign distance between any two (2) sign structures shall be five hundred (500) feet. Further, in cases where the sign structure abuts a limited access highway, the minimum sign distance between off-premise advertising sign structures shall be 1,500 feet."

"The minimum sign distance between any two (2) structures shall be measured along a straight line between the closest point of any two (2) structures."

(d) Rationale for Change:

This proposal would solve two specific problems. First, as written, the ordinance's spacing requirements would not control the placement of an advertising sign on a perpendicular line from the edge of the road. If the spacing requirements are imposed, the locations available would be limited.

Councilman Morris agreed with Councilman Michael stating that Council cannot, by law, outlaw a specific business. He said in his opinion the Zoning Ordinance is not a good place to fight the battle.

Vice-Mayor Horton moved for the adoption of Resolution No. 78-200. This motion was seconded by Councilman Rainey.

Mayor Trantham said Council had recently received three (3) petitions, one from the Lexington Avenue area, one from the Chestnut Street area, and one from residents of North Asheville, in regard to several present business establishments.

Mrs. George McGuire, 144 E. Chestnut Street, complained about the bar at the intersection of Liberty and Chestnut Street, known as the "Liberty Corner." She said the customers of the bar were noisy, destroyed property, littered and used drugs. She said the bar is presently closed due to a change in ownership. She asked Council to do what they could in keeping it closed.

Louise Speed complained about Doc's Rock Shop in North Asheville. She said bars should not be close to residential areas.

Ralph Bishop said the "Liberty Corner" is in violation of state law in that it is too close to a church.

Mrs. Blackwell, Blackwell's Lounge, asked if her permit to relocate to 54 Broadway would be affected by the adoption of the resolution.

J. E. Johnson, Director of Inspections, said Mrs. Blackwell would not be affected by this resolution.

Chris Peterson criticized Council for considering restricting nightclubs when he felt they should be giving their consideration to matters of what he felt were more important.

Mayor Trantham then called for a voice vote of Vice-Mayor Horton's motion for adoption of Resolution No. 78-200.

Resolution No. 78-200 was unanimously adopted.

Complete text of Resolution No. 78-200 will be found in Resolution Book No. 11 at page 22.

BIDS - DISPATCH AND RADIO ALERTING SYSTEM FOR ASHEVILLE FIRE DEPARTMENT

4. Consideration was given to a bid received October 30, 1978 for dispatch and radio alerting system for the Asheville Fire Department.

The City Manager presented the only bid received from Motorola Communication and Electronics, Inc. in the amount of $34,976.44. It was recommended that this bid be accepted.

Councilman Cole moved to approve the bid received from Motorola Communication and Electronics, Inc. in the amount of $34,976.44. This motion was seconded by Vice-Mayor Horton and carried unanimously.

Mayor Trantham closed the public hearing at 4:50 p. m.

Councilman Morris said he did not think Council was in a position to take action on an ordinance amending the sign ordinance. He suggested that Council hold another work session with the sign company representatives and the Planning Division.

Councilman Morris moved to defer action on the ordinance until such time as a satisfactory agreement could be reached by the sign companies and the Council. This motion was seconded by Councilman Michael and carried unanimously.

Mayor Trantham called for a Council recess.

Council reconvened at 5:08 p. m.

RESOLUTION NO. 78-200 - RESOLUTION FOR CONSIDERATION OF IMPOSING A LIMITED MORATORIUM ON PLACEMENT OF COCKTAIL LOUNGES, NIGHTCLUBS, OR PUBLIC OR PRIVATE CLUBS WITHIN THE CITY OF ASHEVILLE

3. Consideration was given to a resolution for consideration of imposing a limited moratorium on placement of cocktail lounges, nightclubs, or public or private clubs within the City of Asheville.

The City Manager read the resolution.

Councilman Michael voiced his objection to the resolution, stating that the resolution did not address itself to the present problems. He said the main problem in this area is people standing outside of nightclubs drinking beer, putting litter on the streets, using profanity, etc. He said he felt Council should concentrate on the owners of the establishments which are causing problems and creating a public nuisance. He said this resolution would prevent someone from opening a nice lounge or prevent someone from moving from one location to another. He said the moratorium would exclude the "good neighbors" as well as the bad. He suggested that the bars have uniformed police officers inside the business to control the customers.

Councilman Rainey said the purpose of this resolution is to allow the Planning Department an opportunity to develop amendments to the Zoning Ordinance that would regulate the placement of such businesses.

Vice-Mayor Horton spoke in favor of the resolution stating that this time period would give the Planning Department an opportunity to come up with some justifible amendments. He said the moratorium is valid and the resolution should be adopted.

Verl Emrick, Planning Director, said the zoning ordinance could not be written to place a value judgment on the type of enterprise. He said it cannot by definition exclude specific types of uses from existence but it does give Council the right to regulate their placement. He said the proposed amendments will probably address the distance a club can be placed to another nightclub or a church.

Councilman Rainey said if a particular business in a year's time has "x" number of nuisance complaints then the Council should have the power not to renew the privilege license next year.

Claim sent to Ohio Casualty Insurance:

Mrs. Mrytle Stephenson — **Fell at Civic Center**
Box 133
Black Mountain, N. C.

PROCLAMATION - YOUTH APPRECIATION WEEK - SECOND WEEK OF NOVEMBER

Mayor Trantham proclaimed the second week of November, 1978 as "Youth Appreciation Week."

MR. AND MRS. SIMMONS - 574 SAND HILL ROAD

Mr. William A. Parker, Attorney representing Mr. and Mrs. Simmons of 574 Sand Hill Road said Mr. and Mrs. Simmons had previously complained of their neighbor operating a business in his home on Sand Hill Road, known as the Asheville Coffee Service, Inc. He said large trucks come in the area delivering coffee to the business.

The City Manager advised that this matter had been discussed before and the Inspections Division had inspected the neighbor's premise and found it to be in compliance with the Zoning Ordinance as a home occupation. He told Mr. Parker that they could pursue the matter through the Asheville Zoning Board of Adjustments.

Councilman Rainey said he felt this business was in violation of the Zoning Ordinance and moved that the City Manager be instructed to determine the total square footage of the residence on Sand Hill Road where the Asheville Coffee Service business is located and to determine the amount of square footage being used for the business. He further moved that the City Manager determine whether or not the owner of the business is selling coffee from his residence. This motion was seconded by Vice-Mayor Horton.

On a voice vote of 3-2, Councilman Rainey's motion was defeated with Councilmen Cole, Morris, and Michael voting "no" and Councilman Rainey and Vice-Mayor Horton voting "aye."

RALPH BISHOP - FREEDOM OF SPEECH AND LOTTERY SALES IN ASHEVILLE

Mr. Ralph Bishop again spoke to Council relative to his freedom of speech to speak at a Council meeting and about the wide-open lottery sales in the City of Asheville. He criticized the City Manager for not doing something about the wide-open lottery sales.

The City Manager asked Mr. Bishop to furnish evidence relative to his allegations.

Adjournment.

Ray M. Trantham — MAYOR

Frances S. Holcomb — CITY CLERK

RESOLUTION NO. 78-201 - RESOLUTION AUTHORIZING THE FILING OF A LEAA SUBGRANT APPLICATION FOR ASHEVILLE/BUNCOMBE CJIS, PHASE II

5. Consideration was given to a resolution authorizing the filing of a LEAA subgrant application for Asheville/Buncombe CJIS, Phase II.

The City Manager read the resolution and explained that the purpose of this project is to improve the efficiency and safety of the field officers by providing better information. The development and implementation of an on-line wants/warrants computer system and the procurement of supporting computer equipment.

Upon motion of Councilman Morris, seconded by Councilman Cole, Resolution No. 78-201 was unanimously adopted.

Complete text of Resolution No. 78-201 will be found in Resolution Book No. 11 at page 23.

PUBLIC HEARING SCHEDULED - REZONING PROPERTY AT SOUTH BEAR CREEK ROAD AND N.C.191 CONNECTOR - PROPERTY OWNED BY LOUIS C. WALLER AND BRIAN WILCOX; AND FIRST CITIZENS BANK AND TRUST COMPANY

6. The City Manager presented a letter from the Asheville Planning and Zoning Commission recommending approval of a request for rezoning property at South Bear Creek Road and N. C. 191 Connector from R-3 Residential District to CH Commercial Highway District.

Councilman Morris moved to schedule a public hearing on the matter for November 30, 1978. This motion was seconded by Councilman Cole and carried unanimously.

NORTH CAROLINA LEAGUE OF MUNICIPALITIES RESOLUTION OF COMMENDATION

7. The City Manager read a resolution adopted by the North Carolina League of Municipalities commending the City of Asheville for their hospitality, assistance and cooperation, and for the numerous courtesies rendered in hosting the 69th Annual Convention in the City of Asheville.

CLAIMS - JUDY B. COOK, TROY S. TOBE, AUGUSTA J. CARRELL, MRS. MRYTLE STEPHENSON

8. The City Manager presented claims received from W. R. Swearngan, Facility Services Superintendent. The claims are as follows:

Judy B. Cook — Hit curb, damage to car $173.46
Rt. 8, Box 1098
Asheville, N. C. 28806

Claims sent to St. Paul Fire & Marine Insurance:

Troy S. Tobe — Hit by Sanitation Truck
58-A Klondyke Avenue
Asheville, N. C. 28801

Augusta J. Carrell — Hit by Water Department Truck
Asheville, N. C.

ORDINANCE NO. 1082 - AN ORDINANCE AMENDING ORDINANCE NO. 1002 KNOWN AS "AN ORDINANCE ESTABLISHING THE ASHEVILLE UNIFORMED POLICEMEN'S RETIREMENT PLAN AND TRUST" AND ORDINANCE NO. 1077, WHICH AMENDED ORDINANCE NO. 1002

2. Consideration was given to an ordinance amending Ordinance No. 1002, known as "AN ORDINANCE ESTABLISHING THE ASHEVILLE UNIFORMED POLICEMEN'S RETIREMENT PLAN AND TRUST" and Ordinance No. 1077, which amended Ordinance No. 1002.

The City Manager read the ordinance.

Mike Smith, Director of Central Services, said this amendment would allow the police officers until January 1, 1979 to elect to come under this plan.

Councilman Morris moved for the adoption of Ordinance No. 1082. This motion was seconded by Councilwoman Price.

On a roll call vote of 5-0, Ordinance No. 1082 passed on first reading.

Councilwoman Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1082. This motion was seconded by Councilman Morris and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1082 passed on second reading.

Councilwoman Price again moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1082. This motion was seconded by Councilman Morris and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1082 passed on its third and final reading.

Complete text of Ordinance No. 1082 will be found in Ordinance Book No. 8 at page 297.

ORDINANCE NO. 1083 - AN ORDINANCE AMENDING ORDINANCE NO. 1083 - AN ORDINANCE AMENDING ORDINANCE NO. 1003, KNOWN AS "AN ORDINANCE ESTABLISHING THE ASHEVILLE UNIFORMED FIREMEN'S RETIREMENT PLAN AND TRUST" AND ORDINANCE NO. 1078, WHICH AMENDED ORDINANCE NO. 1003.

3. Consideration was given to an ordinance amending Ordinance No. 1003 known as "AN ORDINANCE ESTABLISHING THE ASHEVILLE UNIFORMED FIREMEN'S RETIREMENT PLAN AND TRUST" and Ordinance No. 1078, which amended Ordinance No. 1003.

The City Manager read the ordinance.

Mike Smith, Director of Central Services, said this amendment would allow the firemen until January 1, 1979 to elect to come under this plan.

Councilwoman Price moved for the adoption of Ordinance No. 1083. This motion was seconded by Councilman Cole.

On a roll call vote of 5-0, Ordinance No. 1083 passed on first reading.

Councilman Michael moved to suspend the rules and proceed to the second reading of Ordinance No. 1083. This motion was seconded by Councilman Morris and carried unanimously.

Thursday - November 9, 1978 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Councilwoman Norma T. Price, Councilmen F. Jack Cole, Otis B. Michael and Ralph D. Morris, Jr., Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Vice-Mayor Bill B. Horton and Councilman Gene E. Rainey

INVOCATION

The invocation was given by Councilman Ralph D. Morris, Jr.

APPROVAL OF THE MINUTES

I. Approval of the minutes of the November 2, 1978 meeting.

The City Manager requested that the following paragraph be included in the minutes concerning the adoption of Resolution No. 78-200 after the paragraph whereby Mr. Johnson stated that the Blackwell Lounge would not be affected by the resolution:

"Mr. Johnson also said he had received an application for a building permit for a bar on Lexington Avenue, at approximately 1:30 today, November 2, 1978. He said this bar would not be affected by the resolution since they applied for the permit before the adoption of the resolution."

Councilman Michael requested that his statement relative to Council legislating private enterprise be clarified in that his statement was strictly relating to sign regulations.

Councilman Michael also requested that his statement suggesting that bars have uniformed police officers inside the business to control the customers should be clarified in that his intention was to suggest that police officers visit these establishments at certain intervals. He said his statement should not be construed as to have police officers permanently stationed at these establishments.

Councilman Michael moved to amend the minutes to include the additional information and to clarify his statements. This motion was seconded by Councilman Cole and carried unanimously.

Councilman Michael then moved to approve the minutes of the November 2, 1978 meeting, as amended. This motion was seconded by Councilman Morris and carried unanimously.

B. **Resolution No. 78-204** - Resolution authorizing the Mayor to sign a sub-grant award contract with the North Carolina Division of Crime Control for the federal grant "Update Asheville I. D."

HIGHLIGHTS: This sub-grant for state and federal funding is to support a program to increase the capabilities of the Asheville Police Department and the Buncombe County Sheriff's Department in the areas of criminal evidence collection and processing. Funds will provide for the purchase of a mobile crime laboratory for the police department and the purchase of other equipment, primarily color photography equipment for the Asheville/Buncombe County Identification Section.

Total Project:	$38,000
Federal Contribution 90%	34,200
State Contribution 5%	1,900
Local Contribution 5%	1,900
Asheville	1,475
Buncombe	425

Resolution Book No. 11 Page 28

C. Scheduling of a public hearing relative to rezoning property on Oteen Park Place from R-3 Residential District to CH Commercial Highway District for December 7, 1978.

HIGHLIGHTS: The Planning and Zoning Commission, at its November 1, 1978 meeting, recommended that Council rezone Ward 8, Sheet 42, Lot 55 from R-3 Residential District to CH Commercial Highway District, property owned by Sea-Nic Enterprises.

D. Approval of budget amendment amending the City of Asheville Capital Projects Fund budget as follows:

HIGHLIGHTS: This is to bring appropriated activities into compliance with the executed grant agreement. The additional cash match is available in the General Revenue Trust Fund.

PROJECT	APPROPRIATION	BUDGET INCREASE DECREASE	NEW APPROPRIATION
Appropriation:			
Land Use Study	60,000	4,645	64,645
Revenue:			
N. C. Dept. of Trans.	3,000	232	3,232
F.A.A.	54,000	4,180	58,180
Local Cash Match	3,000	233	3,233
	60,000	4,645	64,645

On a roll call vote of 5-0, Ordinance No. 1083 passed on second reading.

Councilman Michael again moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1083. This motion was seconded by Councilwoman Price and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1083 passed on third reading.

Complete text of Ordinance No. 1083 will be found in Ordinance Book No. 8 at page 298.

RESOLUTION NO. 78-202 - RESOLUTION AUTHORIZING LIMITED FREE PARKING WITH A CITY AUTO STICKER AT THE DOWNTOWN PARKING GARAGE

4. Consideration was given to a resolution authorizing limited free parking with a city auto sticker at the Downtown Parking Garage.

The City Manager read the resolution and explained that this would change the hours of the current city sticker free parking in the parking garage which is 10:00 a. m. to 5:00 p. m. He said the new policy would be to permit free parking not to exceed two hours.

Councilman Michael said he had received several complaints about parking violations. He said the two hour parking is not being enforced particularly on Haywood and Battery Park.

Upon motion of Councilwoman Price, seconded by Councilman Cole, Resolution No. 78-202 was unanimously adopted.

Complete text of Resolution No. 78-202 will be found in Resolution Book No. 11 at page 25.

APPROVAL OF THE CONSENT AGENDA

5. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. Resolution No. 78-203 - Resolution adjusting rental rate structure for the Asheville Civic Center facilities.

HIGHLIGHTS: The Asheville Area Civic Center Commission has recommended that definitions of events be clarified and the rental rates adjusted.

Resolution Book No. 11, Page 26.

BLACKWELL'S LOUNGE - 54 BROADWAY

Mrs. Albena Blackwell, 3 Erskine Street, said she is attempting to move her club from Depot Street to Broadway. She said she appeared at the Council meeting last week and was informed that her transfer of business locations would not be affected by the moratorium on nightclubs in the City since she had received a building permit prior to the adoption of the resolution. She said it was her understanding that the City Council had received a petition from the local businesses in the area objecting to her opening the club on Broadway. She said she had repaired the building on Broadway and met all the requirements of the building code. She said the ABC Board had informed her that her application for a beer license had been rejected because the location was not suitable and due to local objection.

Corporation Counsel Moore said the City had no control over the issuing of ABC permits.

Councilman Michael reviewed the incidents leading up to the rejection of the ABC permit. He said the City had received a petition from several Asheville merchants objecting to the issuing of a permit to establish a private club on Broadway. He said the City Manager, by letter dated October 6, 1978, forwarded the petition to the Chairman of the State Board of Alcoholic Control and further stated that if the Board received a request for a State Permit for the club on Broadway the City Council would like to comment further. He said he felt the ABC Board construed the letter from the City Manager to mean that City Council objected to the opening of the club. He suggested that Council send a letter to the ABC Board stating that Council has no objection to the opening of Blackwell's Lounge and that Blackwell's Lounge has no police record.

Corporation Counsel Moore said since Council has no jurisdiction in issuing state beer permits that the letter should only state that Council has taken no action on the matter and that the opening of Blackwell's Lounge doe not apply to the current moratorium on nightclubs.

Councilman Michael contended that the City should not have gotten involved in the matter and the merchants objecting to the club should have forwarded the petition to the ABC Board.

Jesse Ray, Jr. agreed with Councilman Michael stating that the City government and city officials could have an impression on a decision of the ABC Board. He said he felt Council did have an influence on the rejection of Mrs. Blackwell's permit.

Mr. Ray said Mrs. Blackwell's lounge is a professional operated business catering to members only and is not the type of club that would allow disturbances. He said the City should help to inspire and encourage such businesses in the City. He said a letter should be sent to the ABC Board separating the facts in that it was not the majority of the City who opposed the opening of the club.

Phyliss Sherill, a resident of Asheville and a member of Blackwell's Lounge, said Council should not allow 23 to 25 people to stop a business from coming into Asheville. She said Blackwell's Lounge is a private club with approximately 125 members who are young professional black people. She said they have no problems with fighting or disturbances.

Resolution No. 78-205

E. Resolution authorizing, adopting, approving, accepting, and ratifying the execution of Amendment No. 1 to Grant Agreement for Project No. 6-37-0005-04 between the United States of America and the City of Asheville, North Carolina.

HIGHLIGHTS: This amendment will revise the work description in the grant agreement to read as follows:

"Site preparation for 1500' runway and taxiway extension to include site preparation for the glide slope and localizer and relocation of the localizer; security fencing."

This adds to the work description the security fencing, which was omitted in the executed grant agreement.

Resolution Book No. 11 Page 29.

RESOLUTION NO. _____ - RESOLUTION REQUESTING THE ATLANTA AIRPORT AUTHORITY TO LEAVE LANDING FEE AT $2.50 FOR GENERAL AVIATION AIRCRAFT

6. Consideration was given to a resolution requesting the Atlanta Airport Authority to leave landing fee at $2.50 for general aviation aircraft.

The City Manager read the resolution.

Councilman Michael said he had asked the City Manager to prepare the resolution for Council's consideration. He said he had been requested by the Western North Carolina Pilot's Association and local businessmen to have the resolution considered by City Council. He said the Atlanta Airport Authority is considering increasing the landing fee for general aviation aircraft from $2.50 to $25.00. He said this is being proposed in order to prohibit general aviation aircraft from landing in Atlanta. He said this would hurt the local businesses.

Councilman Morris said he felt it would be more ethical for the Mayor to write a letter explaining the position of the local businesses and request that they take into consideration the businessmen's appeals. He said he felt a resolution might be considered too harsh of a request.

Councilman Michael said he felt a resolution would be more effective.

After discussion, Councilman Morris moved to table the resolution until November 16, 1978. This motion was seconded by Councilman Cole, which motion carried with Councilman Michael abstaining due to a conflict of interest.

PROCLAMATION - VIETNAM VETERANS WEEK - NOVEMBER 12-18, 1978

Mayor Trantham proclaimed the week of November 12 - 18, 1978 as "Vietnam Veteran's Week."

SEYMOUR AIR FORCE BASE FLYOVER - NOVEMBER 11, 1978 - OBSERVATION OF VETERAN'S DAY

As a matter of information the City Manager said the Seymour Air Force Base has been given permission to do a flyover in observance of Veteran's Day on November 11, 1978.

After discussion, it was the consensus of Council that the City Manager would write a letter to the ABC Board stating that the Council has taken no action regarding Blackwell's Lounge and that forwarding the petition did not indicate objection by Council.

Councilman Michael said he would personally, as a Councilmember, write the ABC Board and ask for clarification of the local opposition referred to in the letter of rejection sent to Mrs. Blackwell.

RALPH BISHOP - FREEDOM OF SPEECH-LOTTERY SALES

Ralph Bishop, again spoke to Council about his freedom of speech in the Council meetings and the lottery sales in Asheville.

Adjournment.

Ralph M. Matthews — Frances L. Mecray

MAYOR — CITY CLERK

Mr. Young said a Mr. Wally Creasman was applying to the State ABC Board for a beer license at 108 N. Lexington Avenue.

Councilman Rainey said Council needs to address such problems in imposing a long-range moratorium on bars downtown in order to allow other types of businesses to locate downtown.

George Brigman, Brigman Paint Company on Lexington Avenue also opposed the establishment of another bar on Lexington Avenue. He said he would like to see the street cleaned up. He said the bars on Lexington Avenue had caused many problems in past years.

The City Manager said, after checking with the Police Department, it would take about three (3) days to receive a complete report from the Police Department on the character of the individual and the business establishment proposed for 108 N. Lexington Avenue.

The City Manager said the Inspections Division had received an application for a building permit for a bar at 108 N. Lexington Avenue at 1:30 p. m. on November 2, 1978. He said this bar would not be affected by the resolution imposing the moratorium since Council adopted the resolution, after 3:00 p. m., on November 2, 1978.

After discussion, Councilwoman Price moved that if the police record shows negative findings a letter of concern be forwarded to the State ABC Board along with the petition received from the merchants on Lexington Avenue and a copy of the resolution adopted by Council relative to a moratorium on bars in the City Limits. She further moved that if the police record shows no negative findings that the record be forwarded to the State ABC Board without a letter of concern from Council, but the petition and the resolution be included with the report. She further moved that the City Manager, after receiving the record from the Police Department, poll the Council members by telephone to determine if the evidence warrants a letter of concern from the Council and to receive concurrence in forwarding the letter of concern along with the petition. This motion was seconded by Vice-Mayor Horton.

Councilmen Michael and Morris voiced concern about Council passing such a motion and basing an opinion on an individual's police record without first reviewing the record. They also expressed concern that the individual has not had an opportunity of redress before Council passing such a motion.

Councilman Morris said it would be difficult for one individual to determine if a police record is positive or negative since more than likely any establishment that dispenses beer has had at one time or another a request for police assistance at their place of business.

On a voice vote, Councilwoman Price's motion was unanimously adopted.

CONTINUATION OF PUBLIC HEARING - REZONING PROPERTY ON CARIBOU ROAD - PROPERTY OWNED BY DR. JAMES H. MADDOX AND HANDI-SKILLS, INC.

3. A public hearing was continued relative to rezoning property on Caribou Road from R-3 Residential District to OI Office Institutional District, property owned by Dr. James H. Maddox and Handi-Skills, Inc.

Thursday - November 16, 1978 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen Gene E. Rainey, F. Jack Cole, Otis B. Michael, and Ralph D. Morris, Jr., Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman Gene E. Rainey.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the November 9, 1978 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Michael, the minutes of the November 9, 1978 meeting were approved as submitted.

DISCUSSION - BEER LICENSE FOR 108 N. LEXINGTON AVENUE

2. Vice-Mayor Horton said several weeks ago Council received a petition from businessmen on Lexington Avenue opposing the establishment of another bar on Lexington Avenue, particularly at 108 N. Lexington Avenue. He said subsequently Council passed a resolution placing a moratorium on bars in the City Limits for ninety (90) days. He said it was brought to his attention that a building permit has been issued to 108 N. Lexington Avenue for the establishment of a bar and the owner has applied to the ABC Board for a beer license. He suggested that Council send a copy of the petition opposing the bar and a copy of the resolution passed by Council relative to the moratorium. He said the ABC Board could use this information in their deliberations for the license.

Councilman Cole said he felt a report from the Police Chief on the character of the establishment would be in order.

Councilman Michael said he would like to verify that the business establishment is an undesirable business before the petition is sent to the ABC Board from Council. He said the petitioners themselves could forward the petition to the ABC Board.

Sam Young, Young's Poultry and Egg Company, said Lexington Avenue is in a "cleaning up process" and the businesses on Lexington would like to keep it clean. He opposed the opening of the bar at 108 N. Lexington Avenue. He said there is a church within 47' of the proposed business establishment.

Corporation Counsel Moore said he felt this was an ABC Board matter and not a Council matter.

Vice-Mayor Horton suggested that Council instruct the City Manager to get a statement and/or a police record report from the Police Department to send to the ABC Board along with the petition and a copy of the resolution imposing the moratorium.

Should either of the "uses permitted" alternatives be chosen the specific definition of a "certified sheltered workshop" would have to be added to the definitions specified in the ordinance.

Finally, should Council decide to allow the entity as a "Conditional Use", staff would suggest the following standards for review. These standards should be inserted in Section 30-7-1 of the Ordinance.

1. Certification by the N. C. Department of Human Resources, Division of Vocational Rehabilitation Services.

2. Site should, at a minimum, provide:

   (a) Adequate off-street parking and loading;

   (b) Adequate buffering when abutting residences;

   (c) Compliance with the City's Erosion Control Ordinance;

   (d) Non-illuminated signage not to exceed seventy-five (75) square feet and mounted on the building or on an appropriate ground sign not to exceed three (3) feet in height;

   (e) Security lighting shall be arranged so as not to be directed toward any abutting residential areas;

   (f) Provisions for proper containerization of waste generated by the workshop;

   (g) Be located on a site not less than six (6) acres; and

   (h) Such other requirements as may be reasonably specified by the Board in order to insure that the character of the neighborhood is not adversely impaired.

Procedure

If Council wishes to accept either part of Alternative #2, the procedure to accomplish that end is as follows:

1. Move that the petition to rezone be denied.

2. Move that a second ordinance be adopted which would accomplish the preferred approach outlined above.

- -

Mrs. Shriner, Director of Handi-Skills, Inc. said they had preliminary approval from SBA contingent upon Council approving the rezoning request to rezone the property Office Institutional. She said the SBA has indicated a probable approval if Council would accept Alternative #2 suggested by the Planning Director. However, she said the rezoning to Office Institutional District would be a better safeguard.

Verl Emrick, Planning Director, said this matter was previously discussed by Council on August 24, 1978 but was tabled until the legal ramifications of the zoning could be resolved. In reviewing the background of the rezoning request he said the Planning and Zoning Commission, at its July 12, 1978 meeting recommended to Council that the property be rezoned from R-3 Residential District to OI Office Institutional District. He said the Commission knew the rezoning would create a spot zone, however, the nature of Handi-Skills would make it a unique entity and would provide a public service that is not currently being provided by any other entity for the community at large. He said at the previous meeting the Corporation Counsel had voiced concern about the "spot zoning." He said Council had also expressed concern with the funding of the project by a Small Business Administration loan that was pending. He said the SMA loan application is still pending.

Mr. Emrick then read the following memorandum addressed to the City Manager which sets forth three (3) alternatives that Council could consider at this time.

MEMORANDUM

TO: Ken Michalove, City Manager

FROM: Verl R. Emrick, Jr., Planning Director

SUBJECT: Alternatives Available - Maddox Rezoning
(Handi-Skills - Caribou Road)

DATE: November 15, 1978

After numerous conversations and meetings with the parties involved and exploring the various alternatives available to Council relative to this rezoning, the following can be reported:

1. Alternative #1: Accept Planning and Zoning Commission's recommendation and rezone the property to OI Office-Institutional District.

   If this alternative is chosen Council must be satisfied that the rezoning, even though it creates a spot zone, can be justified on the following assertion:

   > The rezoning is in the public interest based upon providing a service (or a needed expansion of a service in this case) not currently available to the larger community area.

2. Alternative #2: Amend the provision specified in the R-3 Residential District in such a way as to accommodate the Handi Skills operation, certified sheltered workshop by definition in one or two ways.

   (a) Amend the "Permitted Uses" subsection to provide for "certified sheltered workshops" as an allowable use.

   or

   (b) Amend the "Conditional Uses" subsection to permit "certified sheltered workshops" as a conditional use in the district. This amendment would require that the Board of Adjustment review and approve the site prior to issuance of the appropriate permits for construction.

Upon motion of Councilman Michael, seconded by Councilman Cole, Resolution No. 78-206 was unanimously adopted.

Complete text of Resolution No. 78-206 will be found in Resolution Book No. 11 at page 30 .

MEETING OF NOVEMBER 23, 1978 CANCELLED

6. Councilman Cole moved to cancel the regular scheduled Council meeting for November 23, 1978 since it is Thanksgiving Day. This motion was seconded by Councilwoman Price and carried unanimously.

APPROVAL OF THE CONSENT AGENDA

7. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council and/or a member or the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. Consideration of a budget amendment to amend the City of Asheville General Fund Fiscal 1978-79 Operating Budget as follows:

Revenues:			
Account Code:	10-394.0470	Insurance Recovery	$2,699
Appropriation:			
Account Code:	10-40-470.0074	C. O. Equipment	$2,699

HIGHLIGHTS: To replace microwave oven in Fire Department

B. Consideration of a budget amendment to amend the City of Asheville General Fund Fiscal 1978-79 Operating Budget as follows:

Account Code:	10-599.01.0097	Contingency	($3,100)
Account Code:	10-460.35.0033	Department Supplies	$3,100

HIGHLIGHTS: To provide funding to reimburse businesses who bought Crime Prevention Signs.

C. Resolution No. 78-207 - Resolution authorizing application for State Water Bond Funds.

HIGHLIGHTS: Fiscal Year 1979 Water System Improvement Projects consist of eight (8) separate improvements to the City/County water system. These eight improvements or sub-projects call for the combined installation of the following equipment: 1) Two pumps; 2) 1,600 feet of 8-inch pipe; 3) 12,600 feet of 6-inch pipe; and one encasement and several check valves.

Resolution Book No. 11 at page 31 .

Mr. Richard Ford spoke in favor of rezoning the property Office Institutional District. He requested that Council act favorable for the Handi-Skills project. He said the project would help the community at large. He said if the property cannot be rezoned Office Institutional then he would also favor Alternative #2 as suggested by the Planning Director.

After discussion, Mayor Trantham closed the public hearing at 4:30 p. m.

Councilman Morris moved to deny the rezoning request to rezone property on Caribou Road from R-3 Residential District to OI Office Institutional District, property owned by Dr. James H. Maddox and Handi-Skills, Inc. This motion was seconded by Councilwoman Price and carried unanimously.

Councilwoman Price then moved to schedule a public hearing for December 14, 1978 to consider amending the Zoning Ordinance to include as a permitted use "certified sheltered workshops" in a R-3 Residential District as suggested in Alternative #2 by the Planning Director. This motion was seconded by Councilman Rainey, which motion carried unanimously.

Councilman Rainey suggested that Alternative #2 be amended to include a provision that building setbacks for a "certified sheltered workshop" be fifty (50) feet from the property line on all sides.

PRESENTATION OF THE 208 MANAGEMENT PLAN

4. Mr. Bill Stokes presented the 208 Water Management Plan recommendations. He said this plan would be for the entire four-county Region B area. He introduced Mr. Charles Dent, Robin Daniels, Sharon Montgomery, and Mr. Bob Purcell, who were in attendance at the meeting and who had worked in the development of the plan. He presented for Council's consideration a resolution indicating its understanding and support of the 208 Areawide Water Quality Management Plan and its willingness to proceed with implementation of the responsibilities identified in the plan.

Sharon Montgomery gave a slide presentation to the members of Council detailing the recommendations of the plan.

The City Manager said the 208 Management Plan is very much related to what the joint Water Committee is doing and they will be considering the resolution at the November 30, 1978 meeting of the Water Committee.

RESOLUTION NO. 78-206 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE CHANGE ORDER NO. 3 WITH SOUTHWORTH CONSTRUCTION COMPANY, INC. FOR THE PROJECT KNOWN AS RENOVATION OF VALLEY STREET MAINTENANCE FACILITY

5. Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville Change Order No. 3 with Southworth Construction Company, Inc. for the project known as Renovation of Valley Street Maintenance Facility.

The City Manager read the resolution. He said this would add recommended electrical changes to the contract currently in progress with Southworth Construction Company, Inc. and called Renovation of Valley Street Maintenance Facility.

Claims sent to St. Paul Fire & Marine Insurance:

Mrs. Maggie Plemmons Route 3 Leicester,North Carolina	Damage to top - City vehicle backing
Karla Kay Ashton 5 Plateau Road Asheville, North Carolina	Damage to Jeep - City vehicle backing

RESOLUTION NO. 78-209 - RESOLUTION AUTHORIZING THE MAYOR TO ACCEPT ON BEHALF OF THE CITY OF ASHEVILLE A PROPOSAL BY THE FIRM KNOWN AS SOIL AND MATERIAL ENGINEERING INCORPORATED, FROM RALEIGH, NORTH CAROLINA

Consideration was given to a resolution authorizing the Mayor to accept on behalf of the City of Asheville a proposal by the firm known as Soil and Material Engineering Incorporated, from Raleigh, North Carolina.

The City Manager read the resolution and said this would be for professional services in conducting an investigation of the seepage emerging on the down-hill slope at the Burnett Dam located in Buncombe County.

Councilman Michael said after the City has the survey done the details will be given to the State and if the City does not make the necessary adjustments the State could condemn the dam.

Upon motion of Councilwoman Price, seconded by Councilman Rainey, Resolution No. 78-209 was unanimously adopted.

Complete text of Resolution No. 78-209 will be found in Resolution Book No. 11 at page 34.

RESOLUTION NO. 78-210 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH PERRY ALEXANDER CONSTRUCTION COMPANY, FOR THE PROJECT KNOWN AS ECHO HILLS 6-INCH WATER LINE

Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Perry Alexander Construction Company, for the project known as Echo Hills 6-inch water line.

The City Manager read the resolution.

Upon motion of Councilwoman Price, seconded by Councilman Cole, Resolution No. 78-210 was unanimously adopted.

Complete text of Resolution No. 78-210 will be found in Resolution Book No. 11 at page 35.

PROCLAMATION - ACCOUNTANTS DAY - NOVEMBER 21, 1978

Mayor Trantham proclaimed November 21, 1978 as "Accountants Day."

Upon motion of Councilwoman Price, seconded by Councilman Cole, the consent agenda was unanimously approved.

RESOLUTION NO. 78-208 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH ASHEVILLE ROOFING, INC. FOR THE PROJECT ENTITLED "RE-ROOF LIBRARY AND FIRE STATION BUILDING, 970 HAYWOOD ROAD, WEST ASHEVILLE

BUDGET AMENDMENT - REVENUE SHARING TRUST FUND - FUNDING THE PROJECT TO RE-ROOF THE WEST ASHEVILLE FIRE STATION

8. The City Manager said bids were received on November 14, 1978 to re-roof the Library and Fire Station Building at 970 Haywood Road, West Asheville. He read the resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Asheville Roofing, Inc., the low bidder, for the project entitled "re-roof library and fire station building." He also presented a budget amendment to cover funding for the project.

Councilwoman Price moved to approve the budget amendment and Resolution No. 78-208. This motion was seconded by Councilman Cole and carried unanimously.

Complete text of Resolution No. 78-208 will be found in Resolution Book No. 11 at page 33.

PETITION - RESIDENTS OF HAYWOOD ROAD - RE: ASSEMBLY OF GOD CHURCH

The City Manager presented a petition received from residents of Haywood Road relative to the noise made by the Assembly of God Church. He said the City staff would investigate the complaint.

CLAIMS - HODGENS FLOOR COVERING COMPANY, ISAAC GRADMAN, MARY BARNES, MRS. MAGGIE PLEMMONS, KARLA KAY ASHTON

The City Manager presented the following claims, received from Mr. W. R. Swearngan, Facility Services Superintendent:

Following individuals have claims against City of Asheville for damage:

Hodgens Floor Covering Company 21 Broadway Asheville, North Carolina	Water damages in basement no dollar amount determined
Isaac Gradman Company P. O. Box 4174 Asheville, North Carolina	Holes in street - 151 West Haywood Street
Mary Barnes Route 3 Candler, North Carolina	Damage to pick-up truck $56.52

Thursday - November 30, 1978 - 3:00 p.m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen Gene E. Rainey, F. Jack Cole, and Otis B. Michael, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Ralph D. Morris, Jr.

INVOCATION

The invocation was given by Councilman F. Jack Cole.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the November 16, 1978 meeting.

Vice-Mayor Horton noted that he was excused from the meeting of November 16, 1978 during the discussion of rezoning property on Caribou Road.

Upon motion of Councilwoman Price, seconded by Councilman Rainey, the minutes of the November 16, 1978 meeting were approved as amended.

PUBLIC HEARING - REZONING PROPERTY ON SOUTH BEAR CREEK ROAD AND N.C. 191 CONNECTOR

ORDINANCE NO. 1084 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED

2. A public hearing was held relative to rezoning property on South Bear Creek Road and N. C. 191 Connector from R-3 Residential District to CH Commercial Highway District, property owned by Louis C. Waller, Brian Wilcox, and Howard Lewis, Trust Officer, First Citizens Banks of Charlotte, North Carolina.

Mayor Trantham opened the public hearing at 3:08 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Planning and Zoning Commission, at its November 1, 1978 meeting, reviewed the rezoning request and recommended approval by the City Council. The Commission also recommended to accept the Planning Staff's report which stated that it should be noted that while staff agrees that the property is better suited for commercial zoning there are some major problems which must be overcome before the property can be utilized in the manner intended.

First there is the problem of access to the site. At present the surrounding road system (Sand Hill Road, South Bear Creek and Shelburne Road) are narrow and winding and could not accommodate the volumes of traffic which would be generated by the proposed facility.

PROCLAMATION - BIBLE WEEK - NOVEMBER 19-26, 1978

Mayor Trantham proclaimed the week of November 19-26, 1978 as "Bible Week."

RALPH BISHOP - LOTTERY SALES

Mr. Ralph Bishop again spoke to Council about the lottery sales in Asheville.

Adjournment.

MAYOR

CITY CLERK

Mr. Julian Brookshire, S. Bear Creek Road, spoke in favor of the rezoning. He said he felt a shopping mall would be an asset to the community and would increase property values in the area.

Edmond Mathis of 18 Zephyr Drive also said he had no opposition to the mall but would like the problems to be resolved first.

M. J. Hakan, architect for the project, said the new Erosion and Soil Control law would require the developer to retain the mall's drainage water on their property. He said the law will not allow them to put more water down stream than there is already.

Seby Jones, developer of the project, said they would not develop the property without some adequate way of getting in and out of the mall. He said it would simply be bad business not to have adequate roads and a method of preventing flooding. He said they understood the problems and they would meet all regulations, local, state and federal. He said they could not move forward with the project until the property is rezoned. He said if the property is rezoned this would set the stage for the project.

Councilwoman Price said she would not like to rezone the 92 acres to Commercial then something happen to the proposed project leaving the property open for piece meal development without the problems being solved.

Mr. Emrick said should the rezoning be approved and the shopping center not be developed he would immediately ask that the rezoning be rescinding due to problems.

Mayor Trantham closed the public hearing at 4:15 p. m.

Councilwoman Price moved to postpone action on the rezoning request for three (3) weeks and that the matter be taken to the Transportation Coordinating and Transportation Advisory Committees for study and recommendation, coming up with a traffic plan around the mall with projected costs and time schedules for a new road system. This motion was seconded by Councilman Rainey. On a voice vote, the motion failed on a vote of 3-2, with Councilwoman Price and Councilman Rainey voting "aye" and Vice-Mayor Horton, Councilman Michael, and Councilman Cole voting "no."

Councilman Cole said the proposed mall was a real opportunity for expansion and development of the area.

Councilman Michael said he felt the developers needed a "vote of confidence" and suggested that Council approve the rezoning on first reading but withhold final approval until a report is made by the transportation committee in three weeks.

Verl Emrick read the ordinance rezoning the property as petitioned.

Councilman Cole moved for the adoption of Ordinance No. 1084. Councilman Michael seconded the motion requesting that Councilman Cole include in his motion that third and final reading of the ordinance be withheld until a report is received from the transportation committees on the traffic problems. Councilman Cole accepted Councilman Michael's condition to the motion.

The second problem and perhaps most significant, portions of the property are subject to flooding by Hominy Creek. However, even though the flood maps available identify the area as floodable the City has no flood control measures (other than to deny the zoning) which can be enforced or which could offer specific standards for floodproofing, etc.

Mr. Emrick noted that the developers are presently working on solving these two problems. However, the Department of Transportation has indicated that they would be more willing to work on the access problem if the property was rezoned allowing the proposed facility. He said the developers had acquired the services of a consulting engineer to help with the access problem but they do not have enough information from the consultant to comment on the access feasibilities.

Mr. Emrick said the proposed facility would consist of a mall containing some one million square feet of retail space.

By the use of a map, Mr. Emrick reviewed the location of the property and the TVA flood maps showing the area as floodable.

He also reviewed various traffic counts of the area showing high volumes of traffic on residential streets surrounding the proposed facility. He said if the property is rezoned and the facility developed Council would be required to approve the final group development plan at which time the existing problems would have to be resolved. He said even though the property is rezoned the County could not issue a building permit for the facility until City Council approves the final group development plan.

Richard Wood, attorney representing the developers, reviewed the proposed use of the property as being a large shopping mall. He said there is a need for another shopping mall in the Asheville area and said the Interstate 26 and 40 Interchange is an ideal location. He said the traffic and flooding problems will be resolved by the time the Council considers the development plan, which will be several months away. He said the property needs to be rezoned and cited the close proximity to the existing city limits as a valid reason for Council to rezone the property. He said to his knowledge this is the only tract of land large enough for the facility, in the I-26-I-40 interchange area, whereby the City Council would have any control over this type of facility. He said there were a number of residents at the Planning and Zoning Commission hearing, however no one opposed a shopping mall in the area. He said their only concerns were that of traffic and flooding.

Mr. Ted Snipes, of 123 Shelburne Road said he had no opposition to the shopping mall but he would like for the flooding problem to be solved before the development plan is approved.

Mr. Joe Hutchison of South Bear Creek Road said he had no opposition to the shopping mall if the flooding is corrected. He said the TVA officials had said the straightening and widening of Hominy Creek would correct the flooding problem.

Mr. Joe Hoffman, of 30 Zephyr Drive also said he had no opposition to the shopping mall except to have a guarantee that the traffic problem would be taken care of in the residential areas.

RESOLUTION NO. 78-212 - RESOLUTION EXPRESSING THE DESIRE FOR THE ASHEVILLE CITY COUNCIL TO PROVIDE ADDITIONAL FRINGE BENEFITS TO CITY EMPLOYEES WHO PARTICIPATE IN THE NORTH CAROLINA LOCAL GOVERNMENT EMPLOYEES RETIREMENT SYSTEM

5. Consideration was given to a resolution expressing the desire for the Asheville City Council to provide additional fringe benefits to City employees who participate in the North Carolina Local Government Employees Retirement System.

Mr. Mike Smith, Central Services Director, read the resolution.

Upon motion of Councilman Rainey, seconded by Councilwoman Price, Resolution No. 78-212 was unanimously adopted.

Complete text of Resolution No. 78-212 will be found in Resolution Book No. 11 at page 38.

RESOLUTION NO. 78-213 - RESOLUTION ENLISTING IN THE NORTH CAROLINA LOCAL GOVERNMENT EMPLOYEES RETIREMENT SYSTEM (Asheville Firemen's Pension and Disability Fund)

6. Consideration was given to a resolution enlisting in the North Carolina Local Government Employees Retirement System for the Asheville Firemen's Pension and Disability Fund.

Mr. Mike Smith, Central Services Director, read the resolution.

Upon motion of Councilman Michael, seconded by Vice-Mayor Horton, Resolution No. 78-213 was unanimously adopted.

Complete text of Resolution No. 78-213 will be found in Resolution Book No. 11 at page 40.

RESOLUTION NO. 78-214 - RESOLUTION ENLISTING IN THE NORTH CAROLINA LOCAL GOVERNMENT EMPLOYEES RETIREMENT SYSTEM (Asheville Uniformed Policemen's Retirement Plan and Trust)

7. Consideration was given to a resolution enlisting in the North Carolina Local Government Employees Retirement System for the Asheville Uniformed Policemen's Retirement Plan and Trust.

Mr. Mike Smith, Central Services Director, read the resolution.

Upon motion of Councilman Michael, seconded by Vice-Mayor Horton, Resolution No. 78-214 was unanimously adopted.

Complete text of Resolution No. 78-214 will be found in Resolution Book No. 11 at page 41.

Councilman Rainey said he felt there were too many unknowns in the project which should be removed before Council approves the rezoning.

On a roll call vote of 4-2, Ordinance No. 1084 passed on first reading with Mayor Trantham, Vice-Mayor Horton, Councilman Cole, and Councilman Michael voting "aye" and Councilwoman Price and Councilman Rainey voting "no."

ORDINANCE NO. _____ - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

3. Consideration was given to an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended relative to amending the Sign Regulations Section.

Verl Emrick, Planning Director, said the proposed ordinance had been discussed by Council on several occasions in the past two or three weeks. He read the revised ordinance which incorporated amendments recommended thus far; including amendments discussed during Council's work session on November 14, 1978.

Mike Summey, Summey Outdoor Advertising Company, requested for the benefit of taxpayers, an accounting of time and money spent on the regulation of signs in the past five (5) years and what has been accomplished by such regulations. He said there had been no significant changes made in that time period. He said the sign ordinance is so complex that one word could change the whole context of the ordinance.

After discussion, Councilman Michael moved to table the ordinance until Council had an opportunity to have another work session on the details of the ordinance. This motion was seconded by Councilman Cole, which motion carried on a voice vote of 4-2, with Mayor Trantham, Vice-Mayor Horton, Councilman Michael and Councilman Cole voting "aye" and Councilwoman Price and Councilman Rainey voting "no."

RESOLUTION NO. 78-211 - RESOLUTION FOR THE CONTINUATION OF GROUP HEALTH AND HOSPITALIZATION INSURANCE FOR CITY EMPLOYEES WHO HAVE RETIRED PRIOR TO AGE 65 OR ELIGIBILITY FOR MEDICARE BENEFITS

4. Consideration was given to a resolution for the continuation of group health and hospitalization insurance for city employees who have retired prior to age 65 or eligibility for Medicare benefits.

The City Manager read the resolution.

Upon motion of Councilwoman Price, seconded by Councilman Michael, Resolution No. 78-211 was unanimously adopted.

Complete text of Resolution No. 78-211 will be found in Resolution Book No. 11 at page 36.

B. **Resolution No. 78-217 - Resolution indicating the City of Asheville's interest and support of the 208 Areawide Water Quality Management Plan and its willingness to proceed with implementation of responsibilities identified in the plan.**

Resolution Book No. 11 Page 44.

C. Motion authorizing the City Manager to sign a contract with WNC Parking Lot Services, Inc for various services in the City of Asheville Civic Center Parking Garage relating to cleaning.

HIGHLIGHTS: This contract is an extension of an existing contract.

D. Motion scheduling a public hearing relative to rezoning property on Rock Hill Road/Stockwoods Area Residents from R-2, R-3, and CS to R-1 Single Family Residential for January 4, 1979.

E. Resolution No. 78-218 - Resolution authorizing the Mayor to enter enter into a memorandum of understanding with the Department of Housing and Urban Development for the New Horizons Program.

HIGHLIGHTS: A locally oriented voluntary compliance program for fair housing.

Resolution Book No. 11 Page 46.

F. Resolution No. 78-219 - Resolution authorizing Mayor to submit an amendment to Open Space Application OS1014NC to the Department of Housing and Urban Development.

HIGHLIGHTS: HUD has requested that an amendment be filed to the Open Space application if all phases of the projects are not to be completed. Due to rising costs changes have been made in the Park Improvement Program which necessitates an amendment. The total amount of the grant will not change, however individual amounts appropriated for parks will be amended.

Resolution Book No. 11 Page 47

Upon motion of Councilwoman Price, seconded by Councilman Cole, the consent agenda was unanimously approved.

BIDS - AVONDALE ROAD 6-INCH WATER LINE - PERRY ALEXANDER CONSTRUCTION CO.

RESOLUTION NO. 78-220 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH PERRY ALEXANDER CONSTRUCTION COMPANY FOR THE PROJECT KNOWN AS AVONDALE ROAD

11. The City Manager presented bids received on November 16, 1978 for the Avondale Road 6-inch water line. It has been recommended that Council accept the low bidder, Perry Alexander Construction Company, in the total amount of $32,272.20.

RESOLUTION NO. 78-215 - RESOLUTION ENLISTING IN THE NORTH CAROLINA LOCAL GOVERNMENT EMPLOYEES RETIREMENT SYSTEM (Asheville Uniformed Firemen's Retirement Plan and Trust)

8. Consideration was given to a resolution enlisting in the North Carolina Local Government Employees Retirement System for the Asheville Uniformed Firemen's Retirement Plan and Trust.

Mr. Mike Smith, Central Services Director, read the resolution.

Upon motion of Councilman Michael, seconded by Vice-Mayor Horton, Resolution No. 78-215 was unanimously adopted.

Complete text of Resolution No. 78-215 will be found in Resolution Book No. 11 at page 42.

APPROVAL OF SIGN PERMIT - TELCO CREDIT UNION - 7 ORCHARD STREET

9. Mr. J. E. Johnson submitted a sign permit application received from Telco Credit Union at 7 Orchard Street for a wall identification sign. He said this application would require the approval of City Council pursuant to the Zoning Ordinance in that the sign will be within 600' of a limited access highway.

Councilwoman Price moved for the approval of the sign permit application submitted by Telco Credit Union at 7 Orchard Street. This motion was seconded by Councilman Michael and carried unanimously.

APPROVAL OF CONSENT AGENDA

10. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. Resolution No. 78-216 - Resolution authorizing the Mayor to sign a contract with Moore-Woodard Associates for Bus Shelter Design.

HIGHLIGHTS: This resolution would authorize the Mayor to sign a contract, on behalf of the City of Asheville, with Moore-Woodard Associates for design of the bus shelter complex at Pritchard Park.

SUMMARY OF GUIDELINES FOR MIXED BEVERAGE PERMITS - MR. KEN ANDERSON

Mr. Ken Anderson said he felt that several members of Council have been confused as to the definition of a "social establishment" as defined in the guidelines for Mixed Beverage Permits. He presented each member of Council a summary of the guidelines, particularly referring to a "social establishment."

RALPH BISHOP - LOTTERY SALES

Mr. Ralph Bishop again spoke to Council relative to lottery sales, referring to several people who had opened a new business in Asheville.

Adjournment.

MAYOR

CITY CLERK

Councilman Michael moved to accept the recommendation and award the bid for the Avondale Road 6-inch water line to the low bidder, Perry Alexander Construction Company in the amount of $32,272.20. This motion was seconded by Councilman Cole and carried unanimously.

The City Manager then read the resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Perry Alexander Construction Company for the project known as Avondale Road.

Upon motion of Councilman Michael, seconded by Councilwoman Price, Resolution No. 78-220 was unanimously adopted.

Complete text of Resolution No. 78-220 will be found in Resolution Book No. 11 at page 48.

BIDS - JOHNSON SCHOOL ROAD 6-INCH WATER LINE

RESOLUTION NO. 78-221 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH TAYLOR AND MURPHY CONSTRUCTION COMPANY, INC., FOR THE PROJECT KNOWN AS JOHNSON SCHOOL ROAD 6-INCH WATER LINE

12. The City Manager presented bids received on November 9, 1978 for the Johnson School Road 6-inch water line. It has been recommended that Council accept the low bidder, Taylor and Murphy Construction Company, in the amount of $22,866.70.

Councilman Michael moved to accept the recommendation and award the bid for the Johnson School Road 6-inch water line to the low bidder, Taylor and Murphy Construction Company, in the amount of $22,866.70. This motion was seconded by Councilman Rainey and carried unanimously.

The City Manager then read the resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Taylor and Murphy Construction Company, Inc., for the project known as Johnson School Road 6-inch water line.

Upon motion of Councilman Michael, seconded by Vice-Mayor Horton, Resolution No. 78-221 was unanimously adopted.

Complete text of Resolution No. 78-221 will be found in Resolution Book No. 11 at page 49.

CLAIM - BANK OF ASHEVILLE - COMMERCE STREET PROPERTY

13. The City Manager presented a claim received from the Bank of Asheville for damages to a building on Commerce Street.

Mayor Trantham referred the claim to the Corporation Counsel for investigation and recommendation.

voting "aye" and Councilmen Cole, Michael, Morris, and Mayor Trantham voting "no."

Councilmen Morris and Michael agreed that Council should address the zoning only rather than getting involved with State Department's responsibilities. Councilman Michael said Council should not take any action that would hold up progress.

On a roll call vote of 5-2, Ordinance No. 1084 passed on second reading with Councilwoman Price and Councilman Rainey voting "no."

Vice-Mayor Horton then moved to table the third reading of Ordinance No. 1084 until such time as Council passes as successful motion to bring it back to Council for consideration of the third reading. This motion was seconded by Councilwoman Price and carried unanimously.

ORDINANCE NO. 1085- AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Relative to Sign Regulation Section)

3. Consideration was given to an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended relative to Sign Regulation Section.

Verl Emrick read the following memorandum which included all amendments to be made to the Sign Ordinance, including suggestions as of December 5, 1978:

MEMORANDUM

TO: Ken Michalove, City Manager

FROM: Verl R. Emrick, Planning Director

SUBJECT: Proposed Amendment to Sign Ordinance as suggested December 5, 1978

DATE: December 6, 1978

PART A.

Last Thursday I presented a revised ordinance which detailed several changes suggested in Council's work session of November 14, 1978. These changes are attached to this memo as Amendment # 1.

Now, as I understand it the wording in the following sections of the revised ordinance (Attachment # 1) have been agreed upon and no further changes are necessary;

Section 1. Contractor's License;
Section 2. Required Setbacks, Free Standing Signs;
Section 3. Deleting "Home Occupation" requirements from the table of size specifications; and
Section 4. Part 3, spacing requirements and Part 4, use of mobile signs as off premise advertising signs.

Thursday - December 7, 1978 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding, Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen Gene E. Rainey, F. Jack Cole, Ralph D. Morris, Jr, and Otis B. Michael, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilwoman Norma T. Price.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the November 30, 1978 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the minutes of the November 30, 1978 meeting were approved as submitted.

ORDINANCE NO. 1084 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Rezoning property on South Bear Creek Road and N. C. 191 Connector)

2. Consideration was given to the second reading of Ordinance No. 1084, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended, rezoning property on South Bear Creek Road and N. C. 191 Connector from R-3 Residential District to CH Commercial Highway District.

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific reason to do so.

Richard Wood, attorney representing the developer, said since the first reading of the ordinance a meeting has been scheduled by the Transportation Advisory Committee for December 21, 1978 to study the traffic problem to be created by the proposed facility. He said the staff of the Department of Transportation is also making a computer study of the traffic impact of the area. He said Wilbur Smith and Associates, consultant for the developer, is also working with the staff of the Department of Transportation on several approaches for access in and out of the proposed shopping mall. He said it was his hope that a report on the traffic problem could be made in time for Council to consider the third reading of the ordinance on December 21, 1978.

Councilman Rainey said he had an inquiry from Marjorie Lockwood requesting that an evaluation of the site be made relative to pollution and erosion. He then moved that before the third reading of the ordinance, that the developers obtain a report from Roy Davis, State Water Quality Coordinator and from the Soil Conservation Services to determine the pollution and erosion that will be created by the construction of the proposed shopping mall. This motion was seconded by Councilwoman Price. On a roll call vote of 4-3, Councilman Rainey's motion was defeated with Councilman Rainey, Councilwoman Price, and Vice-Mayor Horton

3. Make no change in existing wording:

(a) Off-premise advertising signs greater than three hundred (300) square feet per face shall be allowed only in Commercial Highway Zoning Districts or on major thoroughfares where the legal speed limit is 55 miles per hour.

(b) Those off-premise advertising signs three hundred (300) square feet and less per face shall be allowed in all other Commercial and Industrial Zones.

II. Maximum Sign Area:

Again there are three alternatives available.

1. Recommendation from Planning & Zoning:

(a) The maximum area for any one off-premise advertising sign shall be seven hundred (700) square feet per face in Commercial Highway Zones, exclusive of any border, trim, base, apron, or other structural members. Those off-premise advertising signs located in all other Commercial and Industrial Zones shall not exceed three hundred (300) square feet in area per face.

(b) The maximum area allowed on a single sign structure listed in Section 30-9-3 (D) (1a) shall not exceed 1,400 square feet on two (2) separate display faces or 1,200 square feet on four (4) separate display faces provided the spacing requirements [Sec. 30-9-3 (d) (3)] of this Ordinance can be met.

(c) The maximum area allowed on a single sign structure in all other Commercial and Industrial Zones shall not exceed 1,200 square feet or four (4) separate display faces provided the spacing requirements [Sec. 30-9-3 (D) (3)] of this Ordinance can be met.

2. Recommendation by Dr. Rainey (embodies all changes necessary to accomplish deletion of the 672 sq. ft. board):

(1) Location of Signs.

Off-premise advertising signs of three hundred (300) square feet per display face and those less than three hundred (300) square feet per display face may be located in all commercial and industrial zones except in the Office-Institutional District.

The areas in which there is still disagreement are contained in Section 4, Part 1, areas where 672 sq. ft. signs may be located; Part 2, maximum amount of display area allowed on a single sign structure and the maximum size of a single sign (i.e. 672 sq. ft. or 300 sq. ft.).

PART B.

This part will detail several alternatives discussed by Council, et al in its work session on December 5, 1978.

I. Location of Signs:

The three alternatives available are;

1. Recommendation of Planning & Zoning:

(a) Off-premise advertising signs greater than three hundred (300) square feet per display face shall be allowed only in the Commercial Highway and Commercial Service zones along the following thorough-fares: (1) U.S. 70 - Tunnel Road; (2) U. S. 74 (South Tunnel Road) from U.S. 70 to N.C. 81; (3) U.S. 25 - Hendersonville Highway from I-40 to Gerber Road.(S. B. 3195); (4) U.S. 19-23 Patton Avenue from Smoky Park Bridge to I-40 interchange; and (5) N.C. 191 Connector from I-40 - I26 interchange to Patton Avenue.

(b) Those off-premise advertising signs three hundred (300) square feet and less per face shall be allowed in all other Commercial and Industrial Zones.

NOTE: This is contained in the revised ordinance as Attachment # 1 to this memo.

2. Recommendation by Naegele Outdoor Advertising:

All Ourdoor Adversiting Signs must conform to the regulations contained in this Article. Such conforming signs shall be allowed in the following districts:

(1) All industrial districts, and

(2) All commercial districts, except the district designated as Commercial Regional District.

"(b) The maximum display area allowed on a single sign structure shall not exceed 1400 square feet providing the spacing requirements of this ordinance can be met."

"(c) No off premises advertising sign structure shall have more than two display faces per side or four total display faces. Those structures having display faces greater than 300 square feet may have only one display face of this size per side."

"(d) All measurements above shall be made exclusive of any border, trim, base, apron or other structural member."

Vice-Mayor Horton moved that Council accept the language recommended by Mike Summey for Subsection 4(2) Maximum Sign Area. This motion was seconded by Councilman Cole.

Councilman Michael suggested that Council limit the number of large signs that will be permitted in the City Limits. However, Mr. Emrick said Council would have major legal problems with such limitations.

Councilman Rainey then offered a substitute motion that Council accept the following language for Subsection 4(2) Maximum Sign Area. "(2) Maximum Sign Area. (a) The maximum area for any off-premise advertising sign shall be three hundred (300) square feet per display face, exclusive of any border, trim, base, apron, or other structural members; (b) The maximum area allowed on a single sign structure in the commercial and industrial zones shall not exceed six hundred (600) square feet or four (4) separate display faces, provided the spacing requirements of this Ordinance can be met." This motion was seconded by Councilwoman Price.

Vice-Mayor Horton objected to the "substitute motion" saying that he did not think this is correct procedure under Roberts Rules of Order. However, Corporation Counsel Moore said a substitute motion would be in order.

Mayor Trantham then called for a roll call vote of Councilman Rainey's substitute motion. On a roll call vote of 4-2, Councilman Rainey's motion was defeated with Mayor Trantham, Vice-Mayor Horton, Councilmen Cole and Morris voting "no" and Councilwoman Price, Councilmen Rainey and Michael voting "aye."

Vice-Mayor Horton amended his motion to substitute 672 square feet in lieu of 700 square feet and 1344 square feet in lieu of 1400 square feet. This amendment was accepted by Councilman Cole.

Mayor Trantham then called for a roll call vote on Vice-Mayor Horton's motion. On a roll call vote of 5-2, Vice-Mayor Horton's motion passed with Mayor Trantham, Vice-Mayor Horton, Councilwoman Price, Councilmen Cole and Morris voting "aye" and Councilmen Rainey and Michael voting "no."

(2) - Maximum Sign Area.

(a) The maximum area for any off-premise advertising sign shall be three hundred (300) square feet per display face, exclusive of any border, trim, base, apron, or other structural members.

(b) The maximum area allowed on a single sign structure in the commercial and industrial zones shall not exceed six hundred (600) square feet or four (4) separate display faces, provided the spacing requirements [Sec. 30-9-3 (d) (3)] of this Ordinance can be met.

3. Council's discussion on December 5, 1978:

The maximum display area allowed on a single sign structure in those areas specified in subsection 1(a) above shall be as follows:

(1) The maximum total area shall not exceed 1,344 square feet for any single structure.

(2) Said area may be displayed as:

(a) a total of 672 sq. ft. displayed on no more than 2 display faces, provided that no more than 1 display face can be seen from anyone direction.

(b) a total of 1,200 sq. ft. displayed on 4 separate display faces provided that no more than 2 display faces can be viewed in any one direction.

I believe that this covers all items discussed yesterday.

If you have any questions please advise.

VRE/bw

Planning Director

Councilwoman Price moved that Council accept Section 1, subsections 1, 2, 3, 4(3), 4(4) of the proposed ordinance. This motion was seconded by Councilman Rainey and carried unanimously.

Council then discussed Section 1, Subsection 4(2), Maximum Sign Area of the proposed ordinance, at which time Mike Summey, Summey Outdoor Advertising Company suggested the following language for Section 30-0-3 (D) (B) Maximum Sign Area:"(a) The maximum area for any one off premises advertising sign shall be 700 square feet per display face."

PUBLIC HEARING - REZONING PROPERTY ON OTEEN PARK PLACE - G. N. KOON

ORDINANCE NO. 1086 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE"AS AMENDED

5. A public hearing was held relative to rezoning property on Oteen Park Place from R-3 Residential District to CH Commercial Highway District, property owned by Mr. G. N. Koon.

Mayor Trantham opened the public hearing at 5:03 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Planning and Zoning Commission, at its November 1, 1978 meeting, voted to recommend approval of the rezoning request for the following reasons:

1) The property is contiguous with existing Commercial Highway zoning on the north and east;

2) The small size of the lot prohibits its use for residential development;

3) This extension of the Commercial Highway boundary would not substantially increase the impact of commercial activities over what presently exists; and

4) The owner/developer is required by Ordinance to adequately buffer the site for the protection of adjoining residential areas.

Mr. Emrick said the area requested to be rezoned is a 25' lot that adjoins Commercial property, next to a regional shopping center.

Mr. G. N. Koon, President of Sea Nic Enterprises, requested Council's approval of the rezoning request.

Mayor Trantham closed the public hearing at 5:08 p. m.

Verl Emrick, Planning Director, read the ordinance rezoning the property as petitioned.

Councilman Michael moved for the adoption of Ordinance No. 1086. This motion was seconded by Councilman Cole.

On a roll call vote of 7-0, Ordinance No. 1086 passed on first reading.

Councilwoman Price then moved that Council accept the recommendation of the Planning and Zoning Commission for the language for Subsection 4(1), Location of Signs for the proposed ordinance. This motion was seconded by Councilman Rainey, which motion carried on a voice vote of 6-1, with Councilman Michael voting "no."

Verl Emrick, Planning Director, read the proposed ordinance as amended by Council.

Councilwoman Price moved for the adoption of Ordinance No. 1085 as read by the Planning Director. This motion was seconded by Vice-Mayor Horton.

On a roll call vote of 6-1, Ordinance No. 1085 passed on first reading with Councilman Michael voting "no."

Councilwoman Price then moved to place a moratorium on the issuance of sign permits for signs greater than 300 square feet until such time as Ordinance No. 1085 becomes effective. This motion was seconded by Councilman Morris and carried unanimously.

PUBLIC HEARING - CLOSING OF PORTIONS OF SCOTT STREET AND SOUTH FRENCH BROAD AVENUE AND ALL OF SEVEN (7) UN-NAMED ALLEYS

RESOLUTION NO. _____ - RESOLUTION CLOSING PORTIONS OF SCOTT STREET AND SOUTH FRENCH BROAD AVENUE AND ALL OF SEVEN (7) UN-NAMED ALLEYS

4. A public hearing was held relative to the closing of Scott Street and South French Broad Avenue and all of seven (7) un-named alleys.

Mayor Trantham opened the public hearing at 4:38 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication. He also presented an affidavit from Charles A. Vess, Jr., of the Asheville Housing Authority, stating that he had posted copies of the notice to close said streets and alleys in two (2) places along that portion of streets and alleys proposed to be closed.

Ed Vess, of the Asheville Housing Authority, by the use of a map, reviewed the location of the streets and alleys proposed to be closed. He said he had received three (3) objections to the closing of Scott Street.

Councilman Michael said he did not feel that the closing of Scott Street would help the traffic flow in the area as indicated by Mr. Vess. He said he had talked with the residents and they expressed that they wished to have Scott Street remain open. He said Scott Street could be used as a service or supplementary road.

Willie Moultry of 36 Walton Street opposed the closing of Scott Street. She suggested that Council visit the area before taking action to close the street.

Mayor Trantham closed the public hearing at 5:00 p. m.

Councilwoman Price moved to table the resolution and refer the matter to the Community Development/Housing Authority Liaision Committee. This motion was seconded by Councilman Michael and carried unanimously.

C. Bids received December 1, 1978 for six (6) salt/sand spreaders, self contained, Hopper type for Snow and Ice Control for the Street Division.

HIGHLIGHTS: Four (4) bids were received.

Recommendation of acceptance of lowest bid submitted by North Carolina Equipment Company in the amount of $20,824.00

Funding: Revenue Sharing Trust Fund
Street Division Capital Outlay Equipment
Account Code 50-15-427.0074, sufficient funds available for above expenditure.

Resolution No. 78-223

D. Resolution authorizing the Mayor to execute a right of way encroachment agreement with the North Carolina Department of Transportation for 6-inch and 2-inch water lines in the Fox Run Subdivision in Buncombe County, North Carolina.

HIGHLIGHTS: Residents in the Fox Run subdivision have petitioned the State to take over their roads. The State has agreed to do this and they are requesting right-of-way encroachments from all the utility owners serving Fox Run.

Resolution Book No. 11 Page 51

E. Motion scheduling a public hearing relative to amending the Zoning Ordinance to include Parks and Playgrounds in the R-1, R-2, and R-4 Districts and to include Public Facilities in the OI Office Institutional District for January 4, 1979.

Upon motion of Councilwoman Price, seconded by Vice-Mayor Horton, the consent agenda was unanimously approved.

LETTERS PRESENTED TO COUNCIL BY COUNCILMAN RAINEY - RE: CONFLICT OF INTEREST BY CITY EMPLOYEE

7. Councilman Rainey presented Council with copies of letters written in March 1978 between the then city building inspector Gary Lance and the State Attorney General's office. Mr. Lance had written to ask whether there was a conflict of interest in the activities of a city-paid soil erosion employee who is also an advertising architect. The Attorney General's office had responded that there may be and suggested that the City Attorney be consulted about the possible conflict. Councilman Rainey asked the City Manager to determine if there is a conflict of interest in the fact that a city-paid soil erosion control officer is also an architect. He said if there is a conflict of interest, the employee should be dismissed or stop practicing architecture.

APPROVAL OF CONSENT AGENDA

6. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

Resolution No. 78-222

A. Resolution authorizing the City Manager to enter into agreements with a psychological testing consultant and the Blue Ridge Community Mental Health Center to establish a system of psychological screening as a part of the employment procedure for police patrolman.

HIGHLIGHTS: This resolution would authorize the renewal of an existing agreement.

Resolution Book No. 11 Page 50

B. Approval of bids received December 4, 1978 for two (2) cars, five (5) pick-up trucks, and one (1) four-wheel drive utility type truck for various departments of the City.

HIGHLIGHTS: Three (3) bids were received

Recommendation of acceptance of low bidder on a per item basis:

Apple Tree Chevrolet, Inc.

Item 1 - Two (2) cars -	$10,107.82
Item 3 - One (1) truck -	4,915.87
Item 4 - One (1) truck -	5,393.10
Item 5 - One (1) truck -	5,093.10
Item 6 - One (1) truck -	6,666.33

Matthews Motors, Inc.

Item 2 - Two (2) trucks -	8,889.62

Sufficient funds are available for above expenditures.

Sharon H. Vonsaggon 1221 Watson Avenue Winston-Salem, N. C.	Damage to automobile - (City Vehicle not at fault)
Thomas Lawrence Belcher 115 South Beaumont Street Asheville, N. C.	Struck by City Vehicle
John G. Kleibor 59 Howard Street Asheville, N. C.	Damage to automobile - City Vehicle backing
Roy Brown 301 Haywood Street Asheville, N. C.	Damage to automobile
Judy Diane Jamerson 12 Oakmont Terrace Asheville, N. C.	Damage to automobile
Paul Pless, Jr. 114 Arco Road Asheville, N. C.	Damage to sign - Dreamland Convenient Store
Tina Marie Matayabas 109 East Chestnut Asheville, N. C.	Damage to automobile

Following individual has a claim against City of Asheville for damage:

Mrs. Emmie Parramdre 65 Furman Avenue Asheville, N. C.	Damage to rock wall - Sanitation Truck (wall being repaired)

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

AUDITS - ASHEVILLE FIREMEN'S PENSION AND DISABILITY FUND
ASHEVILLE POLICEMEN'S PENSION AND DISABILITY FUND
ASHEVILLE UNIFORMED POLICEMEN'S RETIREMENT PLAN AND TRUST
ASHEVILLE UNIFORMED FIREMEN'S RETIREMENT PLAN AND TRUST
GENERAL EMPLOYEES' RETIREMENT PLAN AND TRUST

The City Manager presented audits for the year ending June 30, 1978 for the following: Asheville Firemen's Pension and Disability Fund
Asheville Policemen's Pension and Disability Fund
Asheville Uniformed Policemen's Retirement Plan and Trust
Asheville Uniformed Firemen's Retirement Plan and Trust
General Employees' Retirement Plan and Trust

Councilman Morris said he resented such matters being brought before Council because matters of this nature are suppose to be handled administratively through an established procedure.

Councilman Rainey responded that he had tried to handle other matters by the established procedure but failed and felt the open Council meeting would be the best place to bring such matters. He said he would prefer situations that are improper and corrupt in government to be brought openly and responded to openly.

ASHEVILLE REVITALIZATION COMMISSION - OPENING FOR AN ARCHITECT

Councilman Michael said it was his understanding that there is an opening in the Revitalization Commission office for an architect. He said an assessment of the Commission is needed in order to determine the need for such an opening.

CLAIMS

Following individuals have claims against City of Asheville for damage:

Mrs. W. H. Evans 12 Belleair Road Asheville, N. C.	Sewer backup. Settled claim for $37.00
Mrs. Julia Whitaker 46 Grindstaff Drive Asheville, N. C.	Hitting hole in street. Settled claim for $12.50

Claim sent to Puritan Insurance Company:

Ms. Helen B. Mason 45 East 9th Street New York, New York	Sprained ankle-Airport

Claims sent to St. Paul Fire & Marine Insurance:

Sam Carl Pegg Route 4, 74 Pegg Road Weaverville, N. C.	Damage to Truck - City Vehicle backing
Berry Mikael Olson 244 Forest Hill Drive Asheville, N. C.	Damage to automobile - City Vehicle backing
Vicente G. O. Canlas 277 Kimberly Avenue Asheville, N. C.	Damage to automobile - City Vehicle ran into rear
Lon Wyatt McAnally 61 North Liberty Street Asheville, N. C.	Damage to automobile

Thursday - December 14, 1978 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen Gene E. Rainey, F. Jack Cole, and Otis B. Michael, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Ralph D. Morris, Jr.

INVOCATION

The invocation was given by Mayor Roy M. Trantham.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the December 7, 1978 meeting.

Upon motion of Councilwoman Price, seconded by Vice-Mayor Horton, the minutes of the December 7, 1978 meeting were approved as submitted.

ORDINANCE NO. 1085 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Relative to Sign Regulation Section)

2. Consideration was given to the second reading of Ordinance No. 1085, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended relative to sign regulation section.

Verl Emrick, Planning Director, requested that in the essence of time due to the placement of a moratorium on sign permits, Council proceed with the second and third reading of Ordinance No. 1085.

Don Dawson, representing Neagle Outdoor Advertising Company, requested that Council postpone the third reading of the ordinance.

The City Manager said he had also received a telephone call from Mike Summey requesting that Council postpone the third reading of the ordinance.

On a roll call vote of 6-0, Ordinance No. 1085 passed on second reading.

Councilwoman Price moved that a moratorium be placed on the issuance of all sign permits effected by Ordinance No. 1085 until the ordinance becomes effective. This motion was seconded by Councilman Rainey and carried unanimously.

RESOLUTION NO. 78-224 - RESOLUTION ADOPTING THE ASHEVILLE REVITALIZATION PLAN DEVELOPED BY THE ASHEVILLE REVITALIZATION COMMISSION

3. Consideration was given to a resolution adopting the Asheville Revitalization Plan developed by the Asheville Revitalization Commission.

The City Manager read the resolution.

HERMAN MEDLER - REZONING PROPERTY FOR SHOPPING MALL ON SOUTH BEAR CREEK ROAD

Mr. Herman Medler of West Asheville spoke in opposition to the rezoning of property on South Bear Creek Road for a shopping mall. He said residential zoning would be more logical and the shopping mall would decrease property values.

RALPH BISHOP - FREEDOM OF SPEECH AND LOTTERY SALES

Mr. Ralph Bishop spoke to Council relative to his right to speak at a Council meeting and about the wide-open lottery sales in Asheville.

Adjournment.

MAYOR

CITY CLERK

Mayor Trantham opened the public hearing at 3:28 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said this particular change to include "certified sheltered workshops" in the R-3 Medium Density Residential District would be a compromise or a solution to the request of Handi-Skills, Inc. for permission to build a workshop on Sweeten Creek Road. He said "certified sheltered workshops" permitted use would carry with it a number of conditions as previously discussed by Council.

Mayor Trantham closed the public hearing at 3:30 p. m.

Verl Emrick read the ordinance.

Councilman Rainey moved for the adoption of Ordinance No. 1087. This motion was seconded by Councilwoman Price.

On a roll call vote of 6-0, Ordinance No. 1087 passed on first reading.

Councilwoman Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1087. This motion was seconded by Councilman Rainey and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1087 passed on second reading.

APPROVAL OF CONSENT AGENDA

7. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. Resolution No. 78-226 - Resolution authorizing the City Manager to enter into an agreement with the Buncombe County Rescue Squad.

HIGHLIGHTS: The City of Asheville, having no organized rescue squad, hereby designates the Buncombe County Rescue Squad as a provider of emergency and routine rescue operations which cannot be carried out effectively by the resources of the City of Asheville Fire Department and Police Department.

Resolution Book No. 11 Page 54

B. Scheduling of a public hearing relative to the submission of an Operating Assistance Grant Application for January 25, 1979.

Upon motion of Councilman Cole, seconded by Councilwoman Price, the consent agenda was unanimously approved.

Vice-Mayor Horton moved for the adoption of Resolution No. 78-224, striking the words "so that Asheville may reestablish its image of a Livable City" from the last paragraph of the resolution. This motion was seconded by Councilwoman Price and carried unanimously.

Complete text of Resolution No. 78-224 will be found in Resolution Book No. 11 at page 52.

RESOLUTION NO. 78-225 - RESOLUTION CHANGING THE RATES FOR ANNUAL PLAYING PERMITS AT MUNICIPAL GOLF COURSE

4. Consideration was given to a resolution changing the rates for annual playing permits at Municipal Golf Course.

The City Manager read the resolution.

Ray Kisiah, Director of Parks and Recreation, said the Parks and Recreation Advisory Board has recommended that the present book of tickets be replaced with an annual permit. He explained the difference in the present system and the proposed system.

Upon motion of Councilwoman Price, seconded by Councilman Michael, Resolution No. 78-225 was unanimously adopted.

Complete text of Resolution No. 78-225 will be found in Resolution Book No. 11 at page 53.

ORDINANCE NO. 1086 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Oteen Park Place)

5. Consideration was given to the second reading of Ordinance No. 1086, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended rezoning property on Oteen Park Place from R-3 Residential District to CH Commercial Highway District, property owned by G. N. Koon.

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1086 passed on second reading.

PUBLIC HEARING - AMENDING ZONING ORDINANCE - R-3 MEDIUM DENSITY RESIDENTIAL TO INCLUDE "CERTIFIED SHELTERED WORKSHOPS"

ORDINANCE NO. 1087 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED

6. A public hearing was held relative to amending the Zoning Ordinance to include "Certified Sheltered Workshops" in the R-3 Medium Density Residential District.

REPORT FROM SELECTIVE ENFORCEMENT SQUAD -POLICE DEPARTMENT

The City Manager requested that the following report be included in the minutes:

MEMO TO: KEN MICHALOVE, CITY MANAGER

FROM: MELVIN L. TUCKER, CHIEF OF POLICE MLT

DATE: DECEMBER 6, 1978

SUBJECT: SELECTIVE ENFORCEMENT SQUAD

The Selective Enforcement Squad of the Asheville Police Department was formed on March 1, 1978 to suppress and eliminate vice activities within the City of Asheville. Under the direction of a commanding officer, four officers investigate and take appropriate action against known or suspected cases of gambling, prostitution, illegal sales and/or use of alcoholic beverages, and related incidents.

For the past eight months officers of the Selective Enforcement Squad have had a total of 8628 man hours on duty and 394 hours in specialized schools such as: Vice School, Drug Investigations, Sex Crime Investigations, Convert Investigations, Management and Applied Management Training, and Cardio Pulmonary Resusitation Instruction. The officers have worked on special assignments with the Inter Agency Narcotics Squad, the Internal Revenue Service, Squad D (special 6 pm - 2 am patrol squad), and the Secret Service on the Presidential and Vice Presidential visits. The officers have been frequently utilized for surveillances in areas where frequent B & E's occur.

By utilizing stakeouts, surveillances, reliable informants, computers, decoys, and information from other police officers and private citizens, officers of the Selective Enforcement Squad have made 209 arrests in the past eight months. These arrests are as follows:

Gambling - 65
Prostitution - 43 (male & female)
Crime Against Nature - 4
Indecent Exposure - 2
Public Drunk - 16
Liquor Law Violations - 50
Drug Violations - 19 (5 were felony arrests)
Carrying Concealed Weapon - 4
Driving Under the Influence - 6

Of the 209 arrests made, 99% were found guilty in court. A total of $10,936.49 cash was confiscated and turned over to the school board fund; $15,812.00 was collected by the court for fines imposed; $62,500.00 was collected by federal court for fines imposed.

Attached is a break down in cases tried in court to this date and the individual sentences and/or fines imposed.

DISCUSSION - CLOSING OF SCOTT STREET

Councilman Michael noted that since last week when Council discussed the possible closing of Scott Street he had taken pictures, which he presented to Council, that showed Scott Street and South French Broad as already being closed. He said the Housing Authority should present their request before closing these streets. He said one person has no access to their house. He said it was unjust to people in the area to tear up the streets. He said the streets are impassable.

Dave Jones, Executive Director of the Asheville Housing Authority, said Scott Street is not legally closed. He said it is temporarily closed for improvements to the street. He said Scott Street is passable to Hibernia. He said they close these streets for improvements just like any other utility company. He said the Housing Authority is implementing the plan which Council adopted in 1966 which included the closing of these streets.

Councilwoman Price reminded Council that this matter has been referred to the Community Development/Housing Authority Liaison Committee.

PARTICIPATION OF NORTH CAROLINA LEAGUE OF MUNICIPALITIES IN JULIUS R. CAUBLE CASE

Councilwoman Price moved that in respect to the civil action instituted by Julius R. Cauble against the City of Asheville (Superior Court File #77CvS 703), the City of Asheville by and through its Council requests that the North Carolina League of Municipalities appear and participate in the appeal of this civil action to the appellant court or courts and to file an amicus curiae brief. This motion was seconded by Vice-Mayor Horton and carried unanimously.

CLAIMS - CHARLES BAIRD - ERNESTINE WATKINS HENTZ- MRS. BILLIE WILSON - WILLIAM A. RAYFIELD

The City Manager presented the following claims received from Mr. W. R. Swearngan, Facility Services Superintendent.

Following individuals have claims against City of Asheville for damage:

Charles Baird	Sanitation Department Dumpster hit automobile
Ernestine Watkins Hentz	Fell in parking lot of Hill Street Middle School - City not responsible
Mrs. Billie Wilson 45 Ridgelawn Road Asheville, N. C.	Sewer backup - Settled claim for $1,445.16

Claim sent to St. Paul Fire & Marine Insurance:

William A. Rayfield 420 Haywood Street Asheville, N. C.	Damage to automobile - City vehicle backing.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

Thursday, December 21, 1978 - 3:00 p.m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen Ralph D. Morris, Jr., Gene E. Rainey, F. Jack Cole, and Otis B. Michael, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Vice-Mayor Bill B. Horton.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the December 14, 1978 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the minutes of the December 14, 1978 meeting were approved as submitted.

RECOGNITION OF MR. WILLIAM K. PEEBLES

2. The City Manager recognized Mr. William K. Peebles, of the Water Maintenance Department, who is retiring from the City after over 20 years of service to the City.

APPROVAL OF THE CONSENT AGENDA

3. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. Resolution No. 78-227 - Resolution authorizing the Mayor to execute agreement with A & H Flying Service, Inc. with respect to off-premise servicing of aircraft and rental of transit ramp area at the Asheville Airport.

Resolution Book No. 11 - page 55.

B. Resolution No. 78-228 - Resolution authorizing the Director of Parks and Recreation to enter into an agreement with the Department of Agriculture and the Department of Interior through the Recreation Division of the Department of Natural Resources and Community Development of the State of North Carolina for a Youth Employment, Conservation and Environmental Education Program for the Summer of 1979.

HIGHLIGHTS: An application for federal funds in the amount of $31,490.98, to be matched by $7,272.74 in local in-kind services, has been prepared for submission to the North Carolina Department of Natural Resources and Community

During 1977 there were a total of 80 vice related arrests. These arrests were made by officers of the entire Asheville Police Department prior to the formation of the Selective Enforcement Squad. These arrests are as follows:

Gambling - 57
Prostitution - 14
Liquor Law Violations - 9

In considering the arrests made in 1977 by the entire department and the arrests made by the Selective Enforcement Squad since it's enactment, the manning level of five is adequate at the present time. Should vice activity in the Asheville City limits increase in the future it might become necessary for more officers to be assigned to the squad.

Attachment

Adjournment.

MAYOR

CITY CLERK

Mr. Summey pointed out that these signs are designed for high speed, interstate traffic.

Councilman Morris felt that the language changes that Mr. Summey presented should first be studied by the Planning and Zoning Commission.

Mr. Summey stated that all they are asking is to go on these highways in the zones where they are permitted to go.

By use of a map, Mr. Summey pointed out the areas in which they are requesting the sign to be placed.

Vice-Mayor Horton suggested that the proposed changes be brought back to Council when they have a specific problem to address. He pointed out that Mr. Summey had some valid points but Council would need some time to think about them and perhaps the next time when Council action would be needed would be the time to bring back his proposal.

Councilwoman Price felt that since residential and commercial sections are so close, she would prefer to see the requests for large signs done on an individual basis.

Mr. George Gontero, President of Naegele Outdoor Advertising, stated that they are only asking to be in all commercial and industrial zones, with the exception of Commercial Regional. He stated that he was not in full agreement with this ordinance if it passes on the third reading.

On a roll call vote of 7-0, Ordinance No. 1085 passed on its third and final reading.

Complete text of Ordinance No. 1085 will be found in Ordinance Book No. 8 at page 300.

ORDINANCE NO. 1086 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

5. Consideration was given to the third and final reading of Ordinance No. 1086, An Ordinance Amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended, relative to rezoning property on Oteen Park Place from R-3 Residential District to CH Commercial Highway District, property owned by G. N. Koon.

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1086 passed on its third and final reading.

Complete text of Ordinance No. 1086 will be found in Ordinance Book No. 8 at page 303.

ORDINANCE NO. 1087 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

6. Consideration was given to the third and final reading of Ordinance No. 1087, An Ordinance Amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended, relative to amending the Zoning Ordinance to include "Certified Sheltered Workshops" in the R-3 Medium Density Residential District.

Development and local matching funds will be appropriated as part of the City of Asheville fiscal 1980 budget ordinance for the 1979 summer YCC Program.

Resolution Book No. 11 - page 56.

C. Resolution No. 78-229 - Resolution authorizing the Mayor to execute amendments to airport lease agreements with Piedmont Airlines and Delta Air Lines with respect to rental of terminal building space.

Resolution Book No. 11 - page 58.

D. Resolution No. 78-230 - Resolution authorizing the Mayor to execute an agreement with A. M. Pullen and Company for audits of Local Public Works Grants under Title I of the Public Works Employment Acts of 1976 and 1977.

Resolution Book No. 11 - page 59.

E. Resolution No. 78-231 - Resolution authorizing amended application for State Water Bond Funds.

Resolution Book No. 11 - page 60.

F. Resolution No. 78-232 - Resolution declaring December 22, 23, 26 and 27, 1978 as free parking days for downtown Asheville.

Resolution Book No. 11 - page 62.

Upon motion of Councilman Morris, seconded by Councilman Cole, the consent agenda was unanimously approved.

ORDINANCE NO. 1085 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Relative to Sign Regulation Section)

4. Consideration was given to the third and final reading of Ordinance No. 1085, An Ordinance Amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended, relative to the Sign Regulation Section.

Mayor Trantham said that the ordinance was previously read on the first reading and would not be re-read in its entirety unless there was a specific request to do so.

Mr. Mike Summey, Summey Outdoor Advertising Company, offered the following change to Section 3C-O-3(D) 1. (Change is underlined)

1. Location of Signs

(a) Off-premise advertising signs greater than three hundred (300) square feet per display face shall be allowed only in the Commerical Highway and Commercial Service zones and Industrial zones along the following thoroughfares: (1) U.S. 70 - Tunnel Road; (2) U.S. 74 (South Tunnel Road) from U.S. 70 to N.C. 81; (3) U.S. 25 - Hendersonville Highway from I-40 to Gerber Road (S.R. 3195); (4) U.S. 19-23 Patton Avenue from Smoky Park Bridge to I-40 interchange; and (5) N.C. 191 Connector from I-40 - I-26 interchange to Patton Avenue; and (6) All limited access in the interstate highways covered under the jurisdiction of the ordinance.

Mr. Bill DeBruhl, Utilities Operations Coordinator, explained that the biggest percentage of hydrants in the City are Ludlow and the City is trying to phase these hydrants out due to no parts being available. He recommended the low bid and is confident that there will be no problem with getting parts and having the men repair the Waterous hydrants.

Vice-Mayor Horton questioned the legal position to deny the Council the right to consider standardization and going with a certain make and getting a bid on a certain make of equipment. He stated that if the City constantly goes with the low bidder, they would have no control over standardization.

Councilman Michael felt that Council has no choice but to accept the low bid even though they do not know anything about fire hydrants.

Councilwoman Price moved to accept the recommendation of the Purchasing Agent and Utilities Operations Coordinator and award the bid to Southern Meter & Supply Company in the amount of $29,376.09. This motion was seconded by Councilman Morris and on a roll call vote requested by Vice-Mayor Horton, carried on a 4-3 vote, with Mayor Trantham, Councilwoman Price and Councilmen Cole and Morris voting "aye," and Vice-Mayor Horton and Councilmen Rainey and Michael voting "no."

ORDINANCE NO. 1088 - AN ORDINANCE TO CONTROL GENERAL AVIATION PARKING ON THE TERMINAL RAMP

9. Consideration was given to an ordinance to control general aviation parking on the terminal ramp.

The City Manager read the ordinance and explained that the following conditions will help the air terminal business:

1) Parking of aircraft to pick up or drop off passengers on the terminal ramp shall be limited to 10 minutes parked only in spaces designed and in accordance with signs.

2) It is the responsibility of the pilot or owner to park the aircraft with blocks at the wheels, and parking brakes applied and also to determine that the aircraft cock-pit or cabin door is left unlocked.

3) No aircraft may park unattended during adverse weather conditions since no tie down facilities exist in this area. If the aircraft is found parked unattended under these conditions or parked over 30 minutes, the airport manager shall have the aircraft moved at the owners expense and without liability for damage which may result in the course of such action.

Councilman Michael moved for the adoption of Ordinance No. 1088. This motion was seconded by Vice-Mayor Horton.

At this time, Councilman Morris left the Chambers for approximately 3 minutes.

On a roll call vote of 6-0, Ordinance No. 1088 passed on first reading.

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call of 7-0, Ordinance No. 1087 passed on its third and final reading.

Complete text of Ordinance No. 1087 will be found in Ordinance Book No. 8 at page 304.

DISPOSAL PARCEL - EAST RIVERSIDE RENEWAL PROJECT - PARCEL NUMBER 41

7. Consideration was given to the following bid for a disposal parcel in the East Riverside Renewal Project:

Parcel	Reuse	Price	Bid	Redeveloper
41	Residential	$2,700.00	$2,700.00	Robert Ellison, et ux

The City Manager read a letter from Mr. C. E. Vess, Jr., Coordinator of Field Services for the Asheville Housing Authority, which stated that the above-mentioned bid for disposal parcel 41 in the East Riverside Renewal Project has been received.

Councilwoman Price moved for the approval of the bid for the disposal parcel as recommended by the Asheville Housing Authority. This motion was seconded by Vice-Mayor Horton and carried unanimously.

BIDS - ONE HUNDRED DRY TOP TRAFFIC MODEL FIRE HYDRANTS

8. Consideration was given to bids received Monday, November 20, 1978, for one hundred (100) dry top traffic model fire hydrants.

The City Manager read a memorandum from the Purchasing Agent which stated that six bids were received and it was recommended that the bid be awarded to Southern Meter & Supply Company in the total net amount of $29,376.09.

Mr. Jesse Jayne, representative of the Municipal & Utility Supply Company spoke against the Waterous hydrants from Southern Meter & Supply Company stating that this type of hydrant is untested in the mountain areas. He recommended the bid be awarded to Municipal & Utility Supply Company of Asheville for Mueller hydrants since the City is presently using some Mueller hydrants and has parts available for repair. He felt that since his company is a local company it would be in the best interest of the City to accept his bid. Mr. Jayne also stated that to his knowledge, no Water Department employee has ever seen a Waterous hydrant torn down and therefore they could not repair it in the field.

Mr. Melvin Flowers, Southern Meter & Supply Company, said that their Waterous hydrants meet all the City's specifications. He said that they do have parts available and they have met with the City's engineers regarding these hydrants. Mr. Flowers stated that his company would do anything necessary to meet with the Water Department personnel and demonstrate the Waterous hydrant. He felt that any person who works with hydrants would have no problem repairing a Waterous hydrant.

Councilman Rainey suggested that we stay with the two major hydrants that the City is presently using in the field because he feels that the City will be in better shape in the long run.

a bonafied bid offer from Six Associates, Inc. offering the City $90,000 for the Pack Memorail Library Building. He said that we also received a check in accordance with the State Statutes. He said that we will begin advertising on December 22, 1978, for 10 consecutive days as required. Mr. Michalove stated that the following two conditions would also be included in the resolution:

1) The City shall close firewalls on the south and east sides of the building and the firewalls shall be completely restored to their original condition at an expense to the City not to exceed $2,600.00.

2) The City further requires that the exterior architectural design of the building shall be preserved for its historic value for at least twenty (20) years from the date of the sale.

Mr. John Rogers, Vice-President for Architecture at Six Associates, Inc, said that his company is very enthusiastic about the revitalization of the downtown area. He said the above conditions are satisfactory to his company.

Upon request of Councilwoman Price, Mr. Michalove explained the bid process.

Upon motion of Councilman Rainey, seconded by Councilwoman Price, Resolution No. 78-233 was unanimously adopted.

Complete text of Resolution No. 78-233 will be found in Resolution Book No. 11 at page 63.

APPOINTMENTS TO THE ASHEVILLE-BUNCOMBE INSURANCE ADVISORY COMMITTEE

The City Manager explained that on October 5, 1978, the City Council passed Resolution No. 78-189 establishing the Asheville-Buncombe Insurance Advisory Committee. Since that time, the County Commissioners have appointed Mr. W. D. McLean, Jr., Mr. John Keefer, Mr. C. R. Longcoy, Jr. and Mr. Webb Ellis. It was decided that the City's representatives would be Mr. James W. Stickney, III, Miss Helen A. Powers, Mr. Robert B. Gelder and Mr. Robert S. Webb, Jr.

Councilman Morris moved to appointment the above-mentioned people as City representatives to the Asheville-Buncombe Insurance Advisory Committee. This motion was seconded by Councilman Cole and carried unanimously.

BUDGET AMENDMENT - EMERGENCY REPAIRS TO RUNWAY PAVING

The City Manager presented the following budget amendment to amend the City of Asheville General and Aviation Fund Operating Budgets for Fiscal 1978-79 as follows:

General Funds:		Increase (Decrease)
10-01-599-0-000-0097	Contingency	($2,500)
10-00-398.0421	Revenue Transfer	$2,500
Aviation Fund:		
12-00-397.0000	Contribution from Other Funds	($2,500)
12-421-0-000.0018	Maintenance & Repair - Other	$2,500

This is to appropriate funds for emergency repairs to runway paving.

Councilman Michael moved to suspend the rules and proceed with the second reading of Ordinance No. 1088. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1088 passed on second reading.

Councilman Michael moved to suspend the rules and proceed with the third and final reading of Ordinance No. 1088. This motion was seconded by Councilwoman Price and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1088 passed on third and final reading.

Complete text of Ordinance No. 1088 will be found in Ordinance Book No. 8 at page 306.

BUDGET AMENDMENT - ARMORY RENOVATION

10. The City Manager presented the following budget amendment to amend the City of Asheville Motor Transport Fund Budget for Fiscal Year 1978-79 as follows:

Appropriations	Increase (Decrease)
11-15-424-0-000-0073	$12,000
11-15-424-0-000-0074	($12,000)

This is to transfer funds from Capital Outlay - Equipment to Capital Outlay - Other Improvements to provide funding for Armory Renovation.

The City Manager explained that there are sufficient funds in this department to permit interfund transfer for improvements we need to make at the former Armory facility.

Mr. Michalove stated that he wrote a letter to Mr. Jesse Ray, Jr., Chairman of the Mountainside Apartment East End/Valley Street Community Association, indicating that we would work closely with the community in the use of this facility. He also said that we would make certain improvements as listed in the letter.

Councilman Michael expressed appreciation to Mr. Michalove for the way he explained the use of the facility to the community. He did state that the citizens in that community requested that a buffer of pines be put up along the fence to eliminate the noise pollution.

Councilman Michael moved for the approval of the budget amendment as presented by the City Manager. This motion was seconded by Vice-Mayor Horton and carried on a 6-1 vote, with Councilman Rainey voting "no."

RESOLUTION NO. 78-233 - RESOLUTION AUTHORIZING THE CITY CLERK TO ADVERTISE THE SALE OF CITY OF ASHEVILLE PROPERTY, KNOWN AS THE PACK MEMORIAL LIBRARY BUILDING ON PACK SQUARE

11. Consideration was given to a resolution authorizing the City Clerk to advertise the sale of City of Asheville property, known as the Pack Memorial Library Building on Pack Square.

The City Manager read the resolution. He stated that we have received

the Housing and Community Development Act of 1974 & 1977, the funds are given to the Council on an annual basis and following HUD guidelines, it's to the Council's discretion on how they use it. Under the Housing Act of 1949, as amended, a plan is developed in accordance with federal guidelines and state law, and to amend this plan, we not only have to comply with state law but also with federal regulations.

Councilman Michael understood that once the City had adopted this plan, they could make any changes or amendments at any time. He asked the City Attorney for a clarification as to whether or not HUD has the authority to approve or disapprove any changes in the map of the East Riverside area, East End area or R-13. The City Attorney was asked to investigate this point and report back to Council.

Vice-Mayor Horton suggested the City Attorney obtain some simple steps, if any, on how they could sell this small tract of land, if it was decided to do so.

Mr. Jones said that the steps for changing the plan were as follows: 1) hold a public hearing with the project area residents; 2) it then comes before the Housing Authority Board (and if approved); 3) it then comes before the City Council (and if approved); 4) it goes to HUD for their approval.

The City Manager suggested that Council determine by vote if they wish to sell the 100 x 100 sq. ft. piece of property to Reverend Grant.

Councilman Morris said he needed to find out how much money is involved to go through the process of amending the plan and also if the property is to revert back to the City in the fall of 1979, whether or not that particular piece of land will have a restriction on it where we can't sell it.

Councilman Michael felt the Council should request the Housing Authority to sell that parcel of land to Reverend Grant and then have the Housing Authority staff get the cost figures and report back to Council.

Councilman Rainey offered the following motion: "It is the expressed desire of the City Council that a parcel of ground measuring not over 100 x 100 sq. ft. (this would permit a smaller parcel, if agreeable, to be sold not over 100 x 100 sq. ft.) located next to Reverend Grant's property be sold to Reverend Grant if a feasible method can be found to do so." He said that the process of rededication may take longer than expected and if Council made their stand now, they wouldn't have to go through it again and within this period of time, the details could be worked out. This motion was seconded by Vice-Mayor Horton.

Councilman Michael was excused from the meeting at 5:40 p.m.

Councilman Morris felt that they should not vote on this until some cost figures are obtained.

Councilman Rainey stressed the fact that this Council should take an official stand on this issue.

Councilman Rainey offered to substitute the wording "It is the intent of the City Council that a parcel of land . . .", instead of "It is the expressed desire of the City Council that a parcel of land . . ."

Mr. Jones suggested that whatever Council recommends, as far as any further action on his part, that it come from the full Council directed to the Asheville Housing Authority Board.

Councilwoman Price moved for the approval of the budget amendment as presented by the City Manager. This motion was seconded by Councilman Cole and carried unanimously.

CLAIM - LINDA ANDERSON GLENN

The City Manager presented the following claim received from Mr. W. R. Swearngan, Facility Services Superintendent.

Claim sent to St. Paul Fire & Marine Insurance:

Linda Anderson Glenn 4118 South Thirty-Six Street Arlington, Virginia	Ran automobile into rear of Cushman. City vehicle not at fault.

Mayor Trantham referred the claim to the Corporation Counsel for investigation and recommendation.

REVEREND WESLEY GRANT - PURCHASE OF PARCEL OF LAND

Councilman Rainey prefaced Reverend Grant's remarks with a history of Reverend Grant's situation. He felt that there has been a communication problem. He pointed out that Reverend Grant is only asking for a 100 x 100 sq. ft. piece of land out of Lot 143 which is next to his property, not the total Lot 143, measuring approximately 3½ acres. Rev. Grant wants this land as a buffer between his home and the people in the park. Councilman Rainey felt that the Asheville Housing Authority misunderstood Reverend Grant's request. He felt that the Housing Authority thought Reverend Grant was going to buy the 3½ acres thus depriving the City of Asheville a large portion of land that is supposed to go into the park. Councilman Rainey feels that the City or park losing a 100 x 100 sq. ft. lot would not create a hardship in that area. Councilman Rainey pointed out that he has tried to obtain some indication of the cost that might be involved but hasn't received anything to date. Councilman Rainey hoped that the full Council would pass a motion that would appeal to the Asheville Housing Authority to reverse their stand.

Councilman Morris' recollection of the problem was that it was the amount of expense involved with having to amend the project and change the plan. He recalled that Council would have had to go through several agencies, lawyers, documents and much more red tape and that it would cost a very substantial amount of money, whereas if we waited until the project ended and the Housing Authority rededicated it to the City, there would be less red tape involved.

Mr. Jones, Executive Director of the Asheville Housing Authority, explained that the Housing Authority was well aware that Reverend Grant's request was for a 100 x 100 sq. ft. piece of property on Lot 143. Mr. Jones said that it is no longer a 100 x 100 sq. ft. parcel of land like it was, but it has all become part of Parcel 143, which is 3½ acres. In response to Councilman Rainey, Mr. Jones said that the only cost figures he was aware of were for major revisions in the plan. Mr. Jones said that until the land is rededicated to the City (around fall of 1979), the Housing Authority could not do anything with that parcel of land without officially changing the plan.

Mr. Holt, Deputy Executive Director of the Asheville Housing Authority, explained the difference between the Housing and Community Development Act of 1974 & 1977 and the Housing Act of 1949, as amended. He told Council that the East Riverside Redevelopment Plan is under the Housing Act of 1949, as amended. He said that under

Thursday - January 4, 1979 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen Ralph D. Morris, Jr., Gene E. Rainey, F. Jack Cole, and Otis B. Michael, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman Otis B. Michael.

APPROVAL OF MINUTES

1. Approval of the minutes of the December 21, 1978 meeting.

Councilman Rainey presented the City Clerk with several grammatical errors.

Upon motion of Councilman Rainey, seconded by Councilwoman Price, the minutes of the December 21, 1978 meeting were approved as amended.

PUBLIC HEARING - AMENDING ZONING ORDINANCE - NEIGHBORHOOD PARKS AND PLAYGROUNDS

ORDINANCE NO. 1089 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED

2. A public hearing was held relative to amending the Zoning Ordinance to include "Neighborhood playgrounds or neighborhood parks which are publicly owned and operated" in the R-1 Single Family Residential District, R-2 Low Density Residential District, and R-4 High Density Residential District and to include "Public facilities" in the Office Institutional District.

Mayor Trantham opened the public hearing at 3:02 p. m.

The City Manager presented the notice to the public setting the time and date for the hearing and the affidavit of publication.

Verl Emrick, Planning Director, explained the proposed amendments. He said these two amendments are the results of a study done by William C. Moore, Corporation Counsel, J. E. Johnson, Director of Inspections and himself in conjunction with an opinion received from the Attorney General relative to the development of the North Asheville park. He said these amendments would clarify the language of the ordinance.

Councilman Cole questioned the proposed amendment in that it is directed solely for the purpose of the development of the North Asheville park. He said he would be against the amendments.

Councilman Morris suggested that Council instruct Mayor Trantham to write a letter to the Housing Authority Board asking what method could be used to transfer this piece of property to Reverend Grant and how much it would cost to accomplish it.

Councilwoman Price requested to know what that land is designated for, why it was designated in such a way and how will it affect the total community to change it. She felt that these questions should be addressed before making any statement of intent.

Vice-Mayor Horton suggested the following statement be added to the motion: "Further, Council requests that the City Manager investigate and provide information as to the most feasible method of accomplishing this transaction, with Council deferring official action until this information is available for consideration."

Councilman Rainey was then persuaded to amend his original motion as follows: "The City Council has an interest in Reverend Grant purchasing a parcel of land measuring not over 100 x 100 sq. ft. located in disposal parcel 143. Further, Council requests that the City Manager investigate and provide information as to the most feasible method of accomplishing this transaction, with Council deferring official action until this information is available for consideration." This motion was seconded by Vice-Mayor Horton and carried unanimously.

Councilman Morris explained that Council is asking the City Manager to have the Parks and Recreation Department look at the site and see if the sale of 100 x 100 sq. ft. might destroy any possible use in the future.

Adjournment.

Ray H. Trantham
MAYOR

William F. Merritt
CITY CLERK

Verl Emrick, Planning Director, said the Planning and Zoning Commission reviewed this request on November 1, 1978 and recommended a smaller area than petitioned for the R-1 zoning. The Commission also recommended that Lots 172-3/4, 173-1/4, 265, 173, 174, 172-1/4, Ward 13, Sheet 23, and Lots 1 and 34-1/2, Ward 13, Sheet 32, be rezoned from R-3 Residential District to CS Commercial Service District. He said this recommendation was made for the following reasons:

1. Rezoning of this area to R-1 will include a major portion of property included in the petitioners' original request;

2. Existing land uses within this area are more compatible with and conform more readily to uses and standards for the R-1 District;

3. Minimum lot areas and widths within this area are, for the most part, consistent with R-1 standards. Few nonconforming lots would be created by the zoning change; and

4. Rezoning in this manner would separate the R-1 District from the Industrial District to the north which contains uses which could prove to be a detriment to future development of the property for R-1 purposes.

By the use of a map, Mr. Emrick reviewed the location of the property in question as being located in the Rock Hill Road, West Chapel Road, and Sweeten Creek Road area of south Asheville.

Mr. Emrick said it is his understanding that the residents of Stockwoods are in agreement with Planning and Zoning's recommendation.

Mr. Roger Grant, a real estate agent representing Mr. Russ Johnson who owns property in the area to be rezoned, objected to the rezoning on the grounds that it would exclude the construction of condominiums which he proposes to construct in the area. He requested that Lots 22-1/2, 22-3/4, and 22-1/2, Sheet 32, Ward 13 be excluded from the proposed ordinance.

Mr. C. E. Parker, 19 Stockwood, advised that the Stockwood Association owns 60 ft. right-of-way and a sewer line up to the Russ Johnson line.

Mr. Howard Hazelrigg, Stockwood Road, spoke in support of the rezoning.

Mayor Trantham closed the public hearing at 4:30 p. m.

Verl Emrick read the ordinance.

Councilman Rainey moved for the adoption of Ordinance No. 1090. This motion was seconded by Councilwoman Price.

Councilwoman Price moved to delete Ward 13, Sheet 32, Lots 22-1/2, 22-3/4 and 22-1/2 from the ordinance. This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1090 passed on first reading.

Councilman Morris said he did not feel the North Asheville Park would be a neighborhood park in that it is intended for the Babe Ruth Leagues.

Councilman Rainey favored the amendments and said 80% of those using the park would be from North Asheville.

The following individuals spoke in opposition to the proposed ordinance:

Mr. Tom Spardling, 400 Country Club Road
Mr. Robert York, Beaverdam Road
Mr. Michael Clark, 927 Country Club Road
Mr. Bill Harpe, 445 Kimberly Avenue
Mr. Sidney Martin, 5 Hampstead Road

Mr. Bob Orr, of Bennett, Kelly and Cagle law firm, representing property owners in North Asheville opposed the amendments stating that he felt it would be a bad policy to change the zoning ordinance in order to accommodate the park. He said the scope of the change effects all areas of the City and gives blanket authority to put a neighborhood park anywhere in the City. He said this would jeopardize all residential areas. He asked Council to reject the proposed amendment.

Mayor Trantham closed the public hearing at 3:38 p. m.

Verl Emrick read the ordinance.

Councilman Rainey moved for the adoption of Ordinance No. 1089. This motion was seconded by Vice-Mayor Horton.

Councilman Morris speaking in opposition to the proposed amendments said if the ordinance is adopted Council would be in essence saying that the Council does not have to abide by the Zoning Ordinance but everyone else does. He said he would not favor it but it would be safer to rezone the property to R-3 Residential to accommodate for the park rather than to have a blanket ordinance which would effect all of the City.

Councilman Rainey and Vice-Mayor Horton contended that the ordinance was not basically addressed to North Asheville Park since that issue has been resolved, but merely to clarify the language of the ordinance.

On a roll call vote of 4-3, Ordinance No. 1089 passed on first reading, with Mayor Trantham, Vice-Mayor Horton, Councilman Rainey, and Councilwoman Price voting "aye" and Councilmen Morris, Michael and Cole voting "no."

PUBLIC HEARING - REZONING PROPERTY ON ROCK HILL ROAD - STOCKWOODS AREA RESIDENTS

ORDINANCE NO. 1090 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED

3. A public hearing was held relative to rezoning property on Rock Hill Road (Stockwoods Area Residents) from R-2, R-3 and CS to R-1 Single Family Residential.

Mayor Trantham opened the public hearing at 3:57 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

B. Resolution No. 79-3 - Resolution authorizing the Director of Parks and Recreation to establish a Dramatic Arts Program in the Montford Community with the assistance of a grant from the North Carolina Arts Council.

HIGHLIGHTS: This grant is for $1,716 and will be used to develop a program of dramatic arts instruction and productions for children.

Resolution Book 11 Page 66

C. Resolution No. 79-4 - Resolution appointing Chairman to the City of Asheville Board of Alcoholic Control.

HIGHLIGHTS: Reappointing Mr. Osborne M. Hart as Chairman of the City of Asheville Board of Alcoholic Control for a term of three (3) years, term expiring November 13, 1981.

Resolution Book 11 Page 68

D. Motion revising the operating budget of the City of Asheville for Fiscal 1978 to reflect salary adjustments and reorganization effective January 1, 1979.

Upon motion of Councilman Cole, seconded by Councilwoman Price, the consent agenda was unanimously approved.

COUNCILMAN RAINEY - REQUEST FOR INFORMATION - REV. GRANT'S REQUEST - CONFLICT OF INTEREST IN INSPECTION DIVISION

Upon inquiry of Councilman Rainey, the City Manager said he had not received any information from the Asheville Housing Authority on Rev. Grant's request but he would follow up on the matter.

The City Manager also said he would probably have a report relative to the conflict of interest in the Inspections Division available at the next Council meeting.

CLAIMS - CATHY JOHNSON- MATTHEW W. DICKEY- GARY LEWIS SHELEY- DON ALAN SMITH - ERNEST DANSBY - MARGARET WILSON SINGLETON

The City Manager presented the following claims received from Mr. W. R. Swearngan, Facility Services Superintendent.

Following individuals have claims against City of Asheville for damage:

Cathy Johnson Rt. 6 Melton Road Candler, N. C.	Pulled water meter. Claiming motel bill.
Matthew W. Dickey 6 North Kensington Road Asheville, N. C.	Muddy water - damage to hot water furnace

RESOLUTION NO. 79-1 - RESOLUTION AUTHORIZING THE CITY CLERK TO READVERTISE THE SALE OF CITY OF ASHEVILLE PROPERTY, KNOWN AS THE PACK MEMORIAL LIBRARY BUILDING ON PACK SQUARE

4. Consideration was given to a resolution authorizing the City Clerk to readvertise the sale of City of Asheville property, known as the Pack Memorial Library Building on Pack Square.

The City Manager read the resolution and explained that by Resolution No. 78-233 Council authorized the City Clerk to advertise the offer of Six Associates, Inc. to purchase the property in the amount of $90,000.00. On December 29, 1979 an increased bid was received from Adams, Hendon and Carson, P. A. in the amount of $94,550.00.

James Gary Rowe, attorney with Adams, Hendon and Carson, P. A. said he was bidding on the property for himself and his associates as individuals and not as a corporate law firm. He said the general use of the building would be for professional office space.

Councilman Rainey said if Mr. Rowe was awarded the bid he would like to have more specific information on the use of the building.

Councilman Michael said he would also like to know an approximate date of occupancy if Mr. Rowe was awarded the bid.

Upon motion of Councilwoman Price, seconded by Councilman Cole, Resolution No. 79-1 was unanimously adopted.

Complete text of Resolution No. 79-1 will be found in Resolution Book No. 11 at page 64.

APPROVAL OF THE CONSENT AGENDA

5. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. Resolution No. 79-2 - Resolution authorizing the Mayor to execute an agreement with the North Carolina Board of Transportation for the purpose of amending agreement number 11-28-77 on Street and Highway System Responsibilities.

HIGHLIGHTS: The City of Asheville wishes to amend said agreement to place Riverside Drive between Hall Street and Broadway Avenue on the State Street System, therefore, making said street a Board responsibility.

Resolution Book 11 page 65.

Claims sent to St. Paul Fire & Marine Insurance:

Gary Lewis Sheley 12-F Mountainside Apts. Asheville, N. C.	Damage to car - City vehicle backing
Don Alan Smith 411 Camp Branch Road Waynesville, N. C.	Hit Street Division's truck-Left scene of accident. City Vehicle not at fault
Ernest Dansby 37 Robinson Avenue Asheville, N. C.	Hit Water Department's truck in rear. City Vehicle not at fault.
Margaret Wilson Singleton 13-E Hillcrest Apts. Asheville, N. C.	Damage to car. City Vehicle backing.

MRS. ROY ROGERS - COMPLAINT RE: EAST RIVERSIDE RENEWAL PLAN - REV. GRANT'S REQUEST FOR PURCHASE OF PROPERTY

Mrs. Roy Rogers complained of the East Riverside Renewal Plan not being carried out as agreed. She also spoke in favor of selling Rev. Grant a parcel of land next to his property.

REV. LOUIS GRANT - RE: SELLING OF PARCEL OF LAND TO HIS FATHER

Rev. Louis Grant, son of Rev. Wesley Grant, spoke in favor of the City selling his father a parcel of land next to his property.

RALPH BISHOP - LOTTERY SALES IN CITY

Ralph Bishop again spoke to Council about the lottery sales in the City and the City Manager not following through on cleaning up the lottery sales.

Adjournment.

MAYOR

CITY CLERK

Mayor Trantham, who supported the amendment on first reading, said since the first reading of the ordinance he had reconsidered the issue and due to the amendments allowing the City to put a park anywhere in the City without a hearing or anything he would be against the proposed amendment.

Councilman Michael said he would be against the motion to table the ordinance just to keep it alive. He suggested that Council proceed with the second reading of the ordinance.

Councilman Cole said he would also be against the motion to table the ordinance because it is directed for the development of the North Asheville park which is is very much against. He said he would like to see the development of the park in North Asheville stopped.

Councilman Morris said he hoped the proposed law suit is started against the park in North Asheville before the City begins development and destroys the property.

Councilwoman Price's motion passed on a roll call vote of 4-3, with Mayor Trantham, Vice-Mayor Horton, Councilman Rainey and Councilwoman Price voting "aye" and Councilman Cole, Morris, and Michael voting "no."

The City Manager said development of the park would not begin until Council directs him to proceed. However, he said due to the time frame of the state grant involved with the park it would be his recommendation that Council notify the state that there are problems with the park and request an extension of time on the grant project period.

ORDINANCE NO. 1090 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED (Rezoning property on Rock Hill Road, Stockwood Area Residents)

3. Consideration was given to the second reading of Ordinance No. 1090, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended rezoning property on Rock Hill Road, Stockwood Area Residents, from R-2, R-3 and CS to R-1 Residential District.

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there is a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1090 passed on second reading.

APPROVAL OF SIGN PERMIT - NAEGLE OUTDOOR ADVERTISING COMPANY - RIVERSIDE DRIVE

4. Consideration was given to the approval of a sign permit for a sign to be located on Riverside Drive, submitted by Naegle Outdoor Advertising Company.

It was explained that Council considered this request on October 19, 1978, however, action was tabled until the complete sign ordinance was revised. This sign, 14 x 48 is to located on Riverside Drive below Pearson Bridge. The sign will be within 600' of a limited access highway which requires the approval of the City Council pursuant to the Zoning Ordinance.

Thursday - January 11, 1979 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen Ralph D. Morris, Jr., Gene E. Rainey, F. Jack Cole, and Otis B. Michael, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman Ralph D. Morris, Jr.

APPROVAL OF MINUTES

1. Approval of the minutes of the January 4, 1979 meeting.

Upon motion of Councilman Cole, seconded by Councilwoman Price the minutes of the January 4, 1979 meeting were approved as submitted.

ORDINANCE NO. 1089 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Neighborhood Playgrounds and Neighborhood parks)

2. Consideration was given the second reading of Ordinance No. 1089, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended including "Neighborhood Playgrounds or neighborhood parks which are publicly owned and operated" as permitted uses in the R-1, R-2, and R-4 Residential Districts and including "public facilities" as permitted uses in the Office Institutional District.

Mr. Tom Spradling of 400 Country Club Road spoke in opposition to the proposed amendments. He argued that the Planning and Zoning Commission did not review the requested amendments and the amendment should go through the proper channels of review. He requested that the ordinance be tabled and the amendments referred to the Planning and Zoning Commission for review and recommendation.

Mr. Robert S. Moore, 32 Lorraine Avenue, also spoke in opposition to the proposed amendment.

Mac Day, of 76 Kimberly Avenue, representing the Grove Park-Sunset Citizens Association said they opposed the amendment because it effects all residential areas of the City. He said a public hearing should be held on the amendments by the Planning and Zoning Commission.

Councilwoman Price moved to table Ordinance No. 1089 and refer the matter to the Planning and Zoning Commission for review and recommendation. This motion was seconded by Councilman Rainey.

RESOLUTION NO. 79-5 - RESOLUTION OF INTENT TO CLOSE A PORTION OF BLANTON STREET, AND CALLING A PUBLIC HEARING ON THE QUESTION

5. Consideration was given to a resolution of intent to close a portion of Blanton Street and calling a public hearing on the question for February 15, 1979.

The City Manager read the resolution.

Larry Holt of the Asheville Housing Authority, by the use of a map, showed the location of the portion of Blanton Street to be closed.

Upon motion of Councilwoman Price, seconded by Vice-Mayor Horton, Resolution No. 79-5 was unanimously adopted.

Complete text of Resolution No. 79-5 will be found in Resolution Book No. 11 at page 69.

APPROVAL OF CONSENT AGENDA

6. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. Resolution No. 79-6 - Resolution authorizing the Mayor to sign a contract with the State of North Carolina, Department of Crime Control and Public Safety, Division of Crime Control, for the Asheville/Buncombe Criminal Justice Information System, Phase II.

HIGHLIGHTS: Council authorized the filing of the application via Resolution No. 78-201 and the total cost of the project is $166,666.00. The local match will be $8,333.00 of which $5,452.00 is already available and appropriated in the Federal Capital Projects Fund and the City and the County are to share equally in the funding of the local match. Provisions for said local match will be made in Fiscal Year 1979-80 operating budget.

Resolution Book No. 11 Page 71

B. Resolution No. 79-7 - Resolution authorizing the Mayor of the City of Asheville to enter into contractual agreement with Buncombe County, North Carolina to administer a program entitled "The City of Asheville Skills Development Program."

Resolution Book No. 11 Page 72

Verl Emrick, Planning Director, read the following memorandum:

MEMORANDUM

TO: Ken Michalove, City Manager

FROM: Verl R. Emrick, Jr., Planning Director

SUBJECT: Requested Sign Permit Approval on Riverside Drive for Naegle Outdoor Advertising Company

DATE: January 8, 1979

The sign requested by the Naegle Company, in my opinion, does not conform with either the provisions of the old ordinance (1977) or the provisions of Ordinance No. 1085 (Newly amended provisions, 1979) and, therefore, cannot be approved by City Council.

The provision which could not be complied with would be Section 30-9-3 (D) (1) - Location of Signs.

Since this sign is 672 square feet (1,344 square feet on both sides), it can be placed only in the CH Commercial Highway or CS Commercial Service zones along the following thoroughfares:

(1) Tunnel Road - U. S. 70;
(2) South Tunnel Road (U. S. 74) to N. C. 81;
(3) Hendersonville Highway to Gerber Road;
(4) Patton Avenue from Smokey Park Bridge to I-40; and
(5) N. C. 191 Connector from I-40/I-26 interchange to Patton Avenue.

In addition, I understand that the area in which the sign would be located is zoned improperly for this size sign (current zoning is HI Heavy Industrial).

Finally, as far as the alternatives available to the company, they could use the 300 square foot boards in this area provided Council approves the permit.

Should you have any questions, please advise.

Verl Emrick

Don Dawson, representative of Naegle Outdoor Advertising Company, said, in his opinion, the requested sign permit is not in violation of any ordinance. He said they are requesting that Council approve the sign location in that it is located within 600' of a limited access highway and that a variance be granted to place a 672 square foot sign at the proposed location.

Mr. Emrick explained that Council does not grant such variances and the matter should be presented to the Zoning Board of Adjustments.

After discussion, Vice-Mayor Horton moved to approve the location of Riverside Drive for the sign permit requested by Naegle Outdoor Advertising Company. This motion was seconded by Councilman Morris and carried unanimously.

It was explained to Mr. Dawson that his variance request should be taken to the Zoning Board of Adjustments.

CITY OF ASHEVILLE

ASHEVILLE, NORTH CAROLINA

OFFICE OF
CITY MANAGER

MEMORANDUM TO: Members of the Asheville City Council

FROM: Ken Michalove, City Manager

DATE: January 11, 1979

At the regular City Council Meeting on Thursday, December 7, 1978, Councilman Rainey "presented Council with copies of letters written in March 1978 between the then City Building Inspector Gary Lance and the State Attorney General's Office. Mr. Lance had written to ask whether there was a conflict of interest in the activities of a city-paid, soil erosion employee who is also an advertising architect. The Attorney General's Office had responded that there may be and suggested that the City Attorney be consulted about the possible conflict. Councilman Rainey asked the City Manager to determine if there is a conflict of interest in the fact that a city-paid, soil erosion control officer is also an architect. He said if there is a conflict of interest, the employee should be dismissed or stop practicing architecture." (See Footnote #1 below.)

To answer Dr. Rainey's question as specifically as asked - the employee is not in conflict of interest in the fact that he is also an architect or in the fact that he published the fact that he is an architect in the yellow pages of the Telephone Directory.

However, the facts of this matter are that Mr. J. E. Johnson, Director of Inspections, gave said employee permission to do architectural work off duty in that he saw no conflict of interest and said work was within the off-duty work rule limits authorized by the Civil Service Board. Furthermore, according to Mr. Johnson, he had no knowledge of Mr. Lance's letter to the Attorney General until December 11, 1978. Also, according to Mr. Johnson, Mr. Lance never asked him or the City Attorney to check into the matter.

C. Resolution No. 79-8 - Resolution authorizing the Mayor to sign a contract with the Land-of-Sky Regional Council for state and federal financial assistance in the provision of training for members of the Asheville Police Department.

Resolution Book No. 11 Page 73

D. Resolution No. 79-9 - Resolution supporting expanded radar services at the Asheville Airport.

Resolution Book No. 11 Page 74

E. Motion scheduling a public hearing to receive public comments on the proposed revisions of the applciation for the Community Development-Urban Development Action Grant for February 1, 1979.

F. Motion scheduling a public hearing to receive public comments on the Fifth Year Community Development application for February 15, 1979.

Upon motion of Councilwoman Price, seconded by Councilman Rainey the consent agenda was unanimously approved.

RESOLUTION NO. 79-10 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN AN AGREEMENT WITH DIEMLER AND DIEKEMPER, INC. FOR AN AIR SERVICE MARKET STUDY

7. Consideration was given to a resolution authorizing the Mayor to sign an agreement with Diemler and Diekemper, Inc. for an air service market study.

The City Manager read the resolution.

Upon motion of Councilman Cole, seconded by Councilman Michael, Resolution No. 79-10 was unanimously adopted.

Complete text of Resolution No. 79-10 will be found in Resolution Book No. 11 at page 75.

CITY MANAGER'S REPORT - CONFLICT OF INTEREST - INSPECTION DIVISION

The City Manager presented the following report relative to a request by Councilman Rainey regarding a conflict of interest matter in the Inspection Division:

and North Carolina General Statutes 160A-415:

> "Conflicts of interest - No member of an inspection department shall be financially interested in the furnishing of labor, material, or appliances for the construction, alteration, or maintenance of any building within the city's jurisdiction or any part or system thereof, or in the making of plans or specifications therefor, unless he is the owner of the building. No member of an inspection department shall engage in any work that is inconsistent with his duties or with the interest of the city. (1969, c. 1065, s. 1; 1971, c. 698, s. 1.)" (See Footnote #3 below.)

After a thorough review of these sections with the City Attorney, it is my opinion and the City Attorney's opinion that a technical conflict of interest exists according to State Law, because the Inspections Division was assigned by ordinance the responsibilities of erosion control.

Had the employee been a plumbing, electrical, or building inspector, there would have been a very clear conflict of interest violation in Mr. Johnson's opinion. The reason Mr. Johnson felt that there was no conflict of interest was because erosion control responsibilities were assigned to the Inspections Division by the City Council and this is not an automatic Inspection Department function statewide as is plumbing, electrical, and building inspections. Therefore, it was assumed that the conflict of interest law only applied to employees directly connected with construction such as building, plumbing, and electrical. However, the City Attorney and I are of the opinion that the law applies to any employee whether they be a secretary, heavy equipment operator, or some other non-related title as long as they are employees of the Inspections Division.

While I feel that there is a technical violation of the Statute, the employee at no time was in a position to review or favor his own work. Therefore, the employee may continue to advertise as an Architect, but he shall be instructed not to do any further work that would be within the City's jurisdiction of Inspection Department responsibilities.

KM/msm
Attachments

3) Quote taken from 1978 Edition, NC General Statutues Pertaining to Enforcement of the North Carolina State Building Code, Page GS-90.

Mr. Johnson still feels that the employee is not in conflict of interest.

The State Law pertaining to this is contained in The North Carolina General Statutes 160A-412:

"Duties and responsibilities - The duties and responsibilities of an inspection department and of the inspectors therein shall be to enforce within their territorial jurisdiction State and local laws relating to:

(1) The construction of buildings and other structures;

(2) The installation of such facilities as plumbing systems, electrical systems, heating systems, refrigeration systems, and air-conditioning systems;

(3) The maintenance of buildings and other structures in a safe, sanitary, and healthful condition;

(4) Other matters that may be specified by the City Council.

These duties shall include the receipt of application for permits and the issuance or denial of permits, the making of any necessary inspections, the issuance or denial of certificates of compliance, the issuance of orders to correct violations, the bringing of judicial actions against actual or threatened violations, the keeping of adequate records, and any other actions that may be required in order adequately to enforce those laws. The city council shall have the authority to enact reasonable and appropriate provisions governing the enforcement of those laws. (1969, c. 1065, s. 1; 1971, c. 698, s. 1.)" (See Footnote #2 below.)

2) Quote taken from 1978 Edition, NC General Statutes Pertaining to Enforcement of the North Carolina State Building Code, Page GS-89.

CLAIMS - FRANK CUTSHAW - JUNIOR D. McCURRY - CURTIS R. BLACKWELL - DETRIA GREENE

The City Manager presented the following claims received from Mr. W. R. Swearngan, Facility Services Superintendent.

The following individuals have claims against City of Asheville for damage:

Frank Cutshaw 20-D Deaverview Apts. Asheville, N. C.	Damage to automobile - City Vehicle backing
Junior D. McCurry Rt. 9, Box 685 Asheville, N. C.	Damage to truck - Hit by City Vehicle
Curtis R. Blackwell	Assault on son by City employee

Claim sent to St. Paul Fire & Marine Insurance:

Detria Greene 20-C Bingham Heights Apts. Asheville, N. C.	Damage to automobile by gate at Memorial Stadium

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

BUDGET AMENDMENT - FUNDING FOR AIR SERVICE MARKET STUDY AT ASHEVILLE AIRPORT

The City Manager presented a budget amendment that the Fiscal 1978-79 Operating Budget of the City of Asheville to be amended as follows: By transferring $6,000 from the General Fund to the Aviation Fund - Professional Service line item: $3,000 in the General Fund is to come from the General Fund Contingency line item and $3,000 is to come from County participation. This is to provide funds for an Air Service Market Study at the Asheville Airport.

Councilman Morris moved to approve the budget amendment presented by the City Manager. This motion was seconded by Councilman Michael and carried unanimously.

BUDGET AMENDMENT - TO REPLACE PUBLIC WORKS BASE STATION RADIO

The City Manager presented a budget amendment that the Fiscal 1978-79 Operating Budget of the City of Asheville be amended as follows:

General Fund	Increase (Decrease)
Nondepartmental - Contingency	($2,370)
Employee Health & Safety - Capital Outlay - Equipment	$2,370

To provide funding for emergency replacement of the Public Works base station radio.

Councilman Michael moved to approve the budget amendment presented by the City Manager. This motion was seconded by Vice-Mayor Horton and carried unanimously.

RESOLUTION NO. 79-11 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE CHANGE ORDER NO. 4 WITH SOUTHWORTH CONSTRUCTION COMPANY, INC. FOR THE PROJECT KNOWN AS RENOVATION OF VALLEY STREET MAINTENANCE FACILITY

Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville Change Order No. 4 with Southworth Construction Company, Inc. for the project known as renovation of Valley Street Maintenance Facility.

The City Manager read the resolution and explained that this change order was for recommended electrial changes in the current contract.

Upon motion of Councilman Cole, seconded by Councilwoman Price, Resolution No. 79-11 was unanimously adopted.

Complete text of Resolution No. 79-11 will be found in Resolution Book No. 11 at page 76.

REPORT FROM ASHEVILLE HOUSING AUTHORITY RE: REV. WESLEY GRANT'S REQUEST TO PURCHASE CITY PROPERTY

The City Manager read the following letter received from Jesse G. Ray relative to Rev. Wesley Grant's request to purchase city property.

January 10, 1979

Mr. Ken Michalove, City Manager
City of Asheville
P. O. Box 7148
Asheville, North Carolina 28807

Re: Your correspondence of December 28, 1978: Rev. Wesley Grant

Dear Ken:

In regards to your December 28, 1978 correspondence concerning the request of Rev. Grant to acquire a portion of disposal parcel 143, in our regular monthly meeting of January 9, 1979 I instructed the staff and the attorney to investigate the possibility and feasibility of complying with City Council's request.

I will communicate these findings to Council as soon as I receive the appropriate information from the staff and attorney.

Yours truly,

/s/ Jesse G. Ray
Jesse G. Ray
Chairman

Thursday - January 18, 1979 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen Ralph D. Morris, Jr., Gene E. Rainey, F. Jack Cole, and Otis B. Michael, Corporation Counsel William C. Moore, Associate City Manager/City Clerk William F. Wolcott, Jr., Acting City Clerk Carol Hensley.

Absent: City Manager K. M. Michalove

INVOCATION

The invocation was given by Councilman Gene E. Rainey.

APPROVAL OF MINUTES

1. Approval of the minutes of the January 11, 1979 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Rainey, the minutes of the January 11, 1979 meeting were approved as submitted.

ORDINANCE NO. 1090 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Rezoning property on Rock Hill Road, Stockwood Area Residents)

2. Consideration was given to the third and final reading of Ordinance No. 1090, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended rezoning property on Rock Hill Road, Stockwood Area Residents, from R-2, R-3 and CS to R-1 Residential District.

Mayor Tranthram said the ordinance was previously read on first and second readings and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1090 passed on third and final reading.

Complete text of Ordinance No. 1090 will be found in Ordinance Book No. 8 at page 308.

RESOLUTION NO. 79-12 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR A 6-INCH AND 8-INCH WATER LINE ON NC-63 (LEICESTER HIGHWAY) AND ON STATE ROAD 1822 AND STATE ROAD 1369 IN BUNCOMBE COUNTY, NORTH CAROLINA

3. Consideration was given to a resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the North Carolina Department of Transportation for a 6-inch and 8-inch water line on NC-63 (Leicester Highway) and on State Road 1822 and State Road 1369 in Buncombe County, North Carolina.

The Associate City Manager read the resolution and explained that this encroachment is for the water line being relocated around the new Ingles Shopping Center on the Leicester Highway.

COUNCILMAN RAINEY COMMENT'S - CONFLICT OF INTEREST IN INSPECTION DIVISION

Councilman Rainey said he had completed reading the report of the City Manager relative to the conflict of interest matter in the Inspection Division and reported that he was pleased with the report and he commended the City Manager for the report.

JAMES WALTER TAYLOR, JR. - MISUSE OF FUNDS IN SANITATION DIVISION

Mr. James Walter Taylor, Jr. said he has worked with the City for over 26 years and he had reported the misuse of city funds in the Sanitation Division to the City Manager and nothing was done about the matter.

The City Manager said the matter was reviewed and a report given to Council. He said the report indicated there was insufficient evidence to prosecute on this charge. He said Mr. Taylor could go to the District Attorney on his own and take any legal actions he personally wished but he was satisfied that the matter had been thoroughly reviewed.

JACKIE COLE, JR. - BLAYLOCK AVENUE - DILAPIDATED HOUSES ON BLAYLOCK AVENUE

Mr. Jackie Cole, Jr. said he had reported to Council, several months ago, three empty dilapidated houses on Blaylock Avenue and nothing has been done about them.

Mr. Cole also reported criminal assaults on his children by either police or sheriff detectives, which resulted in entensive personal injury to his son.

Mayor Trantham advised Mr. Cole that Council would have the dilapidated houses investigated but he should present his criminal assault charges to the District Attorney.

RALPH BISHOP - LOTTERY SALES

Ralph Bishop again complained to Council about the lottery sales in the City of Asheville.

Adjournment.

Ralph A. Trantham
MAYOR

Vivian F. McCarthy
CITY CLERK

Alan Hyder, Director of Research and Development of the Police Department, explained that this amendment would be to appropriate funds for the Update Asheville/Buncombe Co. I. D. Program through a grant received from the N. C. Division of Crime Control in total amount of $38,000.

Vice-Mayor Horton moved to approve the budget amendment as presented by the Associate City Manager. This motion was seconded by Councilwoman Price and carried unanimously.

BUDGET AMENDMENT - WATER IMPROVEMENT FUND - REFLECTING 1978 EXPENDITURES

7. Consideration was given to a motion approving a budget amendment to amend the City of Asheville Capital Projects budget for the Water Improvement Fund to reflect actual expenditures through December 31, 1978.

The Associate City Manager presented the budget amendment and explained that this is an annual updating of this Capital Projects fund, and is part of the process used to determine the total funds available for new projects in Fiscal 1979.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the budget amendment to amend the City of Asheville Capital Projects budget for the Water Improvement Fund to reflect actual expenditures through December 31, 1978 was unanimously adopted.

BUDGET AMENDMENT - WATER SYSTEM IMPROVEMENT FUND - APPROPRIATE FISCAL 1979 REVENUES

8. Consideration was given to a motion approving a budget amendment to amend the City of Asheville Capital Projects budget for the Water System Improvement Fund to appropriate anticipated Fiscal 1979 revenues in the Water System Improvement Fund in the amount of $267,450.00.

The Associate City Manager presented the budget amendment and stated that this amendment is to appropriate anticipated Fiscal 1979 Revenues in the Water System Improvement Fund. The joint City/County Water Committee approved funding of new Fiscal Year 1979 in the Water System Improvement Fund by approved projects. Anticipated revenues were increased by incorporating each of the projects in a grant package to be funded 25% by the State of North Carolina. The County of Buncombe requested that the grant package be expanded to include the Mt. Carmel Road project, with the County providing 100% of the local match.

Councilman Morris moved to approve the budget amendment as presented by the Associate City Manager. This motion was seconded by Councilwoman Price and carried unanimously.

BIDS - ONE (1) POLYGRAPH INSTRUMENT - FOR POLICE DEPARTMENT

9. Consideration was given to bids received January 15, 1979 for one (1) polygraph instrument (portable/desk set) and associated supply and equipment items for use by City of Asheville Police Department.

The City Manager presented the bids and said it had been recommended that Council accept the only bid received from Lafayette Instrument Company in the amount of $3,237.00.

Alan Hyader, Director of Planning Research and Development of the Asheville Police Department, explained the need for the use of the polygraph machine in the Police Department.

Upon motion of Councilwoman Price, seconded by Councilman Morris, Resolution No. 79-12 was unanimously adopted.

Complete text of Resolution No. 79-12 will be found in Resolution Book No. 11 at page 77.

RESOLUTION NO. 79-13 - RESOLUTION AUTHORIZING THE CITY CLERK TO READVERTISE THE SALE OF CITY OF ASHEVILLE PROPERTY, KNOWN AS THE PACK MEMORIAL LIBRARY BUILDING ON PACK SQUARE

4. Consideration was given to a resolution authorizing the City Clerk to readvertise the sale of City of Asheville property, known as the Pack Memorial Library Building on Pack Square.

The Associate City Manager read the resolution and explained this was necessary due to an upset bid being received from William C. Morris, Jr. and James N. Golding in the amount of $100,000.00.

Councilman Michael said Mr. Morris and Mr. Golding should be notified that if they are considered for the purchaser of the property Council would like to know more specific information on the use of the building as well as an approximate date of occupancy.

Upon motion of Councilman Rainey, seconded by Councilman Michael, Resolution No. 79-13 was unanimously adopted.

Complete text of Resolution No. 79-13 will be found in Resolution Book No. 11 at page 78.

RESOLUTION NO. 79-14 - RESOLUTION HONORING REVEREND MARTIN LUTHER KING ON THE 50TH ANNIVERSARY OF HIS BIRTH

5. Consideration was given to a resolution honoring Reverend Martin Luther King on the 50th Anniversary of his birth.

Councilman Michael read the resolution.

Upon motion of Councilman Michael, seconded by Councilman Morris, Resolution No. 79-14 was unanimously adopted.

Councilman Morris requested that a copy of the resolution be sent the Reverend Martin Luther King's family.

Complete text of Resolution No. 79-14 will be found in Resolution Book No. 11 at page 79.

BUDGET AMENDMENT - UPDATE ASHEVILLE/BUNCOMBE CO. I. D.

6. Consideration was given to a motion approving a budget amendment to amend the City of Asheville Federal Capital Projects Fund budget for Fiscal Year 1978-79 to set up appropriate revenue and expenditure accounts to accommodate the execution of a contract with the North Carolina Division of Crime Control as authorized by Resolution No. 78-204.

Councilwoman Price moved to accept the recommendation and award the bid to Lafayette Instrument Company in the amount of $3,237.00. This motion was seconded by Vice-Mayor Horton and carried unanimously.

REVITALIZATION COMMISSION BUDGET - COUNCILMAN MICHAEL'S COMMENTS

10. Councilman Michael said he had heard the Revitalization Commission under the Planning Division is requesting $770,000 for the upcoming budget. He said he was not aware this Commission was allotted a budget since it was only a group of concerned citizens for downtown revitalization. He requested a report from the City Manager on the requested budget for the Revitalization Commission.

RESOLUTION NO. 79-15 - RESOLUTION DIRECTING THE CITY CLERK TO INVESTIGATE A PETITION RECEIVED UNDER G. S. 160A-31 (W.N.C. Baptist Home property on Richmond Hill)

11. Consideration was given to a resolution directing the City Clerk to investigate a petition received under G. S. 160A-31.

The Associate City Manager read the resolution and explained that on January 9, 1979, an annexation petition was submitted to the City of Asheville by the Western North Carolina Baptist Homes, Inc. requesting annexation of their property in Richmond Hills. Pursuant to State Law, this resolution directs the Ctiy Clerk to investigate the validity of the annexation petition and report findings to Council so that further annexation activities may proceed.

Vice-Mayor Horton explained that this property will house the retirement home for the Baptist. He said it is the old Pearson property which now adjoins the present City Limits.

Councilman Michael said since the group would be tax exempt they should know the City would be expecting a payment in lieu of taxes for the services that would be given to the area.

Vice-Mayor Horton said the group was well aware of the need for payment in lieu of taxes.

Upon motion of Vice-Mayor Horton, seconded by Councilman Michael, Resolution No. 79-15 was unanimously adopted.

Complete text of Resolution No. 79-15 will be found in Resolution Book No. 11 at page 80.

Adjournment.

MAYOR

CITY CLERK

STATUS REPORT ON DEAVERVIEW PARK

4. Ray Kisiah, Director of Parks and Recreation, in reviewing the background of the Deaverview Park said for several years the City has had a reciprocal lease with the YMCA for the Deaverview property for recreational use in exchange for the YMCA using the City's Richmond Hill property for a Mini-Bike program. He said the City's long term plan for the Deaverview property was to acquire the land and develop it for a park. He said there was an attempt to purchase the property with HUD funds, however it was decided this would not be feasible. He said the property is still under reciprocal lease with the YMCA for the West Asheville Sports Program, however he said he had been informed by the YMCA that they now have an offer to purchase the property and it appears that it will be sold. He said this action would place a constraint on the West Asheville Youth programs.

Vice-Mayor Horton voiced concern that the property is being sold. He said he felt Council did not have any input into the sale of the property even though the City made an earnest effort to purchase the property. He expressed personal disappointment that the negotiations did not stay open for a compromise.

Councilman Morris said it was previously reported to Council that it was decided during negotiations that the City could not afford the appraisal price and the YMCA could not accept the City's offer of a long-term payment agreement without interest. He said he did not think the City should condemn the YMCA for their actions.

Joe Dunne, 35 Ballantree Drive, a resident of West Asheville, strongly protested the fact that the City had not continued to pursue the purchase of the Deaverview property. He said if West Asheville has to give up the use of the Deaverview property there would be over 500 children trying to play on two (2) fields in West Asheville.

Mr. George Hutchison also spoke in support of the West Asheville Sports program.

Vice-Mayor Horton said he did not know if there had been a firm offer on the property, at present, and if not he hoped the City could find some avenues of financing if the property is not out of reach. He suggested that Council could possibly meet with the YMCA on the matter.

Councilman Morris suggested that the residents also go to the County Commissioners and ask for more park facilities in that area of the City. He said forty percent (40%) of the county taxes are being paid by city residents but parks are built in outlying areas that the City gets no use from.

Ron Ratcliff, 4 Davenport, also make a strong plea for the continuation of the West Asheville Sports Programs.

Thursday - January 25, 1979 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen Ralph D. Morris, Jr., Gene E. Rainey, F. Jack Cole, and Otis B. Michael, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman F. Jack Cole.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the January 18, 1979 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the minutes of the January 18, 1979 meeting were approved as submitted.

RESOLUTION NO. 79-16 - RESOLUTION IN MEMORY OF SENATOR I. C. CRAWFORD

2. Consideration was given to a resolution in memory of Senator I. C. Crawford.

The City Manager read the resolution.

Upon motion of Councilman Cole, seconded by Councilwoman Price, Resolution No. 79-16 was unanimously adopted.

Complete text of Resolution No. 79-16 will be found in Resolution Book No. 11 at page 81.

PROCLAMATION - 1979 "YEAR OF THE CHILD"

Mrs. Bratton read a proclamation proclaiming 1979 as the "Year of the Child."

Mayor Trantham proclaimed 1979 as the "Year of the Child."

RESOLUTION NO. 79-17 - RESOLUTION EXPRESSING THE APPRECIATION OF THE CITY OF ASHEVILLE FOR THE ACTIONS OF POLICE OFFICERS BEYOND THE CALL OF DUTY

3. Consideration was given to a resolution expressing the appreciation of the City of Asheville for the actions of Police Officers, Sergeant W. L. Dillingham, F. A. Lawson, and J. R. Emory, beyond the call of duty. These police officer's actions most likely saved the lives of three citizens of the City in a recent fire.

The City Manager read the resolution.

Upon motion of Vice-Mayor Horton, seconded by Councilman Morris, Resolution No. 79-17 was unanimously adopted.

Complete text of Resolution No. 79-17 will be found in Resolution Book No. 11 at page 82.

Councilman Rainey said he felt the City Coach Service from Jacksonville, Florida, who operates the system, is not sensitive to the community's problems.

Councilman Michael said he would like to see a balanced budget as of July 1, 1979.

Mayor Trantham closed the public hearing at 4:40 p. m.

The City Manager read the resolution.

Upon motion of Councilman Michael, seconded by Vice-Mayor Horton, Resolution No. 79-18 was unanimously adopted.

Complete text of Resolution No. 79-18 will be found in Resolution Book No 11 at page 83.

SALE OF DISPOSAL PARCEL 147-150 - EAST RIVERSIDE RENEWAL PROJECT

6. Consideration was given to a motion approving the sale of Disposal Parcel 147-150 in the East Riverside Renewal Project.

The City Manager read a letter from the Housing Authority of the City of Asheville stating that the authority received the following bid for a disposal parcel in the East Riverside Renewal Project and recommended its acceptance.

PARCEL	REUSE	PRICE	BID	REDEVELOPER
147-150	Commercial	$1,600	$1,800	Hines, Hines & Tate

Councilman Rainey moved to approve the sale of Disposal Parcel 147-150 in the East Riverside Renewal Project to Hines, Hines & Tate in the amount of $1,800.00. This motion was seconded by Councilwoman Price and carried unanimously.

Councilman Michael said in the future he would like a more understandable description of the properties being voted upon.

RESOLUTION NO. 79-19 - RESOLUTION AUTHORIZING NOTICE OF INTENT TO LEASE A PARCEL OF LAND AT THE ASHEVILLE AIRPORT TO HERTZ CORPORATION

7. Consideration was given to a resolution authorizing notice of intent to lease a parcel of land at the Asheville Airport to Hertz Corporation.

The City Manager read the resolution explaining that the land is a lot on the E/S Service Road off Fanning Bridge Road containing approximately 3.3 acres.

Upon motion of Councilman Morris, seconded by Councilwoman Price, Resolution No. 79-19 was unanimously adopted.

Complete text of Resolution No. 79-19 will be found in Resolution Book No. 11 at page 85.

RESOLUTION NO. 79-20 - RESOLUTION TO CLOSE PORTION OF SCOTT STREET AND SOUTH FRENCH BROAD AVENUE AND ALL OF SEVEN (7) UN-NAMED ALLEYS

8. Consideration was given to a resolution to close portions of Scott Street and South French Broad Avenue and all of seven (7) un-named alleys.

Councilman Cole, contesting the development of a park in North Asheville on the Swain property said the funds allocated for the North Asheville park could be used in West Asheville.

Logan Delany, Community Development Coordinator, explained the problems encountered in trying to obtain HUD financing for the acquisition of the property.

Vice-Mayor Horton suggested that the YMCA be contacted to find out if, in fact, a firm offer has been made on the property.

Council recessed at 4:10 p. m.

Council reconvened at 4:15 p. m.

The Mayor advised that a bonafide offer is in existence for the Deaverview property. He informed the residents that Council would consider their concerns and would be back in touch with them in the near future.

PUBLIC HEARING - FEDERAL OPERATING ASSISTANCE UNDER SECTION 5 OF THE URBAN MASS TRANSPORTATION ACT OF 1964, AS AMENDED

RESOLUTION NO. 79-18 - RESOLUTION AUTHORIZING THE FILING OF AN APPLICATION WITH THE DEPARTMENT OF TRANSPORTATION, UNITED STATES OF AMERICA, FOR A GRANT UNDER THE URBAN MASS TRANSPORTATION ACT OF 1964, AS AMENDED

5. A public hearing was held for the purpose of considering a project for which Federal operating assistance under Section 5 of the Urban Mass Transportation Act of 1964, as amended, is being sought.

Mayor Trantham opened the public hearing at 4:20 p. m.

Larry Ward, of the Planning Division, said the City has been participating in this grant program since 1975 and is to finance fifty percent (50%) of the operating cost of the transit bus system. He said the project will be for the period of July 1, 1978 until June 30, 1979. The project service area encompasses the City of Asheville, Town of Biltmore Forest, and adjacent neighborhoods served by the Asheville Transit Authority. The net project cost is estimated at $715,499. The federal share is estimated at $357,749. The local share is estimated at $357,750 and is anticipated to be derived from the general operating budget of the City of Asheville. He explained why the grant application was being filed late and said next year's grant should be in on time.

Councilman Michael said it is his understanding that this grant is to cover the deficit of the transit system. He said he had been researching several matters concerning the transit system and has determined that the transit system has been supplementing buses for the school system since 1969 and the contribution by the school system is currently the same as in 1969. He said the contribution of Biltmore Forest for the bus system is also the same as it was in 1969. He said he felt it was unfair to the taxpayers for the transit system to carry a deficit because of no increase in contributions from the school system and Biltmore Forest. He said he understands the City Manager is going to pursue this matter with the school system and Biltmore Forest.

Councilman Michael was excused from the meeting at 5:40 p. m.

BUDGET AMENDMENT - LEASING OF FRONT-END LOADER

9. The City Manager presented a budget amendment amending the City of Asheville Operating Budget for Fiscal Year 1978-79 by transferring $15,000 from the General Fund Contingency to Sanitation Division-Rents and to authorize the Mayor to enter into an agreement to rent a front-end loader for a period of six months at $3,000 per month. This would be to provide equipment to meet increased bulk container service for remainder of Fiscal 1978-79.

Councilman Morris moved to approve the budget amendment and to authorize the Mayor to enter into an agreement to rent a front-end loader for a period of six months at $3,000 per month. This motion was seconded by Councilwoman Price and carried unanimously.

APPROVAL OF THE CONSENT AGENDA

10. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. Resolution No. 79-21 - Resolution requesting classification of South Mills River.

Resolution Book No. 11 Page 91.

B. Resolution No. 79-22 - Resolution requesting the reclassification of the French Broad River.

Resolution Book No. 11 Page 92.

C. Approval of bids received January 15, 1979 for one (1) fully equipped Mobile Crime Laboratory for use by City of Asheville Police Department.

HIGHLIGHTS: Two (2) fully responsive bids were received.

Recommendation of fully responsive low bid submitted by Sirchie Finger Print Laboratories, Inc. in the amount of $16,500.00.

Funding: Law Enforcement Assistance Administration sub-grant to the City of Asheville entitled Update Asheville I. D. Project.

The City Manager read the resolution and explained that this resolution was considered at the December 7, 1978 meeting but was referred to the Community Development/Housing Authority Liaison Committee.

Councilwoman Price, who chairs the Community Development/Housing Authority Liaison Committee, said the committee discussed the matter at their meeting on January 12, 1979 and it was recommended that a portion of South French Broad and all of the unnamed alleys be closed and to leave Scott Street open. She said it has been requested that the cost of leaving Scott Street open be determined.

Larry Holt, of the Housing Authority, presented Council with a letter showing that it would cost approximately $16,100.00 to leave Scott Street open. He said there would be no funds in the federal grant to pay for this.

The City Manager said if Council decides to leave Scott Street open he would suggest funding by several alternatives, 1) Community Development funds; 2) Deleting one (1) street scheduled for resurfacing; or 3) appropriating funds in the July 1, 1979 budget.

Councilman Michael made a strong plea for Council to leave Scott Street open. He said he did not think the Housing Authority should be authorized to tear up the streets before closing them. He said the people whose houses have back yards facing Scott Street don't want Scott Street closed. He said the residents of the areas where streets are closed should have more input. He said there are four (4) housing projects in the area with no through streets which eliminates adequate police protection. He said it is not fair to have to pay to leave a neighborhood as it is.

Councilman Michael moved to amend the resolution by deleting Scott Street. This motion was seconded by Councilman Rainey.

The City Manager said if the motion passes he would need some guidance on the funding for leaving Scott Street open.

In response to Councilman Rainey, Mr. Holt said the City would have to absorb funding of ineligible project costs such as the funding of leaving Scott Street open.

Councilman Cole said the City should not amend the plan if it is going to cost the City money.

Mayor Trantham then called for a roll call vote on Councilman Michael's motion, which motion passed on a vote of 4-3 with Mayor Trantham, Councilwoman Price, Councilman Rainey and Councilman Michael voting "aye" and Vice-Mayor Horton, Councilman Cole and Morris voting "no."

Councilwoman Price then moved for the adoption of Resolution No. 79-20, as amended. This motion was seconded by Councilman Rainey and carried on a voice vote of 6-1, with Councilman Cole voting "no."

Complete text of Resolution No. 79-20 will be found in Resolution Book No. 11 at page 86.

1. THE WEATHER, NEWS, TIME CHANNEL:

(a) Incorrect temprature for many months.
(b) Incorrect date from January 17 to January 20. (Corrected only after an irate subscriber called attention to it.)
(c) Weather reports not kept sufficiently timely to serve the needs of subscribers.

2. INDEPENDENT CHANNELS:

Stations frequently off the air during a given week, sometimes for more than a broadcast day.

3. IMPROPER LISTINGS:

Program listings are too often incorrect as they appear in local newspapers.

In the case of number 3 we are not able to ascertain as to whether this is the fault of Thoms Cablevision or the local newspapers. It is, however, annoying to subscribers to the service and we would think that the company would see that such occurances be cut to the minimum.

It is our opinion that items 1 and 2 are the result, in many cases, of plain indifference on the part of the Thoms management. While it is true that the manager says that such parts as are necessary to repair the temprature apparatus have been ordered and repairs cannot be effected until they are delivered, it would seem to us that six months or more is an overlong time to wait for such delivery. On the other hand we cannot learn of any genuine excuse for not correcting the date for a period of 3 days! As to the frequent "down time" for certain "independent" channels we are willing to concede that this may not always be the fault of the local cable company, however, it is our feeling that, since these independent channels were part of a "package" offered at the time the company sought the right to increase rates from City Council we feel that the company is responsible for providing "independents" who are capable of living up to promises made to subscribers. We, like many organizations and groups in this area, are very proud of Asheville and Western North Carolina. We are particularly proud of the growing atmosphere of cosmopolitan attitudes on the part of our many good neighbors here. We believe, therefore, that any company who seeks to provide intertainment and education via any medium should do so by offering the broadest possible spectrum of viewing opportunity and the sincerest and best possible service.

Again, we ask that the Board of Commissioners give these thoughts serious consideration before granting additional franchises to Thoms Cablevision or to any other cable company.

Sincerely yours,

Ray Stepp

Ray Stepp,
President

D. Resolution No. 79-23 - Resolution authorizing the Mayor to enter into a municipal agreement with the North Carolina Board of Transportation relative to Project No. 8.7384004.

HIGHLIGHTS: The North Carolina Department of Transportation had adopted plans to make certain street and highway improvements to the intersection of U. S. 19-23 (Patton Avenue) and N. C. 63 (Leicester Road).

Resolution Book No. 11 Page 94

E. Resolution No. 79-24 - Resolution authorizing the Mayor to execute an agreement with the General Services Administration (GSA) regarding implementation of the National Urban Policy.

Resolution Book No. 11 Page 95

Upon motion of Councilwoman Price, seconded by Councilman Rainey, the consent agenda was unanimously approved.

LETTER FROM WESTERN NORTH CAROLINA CENTRAL LABOR UNION - RE: THOMS CABLEVISION

At the request of the Western North Carolina Central Labor Union, the City Manager entered the following letter into the minutes of the Council meeting and said a copy of the letter would be forwarded to Thoms Cablevision.

The letter is as follows:

January 22, 1979

Board of County Commissioners
Buncombe County Courthouse
Asheville, North Carolina

Honorable Commissioners:

It has come to our attention that you are presently considering the issuance of a franchise or franchises for the establishment of Cable Television in those parts of Buncombe County not presently served.

We would ask that before you finalize plans for such service that you take into account the following:

Many of our members and their many neighbors who are present subscribers to the cable service offered by Thoms Cablevision of Charlotte Street, Asheville have complained to us on numbers of occasions about what they consider to be very poor service on the part of that company. To cite a few of the more recent complaints reported to us —:

Thursday - February 1, 1979 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen Ralph D. Morris, Jr., Gene E. Rainey, F. Jack Cole, and Otis B. Michael, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilwoman Norma T. Price.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the January 25, 1979 meeting.

Councilman Rainey presented a grammatical change to the minutes.

Upon motion of Councilwoman Price, seconded by Vice-Mayor Horton, the minutes of the January 25, 1979 meeting were approved as amended.

APPROVAL OF BUDGET AMENDMENT AMENDING CITY OF ASHEVILLE FIRST, SECOND, THIRD AND FOURTH YEAR COMMUNITY DEVELOPMENT FUNDS BUDGET FOR FISCAL YEAR 1975-76, 1976-77, 1977-78 AND 1978-79

2. Consideration was given to a motion amending the City of Asheville First, Second, Third, and Fourth Year Community Development funds Budget for Fiscal Year 1975-76, 1976-77, 1977-78, and 1978-79.

The City Manager presented the budget amendment which involved three pages of budget changes which close out several programs which have been completed. He reviewed the major changes and additions in the budget amendment. He said City Council members had reviewed the amendment on several occasions.

Councilman Michael questioned the allocation of $22,000 for an awning to be placed downtown.

Verl Emrick, Planning Director and Robin Daniel, Vice-Chairman of the Revitalization Commission explained the need for the awning. It was noted that the awning would be from Lexington Avenue to Haywood Street and would enhance the connection between the major motels and the Asheville Civic Center.

Councilwoman Price moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilman Morris and carried unanimously.

(Complete text of the budget amendment is on file in the Office of the City Clerk.)

CLAIMS - CHARLES COFFEY

The City Manager presented the following claim received from Mr. W. R. Swearngan, Facility Services Superintendent:

Charles Coffey — Damage to fence post
38 Piercy Street
Asheville, N. C.

Mayor Trantham referred the claim to the Corporation Counsel for investigation and recommendation.

APPLICATION FOR ON-PREMISES BEER PERMIT FOR B AND R BAR AT 108 N. LEXINGTON AVENUE

The City Manager said, as a matter of information, a request was received from the State ABC Board requesting the City to provide their opinion on the placement of a on-premises beer permit for the B and R Bar at 108 N. Lexington Avenue. He said this matter came to Council several weeks ago and the City has written the State regarding the City's opinion and requesting a public hearing on this matter if it is considered at all. He said he has also asked several staff members to provide information on this particular license.

RALPH BISHOP - LOTTERY SALES

Ralph Bishop again appeared before Council relative to the lottery sales in the City of Asheville.

Adjournment.

Ray M. Trantham
MAYOR

William J. Barrett
CITY CLERK

BIDS - ASHEVILLE-BUNCOMBE COUNTY CRIMINAL JUSTICE INFORMATION SYSTEM

RESOLUTION NO. 79-25 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN A CONTRACT FOR THE PURCHASE OF THE NECESSARY COMPUTER EQUIPMENT AND OPERATING SOFTWARE FOR THE ASHEVILLE-BUNCOMBE COUNTY CRIMINAL JUSTICE INFORMATION SYSTEM

4. Consideration was given to bids received November 17, 1978 for the purchase of the necessary computer equipment and operating software for the Asheville-Buncombe County Criminal Justice Information System.

The City Manager presented a memorandum from the Purchasing Agent noting that six (6) responsive bids were received. A selection committee composed of members of Buncombe County Sheriff's Department, the Asheville Police Department, the Asheville Data Processing Division have evaluated the proposals using a uniform and weighted scoring technique and cost/benefit analysis, which was established prior to the bid opening. Based on this evaluation, the committee has identified Burroughs Corporation to be the lowest responsible bidder with a total bid price of $274,360, and a cost/benefit ratio of $4,639.95. He said Burroughs Corporation was not the low bidder according to the bid tabulation, however computer hardware and software services are extremely difficult to evaluate and the committee came up with a weighted method of processing the bids. He said this process was determined prior to the bid opening avoiding any questions on the procedure. He said since the bid took place there has been a further reduction of the cost by Burroughs Corporation to a price of $264,900. He said the low bid shown on the bid tabulation amounted to $234,960 and the high bid was $275,000. On the bid tabulation Burroughs Corporation was second highest, however there were reasons why some bidders did not qualify as responsive bids.

Tom Stranberg, Data Processing Director, said the committee evaluated across six categories awarding points to each category based on the evaluation of the category. He said the ratio was the division of those points into the purchase price. He said Burroughs Corporation was determined to have the lowest cost/benefit ratio. He said LEAA required that prior to the signing of a contract that the City forward to them documentation of the proposal procedure, the bidding procedure, and the selection. He said this information was forwarded to LEAA and a verbal approval has been received on the selection.

The City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Councilwoman Price, Resolution No. 79-25 was unanimously adopted.

Complete text of Resolution No. 79-25 will be found in Resolution Book No. 11 at page 96 .

PUBLIC HEARING - PROPOSED REVISIONS -COMMUNITY DEVELOPMENT - URBAN DEVELOPMENT ACTION GRANT

3. A public hearing was held relative to proposed revisions of the application for the Community Development-Urban Development Action Grant.

Mayor Trantham opened the public hearing at 3:30 p. m.

The City Manager said the public hearing notice was duly advertised according to federal guidelines. He said several members of the City Council went to Washington several weeks ago when it was determined that the original application for the grant funds would not be available due to technicalities of the application and the priorities of the federal government. He said several weeks ago a member of the HUD staff came to Asheville and worked with the Planning Staff, members of Council and himself and it now seems that the City has an application that will meet federal guidelines, although the City will have to compete with several other cities in the United States. He said he was pleased with the amount of potential private funds that will be invested in the downtown area in the immediate future. He said one of the problems with the original application was the fact that the private commitments were vague. He said the City staff has gone back to the private developers to determine exactly what they were planning to do and they received excellant response.

Logan Delany, Community Development Coordinator, said one of HUD's concerns on the original application was the fact that the application indicated a partial Urban Renewal type project in that the City would acquire properties to induce the private developers to come into the project. He said this has changed in the sense that the City has received technical assistance and guidance from HUD. He said it was suggested that the Community Development area be expanded in order to attract more private investment dollars into the revitalization area that has the greater potential. He said the original area was not excluded but expanded.

Mr. Verl Emrick, Planning Director, by the use of a map, reviewed the description of the revised area to be included in the UDAG application. He said the area was changed at the advice of Mr. Langford, HUD representative. He said the efforts of the application revolves around the rehabilitation of old buildings to a useable potential. He said private commitments had been received from approximately twenty (20) different developers investing approximately $20 million which would be in addition to the $4.5 million requested from the federal government. He said this ration would exceed the 4-1 ratio requested by the federal government. He said he felt the City is now in a better position of receiving the UDAG funding.

Upon inquiry of Councilman Cole, Mr. Emrick said this district has been nominated for a historical district and if approved this would entitle anyone who improves property in the area special tax considerations.

Mr. Delany said HUD would be reviewing the application in early March, 1979.

Mayor Trantham said while in Washington it was determined that the City had a lot of work to do on their application and they received encouragement on the UDAG funding.

The City Manager said when Council initially took this project, they were looking at a purchase price of $105,000 and a development cost of $60,000. He said Council did not know, until it was determined at last week's meeting from the community that they didn't want the elaborate and extensive development of the property that Council had initially planned to do. He said he would hope that there is a mutual agreement between the Council and the community that the City will not have the development funds.

Mayor Trantham said he appreciated the YMCA working with the City on the project.

Vice-Mayor Horton said this has been an unusual situation in that at first it was felt that Community Development funds would be used until the City received conflicting rulings from HUD and realized this was not practicable. He said in the interest of the Parks and Recreation program and supporting the organized league activities of the various sports, he felt this was a wise decision to hold on to the Deaverview property. He said he appreciated the YMCA working with the City on the project. He said if approved the City might want to consider minimal improvements to the project with the Community Development funding in the next few years.

Ron Ratcliff, 4 Davenport, thanked Council and the City Staff for their efforts on purchasing the property.

Councilman Michael said he did not want the City to cut out any essential services in order to finance the purchase of the property.

The City Manager noted that $60,000 is still appropriated in the Community Development budget for development of the project and Council would have to decide at some point in time what action to take on this appropriation.

Upon motion of Vice-Mayor Horton, seconded by Councilman Cole, Resolution No. 79-27 was unanimously adopted.

Complete text of Resolution No. 79-27 will be found in Resolution Book No. 11 at page 98.

BUDGET AMENDMENT - APPROPRIATIONS FOR DEAVERVIEW PARK PROJECT

The City Manager then presented a budget amendment amending the General Capital Project Fund Budget to provide for funding for the purchase of Deaverview Park for $85,000.

Upon motion of Councilwoman Price, seconded by Councilman Cole the budget amendment providing funding for the purchase of Deaverview Park was unanimously approved.

NAMING OF STREETS IN THE EAST RIVERSIDE URBAN RENEWAL PROJECT -NC R-48

7. The City Manager read a letter received from the Housing Authority regarding recommendations for the naming of certain streets in the East Riverside Urban Renewal Project, N. C. R-48.

RESOLUTION NO. 79-26- RESOLUTION AUTHORIZING THE CITY CLERK TO READVERTISE THE SALE OF CITY OF ASHEVILLE PROPERTY, KNOWN AS THE PACK MEMORIAL LIBRARY BUILDING ON PACK SQUARE

5. Consideration was given to a resolution authorizing the City Clerk to readvertise the sale of City of Asheville property, known as the Pack Memorial Library Building on Pack Square.

The City Manager read the resolution explaining that this resolution was necessary due to an upset bid being received from James Gary Rowe in the amount of $105,050.00.

Upon motion of Councilwoman Price, seconded by Councilman Cole, Resolution No. 79-26 was unanimously adopted.

Complete text of Resolution No. 79-26 will be found in Resolution Book No. 11 at page 97.

RESOLUTION NO. 79-27 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO ENTER INTO A CONTRACT TO PURCHASE THE DEAVERVIEW PARK FROM THE YOUNG MEN'S CHRISTIAN ASSOCIATION OF METROPOLITAN ASHEVILLE AND BUNCOMBE COUNTY, INCORPORATED

6. Consideration was given to a resolution authorizing the Mayor of the City of Asheville to enter into a contract to purchase the Deaverview Park from the Young Men's Christian Association of Metropolitan Asheville and Buncombe County, Incorporated.

The City Manager read the resolution. He said the terms of the contract included a purchase price of $85,000.00 to be paid as follows:

$5,000.00 from the 1978-79 General Fund as immediate payment toward the purchase price;
$40,000.00 - due July 15, 1979;
$40,000.00 - due July 15, 1980, spreading the payment over a three (3) fiscal year period. He said 8% interest would be applied to the unpaid balance from July 15, 1979 to July 15, 1980.

Councilman Rainey noted that the appraisal price of $104,000 would be mandatory if Community Development or any other federal funds were used to purchase the property. He said in effect the City is saving $20,000 on the purchase of the property by using general funds.

The City Manager noted that the decision to proceed with the purchase of the park with city funds is a Council decision and was decided upon in this years budget, referring to the budget letter contained in the City budget. He said at that time it was decided to appropriate $5,000 with the idea of spreading the payments over a sixteen (16) year period. The remaining funds for the next two years will be budgeted, based on what the Council decides to do, as a top priority. He said Revenue Sharing funds will more than likely be used.

APPROVAL OF THE CONSENT AGENDA

8. The City Manager noted that the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. Approval of bids received January 31, 1979 for service station canopy for the Motor Transport Division.

HIGHLIGHTS: Only one (1) bid was received.

Recommendation of acceptance of bid submitted By C.C.S., Inc. in the amount of $12,888.00.

Funding: Motor Transport Operations Complex Funds, Account Code 66-15-925.0073

B. Approval of bids received January 22, 1979 for two (2) four-door sedans for use by supervisory personnel of Asheville Transit Authority.

HIGHLIGHTS: Two (2) responsive bids were received.

Recommendation of acceptance of lowest responsive bid submitted by Apple Tree Chevrolet in the total amount of $11,619.25

Funding: UMTA Capital Grant - Project No. NC-03-0006
Account Code 65-25-917-0-865.0073
Sufficient funds are available for above expenditure

C. Approval of budget amendment to amend the City of Asheville Federal Capital Projects Fund budget for Fiscal Year 1978-79 to include the Urban Mass Transportation Administration Capital Grant as approved by City Council Resolution No. 78-164 and the North Carolina Department of Transportation Capital Grant as approved by City Council Resolution No. 78-183 in the Federal Capital Projects Fund.

HIGHLIGHTS:

APPROPRIATION:			
65-25-917	-	UMTA Capital Grant Project	$182,475.00
REVENUE:			
65-348	-	State Government Grant NCDOT	18,247.00
65-349	-	Federal Government Grant UMTA	145,980.00
65-397	-	City of Asheville Local Match Revenue Sharing Fund	18,248.00
			$182,475.00

The City Manager noted that the Community Development office had received community input into the recommendations for naming of the streets.

The recommendations of the Housing Authority were as follows:

New Street No. 1 (connecting S. French Broad Avenue and S. Grove Street)

Housing Authority recommendation: Grove Place

New Street No. 2 (new street ending in cul-de-sac, running off Blanton Street in a westerly direction)

Housing Authority recommendation: Goode Circle

New Street No. 3 (running off Blanton Street in an easterly direction and then due south in the general area where Short Ashland or Smith Street was located)

Housing Authority recommendation: Blanton Place

The City Manager said during the City Council agenda meeting on Tuesday, January 30, 1979 it was decided to name the streets as follows:

New Street No. 1 : Dailey Drive

This would be in honor of former Councilman Rueben J. Dailey.

Mayor Trantham recognized former Councilman Rueben J. Dailey.

New Street No. 2: Gilliam Place

This would be in honor of Lonnie Gilliam's father.

New Street No. 3: Tolula Lane

This would be in honor of Mrs. Tolula Rogers, a civic leader in the area.

Mayor Trantham recognized Mrs. Tolula Rogers.

Mr. Dennis Goode contested the naming of New Street No. 2 to Gilliam Place. He said he lives on that street now and had requested that the street be named Goode Place. He said the Housing Authority had also recommended the name of Goode Place.

Councilman Michael responded to Mr. Goode that Mr. Gilliam had made a substantial contribution to that neighborhood and had built several houses in the community.

Vice-Mayor Horton moved to name New Street No. 1, Dailey Drive; New Street No. 2, Gilliam Place; and New Street No. 3, Tolula Lane. This motion was seconded by Councilman Cole and carried unanimously.

CLAIMS - MARIAN G. EMBLER

The City Manager presented the following claim received from Mr. W. R. Swearngan, Facility Services Superintendent:

Marian G. Embler — Water damage
111 State Street
Asheville, N. C.

Mayor Trantham referred the claim to the Corporation Counsel for investigation and recommendation.

LETTER FROM SINKING FUND COMMISSION RELATIVE TO DISSOLUTION

The City Manager presented a letter from Mr. Arthur E. Eve, Chairman of the Sinking Fund Commission:

The Honorable Roy M. Trantham, Mayor
City of Asheville
City Hall
Asheville, North Carolina 28807

Dear Mayor Trantham:

Enclosed is a proposed draft of a bill to effect the dissolution of the Sinking Fund Commission for Buncombe County. The Sinking Fund Commissioners intent to submit the proposed bill to the Buncombe County legislative delegation as soon as possible and would like to do so with your formal approval. Therefore, we request you review the proposed bill in its entirety and advise the Commission if the proposed bill, as written, meets with your approval.

Since the legislature is now in session we would like to move promptly. Would you please try to give us your reply not later than 1 February, 1979.

For the Commissioners

/s/ Arthur E. Eve
Arthur E. Eve
Vice Chairman

The City Manager said when he received the letter he forwarded it to Mr. Bill Moore, Corporation Counsel and Larry Fisher, Director of Finance, to determine the adequacy of the bill particularly in terms of various bonds that are not dissolved as the Commission is dissolved. He said Mr. Moore and Mr. Fisher have concurred in the language of the bill.

Councilwoman Price moved that Council concur with the language of the proposed draft of a bill to effect the dissolution of the Sinking Fund Commission for Buncombe County to be submitted to the legislative delegation. This motion was seconded by Councilman Cole and carried unanimously.

PROJECT REPORT ON BUS SHELTERS- UMTA GRANT

At this time, the City Manager reported that he had received a memorandum from Larry Ward, Transportation Planner, indicating that the firm of Moore/Woodard and Associates has completed preliminary design concepts for the bus shelters and are presently working on the final design. The design will, hopefully, be ready for review by the Transit Authority at their February 14th meeting. The loss of time in getting the shelters resulted due to the fact that the N. C. Department of Transportation had to approve the State's share of the grant before a contract for the shelter design could be executed and due to the fact that we wanted both the Urban Mass Transportation Administration and the North Carolina Department of Transportation to concur in the design contract before it was executed to insure that there would be no problem in getting reimbursement for the project.

D. Resolution No. 79-29 - Resolution authorizing the Mayor to execute an agreement with A. M. Pullen and Company for an audit of N. C. Department of Human Resources grant No. SBH-610 covering the "Charlotte Highway Water Line."

Resolution Book No. 11 Page 100

E. Approval of budget amendment amending the City of Asheville Federal Capital Projects Fund budget for Fiscal Year 1978-79 to include the Asheville-Buncombe County Criminal Justice Information System, Phase II LEAA Grant as approved by City Council Resolution No. 79-6, dated January 11, 1979 in the Federal Capital Projects Fund.

HIGHLIGHTS: Appropriating $166,666.00 into a fund for the Asheville-Buncombe C.J.I.S. Phase II

Upon motion of Councilman Rainey, seconded by Vice-Mayor Horton, the consent agenda was unanimously approved.

RESOLUTION NO. 79-28 - RESOLUTION FOR CONSIDERATION OF IMPOSING A LIMITED MORATORIUM ON PLACEMENT OF COCKTAIL LOUNGES, NIGHTCLUBS, OR PRIVATE CLUBS WITHIN THE CITY OF ASHEVILLE

9. The City Manager said the existing moratorium on the placement of cocktail lounges, nightclubs, or public or private clubs within the City of Asheville expires on February 1, 1979 and Verl Emrick, Planning Director, has requested a thirty (30) day extension on the limited moratorium for the following reasons: 1) The time required for completing the research and ensuing report has taken more time than anticipated and 2) even though the report is complete the review process will require at least thirty (30) days to complete.

The City Manager read the resolution.

Upon motion of Councilman Rainey, seconded by Councilman Cole, Resolution No. 79-28 was unanimously adopted.

Complete text of Resolution No. 79-28 will be found in Resolution Book No. 11 at page 99.

Thursday - February 8, 1979 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen Ralph D. Morris, Jr., Gene E. Rainey, and F. Jack Cole, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Otis B. Michael

INVOCATION

The invocation was given by Mayor Roy M. Trantham.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the February 1, 1979 meeting.

Upon motion of Councilman Cole, seconded by Councilwoman Price, the minutes of the meeting of February 1, 1979 were approved as submitted.

ORDINANCE NO. 1091 - AN ORDINANCE AMENDING SECTION 27-8 OF THE ASHEVILLE CODE OF ORDINANCES TO INCREASE THE FARES PRESCRIBED FOR TAXICAB SERVICE

2. Consideration was given to an ordinance amending Section 27-8 of the Asheville Code of Ordinances to increase the fares prescribed for taxicab service.

The City Manager said a petition had been received from the Asheville Taxicab Companies requesting an increase in rates from 95¢ for the first 1/6 of a mile to $1.05 for the first 1/8 of a mile, or fraction thereof.

The City Manager read a proposed ordinance which would increase the rates as requested by the taxicab companies.

Attorney John Cheesborough, representing the taxicab companies spoke in support of the increase in rates. He cited such issues as the increase in gas prices, the increase in the price of new motor vehicles, and inflation as the reasons for the request. He said the taxicab companies received their last increase in 1976. He said due to inflation the taxicab operators no longer operate at a profit and unless the increase is granted they will be unable to provide adequate service.

Councilman Morris suggested that Council proceed with the first reading of the ordinance with the understanding that Council would discuss the matter in depth at next week's meeting. He said Councilman Michael, during the weekly agenda meeting, expressed concern about the rate increase and had requested rate figures from other cities in the state to compare with rates in Asheville.

Councilman Rainey suggested that a regulatory agency be established to study rate increases requested by the taxicab companies and by Thoms Cablevision. He said such an agency could investigate the need for rate increases. He questioned the change from 1/6 of a mile to 1/8 of a mile. He said he would like a confirmation on the needed request.

AUTHORIZATION FOR LEGAL ASSISTANCE IN THE WATER SYSTEM

The City Manager requested authorization from the Council to authorize the Mayor and the City Manager to establish an agreement with Harold Bennett, Attorney, regarding assistance in the development of legal information pertaining to the Water System.

Councilman Rainey moved to authorize the City Manager and the Mayor to establish an agreement with Harold Bennett, Attorney, regarding assistance in the development of legal information pertaining to Water System. This motion was seconded by Councilman Cole and carried unanimously.

RALPH BISHOP - LOTTERY SALES

Ralph Bishop, again appeared before Council regarding lottery sales in the City of Asheville.

Adjournment.

Ralph W Stanbury
MAYOR

William D. McKee
CITY CLERK

Resolution No. 79-31

C. Scheduling of a public hearing relative to a petition and a resolution of intent to close a portion of Rash Road for March 8, 1979.

Resolution Book No. 11 page 102 .

D. Resolution No. 79-32 - Resolution reappointing Mrs. Thomas E. Rardin as Commissioner Number Two of the Sinking Fund Commission for Buncombe County.

HIGHLIGHTS: Mrs. Rardin's term will expire on January 1, 1984.

Resolution Book No. 11 page 104 .

E. Resolution No. 79-33 - Resolution appointing member to the Metropolitan Sewerage District Board.

HIGHLIGHTS: This will reappoint D. Frank Hyatt, Jr. to the Metropolitan Sewerage District Board for a term of three years, term expiring January 19, 1982.

Resolution Book No. 11 page 105 .

F. Resolution No. 79-34 - Resolution appointing members to the Asheville Area Civic Center Commission.

HIGHLIGHTS: This resolution appointed Mr. Robert G. Beard to fill the unexpired term of Mr. John Jerose, term expiring February 3, 1981. This also reappoints Anne Chesson, Bill Norwood, and Richard Trammel, for three year terms, terms expiring February 3, 1982.

Resolution Book No. 11 page 106 .

G. Resolution No. 79-35 - Resolution appointing members to the Board of Trustees of the Firemen's Relief Fund.

HIGHLIGHTS: This resolution reappoints T. Cecil Tallent, term expiring January 1, 1980 and Webb E. Ellis, term expiring January 1, 1981.

Resolution Book No. 11 page 107 .

Upon motion of Councilwoman Price, seconded by Councilman Cole, the consent agenda was unanimously approved.

GEORGE E. IVEY APPOINTED TO BUNCOMBE COUNTY BOARD OF TAX SUPERVISION

5. Mayor Trantham announced the joint appointment, by the Mayor and the Chairman of the Buncombe County Board of Commissioners, of Mr. George E. Ivey as a member of the Buncombe County Board of Tax Supervision. This appointment was made in accordance with the provisions of Chapter 802 of the Session Laws of North Carolina (1971).

C. E. Worley of American Cab Company, spoke in support of the rate increase. He suggested that Council review the study in the Planning Division known as "Para-Transit Asheville" which relates to problems of taxicabs.

Councilman Rainey noted that taxicabs are used by the low and middle income families and the rate increases are important for that class of people using the taxicabs.

Councilman Morris moved for the adoption of Ordinance No. 1091. This motion was seconded by Councilwoman Price.

On a roll call vote of 5-1, Ordinance No. 1091 passed on first reading with Councilman Rainey voting "no."

PUBLIC HEARING SCHEDULED - CHANGING THE TENURE OF THE CITY COUNCIL MEMBERS

3. Consideration was given to a motion setting a public hearing relative to changing the tenure of the City Council members and changing the process of the election of the Mayor for March 15, 1979.

Vice-Mayor Horton moved to schedule the public hearing on changing the tenure of the City Council members and changing the process of the election of the Mayor for March 15, 1979. This motion was seconded by Councilman Rainey and carried unanimously.

APPROVAL OF THE CONSENT AGENDA

4. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. Scheduling of a public hearing relative to rezoning property located near Patton Avenue, Haywood Road and Balsam Avenue from R-3 Residential District to CH Commercial Highway District, property owned by R. L. Coleman and Company for March 8, 1979.

B. Resolution No. 79-30 - Resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the North Carolina Department of Transportation for a water line on Old U. S. 70 and on Lake Eden Road.

HIGHLIGHTS: This right-of-way encroachment agreement with the North Carolina Department of Transportation and Highway Safety is for the water line that is to be constructed on Old U. S. 70 and on Lake Eden Road. Because this line will encroach on the State right-of-way, this agreement is necessary.

Thursday - February 15, 1979 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen Ralph D. Morris, Jr., Gene E. Rainey, Otis B. Michael, and F. Jack Cole, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Vice-Mayor Bill B. Horton.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the February 8, 1979 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the minutes of the meeting of February 8, 1979 were approved as submitted.

RESOLUTION NO. 79-36 - RESOLUTION OF COMMENDATION TO DIANE JAMERSON

2. Consideration was given to a resolution of commendation to Diane Jamerson, Miss North Carolina USA.

Councilman Otis B. Michael read the resolution.

Upon motion of Councilman Michael, seconded by Councilman Morris, Resolution No. 79-36 was unanimously adopted.

Complete text of Resolution No. 79-36 will be found in Resolution Book No. 11 at page 108.

ASHEVILLE-BUNCOMBE COUNTY YOUTH COUNCIL - REQUEST FOR FUNDS - ARTS COUNCIL AWARD TO RESTORE MURALS IN THE COUNCIL CHAMBERS

3. A representative of the Asheville-Buncombe County Youth Council said they have been having projects to raise funds for the restoration of the murals in the Council Chambers. She said the North Carolina Arts Council has agreed to match funding from the City of Asheville for this project. She said the restoration of the murals will cost approximately $3,000. She said another project is proposed by the Youth Council on March 24, 1979 in the Asheville Civic Center called the "Battle of the Bands" and all the money received from this project will be used toward the restoration of the murals. She requested Council's consideration for matching funds with the N. C. Arts Council.

Council instructed the City Manager to look into the matter relative to funding for the project and report the information back to Council.

ORDINANCE NO. 1091 - AN ORDINANCE AMENDING SECTION 27-8 OF THE ASHEVILLE CODE OF ORDINANCES TO INCREASE THE RATES PRESCRIBED FOR TAXICAB SERVICE

4. Consideration was given to the second reading of Ordinance No. 1091, an ordinance amending Section 27-8 of the Asheville Code of Ordinances to increase the fares prescribed for taxicab service.

RALPH BISHOP - LOTTERY SALES

Mr. Ralph Bishop again appeared before Council relative to the lottery sales in the City of Asheville. He complained that Chief Tucker was not doing anything about cleaning up the lottery sales.

Adjournment.

Ray M. Williams
MAYOR

Miriam F. Roberts
CITY CLERK

Mr. Worley said it would take about two weeks to furnish Council with an audit and additional information.

Mr. Larry Ward, Transportation Planner, said it would take about a month to compile information as to how the taxicab companies fit in the overall mass transit plan.

Mr. John Cheesborough, attorney representing the taxicab companies, spoke in support of the increase and requested that Council proceed with the second reading of the ordinance.

Councilman Rainey again suggested that a three-member oversight committee be formed to hear complaints about taxi service and to make recommendations on the need for rate increases. He said one member could be appointed by the taxicab companies, one member by the City Council and the third member to be chosen by the two appointed members.

Mary Roberson, Executive Secretary of the Western North Carolina Central Labor Union read the following letter:

Western North Carolina
Central Labor Union
AFL-CIO

February 15, 1979

Asheville City Council
Asheville City Hall
North Carolina 28807

Dear Council Member:

It has come to our attention that the Taxi Cab Companies of Asheville have requested a cab fare rate increase.

We ask Council, before granting such an increase, to consider at least two glaring facts:

(1) By far, most of the patrons of the area's Cab Companies are the elderly, the handicapped and the poor. These citizens use taxi service during those periods <u>when</u> bus service is not available, or <u>where</u> bus service is not available.

(2) We agree with those Council members who question the Cab Companies' claim to a lack of profit over the past several years. We are certain that so called "operating expenses" <u>do not include</u> a decent wage for drivers, service sympathetic to the genuine needs of the community, or the esthetic upkeep of equipment.

(a) Asheville's Cab Companies have few, if any, drivers who are above to survive with "driving" as an only means of support. Most drivers are "moon lighters" whose main interest is extra money, and drive only at times when their need for such makes it imparative.

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

Councilwoman Price said since the first reading of the ordinance she had contacted Larry Ward, the City's Transportation Planner, as well as getting the rates in other communities and an annual report from the Department of Transportation which indicates that the taxicab companies do not have to pay state tax on their gasoline.

Mr. Worley of American Cab Company, said the State Legislature has just approved a $300,000 refund to the taxicab companies but that would not be received until after July 1, 1979 after all claims for refunds have been received.

Councilwoman Price said it is her understanding that there are several agencies in other communities that are working with the taxicab companies. She said information could be received from the Transportation Planner as to how the taxicab companies fit in with the overall mass transit plan. She said she did not feel Council has sufficient information to grant the increase and if the increase is granted that Council should at least stay within the President's wage and price guidelines of 7 percent.

Councilwoman Price then moved to table the second reading of Ordinance No. 1091 until information can be obtained from the Transportation Planner. This motion was seconded by Councilman Rainey.

Councilman Rainey said after reading the "Para-Transit" report it was determined that the question of taxicabs is much larger than fares. He said the report also recommended that a committee be established to look into such increases as well as other recommendations in the report. He said the taxicab companies should be coordinated with the bus routes in order to help them with their financial problems as well as to alleviate part of the deficit that is being experienced with the bus system.

Councilman Morris said it was difficult to compare Asheville's rates with other towns due the terrain and lay-out of the city.

Upon inquiry of Councilman Morris, Mr. Worley said between 40 to 44 percent of the miles travelled are fare-paid miles.

Councilman Michael said after talking with several taxicab operators it was determined that variables exist in the request for an increase in rates. He said the ordinance should be tabled until the variables could be worked out. He requested a financial audit from the local cab companies to justify an increase. He said it appears that the City of Asheville's rates are higher or as high as comparable cities with the same mountainous terrain. He said the request for an increase did not mention such things as standard income received by the taxicab companies from contracts with local companies such as Southern Bell or the limosene service to and from the airport.

Mr. Worley said there is an urgency in getting an increase to stay in business or to stay solvent. He said the price of gas increased one-cent per gallon in the past week which cost the taxicab companies an additional $85.00 per week.

It was noted that the portion proposed to be closed is no longer in use and lies in the area of land designated to be disposed of under the East Riverside Project.

The City Manager read the resolution.

Mayor Trantham closed the public hearing at 3:50 p. m.

Upon motion of Councilwoman Price, seconded by Councilman Cole, Resolution No. 79-37 was unanimously adopted.

Complete text of Resolution No. 79-37 will be found in Resolution Book No. 11 at page 109.

PUBLIC HEARING - FIFTH YEAR COMMUNITY DEVELOPMENT APPLICATION

6. A public hearing was held relative to the Fifth Year Community Development application.

Mayor Trantham opened the public hearing at 3:51 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and affidavit of publication.

The City Manager said Council would not be asked to take any action on the application at this time. He requested that the public hearing be continued for one week and Council would receive a draft budget at next weeks agenda session.

Councilman Michael requested a two week continuance because he would be out of town during the next meeting. He was advised that there was a time schedule to meet and a two week continuance would not meet this schedule.

Councilman Michael said he had concerns with the application particularly in the manner of making changes in the plan. He said he would like to be able to make changes without problems or more funding. He said individuals may want to make changes. He said he felt these plans are rushed into without all considerations given.

Logan Delany, Community Development Coordinator, said the plan has received a lot of discussion and they have had public hearings over the past year with wide-open citizen participation.

Councilman Michael said he had received a number of complaints, particularly with an elderly blind lady who lives at 15 New Street. He said she is very familar with her house and now she has been told that her house is going to be torn down and she would be put in the projects and she has no recourse.

Larry Holt of the Housing Authority said they were working with the plan as adopted and this second year funding for the East End Community Development plan would be primarily for Water and Sewer Improvements in the area. He said certain properties would be purchased for rights-of-way. He said he felt the problem with the resident at 15 New Street could be worked out satisfactorily.

(b) Because of the poverty level wage structure, and the transitory nature of the employees, drives have little incentive to show interest in, or courtesy toward patrons of their service. Our organization has been told of numerous instances where drivers have refused to go to destinations where they consider streets or neighborhoods to be inconveniently located or situated. We are told of the numerous times when either dispatchers, or drivers refuse service altogether when weather, time of day, or other factors make such service unpleasant or otherwise inconvenient.

(c) It would certainly seem to us that the Companies would find it necessary to keep their vehicals in good mechanical repair. It is, however, readily apparant that they feel no compulsion to maintain the interiors of these cabs with any view to the most basic comfort of their clients. Assuming that external appearance is of no consquence, cab interiors are disgracefully dirty, unkempt, ordorous and uncomfortable.

We would ask Council, then, that after due consideration to these facts and others, before granting any rate increase, area Taxi Companies be required to provide Council, or its designated "Oversight Committee" with some genuine guarantee that conditions effecting the well being of their employees and their customers will show early, radical, improvement.

Very truly yours,
/s/ Ray Stepp

Ray Stepp,
President

and

/s/ Mary Robertson
Mary M. Robertson,
Executive Secretary

It was the consensus of Council that all information relative to the taxicab service would be coordinated with Larry Ward, Transportation Planner.

On a voice vote, Councilwoman Price's motion to table the second reading of Ordinance No. 1091 was unanimously adopted.

PUBLIC HEARING - CLOSING OF A PORTION OF BLANTON STREET

RESOLUTION NO. 79-37 - RESOLUTION TO CLOSE A PORTION OF BLANTON STREET

5. A public hearing was held relative to closing of a portion of Blanton Street.

Mayor Trantham opened the public hearing at 3:45 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication. He also presented an Affidavit from Charles E. Vess, of the Housing Authority, that the streets were posted in accordance with the statutes.

Councilman Rainey suggested that the architectural design of the building be evaluated by an expert.

Upon motion of Councilman Rainey, seconded by Councilman Morris, Resolution No. 79-39 was unanimously adopted.

Complete text of Resolution No. 79-39 will be found in Resolution Book No. 11 at page 113.

RESOLUTION NO. 79-40 - RESOLUTION PROCLAIMING THE WEEK OF FEBRUARY 18 THROUGH 24, 1979 AS HUMAN RELATIONS WEEK IN ASHEVILLE AND BUNCOMBE COUNTY

9. Consideration was given to a resolution proclaiming the week of February 18 through 24, 1979 as Human Relations Week in Asheville and Buncombe County.

The City Manager read the resolution.

Upon motion of Councilman Michael, seconded by Councilwoman Price, Resolution No. 79-40 was unanimously adopted.

Complete text of Resolution No. 79-40 will be found in Resolution Book No. 11 at page 114.

ORDINANCE NO. 1092 - AN ORDINANCE AMENDING ORDINANCE NO. 1027, AN ORDINANCE FOR THE LEVY AND COLLECTION OF BUSINESS LICENSE TAXES

10. Consideration was given to an ordinance amending Ordinance No. 1027, an ordinance for the levy and collection of business license taxes.

The City Manager read the ordinance and explained that this amendment would allow the City to levy such taxes by a permanent ordinance that stands from year to year until amended or repealed.

Councilman Morris moved for the adoption of Ordinance No. 1092. This motion was seconded by Councilwoman Price.

On a roll call vote of 7-0, Ordinance No. 1092 passed on first reading.

Councilwoman Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1092. This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1092 passed on second reading.

Councilwoman Price moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1092. This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1092 passed on third and final reading.

Complete text of Ordinance No. 1092 will be found in Ordinance Book No. 8 at page 312.

The City Manager said when the plan for East End was approved the properties to be acquired under the plan was made known. He said the City instructed the Housing Authority to carry out the plan as adopted, however, changes could be made in the plan. He said Council had established a Housing Authority/Community Development Liaison Committee to deal with individual cases.

Councilman Michael said the area should be rehabilitated rather than torn down. He said he had suggested that funds be set up to loan people money to rehabilitate their homes. He said he would like the plan to be changed in order not to hurt anyone in the area.

The City Manager said the plan would be carried out in any way the Council wished to amend the plan.

Councilwoman Price moved to continue the public hearing until February 22, 1979 without further advertisement. This motion was seconded by Councilman Rainey, which motion carried on a vote of 6-1, with Councilman Michael voting "no."

RESOLUTION NO. 79-38 - RESOLUTION ENDORSING A STATE REGISTER SYSTEM FOR THE STATE OF NORTH CAROLINA

7. Consideration was given to a resolution endorsing a State Register System for the State of North Carolina.

The City Manager read the resolution.

Upon motion of Councilman Rainey, seconded by Vice-Mayor Horton, Resolution No. 79-38 was unanimously adopted.

Complete text of Resolution No. 79-38 will be found in Resolution Book No. 11 at page 111.

RESOLUTION NO. 79-39 - RESOLUTION AUTHORIZING THE CITY CLERK TO READVERTISE THE SALE OF CITY OF ASHEVILLE PROPERTY, KNOWN AS THE PACK MEMORIAL LIBRARY BUILDING ON PACK SQUARE

8. Consideration was given to a resolution authorizing the City Clerk to readvertise the sale of City of Asheville property, known as the Pack Memorial Library Building on Pack Square.

The City Manager read the resolution and explained this resolution was necessary due to an upset bid being received from William C. Morris, Jr. and James N. Golding in the amount of $110,352.50.

Council suggested that an added condition to the sale be that the purchaser maintain the architectural interior design of the building.

Corporation Counsel Moore said he had just talked with Mr. William C. Morris and was informed that he had no problems with the added condition.

It was suggested that all interested parties be advised of the added condition suggested by Council.

E. Approval of bids received February 5, 1979 for an automated fuel dispensing and control system for Motor Transport Division Service Station.

HIGHLIGHTS: Only one (1) fully responsive bid was received.

Recommendation of acceptance of bid submitted by Petroleum Company, Inc. in the amount of $20,412.64.

Funding: Motor Transport Division - Capital Outlay Equipment.

F. Resolution No. 79-43 - Resolution authorizing the Mayor to sign an agreement with the Opportunity Corporation for the use of various City facilities.

Resolution Book No. 11 at page 117.

G. Motion amending the City of Asheville Third and Fourth Year Community Development funds budget for Fiscal Year 1977-78 and Fiscal Year 1978-79 to transfer unobligated surplus funds from the Third Year Asheville Buncombe Optional School Child Care to the Fourth Year Asheville Buncombe Optional School Child Care Center which will provide for the continuing operation of this project.

H. Resolution No. 79-44 - Resolution authorizing the Director of Parks and Recreation to submit an application to the Law Enforcement Assistance Administration for funds for the Hillcrest Enrichment Program.

Resolution Book No. 11 Page 119.

I. Resolution No. 79-45 - Resolution authorizing the Director of Parks and Recreation to submit an application to the North Carolina Department of Human Resources for funds for the Hillcrest Enrichment Program.

Resolution Book No. 11 Page 120.

Upon motion of Councilwoman Price, seconded by Councilman Michael, the consent agenda was unanimously approved.

PLANNING AND ZONING COMMISSION WORK SESSION - RE: LOCATION OF BARS

12. The City Manager announced that the Planning and Zoning Commission will be having a work session relative to amendments to the Zoning Ordinance on the location of bars in the City Limits, Thursday, February 22, 1979, at 11:30 p. m.

APPROVAL OF THE CONSENT AGENDA

11. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. Resolution No. 79-41 - Resolution authorizing the Mayor to lease a parcel of land at the Asheville Airport to Hertz Corporation.

Resolution Book No. 11 Page 115.

B. Resolution No. 79-42 - Resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the North Carolina Department of Transportation for a water line on S. R. 1341 (Brickyard Road) in Buncombe County.

Resolution Book No. 11 Page 116.

C. Motion amending the City of Asheville Third and Fourth Year Community Development funds budget for Fiscal Year 1977-78 and Fiscal Year 1978-79 to supplement the Federal Compliance Program budget in order to maintain staff operations through June 30, 1979.

PROJECT	APPROPRIATION	BUDGET INCREASE (DECREASE)	NEW APPROPRIATION
Neighborhood Improvement Program	$50,000	($4,774)	$45,226
Community Development Administration	$104,111	$4,774	$108,885

D. Motion amending the Fiscal 1978-79 Motor Transport Fund Budget to provide funding for the acquisition of an automated fuel dispensing system.

Revenues:

Appropriated Fund Balance $20,413

Appropriation:

Capital Outlay - Equipment $20,413

Thursday - February 22, 1979 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen Gene E. Rainey and F. Jack Cole, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilmen Ralph D. Morris, Jr., and Otis B. Michael

INVOCATION

The invocation was given by Councilman Gene E. Rainey.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the February 15, 1979 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the minutes of the February 15, 1979 meeting were approved as submitted.

PUBLIC HEARING - FIFTH YEAR COMMUNITY DEVELOPMENT APPLICATION

2. A public hearing was held relative to the Fifth Year Community Development application.

Mayor Trantham opened the public hearing at 3:05 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and affidavit of publication. He noted that the public hearing began on February 15, 1979 but was continued until February 22, 1979.

Logan Delany, Community Development Coordinator, highlighted the budget for the Fifth Year Community Development application. He noted that Council had previously allocated seventy-five percent (75%) of the entitlement funds for the next three years to the East End-Valley Street project, leaving twenty-five percent (25%) to be used for other programs.

Upon inquiry of Councilman Rainey, Verl Emrick, Planning Director, explained that the allocation for the Central Business District would be used for administration and operational cost.

Mayor Trantham closed the public hearing at 3:10 p. m.

Councilwoman Price moved to approve the submission of the Fifth Year Community Development application. This motion was seconded by Vice-Mayor Horton and carried unanimously.

PUBLIC HEARING SCHEDULED - GROUP DEVELOPMENT - ROCK HILL 115 KV SUBSTATION

13. The City Manager presented a letter from the Planning and Zoning Commission which recommended approval of the site plan of the proposed 115 KV Substation to be located on a 12-acre tract adjoining Rock Hill Road. The plan was prepared and submitted by Carolina Power and Light Company in accordance with Article 6, Group Development Section of the Asheville Zoning Ordinance #322, as amended.

Councilwoman Price moved to schedule a public hearing on the matter for March 8, 1979. This motion was seconded by Vice-Mayor Horton and carried unanimously.

RALPH BISHOP - DISCUSSION - RE: GAMBLING

Before Mr. Bishop addressed the Council, Mayor Trantham informed him that he should direct all his comments to the Council and not to individuals. He told him if he made any derogatory statements toward individuals he would be called out of order and he would adjourn the Council meeting.

Councilman Rainey said he is convinced that there are no pay-offs by gamblers being made to the Asheville Police Department. He said the Asheville Police Department is not corrupt. He said he could not fault the record of the Asheville Police Department nor the Chief of Police but he could not explain why the gambling operation is still in business. He told Mr. Bishop that criticism of the Chief of Police or the Asheville Police Department will not get to the depth of the problem.

Mr. Bishop continued to address the Council relative to gambling in the City. He said he had went through all channels and always ends up back to the Council.

Adjournment.

Ralph M. Trantham — MAYOR

William F. Moloney — CITY CLERK

APPROVAL OF THE CONSENT AGENDA

5. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. Motion scheduling a public hearing relative to the approval of a site plan of Bear Creek Apartments - Phase II for March 22, 1979.

B. Motion approving a budget amendment amending the City of Asheville Federal Programs Fund budget for Fiscal Year 1978-79 to include the C.E.T.A. Skills Development Program as approved by City Council Resolution No. 79-7 dated January 11, 1979 in the 1978-79 Federal Programs Fund budget.

Appropriation:

15-25-570 - C.E.T.A. Skills Development Program $87,222.00

Revenues:

15-347.0570 - Other Local Participation - C.E.T.A. Skills Program $87,222.00

The remaining $69,778.00 of the $157,000 total grant will be included in the Fiscal 1979-80 annual operating budget for the operation of the above mentioned project.

C. Resolution No. 79-46 - Resolution authorizing the Director of Parks and Recreation to submit an application to the North Carolina Department of Human Resources for the development of a Parenting Project at Hillcrest Community Center.

HIGHLIGHTS: This resolution will permit the Director of Parks and Recreation to submit an application to the North Carolina Department of Human Resources for up to $5,800 in Community Based Alternatives Funds in order to initiate a Parenting Project at Hillcrest Community Center. No local matching funds are required for this application.

Resolution Book No. 11 Page 121

ORDINANCE NO. 1093 - AN ORDINANCE REVISING THE SANITATION CODE OF THE CITY OF ASHEVILLE

3. Consideration was given to an ordinance revising the Sanitation Code of the City of Asheville.

The City Manager read the ordinance explaining that this ordinance will provide for specifications for roll-out garbage containers. He said about two weeks ago Clark Brown, Director of Public Works and Bob Wurst, Director of Audit and Evalutation met with Council and reviewed the need for roll-out containers as an option to the citizens of Asheville. He said the garbage trucks would have to be equipped to handle the containers. He said the containers would be approximately $45.00 but this would be a volunteer option to the homeowner. He said the City would neither sell or maintain the roll-out containers.

Councilman Rainey moved for the adoption of Ordinance No. 1093. This motion was seconded by Councilwoman Price.

On a roll call vote of 5-0, Ordinance No. 1093 passed on first reading.

Councilwoman Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1093. This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1093 passed on second reading.

Councilwoman Price moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1093. This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1093 passed on third and final reading.

Complete text of Ordinance No. 1093 will be found in Ordinance Book No. 8 at page 313.

SALE OF DISPOSAL PARCEL 95 - EAST RIVERSIDE RENEWAL PROJECT

4. Consideration was given to a motion approving the sale of Disposal Parcel 95 in the East Riverside Renewal Project to Mr. and Mrs. Jimmy McAdams for $3,000 for residential purposes.

The City Manager read a letter from the Housing Authority for the City of Asheville recommending approval of the sale.

Councilwoman Price moved for the approval of the sale of Disposal Parcel 95 in the East Riverside Renewal Project to Mr. and Mrs. Jimmy McAdams for $3,000 for residential purposes. This motion was seconded by Vice-Mayor Horton and carried unanimously.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the consent agenda was unanimously approved.

VICE-MAYOR HORTON COMMENTS - ARRESTS DURING ROCK CONCERT

Vice-Mayor Horton commended the actions of the law enforcement officers in making arrests for drug and alcohol abuse during the rock concert featuring Rush and Head East at the Asheville Civic Center on Friday, February 16, 1979. He suggested that procedures be worked out to stop the use of drugs in the building and to tighten up the way crowds behave.

MAYOR COMMENTS - REMOVAL OF RECENT SNOW

Mayor Trantham commended the city employees involved in the recent snow clean up procedure. He said with such a deep snow the employees did an outstanding job.

CLAIMS - CHARLES W. JOHNSON- BRENDA TROITINO - CATHERINE THOMAS CORNER - SHARON LEE INMAN

The City Manager presented the following claims received from Mr. W. R. Swearngan, Facility Services Superintendent:

Following individuals have claims against City of Asheville for damage:

Charles W. Johnson 41 Hudson Street Asheville, N. C.	Damage to automobile, hit man hole
Brenda Troitino Box 204 Arden, N. C.	Damage to automobile - hit raised sewer cover.

Claims sent to St. Paul Fire and Marine Insurance:

Catherine Thomas Corner 68 Clemmons Street Asheville, N. C.	Damage to automobile - struck by city vehicle
Sharon Lee Inman Route 2 Box 248 Asheville, N. C.	Damage to autombile, struck by City vehicle.

PUBLIC HEARING SCHEDULED - REZONING OF 20 BRITT DRIVE - E. DENNIS YOUNG AND EMIL D. YOUNG

The City Manager presented a letter from S. Thomas Walton, Attorney representing E. Dennis Young and Emil D. Young, Sr. giving notice of appeal of the decision of the Asheville Planning and Zoning Commission rendered on February 14, 1979 in denying the request to rezone property at 20 Britt Drive from R-3 Residential to HI Heavy Industrial District.

D. Resolution No. 79-47 - Resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with W & W Contracting Company for the contract known as Lake Eden Road 12-inch water line.

HIGHLIGHTS: Bids were received on the project on February 16, 1979.

Recommendation of acceptance of low bidder, W & W Contracting Company in the amount of $88,560.00.

**NOTE: This resolution was adopted with the stipulation that the Mayor be authorized to sign all contracts necessary for the project and with the stipulation that a budget amendment will be adopted on March 1, 1979 allocating the County funding in the budget.

Resolution Book No. 11 Page 122

E. Resolution No. 79-48 - Resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Perry M. Alexander Construction Company for the contract known as Brickyard Road 6-inch water line.

HIGHLIGHTS: Bids were received on the project on February 16, 1979.

Recommendation of acceptance of low bidder, Perry Alexander Construction Company in the amount of $69,736.75.

Resolution Book No. 11 Page 123.

F. Resolution No. 79-49 - Resolution appointing member to the Asheville Transit Authority.

HIGHLIGHTS: Appointment of Mrs. H. C. McQueen as a member of the Asheville Transit Authority.

Resolution Book No. 11 Page 124.

G. Resolution No. 79-50 - Resolution appointing members to the Adult Advisory Board of the Asheville Buncombe County Youth Council.

HIGHLIGHTS: Appointments of Mr. Rodney Johnson, Mr. David Dean, Mrs. Vernelle Bailey, Mrs. Pat Williams, Rev. W. A. Eason, Mr. Ernest Lee Sewell, Jr., as members of the Adult Advisory Board of the Asheville Buncombe County Youth Council.

Resolution Book No. 11 Page 125

H. Resolution No. 79-51 - Resolution appointing members to the Board of Directors of the Asheville-Buncombe Community Relations Council.

HIGHLIGHTS: Appointments of Jesse Ray, Jr. and Gladys Forney as members of the Board of Directors of the Asheville Buncombe Community Relations Council.

Resolution Book No. 11 Page 126.

Thursday - March 1, 1979 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilman Ralph D. Morris, Jr., Gene E. Rainey, F. Jack Cole and Otis B. Michael, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman Otis B. Michael.

Before the approval of the minutes, Mayor Trantram recognized Mr. C. Fred Brown, a former Councilman.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the February 22, 1979 meeting.

Upon motion of Councilman Cole, seconded by Councilwoman Price, the minutes of the February 22, 1979 meeting were approved as submitted.

RESOLUTION NO. 79-52 - RESOLUTION AUTHORIZING THE CITY CLERK TO READVERTISE THE SALE OF CITY OF ASHEVILLE PROPERTY, KNOWN AS THE PACK MEMORIAL LIBRARY BUILDING ON PACK SQUARE

2. Consideration was given to a resolution authorizing the City Clerk to readvertise the sale of City of Asheville property, known as the Pack Memorial Library Building on Pack Square.

The City Manager read the resolution.

Upon inquiry of Councilman Rainey, the City Manager said he had had the freize at the library evaluated and it was determined that the freize has no monetary value.

Upon motion of Councilman Morris, seconded by Vice-Mayor Horton, Resolution No. 79-52 was unanimously adopted.

Complete text of Resolution No. 79-52 will be found in Resolution Book No. 11 at page 127.

RESOLUTION NO. 79-53 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A LEASE BETWEEN THE CITY OF ASHEVILLE AND THE TOURISTS BASEBALL, INC.

3. Consideration was given to a resolution authorizing the Mayor to execute a lease between the City of Asheville and the Tourists Baseball, Inc.

The City Manager read the resolution.

Councilwoman Price moved to schedule a public hearing on the matter for March 22, 1979. This motion was seconded by Councilman Cole and carried unanimously.

Adjournment.

Ralph Trautman
MAYOR

William J. Neidhardt
CITY CLERK

Mayor Trantham then called for a voice vote of Councilwoman Price's motion to amend Ordinance No. 1089.

Councilwoman Price's motion to amend Ordinance No. 1089 passed on a voice vote of 6-1, with Vice-Mayor Horton voting "no."

On a roll call vote Ordinance No. 1089, as amended, passed on second reading with Vice-Mayor Horton voting "no."

APPROVAL OF THE CONSENT AGENDA

5. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. Resolution No. 79-54 - Resolution changing designated representative for Clean Water Bond Act Grant Application.

HIGHLIGHTS: This is for the purpose of designating Kenneth M. Michalove or successor so titled, to replace former City Manager Ernest J. Ward as representative for Water Supply Grant applications.

Resolution Book No. 11 Page 130 .

B. Resolution No. 79-55 - Resolution authorizing the Mayor to enter into an agreement with the Carolina Power and Light Company for the supply of electricity to the Asheville-Buncombe Pack Memorial Library at 67 Haywood Street.

Resolution Book No. 11 Page 131 .

C. Resolution No. 79-56 - Resolution authorizing the Mayor to execute agreement with Asheville Flying Service Inc. regarding sale of flight insurance in Terminal Building of Asheville Airport.

Resolution Book No. 11 Page 132 .

D. Resolution No. 79-57 - Resolution authorizing the Mayor to sign on behalf of the City of Asheville Change Order No. 5 with Southworth Construction Company Inc. for the project known as renovation of Valley Street Maintenance Facility.

HIGHLIGHTS: This change order would add recommended electrical changes to the contract in the amount of $12,950. Sufficient funding for this change order is provided for in the Operations Complex Capital Project Budget.

Resolution Book No. 11 Page 133 .

In response to Councilman Michael, Ray Kisiah, Director of Parks and Recreation, said the lease revenue would be increased from $2,000 to $6,000 per year. He said this would be a three(3) year lease with a three (3) year option. He said the total operating cost for McCormick Field would be approximately $40,000 to $45,000. He said the improvements to the lighting would be approximately $50,000, of which $20,000 is anticipated from the County of Buncombe.

Councilman Michael said that the City would be providing the baseball team for all of Western North Carolina at a loss to the City of $94,000.00. He said the McCormick Field is a Western North Carolina tourist facility and in his opinion should be fully funded by the County of Buncombe.

Mayor Trantham said the County of Buncombe has been participating inthe funding for several years. He said he felt it was essential to have a baseball team in the City of Asheville, particularly for the tourist.

Upon motion of Councilman Morris, seconded by Councilman Michael, Resolution No. 79-53 was unanimously adopted.

Complete text of Resolution No. 79-53 will be found in Resolution Book No. 11 at page 128.

ORDINANCE NO. 1089 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED. (Including "Public Facilities" as a permitted use in the Office Institutional District)

4. Consideration was given to the second reading of Ordinance No. 1089, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended, including "Public Facilities" as a permitted use in the Office Institutional District.

Verl Emrick, Planning Director, said on January 11, 1979 Council remanded this ordinance to Planning and Zoning Commission for consideration and recommendation as it related to amendments to the Zoning Ordinance relative to the placement of parks and playgrounds and public facilities in the Office Institutional District. The recommendation of the Planning and Zoning Commission, at this point, is to amend the ordinance as originally presented to Council to delete Section 1(a) which deals with the placement of parks and playgrounds.

Councilwoman Price moved to amend Ordinance No. 1089 by deleting Section 1 (a) dealing with the placement of parks and playgrounds. This motion was seconded by Councilman Rainey.

Vice-Mayor Horton voiced concern relative to Council's responsibility on the North Asheville Park project.

The City Manager suggested that Council continue with the adoption of Ordinance No. 1089 with the deletion of Section 1 (a) and deal with the North Asheville Park project in a Council work session at a later date.

Vice-Mayor Horton suggested keeping the ordinance on the table until Council determines if additional action is necessary relative to North Asheville Park since the ordinance has already passed on first reading.

REVISED BILL - DISSOLUTION OF SINKING FUND COMMISSION

The City Manager presented Council with a revised draft of a bill for the dissolution of the Sinking Fund Commission. He said the original draft had to be revised because several bonds would still be outstanding and could not be resolved. He said the revised bill named a banking institution to be in charge of the outstanding bonds rather than the Sinking Fund Commission. He requested a motion by Council approving the submission of the revised bill to the legislature.

Councilman Michael moved to approve the submission of the revised bill for the dissolution of the Sinking Fund Commission and the distribution of funds. This motion was seconded by Councilman Cole and carried unanimously.

CLAIMS - BON MARCHE - MELVIN CLEMMONS

The City Manager presented claims received from Mr. W. R. Swearngan, Facility Services Superintendent.

Following individual has a claim against the City of Asheville for damage:

Mr. W. S. Proctor
Bon Marche'
Vice-President-Operations
P. O. Box 2690
Asheville, N. C. 28802

City vehicle backed into loading dock.

Claim sent to Maryland Casualty Company:

Melvin Clemmons
Street Division

Holes eaten in jacket by rats.

ROCK PILE - COMPLAINT BY WILLIAM PHIFFER - DUMPING OF ROCK FROM BEAUCATCHER CUT PROJECT.

In response to a complaint from Mr. William Phiffer, Councilman Cole requested an opinion from the Corporation Counsel relative to the contractor of the Beaucatcher Cut Project dumping rock on private property.

Corporation Counsel Moore said he had met with the City Staff and in his opinion, based on the information provided, the complaint revolves around a state project and the city does not have control over a state project.

Councilman Rainey questioned whether or not the contractor is violating the City's Zoning Ordinance.

It was the consensus of Council that it should be determined whether or not the contractor has permission from the owner of the property to dump rock on the property.

Several members of Council voiced concern relative to the dumping of the rock and after discussion decided that the Mayor would contact the contractor responsible for the dumping of the rock and express the feelings of Council.

Adjournment.

MAYOR

CITY CLERK

E. Resolution No. 79-58 - Resolution authorizing the Director of Parks and Recreation to apply for a grant for renovation of Senior Citizen Meal Sites to accomodate the handicapped.

Resolution Book No. 11 Page 134 .

F. Resolution No. 79-59 - Resolution authorizing the City of Asheville's Division of Planning to enter into a contract with Hammer-Siler-George Associates to prepare development concept for a Multiple Use Center in the Eagle-Market Street UDAG Area.

Resolution Book No. 11 Page 135 .

G. Resolution No. 79-60 - Resolution for consideration of imposing a limited moratorium on placement of cocktail lounges, nightclubs, or private clubs within the City of Asheville.

Resolution Book No. 11 Page 136 .

HIGHLIGHTS: This will extend the present moratorium an additional sixty (60) days.

H. Amending the City of Asheville Water and Sewer Improvement Fund Capital Project Budget to include funding for the Lake Eden Water Line Project which is wholly funded by County and State participation in the amount of $128,500.

I. Amending the City of Asheville Operating Budget for Fiscal 1978-79 to provide funding for renovation of Council murals by the Asheville-Buncombe County Youth Council.

HIGHLIGHTS:

Revenues:

Other Local Participation (Youth Council)	($1,000)
State Government Grants	($1,000)

Appropriations:

Contingency	($1,000)
Governing Body	$3,000
M & R - Other	

Upon motion of Councilman Cole, seconded by Vice-Mayor Horton, the consent agenda was unanimously approved.

CLAIM - GILBERT ENGINEERING COMPANY

The City Manager presented a claim received from Gilbert Engineering Company.

Mayor Trantham referred the claim to the Corporation Counsel for investigation and recommendation.

Mr. Jack Bowman, representing Carolina Power and Light Company, said this substation will serve South Asheville and South Buncombe which is in need of additional supply of electricity. He said the poles would be erected "cross-country" and would not come through residential areas. He assured Council that Carolina Power and Light Company will meet all recommendations specified by the Planning and Zoning Commission.

Councilman Rainey commended Carolina Power and Light Company for not placing the poles in a residential area and said it was his hope that all future substations would follow the same route of "cross-country."

Vice-Mayor Horton closed the public hearing at 3:13 p. m.

Councilman Morris moved to approve the site plan of the proposed 115 KV Substation to be located on a 12-acre tract adjoining Rock Hill Road for Carolina Power and Light Company. This motion was seconded by Councilwoman Price and carried unanimously.

PUBLIC HEARING - CLOSING OF A PORTION OF RASH ROAD

3. A public hearing was held relative to the closing of a portion of Rash Road.

Vice-Mayor Horton opened the public hearing at 3:14 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Planning Division had investigated the request to close a portion of Rash Road several months ago and at that time recommended that the road be closed. He said since that time, Mr. Talman, an attorney representing several property owners in the area, contacted him and advised that a parcel had been subdivided in the area and if the road is closed one owner would not have access to his house and the most desirable access to the other properties would be eliminated. He said at present the road is in bad condition and it had not been determined what it would cost to repair the road. He requested that the public hearing be continued until the Planning Division has an opportunity to make further determinations.

Wesley Talman, of McLean,Leake, Talman and Stevenson, said he was representing Mr. Robert Hill and Mr. Martin Hare, property owners in the area. He said the closing of the road would be detrimental to the area due to the new subdivision. He requested that if the public hearing is continued that it be continued for two weeks.

Councilman Michael moved to continue the public hearing until March 22, 1979 without further advertisement. This motion was seconded by Councilwoman Price and carried unanimously.

Thursday - March 8, 1979 - 3:00 p. m.

Regular Meeting

Present: Vice-Mayor Bill B. Horton, Presiding; Councilwoman Norma T. Price, Councilman Ralph D. Morris, Jr., Gene E. Rainey, F. Jack Cole and Otis B. Michael, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Mayor Roy M. Trantham - Mayor Trantham was out of town attending a meeting in Charlotte relating to his chairmanship on the Region B Commission.

INVOCATION

The invocation was given by Councilman Ralph D. Morris, Jr.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the March 1, 1979 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Rainey, the minutes of the March 1, 1979 meeting were approved as submitted.

PUBLIC HEARING - SITE PLAN - 115KV SUBSTATION - CAROLINA POWER AND LIGHT COMPANY

2. A public hearing was held relative to a site plan of the proposed 115 KV Substation to be located on a 12-acre tract adjoining Rock Hill Road for Carolina Power and Light Company.

Vice-Mayor Horton opened the public hearing at 3:03 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Planning and Zoning Commission reviewed the site plan on February 14, 1979 and after discussion recommended approval of the site plan subject to the following:

1) That Carolina Power and Light Company provide assurance to City Council prior to final approval that the site will be properly secured by means of fencing for protection of the public.

2) Exclusive of the area needed for construction of the facility, retain as many existing trees as possible and practical for buffering.

3) That if natural buffering along the northernmost property line adjoining the residential zoning district is removed, it shall be replaced as stipulated in Section 30-3-14, B.1. of the Asheville Zoning Ordinance #322, as amended.

By the use of a map, Mr. Emrick reviewed the location of the proposed 115KV Substation.

Mr. Emrick said by following Planning and Zoning's recommendation lots fronting on Balsam Avenue would remain zoned residential. He said even though there was substantial objection to the rezoning the "20% rule" would not apply. He said notices of the rezoning were sent to all adjoining property owners.

By the use of a map, Mr. Emrick reviewed the location of the property proposed to be rezoned.

Richard L. Coleman, Jr., representing R. L. Coleman Company, spoke in support of the rezoning. He said after a preliminary study it was determined from a development standpoint the best future use of the property would be Commercial Highway. He said the area has enough traffic to show suitability for commercial use and shows detrimental to residential use. He said the property presently houses an apartment complex which would be economically unfeasible for the future.

In response to Councilman Rainey, Mr. Coleman said no immediate plans for the property had been decided and without a general plan it would be difficult to give a definite commitment as to buffering. He said buffering would be considered during the group development review.

Councilwoman Price suggested that since most of the objection was from residents on Balsam Avenue, that Council leave the property fronting on Balsam Avenue zoned residential.

Mr. Coleman said if the property is rezoned, Balsam Avenue will not be used as an ingress or egress to any commercial development nor would traffic increase on Balsam Avenue due to a new development.

Wayne Cooper said he was closely related to the West Asheville Businessmen's Association and he presented a list of businessmen in West Asheville who feel that the rezoning of the Coleman property would be highly desirable particularly for the tax base and revitalization of the West Asheville area.

Mrs. Barbara Miller of Balsam Avenue spoke in opposition to the rezoning, particularly Lots 131 and 79.

Mrs. Doris Ingle of Balsam Avenue spoke in opposition to the rezoning stating that Council should not rezone the property until the Coleman Company provides definite plans for the property. She also requested that lots fronting on Balsam Avenue remain zoned residential.

Leo Bagwell of Balsam Avenue expressed opposition to the rezoning. He also requested that a buffer be left between the development and residential property on Balsam Avenue.

George Ingle, speaking on behalf of his sister-in-law who lives on Balsam Avenue, spoke in opposition to the rezoning.

Rex Smathers, 1063 Haywood Road, asked that the rezoning decision be postponed until the Coleman Company formulates their plans.

RESOLUTION NO. 79-61 - RESOLUTION SUPPORTING THE DEVELOPMENT OF SINGLE-FAMILY HOUSING AND PROVIDING HOUSING ASSISTANCE TO LOW AND MODERATE INCOME RESIDENTS OF ASHEVILLE

4. Consideration was given to a resolution supporting the development of single-family housing and providing housing assistance to low and moderate income residents of Asheville.

The City Manager read the resolution.

Logan Delany, Community Development Coordinator, said this pilot program would provide for lower interest rates in terms of mortgage loans. He said this is an effort to put Urban Renewal Land developments back on the tax books. He said the State would be setting aside $750,000 as the initial funding for the program. He said if the program is successful the State would find other funding for the continuance of the program.

Upon motion of Councilman Michael, seconded by Councilman Rainey, Resolution No. 79-61 was adopted, with Councilman Cole abstaining due to a conflict of interest between the project and the lending institution he represents.

Complete text of Resolution No. 79-61 will be found in Resolution Book No. 11 at page 137 .

PUBLIC HEARING - REZONING OF PROPERTY ON PATTON AVENUE NEAR HAYWOOD ROAD - R. L. COLEMAN AND COMPANY PROPERTY (WARD 6, SHEET 14, LOTS 12-1/2 (PORTION), 131, 131-1/2, AND 79)

ORDINANCE NO. 1094 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

5. A public hearing was held relative to rezoning property on Patton Avenue near Haywood Road from R-3 Residential District to CH Commercial Highway District, property owned by R. L. Coleman and Company.

Vice-Mayor Horton opened the public hearing at 3:42 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and affidavit of publication.

Verl Emrick, Planning Director, said the Planning and Zoning Commission reviewed the request at their meeting on December 6, 1978 and after discussion voted to recommend that only Lots 12-1/2 (portion) and 131-1/2, Ward 6, Sheet 14, be rezoned from R-3 Residential District to CH Commercial Highway District. The recommendation was based on the following reasons:

1) The subject property is bounded on the north, west and south by Commercial Highway Zoning;

2) The predominate land use in the immediate area is commercial;

3) The close proximity of this property to existing commercial activities and major street and highway networks renders it more suitable for commercial purposes.

to furnish all services provided to the City residents, however, the Hilton would only be requesting fire and police protection plus the advantage of being licensed to serve liquor-by-the-drink. He said if annexed, the property included in the petition would generate approximately $40,000 in taxes.

Mr. Kinser said a portion of the Hilton property is leased and to request that the leased portion be annexed would take a longer time period. He said they felt time was of essence at the present.

Mr. Kinser proposed to petition the City to annex all the property under the control by the Hilton, owned in fee simple, if the City would appropriate one-half of the tax revenues received from the Hilton to the Tourism budget for the Asheville Area Chamber of Commerce.

Councilman Rainey told Mr. Kinser his proposal would be impracticable.

Vice-Mayor Horton said there had been strong opposition to "piece-meal annexation."

Vice-Mayor Horton read the following letters to be included in the minutes:

March 8, 1979

Vice Mayor Bill B. Horton and
Members of the Asheville City Council
City of Asheville
Asheville, North Carolina 28801

Dear Fellow Council Members:

I am very sorry that I will be unable to attend the Council Meeting today as you are about to discuss a very important item pertaining to the Hilton annexation. Personally, I feel that all of the Hilton Property should be annexed at one time rather than a partial annexation as requested.

My reason for being out of town was scheduled some time before this particular matter came up and my being out of town relates to my chairmanship of the Region B Commission. I will be attending a meeting in Charlotte regarding regional matters.

I would appreciate it very much if you would read my statement into the Minutes of the Council Meeting on March 8, 1979.

Very truly yours,

/s/ Roy M. Trantham

Roy M. Trantham
Mayor

Bob Orr, attorney representing R. L. Coleman Company, said they have done everything to approach this matter in a reasonable manner. He said the bulk of the property should be rezoned to Commercial Highway, however, the Coleman Company would consent to leaving a strip fronting on Balsam Avenue zoned residential and would agree not to open Balsam Avenue to any increased traffic. He urged Council to act favorably on the rezoning request.

Vice-Mayor Horton closed the public hearing at 4:56 p. m.

Verl Emrick, Planning Director, outlined the options available to Council. He then read the ordinance rezoning the property as petitioned.

Councilwoman Price moved for the adoption of Ordinance No. 1094. This motion was seconded by Councilman Michael.

Councilwoman Price then moved that Ordinance No. 1094 be amended by deleting Lot 79 and that portion of Lot 131 being 110 ft. north of the lot line intersecting Lot 20-1/2, then eastward 150' and a portion of Lot 12-1/2, 25' to the rear of Lots 15 through 20-1/2 and 131. (The lots or portions of lots mentioned in the motion would remain zoned R-3 Residential District). This motion was seconded by Councilman Rainey which motion carried on a voice vote of 4-1, with Councilman Morris voting "no."

On a roll call vote of 6-0, Ordinance No. 1094 passed on first reading.

Councilman Morris suggested that prior to the second reading of the Ordinance, that members of Council look at the property in question.

RESOLUTION NO. _____ - RESOLUTION DIRECTING THE CITY CLERK TO INVESTIGATE A PETITION RECEIVED UNDER G. S. 160A-31 (GREAT SMOKIES HILTON ANNEXATION PETITION)

6. Consideration was given to a resolution directing the City Clerk to investigate a petition received under G. S. 160A-31 from the Great Smokies Hilton regarding annexation of their property.

The City Manager read the resolution.

Councilman Cole requested that he be excused from voting on the issue because he represents a financial lending institution doing business with the petitioner. Vice-Mayor Horton excused Councilman Cole from voting on the issue.

Upon inquiry of Councilman Rainey, Mr. Wayne Kinser, petitioner, advised that the property requested to be annexed represents all the hotel facilities but does not include the golf course or tennis facilities.

Councilman Michael said he would vote against the resolution unless all the property of the Great Smokies Hilton was included in the annexation petition.

Mr. Kinser said from his determination there would only be a $3,000 to $4,000 difference in taxes if the golf course and tennis facilities are left out and there had always been a precedence for leaving golf courses outside the City Limits. He said if the property is annexed the City would be required

After discussion, it was the consensus of Council to defer action on the resolution until March 15, 1979 giving Mr. Kinser and Mr. Emrick, Planning Director, an opportunity to revise the petition to include all the property under control by the Hilton as well as the leased portion if possible.

APPROVAL OF THE CONSENT AGENDA

7. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. Approval of a budget amendment amending the City of Asheville General Fund budget for Fiscal Year 1978-79 to include the Asheville Riverfront Revitalization Program grant as approved by City Council Resolution No. 78-154 in the 1978-79 General Fund Budget.

HIGHLIGHTS:

Appropriation: 10-25-444-0-028 - Asheville Riverfront Revitalization Program - $20,000

Revenues: 10-349-6444 - Federal Government Grant - Tennessee Valley Authority - $20,000

This grant is 100% funded by the T.V.A.

B. Resolution No. 79-62 - Resolution authorizing the Mayor to sign an agreement with Piedmont Aerial Survey for new aerial photos for Asheville.

Resolution Book No. 11 Page 138

C. Approval of a budget amendment to amend the Community Development budget to appropriate $32,000 for Deaverview Park improvements and $28,000 to Contingency.

D. Resolution No. 79-63 - Resolution authorizing the Mayor to sign a contract agreement with Johnson Amusement Rides, Incorporated for the operation of amusements, rides and concessions at Recreation Park.

Resolution Book No. 11 Page 139.

E. Motion scheduling a public hearing for March 22, 1979 on the study and recommendations pertaining to downtown parking.

Upon motion of Councilwoman Price, seconded by Councilman Rainey, the consent agenda was unanimously approved.

Western North Carolina
Central Labor Union
AFL-CIO

March 7, 1979

Honorable Mayor Roy Trantham
and
Council Members
Asheville City Hall
Asheville, North Carolina 28807

Honorable Council Members:

Our attention has been drawn to the recent request of the management of the Great Smokies Hilton, to wit, annexation of their motel structure for the purpose of qualifying for a mixed beverage license.

It is our view that, in the main, there may be a serious question of legal and moral integrity involved in such a request for such a motive. However, if Council is to give consideration to the request it is our feeling that the entire Hilton complex should be annexed and not just such site as shall house a bar.

Again, we are not sure that setting a precedence in such a matter is entirely to the benefit of the community as a whole, but we are certain that any business or person who shall reap the benefits of city residence should be willing to bear full responsibility to the city for its beneficence. No fair, paying city taxes on just that portion of the property that requires a city license!

Sincerely yours,

/s/ Ray Stepp

Ray Stepp
President

/s/ Mary M. Robertson

Mary M. Robertson,
Executive Secretary

Mr. Kinser said they would be willing to petition the City to annex all the property controlled by the Hilton and owned in fee simple.

Pat Mooney, General Manager of the Hilton, said he had already encountered a loss of a convention in Asheville because they were not licensed to serve liquor-by-the-drink. He said several conventions have expressed a desire to come to Asheville and the Hilton if they obtain licenses to serve liquor-by-the-drink.

COMPLAINT - MRS. LOCKHART - SEWER COMPLAINT

13. The City Manager said he had received a sewer complaint from Mrs. Lockhart and the matter would be investigated.

REV. GRANT - NOTICE REGARDING ELECTION OF COUNCIL MEMBERS

14. The City Manager said he had received information from Rev. Grant regarding the election of Council members which will be furnished to members of Council and be included in the materials for the public hearing on the issue.

PROCLAMATION - GIRL SCOUT WEEK - MARCH 11-17, 1979

15. Vice-Mayor Horton proclaimed the week of March 11-17, 1979 as Girl Scout Week.

PIEDMONT AND UNITED AIRLINES CUTTING FLIGHTS

16. The City Manager announced that Piedmont Airlines is cutting four flights, scheduled on Saturday and Sunday, as a result of energy problems. He said United Airlines is cutting Flights 653 and 824 from March 9, 1979 through April 28, 1979. He said it is his understanding that this is being done nationwide due to fuel shortage. He said the City of Asheville has no control over the airlines cutting their flights.

REVENUES FROM LIQUOR-BY-THE-DRINK EARMARKED FOR REVITALIZATION -REQUEST BY VICE-MAYOR HORTON

17. Vice-Mayor Horton requested that Council look into Jim Daniel's request from the Revitalization Commission pertaining to the earmarking of the net revenues from liquor-by-the-drink used in this special promotional fund for revitalization. He requested that a resolution be prepared, which he would like to have input, on March 20, 1979.

RALPH BISHOP - LOTTERY SALES

18. Ralph Bishop again complained to Council about the lottery sales in the City of Asheville.

Adjournment.

Bill B. Horton
VICE-MAYOR

Miriam L. Holcombe
CITY CLERK

DEMONSTRATION PARKING PROGRAM EXTENDED

8. Consideration was given to a motion extending the demonstration parking program from March 31, 1979 through April 30, 1979.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the demonstration parking program was extended from March 31, 1979 through April 30, 1979, with Councilman Rainey voting "no."

LIQUOR-BY-THE-DRINK LEGISLATION - DISCUSSION

9. Councilman Morris questioned why the liquor-by-the-drink legislation was written to include only the City Limits when establishments in the County were permitted to obtain "brownbagging" license.

Corporation Counsel Moore said he would look into the matter.

PENALTY RATE FOR DELINQUENT TAX BILLS - DISCUSSION

10. Councilman Michael said it had been brought to his attention that several large corporations and industries are not paying their tax bills until twelve (12) months after they are due because the penalty percentage rate is less than the lending rate. He said the tax income will decrease as the lending rates go up and there should be some provision for the penalty percentage rate to increase along with the lending rates.

Corporation Counsel Moore said the penalty rate is set by State legislature and this matter should be brought to the attention of the legislators.

COMMUNITY DEVELOPMENT/CITIZEN PARTICIPATION MEETINGS

11. The City Manager announced that the Community Development/Citizen Participation meetings to discuss the status of Community Development projects will begin on March 20, 1979 and run through May 15, 1979 and will be held at various locations throughout the City.

CLAIMS - MS. MARY KING RAY - JAMES T. CLARK

12. The City Manager presented claims received from Mr. W. R. Swearngan, Facility Services Superintendent.

Following individuals have claims against the City of Asheville for damage:

Ms. Mary King Ray 140 West Chestnut Street, Apt. 3 Asheville, North Carolina	Ran car in hole on Ivy Street
James T. Clark 63 Joyner Avenue Asheville, North Carolina	Damaged water line

Vice-Mayor Horton referred the claims to the Corporation Counsel for investigation and recommendation.

In response to questions posed by Councilwoman Price during Council's agenda session on March 13, 1979, Verl Emrick, Planning Director, advised that in researching prior Council minutes it was determined that in 1951, in Minute Book 32, pages 239-243, streets within the West Terrace Apartments development were dedicated as public streets and in Resolution Book 4 at page 432, July 8, 1965, Council closed a portion of Balsam Avenue, that portion that presently dead ends and extends to Druid Drive. He said residential access to and from Balsam Avenue would be permitted if driveway and curbcut permits are obtained. He said in the staff's opinion there could not be a commercial access without approval of the Planning and Zoning Commission and Council through a group development or subdivision procedure.

By the use of a drawing board, Mr. Emrick explained the amendment to the ordinance adopted at last week's meeting.

Councilman Morris voiced concern about the amendment stating that he felt Council would be disallowing the Coleman Company a portion of their property. He said he felt Council would be taking more of the property than necessary to satisfy the residents on Balsam Avenue. He said he did not favor deleting the entirety of Lots 79 and 131.

Councilwoman Price said Lot 131 is adaptable to Balsam Avenue and to residential use.

Councilman Morris moved to amend Ordinance No. 1094 to include a 25' buffer strip on property belonging to the Coleman Company, around all adjacent residential property. This motion was seconded by Councilman Michael.

Upon inquiry of Doris Ingle of 18 Balsam Avenue, Mr. Emrick said any buffer, required by a group development plan, would have to be placed outside the 25' residential strip.

At the request of Leo Bagwell of 41 Balsam Avenue, Mr. Emrick read the minutes of the Planning and Zoning Commission meeting pertaining to the Coleman rezoning.

Mr. Bagwell, referring to the minutes of the Planning and Zoning Commission, said Mr. Coleman had agreed to delete Lots 79 and 131 from the rezoning request, leaving them zoned R-3 Residential District. He said the residents on Balsam Avenue would insist that the entirety of Lots 79 and 131 remain zoned residential.

Bob Orr, attorney representing R. L. Coleman Company, urged Council to endorse Councilman Morris's motion. He said the Coleman Company is willing to compromise with the residents by offering to give up a considerable amount of property that could be used for commercial development for the protection of the residents on Balsam Avenue.

Councilman Morris noted that by adopting his motion Council would be protecting all the residents on Balsam Avenue. He said if Council took Planning and Zoning's recommendation to delete Lots 131 and 79 there would not be a protective buffer for the residents.

Thursday - March 15, 1979 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Councilwoman Norma T. Price, Councilman Ralph D. Morris, Jr., Gene E. Rainey, F. Jack Cole and Otis B. Michael, Corporation Counsel William C. Moore, Associate City Manager William F. Wolcott, Jr., Acting City Clerk Carol Hensley.

Absent: Vice-Mayor Bill B. Horton and City Manager K. M. Michalove

INVOCATION

The invocation was given by Councilman F. Jack Cole.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the March 8, 1979 meeting.

Councilwoman Price noted that the minutes reflected "Mr. Pat Mooney" as the General Manager of the Hilton and it should be "Mr. Pat Looney."

Councilwoman Price also requested that, in order to clarify the motion relative to rezoning property on Patton Avenue near Haywood Road, the motion read as follows: "Councilwoman Price then moved that Ordinance No. 1094 be amended by deleting Lot 79 and that portion of Lot 131 being 110 ft. north of the lot line intersecting Lot 20-1/2, then eastward 150' and a portion of Lot 12-1/2, 25' to the rear of Lots 15 through 20-1/2 and 131 from an approximately distance of 525'. (The lots or portions of lots mentioned in the motion would remain zoned R-3 Residential District). This motion was seconded by Councilman Rainey which motion carried on a voice vote of 4-1, with Councilman Morris voting "no."

Upon motion of Councilman Cole, seconded by Councilman Rainey, the minutes of the March 8, 1979 meeting were approved as amended.

ORDINANCE NO. 1094 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Rezoning property on Patton Avenue near Haywood Road)

2. Consideration was given to the second reading of Ordinance No. 1094, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended rezoning property on Patton Avenue near Haywood Road from R-3 Residential District to CH Commercial Highway District, property owned by R. L. Coleman and Company.

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

Councilman Cole said he was concerned with the operating cost since the cost of living had increased approximately 8% to 9% per year for the past two years. He said he felt the increase should at least allow for the cost of living increases. He did say he felt the taxicab operators should be more courteous.

Councilman Michael suggested that the ordinance be amended to include 95¢ for the first 1/8 of a mile and 10¢ for each succeeding 1/8 of a mile and to appoint a committee to investigate the establishment of a regulatory commission.

Mary Robertson, Executive Secretary of the Western North Carolina Central Labor Union, said the cost of living percentages referred to by Councilman Cole also effects the users of the taxicabs as well and Council should consider this fact.

John Cheesborough, attorney representing the taxicab companies, urged Council to support the taxicab rate increase.

After discussion, Councilman Michael moved to amend Ordinance No. 1091 to include a 20% rate increase, with the factors to be established by the Transportation Planner. This motion was seconded by Councilman Cole and carried on a voice vote of 5-1, with Councilman Rainey voting "no."

On a roll call vote of 5-1, Ordinance No. 1091, as amended passed on second reading.

Councilman Morris moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1091. This motion was seconded by Councilman Michael and carried on a voice vote of 4-2, with Councilwoman Price and Councilman Rainey voting "no."

On a roll call vote of 5-1, Ordinance No. 1091, as amended, passed on third and final reading.

Councilwoman Price then moved that the Mayor appoint a committee to study the short-range projects suggested by the Transportation Planner and to investigate the establishment of a regulatory commission to review future rate increases as well as individual complaints regarding the taxicab companies. This motion was seconded by Councilman Michael and carried unanimously.

Complete text of Ordinance No. 1091, as amended, will be found in Ordinance Book No. 8 at page 310.

RESOLUTION NO. 79-64 - RESOLUTION DIRECTING THE CITY CLERK TO INVESTIGATE A PETITION RECEIVED UNDER G. S. 160A-31 (GREAT SMOKIES HILTON ANNEXATION)

4. Consideration was given to a resolution directing the City Clerk to investigate a petition received under G. S.160A-31 from the Great Smokies Hilton regarding annexation of their property.

Councilwoman Price and Councilman Rainey opposed Councilman Morris's motion.

Councilman Cole said since several members of Council have not had an opportunity to view the property in question he would suggest that the second reading of the ordinance be postponed.

Upon inquiry of Councilman Michael, R. L. Coleman, Jr., said it would be impossible to present Council with a "workable" preliminary development plan before the second reading of the ordinance. He said deleting Lot 131 from the rezoning would be detrimental to a site development.

Councilman Morris requested that if Council should approve postponing action on the matter that Council postpone it for two weeks.

After discussion, Councilman Morris withdrew his motion to amend the ordinance at this time. Councilman Micheal also withdrew the second to the motion.

Councilman Cole moved to defer action on Ordinance No. 1094 until March 29, 1979. This motion was seconded by Councilman Michael and carried carried on a voice vote of 4-2, with Councilwoman Price and Councilman Rainey voting "no."

ORDINANCE NO. 1091 - AN ORDINANCE AMENDING SECTION 27-8 OF THE ASHEVILLE CODE OF ORDINANCES TO INCREASE THE FARES PRESCRIBED FOR TAXICAB SERVICE

3. Consideration was given to the second reading of Ordinance No. 1091, an ordinance amending Section 27-8 of the Asheville Code of Ordinances to increase the fares prescribed for taxicab service.

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

Larry Ward, Transportation Planner, presented a report to members of Council which revealed that the taxicab companies are losing a substantial amount of money operating at the present rate. The report also included general operating statistics, short range projects to enhance taxi operations, and medium and long range projects to enhance taxi operations. He said the total average operating cost increase from 1977 to 1978 is 7.06%. He said the proposed increase requested by the taxi companies is 24.4%.

Mr. Worley of American Cab Company said operating expenses have increased more than 30% since 1979 when the last increase was granted by the Council.

Councilman Rainey said he would agree to a 10% increase with an additional recommendation for the establishment of a regulatory commission to investigate future rate increases and present complaints. He said he felt the proposed rate increase of 24.4% is too high.

The following is a verbatim text of the public hearing.

Councilman Rainey: Mr. Mayor, I've been looking forward to this time and I'd like to enter into the record a report dated 3-1-78, a little over a year ago, given to us by a committee on Pay and Tenure of the City Council, - Eugene C. Ochsenreiter, Jr., JoAnn Swilling and J. W. Hoyle, members. The first recommendation of that committee is as follows: "1. The Committee recommends that the Mayor should be elected at large for a four-year term, and the City Council members be elected for four-year staggered terms." They go on to say that this would not require General Assembly action to change the terms of office There is another recommendation on salary, but since I don't agree with that, I won't read it. I'd like to submit this memo to the Clerk for entry into the record.

MEMORANDUM TO: Asheville City Council Members

FROM: The Committee on Pay and Tenure
of City Council Members:
Eugene C. Ochsenreiter, Jr.
JoAnn M. Swilling
J. W. Hoyle

DATE: March 1, 1978

1. The Committee recommends that the Mayor should be elected at large for a four-year term, and the City Council Members be elected for four-year staggered terms.

According to the information that we received, State Law does not require General Assembly action to change the term of office, but the City Attorney has indicated that it may be preferrable to do this legally. However, the choice is up to the City Council.

2. The Committee recommends that the Mayor should be paid a salary of $4,800 annually with a $100 per month local travel allowance, total $6,000. The Vice-Mayor should receive $2,400 annually with a $75 per month local travel allowance, total $3,000. The City Council Members should be paid $2,000 annually with a $50 per month local travel allowance, total $2,600. City Council Members should receive their entire expenses for out-of-town travel, plus they should have the opportunity of having their spouse attend special meetings with them, both locally and out-of-town at City expense.

3. We further recommend that the Vice Mayor's title be changed to Mayor Pro Tem and that the duties and responsibilities of the Mayor Pro Tem follow the State Law. We further recommend that the Mayor Pro Tem be selected by the Mayor and confirmed by the entire Council rather than being elected by the Council.

We are attaching the following items of information:

1. January 27, 1978 - Memorandum to Ken Michalove from Charlotte Hutchison regarding results of survey on charter changes, staggered terms, mayor pro tem, etc.

Verl Emrick, Planning Director, said the petitioner has submitted an amended petition which includes the request for the City to annex all the property under control of the Great Smokies Hilton Corporation. He said this request excludes the properties leased by the Hilton.

Councilman Cole requested that he be excused from voting on the issue because he represents a financial lending institution doing business with the petitioner. Mayor Trantham excused Councilman Cole from voting on the issue.

Upon motion of Councilwoman Price, seconded by Councilman Rainey, Resolution No. 79-64 was unanimously adopted.

Complete text of Resolution No. 79-64 will be found in Resolution Book No. 11 at page 140.

RESOLUTION NO. 79-65 - RESOLUTION FIXING DATE OF PUBLIC HEARING ON THE QUESTION OF ANNEXATION PURSUANT TO G. S. 160A-31, AS AMENDED (GREAT SMOKIES HILTON ANNEXATION PETITION)

5. Consideration was given to a resolution fixing date of a public hearing on the question of annexation pursuant to G. S. 160A-31, as amended regarding annexation of the Great Smokies Hilton property.

Verl Emrick read the resolution and explained that the petition describing the property to be annexed had been investigated and certified by the City Clerk.

Councilman Cole again requested that he be excused from voting on the issue because he represents a financial lending institution doing business with the petitioner. Mayor Trantham excused Councilman Cole from voting on the issue.

Wayne Kinser, petitioner, said the amended petition included the golf course and tennis facilities as requested by Council. He said these facilities were originally left out of the petition because there had always been a precedence to leave golf courses outside city limits. He expressed concern that his golf course would be in competition with other golf courses that are outside the City Limits.

Upon motion of Councilwoman Price, seconded by Councilman Morris, Resolution No. 79-65 was unanimously adopted, scheduling the public hearing for March 29, 1979.

Complete text of Resolution No. 79-65 will be found in Resolution Book No. 11 at page 141.

PUBLIC HEARING - CHANGING TENURE OF CITY COUNCIL MEMBERS AND PROCESS OF THE ELECTION OF THE MAYOR

6. A public hearing was scheduled relative to changing the tenure of the City Council members and changing the process of the election of the Mayor.

Mayor Trantham opened the public hearing at 5:32 p. m.

The Assistant City Manager presented the notice to the public setting the time and date of the public hearing and the affidavit of publication.

spend January planning. Then in February and March, we are trying to get started until we run smack into the budget, which takes up our attention until July 1, at that point we all madly leave this town on vacation and we come back in early Fall and start the process all over again. So it may look like we've lost a month; in actual practice we've lost three or four or five months. That is the first reason I think that we should have direct election of the Mayor.

The second reason is the theory of the present system has never worked out in parctice, at least it has not worked out in practice in recent years. According to the City Manager form of government; the Mayor is elected from among the Council members. In all text books on Urban Government, the Mayor is first among equals, and thus does not have to invest too much of his time except on ceremonial occasions. Mr. Mayor, I'm sure you will attest to the fact that this job is much more involved than what the text books have described it; also, I think it was the same under Mayor Ochsenreiter, as I observed him in action. In actual practice the Mayor is not first among equals. The demands upon the Mayor are greater. It is a situation where the Mayorship itself has been elevated by action and by tradition to a higher level and more demands are made upon him or her (we may have that type of gender in Mayorship in the future).

Finally, there is an ethical reason. It seems to me that we need government in the open and not government in the smoke-filled room. People have a right to elect the Mayor in the open. We have had some bad experiences of what must be considered back-room politics in recent months. And during the times that I've been in the process of electing the Mayor, the first time did involve a back-room decision. This last time I'm happy to say that there was no back-room decision -- it was made in the open. But there is always that danger of the back-room, smoke-filled room decision. It seems to me that people want their government clean. The way to make it clean is to have the Mayor elected by the public.

So I don't know, where we go from now. I don't know if we could make a decision on this today.

Mayor Trantham: I think this is a hearing and I would recommend that we take all this information under observation and discuss it later. That is my own recommendation.

Councilwoman Price: One thing I'd like to point out is the fact they must be pretty well satisfied because they are not out there telling us to change it.

2. September 20, 1977 - Letter to Gene C. Ochsenreiter from Frank Gray, Attorney, North Carolina League of Municipalities, regarding forms of government in 16 North Carolina municipalities with over 25,000 population.

Mayor Trantham: What part did you not wish to read Councilman Rainey?

Councilman Rainey: I don't agree to that part of it; if anybody wants to agree to that part, they can read it.

It's really too bad that we're debating this at 5:35, but it couldn't be helped. We had so much good business today, and there were so many people here, that were here to speak in favor of it, but they had to leave.

Councilwoman Price: There were some in opposition.

Councilman Morris: How could you tell?

Councilman Rainey: Well, by the look on their faces.

The good Asheville Times was good to run a poll for us and it was comforting to know that direct election of the Mayor and four-year terms for members seemingly were in the majority.

I don't think there is any need to talk about the four-year term for members: that seems to have universal support among incumbents and outcumbents. What might be a matter of issue, and this is why we requested that we have this public hearing, is to decide on the direct election of the Mayor.

There are, I think, three benefits to the direct election of the Mayor. First of all, the present system loses one month's planning period in getting the new City Council going. We are elected in early November and we take office in early December. What follows is known in Asheville as "November madness." During that time, in the two episodes that I've gone through, all sorts of maneuvering and politicking and a lot of good fellowship and some bad fellowship at lunches occurs quite a bit goes on, not much of it productive; I don't consider it productive, but necessary under the present system. This is a month lost. What I would like to see happen is the new Council and the Mayor's decision already made, that the new Mayor would meet with the Council members and these Council members would spend that month planning. This is what presi-ential victors, getting ready for inauguration in January do. When the President hits the ground, he hits it running. But when we hit it, we hit it skidding. And we skid quite a few months further because once we come into office in early December, there is the euphoria of coming into office, I suppose, then we run smack into Christmas and nobody politics during Christmas (that's one of the unwritten rules). We then

Councilwoman Price: Within the first six (6) months after taking office I would have gladly voted for the direct election of the Mayor. But I have since been thinking about it since it has been scheduled for public hearing. Those people that have contacted me have been opposed to the direct election of the Mayor and perhaps that is why I've been thinking more a long that line. I do feel that November is lost and I feel like there can probably be a way that the Mayor would be determined by the elected body prior to the first Thursday in December so that there could be organization set up. But under the City Manager form of government there should not be a lapse because the City Manager supposedly runs the City and the Council is only a policy-making board. So there is not a loss in the fact that the City comes to a sudden halt.

But another thing I've thought about was that if seven people were running for the office its a team. The people who are making the choice look at each one of those candidates and they think of them to the utmost, what is their potential. Now, I do not believe they are looked upon nor do I feel that everyone running for Council should be willing or even be willing to accept the position of Mayor. But those people that are called on to take that job have, as Ralph pointed out, has certainly come through and done a good job for the City. But first those people are elected as a team and they are not singled out as individuals. I feel that the public, if you have two people running for Mayor, I think the people will make the right choice as to which one is the best Mayor. But I'm not sure that, perhaps, the right person will always choose to be running for Mayor because they are singled out and I'm not as sure that the six (6) other candidates would get the same consideration and the same scrutiny as the Mayor is getting and therefore, they may put all their interest and all the attention on the Mayor and let six (6) others be elected without as much scrutiny. This way everyone is equally put before the people and scrutinized by the people who are making the choice. On the four year term I had not thought much about it until I realized our state legislators were considering going to four year terms and I thought, well, I'm not too happy their doing that. They are elected for four years and they only stay in session for a short time and we really lose touch with them. So I thought what I think about them is good enough for me so if I think they should run for two year terms then I think the City Council should keep in touch with the people by running for two year terms too.

Councilman Cole: Mr. Mayor, it's 10 minutes to the time I'm suppose to pick up someone to go to another meeting. I'm very satisfied with the present system as we have lived in the last two year period. When I first came into the Council I probably would have gone for the direct election of the Mayor but I have sinced changed my mind to that. I think

Councilman Michael: I would agree with Gene, that the Mayor's job is one that requires quite a bit of time and someone should commit themselves when they run to be Mayor that they have that time to spend and are willing to spend that time and wants to be a representative of the City at different conventions and ceremonies and so forth.

I also agree with Gene, that one thing he didn't bring out as strongly as I would like to bring it out, is that there is quite a bit of animosity and it takes quite some time to quail after the election of the Mayor among seven people that are elected to City Council. There are ..... It is difficult for seven people to get together and say one of us is the best person to be Mayor. I know this last time, there was quite a bit of ill-will and bad feelings and I just don't think it should be that way. I think that the Mayor should be elected by the people then you won't have this seven people trying to get together to decide which one should be the Mayor of the City of Asheville. I think the people should elect the Mayor. As it stands now, you run for City Council, you run for three positions, you run for Councilman, you run for Vice-Mayor and you run for Mayor. You must be willing to accept any of those positions if you are nominated and elected by the other Council Members. Some of us just do not have the time and would not make a good representative, a good Mayor, of the City of Asheville because of this fact.

Councilman Morris: I don't expect that there is any way that is going to be perfect and I guess my comments would be this to the extent that you got - as could happen - the two best men in town running for Mayor, you are going to lose one in the election and he will not be able to serve as a member of the Council. So that would seem to me one difficulty of going to the direct election of the Mayor.

The second thing that troubles me is that the public in general, has a right to elect Council. It is not in near as good of a position to determine which man has the ability to serve as Mayor. Often times the man with the broadest smile does not necessarily have the greatest mentality or the greatest willingness to work. I have lived through five (5) Mayors, that I recollect real well, I expect my life span is longer than that, but I remember five (5) from Mayor Eller on up and all have been good men. I don't know what we might get if we change it. My general feelings have been if it ain't busted - don't fix it. I think we should leave well enough alone with a system that I don't think has given us problems.

Certainly, two years is long enough to become oriented to the business of Council. Certainly, they are going to be variations in terms of the issues and items on the agenda that become before you. But there have been examples, and I have been present in a number of cases where there has been a great loss of time by the Council in performing its duties simply because of ..... comments and filibustering or what have you. Also, I question whether, it seems that you have made a basic assumption based on the polls conducted by the Asheville Citizen-Times and wonder if you have the exact statistics in front of you about the poll in terms of the percentage of people who responded and the cross section of the people who responded to that poll. I don't think any one item should weigh heavily to help you make a decision on an issue as important as this. I think that a two year term is certainly long enough for the person to become oriented and acquainted with the duties and responsibilities as a Councilman. I think a four year term is too long. It would enable a Councilman to get entrenched politically in one form of fashion or another.

On the other hand, I do favor the election of the Mayor because I think some comments have already been made that would eliminate a lot of the political bickering and in-fighting that occurs during the time of the election and the actual taking of office. Also it would seemingly eliminate any discrimination that would exist in terms of individuals who received a large number of votes as opposed to other individuals who did not receive as many vote as determining which one of those individuals should become Mayor and which one of those individuals had the weight so to speak because they received the largest number of popular votes. I think the election of the Mayor would smooth out the problems that we are presently having with the election of the Mayor within the group. Thank You.

Mayor Trantham: Thank you, Jesse Ray. Does any other member of the public have any comments to make pertaining to this subject?

Councilman Michael: I'd like to say one more thing that has not been mentioned. It cost quite a bit to run for office. You only make $25 a week when you are elected and your chance of -- I know it cost me about $3,500. I got most of it in contributions but ---- making $1,200 a year or $2,400 a term there is no way you can recoup your investment at all. My campaign cost about $3,500. Most of mine were contributions from the churches and small contributions - Most of all of your contributions came from a much larger party than I belong to and I don't really know how much all of you spent. I think as individuals you all certainly did not have to spend as much as I had to spend. So, if you go into office and have to do this every two years I think that independent and minority party members really can not afford it. That's another point I thought I'd bring out.

we have an effective system at this time and I too feel the four years is a long term for any public servant not to come back to the people and have contact with them to reassure the people that they have relationship with them and I think that is one of the obligations of running for office because you must respond to the people in the community to serve them. I think four years for this purpose is too long. If you will excuse me, I'm going to go.

Mayor Trantham: Would any member of the public like to make any comments regarding this subject? If so, come forward and give your name and address.

Ralph Bishop: Mr. Mayor, members of Council, my name is Ralph Bishop, and I am a resident of the City of Asheville, Now, you are voting on changing the charter, I think and I'm wholeheartedly in favor of electing the Mayor and electing the City Council for four years. Now, if I'm out of order on this you can declare me out of order. If it's possible for you to elect a Chief of Police I would like for that to be changed to so you elect one that - and limit that to one chance of election - four years. And that would preclude the possibility of ever getting another J. C. Hall or this man we got over there - Melvin Lane Tucker. It would be a local man and they would all get to split up the profits they are making. That is all I got to say on that at this time.

Mayor Trantham: Thank you a lot, Mr. Bishop. Does anyone else have any comments to make pertaining to this subject?

Jesse Ray, Jr.: Mayor and Council Members, I'd just like to comment briefly on the consideration at hand in terms of having the Council Members serve for a four year term and the Mayor elected at large. Basically, I am opposed to having Council members serve for a four year term, primarily, because I feel there must be a leverage between the people and those who represent the people and I feel that a four year term would remove that leverage from the people's standpoint in terms of being able to react or not react to the particular service of a person on the Council. Now, if you compare or look at the lengths of terms on other levels of government in terms of our state representatives who are elected for two year terms as well as our U. S. Congressional representative who is also elected for a two year term. This has seemed to fair pretty well and has given both the person in that position an opportunity to serve the people as well as an opportunity for the people to react to his service. Now, it has been stated that two years is not long enough for an individual to become oriented and acquainted with the duties and responsibilities of the Council. Well, if that's the case then maybe something is not right with those particular individuals.

We all saw the problem that JoAnn Swilling had as a mother. She happened to have quite a few relatives in town and thus child care cost was not a major factor. But I think that a mother would soon find that child care would eat up what bit of money she would be earning for this job. So that's one concern.

The second one is unless you make up the income loss in wages, then you are not going to get people from moderate income or hourly wage income level on the Council. These people cannot afford to take leave of their job, even if their boss would let them and serve on Council.

I'd like to make two quick comments in rebuttal. One, as Norma points out the Mayor's race might detract from the other Council's race. Indeed, that is what is happening now. The one question that is always asked of you as you are running for Council is "If you are elected, whom would you vote for Mayor.". So right now our problem is that the Mayor's race is already too much mixed in with our Council race. The second point I'd like to make is that time erodes our memory. Everybody that has opposed election of the Mayor thus far or has said anything about it, has said that within the first six months of their term they would have approved it. Now they would not. Time has eroded the memory of the animosity of the lack of the coordination that took place with the way we have it now. We are paying too high of a price for the present system. It is a system that needs to be changed and I look forward to an opportunity to change it

Mayor Trantham: Thank you, Dr. Rainey. I'm sorry you feel about me the way you do about the situation that there is animosity - bad feelings among this group towards me. I find it hard to be true, I really do.

Councilman Rainey: Mr. Mayor, are you talking about the same subject I'm talking about?

Mayor Trantham: Yes, I am - on several different times.

Councilman Rainey: What I'm talking about is what Otis was talking about a minute ago.

Mayor Trantham: I agree with you.

Jesse Ray, Jr.: May I make another comment. That's a point well taken but also on the other side of the coin, maybe expanding on the point about the stipend that the Council receives and I don't know if this study commission dealt with that issue or not. But, that stipend should be increased. I feel that, not in an attempt to try to justly compensate an individual for his time in terms of equating what he would be making on his job in his profession with the amount of time he would spend on Council but simply to make it a just compensation for the amount of time that an individual does spend as a Councilman. Also, I think in terms of the cross section of the Council in terms of age, I think they are not -- when have we ever had a Council person my age - 32 - not when I was here previously and I don't think so during the time I was away and certainly not since I've been back. I think this is also something we have to look at in terms of being in the position to attract people who are interested and are qualified to serve as Council. I think certainly a four year term from - may have its advantages or its disadvantages for younger people in terms of wanting to be tied down that long. Anyone not having served on Council but they would like to may get on there and do a good job for two years and then say well, you know this is just not for me I did the best I could and let it go at that. Certainly, yes they could resign during that four year term and someone else would have to be appointed - - How would that work anyway? -- during a four year term then the Council would appoint someone.

Councilwoman Price:
Councilman Morris: from the same political party.

Jesse Ray, Jr.: That's another thing that should be taken under consideration in terms of how we can develop the Council's overall posture so that all age groups -- it would be attractive to all age groups - both in terms of the length of the terms as well as the monetary stipend.

Councilman Rainey: Mr. Mayor, I think there are certain things that I would just briefly like to point out. The report does call for Council members a $500 per year increase. I frankly don't think that would make much difference to motivate people to go into Council work. But I would like to see us add that an allowance be made for child care for mothers and an allowance be made for income loss in wages.

So that's what happens when we do that. I think each member has a mind of their own and should express their feelings. I'm sorry I took up this much time. I appreciate the opportunity.

Any further discussion. I'll close this hearing at 6:10 p. m.

Council has agreed to take this under consideration and discuss it later.

Mayor Trantham: I'm sorry but this has been brought up three different times. To start with, I'd like to make two or three comments here. It's not for or against what we're discussing today. When the time comes I will make my decision, then. When we were sworn in as City Council we were sworn in all at once in December. The present Council and Mayor are still running the City until that time comes. When I was sworn in in December--- I'll go back just a minute. I think that when we come to this Chamber, no one had an idea who was going to be nominated or elected Mayor. I sure didn't have any idea I would be. But that happen - what happen in the past I don't know but I did not sit in on a Council that did make agreements who would be Mayor and who would not. I don't believe in that kind of .....
I know when I was sworn in I met each Council member, Councilwoman also. I ask for their support - I'd like for this to go into the minutes. I ask their cooperation. I know its embarassing and as I said I am not speaking for or against either ..... In doing so, I was told I would receive this and might say that I am glad and proud that I have received it. This Council, I think, has done a good job, has been a good Council, and as far as I know there has been no animosity in anybody's heart. I think they work for the interest of the people to the best of their ability. As far as wasting a month in December, when I was freshly elected Mayor I was in my office by 8 o'clock the next morning and have been there ever since - nights too -- and I expected that . I'm just greatful the experience I had as County Commissioner because it would have been much harder if I hadn't and I would say that whichever way this Council decides to elect the Mayor or the terms of the Council. That if they would operate and make the effort that we have as Council today, working together, I think this City will profit by their doing so.

No offense to Dr. Rainey, I think maybe you were talking about one thing and I another.

Councilman Rainey: I'm not talking about that at all. I think you have done a very good job and I supported you.

Mayor Trantham: I certainly don't appreciate the fact that there has animosity in this Council. If there has I haven't seen it. We haven't agreed on everything,naturally, and I would hate to see a Council that did agree on everything. I know I was critized one time for not agreeing on a couple of things and news media accused me of ..... a couple of them did agree all the time on some things and was accused of being a rubber stamp.

Mr. Norwood said it is his understanding that the Henderson County political leaders are upset over the move to annex the airport into the City of Asheville.

Councilman Morris said the WNC Pilot's Association should express their complaints to the County of Buncombe.

Councilman Rainey said he would like to know the effect the annexation would have on the regional concept of the airport.

RETIREMENT BENEFITS FOR GUY O'CONNER

8. Mike Smith, Personnel Director, explained that on January 24, 1979 the Board of Examiners of the Asheville Policemen's Pension and Disability Fund met to consider six (6) claims carried over from December, 1978 from employees or former employees of the Asheville Fire Department under the terms of an agreement between the State Retirement System and the City of Asheville. He said as a result of the meeting, the Board took action to approve the request of Guy O'Conner to change the status of his retirement benefits from non line-of-duty to line-of-duty. This would increase his monthly benefit from $305.21 to $476.23. He said under the terms of the agreement, if the City Council approves the recommendation of the Board of Examiners any changes will be certified to the North Carolina Local Governmental Employees Retirement System which will make the recommended changes or additions as of January 1, 1979.

Councilwoman Price moved that the City Council accept the recommendations of the Asheville Policemen's Pension and Disability Fund Board of Examiners made on January 24, 1979 to change the status of the disability retirement of Guy H. O'Conner from non line-of-duty to line-of-duty and to certify this change to the North Carolina Local Governmental Employees' Retirement System effective January 1, 1979. This motion was seconded by Councilman Rainey and carried unanimously.

AFFIRMATIVE ACTION REPORT

9. Sam Graves, of the Central Services Division, presented members of Council copies of the quarterly Affirmative Action Report.

RESOLUTION NO. 79-66 - RESOLUTION AUTHORIZING THE CITY CLERK TO READVERTISE THE SALE OF CITY OF ASHEVILLE PROPERTY KNOWN AS THE PACK MEMORIAL LIBRARY BUILDING ON PACK SQUARE

10. Consideration was given to a resolution authorizing the City Clerk to readvertise the sale of City of Asheville property, known as the Pack Memorial Library Building on Pack Square.

The Assistant City Manager read the resolution explaining that this resolution was necessary due to an increased bid being received from William C. Morris, Jr. and James N. Golding in the amount of $122,250.00.

Upon motion of Councilwoman Price, seconded by Councilman Michael, Resolution No. 79-66 was unanimously adopted.

Complete text of Resolution No. 79-66 will be found in Resolution Book No. 11 at page 145.

WNC PILOT'S ASSOCIATION - COMPLAINT RE: DOUBLE TAXATION OF PRIVATE AIRCRAFT

7. Bill Norwood, representing the WNC Pilot's Association said he had polled 19 aircraft owners prior to coming to the Council meeting. He said he asked each the following questions:

1) Are you in favor of annexation of the Asheville Airport?

2) If Asheville Airport is annexed into City of Asheville, will you move your airplane to another airport?

He said all 19 emphatically stated they were not in favor of annexation and all stated they would definitely consider moving their airplane to another airport. He said the private aircraft owners would be double taxed because they presently have to pay county tax.

He said the following questions were asked during his conversation with aircraft owners:

1. What will happen to funds from taxation?
   a) Will they go toward improving Asheville Airport, or will they go into general fund?

2. What services will be provided to aircraft owners in return for this revenue?

3. How will the annexation affect the proposed three-county airport commission?

   a) Will the counties be interested in the airport if annexation takes place?

4. Is it fair for out-of-town county aircraft owners to pay taxes to Buncombe County and the City of Asheville on personal property owned by someone who lives and earns his living in another county?

Mr. Norwood said airplanes are based at the Asheville Airport because they cannot be parked in the individual or corporation's property, therefore, unlike autos, leisure vans, etc., the airplane must be parked at the Asheville Airport, and owner has no say-so over relocating it to his own property. He said even if the aircraft owners move their planes to another airport they will still be allowed to use the facilities of the Asheville Airport because it is a federally funded airport.

Councilman Michael also opposed the double taxation. He said the County of Buncombe receives $26,000 from the aircraft owners in taxes which goes into their general fund. He said this should be refunded to the Airport. He said he felt the move to annex the property was due to the liquor-by-the-drink privileges because of the timing of the request to annex.

Councilman Michael said he had worked on the regional concept for the airport in order to serve a greater area and to have larger planes. He said he feels the other counties will not participate in the regional concept if it is annexed into the City of Asheville.

PETITION - 396 OLD HAW CREEK ROAD

The Assistant City Manager presented a petition, received from residents surrounding 396 Old Haw Creek Road, expressing concern that the owner of the property is planning to put in a sawmill operation.

The Assistant City Manager said the petition would be investigated.

CLAIMS - HENRY A. SHERLIN - MRS. THOMAS E. KING - ED CHAMBERS

The Assistant City Manager presented claims received from Mr. W. R. Swearngan, Facility Services Superintendent:

Following individuals have claims against City of Asheville for damages:

Henry A. Sherlin
617 Leicester Hwy.
Asheville, N. C.

Rock damage from blasting.

Mrs. Thomas E. King
15 Sandhurst Drive
Asheville, N. C.

Water Seepage in basement

Claim sent to St. Paul Fire and Marine Insurance.

Ed Chambers
Rt. 4 Sunset Drive
Asheville, N. C.

Damage to automobile - City vehicle backing.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

CEMETARY - KENILWORTH SECTION

Mr. Pete Winslow of 288 Kenilworth Road presented a petition from the heirs of Major William Wallace McDowell for the City to take over an old cemetary in the Kenilworth Section. He also read a letter addressed to Mr. Ernest J. Ward, former City Manager, dated June 20, 1975, requesting the City to take over the responsibilities and maintenance of the cemetary.

Mayor Trantham said the matter would be taken into consideration.

Adjournment.

MAYOR

CITY CLERK

APPROVAL OF THE CONSENT AGENDA

11. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. Motion amending the City of Asheville Capital Construction Fund budget for the Lake Eden Road Water Line Project which is wholly funded by the County of Buncombe.

HIGHLIGHTS:

Revenue: 33-346.0858 - County Participation - Lake Eden Rd. Water Line - $128,500.00

Appropriation: 33-50-858 - Lake Eden Rd. Water Line - $128,500.00

B. Motion amending the City of Asheville Second and Fourth Year Community Development Funds budget for Fiscal Year 1976-77 and Fiscal Year 1978-79 to reallocate $6,287 for the completion of the Burton Street Center which are available as a result of surplus funds from Klondike Park and Fourth Year Contingency Fund.

C. Resolution No. 79-67 - Resolution appointing a member to the Asheville Area Civic Center Commission.

HIGHLIGHTS: Appointment of Mr. Fred Brown.

Resolution Book No. 11 Page 146 .

D. Resolution No. 79-68 - Resolution appointing a member to the Asheville School Board.

HIGHLIGHTS: Mrs. Linda Winner will be reappointed a member of the Asheville School Board.

Resolution Book No. 11 Page 147 .

E. Resolution No. 79-69 - Resolution appointing a member to the Board of Examiners Policemen's and Firemen's Pension and Disability Fund.

HIGHLIGHTS: Dr. Wayne Montgomery will be appointed to the Board of Examiners Policemen's and Firemen's Pension and Disability Fund.

Resolution Book No. 11 Page 148 .

Upon motion of Councilwoman Price, seconded by Councilman Rainey the consent agenda was unanimously approved.

CLAIM - MRS. CONNIE L. AIKEN

The Assistant City Manager presented a claim for damages received from Mrs. Connie L. Aiken.

Mayor Trantham referred the claim to the Corporation Counsel for investigation and recommendation.

Verl Emrick, Planning Director, said the Planning and Zoning Commission, reviewed the request to rezone 20 Britt Drive on February 14, 1979 and recommended to City Council that the petition be denied.

Mr. Emrick said the petitioner has requested that Council continue the public hearing for one week, March 29, 1979, giving the developer an opportunity to review the plans for the property with the members of Council.

Mr. William Dickinson of 18 Eastshore, opposed the rezoning request because of the odor, chemical effect, and minor increased travel if the Heavy Industrial zone is established. He said he would request that the Heavy Industrial zone be buffered with a light zoning or the property remain zoned R-3 Residential.

Approximately eighteen (18) people were present for the meeting in opposition to the rezoning.

Mr. Earl Richie, 57 White Pine Drive, requested that the overall community be studied in the White Pine Drive area before any more rezonings occurred in the area.

Councilman Cole moved to continue the public hearing until March 29, 1979. This motion was seconded by Councilwoman Price and carried unanimously.

PUBLIC HEARING - SITE PLAN - BEAR CREEK APARTMENTS -PHASE II

4. A public hearing was held relative to the site plan of Bear Creek Apartments - Phase II, prepared by Ridgley K. Robinson, ASLA, for Alco Properties, Inc.

Vice-Mayor Horton opened the public hearing at 3:27 p. m.

The Assistant City Manager presented the notice to the public setting the time and date for the public hearing.

Verl Emrick, Planning Director, said the Planning and Zoning Commission, on February 14, 1979, reviewed the site plan of Bear Creek Apartments- Phase II and recommended to City Council that the site plan be approved subject to the following: 1) Compliance with State Sediment Control Act for erosion control administered by the Land Quality Section, North Carolina Department of Natural Resources and Community Development. He said the Asheville Water and Sewer Department advises that water and sanitary sewer facilities as designed are adequate to serve this project. The department indicated; however, that for increased fire protection, the developer should consider the installation of an additional line along Bear Creek Road to tie with existing 6" line near School Road.

Mr. Emrick said Phase II of the project would consist of 90 additional units with 1, 2 and 3 bedroom complexes. He said the project would be built on 9 acres and the parking requirements of the zoning ordinance are being complied with.

Council then discussed the recommendation of the Water and Sewer Department that the developer should consider the installation of an additional line along Bear Creek Road to tie with existing 6" line near School Road.

Thursday - March 22, 1979 - 3:00 p. m.

Regular Meeting

Present: Vice-Mayor Bill B. Horton, Presiding; Councilwoman Norma T. Price, Councilman Gene E. Rainey, F. Jack Cole and Otis B. Michael, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr., Acting City Clerk Carol Hensley.

Absent: Mayor Roy M. Trantham and Councilman Ralph D. Morris, Jr.

INVOCATION

The invocation was given by Councilwoman Norma T. Price.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the March 15, 1979 meeting.

Councilman Rainey presented grammatical errors in the verbatim text of the minutes. He also noted that the minutes showed no motion for the approval of the consent agenda.

With these corrections, Councilwoman Price moved for the approval of the minutes of the March 15, 1979 meeting, as amended. This motion was seconded by Councilman Cole and carried unanimously.

BROWNBAGGING PERMITS FOR COUNTY - DISCUSSION

Upon inquiry of Vice-Mayor Horton, Corporation Counsel Moore said he had talked with the ABC Board relative to Councilman Morris's question as to why the liquor-by-the-drink legislation was written to include only the City Limits when establishments in the County were permitted to obtain brownbagging license. He said the ABC Board has not, as yet, furnished him any information.

APPOINTMENT TO THE HOUSING AUTHORITY OF THE CITY OF ASHEVILLE - MR. HUNTER B. WATSON

2. Vice-Mayor Horton announced the appointment, by Mayor Trantham, of Mr. Hunter B. Watson as a Commissioner of the Housing Authority of the City of Asheville.

The Assistant City Manager read the Certificate of Appointment.

PUBLIC HEARING - REZONING 20 BRITT DRIVE - E. DENNIS YOUNG AND EMIL D. YOUNG

3. A public hearing was held relative to rezoning property at 20 Britt Drive from R-3 Residential District to HI Heavy Industrial District, property owned by E. Dennis Young and Emil D. Young.

Vice-Mayor Horton opened the public hearing at 3:14 p. m.

The Assistant City Manager presented the notice to the public setting the time and date for the public hearing.

II. The decrease in parking revenue has been in process since the early 1970's. Now for the first time, we are able to state, with a degree of certainty, that there is some off setting revenue.
   1. There is concrete proof of an increase to the city in the 1% sales tax revenue - a substantial increase.
   2. There is an increase in the inventory levels required to support the increase in sales.
      a. A good rule of thumb is that good managed retailers achieve 3-1/2 turns per year in inventory.
      b. This means that the more sales a business achieves, the more inventory it needs and the more city revenue it will pay.
      c. For one business alone, this will amount to over $750, based on a tax rate of .96.

III. With the certain increase in the price of gasoline, the present parking program becomes even more important for three very good reasons:
   1. The customer is going to become fuel cost conscious and will refuse to visit any area where she has to waste valuable fuel driving around and around trying to find a parking space.
   2. It will use less energy and thus help our area, our state, and our country, to some extent.
   3. When you consider the downtown shopping area, it is closer for a major segment of our population than many of the outlying shopping areas.

He said retail establishments cannot exist or locate in an inadequate parking area.

Bob Anthony made the following presentation:

A. The revitalization plan and the parking program have already turned the attitudes of both customers and business leaders from one of desolation and gloom, to one of positive attitudes and excitement:
   1. Evidence that there is over $11,000,000 in private investment planned for the Mid-City Area.
   2. Seven new restaurants are planned to open (only one of which has applied for a liquor-by-the-drink license).
   3. These new adventures themselves will benefit the area. However, probably their greatest contribution will be to draw more new business.

B. The City, in my judgment, is not providing the parking to benefit the merchants and business community nearly as much as it is providing a service to the taxpayer by making parking available to him in a more convenient manner at a place where he desires to be at a particular time.

   If this were not the case, then the change in parking would not have made any difference in the shopping habits of the customer - which it has, by whatever method you use to measure it.

C. We are presently subsidizing the Asheville Transit Authority to a much greater degree than the parking program is anticipated to require, and that needs to be done. Let's keep the parking program, and benefit the other 90% of the tax payers.

D. The Mid-City Merchants spent $2,421 last June and July to publicize the new parking program. It was a good investment and accomplished the goal.

Mr. Ridgley Robinson said the water service projected is not dependent on a new line. He said the project could get adequate water service without any City action on a new line.

Councilman Michael commented that the City could not force the developer to share the cost of a line the developer does not need.

Vice-Mayor Horton closed the public hearing at 3:40 p. m.

Councilman Michael moved to approve the site plan of Bear Creek Apartments Phase II as recommended by the Planning and Zoning Commission. This motion was seconded by Councilman Rainey and carried unanimously.

PUBLIC HEARING - STUDY AND RECOMMENDATIONS RELATIVE TO DOWNTOWN PARKING

5. A public hearing was held relative to the study and recommendations pertaining to the downtown parking.

Vice-Mayor Horton opened the public hearing at 3:43 p. m.

The Assistant City Manager presented the notice to the public setting the time and date of the public hearing.

Richard Thornton, of the Planning Division, reviewed the "Asheville Experimental Parking Program, Task Force Report" and the "Downtown Parking Program, recommendations of the Planning Division Staff." He said in recent months the City has had an experimental parking program for free on-street parking in the downtown area. He said during the experiment, retail sales in the downtown area made a substantial increase. He said twenty-five (25) additional establishments are planned for the coming year in the downtown area which would employ approximately 1,000 more employees. He said not all of the projects would provide their own parking spaces and this would increase the need for parking downtown.

(Copies of the reports mentioned are on file in the Office of the City Clerk)

Mr. Thornton said the City Manager had requested that Council consider the package as a comprehensive package rather than a piece-meal package.

Councilman Michael said he felt the Revitalization Commission should concentrate on the hotel/motel convention areas to build their own parking facilities.

Roy Burchfield made the following presentation:

"I. The parking revenues during the experimental period, in my opinion, reflect three very important things:
   1. The public has been made aware of the program and its equitable enforcement and the regularity of the rounds by the enforcement officers.
   2. The customers are utilizing the available spaces in the manner we set out to achieve - they are parking for two hours or less and then leaving the space for other customers.
   3. Employees who were parking on the street all day for the $1 parking penalty or who were feeding the meters, are now in the private lots or the municipal parking garage or the other municipal parking areas.

Honorable Mayor and
Members of the Asheville City Council
City Hall
Asheville, N. C. 28801

Re: Loading zones, Biltmore Furniture Company
Lexington Avenue, Asheville

Gentlemen:

As you consider the multitudinous problems of parking within the city of Asheville, please be so kind as to give careful and favorable attention to the following:

Biltmore Furniture Company, owned and operated by Mr. A. W. Colledge, a highly respected businessman and community-minded citizen, has occupied two buildings on Lexington Avenue since 1946. Two Loading Zones (one in front of each building) were awarded this company several years ago when Mr. Weldon Weir was City Manager and Mr. Carl Hyatt was Director of Public Safety.

Inasmuch as there now exist in the vicinity several more business establishments than existed at the time of the granting of two Loading Zones to Mr. Colledge, the need for one in front of each building is greater now than ever. Please note:

1) All sales and display of merchandise must be made from the ground floors since it is necessary to keep upstairs-warehoused items covered or in cartons due to the accumulation of dust from heavy traffic, primarily of trucks owned by adjoining businesses at the upper level.

2) The construction of steps inside the Biltmore Furniture Company building is such that they will not accommodate for removal purposes many of the larger articles of furniture. And these items must be moved from the upper level to the front of the two lower levels of the building for purposes of display and sale. Without the use of two Loading Zones a grave hardship is perpetrated upon Biltmore Furniture Company.

3) As I understand it, Mr. Colledge several years ago paid for the improvement of the sidewalk in front of the buildings, and a portion of the consideration of his agreement so to do was an understanding on his part that his own use of the front of the buildings would not be further restricted.

. . .

Leon Rocomora, member of the Asheville Revitalization Commission, Transportation Committee said at the last meeting the following motions were made:

"Be It Resolved that the Asheville Revitalization Commission Transportation Committee has reviewed the Parking Task Force report and hereby endorses its findings, furthermore it is recommended that the current on-street parking plan as described in Part I of the report be made permanent. This motion was made by Walter Boggs and seconded by Roy Burchfield and carried unanimously."

"Be It Further Resolved that the off-street parking accommodations are a key component to an acceptable transportation program for the revitalization of downtown Asheville and its intent brings forth its recommendation to the Revitalization Commission for presentation to the Council. This motion was made by Walter Boggs and seconded by Robert Anthony and carried unanimously."

He said they would like to proceed on bringing to the Council a program for implementation for off-street parking - several large parking areas - and bring to Council a recommendation for financing the cost of this program.

Lem Moore, City Employee in the Inspection Division, opposed the recommendation in the report that City Employees pay $10 for parking, stating that the recommendation does not include all city employees or Buncombe County employees who park in the City Municipal Lots. He requested that Council explore this recommendation thoroughly.

Ralph Bishop said he felt the parking as currently being implemented should remain status quo.

Councilman Rainey said his negative vote on the issue would be based on several factors. He said the main important change in the parking program was abandoning the downtown employee parking. He said users should pay for their services and the homeowner should not have to pay for parking places for out-of-town shoppers. Referring to the parking report he said there had been high losses in parking revenues. He said if the Parking Program is a success then the Mid-Town Merchants should not mind picking up and/or sharing the cost of the parking program. He said the funds received from the parking revenues should be used for revitalization. He said the parking meters, at a future date, would return and Council should look at a future off-street parking program.

In commenting on the recommendation of City employees paying $10.00 to park, Councilman Rainey said the monies should be put in a separate fund and be applied to the users and not used in the general fund.

Councilman Cole said the $10.00 from City Employees could be used to pave the City Parking Lot. He said he was in favor of the free parking downtown.

The City Manager requested that the following letter be included in the minutes:

PUBLIC HEARING SCHEDULED - AMENDMENTS TO ZONING ORDINANCE - NIGHT CLUBS

7. Consideration was given to a motion scheduling a public hearing on Zoning regulations on Night Clubs for April 12, 1979.

Councilwoman Price moved to schedule a public hearing on the matter for April 12, 1979. This motion was seconded by Councilman Cole and carried unanimously.

APPROVAL OF CONSENT AGENDA

8. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. Approval of bids received March 14, 1979 for Brake Drum Lathe and Grinder for Asheville Transit Authority (UMTA Project No. NC-03-0006)

HIGHLIGHTS: Four (4) bids were received.

Recommendation of lowest bid submitted by Star Machine and Tool Company in the amount of $5,135.60.

B. Approval of bids received March 19, 1979 for 1,500 watt, 240 volt Metal Halide Heavy Duty Fixtures with Lamps for McCormick Field.

HIGHLIGHTS: Six (6) bids were received.

Recommendation of lowest bid submitted by Mill-Power Supply Company in the amount of $20,298.84.

Funding: Revenue Sharing Trust Fund, Capital Outlay Equipment, Fixtures and Lights for Improvement of lighting system at McCormick Field.

C. Resolution No. 79-70 - Resolution calling for a public hearing for the adoption of an ordinance directing the Housing Officer to demolish 97 Hill Street, 40 Pine Grove Street, and 5 Toxaway Street for April 12, 1979.

Resolution Book No. 11 Page 149

Upon motion of Councilman Cole, seconded by Councilwoman Price, the consent agenda was unanimously approved.

4) The length and terms of his lease are such as to preclude Mr. Colledge's investment of the vast sums necessary to renovate the buildings occupied by his business in such manner as to offset the removal overland of merchandise as described.

Your kind consideration is greatly appreciated by all concerned.

Thank you very much for this and past kindnesses.

Respectfully yours,

HORTON and HORTON

Shelby E. Horton

SEH:mp

Vice-Mayor Horton closed the public hearing at 5:16 p. m. and called for a five (5) minute recess.

Councilman Michael said before Council recesses he would like to present a motion.

Councilman Michael then moved that the demonstration parking program be extended for one (1) year. This motion was seconded by Councilman Cole and carried on a voice vote of 4-1, with Councilman Rainey voting "no."

Council then recessed for five (5) minutes.

Council reconvened at 5:35 p. m.

Vice-Mayor Horton said Council would instruct the City Manager to set up a Council work session on the parking recommendations.

CONTINUATION OF PUBLIC HEARING - CLOSING OF RASH ROAD

6) Continuation of a public hearing relative to closing a portion of Rash Road.

Verl Emrick, Planning Director, said the attorneys in the petition have requested that the matter be continued until April 5, 1979.

Councilwoman Price moved to continue the public hearing until April 5, 1979 without further publication. This motion was seconded by Councilman Cole and carried unanimously.

Thursday - March 29, 1979 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilman Gene E. Rainey, F. Jack Cole, Otis B. Michael and Ralph D. Morris, Jr., Corporation Counsel William C. Moore, City Manager K. M. Michalove, Acting City Clerk Carol Hensley

Absent: Associate City Manager/City Clerk William F. Wolcott, Jr. (attending to other city business at the Civic Center)

INVOCATION

The invocation was given by Mayor Roy M. Trantham.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the March 22, 1979 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the minutes of the March 22, 1979 meeting were approved as submitted.

RESOLUTION NO. 79-71 - RESOLUTION COMMENDING ASHEVILLE HIGH SCHOOL ON THEIR PARTICIPATION IN THE INTERNATIONAL EXCHANGE PROGRAM AND RECOGNIZING THE JAPANESE STUDENTS FROM KOFU NISHI SENIOR HIGH SCHOOL THAT ARE PARTICIPATING IN THE PROGRAM

2. Consideration was given to a resolution commending Asheville High School on their participation in the International Exchange Program and recognizing the Japanese Students from Kofu Nishi Senior High School that are participating in the program.

The City Manager read the resolution.

Upon motion of Councilman Cole, seconded by Councilman Morris, Resolution No. 79-71 was unanimously adopted.

Complete text of Resolution No. 79-71 will be found in Resolution Book No. 11 at page 151.

Mayor Trantham presented each student with a welcome letter and a copy of the resolution.

RESOLUTION NO. 79-72 - RESOLUTION OF APPRECIATION AND COMMENDATION TO WILMER J. BLACKWELL

3. Consideration was given to a resolution of appreciation and commendation to Wilmer J. Blackwell.

The City Manager read the resolution and said Mr. Blackwell would be retiring from the City of Asheville after twelve (12) years of service to the City.

Upon motion of Vice-Mayor Horton, seconded by Councilman Michael, Resolution No. 79-72 was unanimously adopted.

CLAIMS - SAMS LINCOLN-MERCURY, INC. - ELOISE PHILLIPS

The City Manager presented claims received from Mr. W. R. Swearngan, Facility Services Superintendent.

Following individuals have claims against the City of Asheville for damage:

Sams Lincoln-Mercury, Inc. 11 North Market Street Asheville, North Carolina 28807	Dumpster hit cyclone fence
Eloise Phillips 45 Edgewater Lane Asheville, North Carolina 28804	Sewer Problem - City side

Vice-Mayor Horton referred the claims to the Corporation Counsel for investigation and recommendation.

PROCLAMATION - "RONNIE MILSAP DAY" - MARCH 24, 1979

Vice-Mayor Horton read a proclamation, made by Mayor Trantham, proclaiming March 24, 1979 as "Ronnie Milsap Day."

CIVIC CENTER DIRECTOR APPOINTED - MR. BARRY OGRIN

The City Manager announced the appointment of Mr. Barry Ogrin as the Director of the Civic Center, effective May 14, 1979.

ANNOUNCEMENT OF PUBLIC MEETING -OBSCENITY AND PORNOGRAPHY

Vice-Mayor Horton announced that a public meeting is scheduled for April 1, 1979 at 2:00 p. m. at the Beverly Hills Baptist Church. He said Senator I. Beverly Lake, author of the bill on obscenity and pornography would be present to explain the significance of the bill and to give details of how it will be enforced. He said the Christian Action League is sponsoring the meeting.

RALPH BISHOP - DISCUSSION RE: LOTTERY SALES

At the request of Councilman Rainey, Mr. Ralph Bishop explained the profit margin for lottery sales. He said an individual would make $380.00 tax-free dollars on a $1,000 board, $165.00 tax-free dollars on a $600 board, etc.

Adjournment.

Bill B. Horton
VICE-MAYOR

Maureen F. Nolette
CITY CLERK

Wayne Kinser, owner of the Hilton, said they had requested the annexation due to competition of other convention centers. He said they have found that their customers prefer the privilege of having liquor-by-the-drink.

Upon inquiry of Vice-Mayor Horton, Mr. Kinser said the Great Smokies Hilton would comply with all the ABC rules and regulations.

Councilman Rainey said he would be voting for the annexation of the Hilton only because of a campaign promise.

On a roll call vote of 5-1, Ordinance No. 1095 passed on first reading, with Vice-Mayor Horton voting "no" and Councilman Cole "abstaining."

Councilman Michael moved to suspend the rules and proceed to the second reading of Ordinance No. 1095. This motion was seconded by Councilman Morris, which motion carried with Vice-Mayor Horton voting "no" and Councilman Cole "abstaining."

On a roll call vote of 5-1, Ordinance No. 1095 passed on second reading, with Vice-Mayor Horton voting "no" and Councilman Cole "abstaining."

Councilwoman Price moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1095. This motion was seconded by Councilman Michael, which motion carried with Vice-Mayor Horton voting "no" and Councilman Cole "abstaining."

On a roll call vote of 5-1, Ordinance No. 1095 passed on third and final reading, with Vice-Mayor Horton voting "no" and Councilman Cole "abstaining."

Complete text of Ordinance No. 1095 will be found in Ordinance Book No. 8 at page 327.

ORDINANCE NO. 1089 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Including "Public Facilities" as a permitted use in Office Institutional)

5. Consideration was given to the third reading of Ordinance No. 1089, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended including "public facilities" as a permitted use in the Office Institutional District.

Mayor Trantham said the ordinance was previously read on first and second readings and would not be re-read in its entirety unless there was a specific request to do so.

Upon inquiry of Councilman Cole, the City Manager said this particular ordinance did not deal with the construction of a park in North Asheville but only to including "public facilities" as a permitted use in the Office Institutional District.

Complete text of Resolution No. 79-72 will be found in Resolution Book No. 11 at page 152 .

PUBLIC HEARING - ANNEXATION OF THE GREAT SMOKIES HILTON PROPERTY

ORDINANCE NO. 1095 - AN ORDINANCE TO EXTEND THE CORPORATE LIMITS OF THE CITY OF ASHEVILLE, NORTH CAROLINA

4. A public hearing was held relative to annexation of the Great Smokies Hilton property.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mayor Trantham opened the public hearing at 3:20 p. m.

Verl Emrick, Planning Director, explained that the annexation would include all the property under control of the Great Smokies Hilton. He said the annexation would become effective March 31, 1979 in order to give the City the greatest tax advantage. He said eventhough the taxes would be levied for April, May, and June, 1979; the payment of the taxes will not become due until September, 1979.

Upon inquiry of Vice-Mayor Horton, Mayor Trantham said he had contacted the leaseholders of property leased to the Hilton and they were not willing to be annexed into the City at this time.

Mr. Emrick said he did not anticipate any great expense to the City as far as the cost of services is concerned because most of the services are in place.

Mayor Trantham closed the public hearing at 3:25 p. m.

Councilman Cole requested that he be excused from voting on the issue because he represents a financial lending institution doing business with the petitioner. Mayor Trantham excused Councilman Cole from voting on the issue.

Verl Emrick read the ordinance and requested that Council pass the ordinance on all three readings in order to have the ordinance effective March 31, 1979.

Councilwoman Price moved for the adoption of Ordinance No. 1095. This motion was seconded by Councilman Morris.

Vice-Mayor Horton said the Hilton's basic reason for requesting annexation was to have the privilege of selling mixed drinks. He said the Hilton may have been better off to have held the line and not gone to liquor-by-the-drink. He said the City receiving the additional tax money and the Hilton receiving the privilege of selling mixed drinks was a bad trade for the citizens of Asheville.

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

Leo Bagwell, of Balsam Avenue, said the residents on Balsam Avenue do not want Mr. Coleman to grade or disturb the 25' buffer zone that Council had agreed to remain as R-3 Residential District.

Rick Coleman requested that in the future development of the land, Council allow the 25' buffer zone that will remain R-3 Residential District, to be the buffer required in the group development plan rather than to encroach further onto the property for an additional buffer beyond the 25'.

Councilwoman Price said this request could be considered at the time the group development is presented for approval.

Councilman Morris said Council should, for the benefit of any future Council, show that this Council intended that the 25' residentially zoned buffer would be used as any buffer requirement for any future development.

Mr. Emrick said Council could not put such a condition with the zoning of the property. He said it would have to be done by separate motion.

Mr. Bagwell requested that the City Engineer stake out the 25' residential buffer zone beginning with the northwest corner of Lot 79 and running a direct line to Lot 131.

After discussion, Mayor Trantham called for a vote on the second reading of the ordinance.

On a roll call vote of 7-0, Ordinance No. 1094 passed on second reading.

Councilwoman Price moved that no grading permits be issued for that portion of Lot 12-1/2, Lot 131 and Lot 79 until the group development plan is presented and approved by Council. Councilman Morris seconded the motion contingent upon Councilwoman Price accepting an amendment that at such time as the group development plan is submitted that Council should allow the 25' residential strip to be used as a part of any buffer requirement of the group development plan. Councilwoman Price accepted the amendment and the motion carried unanimously.

Bob Orr, attorney representing R. L. Coleman Company, asked for a clarification of the motion stating that he would like to make it clear that if any buffering is required on a group development plan that part of the 25' residential strip could be used as the buffer.

It was the consensus of Council that Mr. Orr's interpretation of the motion was correct.

Councilman Rainey commented that Council had decided during Council's work session on March 27, 1979 to proceed with the North Asheville Park on the Swain property.

Councilman Cole, in rebuttal, again expressed his concerns about a park being constructed on the Swain property. He said this was a poor location for a park. He said Council will find restrictions of free access to Kimberly Avenue and Beaverdam Valley if the park is built on the Swain property. He said there would also be considerable blockage of traffic on Kimberly Avenue from the parked vehicles. He said the construction of the park would be detrimental to the land values in the immediate area by the lowering of tax values. He said he felt Council could have found a better location even by the modification of Weaver Park. He said Council should admit an error was made, in putting the park on this location, and find a more suitable location.

Vice-Mayor Horton said the ordinance in question originally included "playgrounds" in the R-1 District and he would vote against the ordinance unless it was adopted as originally presented. He said the North Asheville park had been delayed considerably because Council was looking for a better location. He said all the property reviewed was unsuitable for the needs of the North Asheville recreation program.

Shelby Horton, attorney, made a strong plea for Council or proceed with the construction of the North Asheville park on the Swain property. He said they stood ready to defend any law suit filed against the construction of the park.

Bob Orr, attorney, speaking as a citizen, said he was concerned with the term "public facilities." He said this would allow the City to put a "public facility" anywhere and the City could just about define anything as a "public facility." He said there should be some type of control or restraint on the type of land uses within the comprehensive zoning plan. He said the term "public facility" should be studied by Council in order for the City to have restraints under this scope.

Councilman Michael agreed that the term "public facility" should be studied as far as definition is concerned.

On a roll call vote of 6-1, Ordinance No. 1089, as amended, passed on third and final reading with Vice-Mayor Horton voting "no."

Complete text of Ordinance No. 1089, as amended, will be found in Ordinance Book No. 8 at page 307.

ORDINANCE NO. 1094 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Rezoning property on Patton Avenue near Haywood Road)

6. Consideration was given to the second reading of Ordinance No. 1094, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE', as amended rezoning property on Patton Avenue near Haywood Road from R-3 Residential District to Commercial Highway District, property owned by R. L. Coleman and Company.

ORDINANCE NO. 1096 - AN ORDINANCE AMENDING ORDINANCE NO. 355, KNOWN AS "AN ORDINANCE ESTABLISHING THE PROCEDURE FOR THE ELECTION OF TWO MEMBERS OF THE CIVIL SERVICE BOARD BY THE EMPLOYEES IN THE CLASSIFIED SERVICE

9. Consideration was given to an ordinance amending Ordinance No. 355, known as "An Ordinance establishing the procedure for the election of two members of the Civil Service Board by the employees in the Classified Service."

The City Manager read the ordinance and explained that this would provide for single ballots being prepared having the names of all persons nominated placed thereon.

Councilman Rainey moved for the adoption of Ordinance No. 1096. This motion was seconded by Councilwoman Price.

On a roll call vote of 7-0, Ordinance No. 1096 passed on first reading.

Councilwoman Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1096. This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1096 passed on second reading.

Vice-Mayor Horton suggested that the third reading of the ordinance be held on April 5, 1979.

APPROVAL OF THE CONSENT AGENDA

10. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. Motion amending the City of Asheville First and Second Year Community Development Funds budget for Fiscal Year 1975-76 and Fiscal Year 1976-77 to restore funds needed to complete the Burton Street Water Line Project and for completion of the Pisgah View Water Line Project.

B. Resolution No. 79-73 - Resolution authorizing the Mayor to sign a contract with Western Carolina University for the development, documentation and implementation of the Manpower Resource Allocation Programs for the Asheville/Buncombe County Criminal Justice Information System.
HIGHLIGHTS: Western Carolina University has submitted a proposal for the performance of the technical and professional services desired for $35,000.00. LEAA Grant No. 02-177-C08-C049
Resolution Book No. 11 page 153

APPROVAL OF RECOMMENDATIONS OF THE BOARD OF EXAMINERS OF THE ASHEVILLE FIREMEN'S PENSION AND DISABILITY FUND - VINCENT E. BRADLEY, ELBERT L. BRINKLEY AND JAMES L. SHROAT

7. Consideration was given to a motion approving the recommendations of the Board of Examiners of the Asheville Firemen's Pension and Disability Fund regarding the line of duty disability retirement of Vincent E. Bradley, Elbert L. Brinkley and James L. Shroat.

Councilman Cole moved that the City Council approve the recommendation of the Board of Examiners of the Asheville Policemen's Pension and Disability Fund, made under the terms of an agreement between the City of Asheville and the North Carolina Local Governmental Employees' Retirement System, to approve the line of duty disability of Vincent E. Bradley and to certify this disability retirement to the North Carolina Local Governmental Employees' Retirement System effective January 1, 1979. This motion was seconded by Councilman Rainey and carried unanimously.

Councilman Cole moved that the City Council approve the recommendation of the Board of Examiners of the Asheville Policemen's Pension and Disability Fund, made under the terms of an agreement between the City of Asheville and the North Carolina Local Governmental Employees' Retirement System, to approve the line of duty disability of Elbert L. Brinkley and to certify this disability retirement to the North Carolina Local Governmental Employees' Retirement System effective January 1, 1979. This motion was seconded by Councilman Rainey and carried unanimously.

Councilman Cole moved that the City Council approve the recommendation of the Board of Examiners of the Asheville Policemen's Pension and Disability Fund, made under the terms of an agreement between the City of Asheville and the North Carolina Local Governmental Employees' Retirement System, to approve the line of duty disability of James J. Shroat and to certify this disability retirement to the North Carolina Local Governmental Employees' Retirement System effective January 1, 1979. This motion was seconded by Councilman Rainey and carried unanimously.

PUBLIC HEARING RESCHEDULED - REZONING OF 20 BRITT DRIVE - E. DENNIS YOUNG AND EMIL D. YOUNG

8. Consideration was given to a motion rescheduling a public hearing relative to the rezoning of property at 20 Britt Drive from R-3 Residential District to HI Heavy Industrial District, property owned by E. Dennis Young and Emil D. Young for April 19, 1979.

The City Manager explained that due to an error in the legal procedure for advertising for the public hearing it will be necessary for the Asheville City Council to reschedule and readvertise the public hearing.

Councilwoman Price moved to schedule the public hearing relative to rezoning of 20 Britt Drive for April 19, 1979. This motion was seconded by Councilman Cole and carried unanimously.

I. Resolution No. 79-76 - Resolution modifying a grant agreement with the N. C. Department of Transportation for Aviation Project No. 75-02 for the Asheville Airport.

HIGHLIGHTS: This resolution enables the City to obtain state funding for the Airport Master Plan.

Resolution Book No. 11 Page 157 .

J. Resolution No. 79-77 - Resolution authorizing the Mayor to execute a grant agreement with the N. C. Department of Transportation for Aviation Project No. 79-08 for the Asheville Airport.

HIGHLIGHTS: This resolution authorizes the Mayor to execute an agreement with the State to provide State funding for paving and lighting the 1500' Runway Extension.

Resolution Book No. 11 page 158 .

Upon motion of Councilwoman Price, seconded by Councilman Morris, the consent agenda was unanimously approved.

BROWNBAGGING PERMITS FOR THE COUNTY - REPORT BY CORPORATION COUNSEL

In response to a request by Council on March 22, 1979, Corporation Counsel presented the following letter received from Mr. Luther B. Anderson, Sr. Supervisor of the Asheville Board of Alcoholic Control Board.

Asheville Board of Alcoholic Control

Asheville, North Carolina 28801

OSBORNE M. HART, CHAIRMAN
J. W. BYERS
CELESTE L. LOFTIN

March 27, 1979

L. B. ANDERSON, SR.
SUPERVISOR

Mr. William C. Moore
Room 500 Gennett Building
29 North Market Street
Asheville, NC 28801

Dear Bill:

Enclosed is a copy of the local act which established the Asheville ABC System in 1947. Also, I have attached a copy of the local act which extended the Asheville ABC Law Enforcement Officers Jurisdiction to Buncombe County. The County of Buncombe has never voted to establish ABC Stores within the county.

In reference to your inquiry concerning "brown-bagging" in Buncombe County, it appears that the North Carolina Legislature rewrote Chapter 18, N. C. General Statutes, in 1967-1968 and gave the North Carolina State ABC Board power to issue these permits in any county which had at least one county or municipal ABC Store located in the County; reference Chapter 18A-31, paragraph (c) subsection (2). This enabled establishments located in Buncombe County, even though they were outside the city limits, to obtain "brown-bagging" licenses. This session of the legislature changed the designation of G. S., Chapter 18, to G.S. Chapter 18A.

C. Motion approving bids received on March 26, 1979 to install new sports lighting system at McCormick Field.

HIGHLIGHTS: Three (3) bids were received.

Recommendation of acceptance of low bid submitted by M. B. Haynes Electric Corporation, base bid: $31,858.00, plus alternate #2: $2,000.00, totaling $33,858.00.

Funding: Revenue Sharing Trust Fund, Capital Outlay Other - Improvement of Lighting System at McCormick Field - Sufficient funds are available for expenditure.

D. Motion approving bids received on March 26, 1979 for one (1) tilt cab and chassis with enclosed hydraulic body for Sanitation Division.

HIGHLIGHTS: Five (5) bids were received.

Recommendation of acceptance of low bid submitted by Sanco Corporation in the amount of $42,870.00

Funding: Revenue Sharing Trust Fund, Sanitation Division, Capital Outlay Equipment.

E. Motion approving bids received March 26, 1979 for one (1) fire service turbo-meter.

HIGHLIGHTS: Two (2) bids were received.

Recommendation of acceptance of low bid submitted by Rockwell International in the amount of $3,950.00.

Funding: Water and Sewer Operations, Meter Services Division - Capital Outlay, Meter Change Out Program

F. Resolution No. 79-74 - Resolution authorizing the Director of Parks and Recreation to seek grant funding for the Hillcrest Enrichment Program.

Resolution Book No. 11 Page 154.

G. Motion approving budget amendment amending the City of Asheville Parks and Recreation Fund budget for Fiscal Year 1979 to include a grant from the N. C. Department of Human Resources authorized by Asheville City Council Resolution No. 79-45, dated February 15, 1979, in the amount of $3,000.00

H. Resolution No. 79-75 - Resolution modifying a grant agreement with the N. C. Department of Transportation for Aviation Project No. 75-01 for the Asheville Airport.

HIGHLIGHTS: This resolution enables the City to acquire state funding for the terminal building expansion and security checkpoints already completed at the Asheville Airport.

Resolution Book No. 11 page 155

PETITION - RESIDENTS OF GREENLEAF CIRCLE - COMPLAINT RE: BUILDER GROVER REDMON

Mr. Eckel Bradley of 54 Greenleaf Circle read the following petition:

We, the undersigned citizen's of Asheville and more specifically residents of Greenleaf Circle (North Asheville) do hereby Petition the Asheville City Council, and its Corporation Counsel, to investigate, examine, explore or otherwise look into a specific problem of dirt erosion, washing, flowing and generally making a complete and thorough mess of a city street and/or streets where we reside. This specific problem comes from an area owned by one individual known as Grover Redmon. Mr. Redmon is a landowner, developer, builder, contractor as we know him to be. At this time Mr. Redmon is finishing the construct of a residence on a cul de sac at the top of Greenleaf Circle. Previoulsy some two or three years ago, Mr. Redmon constructed a home at about the same area, facing on Greenleaf Circle. Prior to that period, lots were vacant in that specific area of Greenleaf Circle.

We take you back to that point in time to Chronologically statethat in the past 5 years, that during periods of rainfall, loose dirt, rock and other materials have washed from this property and been deposited in the street below this property and creating an environmental, road hazard, dirty, dusty, nuisance and unsightly situation, as well as a traffic problem in our area. There are 13 (Thirteen) households in this area affected by this problem and specifically we name those as follows:

Ferretti, Holbert, Boland, Bradley, Eller, Hall, Peterson, Pettus, Gibbons, Teague Carr, Roberts and Pollard.

There are other households that are on Red Oak Road that are subject to this debu that washes to the point and intersection of Greenleaf Circle, at a triangular divider at the intersections of Greenleaf Circle, Red Oak Road and Valle Vista Drive.

Mr. Redmon has made no effort to build or construct a berm to retain this material prior to the houses constructed. Mr. Redmon has not attempted to construct a fence with cloth barrier to hold or retain this material. Mr. Redmon has made no effort to place bails of hay or straw to retain this material. Mr. Redmon has not attem to try to retain any of this material either prior to during or after constructi of the said homes in this area.

We, the neighbors in this area have contacted Mr. Ward, City Manager in the past concerning this problem, taking him snapshots of the problem. We have contacted Mr. Michalove concerning this problem. We have contacted Mr. Frank Kilpatrick, City Environmental Department concerning this, We have contacted Mr. Larry Low, Building Inspector for this areaof the City of Asheville, we have contacted Mr. Bill Besser, Erosion Control concerning this problem, and We have ontacted Mr. Roy Trantham concerning this problem.

We, with a certain amount of civic pride, as well as pride for our residental are cleaned this mess up, by sweeping it up, hauling it off in wheelbarrows, washing the street down with hoses, at the same time feeling some form of anger towards t problem and its cause and why this individual could literally get off the "hook" an not be held responsible or accountable for this problem.

As you recall, the legislature amended Chapter 18A last year to allow referendums in areas that had already established ABC Stores by referendum to vote on whether "mixed beverages" would be allowed in the same area as had been established for the stores. Only the City of Asheville and the Town of Black Mountain were eligible to hold referendums in Buncombe County for this purpose because they are the only Municipalities that have voted for ABC Stores. The referendum failed in Black Mountain but passed in Asheville. As a result, no "mixed beverage" license can be issued outside the City of Asheville. As to the Airport, which is owned by the City of Asheville, but is not yet "annexed" to the city, several moves are under way to clarify this situation. One bill now pending in the legislature would annex the Airport and make it part of the city. Another bill would allow mixed beverage licenses at Airports owned by cities if they met certain requirements such as having a Grade "A" Restaurant seating at least 36 people, having at least 150,000 passengers boarding flights each year, etc. In the meantime, the North Carolina State Board of Alcoholic Control is seeking a ruling from the North Carolina Attorney General concerning the status of Rak's Restaurant located at the Asheville Airport. A permit has been issued, apparently by mistake, to Rak's Restaurant but we have been instructed by the North Carolina State ABC Board to withhold sales of alcoholic beverages to Rak's until the situation is clarified.

Very truly yours,

Luther B. Anderson Sr.

LUTHER B. ANDERSON, SR.
SUPERVISOR

BASr/jkw

Enclosure

ANNOUNCEMENT OF PUBLIC MEETING - OBSCENITY AND PORNOGRAPHY

Vice-Mayor Horton reminded Council of a public meeting scheduled for April 1, 1979 at 2:00 p. m. at the Beverly Hills Baptist Church. He said Senator I. Beverly Lake, author of the bill on obscenity and pornography would be present to explain the significance of the bill and to give details of how it will be enforced. He said the Christian Action League is sponsoring the meeting.

The City Manager said he would investigate the petition and report his findings back to Council.

PROCLAMATION - "LICK CANCER DAY" - SATURDAY, MARCH 31, 1979

Mayor Trantham announced a joint proclamation by the City of Asheville and the County of Buncombe proclaiming Saturday, March 31, 1979 as "Lick Cancer Day."

CLAIMS - RANDY HUNTLEY - LAWYER'S BUILDING - MR. AND MRS. L. J. MONGIOVI

The City Manager presented the following claims received from Mr. W. R. Swearngan, Facility Services Superintendent.

Following individuals have claims against the City of Asheville for damage:

Randy Huntley 12 Main Street Asheville, N. C.	Sewer Leak on Property
Lawyer's Building 17 North Market Street Asheville, N. C.	Water Leak
Mr. and Mrs. L. J. Mongioiv 99 Shadowlawn Drive Asheville, N. C.	Sewer property damage - $6,500.00

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

LETTER FROM ASHEVILLE CIVIL SERVICE BOARD - RE: CIVIL SERVICE LEGISLATION AMENDMENTS

The City Manager presented the following letter to members of Council from Mr. Osborne M. Hart, Director of Asheville Civil Service Board:

March 29, 1979

Mayor Roy M. Trantham
Members of Asheville City Council
City of Asheville
Asheville, North Carolina 28807

Dear Mayor Trantham and City Council Members:

As you know, the Asheville Civil Service Board has been studying possible changes in the Civil Service Law in order to modernize the Asheville Civil Service System and allow the City Government to better respond to the personnel management and employment problems of today, particularly the need to hire more women and minorities into municipal employment.

PETITION-CONTINUED.

We hereby request, implore, seek whatever legal methods according to the Laws of the City of Asheville, its Zoning, Building, Environmental and Erosion Control to force this individual into compliance to control this runoff in the immediate future.

In addition we think that the housing ordinance should be looked into with regards to the change of the original plat of this area, and such changes that have taken place recently concerning housing, setback, side yard area restrictions and any other areas in Zoning that should be investigated.

We respectfully submit this to the Asheville City Council, the Mayor of the City of Asheville and the Corporation Counsel of the City of Asheville, this 29th day of March, 1979

1. E L Bradley
54 Greenleaf Circle
Asheville, N.C. 28804

In addition modernizing the language in the Act and deleting some unnecessary provisions from the 1953 Legislation, the enclosed recommended Civil Service Legislation makes three (3) major changes from the present Civil Service System:

1. It provides staggered, four (4) year terms of office for all Civil Service Commissioners, both appointed and elected.

2. It permits the Civil Service Commission to make Civil Service Rule changes without submitting them to the City Council for approval.

3. The proposed law would no longer require that the City make appointments to entrance positions under the "Rule of Three". The method of selection for appointments, to entrance positions is left to the rule-making authority of the Commission. Appointment to promotional positions would continue to be made under the "Rule of Three".

The Board has approved the attached Act and requested that I forward it to you with the recommendation that you study it, hold meetings and/or a public hearing for City staff and employees, make any changes you see fit, and pass it on to the Buncombe County Legislative Delegation for passage at the earliest possible date.

The members of the Civil Service Board and I stand ready to meet with you regarding this matter at your convenience.

I have enclosed two (2) copies of the proposed legislation, one of which is annotated pointing out sections where changes from the present law have been recommended.

Best regards,

Osborne M. Hart
Director
Asheville Civil Service Board

Mayor Trantham said Council would review the recommended changes during a Council work session.

CITY OF ASHEVILLE ORGANIZATIONAL CHART

The City Manager presented Council with a revised Organizational Chart for the City of Asheville.

Following is the revised Organizational Chart:

Thursday - April 5, 1979 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilman Gene E. Rainey, F. Jack Cole, Otis B. Michael, and Ralph D. Morris, Jr., Corporation Counsel William C. Moore, City Manager K. M. Michalove, Acting City Clerk Carol Hensley.

Absent: Associate City Manager/City Clerk William F. Wolcott, Jr. (attending to other city business at the Civic Center)

INVOCATION

Vice-Mayor Horton introduced Dr. John W. White, Pastor of the Mt. Zion Baptist Church, who gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the March 29, 1979 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the minutes of the March 29, 1979 meeting were approved as submitted.

CONTINUATION OF PUBLIC HEARING RELATIVE TO CLOSING PORTION OF RASH ROAD

2. Verl Emrick, Planning Director, reviewed the background of the request to close a portion of Rash Road. He said in reviewing the request with Attorney Talman it was determined that several property owners in the immediate area, Messrs.Hare and Hill, have expressed their intent to subdivide property in the area. He said the plat subdividing the property has not been reviewed by the Planning and Zoning Commission nor has it been recorded. He said if the property is subdivided the portion of Rash Road requested to be closed cannot be closed. He suggested that Council take no action on the request or remand the petition to the Planning and Zoning Commission for consideration when the subdivision plat is submitted for review.

Councilman Rainey moved to remand the petition to close a portion of Rash Road to the Planning and Zoning Commission for review and recommendation. This motion was seconded by Councilwoman Price and carried unanimously.

ORDINANCE NO. 1094 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (rezoning property on Patton Avenue near Haywood Road)

3. Consideration was given to the third reading of Ordinance No. 1094, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended, rezoning property on Patton Avenue near Haywood Road from R-3 Residential District to CH Commercial Highway District, property owned by R. L. Coleman and Company.

Mayor Trantham said the ordinance was previously read on first and second readings and would not be re-read in its entirety unless there was a specific request to do so.

INTERIM CIVIC CENTER DIRECTOR - RAY KISIAH

The City Manager announced the appointment of Mr. Ray Kisiah, Director of Parks and Recreation as the Interim Civic Center Director, until Mr. Barry Ogrin assumes his duties in mid-May, 1979. He said Mr. W. F. Wolcott, Jr. would also be assisting Mr. Kisiah with the operation of the Civic Center. This change was necessiated by the resignation of Mr. Bentley (Sonny) Hollified as Interim Civic Center Director.

PROCLAMATION - APRIL - CLEAN COMMUNITY SYSTEM MONTH

Mayor Trantham proclaimed the month of April, 1979 as Clean Community System Month.

SALE OF PACK LIBRARY - REPORT

The City Manager said on March 15, 1979 the City Council, by Resolution No. 79-66, accepted the increased bid offer of $122,250.00 received from William C. Morris, Jr. and James N. Golding for the purchase of the Pack Memorial Library Building on Pack Square. He said pursuant to N.C.G.S. 160A-269 the increased bid was readvertised and after the required ten (10) days waiting period no one appeared to raise the bid. Mr. Morris and Mr. Golding have been notified that they were the apparent high bidders and they have requested that before Council takes formal action, either accepting or rejecting the bids, they be allowed time to search the title and work out a sales agreement with the City Attorney.

Councilwoman Price moved to instruct the City Attorney to meet with the prospective buyers to work out a sales agreement and a resolution authorizing the sale of the property. This motion was seconded by Vice-Mayor Horton and carried unanimously.

Corporation Counsel Moore suggested that Mr. Verl Emrick, Planning Director, also meet with the prospective buyers in negotiating the sales agreement.

RALPH BISHOP - LOTTERY SALES

Mr. Ralph Bishop said the City was conspiring to let the lottery peddlers evade income tax provisions.

Adjournment.

Ray M. Trantham
MAYOR

William F. Wolcott
CITY CLERK

On a roll call vote of 7-0, Ordinance No. 1096 passed on third and final reading.

Complete text of Ordinance No. 1096 will be found in Ordinance Book No. 8 at page 331.

APPROVAL OF THE CONSENT AGENDA

5. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. Resolution No. 79-78 - Resolution regarding auditing contract.

HIGHLIGHTS: Patton, Hunter and Company, CPAs to perform audit of the financial accounts and records of the City of Asheville for the fiscal year ending June 30, 1979.

Resolution Book No. 11 Page 160.

B. Motion amending the City of Asheville Fourth Year Community Development funds budget for Fiscal Year 1978-79 to provide funds for drainage improvements and resurfacing of Charles Street.

HIGHLIGHTS:

Account Code	Project	Appropriation	Budget Increase (Decrease)	New Appropriation
19-25-680-4	C.D. Fourth Year Contingency	$61,950	($7,500)	$54,450
65-25-667-4	Charles Street Improvements	-0-	$7,500	$ 7,500

C. Resolution No. 79-79 - Resolution authorizing the Mayor to sign on behalf of the City of Asheville Change Order No. 1 with Champion Landscaping and Excavating Inc. for the project known as Site Preparation for 1,500' runway and taxiway extension.

HIGHLIGHTS: This change order will provide for additional underground drainage requirement - Addition to existing contract of $32,500.

Resolution Book No. 11 Page 161.

Upon motion of Vice-Mayor Horton, seconded by Councilman Cole, the consent agenda was unanimously approved.

Leo Bagwell, of Balsam Avenue, said in 1965, Mr. R. L. Coleman, Sr., agreed to give the residents on Balsam Avenue land at the end of the street for a turnaround. He said the residents are requesting that the land be provided for a turnaround and that the City make the improvements for the turnaround.

Upon inquiry of Councilwoman Price, Corporation Counsel Moore said any statement made in the minutes, referring to the statement in 1965, is not binding. He said the land would have to be donated to the City and recorded in the Office of the Register of Deeds before any such agreement could be binding.

R. L. Coleman, Jr. said he would, within a one year period, donate a reasonable portion of Lot 131 for a turnaround for the residents on Balsam Avenue provided the residents of the area can get the City Engineer to determine how much land would be needed for a turnaround and provided the residents can get the City to finance the improvements for the turnaround.

Councilman Michael was excused from the meeting for approximately five (5) minutes.

On a roll call vote of 6-0, Ordinance No. 1094, as amended, passed on third and final reading.

Complete text of Ordinance No. 1094 will be found in Ordinance Book No. 8 at page 326.

Councilwoman Price, in order to clarify her motion made during the meeting of March 29, 1979, moved that the motion be amended to read as follows: "That no grading permits be issued on any portion of Lot 12-1/2 until the group development plan is presented and approved by Council and that at such time as the group development plan is submitted that Council should allow the 25' residential strip to be used as a part of any buffer requirement of the group development plan." This motion was seconded by Councilman Morris and carried unanimously.

Councilwoman Price said it was not her intent to prevent a residential structure from being placed on Lot 79 or Lot 131.

ORDINANCE NO. 1096 - AN ORDINANCE AMENDING ORDINANCE NO. 355, KNOWN AS "AN ORDINANCE ESTABLISHING THE PROCEDURE FOR THE ELECTION OF TWO MEMBERS OF THE CIVIL SERVICE BOARD BY THE EMPLOYEES IN THE CLASSIFIED SERVICE"

4. Consideration was given to the third reading of Ordinance No. 1096, an ordinance amending Ordinance No. 355, known as "AN ORDINANCE ESTABLISHING THE PROCEDURE FOR THE ELECTION OF TWO MEMBERS OF THE CIVIL SERVICE BOARD BY THE EMPLOYEES IN THE CLASSIFIED SERVICE."

Mayor Trantham said the ordinance was previously read on first and second readings and would not be re-read in its entirety unless there was a specific request to do so.

The City Manager said, at the request of City Council, he communicated with Mr. Osborne Hart, Chairman of the Civil Service Board, by letter dated April 4, 1979, to inform the Civil Service Board of the change in the event they had any suggestions regarding the ordinance. He said Mr. Hart responded to his communication by stating that" the Civil Service Board concurs with the proposed change in the Civil Service Ordinance."

Thursday - April 12, 1979 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilman Gene E. Rainey, F. Jack Cole, Otis B. Michael, and Ralph D. Morris, Jr., Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman Otis B. Michael.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the April 5, 1979 meeting.

Upon motion of Councilman Cole, seconded by Councilwoman Price, the minutes of the April 5, 1979 meeting were approved as submitted.

RESOLUTION NO. 79-80 - RESOLUTION OF APPRECIATION TO CAPTAIN WILLARD E. FISHER

RESOLUTION NO. 79-81 - RESOLUTION OF APPRECIATION TO FIRE DRIVER RICHARD C. ROBERTS

RESOLUTION NO. 79-82 - RESOLUTION OF APPRECIATION TO CAPTAIN ELBERT L. BRINKLEY

RESOLUTION NO. 79-83 - RESOLUTION OF APPRECIATION TO CAPTAIN VINCENT E. BRADLEY

RESOLUTION NO. 79-84 - RESOLUTION OF APPRECIATION TO CAPTAIN JAMES J. SHROAT

RESOLUTION NO. 79-85 - RESOLUTION OF APPRECIATION TO CAPTAIN OSCAR M. DILLINGHAM

2. Consideration was given to resolutions of appreciation to Captain Willard E. Fisher, Fire Driver Richard C. Roberts, Captain Elbert L. Brinkley, Captain Vincent E. Bradley, Captain James J. Shroat, and Captain Oscar M. Dillingham, who are retiring from the Asheville Fire Department for various reasons.

The City Manager read the resolutions.

Upon motion of Councilman Rainey, seconded by Councilwoman Price, Resolution No. 79-80, 79-81, 79-82, 79-83, 79-84, and 79-85 was unanimously adopted.

Complete text of the resolutions will be found in Resolution Book No. 11 at pages 162, 163, 164, 165, 166, 167.

JOHN W. PARRIS - COURSE COMPLETED IN INSTRUCTION IN MUNICIPAL FIRE ADMINISTRATION

3. The City Manager congratulated Mr. John W. Parris of the Fire Department, for satisfactorily completing a course in "Instruction in Municipal Fire Administration" at the Institute of Government at UNC-Chapel Hill.

SAVINGS ON WATER CHEMICALS - DISCUSSION

Vice-Mayor Horton noted that a private citizen brought to his attention that the chemicals the City uses in the water system had dropped in price by $20.00 a ton. He said after investigating the matter the City received a decrease and obtained about a $1,000 savings on the chemicals through this fiscal year.

REPORT ON PETITION BY RESIDENTS OF GREENLEAF CIRCLE - BUILDER GROVER REDMON

In response to a petition presented to Council by residents of Greenleaf Circle relative to a contractor, Grover Redmon, building on Greenleaf Circle, the City Manager said Mr. Bob McDonald of the Planning Division, reviewed the petition and found no violation of the Subdivision or Zoning Ordinance. However, the Inspections Division inspected the premises and has given Mr. Redmon until April 10, 1979 to abate the existing violations.

Mayor Trantham instructed the City Manager to forward a copy of his report to Mr. Eckel Bradley of Greenleaf Circle.

LAND-OF-SKY REGIONAL COUNCIL - CAR POOLING PROGRAM

The City Manager announced that the Land-of-Sky Regional Council is sponsoring a Car Pooling Program. He said it was their intent to start the program with the City and County employees and has requested Council's endorsement of the program.

Councilwoman Price moved that the City Council endorses the Land-of-Sky Regional Council's Car Pooling Program and encourages the City and County employees to participate in the program. This motion was seconded by Councilman Rainey and carried unanimously.

UDAG GRANT - PORTION APPROVED

The City Manager advised that a portion of the UDAG grant had been approved. He said the City had applied for $3 million and as of this date $300,000 has been approved. He expressed appreciation to the Congressional delegation, State delegation, Logan Delany, Verl Emrick, Marvin Vierra, Richard Thornton, Mayor Trantham and Councilman Michael for their time and effort on the UDAG Project.

Councilman Michael commented that the remainder of the grant would more than likely be approved after the private investors complete their proposals. He said Council would continue seeking approval of the remainder of the grant.

Adjournment.

MAYOR

CITY CLERK

Councilwoman Price suggested that such businesses should be placed 400' from residences and 250' from churches and schools.

Mayor Trantham questioned whether or not the distance should not be farther than 250' from schools.

Jim Baley, attorney representing Mr. Frank W. Puett, owner of the Peddler Steakhouse, presented members of Council with the following memorandum in opposition to the proposed amendments:

TO: Mayor, Members of City Council and Other Concerned Citizens

FROM: J.M. Baley, III, attorney for Frank W. Puett, owner of Peddler Steakhouse

DATE: April 12, 1979

RE: RECOMMENDATIONS FOR CHANGES IN THE PROPOSED AMENDMENT TO THE ASHEVILLE ZONING ORDINANCE

This memorandum's specific concern is the requirement that

> "no location shall be approved for an on-premises liquor license unless such location is not less than 250 feet from an established school, church, or residence as defined by this ordinance."

My comments will fall in three general categories.

I. GENERAL PHILOSOPHICAL PROBLEMS

(1) All new restaurants serving alcoholic beverages would have to be located within a minimum area of 4.51 acres that does not include a residence, church or school. This calculation has been made by using 250 feet as the radius of a circle that has as its center point the proposed licensed facility. I would submit that this requirement would have the practical effect of eliminating building new restaurants because such sites are simply not available in our City.

Those businesses already having licenses will, in effect, be given a collective monopoly covering the City and the possibility of obtaining better restaurants than we currently have would be greatly reduced.

(2) The revitalization of our City that has been the subject of much discussion in recent months would suffer a substantial setback. The cornerstone of program is the increase of the City's tax base in order to be able to pay for the programs we need. If we discourage developers before they even have a chance to make and submit their plans, we will be stepping backwards instead of proceeding along the course that we have been discussing.

(3) The voters have indicated that they favor a responsible system of controlling the consumption of alcoholic beverages. I would submit that the portion of this ordinance to which we object would have the effect of taking the decisions about development of our City away from the majority of our citizens.

II. THE SPECIFIC HARDSHIP SITUATION OF MY CLIENT, MR. PUETT

(1) As stated earlier, Mr. Puett has purchased the Coleman property located at the intersection of Montford Avenue and the Crosstown Expressway. The property which he intends to develop is located within 250 feet of the nearest corner of Randolph School. The property has been abandoned for some period of time and its current condition is intolerable. Loitering drunks meander about the property

PUBLIC HEARING - AMENDMENTS TO ZONING ORDINANCE NO. 322 - REGULATION OF NIGHTCLUBS

4. A public hearing was held relative to amendments to the Zoning Ordinance, being Ordinance No. 322, as amended, for the regulation of nightclubs.

Mayor Trantham opened the public hearing at 3:13 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the City Council had requested the Planning and Zoning Commission to conduct a study on the regulation of nightclubs. He said the proposed amendments to the Zoning Ordinance are the results of that study. He said during the study a review was made of twenty (20) other cities with similar tourist trade as Asheville. He said during the study the Commission tried to take a "reasonable approach" in proposing recommendations.

Mr. Emrick said the Planning Staff considered several approached, those being: 1. Excluding these types of businesses in certain districts; 2. Allow the businesses only in the Commercial districts as Conditional Uses, which would require the review and approval by the Board of Adjustments;or 3. link the issuance of building permits to the ABC Board license.

Mr. Emrick reviewed in detail the proposed recommendations from the Planning and Zoning Commission. He said these amendments would allow these types of businesses in the Commercial zones as Conditional Uses as well as setting specific standards for the Board of Adjustments to utilize in reviewing such approval for Conditional Uses.

Councilman Rainey voiced concern that Council has no final review of these requests for Conditional Uses. He said the present procedure is for appeals from the Board of Adjustments is routed to the Court System rather than Council.

Upon inquiry of Councilman Rainey, Mr. Emrick said Council could not totally exclude these types of businesses from the Zoning Ordinance.

Councilman Morris said the initial reason for requesting the study was to deal with the closeness of bars in the downtown area and the noise outside such establishments. He said fairness would dictate that if Council regulates the building of such establishments to not less than 250 feet from churches, schools, or residences then it should also make an additional provision that churches, schools or residences cannot be built within 250 feet of such establishments.

J. E. Johnson, Director of Inspections, said he felt the proposed amendments spell out where the businesses can be placed, the distances between them, and the appeal procedure. He said he felt the amendments would be a step forward for the regulation of nightclubs, etc.

Councilman Rainey suggested that some procedure be established, such as is done with rezoning issues, to notify a community that the Board of Adjustments will be considering a particular case. He also questioned whether or not Council could dictate what time to close the businesses on a nuisance basis.

Councilman Michael said he felt Council should again review the proposed amendments in a work session before taking action of the issue. He voiced concern that revitalization of the downtown would suffer under the ordinance. He said he felt this ordinance would discourage a entrepreneur from buying or leasing a building downtown.

Mrs. George McGuire spoke in favor of the proposed amendments stating that the ordinance would weed out beer joints in residential areas. She said the ordinance would enhance the residents first and the tourist next.

Mr. Phil Celestin , businessman in the Beer and Wine industry spoke in opposition to portions of the recommendations. He said the ordinance, particularly the distance requirements, would be discriminatory. He said this would prevent two good businesses from locating across the street from each other.

Mayor Trantham closed the public hearing at 4:45 p. m.

It was the consensus of Council that no action would be taken on the proposed amendments until Council had an opportunity to review them further.

Councilwoman Price requested that the City Manager prepare another resolution extending the moratorium on bars and nightclubs for another sixty (60) days for Council's agenda on April 19, 1979.

PUBLIC HEARING - DEMOLITION OF 97 HILL STREET, 40 PINE GROVE STREET AND 5 TOXAWAY STREET

ORDINANCE NO. 1097 - AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THOSE DWELLING HOUSES KNOWN AS 97 HILL STREET, 40 PINE GROVE STREET AND 5 TOXAWAY STREET

5. A public hearing was held relative to adoption of an ordinance directing the Housing Officer to demolish 97 Hill Street, 40 Pine Grove Street and 5 Toxaway Street.

Mayor Trantham opened the public hearing at 4:46 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

J. E. Johnson, Director of Inspections, said since the advertisement of the public hearing the owner of 97 Hill Street has applied for a repair permit to repair the house. However, he requested that the legal procedure for demolition of 97 Hill Street remain in progress until it is determined that the owner intends to repair the house.

In response to Councilman Michael's question as to whether the houses could be sold at a public auction rather than demolishing them in hopes they would be rehabilitated, Mr. Johnson replied that the heirs still own the properties and the City does not have the authority to sell the houses.

Councilman Michael also questioned why the Housing Authority did not acquire the house at 40 Pine Grove Street since it is located in the East Riverside Urban Redevelopment area.

Councilman Rainey requested that Council be furnished with pictures of the inside structure of the house at 40 Pine Grove Street.

tossing their trash and bottles in a haphazard fashion.

Mr. Puett purchased this property believing both that he could help improve the Montford Avenue area and that he could have a profitable business in this location. He is convinced that a restaurant or steakhouse of this type cannot survive competitively without being able to serve alcoholic beverages.

His situation is merely one example of the problems that developers will face under the new ordinance as written.

(2) Mr. Puett now owns and operates The Peddler steakhouse which is, as you may or may not know, an excellent restaurant located in the Eastvale Shopping Plaza. It is currently licensed to serve alcoholic beverages. If the location is moved to the proposed new site, there will not be a net increase in the number of establishments selling alcoholic beverages, merely a transfer from one location to another.

(3) The tax valuation of the property purchased by Mr. Puett is presently $22,535. The estimated new tax valuation after the improvements that he contemplates will be a minimum of $125,000, which will yield additional taxes to the City at current rates in the amount of $2,000 per year.

(4) I know some of you fear a large increase in bars, cocktail lounges and other such establishments. This problem can be avoided without penalizing legitimate restaurants of the type Mr. Puett operates. He has a proven record as a responsible businessman in your City and merits your consideration.

III. RECOMMENDATIONS FOR CHANGES IN THE ORDINANCE

(1) I recommend that "bonafide" restaurants serving alcoholic beverages be eliminated from the restricted group because this is exactly the type of business that we need to encourage rather than penalize.

OR

(2) I recommend that if you keep the 250 foot requirement that the distance be measured from "portal to portal" or "front door to front door" from one building to another rather than from the "nearest corner to the nearest corner."

OR

(3) The third recommendation and the simplest would be a direct reduction of the minimum requirement from 250 feet to 100 feet which would still be ample distance, together with the other restrictions, to protect our citizens.

APPROVAL OF THE CONSENT AGENDA

7. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. Resolution No. 79-86 - Resolution authorizing the Director of Parks and Recreation to establish a cultural Arts Program in the Livingston Community Center with the assistance of a grant from the North Carolina Arts Council.

HIGHLIGHTS: An application for funds in the amount of $5,000 from the North Carolina Arts Council has been prepared and the local support for the grant will be demonstrated through in-kind services in the amount of $7,274. This resolution will authorize the Mayor to accept the funding from the North Carolina Arts Council.

Resolution Book No. 11 Page 168

B. Resolution No. 79-87 - Resolution authorizing the Mayor to sign on behalf of the City of Asheville Change Order No. 2 with Champion Landscaping and Excavating, Inc. for the project known as Site Preparation for 1,500' Runway and Taxiway Extension.

HIGHLIGHTS: This change order involves an increase of $1,200 in the contract and is due to the #2 insulated ground to be installed with the ASR cables, originally to be furnished by the owner, is to be furnished by the contractor.

Resolution Book No. 11 Page 169

C. Resolution No. 79-88 - Resolution authorizing the City Manager to sign on behalf of the City of Asheville a contract with M. B. Haynes Electric Corporation for the project entitled "Install New Sports Field Lighting System at McCormick Field."

Resolution Book No. 11 Page 170

D. Motion scheduling a public hearing relative to the rezoning of property located behind 666 Merrimon Avenue from R-3 Residential District, property owned by Ms Betty Woods for May 10, 1979.

E. Resolution No. 79-89 - Resolution authorizing application for Appalachian Regional Commission funds in support of Pack Square Rehabilitation Project.

HIGHLIGHTS: Application for funds in the amount of $75,000 to upgrade certain water and sanitary sewer lines in the Pack Square area.

Resolution Book No. 11 Page 171

Mayor Trantham closed the public hearing at 4:50 p. m.

The City Manager read the ordinance.

Councilman Cole moved for the adoption of Ordinance No. 1097. This motion was seconded by Vice-Mayor Horton.

Councilman Morris, referring to the repair permit for 97 Hill Street, questioned the language in the ordinance, in that no work has been done on the houses.

Mr. Johnson informed Councilman Morris that no work has been started to repair 97 Hill Street.

Councilman Michael said in his opinion 40 Pine Grove Street is not substandard.

On a roll call vote of 6-1, Ordinance No. 1097 passed on first reading, with Councilman Michael voting "no."

ORDINANCE NO. 1098 - AN ORDINANCE AMENDING SECTION 28-81.6 OF ARTICLE IV (SPEED REGULATIONS) OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

6. Consideration was given to an ordinance amending Section 28-81.6 of Article IV (Speed Regulations) of the Code of Ordinances of the City of Asheville.

The City Manager read the ordinance and explained that this ordinance will merely change the State Road Numbers for Riverside Drive and Hill Street from (NC 191) to (SR 1477).

Councilwoman Price moved for the adoption of Ordinance No. 1098. This motion was seconded by Councilman Michael.

On a roll call vote of 7-0, Ordinance No. 1098 passed on first reading.

Councilwoman Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1098. This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1098 passed on second reading.

Councilwoman Price moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1098. This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1098 passed on third and final reading.

Complete text of Ordinance No. 1098 will be found in Ordinance Book No. 8 at page 335.

PROCLAMATION -"PRIVATE PROPERTY WEEK IN ASHEVILLE" - APRIL 15 - 21, 1979

Mayor Trantham proclaimed the week of April 15 - 21, 1979 as "Private Property Week in Asheville."

PROCLAMATION - PAN AMERICAN DAY AND PAN AMERICAN WEEK - APRIL 14 - APRIL 15-21,1979

Mayor Trantham proclaimed April 14, 1979 as Pan American Day and April 15-21 as Pan American Week.

CLAIMS - EDITH C. MILLER - MR. AND MRS. DEWEY PATTON

The City Manager presented the following claims received from Mr. W. R. Swearngan, Facility Services Superintendent:

Following individuals have claims against the City of Asheville for damage.

Edith C. Miller
93 Pearson Drive
Asheville, N. C.

Water drain clogged in front of house
$10,800.00

Mr. and Mrs. Dewey Patton
82 South Tunnel Road
Asheville, N. C.

Sewer line installation $5,000.00

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

RALPH BISHOP - COMPLAINT RELATIVE TO AMENDING CIVIL SERVICE LAW

Mr. Ralph Bishop spoke against the Civil Service Law proposed amendment to do away with the "rule of three" for hiring City Employees.

Adjournment.

MAYOR

CITY CLERK

Upon motion of Councilwoman Price, seconded by Councilman Rainey, the consent agenda was unanimously approved.

VICE-MAYOR HORTON - REQUESTED REPORT ON EXTENDING CITY SCHOOL DISTRICT

8. Vice-Mayor Horton instructed the City Attorney to investigate and report to Council on what legislative procedures might be open to Council to realign the City School District to coincide with the City Limits of the City of Asheville.

COUNCILMAN RAINEY - REQUESTED STATUS REPORT ON EDITH C. MILLER CLAIM

9. Upon inquiry of Councilman Rainey, the City Attorney said he had met with Mrs. Edith C. Miller's attorney relative to her claim against the City for water damage. He said her attorney is trying to gather evidence showing whether or not the City ever maintained or received a right-of-way for the water line. He said, as yet, no documents have been found that the City ever maintained or received a right-of-way for the line. He said the City does not have the authority to do any work on private property. He said he would keep Councilman Rainey informed as to the status of the claim.

COUNCILWOMAN PRICE - SUIT FILED BY PUBLIC SERVICE COMPANIES - TAXES

10. Councilwoman Price, referring to a suit filed by the public service companies against the State of North Carolina, contesting the manner in which their holdings are evaluated, made a motion that the Mayor be instructed to write a letter to the proper authorities requesting that a public hearing be held on the issue as soon as possible. This motion was seconded by Councilman Rainey and carried unanimously.

COUNCILMAN MICHAEL - CHUNNS COVE RESIDENTS - COMPLAINT - BEAUCATCHER CUT PROJECT

11. Councilman Michael said he felt the City should follow up on the requests of the Chunns Cove residents relative to violations found by the Department of Transportation on the Beaucatcher Cut Project. He suggested that the City's Inspection Division follow up to see that the violations found by the Department of Transportation are corrected and that no further violations are made.

Corporation Counsel Moore said the City has no jurisdiction in the project, and the only thing that could be done is to write a letter to the Department of Transportation asking if the violations have been corrected.

It was the consensus of Council that the City should do something for the residents in Chunns Cove and it was decided that the Director of Inspections would write a letter to the Department of Transportation offering his assistance on the project. It was also the consensus of Council that the Director of Inspections would report any information on the project back to Council.

PROCLAMATION -"NATIONAL BOYS CLUB WEEK" - APRIL 15 - 21, 1979

Mayor Trantham proclaimed the week of April 15 - 21, 1979 as "National Boys Club Week."

The following individuals, being residents of the area, spoke in opposition to the rezoning:

Dr. Nolan, owner of 294 White Pine Drive.
(objected to a through road being connected between Swannanoa River Road and White Pine Drive)
William Dickinson, 18 East Shore Drive.
(objected to Heavy Industrial and Light Industrial zone)
Earl Ritchie, 57 White Pine Drive
Janice Willard, 292 White Pine Drive
Harold Payne, 299 White Pine Drive
Leonard Peters, 307 White Pine Drive
Charlotte Clark, 294 White Pine Drive
C. C. Curtis, 33 White Pine Drive

Mr. Emrick said the Council had several alternatives, he said they could take action on the ordinance today or remand the petition to the Planning and Zoning Commission for further study.

Mayor Trantham closed the public hearing at 4:05 p. m.

After discussion, Councilman Morris moved to remand the rezoning petition to the Planning and Zoning Commission for further study and recommendation. This motion was seconded by Councilman Michael and carried on a voice vote of 6-1, with Councilman Rainey voting "no."

ORDINANCE NO. 1097 - AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THOSE DWELLING HOUSES KNOWN AS 97 HILL STREET, 40 PINE GROVE STREET, AND 5 TOXAWAY STREET

3. Consideration was given to the second reading of Ordinance No. 1097, an ordinance directing the Housing Officer to demolish 97 Hill Street, 40 Pine Grove Street and 5 Toxaway Street.

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific reason to do so.

On a roll call vote of 7-0, Ordinance No. 1097 passed on second reading.

RESOLUTION NO. 79-90 - RESOLUTION FIXING DATE OF PUBLIC HEARING ON QUESTION OF ANNEXATION PURSUANT TO G. S. 160A-31, AS AMENDED (Annexation of Western North Carolina Baptist Homes, Inc., property in Richmond Hills)

4. Consideration was given to a resolution fixing date of public hearing on question of annexation pursuant to G. S. 160A-31, as amended, annexing the Western North Carolina Baptist Homes, Inc. property in Richmond Hills, for May 10, 1979.

Verl Emrick, Planning Director, read the resolution and said this was the next step in the annexation procedure.

Councilman Michael stated that since this was a non-profit organization it would be necessary for them to arrange to pay for the city services.

Thursday - April 19, 1979 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilman Gene E. Rainey, F. Jack Cole, Otis B. Michael, and Ralph D. Morris, Jr., Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman Ralph D. Morris, Jr.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the April 12, 1979 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the minutes of the April 12, 1979 meeting were approved as submitted.

PUBLIC HEARING - REZONING PROPERTY ON BRITT DRIVE - E. DENNIS YOUNG AND EMIL D. YOUNG

2. A public hearing was held relative to rezoning property on Britt Drive from R-3 Residential District to HI Heavy Industrial District, property owned by E. Dennis Young and Emil D. Young.

Mayor Trantham opened the public hearing at 3:03 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Planning and Zoning Commission reviewed the rezoning request on February 14, 1979 and after discussing the issue voted to recommend to Council that the request for rezoning be denied. The reason being that this property should be left as a buffer between the residential area of White Pine Drive and the industrial area of Swannanoa River Road.

Mr. Emrick said eventhough there was substantial protest to the rezoning the "20% rule" would not apply.

Thomas Walton, attorney representing Mr. and Mrs. Young, stated that his client had originally requested that the property be rezoned to Commercial Service for the purpose of expanding their business and for internal wholesale storage but was informed that the rezoning would have to be to HI Heavy Industrial. He said he had researched the Zoning Ordinance and it would be his opinion that the property could be zoned LI Light Industrial and still allow for the intended use of the property. He said his client would be willing to withdraw his petition for HI Heavy Industrial and resubmit the request to the Planning and Zoning Commission for a LI Light Industrial zone.

RESOLUTION NO. 79-92 - RESOLUTION AUTHORIZING THE FILING OF AN APPLICATION WITH THE DIVISION OF ARCHIVES AND HISTORY, DEPARTMENT OF CULTURAL RESOURCES OF THE STATE OF NORTH CAROLINA FOR HISTORIC PRESERVATION ACQUISITION AND DEVELOPMENT MATCHING GRANTS-IN-AID

8. Consideration was given to a resolution authorizing the filing of an application with the Division of Archives and History, Department of Cultural Resources of the State of North Carolina for historic preservation acquisition and development matching grants-in-aid.

The City Manager read the resolution.

Verl Emrick, Planning Director, said this is for a 50-50 state grant utilizing $100,000 to be used by private developers for rehabilitating the front of their businesses. He said the City would provide in-kind services and the 50% match would be from private developers.

Upon motion of Councilman Michael, seconded by Councilman Rainey, Resolution No. 79-92 was unanimously adopted.

Complete text of Resolution No. 79-92 will be found in Resolution Book No. 11 at page 175 .

APPROVAL OF THE CONSENT AGENDA

9. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. Approval of bids received April 9, 1979 for one (1) 12 ton Tilt Type Low-Boy Trailer.

HIGHLIGHTS: Three (3) bids were received.

Recommendation of acceptance of low bid received from Western Carolina Tractor in the amount of $3,796.60.

Funding: Water and Sewer Major Capital Improvement Fund

B. Resolution No. 79-93 - Resolution authorizing the Mayor of the City of Asheville to accept funds from the North Carolina Arts Council for the restoration of murals in the City Council Chambers.

Resolution Book No. 11 Page 177 .

Upon motion of Vice-Mayor Horton, seconded by Councilman Rainey, Resolution No. 79-90 was unanimously adopted.

Complete text of Resolution No. 79-90 will be found in Resolution Book No. 11 at page 172.

RESOLUTION NO. 79-91 - RESOLUTION FOR CONSIDERATION OF IMPOSING A LIMITED MORATORIUM ON PLACEMENT OF COCKTAIL LOUNGES, NIGHTCLUBS, OR PUBLIC OR PRIVATE CLUBS WITHIN THE CITY OF ASHEVILLE

5. Consideration was given to a resolution imposing a limited moratorium on placement of Cocktail lounges, nightclubs, or public or private clubs within the City of Asheville.

The City Manager read the resolution and explained that this resolution would extend the present moratorium until June 28, 1979 and give Council an opportunity to further review the recommendations of the Planning and Zoning Commission regulating the placement of these type of businesses.

Upon motion of Councilwoman Price, seconded by Councilman Cole, Resolution No. 79-91 was unanimously adopted.

Complete text of Resolution No. 79-91 will be found in Resolution Book No. 11 at page 174.

SALE OF DISPOSAL PARCELS - EAST RIVERSIDE RENEWAL PROJECT - PARCELS 9, 28, 29

6. The City Manager read a letter from the Housing Authority of the City of Asheville recommending approval of the sale of Parcels 9, 28, and 29 in the East Riverside Renewal Project.

Parcel	Reuse	Price	Bid	Redeveloper
9	Residential	2,800	3,200	Eleanor Whitworth
28	Residential	2,500	2,550	F. Bowditch/L. Bowman
29	Residential	2,700	2,750	F. Bowditch/L. Bowman

Vice-Mayor Horton moved to approve the sale of Disposal Parcels 9, 28 and 29 in the East Riverside Renewal Project as recommended by the Housing Authority of the City of Asheville. This motion was seconded by Councilman Cole and carried unanimously.

PUBLIC HEARING SCHEDULED - ZONING OF AIRPORT PROPERTY

7. Consideration was given to a motion scheduling a public hearing relative to zoning the Airport property for May 17, 1979.

Mayor Trantham advised that this would be zoning the airport property owned by the City of Asheville.

Councilwoman Price moved to schedule a public hearing relative to zoning the Airport property for May 17, 1979. This motion was seconded by Councilman Cole and carried unanimously.

Members; 2) Permit the Civil Service Board to establish a local "rule of three" for entry level positions if it deems that necessary; and 3) Give the City Manager an opportunity to recommend rule changes to the Board with the Board having the authority to adopt such rule or design their own. He said in the letter it was noted that there apparently, had been a great deal of rumor about changing the Civil Service Act,and if those comments incorporated anything more significant than the three major items then it was just a rumor. He said the General Assembly was also advised that a public hearing would be held today.

The City Manager said one of the criticisms heard from the last public hearing was that the employees had not been properly notified. He said he took special efforts to notify employees this time. He said he has received, to date, 823 signed statements by employees that they had been advised, individually, by letter, of this hearing so they would have an opportunity to attend. He said immediately after the first public hearing, in March, a preliminary study was conducted asking individual employees their opinions on the changes. He said the form was furnished to 686 employees and 490 were returned, of which 223 did not submit completed surveys. He said two (2) major questions were on the form: 1) Did you understand the changes being recommended? - 230 answered yes; 113 answered no; and 120 answered yes, some of them- 2) Do you agree with the changes being recommended in the Civil Service Law? - 223 answered yes; 135 answered no. He said since that study the Board made several other proposed changes in the Act.

The City Manager advised that members of the Civil Service Board as well as Sam Graves and Anita Jones, who work closely with the Civil Service Board are present to answer any questions employees may have relative to the proposed changes. He said during the last hearing there were several things discussed that was not proposed to be changed. He suggested that during the hearing that if someone brings up an issue that is not being proposed as a change that the issue be identified in order not to confuse anyone.

Sam Graves, Director of Employee Services, explained the significance of the three major changes. He said the first would be to change the term of office of members of the Civil Service Board from two to four years allowing for staggered terms. As the second issue, he said the present law requires an appointing authority to select from the top three candidates and does not permit a local choice. He said the proposed amendment would give the local board authority to establish a "rule of three" for entry level positions if it is deemed necessary rather than being mandatory.

As a clarification, the Corporation Counsel said a general overall policy, whether it be a "rule of three" or another policy, would have to be established by the local board. He said the policy would apply across-the-board unless it is repealed by the local board.

Councilman Rainey said he personally had concerns with the language of the proposed amendment regarding the "rule of three." He said without the "rule of three" it would permit supervisors to play favoritisms. He said he did not feel the "rule of three" was the problem in recruitment of women and minorities.

C. Resolution No. 79-94 - Resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Huntley Construction Company, for the project known as Florida Avenue 6-inch Fire Line.

HIGHLIGHTS: Bids were received on the project on April 11, 1979.

Recommendation of low bidder, Huntley Construction Company in the amount of $12,804.00.

Funding: 65-25-627-2-000-0041

Resolution Book No. 11 page 178

Upon motion of Councilman Cole, seconded by Councilwoman Price, the consent agenda was unanimously approved.

PROCLAMATION - VOLUNTEER SERVICE WEEK - APRIL 22 - 28, 1979

Mayor Trantham proclaimed the week of April 22 - 28, 1979 as "Volunteer Service Week."

PROCLAMATION - NATIONAL YWCA WEEK - APRIL 22 - 28, 1979

Mayor Trantham proclaimed the week of April 22 - 28, 1979 as "National YWCA Week."

COUNCIL RECESS

Mayor Trantham said, unless there was objection, Council would recess until 5:00 p. m.

PUBLIC HEARING - CIVIL SERVICE LAW AMENDMENT RECOMMENDED BY ASHEVILLE CIVIL SERVICE BOARD

A public hearing was held relative to Civil Service Law amendment that has been recommended by the Asheville Civil Service Board for passage by the North Carolina General Assembly.

Mayor Trantham opened the public hearing at 5:03 p. m.

The City Manager said for about a year the Civil Service Board has been reviewing proposed changes in the Civil Service Law. He said the Civil Service Board held a public hearing on the proposed changes about one month ago and received several good recommendations from employees attending the public hearing. He said the Board then revised their recommendations and submitted them to the Council for review. He said the Council decided that another public hearing would be held to give the employees a chance to further comment on the changes.

The City Manager also said the Chairman of the Civil Service Board and the Mayor wrote a letter to the members of the General Assembly indicating that a report had been received and that Council had previously mentioned to the delegation that some changes were anticipated. He said a copy of the proposed bill was submitted to the delegation. He said in that letter they were advised that the changes briefly were as follows: 1) Establish exact terms of Office for Board

Joe Merrell, spokesman for the Fire Department, said the Fire Department Civil Service Review Committee, consisting of seven (7) members reviewed the proposed changes. He said a number of changes were proposed at the hearing before the Civil Service Board and those changes are included in the revised recommendations. He said the employees were not adequately notified of the hearing before the Civil Service Board, however, adequate notice was given about the hearing before City Council. He said the majority of the employees of the Fire Department concur with the revised recommendations. He said if any additional recommendations or changes are made the Civil Service Review Committee would like to be notified.

Caroline Martin of the Collections Department, said it is obvious that the "rule of three" for qualified applicants must be discarded because of federal regulations. However, she emphasized the importance of competency in employment, not favoritism. She suggested the following amendments:

"Page 1, Section 1, (b), (1)(2)(3) of the proposed revision - In choosing Commission members, I think that all 5 members should be elected by the Classified Service, because the Commission should not be controlled in any way by the City Council. If all 5 are not chosen by the Classified Service, certainly no more than two should be chosen by the Council. And certainly the Chairman of the Commission should be chosen by the Commission members themselves and by no other means."

"Page 2, Section 1, (c)
If the length of office of the Commission members must be staggered, the Chairman of the Commission should serve 4 years. And if Council chooses two members, then those two members shouldbe the ones to serve two years instead of the ones chosen by the Classified Service. That would leave the three members chosen by the Classified Service to serve three years."

"Page 2, Section 1, (d)
Again, Council must not select the Chairman of the Commission."

"Page 3, Section 1, (f)
A quorum must consist of all five members when a vote is taken. A vote is too important for less than the full Commission to be present to vote."

"Page 3, Section 1, (g)
Commission members should be compensated for their time as well as travel expenses."

"Page 4, Section 2, (b) (4)
I would delete "the City Council and" from the first line. If the City Manager thinks Council should be informed, then he can pass the information on to Council."

"Page 9, Section 5, (a)
In the first sentence - Any member of the Classified Service who has been suspended, demoted or discharged shall be (and I add) notified of such charges in writing and be etc.... Also at the end of that first sentence I would like to see added, unless grievance procedure is delayed by City, in which case the defendant be given additional time and notified in writing of the extension."

"Page 11, Section 5 (e) What does the Latin de nova mean? "

Sam Graves said the "rule of three" limits the appointing authority in their consideration of things that might deem necessary for a particular position, i. e. personality, oral expression.

Mayor Trantham said the "rule of three" is not always justified as to the applicants qualifications. He said without the rule of three an applicant could be screened more carefully.

Councilman Michael said he felt the "rule of three" has been discriminatory in some respects. He said the elimination of the "rule of three" would be fairer and more like other equal opportunity employers.

Mr. George Roberts, retired Civil Service employee, said he favored a competitive merit system with a probationary period. He said he felt the problem was in the evaluation of an applicant. He said he would not favor anything that would be detrimental to the citizens of Asheville.

Anita Jones, Executive Secretary to the Civil Service Board, said the recommended changes doe not eliminate the "rule of three" but merely gives the local Board the authority to decide whether they want to retain the "rule of three" or whether they want to have a "rule of five" or whether they want to do something else.

Gale Ashmore, Secretary in the Parks and Recreation Division, said the "rule of three" should be a local decision rather than a state law. She said she was in favor of the amendment so the local board could have the option of deciding the basis on which employees will be chosen. She said the local board should also decide the basis on which employees shall be promoted rather than leaving the "rule of three" for promotional purposes.

Mr. Garland Wible, retired employee of the Asheville Police Department, 249 Cumberland Avenue, reviewed the history of events which led to the establishment of the present Civil Service Law. He said the present law favors control by the City Council due to the election procedure of the members of the Board. He suggested that the procedure be changed whereby the Council appoints two members, the employees two and the fifth member chosen by the Resident Judge of the Superior Court. He said the proposed change could allow the City Manager to take a classified position from under Civil Service and the employee would have no redress. He said seniority should be a major factor in any promotions. He suggested that provisions for written examinations be retained. He spoke in support of the "rule of three" stating that without that provision appointing authorities could let personalities and favortism play a part in the hiring process. He said the proposed recommendations set the stage for a political organization.

A. R. Sluder, retired Chief of the Asheville Police Department, spoke in favor of retaining the "rule of three" provision.

Ralph Bishop, spoke in defense of the "rule of three." He said the rules should be changed to allow employees of the Asheville Police Department to be local residents rather than outsiders.

Larry Fisher, Director of Finance, referring to the "rule of three", said test do not measure reliability, compatibility, common sense versus academic ability, or willingness to work. He said under the present procedure an appointing authority may have to wait up to sixty (60) days to fill a position which creates a hardship.

Councilman Michael said the proposed revisions do not eliminate the "rule of three" provision but only to give the Civil Service Board the authority of using the rule of three or changing to another system which may be fairer.

The City Manager requested that the following letter be made a part of the record:

OFFICE OF
CITY MANAGER

March 28, 1979

Mr. Osborne Hart, Chairman
Civil Service Board
and
Members of the Board
Post Office Box 7148
Asheville, North Carolina 28807

Dear Mr. Hart and Members of the Civil Service Board:

Since the public hearing on the changes in the Civil Service Law was held on February 27, 1979, I have had an opportunity to thoroughly analyze some of our mutual problems pertaining to the Civil Service Law. I hope the following comments will be of some help as you proceed with your deliberations on changes in the Law.

The Civil Service Law has not been changed since 1953 and as I understand it, at that time it required only the services of the Board and one individual to maintain the personal records, give the tests, and administer the Law and the rules and regulations. Also, at that time, the following conditions existed:

There were only 562 employees instead of 950 in 1979.

There were no federally-mandated requirements for Civil Rights or Affirmative Action compliance.

There were no requirements for psychological screening and state minimum training standards for police officers.

Special federally sponsored training programs were not available to supplement the work force.

Physical examinations were not required in all departments as a prerequisite to employment.

Personnel records could be substantially handled manually; now we need computers and several employees to maintain the records.

"In closing, most members of the Classified Service have very little chance to defend themselves in case of charges against them or to keep changes from being made that would adversely affect them. The firemen have the Fraternal Order of Firefighters as well as the Union who provide them with an attorney. The police have the Fraternal Order of Police. That leaves over 80% of us to fight for ourselves alone. Very few of that 80% can afford an attorney. The Civil Service, as stated on page 3, Section 2 (2) of the proposed changes "shall promote efficiency and fairness in the personnel policies and practices governing the members of the Classified Service of the City of Asheville." Let us see that it is truly that way."

Councilman Rainey said Council should have the right to review for thirty (30) days if the Civil Service Commission makes any changes. He requested that this provision be included in the law.

The City Manager said Councilman Rainey's suggestion could be dealt with through a charter amendment outlining procedures.

Councilman Rainey said Council should consider whether or not legal assistance should be provided for the City employee who has a complaint against him that could lead to discharge of the employee. He said the Civil Service Board should be in a more neutral position in dealing with disputes. He said most of the time employees are discouraged from pursuing an issue due to attorney fees.

Don Meade, employee in the Water Department, said the "set-up chain of command" should be changed rather than the Civil Service Law. He said he still has a case pending before the Civil Service Board because, by law, they could not act upon his case.

Ray Stepp, member of the Civil Service Board, spoke in favor of the "rule of three" and said it was his hope that it would be retained. He said if done fairly the Affirmative Action Program can be accomplished with the "rule of three."

Ray Kisiah, Director of Parks and Recreation, said he would speak for some employees of the Parks and Recreation Department and the Civic Center. He said they were concerned with the provisions relative to part-time or seasonal employment being restricted to a maximum of six (6) months and shall not be renewed. He said it was his hope that it would not become part of the Act as it would create difficulties.

Vice-Mayor Horton said he would hope this would not affect part-time employees. He said it was his understanding that the section dealt only with temporary employment.

Mel Tucker, Chief of Police, said in reality the "rule of three" is discriminatory, giving such examples as veterans preferance points which most females do not receive. He said there is also a need to change in order to meet the changing environment at the present. He said employees, today, have several agencies and courses to go through if redress is needed. He said he would support a modification of the rule in order to promote affirmative action.

The City Council did not meet twice a week as they do now - this alone requires approximately 8 hours a week which is usually a minimum of time spent.

The number of pension plans and their administration have expanded and become more complex.

Workmen's Compensation laws and administration have become more strict.

Broad advertising for position vacancies and testing was not regularly done.

In the meantime, the Civil Service Boards, since 1953, have made certain amendments to rules and regulations to keep up with the times, however, the Law itself does not permit the Board sufficient flexibility to fully keep up with the times.

In addition to all that has happened since 1953, the following are some practical problems that our staff members face in filling positions:

1) Time lag in filling vacant positions - Anywhere from 60-90 days for filling positions due mainly to procedures of the Board which require the Board's approval before each test is scheduled or any eligibility list is made.

2) Promotional positions at times have been designated by the Board without communication with appointing authorities to determine together which vacancies should be promotional.

3) Situations which arise soon after a regular monthly Board meeting (i.e., request for medical leave of absence or requests for leave of any type other than annual or sick) must be held until the next scheduled Board meeting. (See Attachment "A")

4) All position reclassifications must be approved by the Board.

5) Temporary appointments are difficult since the Board has ruled that anyone who accepts an appointment on a temporary basis and then fails to qualify on the list of eligibles does not have the right to claim their former positions if it has been filled. (See Attachment "B")

There were no OSHA (Occupational Safety and Health) requirements.

There was no written or formalized grievance procedure.

Changes in examinations were infrequent and there were charges by employees that some privileged people had access to tests and test information.

There were no governmental or judicial standards requiring job-related validation of Civil Service tests.

Appointment and promotional tests were always written; however, now there are a variety of selection criteria used - written tests, evaluation of experience and training, oral interviews and completion of specific training.

There were no formal position classification and pay plans, consequently promotional opportunities, comparable pay for like work and other aspects of good pay and position classification administration was not going on.

Employee evaluations were not administered in the same detailed and meaningful manner in which they are today.

Training opportunities were limited.

Requirements for job specializations were not as critical. Examples: Erosion Control
Lab Technician
Federal Compliance Officer
Safety Officer
Variable Skills for Mechanics
Promotions Director
Print Shop
Community Relations

The City had not assumed numerous additional responsibilities such as: the Civic Center, major Airport expansions, water filtration plant, extraterritorial zoning, Urban Renewal, and numerous other federal grants to supplement local property taxes, risk management insurance, the Parking Garage, Data Processing, training, planning, expanded inspections requirements, mass transit.

15) Due to time delays in our process of selection, qualified candidates are going elsewhere.

16) Our present system offers employees too few incentives for good performance and too few penalties for bad performance.

17) The current system of promotion does not take into consideration the high cost of training and length of time for training in certain job categories.

18) We need a system compatible to management, the Law as it exists is too detailed and cannot be changed with the times.

These items were observations made to me in a department head staff meeting held after the public hearing. Some of the concerns expressed can be remedied by changing some procedures without changing the Law, some will be remedied under the proposed change in the Law, some items indicate a misunderstanding about what can be done under the current Law and some would require extensive change in the Law - well beyond what is now being considered.

I think some excellent suggestions were made at the public hearing and the Board should consider those in developing a final draft for the City Council's consideration. I further recommend to the Board that whether you adopt all or part of the suggestions that have been made you are on the right track and some change should be recommended for General Assembly adoption this year.

In addition to proceeding with a change in the Law, the following are some actions I have taken and some other recommendations comments I would like to make:

1) Because of some obvious misunderstanding about the Rules and Regulations of the Civil Service Board and personnel procedures in general, I have directed Mike Smith to prepare a City Personnel Policy Manual for all Departments and Divisions of the City. Most of this information has previously been disseminated in memorandum and phamplet form for years, however, there is no central source of this type information for general and uniformed employees. The Manual will be in a central location in each department and division for all general and uniformed employees' information. It is expected that this Manual will be distributed within 90 days.

6) Oftentimes good candidates for positions are either not available or no longer available due to the time lapse in appointments and testing.

7) With the two year eligibility list requirement, the information is often old when the appointing authority is ready to make appointments. It is likely that the top three have gotten another job.

8) Employees lack sufficient knowledge of the existing Law as well as rules and procedures.

9) Appointing authorities feel that they need broader selection authority than the rule of three permits in order to meet Affirmative Action goals and situational job assignments.

10) There are instances were positions were advertised indicating a specific selection process and the Board changed the selection process.

11) Lateral entry is not permitted - example: police officers from another community cannot be considered for a job in the Asheville Police Department except by going through the same testing and qualification process as a person with no experience.

12) With veteran preferance points and City of Asheville residence points there is an inconsistency regarding who gets preferential treatment - example: why not preference points for minorities, women and the handicapped.

On the other hand, with preference points sometimes good candidates do not make the rule of three spot and cannot be considered because they are not veterans or not residents of Asheville.

13) Some department heads feel that the exempt status should be expanded to permit department heads to select key personnel outside the normal Civil Service process - example: The Assistant Chief of Police should be exempt.

14) Some department heads feel that a new department head should have an opportunity to select a secretary - and not necessarily the one that holds that position when that department head is appointed.

6) While attending the public hearing I was quite surprised to hear Joe Merrill speaking for Chief Ball indicate a concern about hearing of the Civil Service Law changes from his employees rather than through the established communication channels. I called a meeting of Department and Division Heads to meet with Osborne Hart on Tuesday, February 27, 1979, at 8:30 a.m. to distribute informational letters for all employees and copies of the Act proposed by the Civil Service Board. At first I was concerned that Chief Ball had missed the meeting; however, I found out after the public hearing that what was being referred to was the fact that Ray Stepp, a member of the Civil Service Board, had given a copy of a preliminary draft for Civil Service Board use only to some Fire Department employees. I really don't understand why Mr. Stepp would do this when this was a draft not even approved by the Civil Service Board. Furthermore, since Mr. Stepp was elected by the City employees why would he show favoritism to only certain employees? This type action by a Board member certainly doesn't help the morale of other employees and it violates the principle of providing information through some systematic process so that everyone has a fair change and right to information. I hope the Board will appropriately address this communication problem so that we can avoid this in the future.

Simply put, it seems then that we are now, at a point in time, some 26 years after the passage of the 1953 Act, ready to take a step toward making a change to better deal locally with the day-to-day external influences on the personnel system and give the Civil Service Board the opportunity to deal more with policy, procedure and appeals without changing the purpose and influence of the Board in protecting employee rights, which is a fundamental matter that should always be protected in any changes in the Law.

If I can be of assistance in this, or any other matter, please let me know.

Very truly yours,

K. M. Michalove
City Manager

KMM:msb

CC: Members of the City Council
All Department Heads
All Division Heads

2) Effective immediately I am requiring each Department and/or Division Head to be in attendance at Civil Service Board meetings when there are matters which affect their activities to be considered by the Board. This has not been a practice in the past and I feel this will improve communications between the staff and the Board.

3) Effective immediately I am requiring that matters to be presented to the Civil Service Board shall be submitted to the Civil Service Board Office at least seven (7) working days prior to the regularly scheduled Board meetings. Therefore, since the Board meets the first Wednesday of every month, the deadline will be Monday, 12:00 noon.

   This is a request the Board made in August of 1978 which has not always been followed.

   I would also like the Board to publish an agenda by Friday before the regular meeting and send that agenda to all Department/Division Heads so they will know the subjects being considered.

4) Through the training functions of the City, I am setting up specific programs to review the Civil Service Rules and Regulations and other personnel procedures for each Department and Division - at all levels of employees.

5) I attended the Civil Service Board public hearing on the draft legislation and I heard the comments that employees were not notified of the meeting and changes in the Law. According to the notes I made, only 11 employees made that comment and we have 950 employees on the entire City staff. Therefore, comments by 11 employees does not seem to be a representative sample. However, I have taken the following steps to learn exactly the extent of the communication problem by sending the attached memo to Department/Division Heads asking how they disseminated information - See Attachment "B". Also, on Tuesday, March 20, I sent out the attached letter to all City employees asking for information about their awareness of the changes, the public hearing, their suggestions about the changes and their suggestions about better methods of communication. (See Attachment "C")

CITY OF ASHEVILLE

CIVIL SERVICE BOARD

March 3, 1978

MEMORANDUM TO: All Department/Division Heads

FROM: Doris F. Rigsby
Executive Secretary
Civil Service Board

SUBJECT: Civil Service Board Policy Letter #1:
Temporary Appointments to Positions
Subject to Civil Service Examinations.

At its regularly scheduled monthly meeting on October 5, 1977, the Asheville Civil Service Board made a significant policy decision regarding temporary appointments made into positions in the Classified Service pending Civil Service Examinations. The Board ruled that if an employee vacates a position to accept a temporary promotion subject to examination and the vacated position is subsequently filled by an applicant eligible for appointment from a certified Civil Service Eligible List, the person accepting the temporary appointment has no right to claim the position he/she vacated if that employee should subsequently fail to qualify for permanent appointment to the promotional position. The Board urged that in such cases where a person failed to qualify for permanent appointment to promotion under such circumstances, every effort should be made by the City to place that employee in a suitable position for which he/she is qualified in another City department or division.

If you have any questions regarding this decision by the Asheville Civil Service Board or would like additional information about it, please let me know.

DFR:llh

CITY OF ASHEVILLE

CIVIL SERVICE BOARD

August 10, 1978

MEMORANDUM TO: All Department/Division Heads

FROM: Anita L. Jones
Executive Secretary, Civil Service Board

SUBJECT: Deadline for Submitting Business to Civil Service Board

In order to conduct the Civil Service Board business in an efficient and effective manner, it is necessary for the Board Members to review all materials submitted by departments and divisions prior to their meetings on the first Wednesday of each month. Therefore, all matters you wish the Board to consider must be submitted to the Civil Service Office at least seven (7) working days prior to the regularly scheduled Board meetings. Materials received after that time will not be considered by the Board until the following month.

All matters to be presented to the Civil Service Board in September must be submitted by the close of business on Friday, August 25, 1978.

Thank you for your cooperation.

P.O. Box 7148 • Asheville, North Carolina 28807

CITY OF ASHEVILLE

ASHEVILLE, NORTH CAROLINA

OFFICE OF
CITY MANAGER

MEMORANDUM TO: Department and Division Heads

FROM: Ken Michalove, City Manager

DATE: March 7, 1979

On Tuesday, February 27, 1979, I called a special meeting to distribute copies of the proposed Civil Service legislation. At that time, I asked that each of you make this information available to your employees and make them aware of the public hearing on Wednesday, March 7, 1979.

I would like to know from each of you, within the next 10 days, how you distributed the information and made it known that a public hearing was to be held.

KM/msm

Mayor Trantham closed the public hearing at 7:20 p. m.

Ray M. Trantham
MAYOR

Doreen J. Holcomb
CITY CLERK

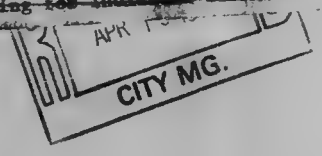
Mayor Trantham said Council is interested in treating everyone fairly and was interested in having better communications with employees.

Fred Hensley, Asst. Chief of the Police Department, supported the changes in the Civil Service law, particularly the deletion of the "rule of three."

Patrolman M. C. Walsh, Jr., also supported the deletion of the "rule of three." He said a written examination does not always reveal an individuals true evaluation.

Councilman Rainey poined out that, unfortunately, the recommendations still have the "rule of three" for promotions.

The City Manager presented the following for inclusion into the record:



19 April,'79

from Wm. T. Besser

to Ken Michalove

re Public hearing - Civil Service Law amendments

I will be unable to attend today's public hearing on the proposed amendments therefor am using this means to communicate my comments.

Section 2-b-2 and Section 4-a appear to give the Commission the power to change the entire Act or any portion(s) thereof and to interpret the Act as it may desire, without further authority or recourse.

On page 2 of Tranthams letter to the delegation, the 3rd paragraphs reads "City Council still retains final authority over the rule making of the Board". Where in the Act is this stated?

The City places responsibility for the proper functioning of the various Departments / Divisions upon the "heads" of those branches. Should not this responsibility be accompanied by the authority to at least select, if not hire, the persons working under their supervision?

If the authority to hire and fire,hence have ultimate control over the employee resides solely with the Board, should they then not be held responsible for the employees work?

Obviously, this would be unworkable.

I suggest a re-study of the amendments. I am confident that what I percieve to be weaknesses in the Act can be resolved in a manner equitable to all parties.

Bill

the Director of Inspections had informed him that it could be negotiated whereby the interest could be relieved but the principal could not be waived. He said the amount of interest on the lien now amounts to approximately $600.00. He said he then went to the City Manager in order to get the lien waived and was informed the matter would have to be a Council action, however, there would be no problem in waiving the interest. He said during the closing of the property the owner paid the principal on the lien relying on the information from public officials that the interest could be waived. He said since that time a misunderstanding took place about the waiving of the interest and the concerns of the residents in Kenilworth about what was to be constructed at 22 Chiles Avenue. He said all action taken on the purchase of the property was taken on the assurances from public officials that there would be no problem in waiving the interest on the lien.

The City Manager explained that he had communicated with Mr. Wadford and informed him that Council would have to take action to waive the interest on the lien.

Councilman Rainey said there were two issues at hand, one being the presence of the group home in Kenilworth and the other the waiving of the interest on the lien.

After discussion, Councilman Michael moved to table any action on waiving the interest on the lien against 22 Chiles Avenue by the City of Asheville until the City Attorney receives an opinion from the Attorney General relative to the legality of waiving interest on a lien. This motion was seconded by Councilwoman Price and carried unanimously.

Rufus Lacy, Executive Director of the Buncombe County Group Homes for the Developmentally Disabled, Inc., said his organization is a private non-profit organization and was incorporated in April, 1975. He said during 1975 the organization went into a lease agreement with the owner of 46 St. Dunstans Circle and the facility was then turned into a group home for developmentally disabled adults with a maximum number of nine. He reviewed the operational concept of the home as well as the licensing thereof. He said the same procedure would be followed in constructing a faciltiy at 22 Chiles Avenue. He reviewed the criteria for selecting the property on Chiles Avenue, stating that a neighborhood is selected on the basis that the residents of the home can live and function as close to normal as possible. He said the home would not be detrimental to the residents of the Kenilworth area nor the residents of the group home.

Mr. Lacy presented and reviewed an architectureal design of the proposed home. He said the home would be financed by HUD in the amount of $208,000.00. He said all laws, rules and regulations would be complied with in constructing the home.

Upon inquiry of Councilman Michael, Mr. Lacy said the residents of the home would be moderately retarded and the purpose of the home is to guide them into eventually moving solely into the community on their own.

Mr. Lacy answered general questions of members of Council relative to financing, construction, and operation of the home. He said general procedure has been to inform the neighborhood as to what is going to be taking place in the neighborhood through group meetings, which has been done in the Kenilworth area.

Thursday - April 26, 1979 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilman Gene E. Rainey, F. Jack Cole, Otis B. Michael, and Ralph D. Morris, Jr., Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman Gene E. Rainey.

APPROVAL OF THE MINUTES

1. Mayor Trantham advised that the minutes of the April 19, 1979 meeting had not been completed and would be approved at the next meeting.

PRESENTATION BY ASHEVILLE-BUNCOMBE CLEAN COMMUNITY SYSTEM

2. Jean Webb, Executive Director of Quality Forward and Coordinator for the Clean Community System, gave a brief progress report on April as Clean Community System month. She asked that the City actively enforce the City codes particularly as it related to litter. She said the Asheville Clean Community System has been active in the April Clean Up Month.

Mrs. Webb invited Council to participate in the "Cash for Trash" day on May 5, 1979 by visiting one of the locations designated for gathering non-recycleable trash.

Councilwoman Price moved that a resolution be prepared for Council's consideration at next weeks meeting relative to the "Bottle Bill" which adds to the litter on the streets. This motion was seconded by Councilman Rainey and carried unanimously.

Mayor Trantham said during the Land-of-the-Sky Regional Council meeting the "Bottle Bill" was endorsed but it was suggested that the bill be broadened to include other things. He said it was also felt that stricter laws and penalities needed to be imposed.

PRESENTATION BY BUNCOMBE COUNTY GROUP HOMES FOR THE DEVELOPMENTALLY DISABLED, INC. - FACILITY IN KENILWORTH AREA ON CHILES AVENUE

3. Mr. Wilder Wadford, 38 N. Main Street, Weaverville, North Carolina, attorney representing the Buncombe County Group Homes for the Developmentally Disabled, said he was first contacted by the organization to search a title for 22 Chiles Avenue which was to be used for a home for the developmentally disabled. He said in searching the title a lien was uncovered against the property in the amount of $1,914.48 which was rendered on March 1, 1974. The reason for the lien is that the City of Asheville demolished a building on 22 Chiles Avenue and the owner at that time never paid the City. He said he sought means to have the lien waived by the City. He said

Councilman Cole said he was concerned for the residents of Kenilworth particularly as it relates to property values.

Dr. Stanley and Peter Winslow thanked Council for the opportunity to view the comments on the group home during a Council meeting eventhough Council had no authority on the project.

Katherine Johnson, 29 Devonshire Place in Kenilworth, spoke in opposition to the construction of the group home on Chiles Avenue. She asked that if the home is built that Council see that all rules and regulations are strictly enforced.

Marvin Chambers said the residents of Kenilworth would have accepted the group home more readily if the public relations had been better.

RESOLUTION NO. 79- 95 - RESOLUTION RECOMMENDING THE REPAIR OF SMITH BRIDGE

4. Consideration was given to a resolution recommending the repair of Smith Bridge.

The City Manager read the resolution.

Upon motion of Vice-Mayor Horton, seconded by Councilman Cole, Resolution No. 79- was unanimously adopted.

Complete text of Resolution No. 79-95 will be found in Resolution Book No. 11 at page 179.

ORDINANCE NO. 1097 - AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THOSE DWELLING HOUSES KNOWN AS 97 HILL STREET, 40 PINE GROVE STREET, AND 5 TOXAWAY STREET

5. Consideration was given to the third and final reading of Ordinance No. 1097, an ordinance directing the Housing Officer to demolish those dwelling houses known as 97 Hill Street, 40 Pine Grove Street, and 5 Toxaway Street.

Mayor Trantham said the ordinance was previously read on first and second readings and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1097 passed on third and final reading.

Complete text of Ordinance No. 1097 will be found in Ordinance Book No. 8 at page 332.

APPROVAL OF THE CONSENT AGENDA

6. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

Councilman Rainey said he had suggested that the City Staff research the Zoning Ordinance in order to provide a means whereby one particular section of the City is not impacted with these types of facilities. He said this would assure residents that they would not have more than their share of these types of homes in their neighborhood.

Mr. Lacy said it was not the group homes intention to have more than one home in the neighborhood nor to be a burden in any particular neighborhood. He said most of of the residents would be from the Buncombe County area.

Upon inquiry of Councilman Rainey, Mr. Lacy said the St. Dunstan's Circle Group Home has proven no problems with the neighborhood.

Councilman Rainey said he was pleased the organization was in Asheville to provide homes for the developmentally disabled. He said, however, he could not support the waiving of interest on the lien which is a separate issue from the group home itself.

Councilman Cole expressed concerns that the buyer, Buncombe County Group Homes, closed on the purchase of the property knowing there was an unsettled lien against the property. He further stated that he did not feel this home could be considered as a "normal" home, referring to the cost and construction of the home.

Mr. Lacy explained, at the request of Councilman Cole, that the money from HUD would be a mortgage and would be paid back by the Board of Directors for the Buncombe County Group Homes. He said each resident is required to pay $370 each month which is matched by mental health monies.

Councilman Michael said since this home would be a non-profit organization which would not pay taxes he felt they should be willing to pay for the city services, such as trash pick-up, fire and police protection.

Bob McClure, speaking for several residents of the Kenilworth area, spoke in opposition to the group home in Kenilworth. He asked Council to do what ever they could to stop the project until other alternatives could be explored.

Councilman Morris noted that Council, by state law, cannot take any action on the construction of the group home.

Peter Winslow, President of the Kenilworth Residents Association, asked several questions relative to the group home. He said the residents of the area had concerns with the project and needed to more fully understand the project.

Dr. Ray Stanley, Chairman of the Board for the Buncombe County Group Home, in answering several of Mr. Winslow's questions said the home would be financed with Section 202 funds through HUD with the mortgage to be paid off with a 40 year plan. He said his organization is working with the State Association for Retarded Citizens in consulting services. He said the architect has also worked with HUD in Section 202 funding on previous occasions. He said a meeting would be held with the residents of Kenilworth to explain the project in detail.

Dr. Stanley answered general questions from the audience relative to more group homes in Asheville, public relations, and maintenance of the home and grounds.

I have received many favorable comments from Asheville citizens regarding these two incidents - every one of which was supportive of our law enforcement people as having done exactly what the situation called for.

It is somewhat disturbing to me that the only critical or negative reaction to normal and appropriate law enforcement at the Civic Center -- coming to my attention -- has been from a few members of the Civic Center Commission.

Members of Council may recall that several months ago the chairman of the Civic Center Commission stated in writing that the Commission felt that law enforcement at the Civic Center was not up to the Commission but was the responsibility of the Police Department. Now -- oddly enough -- certain members of the Commission are apparently refuting that philosophy by objecting to proper and appropriate law enforcement measures taken by our official law enforcing agency.

This is rather disconcerting, to say the least.

If those critical Commission members are primarily concerned about an adverse impact on attendance, I would sincerely admonish them that true objectivity and common sense can only reveal that unduly tolerating such objectionable behavior by a few has already decreased attendance. By taking the situation in hand, many well-mannered and law-abiding young people would return as -- or become involved as -- regular and desirable attendees at such events ... thereby insuring even better attendance under proper conditions in the future. The Commission members should give second thoughts to their attitude."

Councilman Michael said he had talked with the City Manager regarding this matter and since the promoter has to pay police officers to keep law and order in the Civic Center it would be his opinion that the officers on duty should not have allowed these things to happen rather than to have plain clothsman go in and make massive arrests. He said it was his opinion that the Civic Center Commission only objected to the way it was handled.

COUNCILMAN MICHAEL - ASHEVILLE HOUSING AUTHORITY - EAST END/VALLEY STREET

Councilman Micheal expressed concerns that multiple housing developments are being planned for the East End/Valley Street area. He said it was his understanding that this would take place only as last resort. He said every attempt was to be made to construct new houses and create home ownership. He requested that a representative from the Asheville Housing Authority come to Council and explain the status of the East End/Valley Street project.

Councilwoman Price said it was her understanding that the multiple housing developments were only in the preliminary stages.

COUNCILMAN RAINEY - ROCK CONCERTS AT THE ASHEVILLE CIVIC CENTER

Councilman Rainey agreed with Vice-Mayor Horton's statement on the rock concerts at the Asheville Civic Center. He requested copies of the minutes of the Civic Center Commission's meeting where this subject was discussed.

A. Resolution No. 79-96 - Resolution authorizing the filing of an application with the Department of Transportation, United States of America, for a grant under the Urban Mass Transportation Act of 1964, as amended.

HIGHLIGHTS: To aid in the financing of a technical study grant to implement specific items of the 1979-80 Asheville Urban Area Unified Work Program.

Resolution Book No. 11 Page 180.

B. Motion scheduling a public hearing relative to amending the Zoning Ordinance to permit crematories as an ancillary use to funeral homes for May 24, 1979.

C. Resolution No. 79 - 97 - Resolution and budget amendment authorizing the Mayor to sign an agreement between the State of North Carolina Division of Archives and History Department of Cultural Resources to receive matching grant under provisions of the National Historic Preservation Act for a fire alarm system and emergency lighting in the City Building.

Resolution Book No. 11 Page 181.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the consent agenda was unanimously adopted.

COUNCILMAN RAINEY - STATUS OF ASHEVILLE ANTIQUES FAIR CASE

Councilman Rainey questioned the status involving the Asheville Antiques Fair regarding their request for a period of time in which they can use the Civic Center.

The City Manager answered Councilman Rainey by stating that he was awaiting the arrival of the new Civic Center Director and a decision on the matter would be made by May 22, 1979.

VICE-MAYOR HORTON - STATEMENT RELATIVE TO ROCK CONCERTS AT THE ASHEVILLE CIVIC CENTER

Vice-Mayor Horton read the following statement:

"I want to publicly commend our Police Department for doing a good job of law enforcement in responding again to the very obvious situation of unlawful behavior by a small minority of patrons at the latest Rock Concert at the Civic Center.

Unlawful, disturbing and disruptive conduct by a handful just should not be tolerated at the expense of the rest of those present at a given event in the Civic Center.

PROCLAMATION - RESPECT FOR LAW WEEK - MAY 1 - 7, 1979

Mayor Trantham proclaimed the week of May 1 - 7, 1979 as "Respect for Law Week."
